APPENDIX 2

SHORT AND LONG TERM DISABILITY

PART I - SHORT TERM ILLNESS AND INJURY PLAN

1.1 Eligibility

- (a) Regular employees shall be covered by the Short Term Illness and Injury Plan upon completion of six (6) months of active service with the Employer.
- (b) Regular employees with less than six (6) months of service who are unable to work because of illness or injury are entitled to six (6) days' coverage at seventy-five percent (75%) pay in any one calendar year.
- (c) Regular employees with three (3) months but less than six (6) months of service will be entitled to fifteen (15) weeks (75 work days) of coverage, consisting of the above six (6) days, or what remains of the six (6) day's entitlement, at seventy-five percent (75%) pay, and the remainder of the fifteen (15) weeks at two-thirds of pay, not to exceed a maximum weekly benefit of two hundred and ten dollars (\$210) or the UIC maximum weekly sickness benefit, whichever is higher.
- (d) Notwithstanding (a), (b) and (c) above, an employee on a claim recognized by the Workers' Compensation Board will be entitled to leave at the Workers' Compensation Board rate of compensation up to a maximum of one hundred and fifty two (152) days for any one (1) claim in lieu of benefits, as outlined in Section 1.2 below. In such cases the compensation payable by the Workers' Compensation Board shall be remitted to the Employer.
- (e) Pay for a regular part-time employee under this plan shall be based on his/her part-time percentage of full-time employment at date of present appointment.

1.2 Short Term Plan Benefit

- (a) In the event an employee is unable to work because of illness or injury he/she **will be** entitled to a benefit of seventy-five percent (75%) of pay for a period not to exceed seven (7) months from date of absence, (Short Term Plan Period).
- (b) The seventy-five percent (75%) benefit may be supplemented in quarter day increments by the use of the following in descending order:
 - (1) Compensatory Time Off (CTO);
 - (2) Banked Earned Time Off (ETO), excepting where scheduled in a shift schedule;
 - (3) Vacation entitlement.

1.3 Recurring Disabilities

- (a) Employees who return to work after being absent because of illness or injury, and within five (5) consecutive scheduled days of work again become unable to work because of the same illness or injury are considered to still be within the original Short Term Plan period as defined in Section 1.2(a).
- (b) Employees who return to work after being absent because of illness or injury and within five (5) consecutive scheduled work days again become unable to work because of a new illness or injury unrelated to the illness or injury that caused the previous absence shall be entitled to a further seven (7) months of benefits under this plan.
- (c) Employees who return to work after being absent because of illness or injury, and after working five (5) or more consecutive scheduled days of work, again become unable to work because of the same illness or injury will be entitled to a further seven (7) month period of benefits under this plan, except as provided in (d) below, where the Short Term Plan period shall continue to be as defined in Section 1.2(a).
- (d) Where an employee is returning to work after a period of illness or injury and where the Rehabilitation

Committee has approved such return on a trial basis for assessment and/or rehabilitation purposes, the Short Term Plan period shall continue to be as defined in Section 1.2(a). Such trial period must be approved during the period the employee is receiving short term benefits, however, the end of the trial period can go beyond the Short Term Plan benefit period.

(e) Employees who return to work after a period of illness or injury and who do not work the same number of hours that were scheduled prior to the illness or injury shall receive prorated benefits under this plan, however, not beyond seven (7) calendar months from the initial date of absence as defined in Section 1.2(a), if absence is due to the same illness or injury.

1.4 Doctor's Certificate of Inability to Work

The Employer may require an employee who is unable to work because of illness or injury to provide a statement from:

- (a) a medical practitioner qualified to practice in the province of B.C., or
- (b) where necessary, from a medical practitioner licensed to practice in the province of Alberta or the Yukon, or
- (c) the consulting physician to whom the employee is referred by the medical practitioner in (a) or (b) above, providing medical evidence of the employee's inability to work in any of the following circumstances:
 - (1) where it appears that a pattern of consistent or frequent absence from work is developing;
 - (2) where the employee has been absent for six (6) consecutive scheduled days of work;
 - (3) where at least thirty (30) days have elapsed since the last statement was obtained and the employee has been in receipt of plan benefits throughout that period.

