Any such claim shall be accompanied by verification of previous related experience. The Hospital shall then evaluate such experience during the probationary period following hiring. Where in the opinion of the Hospital such experience is determined to be relevant, the employee shall be slotted in that step of the wage progression consistent with one (1) year's service for every one (1) year of related experience in the classification upon

completion of the employee's probationary period. It is understood and agreed that the foregoing shall not constitute a violation of the wage schedule under the collective agreement,

ARTICLE 10 - JOB POSTINGS

- 10.01 (a) When a new full or part-time position is created or when a regular full or part-time vacancy occurs, the Employer shall post notice of the position on the Union bulletin board for seven (7) working days and a copy will be provided to the Union. The first subsequent vacancy resulting from the original posting shall be posted for four (4) working days. The second subsequent vacancy will be posted for three (3) working days. Working days in this context does not include Saturdays, Sundays and Holidays.

- (b) An employee may make a written request for transfer by advising the Hospital and filing a Request for Transfer form indicating her/his name, qualifications, experience, present area of assignment, seniority and requested area of assignment. A Request for Transfer shall become active as of the date it is received by the Hospital and shall remain so until December 31 following. Such requests will be considered as applications for posted vacancies and subsequent vacancies by filling of a posted vacancy.

The name of the successful applicant for any vacancy filled under Article 10.01 (a) and (b) will be posted. The Union will be provided with a complete list of all applicants for each position indicating the successful applicant.

- (c) It is understood that once an employee has been successful in securing a new position through the posting or transfer file, and has been notified by the Hospital, the following procedure will apply:
- (i) The successful applicant when applying for a part-time position from full-time status or vice-versa, shall confirm in writing to the Hospital of her/his decision on acceptance within forty-eight (48) hours of notification of appointment.

10.02 Postings shall contain the following information: nature of position; qualifications; skills; and current hours of work which are understood to be subject to change.

10.03 In making staff changes, transfers, or promotions, appointments shall be made of the applicant with the greatest seniority able to meet the normal requirements of the job,

Unsuccessful applicants, senior to the employee awarded the position, will be notified in writing. At the request of an unsuccessful applicant, the Hospital will discuss with the applicant ways in which he/she can improve their qualifications for future postings.

10.04 The successful applicant shall be given a trial **period of thirty (30) days worked**. Conditional upon **satisfactory service**, the employee shall be assigned the position **after the period of thirty (30) days worked**. **In the event the successful applicant proves unsatisfactory in the position during the trial period, or if the employee is unable to or unwilling to continue to perform the duties of the new job classification, he/she shall be returned to his/her former position, wage or salary rate, without loss of seniority. Any other employee promoted or transferred because of the rearrangement shall also be returned to her former position; wage or salary rate, without loss of seniority.**

It is mutually agreed **that** within the trial **period** an evaluation will be **made** of **the** employee, **so** the Hospital **can assess the employee's performance** in the new position **and the** employee will be **made** aware of **any** deficiencies.

10.05 **Whenever job postings or job vacancies occur**, the Employer shall consider employees **who are on vacation, off sick, or on leave of absence for an expected period not to exceed six (6) weeks** (except maternity/parental leaves), provided **the** employees have filed with **the** Employer, **a valid transfer request as in 10.01 (b) above.**

10.06 **An** employee who is the **successful candidate from** a job **posting** after vacation schedules for that **year** have **been** approved, **and before accepting** their transfer, the employee may **request** special consideration for the **retention** of their previously approved scheduled vacation **and** the Hospital will give the request reasonable consideration.

10.07 Temporary Vacancies

For the purpose of this article, a temporary vacancy *shall* be defined as a vacancy of ten **(10)** consecutive working days or **more** and **shall** not include **vacancies resulting from periods of vacation**. Where the Hospital determines **the** need to fill a temporary vacancy, the following provisions **will** be enacted, immediately following the identification of such temporary vacancy.

