- 1.01** The general purpose of this Agreement is to establish and maintain collective bargaining relations between the Corporation and its employees and to provide machinery for the prompt and equitable disposition of grievances and to maintain and establish wages, hours of work and other working conditions as herein provided.

3.02 The Corporation agrees that these functions shall only be exercised in good faith and in a manner consistent with the provisions of this Agreement.

ARTICLE 4 RELATIONSHIP

4.01 The Corporation and the Union agree that there will be no intimidation, discrimination, interference, restraint or coercion exercised or practised by either of them or their representatives or members because of race, ancestry, place of origin, colour, ethnic origin, citizenship, creed, sex, sexual orientation, age, marital status, family status or handicap, political affiliation, or membership or non-membership in the Union or because of activity or lack of activity in the Union.

In obtaining such permission the Steward shall state his/her destination to his/her immediate supervisor and report again to him/her at the time of his/her return to work. In accordance with this understanding, Stewards dealing with employees' grievances during their regular hours of work shall not suffer any loss in pay.

It is agreed that an employee does not have a grievance unless he/she has discussed the matter with his/her immediate supervisor within five (5) working days on which the circumstances giving rise to the complaint originated or occurred. The immediate supervisor shall reply to the employee within five (5) working days.

Failing settlement, it may then be taken up as a grievance within five (5) working days following advice of the immediate supervisor's decision on the following manner and sequence:

STEP NO. 1-

The employee, who may request the assistance of his/her Steward, may present his/her alleged grievance to his/her immediate supervisor. The grievance shall be in writing and shall include the nature of the grievance and the remedy sought; failing a settlement, the immediate supervisor shall deliver his/her decision in writing within five (5) working days following presentation of the grievance to him/her; then within five (5) working days after the decision is given:

STEP NO. 2-

The employee who may request the assistance of his/her Steward, may present his/her alleged grievance in writing to his/her Department Head; failing settlement, the Department Head shall deliver his/her decision in writing within five (5) working days following presentation of the grievance to him/her; then within five (5) working days after the decision is given:

STEP NO. 3-

- 8.03** Replies to grievances stating reasons shall be in writing at all stages.
- 8.04** It is agreed that a grievance arising directly between the Corporation and the Union shall be originated under Step No. 3 and the time limit set out with respect to that Step shall appropriately apply. It is further agreed that the Union may act on behalf of an employee who is unable to file a proper grievance initiating the grievance at the appropriate Step. It is understood, however, that the provisions of this section may not be used with respect to a grievance directly affecting an employee or employees and that the regular grievance procedure shall not be thereby bypassed.

- 8.05** No adjustment under the Grievance Procedure or Arbitration Procedure shall be made retroactive prior to the date the grievance was formally discussed or presented to the Corporation under the Grievance Procedure except as to bookkeeping error involving an employee's wages and any grievance regarding discharge or suspension without pay will be deemed to have been filed on date of such suspension or discharge.
- 8.06** The grievor shall have the right to be present at all meetings held to resolve or discuss his/her grievance.
- 8.07** It is agreed and understood that all time limits in the grievance procedure shall be adhered to except where they are extended by mutual agreement.

ARTICLE 9 DISCHARGE CASES

- 9.01** It is recognized that probationary employees may be released for reasons less serious than in the case of the discharge of an employee who has completed his/her probationary period and accordingly, the release of a probationary employee will not be subject to the Grievance Procedure.

A claim by an employee who has completed his/her probationary period that he/she has been unjustly discharged shall be treated as a grievance if a written statement of such grievance is lodged with the Corporation at Step No. 3 prior to 12:00 noon on the fifth (5) working day after the discharge is effected. Such special grievance may be settled under the Grievance or Arbitration Procedure by:

- (a) confirming the Corporation's action in dismissing the employee;
- (b) reinstating the employee with payment to him/her for such time lost due to the discharge at his/her regular rate of pay for his/her normally scheduled work for such period less any amounts of money earned by the employee during such a period;
- (c) any other arrangement which may be deemed just and equitable.

- 10.02** No matter may be submitted to arbitration which has not been carried through all requisite steps of the Grievance Procedure.

- 10.03** The arbitrator shall not be authorized to make any decision inconsistent with the provisions of this Agreement, nor to alter, modify, add to or amend any part of this Agreement.
- 10.04** The proceedings of the Arbitration will be expedited by the parties hereto and the decision of the Arbitrator will be final and binding upon the parties hereto and the employee or employees concerned.
- 10.05** Each of the parties hereto will jointly bear the fees and expenses of the Arbitrator.
- 10.06** The time limits fixed in both the Grievance and Arbitration Procedure may be extended by consent of the parties of this Agreement.
- 10.07** A grievor or any employee with a legally vested interest, shall not lose any pay for regular time spent at an Arbitration Hearing. Necessary witnesses shall not lose any pay for the day(s) of testimony.

