- i] Bought hours are owned by the Employer and are derived from those employees who accepted the 1993 buyout (calculated on their average weekly hours over the base period in the case of a part-time employee and a forty hour basic work week in the case of a full-time employee).

ARTICLE 11.6 cont.

- iii] Bought hours

- iv] Shared hours

- 3. When a competitor opens a new store and the weekly hours worked in a scheduling group in the affected store(s) of the Employer are reduced, the reductions in hours worked by part time employees will occur in the following order:

ARTICLE 11.6 cont.

- i] Shared hours in a scheduling group will be reduced in accordance with the following formula:

75% from post 1993-employees
25% from pre 1993 employees

- ii] Part time hours of work in a scheduling group will be reduced for pre 1993 employees and post 1993 employees, on a shared basis, in accordance with the following formula:

50% from post 1993 employees working scheduled bought hours
50% from pre 1993 employees

until the pre 1993 part time employees are scheduled 80% of their Base Hours, and

- iii] Bought Hours in the scheduling group will next be reduced,

- iv] Once there are no Bought Hours being scheduled in a scheduling group then pre 1993 part time employees will experience a further reduction in their weekly hours of work below 80% of their Base Hours.

- 4. The Employer may reduce hours set out in Point 3 of this offer commencing the Sunday following the first week ending in which the affected store(s) weekly sales fall below the store's "20 weeks average" weekly sales figure.

- 5. When the hours of part time employees increase in those stores previously affected by a competitor's opening, the weekly hours of work shall be restored to pre 1993 and post 1993 employees in the following order:

The Union and the Employer will meet to discuss any application for transfer and determine a solution. 11.7 Scheduling of Part-time Employees

Part-time employees will be given maximum available part-time hours in their store in their department (meat, fish or deli) in accordance with their seniority. The foregoing is not meant to restrict the Employer where, due to operational efficiency, it is necessary to use interdepartmental scheduling. Where inter-departmental scheduling is used, employees who are regularly scheduled in one department will be assigned scheduled shifts/call-ins in their department before employees from other departments.

ARTICLE 11.7 cont.

First Year:

Within three weeks of ratification lump sum payments will be made to employees in accordance with the following:

- (i) full-time employees on payroll at date of ratification will receive a payment of \$1 ,000.00
- (ii) part-time employees on payroll at date of ratification whose seniority date is March 16, 1993 or earlier will receive a payment of \$800.00.
- (iii) part-time employees on payroll at date of ratification whose seniority date is March 17, 1993 or more recent will receive a payment of \$400.00.

Appendix “A” cont.

Second Year:

Effective the later of March 16, 1997 or Sunday after ratification hourly wage rates will be improved and reclassifications will occur in accordance with the following:

1. Wage Increase

All employees whose hourly rate of pay is greater than the 7501 HOUR RATE in their classification as set out in Appendix “A” rate scales shall receive a wage increase of fifty (50) cents per hour.

For Example:

- A meat-cutter who is currently earning \$16.30 per hour is receiving a rate of pay which exceeds \$16.00 per hour, the 7501 HOUR RATE rate in the new meat-cutter rate scale. This meat-cutter would receive a wage increase of .50 cents per hour.

Point 2

2. Reclassifications and Wage Increases

- (i) present Meat Department Assistant Clerks will be reclassified as Meat cutters.
- (ii) present Fish and Deli Assistant Clerks will be reclassified as Fish or Deli Clerks.

All employees whose hourly rate of pay is less than the 7501 HOUR RATE in their new classification, including the reclassified employees described above, will initially have their hourly rate increased to the next higher hourly rate in the new scale in Appendix “A.” These employees will be deemed to now have the minimum hours listed corresponding to this new increased hourly rate.

Following the above noted reclassification these employees will immediately receive an additional twenty-five (25) cents per hour wage increase.

Employees who are reclassified and assigned a credit of hours as described above shall progress to the next step when they have accumulated an additional 500 hours. The twenty-five (25) cent wage increase cited above may result in an employee receiving an off-scale rate of pay. If that is the case, the employee will remain at that off-scale rate until the additional 500 hours of work entitles them to the next higher hourly rate of pay on their new wage scale.

Appendix “A” cont.

For Example

- A Deli Assistant Clerk who has accumulated 2 150 hours of service and is currently earning \$8.89 per hour will initially be credited with the Deli Clerk rate of \$9.30 per hour when reclassified on to the new Deli Clerk wage scale. This employee will also be credited with 3001 hours of service on the new Deli Clerk wage scale and then will receive an additional twenty-five (25) cent per hour wage increase bringing their hourly rate of pay to \$9.55.