- (a) **Temporary full-time** vacancies which **will** be under **three (3) months**, will be **offered to part-time** employees on the **unit, first, on the basis of seniority**. If no part-time employee on the unit **accepts** the position, then **such hours** shall be **distributed** among the part-time employees on the **unit** willing to **work such hours**. **Failing** the availability of part-time employees on the unit to **cover all the** required hours, **the remaining hours** will be **offered** to other qualified part-time employees utilizing **the availability list**. Where no one is available, then the **Hospital** may hire a new temporary employee **as per (d) below**.
- (b) **Temporary full-time** vacancies which **are expected to exceed** three (3) months (including **maternity/parental leave**) **will** be offered to part-time employees on the **Unit, first, on the basis of seniority**. If no part-time employee **accepts** the position on the **unit**, the **position will be posted** for five **(5) working days** and offered to **the most senior full-time or part-time applicant** who is qualified to **perform the work**. If the position **remains** vacant at **the conclusion of the above posting process**, **then** the Hospital may hire a new temporary employee **as per (d) below**.
- (c) **When temporary part-time** vacancies occur, all remaining hours on the **posted** schedule shall be distributed, on **the basis of rotating seniority**, among the part-time employees on the unit **willing to work** such hours. Any **remaining hours** will be **offered to** qualified part-time employees utilizing

the availability list.

At the **end** of the **posted** schedule **as indicated** above, the Hospital may hire a **new temporary** employee to fill the **scheduled** hours of the part-time vacancy only. The new temporary employee shall not be utilized for **any** available extra shifts outside **their normal scheduled** hours

- (d) **The Union agrees that the Hospital, after following (a), (b) and (c) above, has the right to hire temporary employees to fill temporary full-time or part-time vacancies.**

Temporary hires will be employed for a specific term not to **exceed** six **(6)** months in **duration** except in the **case** where an individual leave exceeds **this and in that case** only until the individual returns. The Hospital **agrees to notify the employee and the Recording Secretary of the Union in writing the term of the employment period.**

When the term needs to be extended beyond the **original** employment period, the **Hospital** will **notify the Union of the reason and obtain approval from the Union** for the extension. Such approval will not be unreasonably withheld

Employees hired by the Hospital under this Article shall not accumulate **seniority**, nor be members of the bargaining unit, but shall pay union dues.

Temporary employees hired under this provision, shall be terminated at the end of their employment period as specified above.

ARTICLE 11 - WORK OF THE BARGAINING UNIT

- 11.01 Employees not covered by the terms of this Agreement **will** not perform any duties normally assigned to those employees who are covered by this Agreement, except for the purposes of instruction, experimentation, or in emergencies when regular employees are not readily available.

11.02 Contracting Out

The Hospital shall not **contract out** any work usually performed by **members** of the bargaining unit **if, as a result of such contracting out, a lay-off of any employees other than casual par-time employees results from such contracting out. Contracting out to an employer who is organized and who will employ the employees of the bargaining unit who would otherwise be laid off with similar terms and conditions of employment is not a breach of this Agreement.**

- 14.03 It is the mutual desire of the parties hereto that complaints of employees shall be adjusted as quickly as possible, and it is understood that an employee has no grievance until he/she has first given his/her immediate supervisor the opportunity of adjusting her/his complaint. Such complaint shall be discussed with her/his immediate supervisor within seven (7) working days, excluding weekends and holidays after the circumstances giving rise to it have occurred or ought reasonably to have come to the attention of the employee and failing settlement within seven (7) working days, it shall then be taken up as a grievance within seven (7) working days following advise of his/her immediate supervisor's decision in the following manner and sequence:

Part-time employees working on a holiday shall be paid time and one-half (1 ½) for all hours worked in addition to the Holiday pay to which they are entitled (as the part-time employees hours bear to full-time in the preceding thirteen (13) weeks).

- (b) An employee required to work overtime on a paid holiday will receive two (2) times her normal hourly rate for all overtime hours worked.

Where an employee is required to work on a paid holiday, or on an overtime tour, or on a tour that is paid at the rate of time and one-half (1-1/2) her regular straight time hourly rate, and she is required to work additional hours following her full tour on that day (but not including hours on a subsequent regularly scheduled tour for such employee), she shall receive two (2) times her regular straight time hourly rate for such additional hours worked.

19.03 Holiday Observed While on Vacation

If a paid holiday falls or is observed during an employee's vacation period, she shall be granted an additional day vacation with pay for each holiday, in addition to her regular vacation time with pay. Such additional day will be given either on the Friday prior to or on the Saturday following the vacation week, the selection to be made by the Hospital having given consideration to the employee's requested preference, if any.

