### **1.01 PARTIES TO AGREEMENT**

THIS AGREEMENT, entered into on the 22nd day of May 1996

BY AND BETWEEN

KWANTLEN UNIVERSITY COLLEGE  
(hereinafter referred to as the Employer)

AND

KWANTLEN COLLEGE FACULTY ASSOCIATION, LOCAL #5 College-Institute Educators' Association, (hereinafter referred to as the "Association")

### **1.02 TERM OF AGREEMENT**

The duration of this Agreement shall be from April 1, 1995 to March 31, 1998. In the event negotiations are not completed before its date of expiry, this Agreement shall continue in force until amended or superseded.

The operation of Section 50(2) of the Labour Relations Code of B.C. is specifically excluded.

### **1.03 PRECEDENCE OF AGREEMENT**

In the event that there is a conflict between the contents of this Agreement and any regulations made by the Employer, or on behalf of the Employer, this Agreement shall take precedence over the said regulations.

### **1.04 DEFINITIONS**

(a) Regular Faculty Position

A regular faculty member's position is one that exists or is established to meet the ongoing needs of the Employer on a half-time basis or greater basis.

(b) Full-time Regular Faculty

A full-time regular faculty member is one who occupies a full-time regular position established by the Employer or by this Agreement. Full-time regular faculty members shall receive all benefits provided by this Agreement.

(c) Part-time Regular Faculty members

A part-time regular faculty member is one who occupies a part-time regular position established by the Employer. Part-time regular faculty members have the same rights and obligations as full-time regular faculty members and are entitled to all benefits provided by this agreement on a pro-rated basis. A part-time regular position will be established by the Employer where:

- (i) there is a structural requirement for ongoing services of one-half time or more;
- (ii) a full-time regular post-probationary faculty member requests a part-time position and the request is supported by the convener/coordinator in the discipline/program and approved by the Employer;
- (iii) two post-probationary faculty members are willing to share a full-time regular position and the request is supported by the convener/coordinator in the discipline/program and approved by the Employer;
- (iv) Should a regular faculty member wish to resume a full-time workload, he/she will be assigned available work in his/her discipline/program providing he/she has the required qualifications, abilities and experience. Where two or more regular faculty members wish to resume a full-time workload and there is insufficient available work in the discipline/program, work will be assigned to the faculty member with the most FTE service providing he/she has the required qualifications, abilities and experience;
- (v) The Employer's approval will not be unreasonably withheld. The Employers, at its sole discretion, can set the effective date of the requested change in status from full-time to part-time, or vice versa, to coincide with the beginning or the end of a semester or term of instruction.

(d) Temporary Faculty Members

A temporary faculty member is one who is assigned two or more continuous teaching blocks each of three months or greater and with a workload within each of 50% or greater with no breaks greater than 31 days between the blocks. Earned vacation and P.D. arising from the initial qualifying period may be scheduled in between teaching and accountable time assignments to maintain continuity of benefits.

When temporary positions are not identified in advance, contract faculty members who subsequently qualify as above will be made temporary retroactive to the qualifying date.

A temporary faculty member has the same rights and obligations as a regular faculty member and is entitled to all benefits provided by this Agreement on a pro-rated basis with the following exceptions (Article 1.04(g), Article 6, and Article 7)

When the Employer replaces a regular faculty member on leave, long-term disability, alternate duty, or fills a position that exists but that is not expected to be ongoing and the workload available is defined as temporary as outlined above, the Employer will issue a temporary appointment.

(e) Contract Faculty Members

- (i) A contract faculty member is one who does not occupy a regular or temporary faculty member's position.
- (ii) Contract instructors may only be hired for specialized requirements, experimental offerings, timetabling anomalies, substitution, vacation replacement, short-term emergency circumstances, or work that is not expected to be ongoing. All contract faculty members will receive salary according to the provisions of Article 9.

(f) Regularization

Notwithstanding any other provisions of this Agreement, a faculty member will become regular when either:

- (i) The faculty member has occupied a full-time position in the same discipline/program for 24 consecutive months, including non-instructional time, where that position has not been posted and the faculty member has received only satisfactory evaluations; or
- (ii) A full-time regular position is advertised and the position has been filled by the faculty member on a full-time basis for at least 18 consecutive months, including non-instructional time, provided that the qualifications, abilities and experience of the faculty member are equal to those of the other applicants.

The temporary faculty member will be granted an interview and upon written request, will be given reasons if unsuccessful.

(g) Employment

A regular faculty member, after successful completion of the probationary period, will be offered continuous employment subject only to those terms and conditions as may be contained in the Collective Agreement.

(h) Probationary Contract

A two-year appointment which may be terminated without cause upon expiration of the probationer's term of employment, but which may be terminated in accordance with Article 4.08, prior to the expiration of his/her term of employment. Termination during the two-year contract shall be in accordance with Article 4.08. Termination at the end of the probationary term shall be in accordance with Article 4.06.

- (i) Throughout this Agreement, the term "instructor" shall denote a faculty member and the terms "teach" and "instruct" shall denote performance of faculty members' duties.

(j) Full-Time Equivalent Service

Full-time equivalent service shall be defined as the length of service with the Employer from the date of the first appointment with the Employer. In the event the faculty member resigns, or is terminated, the FTE service accumulated is lost. Substitution and overload contract shall not be credited if the faculty member has already been credited with a full year's FTE service during a one-year period.

In the event a contract or temporary faculty member (as defined in Article 1.04 (e) and (d)) is not employed by the University College in an eighteen month period beginning with the termination date from the Employer's payroll, or declines or is unavailable to receive an offer of further appointment, the FTE service accumulated is lost.

In this clause "service" denotes all accountable time covered by Article 11.02(a) and all vacation time covered by Article 11.01, and FTE service counted under Article 1.04(j)(vii) shall not count towards the minimum service requirements specified in Article 13.05 and Article 13.06.

Wherever this Agreement refers to service with the Employer, such service shall be understood to include service both prior to and subsequent to the split of Douglas College into Douglas and Kwantlen Colleges on April 1, 1981, providing the faculty member was employed by Douglas College prior to April 1, 1981. FTE service includes and is limited to the following:

- (i) service accumulated as a full-time regular faculty member;
  - (ii) service accumulated on a pro rata basis as a part-time regular faculty member, i.e., 1/2 teaching assignment or 12 credits in a year = 6 months' service;
  - (iii) service accumulated as a temporary faculty member appointed under the provisions of Article 1.04(d);
  - (iv) service accumulated on a pro rata basis as a contract instructor appointed under the provisions of Article 1.04(e), i.e., 1/4 teaching assignment or 6 credits in a year = 3 months' service;
  - (v) approved leave of absence as per Articles 3.11, 12.01, 12.02, 12.05, 12.06(a), 12.06(b) and 12.07;
  - (vi) approved leave of absence under Article 12.03 if a written submission is received from the faculty member and if the Employer and Association agree that the leave was spent on activities relevant to the faculty member's duties;
  - (vii) educational leave taken under Article 13;
  - (viii) leave due to illness up to a maximum of two (2) years, including STIP and LTD periods and periods on WCB coverage;
  - (ix) service as a Dean or Director at Douglas College prior to November 1, 1977, if the faculty member held faculty status as of April 1, 1983;
  - (x) In the event an administrator who held a management position with the Employer as of April 1, 1983 returns to the bargaining unit as a regular faculty member he/she will be credited for all previous service accumulated as a faculty member at both Douglas and Kwantlen Colleges. In addition, he/she will be credited for previous service as a Dean or Director at Douglas College prior to May 1, 1975.
  - (xi) Up to two years' service as an administrative secondment subsequent to December 31 1986 where the faculty member was a member of the faculty for a minimum of two consecutive years immediately prior to secondment.
- (k) Common-law Spouse

For the purposes of Articles 12.01, 14.01(b), 14.02, and 14.03 the term *common-law spouse* means a person who resides with the faculty member in a common-law relationship which shall be defined as a relationship wherein two persons of the same or opposite sex cohabit for a period of at least 2 years as if husband and wife and whereby there is a mutual agreement between such persons that said relationship is a permanent relationship, exclusive of all other such relationships.

