ARTICLE 1 - PREAMBLE

1.1 Purpose of Common Agreement

1.1.1 The purpose of this Agreement is to establish and maintain orderly collective bargaining procedures between the Parties.

1.1.2 In order to promote the efficient and effective operation of the institution through the establishment and continuance of harmonious relations and working conditions established under the collective agreement, and to assist in the development and expansion of the public post-secondary system, the Parties therefore agree to the following terms of contract.

1.2 Future Legislation

In the event that any future legislation renders null and void or materially alters any provision of this Agreement, the Parties hereto will negotiate a mutually agreeable provision to be substituted for the provision so rendered null and void or materially altered. All other provisions of the Common Agreement shall remain in full force and effect.

1.3 Conflict with Policies

Every reasonable effort will be made to harmonize employer policies with the provisions of this Agreement. In the event of a conflict between the contents of this Agreement and any policies made by the employer, the terms of this Agreement will prevail.

1.4 Singular and Plural

Wherever the singular is used in the Common Agreement, the same shall be construed as meaning the plural if the context requires unless otherwise specifically stated.

ARTICLE 2 - HARASSMENT

2.1 Statement of Commitment

The Institutions promote teaching, scholarship and research and the free and critical discussion of ideas.

Unions and employers are committed to providing a working and learning environment that allows for full and free participation of all members of the institutional community. Harassment undermines these objectives and violates the fundamental rights, personal dignity and integrity of individuals or groups of individuals. Harassment is a serious offence that may be cause for disciplinary sanctions including, where appropriate, dismissal or expulsion.

The Institutions have a responsibility under the *BC's Human Rights Code* to prevent harassment and to provide procedures to handle complaints, to resolve problems and to remedy situations where harassment occurs.

The employer will offer educational and training programs designed to prevent harassment and to support the administration of the institutional policies and to ensure that all members of the institutional community are aware of their responsibility with respect to the policy. The Unions and Employers agree that attendance is required and will take place during compensated work time.

2.2 Definitions

2.2.1 Harassment is a form of discrimination that adversely affects the recipient on one or more of the prohibited grounds under the *BC Human Rights Code* [R.S.B.C. 1996 c.210].

Harassment as defined above is behaviour or the effect of behaviour, whether direct or indirect, which meets one of the following conditions:

- (a) is abusive or demeaning;
- (b) would be viewed by a reasonable person experiencing the behaviour or effect of the behaviour, as an interference with her/his participation in an institutional related activity;
- (c) creates a poisoned environment.

As of this date, the grounds protected against discrimination by *BC's Human Rights Code* [R.S.B.C. 1996 c.210] are age, race, colour, ancestry, place of origin, political belief, religion, marital status, family status, physical or mental disability, sex, sexual orientation and, in the case of employment, unrelated criminal convictions.

2.2.2 Sexual Harassment is behaviour of a sexual nature by a person who knows or ought reasonably to know that the behaviour is unwanted or unwelcome; and

- (a) which interferes with another person's participation in an institution-related activity; or
- (b) leads to or implies employment, or academically-related consequences for the person harassed; or
- (c) which creates a poisoned environment.

2.3 Procedures

2.3.1 Local Informal Processes

The Parties agree that the local parties where mutually agreeable, may first attempt to use local policies or processes to resolve complaints of harassment and sexual harassment prior to accessing the following procedures in Article 2.3.3 Mediation and 2.3.4 Investigation.

2.3.2 Right to Legal Counsel

The union is the exclusive bargaining agent for the bargaining unit employee and as such has the exclusive right to represent the employee in all matters pertaining to his/her terms and conditions of employment, including matters that may lead to discipline by the employer. An individual bargaining unit employee has no right to be represented by legal counsel during an Article 2 investigation involving an allegation of harassment.

2.3.3 Mediation

When a complaint is received by the employer involving an individual covered by this collective agreement, whether as a complainant or respondent, the local parties will initiate a mediation procedure at the bargaining unit level. The mediation process is the recommended avenue of resolution.

