COLLECTIVE AGREEMENT

BETWEEN:

THE CORPORATION OF THE COUNTY OF OXFORD
WOODINGFORD LODGE

(Hereinafter referred to as the "Employer")

OF THE FIRST PART

and.-

CANADIAN AUTO WORKERS LOCAL 636

(Hereinafter referred to as the "Union")

OF THE SECOND PART

ARTICLE 1 - GENERAL PURPOSE

1.01 The general purpose of the Agreement is to establish and maintain bargaining relations between the Employer and its employees, and to provide an orderly procedure for the prompt and equitable disposition of grievances, and set forth provisions relating to hours of work, wages and working conditions referred to herein.

ARTICLE 2 - RECOGNITION

2.01(a) The Employer recognizes the Union, as certified by the Ontario Labour Relations Board, as the exclusive bargaining agent for all of its employees who are employed at Woodingford Lodge, Woodstock, Ingersoll and Tillsonburg, save and except registered nurses, supervisors, persons above the rank of supervisor and office and clerical staff.

(b) "Full-time employee" means an employee who is regularly employed for more than twenty-four (24) hours per week. "Part-time employee" means an employee who is regularly employed for twenty-four (24) hours per week or less and students employed during the school vacation period.

"Temporary employee" means an employee who is hired to fill a vacancy due to illness, accident or leave of absence that is expected to exceed thirty (30) calendar days, but not expected to exceed twelve (12) months. If the reason for the vacancy still exists at that time, the Temporary position may be extended by mutual agreement or be reposted. The Employer will seek external temporary employees only after the internal job posting procedure has been exhausted. In the event of a layoff Temporary Employees will be released before any layoffs are effected.

(c) The Employer agrees to pay temporary employees as defined above according to the wage schedule of this Collective Agreement. The lay-off provisions, health and welfare provisions, and seniority provisions of the collective agreement do not apply to Temporary employees. Such employees will receive payment in-lieu of benefits as per the collective agreement. Temporary employees are expected to complete their Temporary position and will only be considered for posted permanent positions after the internal job posting procedure has been completed. Temporary employees shall pay union dues as set out in Article 11.

(d) "Student" means an employee who is hired to work during summer vacation periods. To be recognized as a student the employee must present proof of enrolment in a post secondary institution with a minimum caseload equivalent to full-time status and be committed to returning to their studies in the upcoming semester. At the end of the work term the employee would be deemed terminated. The numbers of students hired will be as agreed to by the parties as early in each new year as is possible. The terms and condition of employment of students will be as set out in the Letter of Agreement attached to this Collective Agreement, Students will be paid in accordance with the Student Classification Rate in Schedule "A" and shall remit union dues.

2.02 The Employer will supply the Union Office and each Union Committee Member with a list of Department Heads and other members of management. The list will be revised as changes are made, and the revised copies forwarded to the Union office and to each Union Committee member.

2.03 Every person who is an employee has a right to freedom from discrimination in the workplace by the employer or agent of the employer or by another employee in accordance with the Ontario Human Rights Code, R.S.O.

No employee shall be discriminated against by either party because of her membership or activity in the Union or in the exercise of her rights under this Agreement.

2.04 The Union is recognized as the exclusive bargaining agent for all employees and the employer undertakes that it will not enter into any other agreement with employees as herein defined either individually or collectively which will conflict with any of the provisions of the Agreement.

2.05 Where the feminine pronoun is used in the Agreement, it shall be deemed to include the masculine, and vice versa, where the context so requires.

2.06 So long as a full-time position exists, there will be no splitting of that position into two or more part-time positions without the agreement of the Union, such agreement not to be unreasonably withheld.

ARTICLE 3 - MANAGEMENT RIGHTS

3.01 The Union recognizes that the management of the Lodge and the direction of the working forces are fixed exclusively in the Employer and without restricting the generality of the foregoing, the Union acknowledges that it is the exclusive function of the Employer to:

(a) Maintain order, discipline and efficiency;

(b) Hire, discharge, transfer, promote, demote, classify or assign or discipline employees provided that a claim of discriminatory transfer, promotion, demotion, classification, assignment or a claim that an employee has been discharged or disciplined without a reasonable just cause may be the subject of a grievance and dealt with as hereinafter provided;

(c) Make and enforce and alter from time to time reasonable rules and regulations to be observed by the employees. It is agreed that prior to altering existing rules and regulations or making new rules and regulations, the Employer will inform the Union of the alterations. The Union is entitled to make submissions on any new rules and regulations about which it is informed at the Union/Employer meetings under Clause 5.02.

3.02 The Employer will not exercise these rights and functions in a manner inconsistent with the provisions of this Collective Agreement or in a manner that is arbitrary or in bad faith.

ARTICLE 4 - STRIKES AND LOCKOUTS

- 4.01 The Employer agrees that it will not cause or direct any lockout of the employees covered by the Agreement during the term of the Agreement or any extension thereof. The Union agrees that there shall be no strike during the term of this Agreement or any extension thereof.
- 4.02 The terms "lockout" and "strike" shall have the meaning set out in the Labour Relations Act, as amended.

