Re: Settlement of Procedures under the Ontario Labour Relations Act

The above-noted parties agree that by meeting and bargaining, pursuant to the duty imposed upon them by the Ontario *Labour Relations Act* (the "Act"), and in engaging in the processes with respect to such bargaining set out in the Act, they have participated in a proceeding under the Act which has now been settled. Re: Labour Supply ~~for~~ Unionized Builders

WHEREAS the Union and the Association are parties to a Collective Agreement covering particular construction work; and

WHEREAS the Union has entered into collective agreements with various Builders, which contain subcontracting protection with respect to some or all of the work which is set out in the Collective Agreement between the Union and the Association; and

WHEREAS both the Union and the Association recognize the value of the above noted subcontracting protection to their relationship and to their industry and further recognize, that in view of the above noted subcontracting protection, there is a need to ensure that unionized builders have access to skilled Union members at all times;

NOW THEREFORE the parties agree as follows:

- i) Where members of the Union are performing work for an Employer who is bound to this Collective Agreement on a job site or project of a builder which is not in contractual relations with the Union then, the Union is at any time entitled to provide written notice to the Employer that any and all of the Union members are required to work on a job site or project of a unionized builder;
- ii) Upon the receipt of such notice the Employer must grant a temporary leave of absence to any such employees who the Union has requested report to work for an employer working on a job site or project of a builder who is in contractual relations with the Union;
- iii) When the employees in question are no longer required to work on such job sites, they will return to their employment with their former Employer and will be assigned to any work within their classification on any project under this Collective Agreement including any work which is being performed by an employee who, subsequent to the temporary leave, was hired by the Employer to perform any work within the said classification on any project covered by this Agreement or which is being performed by an employee who was transferred or otherwise assigned to perform any work which the employee was performing on the project at which he was engaged at the time of his temporary leave;

Letter of Understanding No. 8
Labour Supply for Unionized Builders

- iv) Without in any way limiting or altering the rights of the Union or the obligations of the Employer in the paragraphs set out above, it is agreed that, prior to the Union taking any of the steps set out in this letter, the Union will meet with all Parties affected by any specific situation, including the builder(s), the sub-trade contractor(s) and the Association(s) in an effort to deal with labour supply problems in a manner which does not require the Union to exercise its rights under this letter. In determining whether or not labour supply issues can be adequately addressed without the Union exercising its rights contained within this letter, the Union may take into account all factors which it considers relevant;
- v) The parties agree that this Letter of Understanding forms part of the Collective Agreement which is binding upon them and is enforceable as such.

Re: Repetitive Violations of the Collective Agreement

The parties agree that where an Employer has repeatedly violated the terms and provisions of the Collective Agreement with respect to the payment of wages, the remittances required by the Collective Agreement to be paid to the Union and/or others and/or the contracting and sub-contracting restrictions, the Union may request a complete financial audit of the Employer's books and records by a qualified accountant to be chosen by the Union. If, following the completion of the audit, the Employer is found to have further violated any of the terms and provisions of the Collective Agreement, then, in addition to any other damages or payments which the Employer may be liable for, the Employer will reimburse the Union for the full costs of the audit. Such reimbursement is to be considered general damages owing to the Union and accordingly such amounts may be withdrawn from any bond or Letter of Credit which the Employer is or has been required to provide in accordance with the terms of the Collective Agreement.

Re: Sewicemen / Handymen

WHEREAS the Bureau and the Union have been engaged in a dispute concerning the applicability of certain terms and provisions of the existing Collective Agreement to "servicemen and handymen"; and

WHEREAS the Union and the Bureau wish to resolve these disputes;

NOW THEREFORE the Bureau and the Union agree to the following Letter of Understanding concerning how the existing Collective Agreement will apply to servicemen and handymen:

1. Group 1 of Article 4 of Schedule "A" – Classifications and Wages is hereby amended to read as follows:

Group 1 (A) – handymen / servicemen one dollar (\$1.00) above the Group 1 hourly wage rate)
2. The employer may hire hourly handymen and servicemen and/or salaried handymen and servicemen;
3. Handymen and servicemen who are employed on an hourly basis shall be paid a minimum hourly rate equal to the Group 1(A) rate set out in the Collective Agreement;
4. Handymen and servicemen employed on a salary basis will be paid a minimum weekly salary equal to forty-four (**44**) hours paid at the regular Group 1(A) rate;
5. Salaries or hourly rates in excess of the above-noted minimums are to be subject to negotiations between the handymen and/or servicemen and the employer and shall be in writing and signed. Upon reaching any of such agreements it is the responsibility of the Employer to inform the Bureau, in writing, of any agreements reached. The Bureau will thereafter provide a copy of such agreements to the Union;
6. Handymen and servicemen who are employed on an hourly basis shall be paid overtime at the rate of time and one-half for hours in excess of forty-four (44) hours in a week, unless such hours are worked on a Sunday or statutory holiday in which case double the regular hourly rate shall be paid; the hours of work stipulated in the Agreement will apply to hourly handymen/servicemen;

