The Employer will provide the Union with a copy of the organizational chart for the immediate branch or program where the position is located, a copy of the position's job description and a copy of the job description for the position which supervises the position in question.

(b) If an existing position is changed, such that the Union has concerns about its status, the information as described in (a) above will be supplied upon request. The Union agrees to provide the Employer with a list of the employees designated as stewards for each work unit. Stewards shall obtain the permission of their immediate supervisor before leaving their work to perform their duties as a steward. Such permission shall not be unreasonably withheld. On resuming normal duties, stewards shall notify their supervisors. The duties of stewards shall include but are not restricted to:

- (a) investigation of complaints of an urgent nature;
- (b) investigation of grievances and assisting any employee whom the steward represents in preparing and presenting a grievance in accordance with the grievance procedure;

- (b) Employees shall not expect to receive pay for work not performed, statutory holiday pay or vacation pay as a result of observance of picket lines. Health and welfare benefits will be continued. The Union will pay the full cost normally paid by the Employer.
- (c) No employee shall be required to cross or suffer loss of pay for failure to cross a picket line where the employee is apprehensive for his or her personal safety.

- (3) to stewards to perform their duties pursuant to Clause 3.6; and
- (4) to employees called to appear as witnesses before an arbitrator.

It is understood that employees granted time off pursuant to this article shall receive their current rate of pay while on time off with pay. Time off granted under this article shall include sufficient travel time. The Employer agrees that the granting of any of the above time off shall be subject to their requirements but shall not be unreasonably withheld. To facilitate the administration of paragraph (a) of this article, when time off without pay is granted, the time off shall be given with pay and the Union shall reimburse the Employer the appropriate salary costs, including travel time incurred.

3.11 Employer Paid Union Leave

The Chairperson/President of the bargaining unit or alternate designated by the Union shall be granted 25% employer-paid time release from a full workload per year. Such time shall be used to facilitate the operation of the Collective Agreement and employee-employer relationships. The Chairperson/President shall schedule such time with their supervisor. This provision is in addition to any other employer-paid release time in the Collective Agreement.

The bargaining unit chair may request a shared distribution of the time release. Requests are to be made in writing to the Employer and similarly will be responded to in writing. Granting of such leaves will not impact the Employer's ability to provide educational and support services.

Where such leave is granted, the Employer will replace the employee as necessary. The cost of this provision will be borne by the institution as a general operating expense.

3.12 Local Union Meetings

- (a) The Union and the Employer recognize the importance of a joint program to assist employees.
- (b) Any issues or concerns with the EAP will be brought to the Labour/Management Relations Committee.

(c) None of the above will prevent either party from withdrawing from the Program with 60 days' notice. Notice of any change in EAP coverage or carrier will be provided by the Employer with 60 days' advance notice.

3.14 Future Committees

It is agreed that any future open committees struck by the Employer which may deal with matters affecting any employee shall include representation from the Union. Such representation shall be appointed by the Union.

ARTICLE 4 - UNION SECURITY

(b) The Employer agrees to provide, upon request of the Union, copies of all purchase service agreements to the Bargaining Unit Chairperson and to discuss the contracts that are of concern to the Union. The parties recognize the obligations of the Employer under Freedom of Information and Protection of Privacy legislation and agree to maintain confidentiality of all private information in these contracts.

ARTICLE 5 - CHECK-OFF OF UNION DUES

(a) The Employer shall, as a condition of employment, deduct from the wages or salary of each employee in the bargaining unit, whether or not the employee is a member of the Union, and upon receipt of proper authorization, the amount of the regular monthly dues payable to the Union by a member of the Union in the next appropriate pay period following receipt of such authorization.

An employee shall, as a condition of continued employment, complete an authorization form providing for the deduction from an employee's monthly wages or salary the amount of the regular monthly union dues payable to the Union by a member of the Union.

The Union may by written demand require the Employer to dismiss an employee who refuses to authorize a deduction in favour of the Union. At least one month's notice to the Employer will be given.

(b) The Employer shall deduct from any employee who is a member of the Union any assessments levied in accordance with the Union Constitution and/or Bylaws and owing by the employee to the Union.

- (c) Deductions shall be made from each normal pay owing to the employee and membership dues or payments in lieu thereof shall be considered as owing in the month for which they are so deducted.
- (d) All deductions shall be remitted to the President of the Union not later than 28 days after the date of deduction and the Employer shall also provide a list of names as well as classifications of those employees from whose salaries such deductions have been made, together with the amounts deducted from each employee.
- (e) Before the Employer is obliged to deduct any amount under Section (a) of this article, the Union must advise the Employer in writing of the amount of its regular monthly dues. The amount so advised shall continue to be the amount to be deducted until changed by further written notice to the Employer signed by the President of the Union. Upon receipt of such notice, such changed amount shall be the amount deducted.
- (f) From the date of the signing of this Agreement and for its duration, no employee organization other than the Union shall be permitted to have membership dues or other monies deducted by the Employer from the pay of the employees in the bargaining unit.

A new employee shall be advised of the name and location of his/her steward. Whenever a steward is employed in the same work area as the new employee, the employee's immediate supervisor will introduce him/her to his/her steward who will provide the employee with a copy of the Collective Agreement. The Employer agrees that a union steward will be given an opportunity to interview each new employee within regular working hours, without loss of pay, for up to 15 minutes during the first 30 days of employment, for the purpose of acquainting the new employee with the benefits and duties of union membership and the employee's responsibilities and obligations to the Employer and the Union.

These rights shall not be exercised in a discriminatory manner.