Benefits will cease to be paid when an employee fails to provide satisfactory evidence of medical disability during the benefit period.

1.5 Integration With Other Disability Income

Short term benefits will be reduced by all other disability income benefits to which the absent employee is entitled except disability income which was being received prior to the illness or injury resulting in the employee being absent from work and which is unrelated to the illness or injury causing the current absence and the one-quarter (1/4) day accumulation that is being used to supplement the plan, pursuant to Article 1.2(b). Other disability income benefits will include:

- (a) any amount the absent employee receives from any group insurance, wage continuation or pension plan of the Employer;
- (b) any amount of disability income provided by any compulsory act or law, except Unemployment Insurance sickness benefits and WCB benefits payable in accordance with Section 1.1(d);
- (c) any periodic benefit payment from the Canada or Quebec Pension Plan or other social security plan of any country.

Notwithstanding the above, in the case of ICBC Weekly Indemnity payments or, in the case of personal insurance coverage integration will apply to the extent that the combination of Plan benefits and ICBC Weekly Indemnity payments, or personal insurance disability income benefits exceed either:

- (1) One hundred percent (100%) of pay, or
- (2) The applicable benefit percentage of the individual's average total monthly income in the twelve (12) month period immediately preceding commencement of the disability, whichever is the greater. Where this provision is to apply, the employee will be required to provide satisfactory evidence of his/her total monthly income.

Notwithstanding the above, where an employee makes a successful wage loss claim against a third party for an injury for which the employee received or would receive STIIP benefits, the Employer will be entitled to recover or decrease Plan benefits by an amount equal to the amount that Plan benefits in combination with the wage loss claim paid exceed one hundred percent (100%) of pay.

This section does not apply to a war disability pension paid under an Act of the Governments of Canada or other Commonwealth countries.

1.6 Benefits Not Paid During Certain Periods

Benefits will not be paid when an employee is:

- (a) receiving designated paid holiday pay;
- (b) engaged in an occupation for wage or profit;
- (c) on strike or is locked out unless the strike or lockout occurred after the illness or injury resulting in the employee being absent from work;
- (d) serving a prison sentence;
- (e) on suspension without pay;
- (f) on paid absence in the period immediately preceding retirement;
- (g) on any leave of absence without pay.

Notwithstanding (g) above, where an illness or injury occurs during a period of approved:

- (1) educational leave,
- (2) general leave of absence not exceeding thirty (30) days,
- (3) maternity leave, or adoption leave

which prevents the employee from returning to work on the scheduled date of return, the Short Term Plan will be effective from the date of disability due to illness or injury and benefits will be paid for the balance of the seven (7) month period remaining from the scheduled date of return to work. For maternity leave, the intention is no coverage for normal pregnancy.

1.7 Employee to Inform Employer

The employee shall inform the Employer as soon as possible of his/her inability to report to work because of illness or injury. The employee shall inform the Employer of the date of return to duty, in advance of that date, in order that relief scheduled for that employee can be notified.

1.8 Entitlement

For the purpose of calculating six (6) days per calendar year, one day shall be considered to be one day regardless of the regularly scheduled work day. Calculation for part-time employees and partial days will be on a prorated basis.

1.9 UIC Premium

The Parties agree that the complete premium reduction from the Unemployment Insurance Commission accruing through the improved illness and injury plan will be returned to the Employer.

1.10 Benefits Upon Layoff or Separation

- (a) Subject to (b) and (c) below, regular employees who have completed three (3) months of service and who are receiving benefits pursuant to Section 1.1(c), 1.1(d), or 1.2 shall continue to receive such benefits upon layoff or separation until the termination of the illness or until the maximum benefit entitlement has been granted, whichever comes first, if the notice of layoff or separation is given after the commencement of the illness for

which the benefits are being paid.