7. Handymen and servicemen employed on a salary basis shall be paid overtime at the rate of time and one-half for hours in excess of eighty-eight (88) hours in a two (2) week period; not including Sundays and statutory holidays for which they will be paid at double the regular hourly rate;
8. All remittances and contributions required by the Collective Agreement will be made in accordance with the provisions of the Collective Agreement with respect to handymen and servicemen employed on an hourly basis. With respect to handymen and servicemen who are employed on a salaried basis all such remittances and contributions will be made on the basis of a forty-four (44) hour standard work week or such pro-rated amounts thereof where the salaried handyman or serviceman works for more than one (1) employer which is bound by this collective agreement;
9. The parties agree that the employers, will within thirty (30) days of the effective date of this Letter of Understanding, provide to the Union revised seniority lists. The seniority dates for all handymen and servicemen will be the date on which they were first (1st) employed by the Employer (regardless of whether or not the Collective Agreement was being applied to them at such times);
10. The parties agree that the lay-off and recall from lay-off provisions of the Collective Agreement will apply to all employees including handymen and servicemen subject to amended seniority provisions (grandfathered) etc. However, the Union recognizes that both handymen and servicemen have specific skills and that other employees (including but not necessarily limited to other handymen and servicemen) may not be able to perform available work, where all or **part** of such work includes handyman or serviceman work;
11. The parties agree that the current practices of individual Employers with respect to the supply of tools and/or transportation by or to handymen or servicemen will continue for the duration of the Collective Agreement. For the purposes of clarity, where a handyman / serviceman is required to use his/her own tools on a site, then the serviceman / handyman will be reasonably reimbursed for such use;
12. Servicemen/Handymen covered by the Agreement who are required to supply their own vehicle in the performance of work shall receive a minimum monthly allowance of \$400.00.
13. Nothing in this Letter in any way limits the right of the Employers to require sub trades to repair their original work if incorrect or incomplete;

14. It is agreed that servicemenhandymen who are currently members of the Union shall be red circled and remain members of the Union covered by the terms and conditions of the Collective Agreement even though they perform work as servicemenhandymen outside of the scope of the Collective Agreement in accordance with Article 1.01 (a) may join the Union and thereby become covered by the Collective Agreement;
15. It is agreed that a handymadserviceman who is excluded from the bargaining unit may perform handymadserviceman duties in the bargaining unit in the case of an emergency or when handymen/servicemen are not readily available to perform the work required provided it will not result in a lay-off of an employee in the Bargaining Unit;
16. The parties agree that the provisions of this Letter of Understanding form **part** of the Collective Agreement binding upon them and are enforceable as such, effective September 1, 2001.

Re: Sub-Contracting and Cross-Over Provisions

The Parties agree as follows with respect to adding new particular parts of the low-rise residential sector of the construction industry to the subcontracting provisions set out in Article 1.03 of the Collective Agreement. The provisions set out in this Letter of Understanding do not, in any way, apply to those particular parts of the low-rise residential sector of the construction industry which are already covered by and set out in the Collective Agreement or those collective agreements which are already set out in the cross-over clause of the Collective Agreement:

- i) If, at any time during the term of the Collective Agreement, the Union is successful in entering into contractual relations with seventy-five percent (75%) of the contractors or subcontractors, employing seventy-five percent (75%) of the employees, in any particular part of the low-rise residential construction sector of the construction industry, then, on the last day of the Collective Agreement, the work involved in that particular part of the low-rise residential sector shall automatically be included within the provisions of Article 1.03 such that the Employer will only contract or subcontract such work to companies who are in contractual relations with the Union;
- ii) The automatic inclusion set out in paragraph (i) above will not occur if, on the 90th day prior to the expiry of the Collective Agreement the Union no longer has contractual relations with seventy-five percent (75%) of the relevant companies who employ seventy-five percent (75%) of the employees in that particular part of the low-rise residential sector of the construction industry;
- iii) Further, the parties agree, that with respect to any particular part of the low-rise residential sector of the construction industry which are added to Article 1.03 of the Collective Agreement by virtue of the provisions of paragraph 1 above, should, on the ninetieth (90th) day prior to the expiry of an subsequent agreement, the Union no longer will be in contractual relations with fifty-five percent (55%) of the relevant companies employing fifty-five percent (55%) of the employees in that particular part of the low-rise residential sector of the construction industry, then the relevant subcontracting provisions will be removed;
- iv) The Parties agree that the above-noted tests will also apply to the inclusion and deletion of any new collective agreements to the cross-over provisions contained within Schedule “C” of the Collective Agreement;