**1.05 NO OTHER AGREEMENTS**

Except with the mutual consent of the Association and the Employer, no faculty member covered by the Association's certification shall be required or permitted to make a written or oral agreement with the Employer or its representatives which may conflict with the terms of this Agreement.

**ARTICLE 2 - MANAGEMENT RIGHTS****2.01 MANAGEMENT RIGHTS**

While the Employer customarily delegates to appropriate faculty member groups responsibility for determining which courses and sections shall be timetabled in any semester; for assigning instructional duties to instructors; for determining instructor's home campus; for requiring instructors to develop new courses or to revise existing ones; for ongoing program development and revisions; this delegation shall not be construed to abrogate the Employer's rights with respect to these functions but neither shall it be unreasonably withheld. Generally, and without being limited by the foregoing, the Employer has the right to manage, operate and direct the working force of the Employer.

The Employer agrees that these rights will be exercised in a manner consistent with the provisions of other articles in this Agreement.

**2.02 CONTRACTING OUT**

The Employer agrees not to contract out any work presently performed by faculty members covered by this Collective Agreement which would result in the laying off of such faculty member(s).

**2.03 ASSIGNMENT OF OTHER DUTIES**

- (a) The Employer may allocate program/curriculum development projects or special projects to faculty members and on such occasions shall provide adequate time to accomplish the agreed-upon task.
- (b) The Association shall be provided with details of such time releases including the faculty member(s) involved, the amount of time provided, and the duties undertaken. This applies to those normally teaching but released from teaching.
- (c) In the case of program development projects of duration of one semester or more, notice shall be given to all faculty members of the proposed projects and applications invited. Selection and appointment shall be in accordance with the principles of Article 4.02.
- (d) In the case of program development projects of duration of less than one semester, the advice of the appropriate discipline or program group will be sought prior to the appointment of personnel to the project.

## **ARTICLE 3 - KCFA RECOGNITION, RIGHTS AND SECURITY**

### **3.01 KCFA AS EXCLUSIVE BARGAINING AGENT**

The Employer recognizes KCFA as the exclusive bargaining agent for all Instructors, Counsellors and Librarians employed by the University College, but this does not apply to Continuing Education Instructors.

Faculty members covered by the certification who, at the date of ratification were members of KCFA, shall maintain their membership in good standing as a condition of continuing employment.

### **3.03 MEMBERSHIP OF NEW FACULTY**

From the ratification date of this agreement new faculty members covered by the certification shall become members of KCFA on the first day of the calendar month following commencement of their employment and shall maintain membership in good standing in KCFA as a condition of continuing employment.

### **3.04 DUES DEDUCTION**

Deduction of Union dues as a condition of employment will be applied to all members of the bargaining unit.

### **3.05 AMOUNT OF DUES AND FEES**

The Association shall advise the Employer in writing of the amount of its regular monthly dues. The amount so specified shall continue to be the amount of the Association's regular monthly dues and shall continue to be the amount to be deducted until changed by further written notice to the Employer from the President of the Association. Upon the Employer's receipt of such notice, the changed amount shall be the amount deducted for the following month.

### **3.06 MEMBERSHIP AND DUES AUTHORIZATION FORMS**

The Employer shall provide application for Membership forms as well as Dues Authorization Forms to all new faculty members at the earliest date following commencement of employment. Copies of signed forms will be forwarded by the Employer to the KCFA.

### **3.07 ASSESSMENTS**

The Employer shall deduct duly-authorized assessments from faculty members who are members of the Association in accordance with Association by-laws within forty-five (45) days of a request

to do so by the Association. The Employer agrees to forward the assessment to the Association within fifteen (15) days of the deduction. The Association agrees to limit its request for an assessment to one (1) request per calendar year.

### **3.08 COPIES OF AGREEMENT**

The Association and the Employer agree that all faculty members shall be familiar with this Agreement, and their rights and obligations under it. For this reason the Employer shall provide, at its cost, sufficient copies of the Agreement so that every faculty member has a copy. Newly appointed faculty members shall receive a copy of the current Agreement when they are sent their initial contract or letter of appointment.

### **3.09 FACULTY ASSOCIATION BUSINESS**

- (a) The Association President and Vice-Presidents, in order to fulfil their responsibilities as the elected officers representing the welfare of the Association, will be freed from obligations normally required of a faculty member with respect to committees and related work.
- (b) The Association will be allowed the use of reasonable bulletin board space and similar space in the University College newspaper.
- (c) The Association will have the right to use Employer's facilities for meeting purposes free of charge.
- (d) Should the Association require office space for its administration, the Employer will provide such space on the home campus of the Association President.
- (e) One Association designate will be furnished with a copy of the Agenda and other public information assembled for University College Board meetings. This material will be mailed to the Association at the time of distribution to the University College Board. Approved minutes of all University College Board meetings will be distributed similarly.
- (f) (i) The Association will be furnished with a listing of faculty members by October 15th and February 15th each year which shall include names, addresses, type of appointment, term of appointment, discipline/program and salary placement;
- (ii) The Association shall be notified of all faculty hirings within fifteen (15) working days of the faculty member commencing work;
- (iii) The Employer agrees to provide to the Association available information of the cost of salaries and benefits used for costing in collective bargaining.
- (g) The Employer recognizes the Association's right to select Representatives to represent faculty members. The Association agrees to provide the Employer with a list of the faculty members designated as Representatives. It is agreed that Employer work performed by faculty members will not be affected by any Association business.

- (a) Faculty members covered by this Agreement shall have the right to refuse to cross a legal picket line arising out of a strike as defined in the Labour Relations Code of B.C. or in the Canada Labour Code.

- (b) Failure to cross a picket line encountered in carrying out the Employer's business shall not be a violation of this Agreement nor shall it be grounds for disciplinary action.
- (c) Faculty members will not receive pay for work not performed as a result of observance of picket lines.

### **3.11 FACULTY ASSOCIATION LEAVE**

- (a) To facilitate the operation of the Collective Agreement and Employer/Faculty relationships, the Association will be provided quarter-time leave of absences without loss of pay for one of its members in two semesters each year. Additional leaves of absence shall be at replacement cost.
- (b) The Employer agrees that, while the granting of leave in excess of half-time for any one individual is subject to the Employer's educational requirements, approval shall not be unreasonably withheld.
- (c) The request for all such leaves shall be made by the Association in writing to the appropriate administrator responsible and the Director, Human Resources by May 15 for Fall leaves and November 1 for Spring leaves.
- (d) A faculty member selected for a full-time position in the College-Institute Educators' Association of B.C. or in any successor organization to C-IEA shall be granted full-time leave of absence subject to the following conditions:

  - (ii) A faculty member on leave under this clause shall continue to receive full salary and the benefits from the Employer. The Association shall, on a monthly basis, reimburse the Employer for the full amount of the faculty members member's salary and benefits. Reimbursement will be effected by the Employer directly deducting the full amount of the faculty member's salary and benefits from the Association member dues on a monthly basis. In the event the membership dues are not enough to cover the faculty member's monthly salary and benefits, the Association will remit the outstanding balance on a monthly basis.
- (e) Meetings between representative of the Association and the Employer shall be held at times mutually agreeable to the parties. Every effort shall be made to hold such meetings at times that do not conflict with the teaching or duty schedules of the faculty members involved.
- (f) Any leaves granted under this section shall count as eligible time towards full-time equivalent (F.T.E.) service when ever such service is referred to in the Agreement.