- (b) Where this Agreement allows, permits or grants to the Union the exclusive use of space, or the right to call upon the Employer to enforce any provision of this Agreement to the possible detriment of any employee, the Union agrees to hold the Employer harmless from any claims, demands or

judgments resulting from any action initiated by the Employer at the request or demand of the Union, except for any claim or liability arising out of an error committed by the Employer.

ARTICLE 8 - EMPLOYER/UNION RELATIONS

8.1 Representation

No employee or group of employees shall undertake to represent the Union at meetings with the Employer without the proper authorization of the Union. To implement this the Union shall supply the Employer with the names of its officers and similarly the Employer shall supply the Union with a list of its supervisory or other personnel with whom the Union may be required to transact business.

8.2 Union Negotiating Committee

A union negotiating committee shall be appointed by the Union and shall consist of five members of the Union together with the President of the Union or designate. The Union shall have the right at any time to have the assistance of members of the staff of the Union when negotiating with the Employer. Three members of the Committee named by the Union, shall suffer no loss of regular pay for service on the Committee while actively and directly engaged in the negotiating process for the renewal of this Agreement, and including all necessary caucuses, but in no event will any member of the Committee be entitled to overtime or premium time for time spent in negotiations with the Employer.

8.3 Union Representation

The Employer agrees that access to its premises will be granted to members of the staff of the Union when dealing or negotiating with the Employer as well as for the purpose of investigating and assisting in the settlement of a grievance. Members of the union staff shall notify the designated supervisory official in advance of their intention and their purpose of entering and shall not interfere with the operation of the department or section concerned.

In order to facilitate the orderly, as well as the confidential investigation of grievances, the Employer will make available to union representatives or stewards temporary use of an office or similar facility.

8.4 Technical Information

- (a) The Employer agrees to provide to the Union such public information that is available relating to employees in the bargaining unit, as may be required by the Union for collective bargaining purposes. The Union recognizes the need for confidentiality of certain information prior to announcements by the provincial government, and such information is excluded from the operation of this clause.
- (b) The Union shall be provided with a copy of the annual budget approved by the Ministry of Advanced Education.

ARTICLE 9 - LABOUR/MANAGEMENT RELATIONS COMMITTEE

In recognition of the mutual benefits of ongoing consultations and open communications between the employees and the Employer, the Union and the Employer agree to continue to conduct Labour/Management Relations Committee meetings as established in the previous Agreement.

9.2 Representation

The Committee shall consist of equal numbers of union and employer representatives, with a minimum of two and a maximum of four representatives from each party. One of the Union representatives shall be the President or designate.

9.3 Guidelines

The parties agree that the Committee shall be guided by the following:

- (b) An employer and a union representative shall be designated as joint chairpersons and shall alternate in presiding over meetings.
- (c) Minutes of each meeting of the Committee shall be prepared as promptly as possible after the close of the meeting, and approved by the joint committee prior to posting.
- (d) The parties understand and agree that the Labour/Management Relations Committee is not intended to serve as a supplement or an alternative to the grievance/arbitration process, nor to interfere with or attempt to re-negotiate any provisions of the Agreement between the parties.
- (e) It is intended by the parties that the Labour/Management Relations Committee will be limited to serving as a vehicle for joint discussion and consultation, with a view to exploring possible solutions to mutual problems and concerns. This Committee is in no way intended to limit or restrict the rights reserved to the Employer to manage its operations or affairs.
- (f) Meetings of the Labour/Management Relations Committee will be scheduled on a regular basis once per month.
- (g) It is intended that any employee participating in meetings of the Labour/Management Relations Committee as a representative of the Union will not suffer loss of remuneration otherwise payable by the Employer when such meetings are held during working hours. Further, it is agreed that under no circumstances is the Employer obligated to pay any additional wages, salaries, overtime or other premiums in the event that the parties agree to schedule a meeting of the Labour/Management Relations Committee during non-working hours.

ARTICLE 10 - GRIEVANCES

10.1 Definition of Grievances

- (a) A grievance shall be defined as any dispute or controversy between the Employer and the Union or the Employer and one or more of its employees covered by this Agreement in respect of any matter relating to working conditions specifically covered by this Agreement; any matter involving the interpretation or application of any provision of this Agreement; or any matter involving the alleged violation of any provision of this Agreement.

It is understood and agreed that any grievance arising during the terms of this Agreement shall be settled in accordance with this procedure without any stoppage of or interruption of work, either partial or complete.

- (b) Employer agrees to provide, to the President of the Union, with a copy to the Chairperson of the Bargaining Committee, a list of designated supervisors and those employees they supervise.

10.2 Step 1 - Verbal Grievance

Any employees who have a grievance shall first go to the supervisor directly in charge of work. The employees may, at their option, be accompanied or represented by their steward or representatives of the Union. The supervisor shall be given an opportunity to answer the complaint verbally. The parties involved shall be given a maximum of three working days to solve the grievance.

10.3 Time Limits to Present Initial Grievance

Employees who wish to present a grievance at Step 2 of the grievance procedure, in the manner prescribed in Section 10.4, must do so not later than 30 days after the date:

- (a) on which they were notified orally or in writing of the action or circumstances giving rise to the grievance; or
- (b) on which they first became aware of the action or circumstances giving rise to the grievance.

