5.01 Membership in the Association is voluntary.

5.02 (a) Notwithstanding the provisions of Article 5.01, the Employer will deduct from the gross earnings of each employee covered by this Collective Agreement an amount equal to the dues as specified by the Association, provided the deduction formula is compatible with the accounting system of the Employer. If the employee does not return immediately, she shall be deemed to have terminated her employment.

ARTICLE 8: BULLETIN BOARDS

8.01 The Employer shall provide a bulletin board to be placed in a reasonably accessible location for the exclusive use of the Association. In addition, and where requested by the Association, space may be provided on other existing bulletin boards.

ARTICLE 9: PROBATIONARY PERIOD

9.01 A newly-hired regular or temporary employee shall serve a probationary period of one thousand and seven and one-half (1007 1/2) hours worked exclusive of overtime hours immediately following the date on which the current period of continuous employment commenced. If, in the opinion of the Employer, the employee is found to be unsatisfactory, she may be terminated without notice and without recourse to the grievance procedure. Hours worked as a casual employee in the same classification shall be considered as contributing to the completion of a probationary period up to a maximum of two hundred and fifty-two (252) hours provided that not more than three (3) months have elapsed since she worked for the Employer.

9.02 The Employer shall provide a written evaluation to each probationary employee prior to the completion of her probationary period.

9.03 An employee who has completed her probationary period and has remained in a position covered by the same certificate shall not subsequently be placed on probation.

ARTICLE 10: HOURS OF WORK

10.01 Regular hours of work for a full-time employee, exclusive of meal periods, shall be:

- (a) seven and three-quarter (7 3/4) work hours per day, and
- (b) an average of seventy-seven and one-half (77 1/2) work hours in a fourteen (14) day period.

10.02 Meal Periods and Rest Periods

(a) Regular hours of work shall include, as scheduled by the Employer, two (2) rest periods of fifteen (15) minutes during each shift of seven and three-quarter (7 3/4) hours and exclude an unpaid meal period of not less than thirty (30) minutes.

(b) Availability During Meal Periods

Unless otherwise agreed to between the Employer and the employee, when an employee is required by the Employer to remain readily available for duty during her meal period, she shall be paid for the meal period at her basic rate of pay unless she is permitted to take compensating time off for the full meal period at a later time in the shift. Such paid meal period shall not be included in the calculation of regular hours of work.

(c) Working During Meal and Rest Periods

If an employee is required to work or is recalled to duty during her meal period or rest period, compensating time off for the full meal period or rest period shall be provided later in the shift, or she shall receive pay for the full meal period or rest period in accordance with the following:

(i) for a rest period, she shall be paid at the applicable overtime rate instead of her basic rate of pay.

(ii) for a meal period that she is not required to be readily available pursuant to Article 10.02(b), she shall be paid at the applicable overtime rate;

(iii) for a meal period that she is required to be readily available pursuant to Article 10.02(b), she shall be paid the applicable overtime rate instead of her basic rate of pay.

10.03 Subject to Article 10.02 hours of work shall be consecutive.

10.04 Modified hours of work may be implemented where mutually agreed between the Employer and the Association.

10.05 On the date fixed by proclamation, in accordance with the Daylight Saving Time Act, of conversion to Mountain Standard Time, regular hours of work shall be extended to include the resultant additional hour with additional payment due therefor at the applicable overtime rate. On the date fixed by said Act for the resumption of Daylight Saving Time, the resultant reduction of one (1) hour in the shift involved shall be effected with the appropriate deduction in regular earnings.

ARTICLE 11: WORK SCHEDULES AND SHIFTS

11.01 An employee shall be aware that she may be required to work various shifts throughout the twenty-four (24) hour day and the seven (7) days of the week. The first shift of the working day shall be the one wherein the majority of hours worked fall between twenty-four hundred (2400) and zero eight hundred (0800) hours.