### **ARTICLE 4 - SEARCH PROCEDURES**

Any disputes arising from the outcome of a search process will be immediately referred by the complainant (or the KCFA on his/her behalf) to the Labour Management Relations Committee, who will examine and make findings regarding the fairness of the process. The LMRC shall render its findings within 10 working days from the date the matter was referred to it. This deadline may be extended up to 5 working days by the LMRC. The grievance timelines will commence at the date the LMRC issues its findings.

#### 4.01 WRITTEN CONTRACTS

- (a) All faculty members employed by the University College shall be offered appropriate written contracts. In the event Article 1.04(d) applies, contracts shall specify the rate of pay and the period of appointment, including any vacation, professional/curriculum development, and accountable time required by the terms of this agreement.
- (b) Faculty members shall be given a copy of any employment notice affecting their own employment.

#### 4.02 SEARCH FOR REGULAR AND TEMPORARY FACULTY MEMBERS

Preamble:

Whenever a vacancy arises, as determined by the Employer, it shall be filled by the following process:

- (a) The Search Committee shall consist of three (3) members: two elected annually by the discipline/program and one designated by the University College President or his/her designate. The parties will consider variations to the standard committee format when positions for service courses are involved or in unusual situations that may arise. In the event faculty members have not been elected or the faculty member(s) elected declines to participate in the search process for any reason, the Faculty Association shall appoint a replacement to the Search Committee.  
  
The Administrative designate will be responsible for providing institutional support; the faculty members will provide expertise on subject/instructional matters.
- (b) Where the appointment is in a new discipline or program field the Search Committee shall be appointed by the University College President or his/her designate after consultation with the Association.
- (c) All regular and temporary (Article 1.04(d)) faculty members who are part of the discipline(s) or closest related discipline(s) shall be eligible for membership on the Search Committee, unless a conflict of interest is deemed to occur.
- (d) If a candidate has any concerns relating to bias or conflict of interest on the part of a Search Committee member, those concerns should be brought to the Employer's attention by the Faculty Association before the commencement of the interview process. Otherwise, the Employer will assume that the composition of the Search Committee is acceptable to the candidates and to the Faculty Association.
- (e) Representative(s) designated by the Search Committee shall conduct all interviews. The Search Committee shall review all written applications and supporting material, including the applicant's personnel file and shall compile the interview list. Representative(s) designated by the Search Committee shall conduct all interviews.
- (f) The Search Committee shall prepare a short list of qualified candidates with rationale and specific recommendations for the University College President or his/her designate. In the event that a member of the Committee does not concur with the list(s) submitted by the other 2 (two) members of the Committee, that member may submit a separate short list of qualified candidates with rationale and specific recommendations for the University College President or his/her designate.

- (g) In the event that more than one list is submitted to the University College President or his/her designate or he/she does not wish to follow the Committee's recommendation when making the appointment he/she will meet with the Committee to provide his/her rationale, and attempt to resolve the matter before taking action. The University College President or his/her designate may decide on any one of the following:
  - (i) make an appointment from any list submitted by member(s) of the search committee;
  - (ii) not make an appointment and direct that the search process recommence or cancel the vacancy. However, a vacancy shall not be cancelled solely as a result of the search process.
- (h) In the event that the short list is exhausted, and the Employer still intends to fill the position, the search process shall recommence.
- (i) In the event a regular position is advertised and the position has been filled by an Article 1.04(d) temporary faculty member for two or more years, the temporary faculty member who has been filling the position will be given preference over other applicants providing the qualifications, abilities, and experience of the temporary faculty member are equal to the other applicant(s).
- (j) When a new position is proposed, the job description and the job advertisement will be drawn up in consultation with the appropriate discipline/program Search Committee.
- (k) Copies of advertisements for positions will be posted on each campus for a minimum of two (2) weeks and, where appropriate, will be publicized in in-house publications.
- (l) All applications for posted positions shall be in writing and shall be reviewed by the Search Committee or its designate(s).
- (m) In the event a temporary faculty member has satisfactorily filled an appointment under Article 1.04(d) and if the temporary position continues to exist and is filled by the Employer, the temporary faculty member who has been filling the position will be offered the appointment. In the event the position becomes a regular position and is filled by the Employer Article 1.04(f) applies.
- (n) Contract faculty members who have two (2) or more years FTE service as per Article 1.04(j) and who have successfully taught in the discipline/program will be given preference over other applicants for temporary positions, providing their qualifications, abilities and experience are equal to the other applicants for the temporary position created under Article 1.04(d).

### **4.03 FACULTY OVERLOAD**

When the Employer does not have the capacity to offer a course section by assigning a regular or temporary (appointed under Article 1.04(d)) faculty member that section as part of his/her workload, a qualified contract instructor may be hired.

In the event that a qualified contract instructor cannot be found to teach the course, the Employer may, with the faculty member's agreement, engage a regular or temporary (appointed under Article 1.04(d)) faculty member to take the course on an overload basis (e.g. reduced workload in the subsequent semester, or if not possible, paid for the extra course on an equivalent contract basis).

#### 4.04 SEARCH FOR CONTRACT FACULTY MEMBERS

Whenever a need arises for contract faculty members, it shall be filled by the following process:

- (a) The Search Committee established in Article 4.02(a) shall compile an interview list of applicants for contract employment.
- (b) Representative(s) designated by the Search Committee shall conduct all interviews.
- (c)
  - (i) The Search Committee shall prepare an inventory of suitable candidates including the Committee's rationale and recommendations regarding specific courses. This inventory shall be of sufficient length to provide for immediate and foreseen needs in the subsequent year, and shall be maintained by the administrator responsible who will, when requested, communicate same to any interested party.
  - (ii) When a contract inventory list of suitable candidates is established, the primary consideration will be the applicant's qualifications, abilities and experience in relation to existing vacancies or anticipated vacancies. In the event the qualifications, abilities and experience of two or more applicants are equal, preference will be given to applicants who have two or more years F.T.E. service as per Article 1.04(j).
  - (iii) Contract faculty members with 2 years FTE service who have received only evaluations that are satisfactory or better, who have received no written disciplinary action and who are deemed suitable by the Search Committee, shall be retained on the contract inventory.
  - (iv) The Employer is not obligated to offer contracts to contract faculty members on an inventory list; however, when the Employer does offer contracts the process in Article 4.04(d), subject to Article 4.04(f), will be followed.
- (d) From the inventory established above, the administrator shall designate contract assignments. In designating contracts, the administrator will give preference to candidates who have two or more years F.T.E. service as per Article 1.04(j), in the event the candidate's qualifications, abilities and experience are equal in relation to the specific contract assignment. Notwithstanding the above, a regular faculty member who is eligible for recall under Article 7.08 and who is qualified to be placed on a contract inventory list as determined by the search committee shall be offered the contract appointment that he/she is qualified for. The regular faculty member's right to recall to a regular full-time position under Article 7.08 shall not be lost if he/she accepts or refuses such an offer.
- (e) The administrator responsible shall offer a contract to the designated contract instructor. In the event that the designated instructor declines the contract, the administrator responsible shall offer the contract to a suitable candidate from the inventory established by the Search Committee.
- (f) In the event that the inventory is exhausted and time does not permit the process specified in Article 4.04(a) through 4.04(e) to be followed, the administrator responsible shall make the appointment.
- (g) All contract offers will be made in writing. For scheduled classes, the Employer will issue contracts at least thirty days prior to their commencement. Contracts for unscheduled classes and for replacement instructors will be issued as required.