10.4 Step 2 - Written Grievance

- (a) Subject to the time limits in 10.3, employees may present a grievance at this level by:
 - (1) recording this grievance on the appropriate grievance form, setting out the nature of the grievance and the circumstances from which it arose;
 - (2) stating the article or articles of the Agreement infringed upon or alleged to have been violated and the remedy or correction required, and where applicable, the reasons why just cause does not exist; and
 - (3) transmitting this grievance to the designated local supervisor through the union steward.
- (b) The local supervisor shall:
 - (1) forward the grievance to the representative of the Employer authorized to deal with grievances at Step 2; and
 - (2) provide the employee with a receipt stating the date on which the grievance was received.

10.5 Time Limit to Reply at Step 2

- (a) Within 10 days of receiving the grievances at Step 2, the representative designated by the Employer to handle grievances at Step 2 and the union area staff representative or designate shall meet to examine the facts, the nature of the grievance and attempt to resolve the dispute. This meeting may be waived by mutual agreement.
- (b) The representative designated by the Employer to handle grievances at Step 2 shall reply in writing to an employee's grievance within 21 days of receiving the grievance at Step 2.

10.6 Step 3

The President of the Union, or his designate may present a grievance at Step 3:

- (a) within 14 days after the decision has been conveyed by the representative designated by the Employer to handle grievances at Step 2; or
- (b) within 14 days after the Employer's reply was due.

10.7 Time Limit to Reply at Step 3

The representative designated by the Employer to handle grievances at Step 3 shall reply in writing to the grievance within 14 days of receipt of the grievance at Step 3.

10.8 Failure to Act

If the President of the Union, or designate, does not present a grievance to the next higher level within the prescribed time limits, the grievance will be deemed to be abandoned. However, the Union shall not be deemed to have prejudiced their position on any future grievance.

10.9 Time Limit to Submit to Arbitration

Failing satisfactory settlement at Step 3, and pursuant to Article 11 - Arbitration, the President or designate may inform the Employer of the intention to submit the dispute to arbitration within:

- (a) 30 days after the Employer's decision has been received; or
- (b) 30 days after the Employer's decision was due.

10.10 Amending of Time Limits

The time limits fixed in this grievance procedure may be altered by mutual consent of the parties, but the same must be in writing. Where a grievance or a reply is presented by mail, it shall be deemed to be presented on the day on which it is post-marked and it shall be deemed to be received on the day it was delivered to the appropriate office of the Employer or the Union.

10.11 Dismissal or Suspension Grievance

In the case of a dispute arising from an employee's dismissal or suspension, the grievance may commence at Step 3 of the grievance procedure within 30 days of the employee receiving notice of dismissal or notice of suspension. The requirements for stating the particulars of the grievance and reply contained in Article 10.4 will nevertheless apply.

10.12 Deviation from Grievance Procedure

The Employer agrees that after a grievance has been initiated by the Union, the representative of the Employer will not enter into discussion or negotiation with respect to the grievance, either directly or indirectly with the aggrieved employee without the consent of the Union. In the event that after having initiated a grievance through the grievance procedure, an employee endeavours to pursue the same grievance through any other channels than this grievance procedure, then the Union agrees that pursuant to this article, the grievance shall be considered to have been abandoned.

10.13 Policy Grievance

Where either party disputes the general application, interpretation or alleged violation of an article of this Agreement, the dispute shall be discussed initially with the Employer or the Union as the case may be. Where no satisfactory agreement is reached, either party may submit the dispute to arbitration, as set out in Article 11 - Arbitration of this Agreement.

10.14 Technical Objections to Grievance

It is the intent of both parties to this Agreement that no grievance shall be defeated merely because of a technical error in processing the grievance through the grievance procedure. To this end an arbitration board shall have the power to allow all necessary amendments to the grievance and the power to waive formal procedural irregularities in processing of the grievance, in order to determine the real matter in dispute and to render a decision according to equitable principles and the justice of the case. Time limits

specified in this Article 10 - Grievances shall not be deemed to be nor construed as matters of technicality but as matters of substance.

ARTICLE 11 - ARBITRATION

11.1 Notification

Where a difference arising between the parties relating to the interpretation, application or administration of this Agreement, including any questions as to whether a matter is arbitrable or where an allegation is made that a term or condition of this Agreement has been violated, either of the parties may, after exhausting the grievance procedure in Article 10 - Grievances, notify the other party within 30 days of the receipt of the reply at the 3rd step, of its desire to submit the difference or allegations to arbitration.

11.2 Appointment of the Arbitrator

Within 15 working days of the delivery and receipt of the reference to arbitration, the parties shall select a mutually agreeable arbitrator. In the event that the parties cannot agree upon the selection of an arbitrator, either party or both of the parties may request the appointment of an arbitrator through the relevant body administering the labour relations' legislation.

11.3 Procedure

The arbitrator shall give full opportunity to all parties to present evidence and make representations; shall hear and determine the difference or allegation; and shall make every effort to render a decision within 15 days of the first hearing.

11.4 Decision of Arbitration

The decision of the arbitrator shall be final, binding and enforceable on the parties. However, the arbitrator shall not have the power to change this Agreement or to alter, modify or amend any of its provisions.

11.5 Expenses of Arbitrator

Each party shall pay one-half of the fees and expenses of the arbitrator.

11.6 Amending Time Limits

The time limits fixed in the arbitration procedure may be altered by mutual consent of the parties but the same must be in writing.

11.7 Investigator Hearing

If a difference arises between the parties relating to the dismissal, discipline or suspension of an employee, or to the interpretation, application, operation or alleged violation of this Agreement, including any questions as to whether a matter is arbitrable, during the term of the Collective Agreement Joan Gordon or Colin Taylor, subject to their availability, or another investigator agreed to by the parties, shall with mutual agreement:

- (a) investigate the difference;
- (b) define the issue in the difference;
- (c) make written recommendations to resolve the difference

within 30 days of the date of receipt of the request and, for those 30 days from that date, time does not run in respect of the grievance procedure.

