ARTICLE 6 - COMPLAINT AND GRIEVANCE PROCEDURE

Definition

For the purposes of this Agreement, a grievance is defined as a difference arising between the Parties relating to the interpretation, application, administration, or alleged violation of the Agreement, including any question as to whether a matter is arbitrable.

- 6.01 It is the mutual desire of the Hospital and the Union that complaints and grievances be adjusted as quickly as possible. Either Party may request time extension, verified in writing, and both Parties agree to give full consideration to compliance with such request;.
- 6.02 It is understood that an employee has no grievance until she has first given her immediate Supervisor an opportunity to adjust her complaint. If an employee has a complaint, she shall discuss it with her immediate Supervisor within fifteen (15) calendar days after the circumstances giving rise to the complaint have originated or occurred. Any employee is entitled, upon request, to have a Union Steward present when discussing the complaint with the immediate Supervisor. Failing settlement of a complaint by the immediate Supervisor within ten (10) calendar

days, it may be taken up as a grievance within ten (10) calendar days following the reply of the immediate Supervisor in the following manner and sequence:

6.03 Step No. 1

The employee, with the assistance of a steward, if she so desires, may present her grievance in writing to her immediate Supervisor. The nature of the grievance, the remedy sought and the section(s) of the Agreement alleged to have been violated shall be set out in the grievance. Failing settlement, the immediate Supervisor shall deliver her decision in writing within ten (10) calendar days following the presentation of the grievance to her, then within ten (10) calendar days after the decision is given:

Step No. 2

The employee, with the assistance of a steward (if she so desires) may present her grievance in writing to the Assistant Executive Director responsible for the Department; failing settlement, the Assistant Executive Director responsible for the Department shall deliver her decision in writing within ten (10) calendar days following the presentation of the grievance to her.

Step No. 3

Within ten (10) calendar days following the decision under Step No. 2, the grievance may be submitted to the Executive Director of the Hospital (or his delegate) to be discussed at a meeting between the said Executive Director (or his delegate), the grievor and the Union Committee within ten (10) calendar days of receipt of the grievance. At the meeting with the said Executive Director (or his delegate) the Executive Director (or his delegate) shall communicate with the Union Representative to schedule the meeting. There shall be present the grievor, the Steward, the Union Committee member and a representative of the Union. Failure of the Steward, a member of the Union Committee or a representative of the Union to attend such meeting shall not invalidate the meeting. The Hospital may have in attendance at such meeting on its behalf such representative(s) as it considers advisable or necessary; failing settlement, the decision of the Executive Director shall be delivered or forwarded in writing to the said Union Representative within ten (10) calendar days following the meeting.

6.04 Failing a settlement under Step No. 3 of the grievance, such grievance may be taken to arbitration as hereinafter provided and if no written request for arbitration is received within fifteen (15) calendar days after the decision in Step No. 3 is given, the grievance shall be deemed to have been abandoned.

6.05 All agreements reached under the grievance procedure between the representatives of the Hospital, the Union and the employees originating the grievance and the representative(s) of the Union will be final and binding upon

the Parties hereto and the employees to which this Agreement applies

- 6.06 Where two (2) or more employees have grievances of a similar nature and each employee would be entitled to grieve separately, all such employees shall sign the grievance form and submit the grievance at Step No. 2 within fourteen (14) calendar days of the event giving rise to the grievances. The grievances shall be processed as one grievance subject to all applicable provisions under the Grievance Procedure.

ARTICLE 7 - POLICY GRIEVANCE

- 7.01 Where a difference arises between the Hospital and the Union concerning the interpretation or violation of this Agreement which may be considered as policy matters, the difference between the parties shall be reduced to writing by either party and dealt with commencing at Step No. 3 of the Grievance Procedure. Any grievance by the Hospital or the Union, as provided in this paragraph, shall be commenced within twenty (20) calendar days of the date of the occurrence. It is expressly understood and agreed that the provisions of this Article may not be used to institute a grievance directly affecting an employee or employees, which such employee or employees could themselves initiate and the regular Grievance Procedure shall not be thereby by-passed, except only where it is established by the Union that the interest of the bargaining unit as a whole is involved and may be affected by the resolution of the issue arising from the complaint.

In the case of such a grievance by the Hospital, it shall be submitted in writing to the Union Representative responsible for this Collective Agreement (with a copy to the Chairman of the Union Committee) within twenty (20) calendar days after the circumstances giving rise to the grievance have occurred. The Union Representative shall give his decision within seven (7) calendar days after receiving the grievance, and failing settlement, the grievance may be referred to arbitration by the Hospital in accordance with Article 8 hereof.

ARTICLE 8 - ARBITRATION

- 8.01 If the Hospital or the Union requests that a grievance be submitted to arbitration, as hereinbefore provided, it shall make such request in writing addressed to the other party to this Agreement, and at the same time name a nominee. Within seven (7) calendar days thereafter the other party shall name a nominee provided, however, that if such party fails to name a nominee as herein required, the Office of Arbitration of the Ministry of Labour of the Province of Ontario shall have power to effect such appointment upon application thereto by the party invoking the arbitration procedure. The two nominees shall attempt to select by agreement a Chairman of the Arbitration Board. If they are unable to agree upon such a

Chairman of the Board within a period of fourteen (14) calendar days, they shall then request the Office of Arbitration of the Ministry of Labour of the Province of Ontario to appoint a Chairman.