#### 4.05 CONVENERS AND PROGRAM COORDINATORS

- (a) The Employer agrees to establish, maintain and continue the positions of convener and program coordinator identified in the attached Appendix unless there are demonstrable reasons for discontinuing the position(s).
- (b) Whenever a vacancy arises for a convener it shall be filled by the following process:
  - (i) all faculty members of the discipline(s) or program(s) or closest related discipline(s) or program(s) shall be eligible to vote for convener;
  - (ii) all regular faculty members of the discipline(s) or program(s) or closest related discipline(s) or program(s) shall be eligible to be elected as conveners;
  - (iii) the convener shall be elected for a three-year term;
  - (iv) the administrator responsible shall offer an appointment to the faculty member(s) so chosen;
- (c) (i) vacancies for program coordinators will be filled in accordance with procedures described in Article 4.02;
- (ii) a coordinator's term of appointment is for a maximum period of three (3) years.
- (d) Duties and responsibilities of conveners and coordinators will include those outlined in the Appendix. Additional duties and responsibilities applying to a specific discipline/program will be mutually agreed upon by the Convener/Coordinator and their Dean after consultation with the discipline/program.
- (e) (i) the incumbent(s) can be removed at any time from the position of convener or coordinator:
  - by majority vote of the faculty members present and voting at a duly called meeting of the discipline(s) or program(s);
  - or by the Employer for just and reasonable cause.
- (ii) upon completion of a term(s) as a convener or a coordinator or removal from a convener or coordinator position, the faculty member will resume his/her former regular position or an equivalent position without loss of seniority and benefits.
- (f) A convener or coordinator may serve for a maximum of two consecutive three year terms.
- (g) If a current faculty member was hired to be a coordinator, or where there is only one faculty member in a discipline/program, or if agreed to by a majority vote of the faculty members in the discipline/program and approved by the Dean, the limit for coordinator contained in Article 4.05(f) will not apply.
- (h) When a vacancy is unable to be filled by the above process, it is understood that the administration will assume the duties normally performed by the convener or program coordinator.
- (i) Time assignment for conveners and coordinators is identified in the Appendix.

#### 4.06 PROBATIONARY PERIOD

- (a) Faculty members are employed for a probationary period of two years prior to the offering of a continuing appointment. Full-time temporary faculty members service for the two (2)

calendar years immediately prior to the regular appointment will be recognized to fully satisfy the probationary period. In all other cases, faculty service in the five (5) calendar years immediately prior to the regular appointment will be recognized to satisfy the probationary period by a maximum of one (1) year.

- (b) Evaluation during the probationary term: At least once per year (no more than twice with a minimum of 60 days between) during the probationary term the administrator responsible, after consulting with the current Search Committee, will give a report to the faculty member in writing. Should there be inadequacies in performance, needs or concerns, these will be enumerated and positive suggestions made for each. If after a second evaluation the required levels of improvement have not been reached, or it appears that a recommendation for a continuing appointment may not be made, then the administrator responsible, in consultation with the current Search Committee, will, two months prior to the expiry of the probationary term, notify the University College President or his/her designate who may determine that:
- (i) a contract for a further probationary term be offered;
  - (ii) a continuing appointment be offered, or
  - (iii) no other contract be offered.

In accordance with Article 4.06(a) the first two years of temporary service are deemed to be probationary in nature and thus, by definition, the evaluation requirement and procedure described herein apply.

- (c) Two months prior to the expiry of his/her probationary contract a regular faculty member on probation shall be offered a continuing appointment in writing or shall be advised in writing that a three-year contract is not being offered. If a continuing appointment is not offered then the faculty member shall be advised in writing of the reasons.
- (d) Where a probationary faculty member is on a leave (other than under Article 12.05) greater than 30 days or on STIP/LTD, the probationary period **may** be extended by the length of the leave. The faculty member and the KCFA will be notified of this extension by the Dean.

#### **4.07 PROBATIONARY PERIOD - CONTRACT FACULTY MEMBERS**

- (a) An evaluation of work performance may be conducted for each contract of a contract faculty members member to a maximum of two years F.T.E. service. This probationary period is to provide an opportunity for the Employer to determine whether the faculty member will be satisfactory or unsatisfactory as per Article 4.08.
- (b) Evaluation of contract faculty members is carried out by the administrator responsible. Normally, the evaluation shall examine and rate the contract faculty member's teaching performance. The administrator responsible shall determine whether the contract faculty member's teaching performance is satisfactory or unsatisfactory. It is agreed that the standard for satisfactory performance shall be determined by the Employer and shall be consistently applied.
- (c) The methods used to collect information may include the following but not be limited to:
- (i) written faculty members peer evaluation;
  - (ii) written administrator evaluation;
  - (iii) written student evaluation;
  - (iv) written self-evaluation by the contract faculty member.

Upon request, the faculty member shall receive a copy of all written evaluations. The final evaluation report will be discussed with the faculty member. The faculty member will sign a

copy of the report indicating that the report has been seen and the faculty member will be given a copy of this signed report.

- (d) The faculty member can register agreement or disagreement with the report at this time or within seven (7) days he/she may submit a written response indicating agreement or disagreement with the report. This response shall be placed on the faculty member's personnel file.

#### **4.08 PROBATIONARY TERMINATIONS**

- (a) The probationary period is to provide an opportunity for the Employer to determine whether the faculty member will be satisfactory or unsatisfactory as a regular, temporary or contract faculty member. The factors involved in determining satisfactory performance shall be those factors that could reasonably be expected to affect work performance. It is agreed that the standard for satisfactory performance shall be determined by the Employer and shall be consistently applied. When the Employer, in accordance with the provisions of this article and Article 4.06 or 4.07 determines that a probationary faculty member will not be satisfactory as a regular, temporary or contract faculty member, Article 16.05 does not apply to the termination.
- (b) If a faculty member is terminated during his/her probationary contract, such termination may be grieved beginning at Step 2 (Article 16.02(f)) of the grievance procedure.

#### **4.09 TRIAL PERIOD**

- (a) Post-probationary faculty members may apply to the Employer to change disciplines/programs where a posted vacancy exists. Such faculty members will be given preference over other applicants providing the qualifications, abilities and experience of the faculty member meet the requirements of the position as determined by the appropriate Search Committee.
- (b) Post-probationary faculty members who change disciplines/programs will be subject to a one (1) year trial period. Should a change in discipline/program prove to be unsatisfactory to either the Employer or the faculty member, the faculty member will be returned to his or her former position, except in cases of reassignment under Article 7.04. Satisfactory performance will be based on established performance criteria.
- (c) The vacated position will not be deemed to be a regular position during the trial period. Vacated positions shall be filled as per Article 1.04(d) for a one (1) year period. Should the position continue after one (1) year, then Article 1.04(f) will apply.

#### **4.10 SEARCH FOR ACADEMIC ADMINISTRATORS**

- (a) Whenever a vacancy arises for the following positions: University College President, Vice-Presidents, Educational Deans or other similar excluded instructional administrative positions that may be created, the Association shall have the right to appoint two regular faculty members to any Committee established by the Employer to fill the position.
- (b) The above clause does not apply to the following:
  - (i) administrative positions that do not have faculty members reporting to them;

- (ii) acting or temporary administrative appointments created for a period of six (6) months or less;
  - (iii) lateral re-assignment of administrative personnel.
- (c) In the event that an administrative position is filled by a faculty member of the University College, the position vacated by the faculty member will be filled with a one-year temporary appointment. If the administrative position is confirmed, then the vacated position shall be treated as a normal University College vacancy.

#### **4.11 ADMINISTRATORS MOVING INTO FACULTY POSITIONS**

- (a) Administrators shall have the right to teach at any time if needs exist and the University College President agrees. The Employer agrees to refer the matter to the appropriate Search Committee, which will review the qualifications, abilities, and experience of the administrator and make a recommendation to the University College President. This review would not apply to administrators who have taught at Kwantlen within the preceding two years and who are returning to the discipline/department where the administrator was previously employed.
- (b) Subject to the above clause, an administrator may transfer to a full-time faculty position in his/her field of expertise at any time if a vacancy exists. This transfer shall take priority over the applications of persons other than regular full-time instructors, but shall not operate to prevent a regular faculty member from being re-assigned under Article 7.05.
- (c) Article 4.11(a) shall not operate to displace a regular faculty member from his/her regular employment. Subject to Article 7.02, in the event that a lay-off is declared within a discipline or program, faculty members who have received their faculty positions through the operation of Article 4.11(b) within the year preceding the date of notification of lay-off, shall be laid off prior to other regular faculty members in the discipline or program. In addition to any faculty members FTE service in the past, notwithstanding the service loss provisions of 1.04(j), FTE service will accumulate from the date the former administrator's faculty duties are assumed.
- (d) Administrators assuming faculty responsibilities will be governed by Article 4.06 for all faculty activities in the event their faculty activities have not been previously evaluated.