11.8 Implementation of Investigator Recommendations

The Union and the Employer shall confer and may agree prior to the investigator process, without prejudice, to implement the investigator's recommendations that result from a hearing under Clause 11.7.

ARTICLE 12 - DISCHARGE, SUSPENSION AND DISCIPLINE

12.1 Justice and Dignity

The parties agree that in certain situations, it may be in the best interest of both Employer and employees that employees be reassigned or removed from all job sites during an investigation of conduct. In cases where an employee cannot be reassigned, the employee shall be considered to be on a leave of absence without loss of pay until the Employer makes a decision relative to imposing discipline.

12.2 Discipline Procedure

No employee shall be disciplined, suspended or discharged except for just cause, and an employee shall be discharged only upon the written authority of the Employer.

An employee has the right to bring a shop steward to any meeting which the employee reasonably believes may lead to disciplinary action. However:

- (a) it is up to the employee to be aware of, and to exercise, this right;
- (b) there shall be no undue delay of the meeting being scheduled;
- (c) if an employee wishes to have a shop steward present, the employee must so advise his or her supervisor in advance of the meeting;
- (d) this right does not extend to operational meetings or discussions.

The Employer shall advise an employee of his or her right to have a shop steward present at any meeting in which the Employer intends to administer written discipline.

The Employer shall inform the union steward verbally prior to imposing a suspension of more than five days.

Where this Agreement requires reasons in writing for disciplinary action, it is understood and agreed that compliance with that requirement shall be sufficient if verbal reasons are given immediately in the presence of the employee's steward, and are confirmed in writing within two working days.

When an employee is discharged or suspended, the employee shall be given the reason in writing in the presence of his steward. The President of the Union or designate shall be advised, within five working days, in writing by the Employer of the reason for such discharge or suspension.

It is understood that where the employee being disciplined, suspended or discharged is a steward or union officer, the employee shall have the right to have a staff representative or union officer present.

12.3 Right to Grieve

An employee considered by the Union to be wrongfully or unjustly disciplined, suspended or discharged shall be entitled to recourse under the grievance procedure, in accordance with Article 10 - Grievances of this Agreement.

12.4 Burden of Proof

In cases of discipline, suspension and discharge the burden of proof of just cause shall rest with the Employer.

Evidence called in support of disciplinary action taken by the Employer and evidence called in support of any grievance or response to disciplinary action shall be limited to evidence in support of the reasons raised in 12.2 or 10.4.

12.5 Right to Grieve Other Disciplinary Action

Disciplinary action grievable by employees shall include written censures, letters of reprimand and adverse reports or performance evaluation. Employees shall be given a copy of any such document placed on their file which might be the basis of disciplinary action. Should employees dispute any such entry in their file, they shall be entitled to recourse through the grievance procedure and the eventual resolution thereof shall become part of their personnel record. Any such document other than official evaluation reports, shall be removed from the employee's file after the expiration of 18 months from the date it was issued, provided there has not been a similar further infraction. The Employer agrees not to introduce as evidence in any hearing any document from the file of an employee, the existence of which the employee was not aware at the time of filing.

ARTICLE 13 - HARASSMENT

13.1 Sexual Harassment

(a) The Union and the Employer recognize the right of employees to work in an environment free from sexual harassment, and the Employer shall take such actions as are necessary respecting an employee engaging in sexual harassment in the workplace.

(b) Sexual harassment means engaging in a course of vexatious comment or conduct of a sexual nature that is known or ought reasonably to be known to be unwelcome and shall include, but not limited to:

- (1) sexual solicitation or advance or inappropriate touching and sexual assault;
- (2) a reprisal, or threat of reprisal, which might reasonably be perceived as placing a condition of a sexual nature on employment by a person in authority after such sexual solicitation or advance or inappropriate touching is rejected.

13.2 Personal Harassment

The Employer and the Union recognize the right of employees to work in an environment free from personal harassment and agree employees who have been found to have engaged in personal harassment will be disciplined. Personal harassment by employees is defined as offensive comments and/or actions that serve no legitimate work-related purpose and that, by a reasonable standard, create an abusive, intimidating or humiliating work environment. Personal harassment may occur as a single incident or a combined series of incidents.

Examples of personal harassment include, but are not limited to:

- (a) physical threat, intimidation, or assault or unwelcome physical contact such as touching, patting, pinching and punching,
- (b) implied or expressed promise or reward, threat of reprisal, or denial of opportunity for refusal to comply with a request which serves no legitimate work-related purpose.

13.3 Complaint Procedure for Sexual and Personal Harassment

When dealing with complaints under Article 13 - Harassment the Union and the Employer will explore, where appropriate, an informal dispute resolution process with the complainant and the respondent prior to advancing the complaint under the formal process below. The Union, complainant or respondent may contact Human Resources to request mediation.

- (a) An employee who wishes to pursue a concern arising from an alleged harassment must submit a complaint directly to the Vice President responsible for receiving complaints under this article.
 - (1) For sexual harassment the complaint must be submitted in writing or in person within six months of the latest alleged occurrence.
 - (2) For personal harassment, the complaint must be submitted in writing within 30 days of the latest alleged occurrence.

The limitation period may be extended if the delay was incurred in good faith or if the delay does not result in substantial prejudice to any of the involved individuals.