ARTICLE 5 - UNION REPRESENTATION

- 5.01 The Union shall elect or otherwise select a Union Committee of three (3) employees and the Chairperson, with whom the Employer shall deal on all matters related to this Collective Agreement, including grievances, negotiations and arbitration.
- 5.02 The Employer will meet with the Union Committee once a month, if requested, at a time mutually agreed upon. The party requesting the meeting shall provide the other party, at least 48 hours prior to the meeting, with an agenda of the items to be discussed. Either party may have an outside representative in attendance at such meeting. As a courtesy, where an outside representative will be in the attendance, the other party will be informed no later than the time at which the agenda of items is provided.
- 5.03 The Union shall elect or otherwise select five Union Representatives, one of whom shall be a part-time employee for the purpose of assisting employees in the presentation of grievances in accordance with the provisions of this Agreement.
- 5.04 It is agreed that Union Representatives shall continue to perform their regular duties and responsibilities for the Employer and shall not leave their regular duties without having first secured permission from their immediate supervisor, whose permission will not be unreasonably withheld. Union Representatives requesting time off for the purpose of servicing grievances or attending the meetings referred to in 5.02 shall advise their immediate supervisor of their business and report to such supervisor the time of their return to work. Subject to the foregoing, Union Representatives servicing grievances and/or attending the meetings referred to in 5.02 during their regular working hours shall not suffer any deductions from their regular pay. Where a meeting occurs during a Union Representative's non-working hours, the parties may agree that such Representatives will be paid for time spent in the meeting.

In accordance with this understanding, it is agreed that:

- (a) Each member of the Union Committee shall receive his/her regular pay to a maximum of eight (8) hours in a day when in negotiating meetings with the Employer. Where an employee was scheduled to work on a negotiating day she shall be paid for all regularly scheduled work hours lost due to attendance at negotiating meetings with Representatives of the Employer up to arbitration. Where the employee was not scheduled on that day, she shall be paid as if she were at work. The Employer will provide an alternative day or days off in the same period if at all possible.
- (b) A Union Representative, the grievor(s) and where applicable under this Agreement, members of the Union Committee shall receive their regular pay for all regularly scheduled working hours lost due to servicing grievances or attendance at grievance meetings (including meetings of Grievance Settlement Officers appointed under Section 49 of the Labour Relations Act) with Representatives of the Employer up to and including conciliation.

- 5.05 The Union agrees to supply the Employer with the names of the Union Representatives and Union Committee Members and will keep such list **up** to date at all times.
- 5.06 The Employer shall provide an Office for use by the Union at Woodingford Lodge Woodstock. The Office shall come equipped **with a** lockable filing cabinet, desk, chair, computer (which shall have access **to** the scheduling system); printer and telephone.
- 5.07 The full time Chairperson of the Union Committee will be scheduled to work the day shift only and, if possible, Monday through Friday. The parties hereto agree that such scheduling will be done in accordance with staffing and scheduling requirements *of* the Chairperson's Department. The Union acknowledges that such scheduling is the exclusive right *of* the Employer and may not be taken up as a grievance.
- 5.08 An employee attending a course of instruction that has been mutually agreed upon with their manager will not be required to use vacation time to attend said course.

ARTICLE 6 - COMPLAINT PROCEDURE

- 6.01 It is the mutual desire *of* the parties hereto that complaints *of* the employees be adjusted as quickly as possible. The employee involved **shall** take the matter up with her immediate supervisor within ten (10) **working** days after the circumstances giving rise **to** the **complaint** have occurred, or within ten (10) working days of the time at which the employee ought reasonably to have become aware *of* the circumstances **giving** rise **to** the complaint occurred.
- 6.02 Within five (5) **working** days after receiving the complaint as aforesaid, the immediate supervisor shall give the complaining employee a decision. Failing settlement or failing a response, the matter may then be taken up as a grievance within five (5) working days following the advice *of* the immediate Supervisor's decision in the manner and sequence outlined in Article 7.
- 6.03 A Union Committee person or designate will be present during **all** warnings, counseling sessions and consultations regarding disciplinary actions and discharge. A copy of any warning to be placed **in** an employee's file must be copied to the Union Chairperson. The Employer will notify the Union prior to the discipline/discharge occurring.

ARTICLE 7 - GRIEVANCE PROCEDURE

- 7.01 For the purpose of this Agreement, a grievance is defined as a difference arising between the parties relating to the interpretation, application, administration or alleged violation of the Agreement including any questions as to whether a matter **is** arbitrable.
- 7.02 It is understood that an employee has no grievance until she has first given her immediate supervisor the opportunity *of* adjusting her complaint. Accordingly, Article 6 must first be complied with before the grievance procedure may be invoked. Where the grievance procedure **is** invoked it shall proceed in the following manner and sequence:

Step 1

The aggrieved employee, who may be accompanied by a Union Representative if she so requests, shall present her grievance in writing to her immediate supervisor. The grievance shall include the nature of the grievance, the remedy sought and in addition, the employee will endeavour to set out the section or sections *of* the Agreement which are alleged *to* have been violated. The immediate

supervisor shall deliver her decision in writing within five (5) working days following the presentation of the grievance to her. Failing settlement:

Step 2

Within five (5) working days after the decision in Step 1 is given, the employee, who may be accompanied by her Union Representative, may submit the grievance in writing to the Manager of Operations or her designate who shall deliver her decision in writing within five (5) working days following the presentation of the grievance to her. Failing settlement:

Step 3

Within five (5) working days following the decision in Step 2, the employee may submit her grievance to the Employer for discussion at a meeting of the grievor, the Union Committee members, the Union Representative and a Committee appointed by the Employer. Such special meeting shall take place within ten (10) working days following the submission of the grievance to the Employer. A representative of Local 636 may attend the meeting, and the Employer may have such assistance as it desires. The decision of the Employer's representatives will be made known in writing within five (5) working days from the date on which the meeting was held, and failing a settlement, the grievance may then be referred to arbitration if the request is made in writing within thirty (30) days after the grievance has been dealt with at such special meeting.