#### **ARTICLE 5 - TERMINATION OF CONTRACTS**

- 5.01** The faculty member's contract may be terminated at any time by mutual consent of the faculty member and the Employer.
- 5.02** If two months' notice of intended termination is given, then either full vacation or pro-rated vacation (dependent upon which is appropriate) will apply. Pro-rated vacation shall mean vacation pay calculated on the basis of the completed portion of the contract year of the faculty member, using ten months as a base. Otherwise the Employer is not obligated to pay more than Employment Standards of B.C. requirements for vacation pay.
- 5.03** (a) A faculty member shall retire from continuous full-time employment at the University College on August 31st next, following the faculty member's 65th birthday.

- (b) A retiring regular faculty member may, upon his request, be offered employment as a contract faculty member, subject to the following conditions:
- (i) the retiree shall be automatically placed on the interview list for contract employment consideration by the Search Committee;
  - (ii) contract appointments shall not exceed half-time;
  - (iii) the retiree must re-apply annually for contract employment.

**5.04** Contract instructor contracts may be rescinded at the Employer's discretion:

- (a) when minimum class size is not reached, or
- (b) to provide a regular faculty member with a full load or a temporary faculty member with their original load as per their appointment letter.

Such action would not be subject to the grievance procedure.

**5.05** Temporary faculty members' appointments made under Article 1.04(d) may only be terminated during the appointment for one of the following:

- (a) for just and reasonable cause under Article 16.05;
- (b) for probationary termination under Article 4.08;
- (c) Temporary faculty members appointed under Article 1.04(d) may be terminated or reduced during or prior to their appointment in accordance with the Letter of Understanding on Lay-off and Recall of Temporary Faculty.

**5.06** Faculty members appointments made under Article 1.04(e) may be terminated during the appointment for one of the following:

- (a) for just and reasonable cause under Article 16.05;
- (b) for probationary termination under Article 16.07;
- (c) when contracts are rescinded under Article 5.04.

**5.07** If a section offered by contract to any contract instructor is cancelled, the Employer will pay a cancellation fee of \$500 as well as the hourly rate specified per class contact hours that may have occurred. In the event the contract offered does not equate to a standard three (3) credit course, the maximum \$500 cancellation fee will be pro-rated according to the following formula:

$$\frac{\$ \text{ value of contract issued}}{\$ \text{ value of 3 credit course}} \times \$500 \text{ maximum cancellation fee}$$

## ARTICLE 6 - TECHNOLOGICAL CHANGE

### 6.01 DEFINITION

For the purpose of this Agreement, the term technological change shall mean change introduced by the Employer in modes of learning, in modes of delivery of learning, or in modes of delivery of related services where such change affects the security of employment of faculty members or significantly affects the terms and conditions of employment of faculty members or alters significantly the basis upon which this Agreement was negotiated.

**6.03 DATA TO BE PROVIDED**

The notice mentioned in Article 6.02 shall be given in writing and shall contain pertinent data, including:

- (a) the nature of the change;
- (b) the date on which the Employer proposes to effect the changes;

**6.05 CONSULTATION**

Where the Employer has notified the Association of its intention to introduce a technological change, the parties shall meet within fifteen (15) days of the notice and shall endeavour to reach agreement on solutions to the problems, if any, arising from the intended technological change and on measures to be taken by the Employer to protect the faculty members from any adverse effects.

**6.06 RESULTING AGREEMENTS**

Agreements reached between the parties under Article 6.05 shall be concluded in writing and such agreement shall have the same effect as the provisions of the existing Collective Agreement.

**6.08 EFFECT OF DISPUTE RESOLUTION ON INTRODUCTION OF TECHNOLOGICAL CHANGE**

Technological change shall not be introduced by the Employer until the matter, including any question as to whether or not the change in dispute is in fact technological change, has been resolved by agreement under Article 6.06 or arbitration. Notwithstanding the foregoing, the Employer may introduce the technological change nine (9) months after the notice in Article 6.02 was given.

**6.09 REDUCTION IN NUMBER OF REGULAR FACULTY MEMBERS AS A RESULT OF TECHNOLOGICAL CHANGE**

In the event of a reduction in the number of regular faculty members as a consequence of technological change, such reduction shall be governed by the procedures for lay-off and recall set out in Article 7.

**ARTICLE 7 - LAYOFF AND RECALL**

**7.01** The Employer may lay off a regular faculty member due to technological change; shortage of operating funds; elimination or reduction of programs or courses or services; decline in enrolment; external decision or recommendation; or changing demand for Employer services. The procedure below in Articles 7.02 - 7.10 shall apply. In this article, faculty member means regular faculty member.

- 7.02** (a) Where it needs to be determined which specific faculty member from within a discipline/program would be laid off, the decision shall be made on the basis of least total FTE service as defined in Article 1.04(j).
- (b) (i) Where a faculty member in a discipline/program has been identified under Article 7.02(a) and the remaining faculty members in the discipline/program do not have the necessary qualifications, experience and abilities to instruct the remaining courses or perform the remaining services in the discipline/program, the provisions of 7.02(a) shall not apply to the faculty member identified;
- (ii) In the event Article 7.02(b)(i) applies, the determination of the faculty member to be laid off in the discipline/program shall recommence with the faculty member with the next to least total F.T.E. service, as defined in Article 1.04(j). This process will continue in reverse order of F.T.E. service (least to most) in the discipline/program until a faculty member's position has been identified;
- (iii) In the event a faculty member receives a layoff notice in a discipline/program that he/she was transferred to by the Employer from the discipline/program for which he/she was first hired, he/she may displace, if his/her F.T.E. service as a regular faculty member as defined in Article 1.04(j) is greater, the faculty member with the least F.T.E. service as a regular faculty member in the discipline/program for which he/she was first hired. This displacement is subject to the faculty member who is displacing another faculty member having the necessary qualifications, experience and abilities to perform the duties of the position.

- (c) Any dispute as to the relevant discipline/program would be resolved at the Labour Management Committee.
- (d) Should any question be raised by a faculty member or the Association as to whether a faculty member does have or does not have the necessary qualifications, experience and abilities to instruct the remaining courses or perform the remaining services in the discipline/program, the question shall be referred in writing within five (5) days to the Labour Management Relations Committee composed of an equal number of representatives of the Employer and the Association.

Should the Labour Management Relations Committee not resolve the question within fourteen (14) days, the Employer shall decide and the decision shall be subject to the grievance/arbitration procedures set out in Article 16.02 and 16.03. A grievance filed pursuant to this clause may be filed at Step 3 of the grievance procedure.

- 7.03** The affected faculty member will first meet with the appropriate Vice-President or designate to explore alternate job possibilities.
- 7.04** The administrator, after consultation with the affected faculty member and receipt of the relevant discipline/program advice, would determine if the affected faculty member, on the basis of his/her qualifications, experience and abilities could be re-assigned. The administrator's decision in this regard is subject to the procedure specified in 7.02(d).
- 7.05** For the purpose of Article 7.04 above, a position would be deemed to exist if there was:
  - (a) a posted vacancy for a regular position; or
  - (b) sufficient ongoing contract capacity to create a full load.

#### **7.06 PROBATION**

A faculty member having been re-assigned under Article 7.04 will be subject to a probationary period of up to one (1) year from the date of re-assignment. In the event the faculty member proves not to be satisfactory as per 4.08 during or at the end of the probationary period and is so advised by the Employer, the faculty member will be laid off and receive severance pay in accordance with Article 7.07. It is agreed that notice under Article 7.08 would not be served if a faculty member is laid off under Article 7.06.