- (b) Where the alleged offender is the designated Vice President, the complaint shall be submitted to another Vice President.
- (c) In the event that a B.C. Government and Service Employees' Union member is the alleged offender, he/she shall be given notice of the substance of such a complaint under this article and shall be given the option of having a steward present as an observer at the meeting(s) at which the alleged offender is present.
- (d) The complainant will be given the option of having a different steward present as an observer at the meeting(s) at which the complainant is present.
- (e) Upon receipt of the complaint, the designated Vice President shall notify the staff representative in writing. The Vice President may designate the investigation to an alternate, which may include either an internal investigator (one or a two person team) or an external investigator. Upon the conclusion of the investigation, the investigator(s) shall submit a report to the appropriate Administrator, who will make a determination based on that report and take such steps as may be necessary to resolve the issue. The parties agree that if the designated Vice President is the investigator of a complaint, the report will be forwarded to an alternate Vice President for such determination. The complainant, alleged offender and staff representative will be informed of the determination and/or action to be taken within five days of the decision being made.
- (f) Pending determination of the complaint, the Vice President who is investigating may take interim measures to separate the employees concerned if deemed necessary. Any interim measures to separate the parties will not presume on the validity of the complaint, nor the findings of the investigation.
- (g) In cases where a finding of harassment may result in the transfer of an employee, normally, it shall be the alleged offender who is transferred, except where the complainant consents to be transferred.
- (h) Where the complainant is not satisfied with recommendation(s) and/or action to be taken, the complainant may initiate a grievance under this article at any step of the grievance procedure. The time limits and procedures specified under Article 10 - Grievances will apply. Grievances and complaints under this clause will be handled with due regard for the privacy and confidentiality of any and all persons involved.

- (i) Where the complaint is determined to be of a frivolous, vindictive or vexatious nature, the Employer will take appropriate action which may include discipline.

ARTICLE 14 - SENIORITY

14.1 Seniority Defined

Service Seniority means a regular employee's service with the Employer.

Regular employees shall be credited with service seniority equivalent to their length of continuous service with the Employer.

14.2 Seniority List

The Employer shall maintain a service seniority list showing the date each employee commenced employment with the Employer, service seniority hours, position title, employee class, department, date last paid and last appointment date. The Bargaining Unit Chair or designate shall have electronic access to this information.

14.3 Loss of Seniority

Regular employees shall not, except as otherwise provided for in this Agreement, accrue seniority when a leave of absence without pay is for periods over 60 days' duration, or when in receipt of LTD benefits. Regular employees shall continue to accrue seniority if they are absent from work with pay or in receipt of STIIP benefits. Employees shall lose their seniority only in the event that:

- (a) they are discharged for just cause; or
- (b) subject to 14.4, they voluntarily terminate their employment or abandon their position; or
- (c) they are on layoff for more than one year; or as per Clause 15.4(b); or
- (d) they are terminated during their initial probationary period; or
- (e) they fail to report for work as specified in Clause 15.5.

14.4 Re-Employment

Regular employees who resign their position and within 60 days are re-employed as a regular employee shall be granted a leave of absence without pay covering those days absent and shall retain all previous rights in relation to seniority and other fringe benefits, provided he/she has not withdrawn his/her superannuation contributions.

14.5 Seniority on Demotion

Regular employees who suffer demotion through no fault of their own, or who take a voluntary demotion, shall have their classification seniority adjusted to include all service previously held in the lower classification, together with all service in any higher classifications.

ARTICLE 15 - LAYOFF AND RECALL

15.1 Labour Adjustment

- (a) *Employer Commitments*

It is agreed that the Employer will make every reasonable attempt to minimize the impact of funding shortfalls and reductions on the workforce.

Subject to budgetary constraints and the amount of funding available for labour adjustment costs; fairness, flexibility and employee choice will prevail in the implementation of labour force adjustment strategies as approved by the institution.

It is incumbent upon the Employer to communicate effectively with its employees and the unions representing those employees as soon as the impact of any funding reduction or shortfall or profile change has been assessed.

If a workforce reduction is necessary, the Joint Labour Management or Joint Adjustment Committee will canvas employees in a targeted area or other areas over a 14 day period, or such longer time as the committee agrees, to find volunteer solutions that provide as many viable options as possible and minimize potential layoffs.

(b) *Menu of Labour Adjustment Strategies*

To minimize layoffs, the following menu of labour force adjustment strategies will be considered and whenever reasonably possible, offered by institutions at the appropriate time in the employee reduction process set out in each institution's local collective agreement(s):

- Job sharing.
- Reduced hours of work through partial leaves.
- Transfers to other areas within the bargaining unit subject to available work and meeting qualifications, with minimal training required.
- Paid and unpaid leaves of absence for use to seek alternate employment, retirement adjustment, retraining, etc.
- Voluntary severance.
- Purchasing past pensionable service. If permissible the Employer will match a minimum of three years' contributions to the appropriate pension plan (College Pension Plan, Municipal Pension Plan or Public Service Pension Plan) where an employee opts for early retirement.
- Early retirement incentives.
- Agreed secondment.
- Retraining.
- Trial retirement.
- Continuation of health and welfare benefits.
- Combinations and variations of the above or other alternatives.

(c) *Layoffs May Occur*

Once strategies other than layoff have been explored, the institution may proceed, if need be, to layoffs. The provisions of Article 15 - Layoff and Recall will apply and the system-wide Electronics Registry of Laid off Employees will be available for those employees affected by layoff.

(d) *No Stacking of Entitlements*

While various options may be considered and offered, there will be no stacking of entitlements.

