VARIABLE PAY PLAN TRIAL

(hereinafter referred to as "the Plan")

The parties hereto agree to implement on a trial basis, a Variable Pay Plan, for a two (2) year period commencing on January 1st, 1999 and ending on January 1st, 2001. Subsequent to the expiry of this Trial on January 1st, 2001, any future wage adjustments will be determined through the course of normal Collective Bargaining.

The parties have agreed to the following terms and conditions relating to the Plan:

1. The Variable Pay Plan incorporates risk in determining pay adjustments, however, provides employees the opportunity to receive adjustments in excess of the negotiated base increases pursuant to Article 16 – Schedule of Wages. The Plan, therefore, is based on the employee foregoing their negotiated base increase and where "Target" objectives are met, the Company shall match this amount to determine the pay adjustment for the applicable year. Employees are eligible for further increases where "Stretch" objectives have been met. Appendix 1 identifies adjustments payable where Target and Stretch objectives have or have not been met. Stretch constitutes Target objectives being exceeded by at least 15%.

Pay adjustments shall be determined by the financial performance of MTS as a whole, the financial performance of MTS Mobility and the employee's individual performance, as set out in Appendix 2. If the Company meets or exceeds its targets, participating employees will be compensated in accordance with Appendix 1. Conversely, should the Company not meet its targets, no adjustments are payable,

2. Participation in this Plan is voluntary. Participating employees must select, by a date to be determined by the Company, whether they will opt in the Plan and forego the negotiated base increase for the applicable year.
3. The Company agrees to advise the Association of the Financial Targets of the Plan prior to employees being so advised.
4. Employees who elect to participate in the Plan, and where objectives have been met, may choose to receive their pay adjustment in the following manner:

- (a) Receive full amount as a bonus, or;
- (b) Split the amount between a base rate adjustment, not exceeding the negotiated base increase for the applicable year, and receive the balance as a bonus. Where an employee splits the adjustment, the base rate portion shall be retroactive to the scheduled base increase date for that year.

In either event, monies apportioned to bonuses are not pensionable earnings.

Bonuses are to be calculated on the salary in effect prior to applying the applicable base rate adjustment.

5. It is understood and agreed that it shall be the Company's sole and exclusive right to establish Plan criteria, financial targets and to assess individual employee performance under the Plan. TEAM agrees that the Company shall have the sole and exclusive right to redesign the Plan prior to the beginning of a new Plan year. The Plan year for this purpose shall be a calendar year.
6. The Company agrees that the percentage increases payable for Target and Stretch, as specified in Appendices 1 and 2 will not change.
7. It is understood and agreed that it shall be the sole and exclusive function of the MTS Internal Audit Department to determine whether the financial targets of the Plan have been met. Such determination shall normally be completed by March 31st of the following calendar year and shall be final.
8. It is agreed and understood that Article 4 – Grievances and Article 5 – Arbitration shall not be applicable to this Letter of Understanding.
9. During the course of this Trial, the Parties agree to meet at either party's request to review issues respecting the Plan.

It is desirable that positions requiring University Graduates be filled with individuals having previous experience with the Company. For this reason, a wage scale has been established to apply to Undergraduates being trained as potential candidates for employment upon graduation.

The following pay guide applies to Undergraduates of Universities which grant degrees on completion of three or more years after senior matriculation.

These rates apply only to employment in the years indicated prior to graduation and are authorized for those students who are potential candidates for regular employment on graduation. Normal job rates apply to other students engaged for temporary summer work. Students engaged on a job rate basis are not considered as part of the Graduate Training program.