- 7.07** (a) If the affected faculty member is unable to be re-assigned to one of the positions outlined in Article 7.05, he/she will be laid off, and he/she will receive one month's severance pay for every full year of FTE service to a maximum of ten (10) months' severance pay.
- (b) A regular faculty member recalled under Article 7.10 shall repay any severance pay received at the rate of one month of severance pay (at the rate paid) for each year of full-time employment at the University College subsequent to the date of re-call. Such repayment shall occur at the end of each year of service.
- (c) In the event a regular faculty member is recalled and again laid off and has repaid to the Employer severance pay pursuant to Article 7.07(b) during the period following his/her recall, the number of months of severance pay for the second lay-off shall be calculated as follows:

$$y = s - (x - r)$$

where y = number of months of severance pay due after the second lay-off.

$x$  = number of months of severance pay paid upon the initial lay-off.

$r$  = number of months of severance pay repaid to the Employer.

$s$  = number of months of severance pay due under Article 7.07(a) if all F.T.E. service were counted (maximum is 10 months).

- 7.08** (a) If there is a vacancy for a regular faculty member's position in a specific discipline/program, the Employer shall offer re-appointment to those faculty members who have been laid off under Article 7 within the past two years and who have the necessary qualifications, experience and abilities for the position. Judgment of qualifications, experience and abilities shall be made by the appropriate Search Committee as per Article 4.02. Such offers of re-appointment shall be made in the reverse order of lay-off among the faculty members qualified for the position.
- (b) To remain eligible for re-appointment under this clause, the laid off faculty member must keep the Human Resources Department informed of his/her mailing address and telephone number, promptly report any changes, and accept or reject notice of re-appointment from the Employer within fifteen (15) days of receipt of such notice. In the event the faculty member rejects the offer of re-appointment he/she shall lose all rights to re-appointment under Article 7.08.
- (c) Faculty members on lay-off status under Article 7 shall not be entitled to health and welfare benefits and vacation pay.
- 7.09** A faculty member will be notified in writing stating the reason(s) for the lay-off. The Association will also receive a copy of such notice. The faculty member will be notified five (5) months in advance of any pending lay-off under this Article.
- 7.10** (a) The Employer shall engage in discussion and consultation with the Association on the lay-offs;
- (b) The Employer shall give the Association an opportunity to present written submissions on the lay-offs;
- (c) The parties agree that the consultation that takes place under Article 7.10(a)&(b) shall be on a without prejudice basis.

A faculty member laid off under Article 7, shall have his/her personnel file state that the faculty member was laid off and not dismissed for just and reasonable cause.

*The following descriptions are illustrative rather than exhaustive. The descriptions are not intended to alter existing modes or change past practice.*

|----|---|
| 16 | <p><u>Classroom Related Instruction</u><br/>In this mode faculty members work directly and continuously, as instructor or facilitator, with groups of students (e.g., lecture, seminar and tutorial).</p> <p>In this mode the primary focus of faculty work beyond the contact hours is on course, class and assignment preparation, marking and other assessment of student work, and scheduled office hours.</p>  |

  - (i) the classroom contact hours must be seven hours total per day, or
  - (ii) those contact hours so stated are the total hours work expected from faculty members.
- (f) Nothing in this section will be construed in such a way as to increase the instructional workload schedule over the load prescribed by past practices. The load for an instructor teaching in more than one instructional mode is pro-rated.
- (g) Placement of disciplines/programs within this policy shall be undertaken by the administrator responsible in consultation with the faculty members in the discipline or program.
- (h) No regular or temporary faculty member shall be required to work a day consisting of more than ten hours from the beginning of the first class to the end of the last class without his/her consent.
- (i) Unless there is prior consent, there shall be a minimum of twelve hours between the end of the regular or temporary faculty member's last class one day and the beginning of his/her first class the next day.

The Professional Development Advisory Committee established in Article 15.03(c) shall develop, by June 30th of each year, an outline for orientation of new faculty members. Such outline may provide for instructional skill development activities. The Association shall have the right to make a presentation by one member of the Association of no more than thirty (30) minutes as part of this orientation.

## **15.03 PROFESSIONAL DEVELOPMENT PROGRAM**

- (a) The parties agree to continue a Professional Development Program for the maintenance and development of the faculty members' professional competence and effectiveness. - (b) Information collected as part of this program shall be the sole property of the faculty member. This information or any judgments arising from this program shall not be used to determine non-renewal or termination of a faculty member's contract, suspension or dismissal of a faculty member, denial of advancement on the salary scale, nor affect any other administrative decisions pertaining to the promotion or employment status of the faculty member.
- (c) A joint advisory committee consisting of three regular faculty members who shall be elected by and are P.D. Committee Chairpersons and three administrators shall make recommendations for the operation, financing and management of the Professional Development Program.

## **ARTICLE 16 - DISPUTE RESOLUTION**

### **16.01 INTERPRETATION**

Where a difference arises between the parties relating to the interpretation of this Agreement, it may be settled by means of a jointly agreed to interpretation signed by the University College President and the President of the Association, or their designates.

**16.02 GRIEVANCE PROCEDURE**

- (a) A grievance is any complaint relating to the application, operation or alleged violation of this agreement or any question as to whether any matter is grievable or arbitrable.
- (b) A faculty member is encouraged to discuss, prior to the formal initiation of a grievance, any problems relating to his/her employment with the appropriate administrator to resolve the matter promptly and informally. The services of the Association Representatives are available to assist in informal resolution of these matters.
- (c) Any informal resolution of a grievance or complaint shall be consistent with this Agreement, but shall not be binding on the Employer, the Association, or any other faculty member.
- (d) If the Association is of the opinion that a complaint has been informally resolved in a manner inconsistent with the terms of this Agreement, then the Association may initiate a grievance on the informal resolution.
- (e) All formal grievances shall be initiated by the Association within twenty (20) days of the time that the Association could reasonably have become aware of the incident that is the subject of the grievance, or within twenty (20) days of the completion of any attempt at informal resolution (including discussion at Labour/Management Relations Committee) under Article 16.02(b), whichever date is later. A grievance shall be directed to the administrator responsible. Within five (5) days of receipt of a written grievance, the administrator shall discuss the grievance with a representative of the Association. The faculty member may choose to be present. Within eight (8) days of the receipt of a written grievance, the administrator responsible shall provide the Association with a written reply. The parties recognize the importance of confidentiality in all grievance proceedings and will endeavour to maintain confidentiality during each grievance process.
- (f) The Association will make every effort to state all articles allegedly violated by the Employer in all formal grievances. If the grievance is not satisfactorily resolved by Article 16.02(e), the matter shall be referred to the appropriate administrator who shall meet with a representative of the Association within seven days of the referral and shall reply in writing within ten days.
- (g) If the grievance is not satisfactorily resolved by Article 16.02(f), the matter shall be referred to the University College President who shall meet with a representative of the Association within seven days of the referral and shall reply in writing within ten days.
- (h) If a satisfactory settlement has not been reached at this point (after Article 16.02(g)), the matter shall be dealt with by arbitration as set forth in Article 16.03.
- (i) If a grievance is not advanced to the next stage within fourteen (14) days after completion of the preceding stage, it shall be deemed to have been abandoned and all rights of recourse to the grievance procedure shall terminate.
- (j) Any time limit and/or stage in the grievance process may be waived by agreement between the parties. Also, a policy grievance may be advanced immediately to Article 16.02(g) at the request of either party.

It is the intent of both parties to this Agreement that no grievance shall be defeated merely because of a technical error in processing the grievance through the grievance procedure. To this end, an Arbitrator shall have the power to allow all necessary amendments to the grievance and the power to waive formal procedural irregularities in processing of the grievance, in order to determine the real matter in dispute and to render a decision according

to equitable principles and the justice of the case. Time limits specified in Article 16 shall not be deemed to be nor construed as matters of technicality but as matters of substance.