ARTICLE 11 SENIORITY

- 11.01** a) Seniority is defined as the length of service in the bargaining unit and shall include service with the employer prior to the certification of the Union. Seniority shall be used in determining preference or priority for promotions, transfers, demotion, lay-off, permanent reduction of the work force, and recall, as set out in other provisions of this agreement. Seniority shall operate on a bargaining-unit-wide basis.
- (b) In the event that an employee from the Clerical and Technical unit of the City is moved into this bargaining unit, as a result of the application of any provision of either Collective Agreement, his/her previously held seniority shall be retained.
- 11.02** An employee will be considered on probation and will not be subject to the seniority provisions of this Agreement, nor shall his/her name be placed on the seniority list until after he/she has completed six (6) months of continuous permanent employment with the Corporation.

Upon completion of such probationary period the employee shall be placed on the seniority list with seniority based on the date of continuous service in a position within the scope of the collective agreement.

Any employee who is hired to a permanent position in the bargaining unit with no break in service, shall upon successful completion of the probationary period have their temporary continuous service recognized with establishing their seniority date, however this shall only apply to service in a temporary position that is listed as a classification in Schedule "A".

A seasonal employee as defined in Article 11.10 who is hired to a permanent position in the bargaining unit with no break in service, shall, upon successful completion of the

probationary period, have their seasonal continuous service recognized when establishing their seniority date.

11.03 The Corporation shall maintain a seniority list showing the date upon which each employee commenced employment in the Bargaining Unit and the person's classification. An up-to-date seniority list shall be posted twice a year in January and July. A copy of such list shall be mailed to the Secretary of the Unit Chair at the same time.

11.04 Notwithstanding the provisions of 11.01, an employee shall lose all seniority and shall be deemed to have terminated his/her employment if he/she:

- (a) resigns or retires from the employ of the Corporation;
- (b) is discharged and is not reinstated;
- (c) is laid off for a period of more than twelve (12) months;
- (d) is absent from work without permission for three (3) consecutive working days unless a reasonable explanation is given by the employee;
- (e) fails to return to work upon termination of an authorized leave of absence unless a reasonable explanation is given by the employee or utilizes a leave of absence for purposes other than those for which the leave of absence was granted;
- (f) fails to return to work within seven (7) calendar days after being recalled from layoff by notice sent by registered mail unless a reasonable explanation is given by the employee;
- (g) is absent from work due to illness or disability which absence continues more than twenty-four (24) months.
- (h) while in receipt of workers' compensation benefits from the Workplace Safety and Insurance Board, has concluded the period of re-employment obligation as established by Section 41(7) of the Workplace Safety and Insurance Act, 1997, provided that such absence is not less than twenty four (24) months from the date of the injury.

11.05 JOB POSTINGS

For all permanent position vacancies intended to be filled, the Corporation shall post notices with the information as indicated in Schedule "C" on all bulletin boards for a period of one week and shall send a copy to the Unit Chairperson.

When it is known at the time of posting that the position will be reviewed within six (6) months of the posting date, then the words "under review" will be with the rate of pay on the posting.

The Corporation will interview internal applicants who meet the qualifications as outlined on the job posting. When there is no successful qualified applicant, the Corporation reserves the right to interview unqualified internal applicants who have applied for the posted position prior to interviewing external applicants.

For positions at Level F and above, the Corporation may choose to advertise the vacancy externally concurrent to the internal posting.

All current internal applicants who have applied for the position will be considered and a selection decision will be made prior to considering external applicants.

Employees, except those in a Facility Operator 1 classification, who have completed their probationary period may make written application for such permanent job vacancy within such posting period. Employees in a Facility Operator 1 classification, who have completed twelve (12) months of employment, may make written application for such permanent job vacancy within such posting period. Employees will be limited to one lateral transfer in a twelve month period.

Every effort will be made to fill posted vacancies within one month of the closing date as noted on the job posting.

Employees who have been successful to posted positions who are required to remain in their current position will receive their new rate of pay no later than two weeks after accepting the new position.

It is understood that nothing in this Section restricts the right of the Corporation to temporarily assign an employee to a job currently posted on an acting basis until the posting procedure has been completed and arrangements made to permit the employee selected, if any, to fill the position.

11.06 Promotion shall mean a transfer to an occupational classification in the bargaining unit that is paid at a higher rate of pay.

In cases of promotion for positions below Level F, the following factors shall be considered:

- (a) seniority
- (b) qualifications and job efficiency

Where two or more applicants qualify for the position, seniority shall govern. In cases of promotion, (other than to positions outside the scope of the bargaining unit), for positions at Level F and above, the following factors shall be considered:

- (a) posted qualifications
- (b) demonstrated skills and abilities as required for the posted position
- (c) satisfactory work performance with the Corporation where unsatisfactory performance is a matter of record in the Human Resources file

Where two or more applicants are deemed to be equal under (a), (b) and (c), seniority shall govern.