11.02 Shift Scheduling Standards and Premiums for Non-Compliance

(a) Except in cases of emergency or by mutual agreement between the Employer and the employee, shift schedules shall provide for:

(i) at least two (2) of the scheduled days off to be consecutive in each two (2) week period;

(ii) where possible one (1) weekend off in each two (2) week period but, in any event, two (2) weekends off in each five (5) week period;

(iii) at least fifteen and one-half (15 1/2) hours off duty between the end of one shift and the commencement of the next shift;

(iv) not more than seven (7) consecutive scheduled days of work.

(b) Where the Employer is unable to provide the provisions of Article 11.02(a)(i), (ii), or (iii), and an emergency has not occurred, nor has it been mutually agreed otherwise, the following conditions shall apply:

(i) failure to provide days off in accordance with Article 11.02(a)(i) shall result in the payment to each affected employee of one and one-half times (1 1/2X) her basic rate of pay for one (1) regular shift worked during the two (2) week period;

(ii) failure to provide both of the required two (2) weekends off duty in accordance with Article 11.02(a)(ii) shall result in payment to each affected employee of one and one-half times (1 1/2X) her basic rate of pay for each of four (4) regular shifts worked during the five (5) week period;

failure to provide one (1) of the required two (2) weekends off duty in accordance with Article 11.02(a)(ii) shall result in payment to each affected employee of one and one-half times (1 1/2X) her basic rate of pay for each of two (2) regular shifts worked during the five (5) week period.

(iii) failure to provide fifteen and one-half (15 1/2) hours off duty in accordance with Article 11.02(a)(iii) shall result in payment of one and one-half times (1 1/2X) the basic rate of pay for all hours worked on that next shift.

(c) For the purpose of this provision, "weekend" shall mean a consecutive Saturday and Sunday assuring a minimum of fifty-six (56) hours off duty.

(d) An employee required to rotate shifts shall be assigned day duty approximately one-third (1/3) of the time unless mutually agreed to by the Employer and employee provided that, in the event of an

emergency or where unusual circumstances exist, the employee may be assigned to such shift as deemed necessary by the Employer.

For the purpose of applying this provision:

(i) scheduled days off shall not be considered as day duty, and

(ii) time off on vacation shall only be considered as day duty if day duty would have been worked by the employee according to the shift schedule save and except for the vacation.

11.03 Schedule Posting and Schedule Changes

(a) Unless otherwise agreed between the Employer and the Association, shift schedules shall be posted twelve (12) weeks in advance. If a shift schedule is changed after being posted, the affected employees shall be provided with fourteen (14) calendar days notice of the new schedule. In the event that an employee's schedule is changed in the new shift schedule and she is not provided with fourteen (14) calendar days notice, she shall be entitled to premium payment subject to the provisions of Article 11.03(b), (c) and (d).

(b) Unless an employee is given at least fourteen (14) calendar days notice of a change of her scheduled day(s) off she shall be paid one and one-half times (1 1/2X) her basic rate of pay for all hours worked on such day(s) unless such change is at the employee's request.

(c) If, in the course of a posted schedule, the Employer changes the employee's scheduled shift (i.e.: days to evenings, days to nights or evenings to nights) but not her day off she shall be paid at the rate of one and one-half times (1 1/2X) her basic rate of pay for all hours worked on the first shift of the changed schedule unless fourteen (14) calendar days notice of such change has been given.

(d) If, in the course of a posted schedule, the Employer changes the employee's shift start time by two (2) hours or more she shall be paid at the rate of one and one-half times (1 1/2X) her basic rate of pay for all hours worked on this shift unless fourteen (14) calendar days notice of such change has been given.

11.04 In the event that an employee reports for work as scheduled and is required by the Employer not to commence work but to return to duty at a later hour, she shall be compensated for that inconvenience by receiving two (2) hours pay at her basic rate of pay.

11.05 Should an employee report and commence work as scheduled and be required to cease work prior to completion of her scheduled shift and return to duty at a later hour, she shall receive her basic hourly rate of pay for all hours worked with an addition of two (2) hours pay at her basic rate of pay for that inconvenience.

11.06 **Employee Shift Trading**

Employees may exchange shifts and/or days off with the approval of the Employer provided no increase in cost is incurred by the Employer.