19.04 Christmas or New Year's

When a Nursing Unit or department is open continuously through Christmas and New Years, all employees in that service shall be entitled to take at least five (5) consecutive days off at either Christmas or New Years in accordance with their classification seniority provided that the Department Heads or Unit Managers are satisfied that enough experienced personnel are retained to provide proper and adequate service in those classifications. The Hospital shall endeavour to schedule a time off at Christmas to include December 24, 25 and 26. The time off at New Years shall include December 31 and January 1. Where it is possible to give both Christmas and New Years off, it will be according to Unit seniority. It is understood that full-time and part-time seniority will be integrated for this purpose.

Scheduling regulations will be relaxed during the 21-day period from mid-December to mid-January. Exact dates to be established annually at a CUPE/Management Meeting prior to posting the Christmas schedule.

ARTICLE 20 - VACATIONS

20.01 Calculating Vacations

For the purpose of calculating vacations and eligibility, the vacation year shall be from May 1st of any year to April 30th of the following year.

20.02 Employees within the bargaining unit who have completed less than one (1) year of seniority with the Hospital as of May 1st, but more than three (3) months, shall receive a vacation with pro rata pay on the basis of one and one-quarter (1-1/4) days of pay for each completed month as of May 1st but, in any event, such vacation pay shall not be in excess of the equivalent of three (3) weeks' pay.

20.03 Vacation Entitlement

Employees within the bargaining unit will receive the following vacations with pay on completion of the following years of seniority:

One (1) year but less than five (5) years seniority	• three (3) weeks
Five (5) years but less than fifteen (15) years seniority	• four (4) weeks
Fifteen (15) years but less than twenty-three (23) years seniority	• five (5) weeks
Twenty-three (23) years seniority	• six (6) weeks

Effective September 29, 2004

Five (5) weeks after fourteen (14) years seniority
Six (6) weeks after twenty-two (22) years seniority

Effective September 29, 2005

Five (5) weeks after thirteen (13) years seniority

Five (5) supplementary days banked for years of thirty (30) and thirty-five (35) years of service. Every employee who has attained his/her 30th or 35th anniversary date as of the effective date of this provision shall be entitled to have the full five (5) days vacation banked and taken prior to the next vacation date. The additional vacation days will be credited in the "vacation year" the employee achieves her/his 30th and 35th years.

20.04 The calculation of vacation entitlement shall be made on the basis of seniority attained as of May 1st in each year but if an employee attains sufficient seniority to qualify for a four (4), five (5) or six (6) week vacation with pay between May 1 and September 30 in any year, she shall be considered as qualified on May 1 in that year.

20.05 Insofar as it is practical to do so having regard to the necessity of maintaining the efficient operation of the Hospital, employees shall be granted vacation periods requested in accordance with their seniority. During prime time, vacations shall be taken in blocks of three (3) weeks or less. Prime time is defined as the months of June, July, August (1st Saturday in June to 1st Friday before Labour Day in any year).

- 20.06 If an employee is absent because of an injury for which he or she is receiving Workers' Compensation, vacation credits shall continue to accrue for six months from the date the accident occurred.
- 20.07 If an employee is hospitalized for non-elective reasons or is known to be convalescing from non-elective surgery or from a serious illness or injury, confirmed by a medical certificate, which commenced or occurred on or before her last scheduled day of work immediately prior to the commencement of her vacation, her vacation days so affected will be rescheduled at a mutually agreeable time if the employee so desires. In arranging such alternative date, it is understood that the employee concerned cannot use her seniority to displace vacation time already allotted to an employee in the bargaining unit with less seniority.
- 20.08 Subject to staffing requirements vacations may be split. It is agreed that any period of vacation shall be not less than five (5) days at any one time, however, not more than five (5) days of an employee's annual vacation entitlement may be taken in single days for those employees with four (4) weeks entitlement or less or ten (10) single days for those employees with five (5) weeks entitlement or more.
- 20.09 Vacations are to be taken during the year in which an employee is entitled, however, vacations may not be paid out except in the following circumstances:
- (a) Where an employee was absent for legitimate reasons and has accumulated vacation credits which if carried over would result in accumulated vacation credits in excess of the normal vacation entitlement for their years of seniority, the excess would be paid out.
 - (b) Where a request has been granted to carry over a maximum of one week of vacation into the next vacation year for a special event or circumstances and such circumstances are changed, the vacation time may be paid out or the vacation time taken. It is understood that carry-over requests are granted or denied at the sole discretion of the Employer and the decision to take or to pay, in the event of cancellation, is that of the Employer.
 - (c) It is understood and agreed that vacation carry-over for the purposes of Subsection (b) cannot be used during prime vacation time nor used to displace vacation time of a more senior employee.
- 20.10 It is hereinafter agreed by the Hospital and the Union that the following guidelines will be used to plan, organize and schedule vacation requirements in the various nursing units of the Hospital.
- (i) All employees will schedule their vacation to be taken within the vacation year. The Hospital shall post a list of all employees showing their vacation entitlement and seniority. Any vacation that is not scheduled within the guidelines, will be considered on a first come, first serve basis,
 - (ii) Vacations will be granted on the basis of seniority.