Consensual mediation will require the agreement of the complainant and the alleged harasser to use the following process:

- (a) the local parties will discuss the nature of the complaint and agree upon who will conduct the mediation;
- (b) the mediation process and resolution will be kept strictly confidential by all participants;

- (c) where a resolution is reached, the complainant and the alleged harasser must agree in writing to the resolution and the matter will then be considered concluded;
- (d) no record of the mediation except the written agreed resolution will be placed on an employee's file. The written resolution will be removed from the employee's file after twelve(12) months unless there has been a subsequent complaint of harassment against the employee within the twelve (12) month period.

2.3.4 Investigation

Where either the complainant or alleged harasser does not agree to mediation, or no resolution is reached during the mediation, the complaint will be referred to an investigator selected from a list of investigators agreed upon by the local parties.

An investigator will be appointed within ten (10) working days of referral.

Where the local parties are unable to agree on a list of investigators, JADRC will determine the list. (See Appendix B.)

The referral should, where possible, include a written statement from the complainant and the alleged harasser which succinctly outlines the issue(s) in dispute. The referral should be assembled by the Institution and forwarded to the Investigator with a copy sent to the union(s).

The appointment of an investigator does not preclude an investigator from mediating the dispute where possible up to the time of submission of the Investigator's report to the local parties pursuant to Article 2.3.5(a) below.

Any complaint of harassment will be kept confidential except as is necessary to investigate and resolve the issue. Investigators will stress the confidentiality of the investigation with the person(s) interviewed.

2.3.5 Terms of Reference of the Investigator

- (a) The purpose of the investigator will be to ascertain facts.
- (b) All persons quoted in the investigation will be named by code determined by the Investigator to preserve confidentiality.
- (c) The report of the Investigator will be given, in confidence, to the union(s) and the employer. It is the responsibility of the employer to forward a copy of the report to the complainant and the alleged harasser. The employer will state, in a covering letter, that the report is confidential. The report should refer to individuals involved by code only. However, a reference key will be provided to the employer and the union(s) for internal use. This practice should be repeated at any subsequent arbitral proceeding.
- (d) The report will not be introduced as evidence or have standing in any arbitration, or other legal procedure. This does not preclude the parties from reaching an Agreed Statement of Fact based upon facts in the report in preparation for an arbitral proceeding.
- (e) Reliance on Report of Third Party Investigator

Despite 2.3.3 (d), an institution is entitled to rely on the fact of mediation or the report of a third party investigator as evidence that may mitigate liability in a proceeding that follows receipt of the third party investigator's report.

The employer is entitled to rely on the investigator's report as evidence that it acted in good faith in any disciplinary action that it undertook following receipt of the third party investigator's report where the issue of good faith is raised by a grievor or the union.

- (f) The investigator will not be compellable as a witness in any arbitration or other legal procedure which may result from the investigation.
- (g) The investigator will conclude her/his work within twenty (20) days of appointment and will render a report within a further ten (10) days. These timelines may be extended if deemed appropriate by the local parties. If a dispute arises with respect to the extension, the matter will be referred to JADRC. If requested by the investigator, the employer will provide meeting space and contact information about persons to be interviewed.
- (h) The investigator may, as part of her/his report, make recommendations for resolution of the complaint.
- (i) The investigator's report will not be placed on an employee's file.

2.4 Findings

2.4.1 The employer will make a written determination based upon the facts and recommendation, if any, within ten (10) working days of the receipt of the Investigator's report. If necessary, this timeline may be extended by mutual agreement between the local parties.

2.4.2 The determination will:

- (a) state the action(s), if any, to be taken or required by the employer;
- (b) include, where appropriate, a statement of exoneration.

2.5 Rights of the Parties

Should a complainant file a complaint under the provisions of the *Human Rights Code*, it is understood that the *Human Rights Code* complaint will be set aside until such time as the procedures under this Article have been completed.

Where an allegation includes both complaints under the *Human Rights Code* and a personal harassment complaint, the local parties may agree to have the Investigator investigate all of the complaints, in order to relieve against expense and duality of process.