This employee will receive \$9.77 per hour once they work an additional 500 hours and reach the 3501 level of hours’ worked.

- A Deli Clerk who has accumulated 1600 hours of service and is currently earning \$10.76 per hour will initially be credited with the new Deli Clerk rate of \$11.17 per hour when reclassified to the new Deli Clerk wage scale. This employee will also be credited with 5001 hours of service on the new Deli Clerk wage scale and will receive an additional twenty-five (25) cent per hour wage increase bringing their hourly rate of pay to \$11.42.

This employee will receive \$11.63 per hour once they work an additional 500 hours and reach the 5501 level of hours’ worked.

3. All Department Managers and Assistant Heat Meat-Cutters will receive a wage increase of fifty (50) cents per hour.

4. Only those employees whose current rate of pay exceeds the new 7501 HOUR RATE for their classification as set out in Appendix “A” rate scales will continue to accrue service and be eligible to receive rate adjustments based on the progressions in the previous agreement.(As shown in Appendix “B”).)

Example

A Calgary deli clerk who has worked 3200 deli clerk hours and is receiving \$14.72 per hour is receiving an hourly rate of pay which exceeds \$14.00 per hour, the 7501 HOUR RATE in the *new* deli clerk *wage* scale. Following ratification this employee will receive a wage increase of .50¢ per hour, producing an hourly rate of \$15.22.

This employee will be eligible to receive \$16.55 when they have worked an additional 300 deli clerk hours.

Third Year:

1. Effective March 15, 1998, all employees whose hourly rate of pay is greater than the new 7501 HOUR RATE in their classification shall receive a wage increase of thirty (30) cents per hour.

Appendix “A” cont.

2. Effective March 15, 1998 all employees whose hourly rate of pay is less than or equal to the 7501 HOUR RATE in their classification, shall receive an across the board increase equal to the amount applied to the 7501 HOUR RATE (i.e. twenty-five (25) cents) and will then be placed on an off-scale rate until their service qualifies them for the next higher rate of pay within the scales of their classification.

The wage increase will result in only the 7501 HOUR and greater rates in the new wage scales being increased.

3. All Department Managers and Assistant Heat Meat Cutters will receive a wage increase of thirty (30) cents per hour effective March 15, 1998.

Fourth Year:

1. Full-time employees on payroll on March 14, 1999 will receive a lump sum payment of \$600.00 to be paid within three weeks of this date.

2. Subject to point 3 below, part-time employees, whose hourly rate of pay is greater than the 7501 HOUR RATE in their classification and who are on payroll on March 14, 1999 will also be eligible to receive a lump sum payment, The lump sum payment for these employees will be calculated on the following basis.

A weekly average of hours for part-time employees will be calculated for hours worked from Sunday, January 3,1999 to Saturday, March 13,1999.

Part-time employees described above will receive lump sum payments in accordance with the following weekly averages:

32 hours per week and more	\$420.00
24-31 hours per week	\$360.00
16-23 hours per week	\$300.00
8- 15 hours per week	\$180.00
1-7 hours per week	\$ 60.00

These payments will be made at the same time as those to full-time employees.

3. To be eligible to receive a lump sum payment, all employees must have six months service with the employer.

4. Effective March 14, 1999 part-time employees whose hourly rate of pay is less than or equal to the 7501 HOUR RATE in their classification shall receive an across the board increase equal to the amount applied to the 7501 HOUR RATE (i.e. twenty-five (25) cents) and then will be placed on an offscale rate until their service qualifies them for the next higher rate of pay within the scales of their classification.

Appendix "A" cont.

The wage increase will result in only the 7501 HOUR and greater rates in the new wage scales being increased.

Fifth Year:

1. Effective March 19,2000 all employees whose hourly rate of pay is greater than the 7501 HOUR RATE in their classification shall receive a wage increase of forty (40) cents per hour.
2. Effective March 19, 2000 all employees whose hourly rate of pay is less than or equal to the 7501 HOUR RATE in their classification, shall receive an across the board increase equal to the amount applied to the 7501 HOUR RATE (i.e. twenty-five (25) cents) and will then be placed on an offscale rate until their service qualifies them for the next higher rate of pay within the scales of their classification.

The wage increase will result in only the 7501 HOUR and greater rates in the new wage scales being increased.

3. All Department Managers and Assistant Head Meat Cutters will receive a wage increase of forty (40) cents per hour effective March 19, 2000.