ARTICLE 12: OVERTIME

12.01 Overtime is all time authorized by the Employer and worked by an employee in excess of seven and three-quarter (7 3/4) hours per day or on scheduled days of rest.

12.02 The Employer shall designate an individual who may authorize overtime.

12.03 Authorization for overtime after the fact by the Employer shall not be unreasonably denied where overtime arises as a result of unforeseeable circumstances in which it is impossible to obtain prior authorization.

12.04 Overtime will be paid in accordance with the following:

(a) For work in excess of seven and three-quarter (7 3/4) hours per day, one and one-half times (1 1/2X) her basic rate of pay for the first two (2) consecutive hours and two times (2X) her basic rate of pay thereafter, exclusive of meal periods, if taken. This overtime payment will cease and the employee's basic rate of pay will apply at the start of the next regularly scheduled shift.

(b) For work on scheduled day(s) of rest:

(i) one and one-half times (1 1/2X) her basic rate of pay for the first (two) 2 hours of overtime worked on the employee's first (1st) scheduled day of rest; and two times (2X) her basic rate of pay for overtime hours worked in excess of two (2) hours on such day, or

(ii) two times (2X) her basic rate of pay for hours worked during such second (2nd) and subsequent consecutive days worked.

This overtime payment will cease and the employee's basic rate of pay will apply at the start of her next scheduled shift.

12.05 An employee who normally returns to her place of residence by means of public transportation following the completion of her regularly scheduled shift, but who is prevented from doing so by being required to remain on duty longer than such shift and past the time when normal public transportation is available, shall be reimbursed for the cost of reasonable, necessary and substantiated transportation expense to her place of residence.

12.06 Subject to mutual agreement between the Employer and an employee, the employee may be granted time off duty in lieu of overtime payments at the applicable premium rate. Unless mutual agreement between an employee and the Employer is reached as to when accumulated overtime will be taken as time off in lieu of overtime payment, such liability of the Employer as of the last day of March, shall be paid out.

12.07 Except in cases of emergency, or by mutual agreement between the Employer and the employee, no employee shall be required to work more than a total of sixteen (16) hours (inclusive of regular and overtime hours) in a twenty-four (24) hour period beginning at the first (1st) hour the employee reports for work.

ARTICLE 13: ON-CALL DUTY

13.01 The term "on-call duty" shall be deemed to mean any period, during which an employee is not on regular duty and during which the employee is on-call and must be reasonably available to respond without undue delay to any request to return to duty.

13.02 Unless otherwise agreed between the Employer and the Association, on-call periods shall be scheduled at least twelve (12) weeks in advance excepting in cases of emergency. Employees whose on-call schedule has been changed with less than fourteen (14) calendar days notice shall be paid at the higher on-call rate.

13.03 Wherever possible, the employee shall not be assigned to on-call duty more than seven (7) consecutive calendar days. Employees assigned to on-call duty more than seven (7) consecutive days in any two (2) week period shall be paid the higher on-call rate for the eighth (8th) and subsequent days in that two (2) week period. The higher on-call rate shall apply until an employee has two (2) consecutive days off without being on-call. Where an employee is on-call for more than seven (7) consecutive calendar days at her request or as the result of an exchange with another employee, the regular on-call rates shall apply.

13.04 Regulations in respect of approval or authorization for on-call duty and the procedures which are to be followed by an employee shall be prescribed by the Employer.

13.05 On-Call Pay

For each assigned hour, or part thereof, of authorized on-call duty, an employee shall be paid:

(a) on regularly scheduled days of work, the sum of one dollar and seventy-five cents (\$1.75) per hour; and

(b) on days off and Named Holidays, the sum of two dollars and twenty-five cents (\$2.25) per hour. A Named Holiday or non-work day shall run from zero zero zero one (0001) hours on the Named Holiday or non-work day to twenty-four hundred (2400) hours of the same day.

13.06 An employee called back to duty on a Named Holiday shall be:

(a) compensated in accordance with Article 13.07; and

(b) given compensating time off at her basic rate of pay for actual hours worked on the call-back at a mutually agreeable time. Time not taken by the last day of March in any given year shall be paid out.