2.5.1 The above noted procedure does not restrict:

- (a) The employer's right to take disciplinary action;

- (b) The union's right to grieve such disciplinary action or to grieve an alleged violation of this Article.

2.5.2 The report of the investigator may be used in the development of an Agreed Statement of Fact for an arbitral proceeding.

2.6 False Complaints, Breaches of Confidentiality and Retaliatory Action

Frivolous, vexatious or malicious complaints of harassment or breaches of the confidentiality provisions of this clause or retaliation in respect of a complaint may result in discipline.

Should retaliation be alleged following the filing of a complaint, an Investigator may deal with that allegation and make a finding.

2.7 Local Discussion

The local parties will meet as necessary to facilitate the administration and other aspects of the application of this Article including issues arising under Article 2.8 below. The local parties may refer any differences over the administration or application of this Article to JADRC for resolution.

2.8 Relation to Other Agreements

Where a complaint under Article 2 involves individuals who are covered by another collective agreement the local parties will meet to clarify and agree upon a procedure.

ARTICLE 3 - EMPLOYER/UNION RELATIONS

3.1 Human Resources Database

The Parties believe that their on-going and collective bargaining relationships are enhanced through useful, timely, and accessible data on relevant human resources matters, including those listed below.

The Parties agree to provide and support the accumulation and dissemination of available data to the PSEA, which will be responsible for the management of the HRDB project including the gathering, analysis, and maintenance of such data. The Parties may undertake joint projects for the comparative analysis of such data.

The Parties agree that a Steering Committee will oversee this program. The Committee will include representatives designated by each Party.

The Parties recommend that the Ministry of Advanced Education, Training and Technology continue to provide funding to assist in the gathering, analysis, and maintenance of such data through the agreed-upon organization.

3.1.1 Relevant Matters include:

- (a) Health and Welfare
 - (i) Benefit Plan Designs
 - (ii) Participation rates
 - (iii) Premiums
 - (iv) Cost sharing
 - (v) Commission costs
 - (vi) Carrier contracts

- (b) Collective Bargaining
 - (i) Salary information by classification
 - (ii) FTE, headcount, placement on scale, appointment status
 - (iii) Demographics: age and gender

- (c) Contract Administration
 - (i) Arbitration, Labour Relations Board, JADRC, Harassment, Jurisdictional and other third-party decisions and costs thereof for the system
 - (ii) Local Letters of Understanding

3.2 Joint Administration and Dispute Resolution Committee

3.2.1 Formation and Composition

The Parties to this agreement will maintain a Joint Administration and Dispute Resolution Committee (JADRC) consisting of five (5) representatives of the employers and five (5) representatives of the Provincial Bargaining Council.

3.2.2 Operation

Meetings of JADRC shall be held as needed. A meeting shall be called within twenty (20) days of the written request of either party unless mutually agreed otherwise. A minimum of six(6) representatives with equal representation from the Common Parties will constitute a quorum. JADRC will set its own procedures and protocols. All decisions of JADRC will be mutual decisions between the Parties and will be recorded or confirmed in writing.

3.2.3 Purpose

The purpose of JADRC is to:

- (a) Assist in the administration of collective agreements.
- (b) Provide a forum for dialogue between the Parties respecting issues impacting labour relations.
- (c) Provide a means for resolving issues pertaining to the implementation, interpretation and resolution of matters arising from the Common Agreement.
- (d) Appoint an umpire(s) or arbitrator(s) as applicable for:
 - (i) Jurisdictional Disputes Resolving process
 - (ii) Suspension and Discharge Grievance Resolution
 - (iii) Common Agreement Dispute Resolution
- (e) Develop strategies to reduce arbitration and related costs.

3.2.4 Common Agreement Dispute Resolution

Where a dispute arises concerning the interpretation, application, operation or alleged violation of this Agreement, the local parties will refer the dispute to JADRC using the Dispute Referral Form at Appendix C to this Agreement. Such referral would occur after the local grievance procedure is exhausted or deemed completed by agreement of the local parties.