Between March 1 and March 22 of each year, the Manager will meet and ask the employees, according to seniority for their vacation request. Employees are required to make a decision within forty-eight (48) hours following the request by the Manager. A draft vacation schedule shall then be posted by April 5 of each year.

Only those employees who did not receive their initial request vacation time shall then be permitted to

submit new vacation requests. All requests shall be submitted prior to May 1.

A final vacation schedule shall then be posted by May 8 of each year.

Any vacation requests submitted on or after May 1 of each year shall be granted on a first come first served basis.

- 20.11 Should an employee who has commenced his scheduled vacation and agrees upon request by the Hospital to return to perform work during the vacation period, the employee shall be paid at the rate of one and one-half (1-1/2) times her basic straight time rate for all hours so worked. To replace the originally scheduled days on which such work was performed, the employee will receive one (1) vacation lieu day without pay off for each day on which she has so worked, subject to Article 20.10.

ARTICLE 21 - LEAVE OF ABSENCE

- 21.01 Leave of absence without pay or other benefit may be granted by the Employer and any person who is absent with such permission shall not lose any of their seniority rights during such absence. An employee's request for leave of absence shall not be unreasonably withheld. Requests for leave of absence shall be made in writing two (2) weeks in advance of commencement, and shall specify the reason. The Employer shall respond within seven (7) calendar days. This provision for advance notice shall be waived in cases of emergency. It is understood this Article includes leaves for Board members of R.P.N.A.O. and/or College of Nurses.
- 21.02 During the period of absence, the employee shall not engage in gainful employment for any other person, firm or corporation. Failure to comply with this provision may result in disciplinary action being taken.
- 21.03 Vacation credits will not accrue during leave of absence without pay, except for leave of absence on Union business for two (2) months or less.
- 21.04 (a) **Pregnancy Leave**

An employee who is pregnant and who has been employed for at least thirteen (13) weeks immediately preceding the estimated date of her delivery, shall be entitled to a pregnancy leave of up to seventeen (17) weeks induration.

The employee shall give written notice at least two (2) weeks prior to the date upon which she intends to commence the pregnancy leave, and provide a certificate from a legally qualified medical practitioner stating the expected birth date. If special circumstances arise out of the pregnancy and it is not possible to meet the obligation for notice, such notice as referred to above must be provided within two (2) weeks of stopping work.

An employee may begin her pregnancy leave no earlier than seventeen (17) weeks before the expected birth date. The pregnancy leave continues for seventeen (17) weeks after it began. The employee may end the leave by giving at least four (4) weeks written notice of the day she intends to return.

An employee on pregnancy leave as provided under this Agreement who is in receipt of Unemployment Insurance pregnancy benefits pursuant to Section 20 of the Unemployment Insurance Act, shall apply for and be paid a Supplemental Unemployment Benefit. The benefit will be equivalent to the difference between ninety-three percent (93%) of her regular weekly earnings and the sum of her weekly Unemployment Insurance benefits and any other earnings. Such payment shall commence following completion of the two week Unemployment Insurance waiting period, and receipt by the Hospital of the employee's Unemployment Insurance cheque stub as proof that she is in receipt of Unemployment Insurance pregnancy benefits, and shall continue while the employee is in receipt of such benefits for a maximum period of fifteen (15) weeks. The employee's regular weekly earnings shall be determined by multiplying her regular hourly rate on her last day worked, prior to the commencement of the leave, times her normal weekly hours.