### 16.03 ARBITRATION

- (a) Where a difference arises between the parties relating to the interpretation, application, operation or alleged violation of this Agreement, including any question as to whether a matter is arbitrable, either of the parties, without stoppage of their work, may, after exhausting any grievance procedures established by this Agreement, notify the other party in writing of its desire to submit the difference to arbitration.
- (b) Within ten (10) working days of the delivery and receipt of the reference to arbitration, the parties shall meet to select a mutually acceptable arbitrator. In the event that the parties cannot agree upon the selection of an arbitrator, either party or both of the parties may request the Minister of Labour to appoint an arbitrator.

(c) Procedure

The arbitrator will determine his/her own procedure in accordance with the Labour Relations Code of B.C. and shall give full opportunity to all parties to present evidence and make representations. The arbitrator shall hear and determine the dispute or allegation and shall make every effort to render a decision within a reasonable time.

(d) Jurisdiction and Authority

- (i) Subject to the jurisdiction vested in an arbitrator or Arbitration Board under Part 8 of the Labour Relations Code of B.C., the Arbitrator shall have jurisdiction and authority to interpret and apply the provisions of this Agreement insofar as it may be necessary to the determination of the grievance referred to him/her. He/she shall not have the jurisdiction to alter, amend, add to or delete from any of the provisions of this Agreement, or make any decision which is inconsistent with the provisions of this Agreement;
- (ii) The Arbitrator shall have the authority to allow all reasonable amendments to the grievance, and the authority to waive procedural irregularities in the processing of the grievance, in order to determine the real matter in dispute and to render a decision according to equitable principles and the justice of the case;
- (iii) Where a difference arises between the parties involving the question as to whether a matter is arbitrable, that issue shall be referred to the Arbitrator and that reference may stipulate that the issue of arbitrability is to be determined as a preliminary question.

(e) Expenses and Costs of Arbitration

Each party shall pay its own expenses and costs of arbitration. The remuneration and disbursements of the Arbitrator, and of stenographic and related expenses shall be divided equally between the Employer and the Association.

(f) Amending Time Limits

The time limits fixed in this arbitration procedure may be altered by mutual consent of the parties, but the same must be confirmed in writing.

**16.04 REMEDIATION**

Prior to initiating formal disciplinary action pursuant to Article 16.05, the Employer may attempt to resolve matters of discipline informally. However, this shall not restrict the right of the Employer to consult with or otherwise counsel faculty members regarding their conduct. The faculty member shall be given the opportunity to have a Faculty Association representative present at any meeting related to the informal resolution of a dispute that could lead to discipline.

**16.05 DISCIPLINE, SUSPENSION AND DISMISSAL**

- (a) No faculty member shall be disciplined, suspended or dismissed without just and reasonable cause. The faculty member shall be given the opportunity to be represented by an Association representative at meetings under Article 16.05.
- (b) (i) Prior to the imposition of a suspension or dismissal, the appropriate representative of the Employer shall meet, where possible, with the faculty member who is to be suspended or dismissed. The Employer at their meeting shall inform the faculty member of the Employer's reasons for taking such action;
- (ii) In the event the Employer is unable to arrange such a meeting with the faculty member, then the Employer shall instead arrange the Article 16.05(b)(i) meeting with the Vice-President - Grievances of the Association, or his/her delegate. The Association agrees to meet with the Employer within three (3) days of receiving a request for such a meeting. The Association representative may bring a second Association member to the meeting;
- (iii) Notwithstanding Articles 16.04, 16.05(b)(i) and (b)(ii), the Employer may impose immediate disciplinary action, up to and including dismissal, where, in the view of the Employer, failure to take such action may result in damage to the Employer, other faculty members or students.
- (c) A faculty member shall be notified in writing of the reasons for the disciplinary action taken by the Employer. The Association shall receive a copy. This clause does not apply to verbal reprimands.
- (d) A faculty member may grieve discipline, suspension or dismissal through the grievance process specified in Article 16.02.
- (e) If a satisfactory settlement has not been reached at Article 16.02, the matter shall be dealt with by Expedited Mediation Arbitration as set forth in Article 16.06.

**16.06 EXPEDITED MEDIATION ARBITRATION**

- (a) Where difference arises between the parties relating to Article 16.05 Discipline, Suspension and Dismissal, after exhausting the grievance procedure as set forth in Article 16.02, either of the parties may notify the other party in writing within five (5) working days of its desire to submit the difference to expedited mediation arbitration.
- (b) Within five (5) working days of the delivery and receipt of the reference to Expedited Mediation-Arbitration, the parties shall notify Stephen Kelleher or a substitute agreed to by the parties. If the parties cannot agree upon the appointment of a substitute within three (3) working days either party may request the Minister of Labour or his/her designate to make the appointment.

- (c) The Mediator-Arbitrator shall begin proceedings within twenty-eight (28) days after being appointed.
- (d) The Mediator-Arbitrator shall endeavour to assist the parties to settle the grievance by mediation.
- (e) If the parties are unable to settle the grievance by mediation, the Mediator-Arbitrator shall endeavour to assist the parties to agree on the material facts in dispute and then shall determine the grievance by arbitration.
- (f) When determining the grievance by arbitration, the Mediator-Arbitrator may limit the nature and extent of evidence and submissions and may impose such conditions as he/she considers appropriate. The procedure, jurisdiction, and authority outlined in Article 16.03 (c), (d), (e) and (f) will apply.
- (g) The Mediator-Arbitrator shall give a succinct decision within twenty-one (21) days after completing proceedings on the grievance submitted to arbitration.
- (h) When the dismissal or suspension of a faculty member is subsequently determined by an internal investigation, a grievance procedure or an arbitration board, to be without just and reasonable cause, or the dismissal or suspension determined to be too severe in relation to the offence, re-instatement terms can be mutually agreed to by the parties or can be imposed by an arbitration board if the matter is referred to arbitration.
- (i) (i) When disciplinary action, up to and including dismissal, is subsequently determined as a result of an internal investigation, a grievance procedure or an arbitration board to be without just and reasonable cause, no record of the matter shall remain on a faculty member's personnel file.
- (ii) However, Article 16.06(i) (i) is not applicable if a lesser penalty is substituted as a result of an internal investigation, a grievance procedure, or an arbitration board.
- (j) Articles 16.05 and 16.06 do not apply to non-renewal of contracts issued by the Employer under Article 1.04(d) and 1.04(e) and 1.04(h).
- (k) Articles 16.05 and 16.06 do not apply to termination of a regular faculty member due to Article 5.03(a).

- ii) In the event that two or more faculty members have equivalent FTE service, faculty members with less time remaining prior to retirement shall be given preference.

- b) Such offers may be made at any time during the year and need not be a part of the exercise described in Article 20.04 above.
- c) Advance notification of lay-off or transfer pursuant to Article 7 may be given to the affected regular faculty member while the faculty member to whom early retirement has been offered is considering that offer.

- b) Monthly Payments

The retirement allowance determined in keeping with the above shall be paid into a pre-designated Registered Retirement Savings Plan (within legislated allowable levels) or Trust Fund in the name of the retired faculty member, to provide, at the discretion of the retired faculty member, a bridging pension income on or after age 55.

Payments into the Plan or Trust Fund shall be made monthly and shall be in the amount of 20% of the retiring faculty member's pre-retirement monthly salary without allowance, and shall continue until the full retirement allowance is paid or, in the case of a Registered Retirement Savings Plan, until the legislated allowable limit for deposit has been reached, whichever comes first. In the event the legislated allowable limit for deposit has been reached, whichever comes first. In the event the legislated allowable limit for deposit is

reached and payments remain outstanding, the remaining funds will be payable in a lump sum to the retired faculty member in accordance with Article 20.06 (a) above.