- 7.03 For the purpose of this article, reference to days relating to steps in the complaint, grievance and arbitration procedure shall exclude Saturdays, Sundays and paid holidays.
- 7.04 Where more than two (2) employees have similar grievances arising out of the same circumstances and each employee would be entitled to grieve separately, they may present a group grievance. A group grievance shall be subject to the complaint and grievance procedure set out in this Agreement.
- 7.05 The time limits set out in the complaint and grievance procedure may be extended by written mutual agreement.

ARTICLE 8 - POLICY GRIEVANCE

- 8.01 It is agreed that a grievance arising directly between the Employer and the Union shall be set out in writing and shall be originated at Step 3 of the grievance procedure.

Such a policy grievance shall be subject to the time limit set out with respect to that Step. It is understood however, that the provisions of this paragraph may not be used with respect to a grievance directly affecting an employee or employees, and that the regular grievance procedure shall not be thereby bypassed, except where the employee(s) has refused to file a grievance within the prescribed time limits after being so requested by the Union and the alleged violation of the Collective Agreement directly affects the interests of other employees.

ARTICLE 9 - ARBITRATION PROCEDURE

- 9.01 Failing settlement under the foregoing procedure of any grievance between the parties arising from the interpretation, application, administration or alleged violation of the Agreement, including any question as to whether a matter is arbitrable, such grievance may be submitted to arbitration as hereinafter provided. If no written request for arbitration is received within 30 days after the decision under Step 3 is given, the grievance shall be deemed to have been abandoned.

- 9.02 When either party requests that any matter be submitted to arbitration **as** provided in the foregoing paragraphs, it shall make such request in writing addressed to the other party to this Agreement and shall at the same time appoint a nominee. Within ten **(10)** days thereafter, the other party shall appoint his nominee and the two nominees shall agree upon a third person to act as Sole Arbitrator. If the two nominees are unable to agree upon a third person within ten **(10)** days after the appointment of second nominee, then a third person shall be appointed by the Minister of Labour upon the request of either party.
- 9.03 No matter may be submitted to arbitration which has not been properly carried through all requisite steps of the grievance procedure within the time limits herein set out.
- 9.04 No person may be appointed as a nominee or arbitrator **who** has been involved in an attempt to negotiate or settle the grievance.
- 9.05 Each of the parties hereto will bear the expenses of the nominee appointed by it and the parties **will** share equally the expenses of the Sole Arbitrator. The proceedings of the Sole Arbitrator will be expedited by the parties hereto, and the decision of the Sole Arbitrator will be final and binding upon the parties and the employee or employees concerned.
- 9.06 The Sole Arbitrator shall not be authorized to make a decision inconsistent with the provisions of this Agreement nor to alter, modify, add to or amend any part of this Agreement.
- Mediation
- 9.07 The parties agree that it is their intent to resolve grievances without recourse to arbitration, wherever possible. Therefore, notwithstanding the preceding, the parties may, upon mutual agreement, engage the services of a mediator in an effort to resolve the grievance and may extend the time limits for the request for arbitration. The parties will share equally the fees and expenses, if any, of the mediator.
- (i) A request to utilize the services of a mediator must be submitted by either party within ten **(10)** working days of the response at Step No. 3.
- (ii) Mediation will be attended by a maximum of four **(4)** representatives of the Union and four **(4)** representatives of the Employer. It is understood that the grievor is also entitled to be present at mediation. Legal counsel will not be present at mediation.
- (iii) Any concessions, discussions or offers to settle the grievance which occur during mediation are without prejudice to each parties' position at arbitration.
- (iv) Time spent during regular working **hours** at mediation shall be paid at the employee's regular rate of pay.
- (v) Grievances not resolved at mediation will be forwarded to arbitration in accordance with 9.02 above.
- 9.08 Grievance Commissioner
- (a) **As an alternative to the regular arbitration procedure provided for in this Article, the parties may agree, in writing, to refer a grievance, or grievances, to a mediation/arbitration process. The Commissioner shall be selected by mutual agreement of the parties from the following list: Frank Reilly, Gail Brent, Gerry Lee.**
- (b) **Matters that the parties wish to submit to the Grievance Commissioner shall be of a nature that the facts can be submitted in an Agreed Statement of Fact. The parties will meet within thirty (30) calendar days of Step 3 to draw up the Agreed Statement of Fact.**

(c) Such Statement of Fact will be set out in writing by the parties and submitted to the Grievance Commissioner, along with a copy of the grievance(s) to which the Statement of Fact relates to, and a copy of the Collective Agreement under which the grievance(s) is filed along with available dates. If the parties cannot agree on the Statement of Fact the other dispute resolution mechanisms can be used and no timeliness objection will be raised arising out of the delay in attempting to utilize the Grievance Commissioner.

(d) The Grievance Commissioner shall have the power to attempt to find a mediated settlement to the grievance placed before him or her, and failing that may issue an award that binds the parties.

(e) The hearing shall be held within sixty (60) calendar days of the parties' agreement to use this process and a requirement to file within arbitration timelines.

(f) The parties shall be limited to relying upon the matters set out in the Statement of Fact, and the provisions of the Collective Agreement. Each party shall be given a maximum of twenty (20) minutes for argument, and a further ten (10) minutes each for rebuttal.

(g) Prior to hearing the oral arguments of the parties the Commissioner shall enquire as to the interest of the parties in mediation. If there is an interest in mediation the parties may proceed with the mediation process or make their oral arguments and then move to mediation. In any event, the parties agree that in no case will the parties be prevented from making their oral arguments in this process prior to the end of the day of the hearing,

(h) Because of the informal nature of these proceedings the results shall be binding on the parties, but will not result in any precedent for future cases.

(i) The decision of the Commissioner shall be confined to the grievance referred to him or her. Such decision must be consistent with the provisions of this Agreement, and the Commissioner shall have no power to alter, modify or amend any part of this Agreement.