The employee does not have any vested right except to receive payments for the covered Unemployment period. The Plan provides that payments in respect of guaranteed annual remuneration or in respect of deferred remuneration or severance pay benefits are not reduced or increased by payments received under the Plan.

The Hospital may request an employee to commence pregnancy leave at such time as the duties of her position cannot reasonably be performed by a pregnant woman or the performance of non-performance of her work is materially affected by the pregnancy.

(b) Parental Leave

An employee who has been employed for at least thirteen (13) weeks is eligible for parental leave, whether they become a parent through the birth of their child, through adoption, or if they are in, or enter into, a relationship of some permanence with a parent of a child, and they intend to treat the child as their own.

Such leave must commence within thirty-five (35) weeks of the day the child was born, or becomes into custody, care and control of the employee for the first time.

Parental leave for an employee who has taken pregnancy leave must commence at the end of the pregnancy leave unless the child has not come into the care of the parent by that time. An employee must give at least two (2) weeks notice of the date that the parental leave is to begin. Where the child comes into the custody, care and control of the employee for the first time sooner than expected, the leave will begin on the day the employee stops working, and notice must be provided within two (2) weeks of stopping work.

Parental leave ends eighteen (18) weeks after it began or on an earlier day if the employee gives the Hospital at least four (4) weeks written notice of that day. In the case of adoption, the employee who is an adoptive parent may request the parental leave to be extended to twenty-four (24) weeks duration.

An employee on parental leave, as provided under this Agreement, who has applied for and is in receipt of Unemployment Insurance Parental Benefits, pursuant to Section 20 of the Unemployment Insurance Act, shall be paid a supplemental unemployment benefit. That benefit will be equivalent

to the difference between ninety-three percent (93%) of her regular weekly *earnings* and the sum of her weekly Unemployment Insurance Benefits and any other *earnings*.

Such payment shall commence following completion of the two (2) week Unemployment Insurance waiting period, and receipt by the Hospital of the employee's Unemployment Insurance cheque stub as proof that she is in receipt of Unemployment Insurance Parental Benefits, and shall continue while the employee is in receipt of such benefits for a maximum period of ten (10) weeks.

The employee's regular weekly earnings shall be determined by multiplying her regular hourly rate on her last day worked, prior to the commencement of the leave, times her normal weekly hours.

The employee does not have any vested right except to receive payments for the covered unemployment period. The Plan provides that payments in respect of guaranteed annual remuneration or in respect of deferred remuneration or severance pay benefits are not reduced or increased by payments received under the Plan.

(c) Where an employee has given written notice to begin either a pregnancy or parental leave, that notice may be changed to an earlier or later date by the giving of at least two (2) weeks notice. Where notice to end a leave has been given, that notice may be changed to either an earlier or later date if the employee gives at least four (4) weeks notice.

(d) Employees will continue to be enrolled in all pension and benefit plans included in Article 22 of this Agreement unless the employee gives the Hospital written notice that the employee does not intend to pay the employee's contribution, if any, to such benefit plans. The Hospital will continue to contribute its share of any premiums for such benefits while the employee continues absence on pregnancy or parental leave, unless the employee gives written notice that they do not intend to pay their contribution, if any.

Employees who choose to pay their portion, if any, of the premium for such benefit plans may make such arrangements with the Hospital as are mutually satisfactory, but failing such arrangements, it would be expected that the employee would make such payments by post dated cheques.

(e) The employee shall be re-instated when the leave ends to the position the employee most recently held, if it still exists, or to a comparable position, if it does not.

(f) It is understood that during pregnancy leave or parental/adoption leave, seniority shall continue to accrue. Credit for service for the purpose of vacation entitlements shall be accumulated, however, sick leave credits for part-time employees will not accrue during such period and vacation pay would be proportional to hours worked in the vacation year.