13.07 Call-Back Pay

(a) For each occasion that an employee is called back to duty during the employee's on-call period, in addition to the payment received for being on-call, the employee shall be deemed to be working overtime and shall be paid for all hours worked during the on-call period or for two (2) hours, whichever is the longer, at the overtime rate of one and one-half times (1 1/2X) the basic rate of pay. After two (2) hours worked on any single call-back, two times (2X) the basic rate of pay will apply. An employee called back to duty will be permitted to leave the Health Care Facility upon completion of the procedure or examination for which she was called back. However, any further requests for procedures received by an employee prior to leaving the Health Care Facility following completion of the work required on the initial call shall be considered one (1) call for the purpose of determining call-back pay.

(b) When a regular or temporary employee who has not been assigned "on-call duty" is called and required to report for work on a call-back basis; she shall be paid for all hours worked, or for two (2) hours, whichever is greater, at two times (2X) her basic rate of pay. Such employee shall be entitled to the provisions of Article 13.09.

(c) Call-back pay may be granted in the form of time off duty with pay in accordance with the provisions of Article 12.06.

13.08 The Employer shall make every effort to avoid placing an employee "on-call" on the evening prior to or during scheduled off-duty days.

13.09 An employee who is called back for duty shall be reimbursed for reasonable, necessary and substantiated transportation expenses and, if the employee travels for such purpose by private motor vehicle, reimbursement shall be at the rate of at least twenty-eight cents (28¢) per kilometre from the employee's residence and return. In those situations where hospital policy requires that the employee use a taxi for call-back purposes, should the employee commence her regular shift during the call-back, the Employer will pay the taxi fare from the Health Care Facility to her place of residence upon completion of the shift providing the employee uses this mode of transportation.

13.10 When a pocket-paging system is utilized by the Health Care Facility, an employee will be supplied with a pocket pager by the Employer while on-call at no cost to the employee.

ARTICLE 14: SALARIES

14.01 Basic salary scales and increments shall be as set out in the Salaries Appendix and shall:

- (a) be effective on the dates specified therein;
- (b) be applicable to an employee employed in a designated classification only when such classification has been created within the work force of the Employer and falls within the scope of this bargaining unit;
- (c) form a part of this Collective Agreement.

14.02 (a) Unless otherwise changed by the operation of this Collective Agreement, salary increments for regular full-time employees shall be applied on the appropriate anniversary of the date the employee commenced employment with the Health Care Facility as a regular full-time employee.

(b) Unless otherwise changed by the operation of this Collective Agreement, a regular part-time employee who has had a change in status to a regular full-time employee shall have her anniversary date established based on hours worked with the Employer at the increment level such employee was entitled to receive immediately prior to her change in status.

14.03 Both parties to this Collective Agreement recognize that an employee normally improves in skill and ability relative to experience. In the event that there is just reason to believe that such improvement has not occurred, an annual increment may be withheld. This premium payment will cease and the employee's basic rate of pay will apply at the start of her next regularly scheduled shift. The time so worked will be rescheduled as vacation leave with pay to be added to the vacation period, when possible, or the employee will be granted equivalent time off in lieu thereof at a mutually agreed later date. 23.05 Employees may be required to submit satisfactory proof to the Employer of any illness, non-occupational accident, or quarantine.

23.06 When an employee has accrued the maximum sick leave credit of one

hundred and twenty (120) working days, she shall no longer accrue sick leave credits until such time as her total accumulation is reduced below the maximum. At that time, she shall recommence accumulating sick leave credits.

23.07 Except as otherwise specifically provided in this Collective Agreement sick leave pay shall not be granted during any leave of absence.

(c) Notwithstanding the provision of Article 23.09(a), should an employee demonstrate to the satisfaction of the Employer that she was admitted to hospital as an "in patient" during the course of her vacation, she shall be considered to be on sick leave for the period of hospitalization and subsequent period of recovery provided she notifies her Employer upon return from vacation and provides satisfactory proof of her hospitalization. Vacation time not taken as a result of such stay in the hospital shall be rescheduled to a mutually agreeable time.