(b) In the event that layoff or separation notice was given prior to the commencement of the illness, benefits will cease on the effective date of the layoff or separation only if the illness commenced within two (2) months of the effective date of the layoff or separation.

(c) Benefits will continue to be paid in accordance with (a) above for which notice of layoff or separation was given prior to the commencement of the illness and if the illness commenced more than two (2) months before the effective date of the layoff or separation.

PART II - LONG TERM DISABILITY PLAN

2.1 Eligibility

(a) Regular full-time employees shall be covered by the Long Term Disability Plan upon completion of six (6) months active employment with the Employer. To be covered by the Plan, a regular part-time employee must be working in a position that requires at least half-time work on a regularly scheduled basis, and must have completed six (6) months active service in such a position.

(b) An employee who is not actively at work because of illness or injury on the work day coincident with, or immediately preceding, the date he/she would otherwise have become eligible for coverage under the Plan will not be eligible for coverage until the date the employee returns to active employment.

(c) Coverage in the plan is a condition of employment.

2.2 Long Term Disability Benefit

In the event an employee, while covered under this plan, becomes totally disabled as a result of an accident or a sickness, then, after the employee has been totally disabled for seven (7) months, including periods approved in Section 1.3(a) and (c), he/she shall be eligible to receive a monthly benefit as follows:

(a) The employee shall receive a monthly benefit equal to the sum of:

(1) Effective upon ratification sixty-eight and three-tenths percent (68.3%) of the first nineteen hundred dollars (\$1900) of monthly earnings; and

(2) Fifty percent (50%) of the monthly earnings above nineteen hundred dollars (\$1900).

For the purposes of the above, earnings shall mean basic monthly earnings as at the date of disability as determined by the Employer.

Effective August 1, 1998 the monthly earnings as stated in (a)(1) and (a)(2) above shall be increased to twenty-two hundred dollars (\$2200).

The basic monthly earnings as at the date of disability shall be the salary in effect for the last month of the Short Term Plan period, or equivalent seven (7) month period, taking into consideration any retroactive adjustments.

The date of disability for determining the commencement of the first two years of disability shall be the day following the last month of the Short Term Plan period, or an equivalent seven (7) month period.

(c) The Long Term Disability benefit payment will be made so long as an employee remains totally disabled in accordance with Section 2.3, and will cease on the date the employee recovers, or at the end of the month in which the employee reaches age 65, or resigns or dies, whichever occurs first.

(d) An employee in receipt of long term disability benefits will be considered an employee for purposes of superannuation and will continue to be covered by group life, extended health, dental and medical plans.

Employees will not be covered by any other portion of a collective agreement but will retain the right of access to a Rehabilitation Committee established thereunder and will retain seniority rights should they return to employment within six (6) months following cessation of benefits.

(e) When an employee is in receipt of the benefit described in (b) above, contributions required for benefit plans in (d) above and contributions for Superannuation will be waived by the Employer.

(f) An employee engaged in rehabilitative employment with the Employer and who is receiving partial Long Term Disability benefit payments will have contributions required for benefit plans in (d) above and contributions for Superannuation waived by the Employer, except that Superannuation contributions shall be deducted from any salary received from the Employer to cover the period of rehabilitative employment.

2.3 Total Disability

(a) Total disability, as used in this Plan, means the complete inability because of an accident or sickness of a covered employee to perform all the duties of his/her own occupation for the first two (2) years of disability.

Thereafter, employees able by reason of education, training or experience to perform the duties of a gainful occupation for which the rate of pay is not less than seventy-five percent (75%) of the current rate of pay of their regular occupation at date of disability will not be considered totally disabled and will therefore not be eligible for benefits under this Long Term Disability Plan.