(j) Where possible the parties can send as many grievances to the Commissioner in a single day as may reasonably be mediated and/or argued on that day.

(k) The Commissioner shall render his or her decision in writing within ten (10) calendar days of the mediation/arbitration date.

(l) It is understood and agreed that any grievance that is referred to a Commissioner cannot be unilaterally withdrawn from this process and referred to another process for resolution by the Employer or the Union after the statement of fact has been agreed to, either during the process, before a decision has been rendered by the Commissioner or any time thereafter.

(m) The Union and the Employer shall each be responsible for one half of any fees or expenses charged by the Commissioner.

ARTICLE 10- DISCIPLINE CASES

10.01 A claim by an employee that she has been discharged without reasonable cause, shall be treated as a grievance if a written statement of such grievance is lodged with the Employer at Step 3 of the grievance procedure within ten (10) days after the date the discipline is effective; except that an employee who has not completed her probationary period, may be terminated on the basis of an

assessment of suitability for employment with the Lodge, but which action may be taken, up as a grievance.

- 10.02 A grievance as defined in the preceding paragraph may be settled under the grievance or arbitration procedure by:
- (a) confirming the Employer's action in dismissing or suspending the employee, or
 - (b) reinstating the employee with or without compensation for time lost, or
 - (c) by any other arrangement which may be deemed just and equitable by the parties or the Sole Arbitrator.
- 10.03 Management personnel, when imposing disciplinary action for a current incident, will not take into account any prior infractions which occurred more than fourteen (14) months previous to such incident.
- 10.04 An employee, upon written request, shall be granted the opportunity to view her personal file. Information to be viewed will include:
- (a) application form;
 - (b) written warnings and evaluations, if any;
 - (c) incident reports, if any.

ARTICLE 11 - UNION SECURITY

The Employer will deduct Union Dues monthly for the term of this Agreement according to the following conditions:

- 11.01 All employees covered by the Agreement shall have Union Dues deducted monthly as a condition of employment. The amount of the regular monthly dues shall be those authorized by the Union in accordance with the provision of its by-laws and constitution and the Treasurer of the Union shall notify the Employer of any changes therein and such notification shall be the Employer's conclusive authority to make the deductions specified.
- 11.02 Dues deductions shall become effective in the month following the month in which the employee was hired. The deductions shall be made from the first pay in each calendar month where there are sufficient funds and forwarded to the Treasurer of the Union in the same month as the deduction was made along with a list of employees from whom deductions were made showing the amounts deducted as well as the rate of pay. The Employer will, at the same time, advise the Union of the names of any employees who have been terminated or laid off in the preceding month and the names and classifications of any employees hired during the preceding month. T4 slips issued annually to employees shall show deductions made for Union dues.
- 11.03 It is further agreed that the Employer will notify the Union office in writing once each month, of the names, addresses, and classifications of all new employees hired the previous month who are subject to the Agreement. A representative of the Union shall be given an opportunity, **without loss of pay**, to interview the new employee(s) **during the orientation day** for a maximum of **twenty (20)** minutes. **The Employer will coordinate the time of the meeting with employee(s) with the Union's Committee Chairperson or her designate. The meeting will occur within the first twenty-one (21) days of the commencement of the employee(s) employment.**

11.04 In consideration of the deducting and forwarding of the Union dues by the Employer, the Union agrees to indemnify and save harmless the Employer against any claims or liabilities arising out of or resulting from the operation of the Article.

ARTICLE 12 - SENIORITY

12.01 Seniority is defined as length of continuous service and will be acquired when an employee has worked 337.5 hours or 120 calendar days (excluding orientation), whichever comes first. The employer will make reasonable efforts to assign probationary employees to a unit. At or near the middle of the probationary period the employee shall be interviewed by the immediate supervisor or designate to evaluate their work performance. Upon successful completion of this probationary period, employees will be credited with seniority from the date of hire.

12.02 In all cases of promotion, demotion, transfer, layoff, reduction in hours and recall following layoff, seniority shall govern provided that the senior employee possesses the necessary qualifications and ability to perform the work available.

12.03 Seniority lists containing the names of all employees will be posted on the Union bulletin board in March and September of each year. The Employer agrees to supply the Local Union and Union Committee with a copy of the seniority list as posted and updated. In addition, a list will be sent to the Local Union which includes names, addresses, postal codes and phone numbers.

12.04 Employees whose status changes from full time to part time or from part time to full time shall have their seniority reflected as of date of hire.

12.05 Subject to the terms of the specified benefit plans, when an employee is laid off, and providing the employee has no found alternate employment:

- (a) the Employer will continue to maintain premiums on behalf of the employee until the last day of the month following the 3rd month in which the layoff starts.
- (b) persons laid off for a period longer than 3 months will become exclusively responsible for the payment of all health and welfare premiums previously paid by the Employer for the following three months.

12.06 Layoff and Recall

- (a) In the event of layoff, the Employer shall layoff employees within their classification from the part-time or full-time seniority list, provided that there remain on the job employees who have the ability and qualifications to perform the work.
- (b) For the purposes of layoff, full-time and part-time seniority lists are deemed to be separate except as may be amended below.
- (c) An employee who is subject to layoff shall have the right to either:
 - i) accept the layoff; or
 - ii) displace an employee who has lesser bargaining unit seniority, and is of the same status (full-time or part-time) in a lower or identical paying classification in the bargaining unit if the employee originally subject to layoff is qualified for and can perform the duties of the identical or lower paying classification without training other than orientation.