Otherwise, sick leave credits will be cancelled and no

payment will be due therefor. The employee shall be provided with a written statement of such entitlement upon her termination.

(b) In the case where the employee was formerly employed by the Glenrose Rehabilitation Hospital or the Alberta Cancer Board, and the conditions precedent to the application of the provisions of (a) above have been satisfied, the balance of accumulated sick leave credits at the time of termination shall be determined by subtracting the number of days of benefit paid pursuant to the Sick Leave Plan in effect with the applicable Employer identified above, from the sum of the credit that would have been earned had the provisions of Article 23.02 applied during the same period.

23.11 If an employee requires time off for the purpose of attending a dental, physiotherapy, optical or medical appointment, provided she has been given prior authorization by the Employer, such absence shall be neither charged against her accumulated sick leave, nor shall she suffer any loss of income provided such absence does not exceed two (2) hours during one work day. (i) the employee assigns over to the Employer, on proper forms, the monies due to her from the WCB for time lost due to an accident, and

(iii) the employee keeps the Employer informed regarding the status of her WCB claim and provides any medical or claim information that may be required by the Employer.

(b) The parties recognize that the Employer may be required to reconcile payments to the employee with subsequent assigned payments from the WCB. ARTICLE 46: GRIEVANCE PROCEDURE

46.01 Definition of Time Periods

(a) For the purpose of this Article and Article 47, periods of time referred to in days shall be deemed to mean such periods of time calculated on consecutive calendar days exclusive of Saturdays, Sundays and Named Holidays specified in Article 22.01(a).

(b) Time limits may be extended by mutual agreement, in writing, between the Association and the Employer.

46.02 Resolution of a Difference between an Employee and the Employer

(a) Formal Discussion

(i) If a difference arises between one or more employees and the Employer regarding the interpretation, application, operation or alleged contravention of this Collective Agreement, the employee(s) shall first seek to settle the difference through discussion with her/their immediate

supervisor. If it is not resolved in this manner, it may become a grievance and be advanced to Step 1.

(ii) However, the mandatory formal discussion stage set out in Article 46.02(a)(i), may be bypassed when the employee has been given a letter of discipline pursuant to Article 37.

(iii) In the event that the difference is of a general nature affecting two (2) or more employees, the Employer and the Association may agree that the grievances shall be batched and dealt with as a group grievance commencing at Step 1.

(b) Step 1

The grievance shall be submitted, in writing, and signed by the employee, indicating the nature of the grievance, the clause or clauses claimed to have been violated, and the redress sought to the Director of the Department within ten (10) days of the act causing the grievance, or within ten (10) days of the time that the employee could reasonably have become aware that a violation of this Collective Agreement had occurred. The decision of the Director of the Department shall be made known to the employee and the Association within seven (7) days of receipt of the written statement of grievance.

(c) Step 2

Within seven (7) days of receipt of the decision of the Director of the Department, the grievance may be advanced to Step 2 by submitting to the Administrator, or her designate, a copy of the original grievance with a letter indicating that the grievance has not been resolved. Upon receipt of the grievance, a meeting, which may be arranged by either party, shall occur within ten (10) days of the date of the letter.

The Administrator, or her designate, shall render a decision, in writing, to be forwarded to the Association and the grievor within seven (7) days of the date of the meeting.

(d) Step 3

Should the grievance not be resolved at Step 2, the Association may elect to submit the grievance to Arbitration. In this case, the Association shall notify the Employer, in writing, within seven (7) days of the receipt of the decision of the Administrator, or her designate, that the Association wishes to proceed to Arbitration, and at the same time, the Association shall name its appointee to the

Arbitration Board. By mutual agreement between the parties, in writing, a single Arbitrator may be appointed.

(e) Neither the employee nor a representative of the local unit of the Association who may attend a meeting with the Employer respecting a grievance shall suffer any loss of regular earnings calculated at the basic rate of pay for the time spent at such a meeting.