JADRC will act as the registrar for referred disputes and will forward the matter to an arbitrator, within thirty (30) calendar days of the receipt of the dispute by JADRC's designated registrar. (See Appendix D for the list of arbitrators.)

Notwithstanding the referral of a dispute to an arbitrator, the local parties may mutually agree to request that JADRC attempt to resolve the matter through a pre-hearing discussion at the JADRC level. Where JADRC reaches a mutual decision on a matter referred, the decision will be final and binding upon the local parties.

Prior to an arbitral hearing, and in the absence of any JADRC decision, the local parties may resolve a dispute which relates to the interpretation, application, operation or alleged violation of this Agreement. The resolution is without prejudice or precedent.

3.2.5 Process and Costs

A matter referred to an arbitrator will be scheduled and heard within sixty (60) calendar days of referral unless otherwise mutually agreed by the local parties. Decisions will be final and binding except as provided by Section 99 of the *Labour Relations Code*.

Arbitral decisions shall be rendered within fifteen (15) calendar days of the conclusion of the hearing. Time limits may be altered by mutual agreement between the parties.

An arbitrator has the authority to order pre-hearing disclosure and to act as a mediator provided such action does not unduly delay a decision.

Each local party will be responsible for its own costs. The costs of the arbitrator will be shared by the local parties.

3.2.6 Suspension and Discharge Grievance Resolution

Where a grievance is filed concerning the suspension or discharge of an employee, and after the local grievance procedure has been exhausted or deemed completed by agreement of the local parties, either party may refer the grievance to JADRC. JADRC's designated registrar will refer the grievance to an arbitrator within thirty (30) calendar days of the registrar's receipt of the grievance. (See Appendix D for the list of arbitrators.) It is understood that the actual number of hearing days will not exceed three (3) days unless otherwise agreed by the local parties or as directed by the arbitrator.

Process, timelines and costs will be in accordance with Article 3.2.5.

3.3 Jurisdictional Dispute Resolving Process

3.3.1 Preamble

The purpose of this Article is to outline a jurisdictional dispute resolution process which is equitable, expeditious and reflects the desire of the Parties to promote effective working relationships.

The Parties agree that the following process will be used in the event of a dispute respecting the appropriateness of a bargaining unit placement where the institution introduces a new position or significantly revises an existing position.

3.3.2 Process

- (a) When requested, the institution will provide a bargaining unit position or job description to the union(s) certified at the institution. The union may request such things as a draft job posting, job description, course outline, organizational chart, and other relevant information. The institution will make every reasonable effort to respond to the request within seven (7) days of receipt of the request, but not later than thirty-one (31) days of receipt of the request.
- (b) For a new position or when a significant change has occurred, a local party may request a meeting pursuant to Article 3.3.2(c) below, to resolve any dispute which may arise concerning the appropriateness of bargaining unit placement.
- (c) When requested, the local parties will meet within twenty-one (21) calendar days. Every effort will be made to reach agreement on the appropriate bargaining unit placement.
- (d) When there remains a dispute a local party may refer the matter within thirty (30) calendar days to a Jurisdictional Assignment Umpire it selects from a list of Umpires appointed by the JADRC.
- (e) The referral will include a brief outline of the particulars of the dispute, a summary of the party's position on the matter and copies of documents upon which the party intends to rely. A copy of the referral and documents will be sent to each union certified and the institution.
- (f) The Umpire will convene a hearing within twenty-one (21) days of receipt of the initial referral.
- (g) The Umpire will direct an exchange of particulars and documents upon which the parties intend to rely no later than seven (7) days prior to a hearing of the matter.
- (h) The hearing will be expedited in all respects and conducted on an informal basis.
- (i) The expenses and fees of the Umpire will be borne equally among the parties involved in the dispute.
- (j) In determining the appropriateness of bargaining unit placement, the Umpire shall consider:
 - (i) job elements;
 - (ii) past practice;
 - (iii) impact on industrial relations;
 - (iv) community of interest;
 - (v) employee preference, fairness and equity;
 - (vi) certification definition(s);
 - (vii) and such other factors as deemed appropriate by the Umpire.