Such employee so displaced shall be laid off and may bump an employee who is of the same status (full-time or part-time), and who is a less senior employee in a lower ~~or~~ identical paying classification in **the bargaining unit**, if the employee originally subject to layoff is qualified **for** and can perform the duties of the lower or identical paying classification without training other than orientation. Such employee so displaced shall be laid Off.

- iii) where there are no employees with less seniority in lower or identical paying classifications, a laid off employee will have the right to displace an employee—with-less-seniority in another—higher—paying-classification provided she is qualified for and can perform the duties without training other than orientation. Such employee so displaced shall be laid ~~off~~ and subject to the language in (c) ii) paragraph 2.
- iv) where a full-time employee cannot bump another full-time employee in accordance with the above, she can displace a part-time employee in an equal or lower paying classification who is less senior provided she is qualified for and can perform the duties of the **classification** without **training** other than orientation. Such part-time employee so displaced shall be laid ~~off~~ and shall be entitled to the rights as set out in (ii) above. A part time employee who cannot bump another part-time employee shall likewise have the right to displace a less senior full time employee provided she is qualified for and can perform the duties ~~of~~ the classification without training other than orientation. Such full-time employee so displaced shall be laid ~~off~~ and shall be entitled to the rights set out in (ii) above.

The decision ~~of~~ the employee to choose (i), (ii), (iii) or the above shall be given in writing to Human Resources within seven (7) calendar days following the notification ~~of~~ layoff. Employee failing to do so will be deemed to have accepted the layoff. Any other employee subsequently bumped must exercise their bumping rights within three (3) days of their being bumped.

- v) Orientation is defined as an opportunity for the Employer to advise the bumping employee of any particular requirements, procedures or aspects of the job and for the bumping employee to become familiar with the job processes and requirements. It is not a training period.

- 12.07 (a) An employee shall have the opportunity of recall from a layoff to an available opening, in order of seniority, provided she has the qualifications and ability to perform the work without training other than orientation. For clarity, in all matters of posting (permanent or **temporary** positions) the **position(s)** will be posted first. Applicants currently working, as well as those on layoff, will be considered in accordance with the **job** posting procedure, Article 25. A laid ~~off~~ employee shall retain the rights of recall for a period of thirty (30) months from the date of layoff.
- (b) In determining the ability ~~of~~ an employee to perform the work for the purposes of the paragraph above, the Employer shall not act in an arbitrary manner.

- (c) In the event ~~that a~~ layoff commenced on the day immediately following a paid holiday, an employee otherwise qualified for holiday pay shall not be disentitled thereto solely because of the day on which the layoff commenced.
- (d) No new employees shall be hired until all those laid off have been given an opportunity to return to work and have failed to do so, in accordance with the loss of seniority provision, or have been found unable to perform the work available.
- (e) It is the sole responsibility of the employee who has been laid off to notify the Employer of her intention to return to work within five (5) working days (exclusive of Saturdays, Sundays and paid holidays) after being notified to do so by registered mail pursuant to ~~the application of Article 12.08,~~ addressed to ~~the last address~~ on record with the Employer (which notification shall be deemed to have been received on the second day following the date of mailing) and to return to work within seven (7) working days after being notified. The notification shall state the job to which the employee is eligible to be recalled and the date and time at which the employee shall report for work. The employee is solely responsible for her proper address being on record with the Employer. Employees recalled to temporary positions as a result of being the successful applicant are entitled to refuse such offer without losing their recall rights. Employees recalled to permanent positions as a result of being the successful applicant will be advised that the recall satisfies the requirements for recall in the collective agreement and that they will not be entitled to further recall.
- (f) When a laid off employee bids for and is successful in obtaining a posted permanent position, she shall have no further recall rights.
- (g) Employees on layoff are responsible for maintaining the necessary qualification for performing the work of the classification from which they are laid off. If the Employer lays off employees from a particular department, the employees will be considered qualified for purposes of recall in that department during their entire recall period unless absolutely prohibited by law.

12.08 Persons on layoff shall be deemed to have applied for all such jobs while they retain recall rights.

12.09 Notice of Layoff

In the event of a proposed layoff at the Lodge of a permanent or long term nature the Employer shall:

- (i) provide the Union with no less than three (3) months' written notice of this proposed layoff; and
- (ii) provide to the affected employee(s), written notice of layoff, or pay in lieu thereof in accordance with the Employment Standards Act.

NOTE (1): Where a proposed layoff results in the subsequent displacement of any member(s) of the bargaining unit, the original notice to the Union provided in (i) above shall be considered notice to the Union and any affected employee(s) of any subsequent layoff.

NOTE (2): A layoff of a long term nature is defined as a layoff for a period of more than twelve (12) weeks.

12.10 Grievances concerning layoffs and recalls shall be initiated at Step 3 of the Grievance Procedure.

12.11 Loss of Seniority

An employee shall lose all service and seniority and shall be deemed terminated if she:

- (a) quits;

Parental Leave

- (a) An employee who is a parent and has been employed for at least thirteen (13) weeks before the birth of a child or before the child comes into a parent's custody, care and control for the first time, is entitled to a 35 week unpaid parental leave (for the birth mother) and a 37 week unpaid parental leave for all other new parents.
- (b) A "Parent" includes a person with whom a child is placed for adoption and a person who is in a relationship of some permanence with the parent of the child and who intends to treat the child as their own.
- (c) The parental leave of an employee who takes a pregnancy leave must begin when the pregnancy ends unless the child has not yet come into the custody, care and control of a parent for the first time.