21.06 Bereavement Leave

An employee who notifies the Hospital as soon as possible following a bereavement shall be granted three (3) consecutive working days off without loss of her/his regular pay for her/his scheduled hours, in conjunction with the day of the funeral of a member of her/his immediate family. "Immediate family" means spouse, child, parent, grandparent, grandparent of spouse, brother, sister, mother-in-law, father-in-

The portion of the employee's vacation which is **deemed** to be bereavement leave under the above provisions will not be **counted against** the employee's vacation **credits**,

The Employee shall reschedule such vacation at a time mutually agreeable to **both** the employee and the Hospital. The employee **shall** not reschedule vacation, which shall **result in** the displacement of another employee.

21.07 **Union Leave**

- (a) Upon application by the **Union**, in writing, the Hospital shall grant leave of absence, without pay, to an employee elected or appointed to full-time Union **office**. It is **understood** that no more than one (1) employee in the bargaining **Unit** may be on such leave of absence at the same **time**. Such leave shall be for a period of one (1) calendar year **from** the **date** of appointment **unless** extended for a further specific **period** by agreement of **the parties**. Seniority *shall* **accumulate** for employees during such leave **on** the basis of what **her/his** normal **regular** hours of work **would** have been. **Service** shall **accumulate** for employees during such leave to a **maximum** provided, if any, under the provisions of the collective agreement. It will become the responsibility of the employee for **full** payment of the premium of **any** of the following benefits which **they** elect to participate during such leave: semi-private, **drug**, dental and vision. It is **understood that** no other benefits **unless** mutually agreed **are** available during such leave. The employee *shall* be returned to **his/her** former duties on the same **shift** in the same department and at the appropriate **rate** of pay, subject to **any** changes **which would** have occurred had the employee not been on leave. The Hospital *may* fill the vacancy resulting **from** such leave on a temporary basis.
- (b) **Union business** *shall* be considered **good** cause for leave of absence without pay or other benefit, **and** an employee elected or **selected** to attend conventions, **seminars**, educational classes or **other** Union business shall be granted leave of absence.

Leave of absence for Union business **shall** be applied for in writing by the employee to his/her Department Head. **When** possible, such request shall be submitted at least **two (2) weeks** prior to the contemplated commencement of the leave of absence **and** the application shall clearly **state the** length of **time** he/she shall be **away from** his/her work **and the** purpose of the leave.

The Employer agrees to **maintain** the normal wages and benefits during absences for Union

business. The **Hospital** will invoice the **Union**, not less than every six (6) months, for the employee's wages and benefits.

21.08 **Jury Duty**

Employees who are **called to serve** as jurors or subpoenaed as witnesses in **criminal or civil courts, shall be granted leave of absence for such purpose without loss of any-privileges. Normal pay will continue to be issued on the usual pay dates.** At the conclusion of his duty, the employee **shall obtain a certificate from the Court showing the period of his jury or witness service and shall deposit this certificate together with the full amount of the compensation,** but not including travelling allowance, with the Hospital Business Office.

Seniority and service shall accumulate for full-time and part-time employees during such leave.**

(b) **Education Leave**

If required by the Hospital, an employee shall be entitled to leave of absence with pay and with full credit for service and seniority and benefits to take courses and to write examinations to upgrade his or her employment qualifications.

Where employees are required by the Hospital to take courses to upgrade or acquire new employment qualifications, the Hospital shall pay the full costs associated with the courses.

Subject to operational requirements, the Hospital will make every reasonable effort to grant requests for necessary changes to an employee's schedule to enable attendance at a recognized upgrading course or seminar related to employment with the Hospital.

- (c) **Both the Hospital and the Union recognize their joint responsibility and commitment to provide, and to participate in, in-service education. The Union supports the principle of its members' responsibility for their own professional development and the Hospital will endeavour to provide programs related to the requirements of the Hospital. The Parties recognize that unavoidable absences due to illness or injury not compensable under the Workplace Safety Insurance Board may occur and therefore here set out the following provisions which are understood to provide benefits subject to the terms and conditions contained therein.

Payment will be provided only if the employee provides evidence of disability satisfactory to the Hospital and a written undertaking satisfactory to the Hospital that any payments will be refunded to the Hospital following final determination of the claim by Workplace Safety Insurance Board. If the claim for Workers' Compensation is not approved, the monies paid as an advance will be applied towards the benefits to which the full-time employee would be entitled under the short term portion of the disability income plan. Any payment under this provision will continue for a maximum of fifteen (15) weeks.