15.2 Layoff Procedure

(a) Auxiliary employees will be laid off prior to regular employees except that an auxiliary employee may be retained on the job if no regular employee, who has received layoff notice, has the necessary qualifications, abilities and experience to perform such work.

Regular employees shall be laid off in reverse order of seniority where there are multiple incumbents in the same position and within the same work unit.

(b) Where seniority is equal and when mutual agreement cannot be reached, seniority shall be determined by chance.

(c) *Repeating Term Employees and Fixed Term Layoff*

(1) When the Employer lays off repeating fixed-term employees as defined in Clause 2.4(c) - Regular Employee at the end of their fixed term and issues a recall notice for the beginning of the next fixed term, Clauses 15.2(a)(b), 15.3 and 15.4(c) will not apply. However, repeating fixed term employees may bump auxiliary employees whose duration of employment expires before the recall notice specified in the preceding sentence. The right to bump during this fixed term layoff period is subject to the following:

(i) The auxiliary employee with the least seniority at the same pay level for whose position the repeating fixed term employee has the necessary qualifications, ability and experience shall be bumped.

(ii) If (i) above does not result in a successful bump the same procedure will be applied at each subsequent lower pay level.

(iii) The right to bump must be exercised within six working days of receipt of the layoff notice.

(2) This does not preclude the Employer from giving notice of layoff to a repeating fixed term employee during a fixed term or to a fixed term employee who has received a recall notice to begin a fixed term.

(3) In the event layoff notice is given under (2) above, (1) does not apply.

(d) The Union recognizes the Employer's obligation to the community to continue to provide educational services during periods of layoff.

15.3 Bumping

(a) Regular employees who receive notice of layoff shall have the right to bump employees with less seniority, providing the bump would not constitute a promotion.

(b) The right to bump, subject to (a) above, shall be exercised in the following order:

(1) The employee with the least seniority at the same pay level for whose position he/she has the qualifications to do the job shall be bumped;

(2) If (1) above does not result in a successful bump, the same procedure will be applied at each lower pay level.

(c) Regular Employees who are bumped as a result of (1) and (2) above, shall have the same right to bump employees with less seniority, providing the bump would not constitute a promotion.

(d) It is agreed that where an employee exercises their bumping rights and is placed in a temporary position, the employer will make every reasonable effort to assist the employee in obtaining a regular position.

(e) It is agreed that the probation/trial period specified in Clause 31.6 - Trial Period will apply to employees moving into a new job as a result of bumping. In the event the employee proves to be unsatisfactory in the new job and is so advised in writing by the Employer, then the provisions of

Clause 15.2(d) shall be reapplied. In the event the employee does not have the necessary seniority or qualifications to bump a second time, or he/she has proven to be unsatisfactory in the second job, he/she will be laid off.

(f) A regular employee shall notify the Employer in writing within six working days of receiving layoff notice whether bumping rights will be exercised or whether the employee opts for a layoff.

(g) If a regular employee opts for a layoff he/she must choose either recall rights in accordance with Clause 15.4 or severance pay in accordance with Clause 15.8 on the date the layoff is scheduled to occur. If a regular employee declines to make a selection he/she shall be deemed to have chosen recall rights.

15.4 Recall

(a) Regular employees on layoff shall retain recall rights commencing with the date of layoff for a period of one year.

(b) In the event an employee performs auxiliary work during his period of layoff, the auxiliary time worked will be added to the one year period of recall eligibility specified in Clause 15.4(a).

(c) Recall shall be in order of service seniority, regular employees preceding auxiliary employees, providing the regular employee has the necessary qualifications, ability and experience to fill the position and the recall would not constitute a promotion. It is agreed that Clause 31.6 - Trial Period applies in the event the employee is not recalled to his/her former position.

(d) In the event the employee is recalled to his/her former position or to a position at the same pay level as his/her former position, the employee, at the time of recall, will be placed at the same step in the pay level that he/she was in at the time of layoff.

(e) Notice of recall to a regular position shall be made by telephone, or if unsuccessful, by registered mail to the last address of the employee known by the Employer. A copy of the letter shall be sent to the President of the Union. Failure of the employee to report for work within five calendar days of receiving notice to do so, shall result in loss of benefits as per Clause 15.7.

It shall be the employee's responsibility to keep the Employer informed of the employee's current address during the period of layoff.

(f) Employees may refuse recall to an auxiliary position without affecting their entitlement under Clause 15.7.

15.5 Application

The application of the layoff, bumping, and recall procedures in Clauses 15.2, 15.3 and 15.4 shall be subject to joint employer/union discussion. These procedures shall be carried out on a university-wide basis.

In the case of a dispute arising from this article, the matter shall be resolved through the grievance procedure, commencing at Step 3.

15.6 Advance Notice

(a) Where possible, the Employer will notify regular employees who are to be laid off, at least 40 working days prior to the effective date of layoff. If the employee has not had the opportunity to work 20 full days after notice of layoff, the employee shall be paid in lieu of work for that part of the 20 days during which work was not made available. These provisions do not apply to a temporary layoff which is a result of fire or natural disaster.

(b) An employee who is offered an auxiliary recall and accepts that recall, cannot claim the right to notice or pay in lieu pursuant to Clause 15.6(a) when the auxiliary work expires and the employee returns to layoff status. The Employer, however, will provide an appointment notice to the employee specifying the expected duration of the auxiliary work. This notice may be amended by the Employer.