For employees who **do** not take a pregnancy leave, parental leave may begin no more than **52** weeks after the day the child is born or comes into the custody, care and control of a parent for the first time.
- (d) An employee who is entitled to a parental leave is required to give the Employer two weeks written notice prior to the commencement of the leave. If they do not specify when the leave will end, it will be assumed that they wish to take the maximum leave.
- (e) An employee who has given notice to begin a parental leave may change the notice to an earlier date by giving at least *two* weeks notice before the earlier date, or to a later date giving two weeks notice before the leave was to begin.
- (f) If the employee stops work because the child has arrived earlier than expected, the employee has two weeks from that date to give the Employer written notice of their intent to take the parental leave.

23.10 During the pregnancy/parental leave, the employee shall continue to accrue service, **seniority**, and vacation credits and the Employer shall continue to maintain all health insurance premiums normally maintained by it on behalf of the employee subject to the terms of the particular benefit plan.

23.11 When an employee returns to work after pregnancy/parental leave, the employee shall provide the Employer with at least *two* (2) weeks' notice of her return. On return from maternity/adoption leave, the employee shall be returned to her former duties in the same department and at the same classification and prevailing wage rate and following her old shift rotation, subject to the existence of such duties in the same department and the old shift rotation being available at the time of her return. Should these conditions not be available, placement in classification, wage rate and shift rotation will be made pursuant to the Collective Agreement.

ARTICLE 24 – JURY/ WITNESS DUTY

24.01 If any employee is required to serve as a juror or as a witness in a civil or criminal proceeding in a court of law, she shall not lose any pay because of such attendance provided that the amount received for such service or attendance is repaid to the Employer. The employee shall produce proof of service and attendance and shall notify the Employer immediately upon her notification that she shall be required attend.

ARTICLE 25 - JOB POSTING

- 25.01 Permanent vacancies and newly created jobs in the bargaining unit which *the* Employer decides to fill will be posted for a period of seven (7) days. If an emergency exists, that may not allow for the above procedure to be followed, the Union Chairperson will be so advised immediately. Such postings shall contain the job title, current salary range, location, **primary site (Woodstock, Ingersoll, or Tillsonburg)** and where applicable, a brief description of the duties and responsibilities. In addition, the posting shall indicate those qualifications required by the Employer.
- 25.02 Employees shall have the right to bid during such seven (7) day period on any such vacancy or new job ~~created. Such vacancy or new job created shall be filled from the applications received on the basis of~~ seniority provided the senior employee possesses the necessary qualifications and experience to perform the normal requirements of the job. New hires will be excluded from bidding until six (6) months from their date of hire.
- 25.03 In the event the successful applicant **decides not to commence work in an awarded position, or** within twenty-five (25) working days (**excluding orientation**) of commencing work in the posted position or such longer period as may be mutually agreed upon in writing, proves unsatisfactory or requests a return to her former position, she shall be returned to **her** former position (**or status in the event the successful applicant was on layoff**) without loss of seniority. It is agreed that successful applicants of the job bidding procedure will not be permitted to reapply for **more than one other permanent posted job in the twelve months after the first day in the new position (or the proposed date in the event of an employee who does no work in the new position).**
- 25.04 **Job Descriptions**
The Employer shall make available to employees ~~on~~ the occasion of their employment, or on request, information as to the job descriptions for which they are presently or may be employed. The Union shall be provided with bargaining unit **job** descriptions as they are developed.
- 25.05 Full time vacancies which are not expected to exceed thirty (30) calendar days due to illness, accident or leaves of absence may be filled at the discretion of the Employer. In filling such vacancies, equalization of the available hours will be shared amongst all part-time employees in the department who are qualified to perform the work in question. If unable to fill the vacancy then the hours shall be shared amongst all part-time employees in the bargaining unit prior to considering people outside the bargaining unit.
- 25.06 **Temporary** vacancies, due to illness, accident, or leaves of absence, which are expected to exceed thirty (30) calendar days shall be posted in accordance with this article, to allow all employees to bid on such vacancy. Upon completion of *the* vacancy and the return of the employee, the successful applicant shall return to her former position.
- The successful applicant may not bid on another **temporary** vacancy due to illness, accident or leaves of absence, until she has returned to her former position, by completing the vacancy, and the full-time employee has returned. The successful applicant who does not complete the vacancy will not be eligible to bid on another temporary position until the employee returns and/or the original temporary vacancy is completed. **These employees will not be prevented from applying for a permanent position, provided 25.03 does not bar them.**
- 25.07 **When an employee has the highest seniority and is the successful applicant to a Temporary position, the next most senior applicant will be offered the job of the employee who was successful in applying for the posted position. This employee has the right to refuse the offer without being disqualified from future postings.**

In order to be awarded a Temporary position, applicants, including employees on modified duties, must meet the necessary qualifications and experience to perform the **job** in order to be considered.

An employee on modified duties will not be awarded another job in her own classification if the employee cannot fulfill the normal requirements of the **job**. Such an employee is entitled, however, to apply for a position in another classification. At that point an assessment will be undertaken if she can **do** the **job** without modification. If she is also the most senior applicant and can do the job without modification she **will** then be awarded the temporary position.

For the purposes of this article ~~the parties agree that~~ a job that is “awarded” is one which has been offered to an applicant and not yet accepted. Employees who are awarded positions may turn them down without penalty.

A “successful applicant” means an applicant who is awarded a **job** and who has accepted it. The employee may or may not have actually started in the new position to be deemed successful. Successful applicants who do start in the position, or who do not complete the position are subject to the limitation on future applications.