- 8.02 No person may be appointed as an arbitrator who has been involved in an attempt to negotiate or settle the grievance.
- 8.03 No matter may be submitted to arbitration which has not been carried through all requisite steps of the grievance procedure.
- 8.04 The Board of Arbitration shall not have any power to amend, alter, modify or add to any of the provisions of this Agreement or to substitute any new provisions for any existing provisions, nor to give any decision inconsistent with the terms and provisions of this Agreement.
- 8.05 The proceedings of the Arbitration Board will be expedited by the parties hereto and the decision of the majority and where there is no majority, the decision of the Chairman will be final and binding upon the parties hereto and the employee or employees concerned.
- 8.06 Each of the parties hereto will bear the expense of the nominee appointed by it and the parties will share equally the fees and expenses, if any, of the Chairman of the Arbitration Board.
- 8.07 The time limits set out in both the grievance and arbitration procedures herein are mandatory and failure to comply strictly with such time limits except by the written Agreement of the parties shall result in the grievance being deemed to have been abandoned subject only to the provisions of Section 48(16) of The Labour Relations Act.

ARTICLE 9 - DISCHARGE CASES

- 9.01 A grievance involving the discharge of an employee must be reduced to writing and originated under Step No. 2 within ten (10) calendar days of the employee being notified of his discharge. It is agreed that the Chairperson of the Union Committee or a Union Committee member will be notified of the dismissal of a seniority-rated employee.

Notwithstanding anything in this Agreement, a probationary employee may be terminated at the sole discretion of and for any reason satisfactory to the Hospital and such termination of a probationary employee shall not be subject to the grievance or arbitration procedures.

- 9.02 Whenever an employee is being disciplined, suspended or discharged, and such disciplinary action will become part of the employee's record, a Union Committee Member or Steward will be present, if one is readily available, and if the employee so requests.
- 9.03 An employee shall, upon written request made a reasonable time before the time of viewing, have an opportunity to view his personal file in the presence of the Director of Human Resources or his designate. The information the employee may review will be:
- a) application form
 - b) written evaluations
 - c) formal disciplinary notations
 - d) incident report (excluding patient incident reports)
- 9.04 Any letter of reprimand, suspension or other sanction will be removed from the record of an employee twenty-four (24) months following the receipt of such letter, suspension or other sanction provided the employee's record has been discipline free in that period of time.

ARTICLE 10 - UNION SECURITY

- 10.01 The Hospital shall deduct an amount equivalent to regular monthly Union dues for the term of this Agreement according to the following conditions:
- (a) all employees covered by this Agreement shall, as a condition of employment, have deducted from their pay each month an amount equivalent to the regular monthly Union dues;

Such meetings may be arranged collectively or individually for employees by the Hospital as part of the orientation program.

That benefit will be equivalent to the difference between 75% of her regular weekly earnings and the sum of her weekly Unemployment Insurance benefits and any other earnings. Such payments shall commence following completion of the two-week unemployment insurance waiting period, and receipt by the Hospital of the employee's Unemployment Insurance cheque stub as proof that she is in receipt of Unemployment Insurance pregnancy benefits, and shall continue while the employee is in receipt of such benefits for a maximum period of fifteen (15) weeks. However, credit for seniority shall not be suspended but shall be accumulated during such leave.

- (g) When persons are hired to replace employees who are on approved pregnancy leave, the period of employment of such persons will not exceed the pregnancy leave. The release or discharge of such persons shall not be subject of a grievance or arbitration.

Collective Agreement or elsewhere (except benefits in Section 42 of the Employment Standards Act) shall be suspended, the benefits concerned appropriately reduced on a pro rata basis and the anniversary date adjusted by the entire period of the absence. In addition, the employee will become responsible for full payment of subsidized employee benefits in which he/she is participating for the period of the absence.

However, credit for seniority shall not be suspended but shall be accumulated during such leave.

- (c) Effective April 1, 1993 on confirmation by the Unemployment Insurance Commission of the appropriateness of the Hospital's Supplemental Unemployment Benefit (SUB Plan), an employee on leave as set out above who is in receipt of unemployment insurance parental benefits pursuant to Section 20 of the Unemployment Insurance Act, 1971, shall be paid a supplemental unemployment benefit. That benefit will be equivalent to the difference between Seventy-five percent (75%) of her regular weekly earnings and the sum of her weekly Unemployment Insurance benefits and any other earnings. Such payments shall commence following completion of the two-week unemployment insurance waiting period, and receipt by the Hospital of the employee's Unemployment Insurance cheque stub as proof that she is in receipt of such benefits for a maximum period of ten (10) weeks. The employee's regular weekly earnings shall be determined by multiplying her regular hourly rate on her last day worked prior to commencement of the leave times her normal weekly hours.
- (d) When persons are hired to replace employees who are on approved parental leave, the period of employment of such persons will not exceed the parental leave. The release or discharge of such persons shall not be the subject of a grievance or arbitration.

This clause does not preclude such employees from using the job posting provisions under the Collective Agreement and any successful applicant who has completed her probationary period will be credited with the appropriate seniority.

An employee will be credited with seniority during an unpaid leave of absence up to a maximum of forty-five (45) calendar days.

18.05 Union Leave of Absence

- (A) Leave of absence for Union business shall be given without pay up to an aggregate maximum for all employees, full time and part time of forty (40) days provided such leave does not interfere with the continuance of efficient operations of the Hospital. Such leave shall be subject to the following conditions:
- a) not more than two (2) employees of the Hospital are absent on any such leave at the same time, and not more than one (1) employee from a department;
 - b) no one such leave of absence shall extend beyond two (2) weeks;

18.07 Effect of Leave of Absence

In the event of an employee's absence without pay from the Employer exceeding thirty (30) continuous calendar days, the employee will not accumulate service for any purposes under the Collective Agreement for the duration of such absence.

Note: The pregnancy and parental leave clauses in this Agreement have specific references regarding the effect of absence, which take precedence over the above provisions.