(b) Total disabilities resulting from mental or nervous disorders are covered by the Plan in the same manner as total disabilities resulting from accidents or other sicknesses, except that an employee who is totally disabled as a result of a mental or nervous disorder and who has received twenty-four (24) months of Long Term Disability Plan benefit payments must be confined to a hospital or mental institution or where they are at home, under the direct care and supervision of a medical doctor, in order to continue to be eligible for benefit payments.

During a period of total disability an employee must be under the regular and personal care of a legally qualified doctor of medicine.

(c) (1) If an employee becomes totally disabled and during this period of total disability engages in rehabilitative employment, the regular monthly benefit from this plan will be reduced by twenty-five percent (25%) of the employee's earnings from such rehabilitative employment. In the event that income from rehabilitative employment and the benefit paid under this Plan exceed eighty-five percent (85%) of the employee's earnings at date of disability, the benefit from this Plan will be further reduced by the excess amount.

"Rehabilitative employment" shall mean any occupation or employment for wage or profit or any course or training that entitles the disabled employee to an allowance, provided such rehabilitative employment has the approval of the employee's doctor and the Employer.

The rehabilitative employment of a disabled employee will continue until such time as the employee's earnings from rehabilitative employment exceed eighty-five percent (85%) of the employee's earnings at the date of disability but in no event for more than twenty-four (24) months from the date benefit payments commence.

If earnings are received by an employee during a period of total disability and if such earnings are derived from employment which has not been approved of as rehabilitative employment by his/her doctor and the Employer, then the regular monthly benefit from the Plan will be reduced by one hundred percent (100%) of such earnings.

(2) In the event that an employee has been classified as totally disabled for all occupations and engages in approved rehabilitative employment, the provisions of (1) above apply except that the rehabilitative employment may continue for twenty-four (24) months from the date rehabilitative employment commenced.

(3) In the case where rehabilitative employment has been approved while an employee is receiving a benefit under the provisions of Article 2.2(a), the provisions of Article 2.3(c)(1) shall not apply until the employee is receiving a benefit under Article 2.2(b).

2.4 Exclusions from Coverage

The Long Term Disability Plan does not cover total disabilities resulting from:

(a) war, insurrection, rebellion, or service in the armed forces of any country after the commencement of

this plan;

- (b) voluntary participation in a riot or civil commotion except while an employee is in the course of performing the duties of his/her regular occupation;
- (c) intentionally self-inflicted injuries or illness;
- (d) pregnancy, childbirth, miscarriage or abortion except severe complications following termination of pregnancy; (intention is no coverage for normal pregnancy);
- (e) a disability known to the Employer and which was specifically taken into account by the Employer at time of hiring.

2.5 Pre-existing Conditions

An employee shall not be entitled to Long Term Disability benefits from this Plan if his/her total disability resulted from an accident, sickness or mental or nervous disorder with respect to which medical treatment, services or supplies were received in the ninety (90) day period prior to the date of hire unless he/she has completed twelve (12) consecutive months of service after the date of hire during which time he/she has not been absent from work due to the aforementioned accident, sickness or mental or nervous disorder with respect to which medical treatment, services or supplies were received. This Clause does not apply to present employees who have been continuously employed since April 1, 1977.

2.6 Integration With Other Disability Income

In the event a totally disabled employee is entitled to any other income as a result of the same accident, sickness, mental or nervous disorder that caused him/her to be eligible to receive benefits from this Plan, the benefits from this Plan will be reduced by one hundred percent (100%) of such other disability income.

Other disability income shall include, but not necessarily be limited to:

- (a) any amount payable under the Workers' Compensation Act or Law or any other legislation of similar purpose, and
- (b) any amount the disabled employee receives from any group insurance, wage continuation or pension plan of the Employer that provides disability or retirement income, and
- (c) any amount of disability income provided by any compulsory act or law, and
- (d) any periodic primary benefit payment from the Canada or Quebec Pension Plans or other similar social security plan of any country to which the disabled employee is entitled or to which he would be entitled if his/her application for such a benefit were approved, and
- (e) any amount of disability income provided by any group or association disability plan to which the disabled employee might belong or subscribe.