15.7 Continuation of Benefits

(a) Regular employees on recall will be entitled to the following benefits:

Clause 21.1	Basic Medical Insurance
Clause 21.2	Extended Health Benefits
Clause 21.3(a)	Group Life Insurance
Clause 21.5	Dental Plan

for a period of one year from the day of layoff, or as per Clause 15.4(b). Premium payments will be in accordance with provisions provided in the above clauses.

 - (c) Vacation at 4% of regular earnings.
3. The parties agree that Co-op Ed students employed and paid as per this Agreement will be considered auxiliary employees and receive the appropriate benefits as per the Collective Agreement, but will not be subject to or affected by layoff and recall provisions in the Collective Agreement. Co-op Ed students, as auxiliary employees, shall be considered terminated for just cause upon completion of the term of employment and shall not retain seniority.
 4. No Co-op Ed student will be hired when regular employees are on layoff who have the qualifications and experience to perform the work. Auxiliary employees will not be displaced by the University as a result of the employment of Co-op Ed students.
 5. The standard hours of work for Co-op Ed students will be seven hours per day and 35 hours per week. These hours may be varied by mutual agreement between the Union and the Employer provided that the Co-op Ed Student does not work more than 10 hours in one day and 70 hours in a biweekly period. Notwithstanding the above, there will be a maximum of 10 students employed university-wide

at any one time with the maximum duration of any one (1) placement or work experience not exceeding four months.

6. The Employer shall maintain a list of Co-op Ed students employed University-wide and provide a copy to the Bargaining Chair once per semester.

LETTER OF UNDERSTANDING 2 **Student Assistants**

1. The University will develop job descriptions for each type of student assistant position. In no event, will the job description contain more than 25% of the principal duties of a bargaining unit classification.

The Bargaining Unit Chair or designate will review and approve all job descriptions prior to posting.

2. Student Assistants will be instructed to work within the job description duties.

3. Student Assistants will be required to wear identification tags that clearly identify their status as Student Assistants.

4. Student Assistants will be hired and paid in accordance with Policy G16 and will be covered by all provisions of the *Employment Standards Act*.

5. The University agrees that Student Assistants will not be used in place of, or to displace any regular or auxiliary employees in the bargaining unit.

6. Any disputes arising from this Letter of Understanding will be referred to Labour/Management Relations Committee. Failing resolution, the matter may be referred to the grievance procedure within 15 days.

LETTER OF UNDERSTANDING 3 **Job Sharing**

This Letter of Understanding is from the date of signing through the life of the Collective Agreement renewed April 1, 1993. The total number of job sharing arrangements shall not exceed six at any one time.

The following outlines the circumstances under which job sharing may occur, and the terms and conditions of job sharing.

1. Job Sharing Criteria

Job sharing proposals may be considered where one of the partners proposing the job sharing arrangement already occupies the regular full-time position under consideration and has completed two years of satisfactory service. The second partner must have completed two years of satisfactory service, must be at the same classification level or higher than the proposed job share position, must currently occupy a regular position, and must be qualified to perform the duties of the position without additional training. Both partners must be performing their current jobs satisfactorily.

2. Job Sharing Proposals

Job sharing proposals must include the following details:

- a written statement signed by both partners requesting part-time employment in order to job share as outlined in the proposal;
- information on the qualifications and experience of the proposed partner (the one not currently holding the proposed shared position);
- a copy of the partner's most recent performance appraisal;
- a description of how job duties and responsibilities may be shared;
- details on what arrangements the partners will make to share necessary information with each other, with clients, with colleagues and with the supervisor;
- a proposal of how workload priorities will be determined by the partners on an ongoing basis;
- preferred start date;
- preferred work schedule.

3. Procedures for Approval of Job Sharing

Requests for job sharing arrangements will be forwarded to the appropriate excluded supervisor, with a copy to Human Resources and the Union (B.C. Government and Service Employees' Union Staff Representative and Chairperson). The job sharing proposal will be reviewed by the excluded supervisor responsible and the supervisor's decision will be sent to Human Resources and the Union. Approval of the job sharing proposal is at the discretion of the excluded supervisor. Any objections to the supervisor's decision must be referred to the Labour/Management Relations Committee within 15 days for discussion and attempted resolution. The parties agree that Labour/Management Relations Committee is the final avenue for appeal of a denied job sharing proposal. If approved, the job share will be confirmed in writing by appointing the job sharing partners as regular part-time employees. The appointment letter shall indicate that the employee's hours may temporarily be increased up to full-time, if required and with as much notice as possible, to cover the other partner's absence of one week or greater.

4. Terms and Conditions

No job sharing arrangement will result in increased cost to the University. Benefits, wage increments, seniority, vacations and statutory holidays for job sharing partners will be paid on a pro rata basis (i.e., proportional to their hours worked and in accordance with the terms of the policies with the benefit carriers) and shall not be less than 14 hours per week. This is the sole exception to Clause 2.4 regarding minimum 20 hours per week for regular status.

The total hours per week to be shared between the partners will be 35 and each job sharing arrangement will be for a minimum period of one year, except in the case of expiry of this Letter of Understanding.

5. Procedures for Termination of Job Sharing

- (a) Either partner or the University due to bona fide operational reasons, may upon 30 days' notice, terminate the job sharing arrangement. Notification of termination will be given to Human Resources and the B.C. Government and Service Employees' Union Staff Representative and Chairperson. The most senior employee, subject to satisfactory performance, will be offered the full-time position; the onus will be on the junior employee to find alternate employment. If the most senior employee turns down the offer of the full-time position, the onus is on that employee to find alternate employment, and the most junior employee, subject to satisfactory performance, will be offered the position. Should he or she turn it down, the onus is on that

employee to seek alternate employment. The position will revert to full-time regular status and be posted in accordance with the Collective Agreement.