ARTICLE 26- MINIMUM ALLOWANCE

- 26.01 Employees who report for scheduled work without being notified to the contrary at least two hours in advance will be guaranteed at least four **(4)** hours of work or, if no work is available, will be paid for at least four **(4)** hours at the applicable rate. This shall not apply in cases of a labour dispute, conditions beyond the control of the Employer, or in cases where reasonable efforts were made to contact the employee prior to the commencement of the shift.
- 26.02 Any employee who is called back to perform work at any time between one (1) hour after she has left work and one and one half (1 1/2) hours before her normal starting time, shall be paid a minimum of four **(4)** hours at time and one half.
- 26.03 Any employee who is called in to work as a replacement for an absent employee after that employee's shift has started and who completed six **(6)** or more hours work will be paid for the full shift at the applicable rate.

ARTICLE 27 - BULLETIN BOARD

- 27.01 The Employer will provide, at a location in the Home designated by the Employer, a bulletin board in each site for the exclusive use of the Union on which bulletin board the Union may post notices having to do with its official business only. In addition, a second bulletin board for the same purposes shall be made available in the staff lounge of the Woodstock site.

ARTICLE 28 - JOB SECURITY

- 28.01 Before introducing any technological changes which will cause the layoff or the reduction in hours worked of any employee in the bargaining unit, the Employer shall notify the Union of its intention to introduce the changes. Upon request from the Union, the Employer further agrees to meet with the Union and discuss the proposed technological changes and to consider suggestions made by the Union of ways and means of minimizing the effect upon the employees concerned.

28.02 The Employer shall not contract out any work usually performed by members of the bargaining unit if as a result of such contracting out a layoff of any employees results from such contracting out. Contracting out to an Employer who is organized and who will employ the employees of the bargaining unit who would otherwise be laid off is not a breach of this provision.

28.03 Supervisors and persons outside the bargaining unit shall not perform work normally performed by members of the bargaining unit except:

- (a) in cases of emergency;
- (b) when instructing other employees;
- (c) when performing experimental work;
- (d) when regular employees are not available due to being late for work or absent from work, until the Employer can find a replacement employee from within the bargaining unit
- (e) in other circumstances, upon obtaining consent of the Union.

ARTICLE 29 "TRANSFERS"

29.01 When an employee transfers or is transferred from one department or classification to another department or classification where the wage rate is equal to or higher she shall be paid at such rate set out in the wage schedule for such department or classification so that the employee will not be earning less money than prior to the transfer. If the wage rate is less than the wage rate of the transferred employee, she shall receive the corresponding rate vertically in the new classification.

29.02 When an employee who is transferred to a higher classification has recent past experience with the Employer which is relevant to the higher category, the Employer shall give the employee credit for all of such experience up to the maximum of the higher rated job.

ARTICLE 30 - CLASSIFICATION ADJUSTMENT

30.01 When the Employer establishes a new classification during the term of this Agreement, the Employer shall establish the rate of pay for the new classification.

30.02 Where the Union disagrees with the rate of pay established by the Employer for the new classification, it may file a grievance pursuant to the grievance procedure established in this Collective Agreement. Failing resolution during the grievance procedure, the dispute may be referred to arbitration for final determination. The Sole Arbitrator hearing the dispute shall select either the rate established by the Employer or that proposed by the Union, and shall make the selection on the basis of the community of interest shared by employees in the new classification with other employees in the bargaining unit.

ARTICLE 31 - HEALTH AND SAFETY

31.01 The Employer and the Union agree that they mutually desire to maintain standards of safety and health in the Home in order to prevent accidents, injury, and illness.

31.02 Recognizing its responsibilities under the applicable legislation, the Employer agrees to accept as members of its Accident Prevention, Health and Safety Committee three representatives whose primary duties are in Woodstock, one representative whose primary duties are in Ingersoll and one representative whose primary duties are in Tillsonburg, to be selected or appointed by the Union from amongst employees.

The parties will agree to the terms and conditions as set out in the Health and Safety Committee's Terms of Reference.

- 31.03. Such Committee shall identify potential dangers and hazards, institute means of improving health and safety programmes and recommend actions to be taken to improve conditions related to safety and health.

- 31.07 At the request of the Joint Health and Safety Committee, a **CAW** National Health and Safety Representative **will** be allowed to attend Health and Safety meetings and to tour the workplace accompanied by a management member and a worker member of the Joint Health and Safety Committee.
- 31.08** The Employer recognizes the safety concerns of all staff and shall provide all employees whose work requires them to wear protective equipment with such necessary equipment and protective clothing as determined by the Employer. The Health and Safety **Committee** may make recommendations on such equipment and protective clothing (e.g. gloves, long sleeved gowns, masks, goggles). These shall be maintained and replaced, when necessary, at the Employer's expense when determined by the Employer. Where the committee recommends the wearing of such protective clothing and equipment, and the Employer implements the committee's recommendation, employees are obligated to comply with such recommendations.

Effective July 1, 2009 employees in the maintenance department are eligible for a boot allowance of \$100 paid on presentation of receipts and when boots are replaced with the prior approval of the employee's manager.

The Employer will advise workers of the proper procedures and proper precautions necessary to deal with such residents' conditions. The direct care workers are obligated to maintain confidentiality in respect of this information.

Employees who are not direct care employees will be made aware of special procedures required of them to deal with these circumstances. The parties agree that it is important for all employees to practice universal precautions in all circumstances. The Employer will ensure that all employees are aware of the requirement to practice universal precautions.

ARTICLE 32- UNIFORM ALLOWANCE

32.01 Where the Employer requires an employee to wear a uniform, the Employer shall either provide a uniform to the employee or provide to the employee a uniform allowance. The decision concerning which of the above is to be provided shall be at the sole discretion of the Employer.

Where the Employer decides to provide a uniform, it shall be selected and obtained by the Employer and shall be of such style and texture as may be designated by the Employer.