The amount by which the disability benefit from this Plan is reduced by other disability income will normally be the amount to which the disabled employee is entitled upon becoming first eligible for such other disability income. Future increases in such other disability income resulting from increases in the Canadian Consumer Price Index or similar indexing arrangements will not further reduce the benefit from this Plan.

Notwithstanding the above, in the case of ICBC Weekly Indemnity payments or, in the case of personal insurance coverage, integration will apply to the extent that the combination of Plan benefits and ICBC Weekly Indemnity payments or, personal insurance disability income benefits exceed either:

- (1) one hundred percent (100%) of basic pay; or
 - (2) the applicable benefit percentage of the individual average total monthly income in the twelve (12) month period immediately preceding commencement of the disability, whichever is the greater.
- Where this provision is to apply the employee will be required to provide satisfactory evidence of his/her total monthly income.

Notwithstanding the above, where an employee makes a successful wage loss claim against a third party for an injury for which the employee received or would receive L.T.D. benefits, the Employer will be entitled to recover or decrease Plan benefits by an amount equal to the amount that the Plan benefits in combination with the wage loss claim paid exceed one hundred percent (100%) of pay.

This Section does not apply to a war disability pension paid under an Act of the Governments of Canada or other Commonwealth countries.

2.7 Successive Disabilities

If, following a period of total disability with respect to which benefits are paid from this Plan, an employee returns to work on a full-time basis for a continuous period of six (6) months or more, any subsequent total disability suffered by that employee, whether related to the preceding disability or not, shall be considered a new disability and the disabled employee shall be entitled to benefit payments in accordance with the provisions of this Plan.

In the event the period during which such an employee has returned to work is less than six (6) months and the employee again suffers a total disability and that is related to the preceding disability, the subsequent disability shall be deemed a continuation of the preceding disability, and the disabled employee shall be entitled to benefit payments in accordance with the provisions of this Plan as though he/she had not returned to work.

Should such an employee suffer a subsequent disability that is unrelated to the previous disability and, provided the period during which the employee returned to work is longer than one (1) month, the subsequent disability shall be considered a new disability and the employee shall be entitled to benefit payments in accordance with the provisions of this Plan. If the period during which the employee returned to work is one (1) month or less, the subsequent disability shall be deemed a continuation of the preceding disability and the disabled employee shall be entitled to benefit payments in accordance with the provisions of this Plan.

2.8 Cessation of Plan Coverage

An employee shall cease to be eligible for benefits of this Plan at the earliest of the following dates:

- (a) At the end of the month in which the employee reaches his/her sixty-fifth (65th) birthday;
- (b) on the date of commencement of paid absence prior to retirement;
- (c) on the date of termination of employment with the Employer.

Benefits will not be paid when an employee is serving a prison sentence.

Cessation of active employment as a regular employee shall be considered termination of employment except when an employee is on authorized leave of absence with or without pay.

2.9 Leave of Absence

Employees on leave of absence without pay may opt to retain coverage under the plan and shall pay the full premium, except when on approved Maternity Leave. Coverage will be permitted for a period of eighteen (18) months of absence without pay except that if the leave is for educational purposes the maximum period will be extended to two (2) years. If an employee on leave of absence without pay or with partial pay, who has elected coverage under this Plan, becomes disabled, benefits under this Plan will be based upon monthly earnings immediately prior to the current leave of absence.

2.10 Benefits Upon Plan Termination

In the event this Long Term Disability Plan is terminated, the benefit payments shall continue to be paid in accordance with the provisions of this Plan to disabled employees who become disabled while covered by this Plan prior to its termination.

2.11 Contributions

The cost of this Plan will be borne by the Employer.

2.12 Waiver of Contributions

Employee contributions to this Plan shall be waived with respect to disabled employees during the time such an employee is in receipt of disability benefit payments from this Plan.