The Corporation may, at its discretion, when there are no qualified internal applicants, promote an internal applicant with the potential to become qualified within a reasonable period of time.

Any employee so promoted will be given a trial period and may revert to his/her former position in accordance with Article 11.11 or if the required qualifications are not met within the agreed period of time.

11.07 In cases of layoff and recall from layoff, seniority shall govern providing the remaining employees have the qualifications to perform the work available. It is understood, however, that probationary employees shall be first laid off. Unless legislation is more favourable to the employees the Corporation shall notify the Union and the employees who are to be laid off thirty (30) calendar days prior to the effective date of any layoff which is expected to exceed 15 working days. If employees have not had the opportunity to work the said thirty (30) calendar days, they shall be paid for the days on which work was not made available.

No new employee will be hired to perform work that an employee on layoff is capable of performing.

Every effort will be made to find alternative work for any employee who is prevented from carrying out his/her normal duties due to circumstances beyond his/her or the Corporation's control.

11.08 ACTING ASSIGNMENT

When required by the Corporation to act in a bargaining unit position at a higher classification level, the employee shall receive the rate of pay for the higher classification for all hours so assigned.

When required by the Corporation to act in a management position the employee shall receive a premium of one dollar (\$1.00) per hour above their regular straight time rate of pay or the minimum rate for the position, whichever is greater, for all hours so assigned.

No employee shall be transferred to a position outside the bargaining unit without his/her consent. Except as provided in Article 11.01(b), if an employee is transferred to a position outside the bargaining unit, he/she shall retain his/her seniority acquired at the date of leaving the unit, but shall not accumulate any further seniority, provided that the employee returns to the bargaining unit within twelve (12) months. If the employee is not returned to the bargaining unit within the twelve (12) month period, all seniority shall be lost.

14. LETTER OF UNDERSTANDING

The parties agree that effective upon ratification, and for the life of this Collective Agreement, the following language shall apply to employees employed in Water/Waste Water and Drainage classifications, specifically, the classifications of Servicepersons.

Servicepersons who hold a valid Ministry of Environment Operator Certificate shall be paid at the grade as noted below:

Water	
Certificate Level	Grade
OIT	E
Level 1	G
Level 2	H

Wastewater & Drainage	
Certificate Level	Grade
OIT/Level 1	E
Level 2	G
Level 3	H

The Corporation agrees to sponsor job training for current Servicepersons up to and including the classification level that corresponds to the Corporation's Water Distribution and Waste Water Collection facilities.

When Servicepersons are required to be absent from their regular shift to write examinations for certification, the employee shall be paid at his/her rate of pay.

Persons currently employed as Servicepersons, who do not hold certifications equivalent to their Serviceperson level, shall be "grand-parented" in their position. In the event that the employee achieves certification at a higher level, their rate of pay will be adjusted accordingly.

In the event that the Ministry of Environment reduces the level of certification of a Serviceperson, the Corporation shall reduce the employee's rate of pay to correspond to the level of certification. The effective date of the reduction to the rate of pay shall correspond directly to the date that the Ministry of Environment reduces the level of certification.

In the event that the Ministry of Environment increases the level of certification of a Serviceperson, the Corporation shall increase the employee's rate of pay to correspond to the level of certification. The effective date of the increase to the rate of pay shall correspond directly to the date that the Ministry increases the level of certification.

Employees employed as a Serviceperson prior to June 15, 2007 shall be "grandparented" and retain their current rate of pay as outlined in the Collective Agreement and receive any and all increases negotiated to that rate.

Agreed on November 2, 2004

Renewed – May 5, 2010

16. LETTER OF UNDERSTANDING **Movement of part-time and full-time employees** **Movement to full-time positions**

This will confirm the discussion held at full time negotiations on May 15, 2007 and June 15, 2007 referable to the above subject matter.

At that time, we confirmed that the City would be prepared to credit time worked as a part-time employee **in CUPE Local 905 Vaughan Unit** for those employees who subsequently move to full-time positions after ratification of the renewal of the collective bargaining agreement. Credit would be given on the basis that 1820 hours worked as a part-timer would equate to a year of seniority and service in the full-time unit.

For the purpose of calculating service under the full-time agreement, the City will credit an employee with 15 hours of time worked for each week employed as a part-time employee prior to 1999.

For the purpose of calculating seniority under the full-time agreement, the City will credit an employee with 24 hours of time worked for each week employed as a part-time employee prior to 1999.

A full-time employee who moves into the part-time unit shall carry his/her full-time unit seniority date into the part time unit.

Both the City and the Union agreed that this understanding was contingent upon its acceptance by each of the bargaining representatives of the full-time units and the part-time bargaining unit.

Agreed on October 26, 2007

Amended and renewed on April 21, 2010

2. LETTER OF INTENT