Return To Work Agreement

This Agreement is made between Canada Safeway Limited and the above local:

Whereas the parties desire an amicable settlement of the current strike and lockout and a prompt return to a harmonious and business-like relationship;

Now, therefore, the parties agree as follows:

1. The Employer will make every effort to fully recommence operations at all the retail food stores as quickly as practical. Employees will be recalled to work in accordance with work requirements and the seniority provisions in the Collective Agreement, provided Employees are available. The following protocol shall be followed:

- a. Within 24 hours of contract ratification the Employees will notify the Store Manager of their intent to return to work.
- b. Within 72 hours of contract ratification the Employer will recall Employees to work in accordance with work requirements and the seniority provisions of the Collective Agreement.
- c. Any Employee who fails to respond to the recall or report as scheduled will be deemed to have quit employment with the Employer. This paragraph will not apply to Employees on vacation, approved leave of absence, maternity leave, sick leave, or in extenuating circumstances where the Employee could not reasonably be expected to return at this time.
- d. The Employer will make a good faith effort to return all Employees to work promptly. However it is recognized that due to the nature of the strike/lockout not all Employees may be needed immediately.

2. The period of dispute will not be included for the purpose of the Health and Welfare eligibility test.

The Company will pay the cost of Alberta Health Care and Life Insurance charged to the Unions for the month of May 1997 (refund involved). Premiums for the month of June will be returned.

Sick leave credits will not be accrued in any month in which days of a strike or lockout have occurred. Should the contract be ratified, the company will grant sick leave credits as per the Collective Agreement for the month of June.

3. Seniority of all Employees in the bargaining units shall continue to accrue throughout the period of the dispute. For purposes of determining which scale an employee will progress on (i.e. over or under the 7,501 hour rate - Clerks), all employees will have their wage rate determined as at March 26, 1997.

4. The period of the dispute will not be included in calculating the time limits for the grievance procedure. No damages will accrue in any matter that proceeds to arbitration in respect to the period of the dispute.

5. Vacation entitlement continues to accrue during the duration of the dispute. Employees' future vacation entitlement will be based on the assumption that the employees worked the same number of hours during the period of the dispute that they actually worked during the equivalent period of weeks and days preceding this period.

6. Employees who did not receive vacation pay for vacation which was scheduled during the period of the dispute shall have the opportunity to reschedule that vacation later in the year subject to the demands of the business.

Vacation previously scheduled for a time which commences after the period of the dispute will be taken as scheduled.

The Employer and the Union will cooperate in encouraging Employees described above to take vacation immediately following the end of the dispute. This step is being taken to lessen the impact on Employees returning to work as sales continue to increase.

7. There shall be no reprisals, disciplinary proceedings, recriminations, fines, assessments, levies, suspensions, terminations, expulsions or discrimination by the Union or the Employer against any Employee and/or member of the Union for any conduct during or related to the strike/lockout.

8. It is agreed that all applications, complaints or proceedings now before the Labour Relations Board or before any other forum relating to this dispute will be discontinued and abandoned. The parties also agree not to initiate any further applications, complaints, or proceedings before the Labour Relations Board or any other forum in respect to dispute related matters arising prior to the date of ratification.

9. Employees who were strikers or sympathizers who are temporarily incarcerated or who receive jail sentences for strike related conduct shall be granted unpaid leaves of absence.

10. Any disagreement concerning the interpretation, application or violation of this Return To Work Agreement, shall be subject to final and binding arbitration before Colin Taylor, or other person as mutually agreed, in accordance with the arbitration provisions set out in Division 22 of the Labour Relations Code.

11. Upon ratification, the Union will immediately cease all strike activity, all economic action, and remove all picket signs, banners, pamphlets or other anti-company materials from all locations of the Employer and elsewhere. The Employer shall immediately destroy all materials gathered in the investigation of, or in any way related , to strikers' or sympathizers' strike related conduct. Evidence or material legally required to be produced prior to first ratification will not be destroyed.

12. No Employees hired in anticipation of the dispute or during the period of the dispute to perform bargaining unit work shall continue in the employ of the Employer after 72 hours from ratification.

13. Regular union dues or equivalent amounts in lieu will be remitted to the Union for bargaining unit employees who performed bargaining unit work during the period of the dispute.

14. The period of the dispute may, with the approval of the Dental Plan Trustees, be considered as credited service (on the basis that Employees are deemed to have worked the same hours during the period of the dispute that they actually worked during the equivalent period of weeks and days preceding the period of the dispute).

15. Employees have the option to pay contributions to the pension plan in order to receive pension credits for the period of the dispute. Such payments shall be made by the employee to the Employer. The Employer will remit same to the Pension Trust Fund.