Letter of Understanding No. 11
Sub-Contracting and Cross-Over Provisions

- v) The Parties agree that this Letter of Understanding forms **part** of the Collective Agreement which is binding upon them and can be enforced as such, including, but not necessarily limited to, referring to arbitration any questions which may arise **as** to whether or not the Union is actually in contractual relations with the requisite number of employers employing the requisite number of employees in any particular **part** of the low-rise residential sector of the construction industry as of the relevant dates set out herein,

No ~~Strike~~ – No Lockout Agreement 2010-2013

WHEREAS the Union and the Association have entered into a Collective Agreement which is effective on its face from May 1st, 2007 to April 30th, 2010; and

WHEREAS the Union and the Association contemplate entering into successor Collective Agreements which will be effective on their face from May 1st, 2010 to April 30th, 2013 and thereafter from May 1st, 2013 to April 30th, 2016 (the “successor collective agreements”); and

WHEREAS the Union and the Association are desirous of ensuring that the low-rise sector of the residential construction industry in the geographic area covered by the Collective Agreement will not be subject to strikes **and** lockouts in future years;

NOW THEREFORE the Union and the Association agree as follows with respect to the renewal of the two above-noted successor Collective Agreements:

1. If the Union and the Association are unable to agree upon the terms and conditions of both or either of the above-noted successor Collective Agreements, then on or about the 30th day of April in both or either 2010 and 2013, either party may refer the settlement of the new Collective Agreement to final and binding arbitration;
2. The Union and the Association agree that in view of the final and binding arbitration provisions set out herein there will not be, **and** they will not cause there to be, a strike or lockout following the expiry of the relevant Collective Agreements in either 2010 and 2013;
3. The parties agree that, in order to meet the need for expedition in the construction industry, they will agree upon a mutually acceptable arbitrator by no later than April 30th of each bargaining year, although it is understood that simply agreeing to an arbitrator in no way means that the Agreement(s) must be settled by arbitration;
4. Upon the issuing of a written notice of desire to proceed to final **and** binding arbitration to both the other party and the arbitrator, the arbitrator will commence a hearing with respect to the arbitration within fourteen **(14)** calendar days of the date of notice or thereafter if mutually agreed to by the parties;

Letter of Understanding No. 12
No Strike – No Lockout Agreement 2010-2013

5. It is agreed that the arbitrator will hear, and will have the necessary jurisdiction to determine, all lawful proposals and positions which are put before him by either party, and there is no restriction upon the number of *issues* which may be put to the arbitrator. Further, the parties agree that the arbitration process will not be one of final selection;
6. With respect to the agreement set out in paragraph 5 above, the parties agree that they may mutually agree to modify the arbitration proceedings such that the number of issues proceeding to arbitration may be limited and/or that final offer selection may be utilized for all or part of the arbitration procedures in either or both of the bargaining years;
7. It is agreed that the arbitrator will issue his decision within seven (7) calendar days of the date of the hearing and that any aspects of the decision may be retroactive to May 1st of the appropriate year if the arbitrator so determines;
8. It is agreed that any arbitrations which are required as between the Union and the Association will be the “industry arbitration” and accordingly pursuant to the terms and provisions of the Association’s accreditation and terms and provisions of the Collective Agreement, including but not limited to this Letter of Understanding, that such decisions will be final and binding upon any Employer bound to this or any similar independent collective agreement, for all purposes;
9. The parties agree the agreements, duties, obligations and rights set out in this Letter of Understanding form **part** of the Collective Agreement which is binding upon them and in addition constitute a settlement of the proceeding under the *Act* which is enforceable under Section 96(7) of the *Act* and accordingly are enforceable both as a term and provision of this Collective Agreement and under the provisions of the *Act* with respect to the settlement of proceedings.