- (k) The Umpire will render a decision within twenty-one (21) days after the conclusion of the hearing.
- (l) The parties will accept the decision as final and binding on each of them.

3.4 Leave of Absence for College Committees and Union Leave

3.4.1 Leave of Absence for College Committees

An employee whose assigned work schedule would prevent her/him from attending meetings of a college committee to which s/he has been elected or appointed, will be granted a leave of absence from her/his regular duties without loss of pay or other entitlements to attend such meeting(s).

Where such leave is granted, the employer will replace the employee as necessary. Costs arising from this provision will not be charged against the program area of the participating employee.

3.4.2 Union Leave

Meetings between representatives of the union and the employer will be scheduled at times mutually agreeable to the Parties. Reasonable effort shall be made to hold such meetings at times that do not conflict with assigned duties.

Where such meetings cannot be scheduled at times that do not conflict with assigned duties, the employer will grant a leave of absence without loss of pay or other entitlements for the purpose of attending such meetings to the total equivalent of one-quarter full-time equivalent per annum.

Where such leave is granted, the employer will replace the employee as necessary.

This clause may be utilized by the union to ensure adequate representation by the union with respect to issues that affect the institution or the post-secondary system. To facilitate the administration of this provision, the union will ensure that the employer is advised of the eligible leaves to be taken.

The union may designate a person(s) who will be entitled to union leave under this Article and will advise the employer of the amount of the leave to be taken. The amount of the entitlement is one quarter of a full time equivalent per annum, without loss of pay or other entitlement.

Costs arising from this provision will not be charged against the program area of the participating union representative.

This provision will not be utilized where existing employer-paid release time arrangements exceed this one-quarter full-time equivalent entitlement.

3.4.3 Additional Union Leave Without Pay

A bargaining unit may purchase additional release time above that currently paid for by the employer at replacement costs. Replacement cost is that for the individual who is carrying out the duties of the individual released. Such leaves will not be unreasonably withheld.

ARTICLE 4 - PRIOR LEARNING ASSESSMENT

4.1 Definition

Prior Learning Assessment (PLA) is the assessment by some valid and reliable means, of what has been learned through formal and non-formal education/training or experience, that is worthy of credit in a course or program offered by the institution providing credit.

The assessment and evaluation of prior learning and the determination of competency and credit awarded, will be done by instructional or faculty staff who have the appropriate subject matter expertise but other staff in an institution may have a supporting role in the process.

The work required for prior learning assessment includes but is not limited to: classroom-based and individual advising; classroom-based and individual assessment, training and upgrading; development of assessment tools; and training in the use of flexible assessment.

4.2 Prior Learning Assessment as Workload

Prior learning assessment work undertaken by an employee covered by this Agreement will be integrated into and form part of the employee's workload as workload is defined in the employee's collective agreement.

4.3 Training in Prior Learning Assessment

An employee required to perform prior learning assessment responsibilities as part of his/her workload, has a right to employer-paid training time and expenses, in the methodology and application of prior learning assessment as necessary for the assigned task.

4.4 Prior Learning Assessment Coordinators

Prior Learning Assessment coordinators will be faculty or instructional bargaining unit members.

ARTICLE 5 - COPYRIGHT AND INTELLECTUAL PROPERTY

5.1 Copyright Ownership

The copyright or patent for any work product, including creative work, instructional strategies or curriculum/instructional material, software or any other material or technology that may be copyrighted or patented:

5.1.1 belongs to the employee(s) where the work product has been prepared or created as part of assigned duties, other than the duties listed in Article 5.1.2 below, and the copyright to all copyrightable material shall be the sole property of the employee(s) and shall be retained throughout his or her lifetime and upon his/her death by his/her heirs or assigns; and

5.1.2 belongs to the institution where one or more employees:

- (a) have been hired or agrees to create and produce copyrightable work product for the institution, or
- (b) are given release time from usual duties to create and produce copyrightable work product, or
- (c) are paid, in addition to their regular rate of pay, for their time in an appointment to produce copyrightable work product.