(b) Where one of the partners is resigning, the other partner, subject to satisfactory performance, will be offered the position on a full-time basis (Note: Partners in a job share arrangement must give the University four weeks' written notice of resignation). If the remaining partner turns it down, he/she would revert to full-time and would have 60 days to propose and finalize another job share arrangement. The onus is on the employee to seek alternative employment if he/she no longer wishes to job share, or if he/she is unable to obtain an approved job sharing arrangement. In that case the position will revert to full-time status and be posted in accordance with the Collective Agreement.

(c) At the end of the trial period, any outstanding job sharing arrangement will be terminated according to the aforementioned termination procedures unless a further agreement between the University and the B.C. Government and Service Employees' Union is reached to continue the arrangements.

(d) Both parties agree that decisions to terminate a job sharing arrangement are not grievable.

6. Leaves of Absence

Nothing precludes the University from granting a leave of absence for situations in which it is deemed appropriate to grant a leave of absence. Such situations may include, but are not limited to legitimate health-related circumstances, part-time educational leaves, short-term requests and short-term emergency situations.

Any existing arrangements whereby a limited or unlimited leave of absence has been previously granted, will not be affected by this Agreement.

LETTER OF UNDERSTANDING 4 Employment Equity

The parties agree that a joint committee will be struck to review possible employment equity initiatives and to make recommendations relative to such initiatives.

The Committee will be a university-wide committee consisting of equal representation of Staff (BCGEU), Faculty and Administration.

Employment equity initiatives will target the four designated groups defined by the *Employment Equity Act (Canada)*: women; aboriginal peoples; persons with disabilities; and persons who are a visible minority in Canada.

It is agreed that any recommendations made by the Committee are not binding and are subject to agreement by the University and the respective Union.

LETTER OF UNDERSTANDING 5 Market Value Stipend

To recognize the recruitment and retention issues that arise due to the market value placed on the following positions, the Employer will pay to employees performing the duties, a market value stipend.

Stipend (Annual)	Position Title
\$7,000	Network Administrators
\$10,000	Clinical Placement Facilitators Lab Instructors, Nursing Nursing Instructional Associates Programmer Analysts
\$12,000	Senior Network Administrators Web Administrators
\$14,000	Database Administrators Network Analysts Project Leaders

Upon expiry of the Collective Agreement, the parties shall review the arrangement to determine if the market value stipend is still required. In the event a stipend is no longer required, incumbents to these positions will continue to receive the stipend and be "*grandfathered*".

Where market concerns are identified, consultation with the Union would occur prior to the position being posted.

LETTER OF UNDERSTANDING 6
Re: Laboratory/Shop Hours

Following the deletion of Article 37 - Laboratory/Shop Hours, a joint committee shall be appointed, three designated by the Employer and three designated by the Union, that will meet to discuss matters such as, but not limited to, workload assignment, preparation time and lab development. The committee will serve as a vehicle for joint discussion and consultation with a view to exploring possible solutions to mutual problems and concerns. This committee is in no way intended to limit or restrict the rights reserved to the employer to manage its operations or affairs.

The discussions will be completed within six months of the date of ratification.

EXPEDITED CLASSIFICATION APPEAL PROCESS

Employee or supervisor must identify a substantive change or changes in the duties of the position or missing duties of the position. They will submit, in writing to the Committee, those changes or missing duties.

The Joint Committee will review the employee or supervisor submission and any other pertinent data and make comparisons using the Job Evaluation Plan. If the employee or supervisor has not demonstrated a substantive change in the duties of the position or missing duties, the Committee will reply that it either needs more information to consider or the Committee will turn the appeal down, in writing.

If the employee can demonstrate a substantive change or missing duties and the Committee can reach mutual agreement on the changes to the job description and rating, then the revision becomes an agreed-to position and will be forwarded to the employee in writing.

If the Committee is unable to reach mutual agreement, a referee will be appointed from the Union and a referee will be appointed from the Employer to resolve the dispute. If the referees reach agreement, their decision is binding on the parties. The decision will be communicated to the Committee who will inform the employee in writing and make necessary changes.

In the event the referees are unable to reach agreement, the matter will be placed before an arbitrator who is skilled in classification matters. The process for the arbitration shall be as follows:

1. Written submissions to the arbitrator may be presented if mutually agreed by the parties. The submissions will identify factors in dispute and present arguments in favour of the position advocated. The parties will have an opportunity to rebut the arguments of the other side.
2. Oral presentation will follow the same format with the following provisions:
 - (a) The proceeding will take no more than three hours.
 - (b) Swearing-in of witnesses may take place if the arbitrator deems it necessary.
 - (c) There will be no more than one person attending with the Union representative and one person with the Employer representative.
 - (d) Council for employee will be a staff representative from the Union. Council for the Employer will be a representative from Human Resources. There will be no outside representation.

Timelines:

1. The Committee will jointly meet monthly to review any matters raised by employees or managers.
2. Within 30 days of an issue being referred to the referees, they will meet and come to a conclusion on the disposition of the issue.
3. If the referees refer the matter to arbitration, the arbitrator convenes a hearing with the parties within 30 days.
4. The arbitrator will give a binding decision within 14 days of the hearing. It will include a short written decision summarizing the reasons for the decision.
5. Timelines may be extended by mutual agreement.

The parties, referees and arbitrator shall at all times bear in mind that costs of these expedited proceedings are important and should be kept to the minimum which will allow equity to be preserved.