Where the Employer decides to provide an allowance, this allowance shall be \$175.00 per calendar year for full time employees and \$100.00 per calendar year for part time employees, pro-rated from date of hire for the first calendar year. This allowance will be paid twice a year, in May and November. When the Employer decides to provide an allowance, it may also determine the style and texture of the uniform to be worn.

The colours to be worn throughout the Lodge will be agreed upon between the Union Committee and the Employer.

ARTICLE 33 - GENERAL

Any employee who has terminated her employment prior to the signing of this Agreement shall have a period of sixty (60) days only from the date of the execution of the Collective Agreement in which to claim from the Employer any adjustment to the remuneration. The amount of retroactive payment shall be itemized and shown separately and shall be paid within two (2) pay periods (bi-weekly) of the Employer being notified of the ratification/arbitration award.

Should the Employer pay the retroactivity at a time greater than two (2) pay periods (bi-weekly), interest on the retroactive payment, calculated at the Bank of Canada rate in effect at the end of the two (2) pay periods, shall be paid effective from that date.

ARTICLE 35 - WAGES

35.01 Wages shall be paid on an hourly basis of pay. Wages shall be as set out in Schedule "A", which schedule is hereby made a part to this Agreement.

35.02 For the purpose of calculating any benefit under this Agreement to which the employee is entitled, the regular straight time rate of pay is that prescribed in Schedule "A" to this Collective Agreement.

35.03 Errors on Paycheques

Where the Employer makes an error on an employee's pay cheque, such that the employee's pay is reduced by at least one hundred dollars (\$100.00) and the employee so requests, the Employer shall correct the error within three (3) business days of the error being brought to the attention of the Administrator.

Influenza Vaccinations

The parties agree that influenza vaccinations may be beneficial for residents and employees. Upon a recommendation pertaining to a facility or a specifically designated area(s) thereof from the Medical Officer of Health or in compliance with applicable provincial legislation, the following rules will apply:

- (a) Employees shall, subject to the following, be required to be annually vaccinated for influenza.
- (b) The Employer will offer the influenza vaccination to all employees during working hours free of charge. In addition, employees will be provided with information, including risks and side effects, regarding the vaccine. If the employee wishes to receive the influenza vaccine from their attending physician, the **Employer** requests written documentation to be **submitted** as proof that the influenza vaccination has been received.
- (c) The Employer recognizes that employees have the right to refuse any required vaccination or medically approved antiviral medication.
- (d) If an employee refuses to take the vaccine required under this provision, except for medical or religious reasons, she may be placed on an unpaid leave of absence during any influenza outbreak in the Home until such time **as** the employee is cleared to return to work in accordance with (f) or the outbreak **is** determined to be over by the Medical Officer of Health or the local Public Health Unit. Employees in such a case may access their vacation bank, it being understood that the employee is responsible to return to work when recalled without delay.
- (e) If an employee refuses to take the vaccine because it is medically contra-indicated, or due to religious grounds, and where a medical certificate is provided to this effect, she will be reassigned during the outbreak period, **after** discussion with the Union, unless reassignment is not possible, in which case the employee will be paid. Such reassignment will not adversely impact the scheduled hours of other employees.
- (f) It is the expectation **of** the Employer that the employee who declines the influenza vaccine will take the medically approved antiviral medication prior to returning to work during an influenza outbreak. (**According** to Public Health, the antiviral may be ingested and the employee is clear to return to work immediately.) If the employee declines to receive the medically approved antiviral for other than medically contra-Indicated or **religlous** grounds the employee is expected to call the Employer and inform their immediate supervisor of their decision. The employee will return to work upon being notified by the Employer that the outbreak is over. The employee will be returned to her normally scheduled shift and Article 13.08 will not apply.

Abuse

The parties agree that abuse and/or threatening behaviour from residents to staff must be addressed. The Employer supports an environment in which staff are treated with dignity and respect. There will be no backlash or retaliation for lodging a complaint, or participating in an investigation, in good faith. Abuse or threatening behaviour by residents may include, but ~~is~~ not limited to physical abuse, psychological abuse, emotional abuse and sexual abuse. The parties further agree that the Long Term Care environment contains residents who, through no fault of their own, exhibit behaviours and actions that are unwelcome to staff. The workplace is built around managing these behaviours to the benefit of both the residents and the staff.

It is agreed that when an employee is faced with abuse from a resident it may be necessary for that employee to leave the threatening situation and immediately notify her supervisor, who **will** assess the situation and give further **direction**. It is agreed that no employee will be obligated to work **one-on-one** until a satisfactory resolution has been reached.

In the event that a resident knowingly continues with the harassment following the above procedure, further action will be taken which may include the staff member being given the opportunity to voluntarily transfer, without penalty or **loss** of income, to a different work area or **be** assigned a different resident. Where the employee is not satisfied with the intervention, the employee may raise the matter with the Unit Chairperson, or designate. She, in turn, may discuss the matter with the Administrator in an attempt to reach a mutually agreeable resolution.

Hairdresser Contracting Out

The Union agrees to allow the Employer to gradually phase out the Hairdressing from the Bargaining Unit. During the phase out period it is expected that vacant hairdresser hours will be replaced by other persons employed as hairdressers in the bargaining unit (as of October 9, 2008) to the extent that such person(s) are willing to work the shifts offered. The total hours lost from this service will go to the activation department. The Employer agrees that this will be done by not replacing the Hairdressers as they retire, quit or are terminated and whose position is not reinstated through the grievance procedure. The Employer also agrees that any outside contractor hired to provide hairdressing services will not take hours away from the employees currently performing this work. In addition hours created due to absence, vacation, etc. will be distributed first to other persons in the bargaining unit employed as hairdressers.