(f) An employee shall be entitled to have a member of the local unit Executive or any duly accredited officer employed by the Association present during any meeting pursuant to this grievance procedure.

(g) A dismissal grievance shall commence at Step 2.

(h) Time limits for filing of a dismissal grievance shall be as stated in Article 46.02(b).

46.03 Resolution of a Difference between the Association and the Employer

(a) Formal Discussion

In the event that a difference of a general nature arises regarding interpretation, application, operation or alleged contravention of this Collective Agreement, the Association shall first attempt to resolve the difference through discussion with the Department Director or with the Administrator, or her designate, of the Health Care Facility, as appropriate. If the difference is not resolved in this manner, it may become a policy grievance.

(b) Step 1

A policy grievance shall be submitted, in writing, to the Administrator, or her designate, and shall indicate the nature of the grievance, the clause or clauses claimed to have been violated, and the redress sought. Such grievance shall be submitted to the Administrator, or her designate, within twenty (20) days of the occurrence of the act causing the grievance or within twenty (20) days of the time that the Association could reasonably have become aware that a violation of this Collective Agreement had occurred. Upon receipt of the grievance, a meeting, should it be necessary, may be arranged by either party. The meeting shall be held within ten (10) days of the receipt of the grievance unless mutually agreed otherwise. The decision of the Administrator, or her designate, shall be made known to the Association, in writing, within seven (7) days of the date of the meeting.

(c) Step 2

Should the Association elect to submit a policy grievance as defined herein for Arbitration, it shall notify the Employer, in writing, within seven (7) days of the receipt of the decision of the Administrator, or her designate, and name its appointee to an Arbitration Board at the same time. By mutual agreement, in writing, between the parties, a single Arbitrator may be appointed.

46.04 Default

(a) Should the grievor fail to comply with any time limit in this grievance procedure, the grievance will be considered conceded and shall be abandoned unless the parties to the difference have mutually agreed, in writing, to extend the time limit.

(b) Should the Employer fail to respond within the time limit set out in this grievance procedure, the grievance shall automatically move to the next step or be advanced to Arbitration on the day following the expiry of the particular time limit unless the parties have mutually agreed, in writing, to extend the time limit.

ARTICLE 47: GRIEVANCE ARBITRATION

47.01 Within seven (7) days following receipt of notification pursuant to Article 46.02(d) or 46.03(c) that a grievance has been referred to an Arbitration Board, the Employer shall advise the Association of its appointee to the Arbitration Board. The appointees shall, within seven (7) days, endeavor to select a mutually acceptable chairman of the Arbitration Board. If they fail to agree, the Minister of Labour shall be requested to appoint a Chairman, or a single arbitrator, pursuant to the Code.

47.02 The Arbitration Board or the single Arbitrator shall hold a hearing of the grievance to determine the difference and shall render an award in writing as soon as possible after the hearing. The Chairman of the Arbitration Board shall have authority to render an award with or without the concurrence of either of the other members. The award is final and binding upon the parties and upon any employee affected by it and is enforceable pursuant to the Code.

47.03 The award shall be governed by the terms of this Collective Agreement and shall not alter, amend or change the terms of this Collective Agreement; however, where a Board of Arbitration or an Arbitrator, by way of an award, determines that an employee has been discharged or otherwise disciplined by an Employer for cause and the Collective Agreement does not contain a specific penalty for the infraction that is the subject matter of the Arbitration, the Arbitrator may substitute any penalty for the discharge or discipline that to her seems just and reasonable in all circumstances.

47.04 Each of the parties shall bear the expense of its appointee to the Arbitration Board. The fees and expenses of the Chairman or single Arbitrator

shall be borne equally by the parties.

47.05 Any of the time limits herein contained in Arbitration proceedings may be extended if mutually agreed to in writing by the parties.

ARTICLE 48: COPIES OF COLLECTIVE AGREEMENT

48.01 The Employer shall provide a copy of the Collective Agreement to each new employee upon appointment.

48.02 The Collective Agreement shall be printed in pocket-size form by the Association, and the cost shall be shared equally between the parties.