Payments into the Plan or Trust Fund shall commence on the first day of the month coincident with, or next following, the date of early retirement. In the event the retired faculty member dies prior to the full retirement allowance being paid into the Plan or Trust Fund, any payments outstanding shall be payable by the Employer in a lump sum amount to the estate of the deceased.

When lay-off of faculty members must occur, the procedure below shall apply.

2. Lay-off Sequence

The sequence for lay-off in a discipline/program must be:

- a) contract faculty members as per Article 5;
- b) temporary faculty members using the method outlined in this Letter of Understanding;
- c) regular faculty members as per Article 7 and 20.05.

3. Lay-off Procedures

- a) Lay-off method for temporary faculty members is by least total FTE service as defined in Article 1.04(j).
- b) If a temporary faculty member has been identified for lay-off and remaining faculty in the program/discipline do not have the necessary qualifications, experience and abilities to instruct the remaining courses or to perform the remaining services in the discipline or program, or the remaining temporary faculty are not inventoried for the remaining courses as set out in 3(c), the determination of the temporary faculty member to be laid off shall recommence with the temporary faculty member with the next to least FTE service as per Article 1.04(j).
- c) All temporary faculty will be sent a letter at the time of their appointment confirming what they have been inventoried for and outlining the process to follow if they wish to be considered qualified for additional courses or areas. A copy will be placed on their Personnel file.
- d) A temporary faculty member will be notified verbally, then in writing, as early as possible, stating the reason(s) for the lay-off and the effective date of the lay-off. The Association will also receive a copy of such written notice.

4. Alternate Work

In the event work is not available in the discipline/program, the affected temporary faculty member shall meet with the appropriate Vice President or delegate to identify unassigned work for which the affected faculty member has been inventoried in other disciplines/programs, or non-teaching work for which the faculty member has the necessary qualifications, experience and abilities.

5. Recall Procedures

- a) If work is available in a discipline/program, the recall shall be within the term of the affected appointment and the sequence for recall shall be:
  - (i) temporary faculty members laid off from that discipline/program who are inventoried for the work available according to reverse order of lay-off;

*Cont'd.*

- (ii) temporary faculty members laid off from another discipline/program who are inventoried for the work available according to reverse order of lay-off;
  - (iii) temporary faculty members laid off from any discipline/program who have the necessary qualifications, experience and abilities according to reverse order of lay-off.
- b) Notwithstanding Article 4.04(d), temporary faculty members on lay-off shall, within the term of their original appointment, be entitled to compile a workload equal to that of their original appointment, prior to issuing work to contract faculty members within their original discipline or program area.
  - c) To remain eligible for recall under this clause, the laid-off faculty member must keep the Human Resources Department informed of his or her telephone number, and promptly report any changes.
  - d) The faculty member will accept or reject notice of recall from the employer within 5 calendar days of receipt of such notice. In the event the faculty member rejects the offer of recall, or fails to respond to the time-limit above, the employer will offer that work to the next qualified person in reverse order of lay-off.
  - e) Salaries and other entitlements are to be readjusted when the laid-off faculty member is recalled for work which meets the criteria for temporary status under Article 1.04(d).

#### 6. Cancellation Fees

- a) Cancellation fees shall be paid at the rate of \$500 for each 1/8 reduction of a full workload to a maximum of \$4,000. If a temporary faculty member is reassigned and that reassignment does not result in a loss of income, no cancellation fee will be paid.
- b) When workload is partially reduced and cancellation fees are paid, a temporary faculty member still retains temporary status along with pro-rated entitlements provided the criteria in Article 1.04(d) are met. When the faculty member does not meet those criteria, the faculty member reverts to contract status.

#### 7. Tiebreaker for Lay-Off and Recall

In the event of a tie in F.T.E. service, and where both faculty members have the necessary qualifications, experience, and abilities, the decision shall be made by lottery.

#### 8. Dispute Mechanism

Should any question be raised by the affected temporary faculty member or the Association regarding whether a faculty member has or does not have the necessary qualifications, experience or abilities to instruct remaining courses or to perform remaining services in the discipline/program, scheduling, or any other matter related to this Letter of Understanding, the question shall be referred in writing to the Labour Management Relations Committee within five (5) days.

Should the Labour Management Relations Committee not resolve the question within fourteen (14) days, the Employer shall decide and the decision shall be subject to the grievance/arbitration procedures set out in Article 16.02 and 16.03. A grievance filed pursuant to this clause may be filed at Step 3 of the grievance procedure.

LOU #5

Lay-Off and Recall of Temporary Faculty

**LETTER OF UNDERSTANDING #6**  
**FACULTY MEMBERS PERFORMANCE REVIEW**

Probationary faculty members will be required to demonstrate their ability to meet the Employer's performance criteria. It is expected that most post-probationary faculty members will meet the Employer's performance criteria and engage in professional development as a matter of course. For these faculty members, the review process should be designed to facilitate their further development as competent, conscientious professionals.

Objectives of faculty members' performance review system:

1. To ensure a quality learning experience is provided to students.
2. To maintain competent and conscientious faculty members.
3. To encourage faculty members to continually develop their acumen and skills, and where appropriate, to identify and address areas requiring improvement.
4. To determine whether probationary faculty members are meeting established performance criteria and whether post-probationary faculty are continuing to meet established performance criteria.

Principles, Guidelines and Proposals

1. All performance review processes must be fair and objective.
2. All performance criteria must be stated explicitly and applied consistently.
3. All conclusions in review reports must be clearly stated in writing and objectively supported.
4. The review system for probationary faculty members is primarily summative. The purpose of summative review is to determine a faculty member's competence and suitability to continue employment.
5. The review system for post-probationary faculty members is primarily formative. The purpose of formative review is to encourage ongoing professional growth in pursuit of excellence. Periodically a written appraisal report will be prepared and placed in the personnel file.
6. Identified areas for improvement may require remedial support which may include professional development, educational leave and/or reference to the employee assistance program.
7. Serious performance problems, or recurring performance issues that are not resolved through the formative evaluation process may be addressed by the Employer as needed. Performance problems should be dealt with immediately as they are identified, and relevant documentation will be shared with the faculty member and will be kept in the faculty member's personnel file.
8. Professional development is an important component of faculty member's performance appraisal; therefore, written reports on professional development activities from faculty members will be appended to the self-evaluation component of the performance appraisal report.

Performance Review Committee

The Performance Review Committee will make recommendations to revise the existing performance review system in accordance with the above principles and objectives.

Cont'd.

A. Probationary Faculty members:

1. The recommendations of this Committee regarding probationary faculty members' review will be implemented as soon as possible following approval by the Employer.
2. Any further changes to the performance review system will be made in consultation with the KCFA in accordance with Article 18.01.

**LETTER OF UNDERSTANDING #7****WORKLOAD IN THE DIPLOMA NURSE PROGRAM**

Based on recommendations of the Workload Committee, which were endorsed by the Labour Management Committee, the following changes will be implemented:

1. The average teaching load over an entire academic year will be between 16 and 18 hours of instruction per week, with a move towards 16 hours per week as the norm. This change will be reviewed in one year's time using the criteria outlined below.
2. To implement this change, the following criteria will be used:
  - 2.1 Curriculum changes will maintain educational soundness of the program and will not jeopardize provincial accreditation.
  - 2.2 Curriculum changes will be considered that are minor in nature and involve clinical and lab teaching hours only.
  - 2.3 Workload changes will not affect our goal of meeting the current student FTE target set by the Ministry.
  - 2.4 Workload changes will be within the approved budget for the program.
  - 2.5 No regular or temporary faculty members will be jeopardized in their current appointments as a result of this process.
  - 2.6 Residual work resulting from curricular changes will be assigned taking into consideration points 2.1, 2.4, and 2.5.
  - 2.7 On-going assessment of student progress and graduate success will be done during the first three years of implementation.