2.13 Claims

Long Term Disability claims will be adjudicated and paid by a claims-paying agent to be appointed by the Employer. In the event a covered employee disputes the decision of the claims-paying agent regarding a claim for benefits under this Plan, the employee may arrange to have his/her claim reviewed by an independent, mutually agreed to medical practitioner. Written notice of a disputed claim or an appeal under this Plan shall be sent to the Plan Administrator and the Employer.

Written notice of an appeal must be submitted within three (3) months from the date the claims-paying agent rejected the claim. The expenses incurred by the medical practitioner shall be borne equally by the Plan Administrator, the Employer and the Union.

Where an employee has disputed the decision of the claims-paying agent and is awaiting the outcome of a review or an appeal from the Plan, the employee will be considered to be on leave of absence without pay during the portion of the waiting period when he/she is not receiving pay or benefit allowance. During the waiting period an employee will continue to be covered by group life, extended health, dental and medical plans.

2.14 Physical Examination

The Employer, at its own expense, shall have the right and be given the opportunity to have a medical doctor appointed by the Employer examine, as often as it may reasonably require, any employee whose injury, sickness, mental or nervous disorder is the basis of claim upon this Plan.

2.15 Canadian Currency

All monies payable to or from this plan shall be payable in Canada in Canadian currency.

2.16 Administration

The Employer will be the administrator of the Plan. All questions arising as to the interpretation of this Plan shall be subject to the grievance and arbitration procedures in Articles 8 and 9 of the Master Agreement.

2.17 Implementation by Regulation

The provisions of this Plan shall become part of a memorandum of agreement between the Parties and will be implemented by regulation.

2.18 Benefit Level

Persons receiving benefits shall receive the same increases to their benefit level as do the employees covered by the terms and conditions of this Collective Agreement receive in wage increases.

PART III - JOINT ADVISORY COMMITTEE

There shall be a Joint Advisory Committee which shall consist of two (2) representatives appointed by the Employer and two (2) representatives appointed by the Union. The Employer and the Union may each appoint one alternate committee member. The purpose of the committee shall be to consider and make recommendations to the bargaining principals on all matters related to the effective administration of the Short Term Illness and Injury and Long Term Disability Plans and to consider and make recommendations to the bargaining principals on any questions which may arise related to interpretation or application of the wording of Appendix 4. The committee shall consider and report back on all matters related to the plans which may be referred to it jointly by the bargaining principals.

PART IV - REHABILITATION

the event that a regular employee becomes incapacitated through accident or sickness and he/she is unable to perform all the duties of his/her own occupation, the following shall apply:

(a) For the purpose of this Clause incapacity shall mean where the employee is unable to perform all the duties of his/her own occupation as defined in Clause 2.3(a) of the Long Term Disability Plan.

(b) Where the employee meets the definition in (a) above, the Employer shall provide the employee with an application for alternate suitable employment on a mutually-agreed form.

An employee who fails to sign the application form shall have benefits suspended. An employee shall be afforded an opportunity to demonstrate that there were reasonable grounds for not having signed the application form.

(c) The application shall be completed and returned to the Employer who shall within ten (10) work days forward the application to the Secretary. The Committee members shall be provided with copies of the application.

(d) The Rehabilitation Committee will, based on the information, coordinate the necessary medical and/or vocational assessments and determine the following:

(1) if the application is properly before the Committee;

(2) based on the assessment, determine whether the employee is immediately capable of performing alternate or rehabilitative employment;

(3) if no to (2) above the Committee may, based on the assessments, implement the necessary training to place the employee in rehabilitative employment;

(4) where the employee is considered capable of performing alternative employment or once the employee has successfully concluded rehabilitative employment and is able to perform the duties of a gainful occupation, he/she shall be subject to Article 13 of this Agreement excluding displacement options pursuant to Article 13.2 and 13.3(c)(2).