5.2 Employer Rights to Materials Copyrighted by Employee(s)

Where the employee holds the copyright pursuant to Article 5.1.1, the institution shall have a right to use his/her copyrighted material in perpetuity for institutional purposes. The institution may amend and update the copyrighted material with the approval of the employee(s) holding the copyright to the material. Such approval will not be unreasonably withheld.

5.3 Employee Rights to Materials Copyrighted by the Employer

Where the institution holds the copyright pursuant to Article 5.1.2, the employee(s) shall have the right to use in perpetuity, free of charge, such copyrighted material. The employee may amend and update the copyrighted material with the approval of the institution holding the copyright to the material. Such approval will not be unreasonably withheld.

5.4 Joint Review

JADRC may, at the request of either party, review issues arising from the application of this Article.

ARTICLE 6 - JOB SECURITY

6.1 Employee Security and Regularization

6.1.1 Intent

The purpose of this Article is to ensure that, by April 1, 2000, provisions relating to employee security and regularization of employees are established within each collective agreement affecting employees covered by this Agreement and to ensure that current and future employees who qualify for regularization under the provisions of this Article will be regularized.

Where this Article establishes a date for action, the parties responsible for taking the action may agree to another date.

6.1.2 Definitions

"Department" or "functional area" means the operational or administrative sub-division of an institution within which an employee is appointed and assigned workload and may include geographic limitations.

LETTER OF UNDERSTANDING 3

PARTIAL SICK LEAVE AND PARTIAL DISABILITY BENEFITS

The Parties agree that it is in the interests of both the employee and the employers to enable an employee to remain at work when the employee is only partially disabled.

“Partially disabled” for the purpose of this Letter of Understanding means that the employee is unable to do a portion of his/her normal workload where such portion is agreed by the employer to conform to the configuration of faculty workload in the employee’s instructional or non instructional areas and where the partial sick leave is in any event no greater than eighty percent (80%) of a full-time workload in that area. The application of this definition is subject to the employer’s legal duty of accommodation.

Determination of whether the employee is partially disabled as defined above shall be by the short-term disability benefits carrier.

An employee who is determined to be partially disabled will be entitled to sick leave under Article 9.3.2 on a pro-rated basis until the employee has satisfied the qualifying period for short-term disability benefits of the equivalent of thirty (30) complete calendar days. In any event, to qualify for short-term disability benefits the employee must complete the qualifying period within six (6) months of the date the employee commenced part-time sick leave.

Should the employee return to his/her full normal duties of his/her own occupation during this qualifying period for short-term disability benefits and then become disabled from the same or related disability within fourteen (14) consecutive calendar days after returning to full active employment, he/she will be considered to be within the same qualifying period.

The employee is required to meet all application, reporting, and other requirements provided for in this short-term and long-term disability benefits plans as applicable.

The carrier’s approval of a partial disability claim for sick leave continuation on a pro-rata basis does not in itself mean that the employee’s subsequent claims for short-term disability benefits will be automatically approved, nor does approval for short-term disability benefits mean that the employee’s subsequent claim for long-term disability benefits will be automatically approved.

Additional information on the processes and criteria for partial sick leave and partial disability benefits are set out in the document titled “Administration of Partial Sick Leave and Partial Disability Benefits”, which the Parties agree shall be part of the “Policies and Procedures” sections of the Disability Management Handbook for the common disability benefits plan set out in Article 9.3 of the Common Agreement.

LETTER OF UNDERSTANDING 4

RESPECTFUL WORKING ENVIRONMENT

1. Preamble

The parties recognize that mutual understanding and respect are fundamental to achieving a collaborative and positive working relationship, which is the cornerstone of an effective environment in which employers and employees work.

The parties further recognize that certain types of conduct, such as interpersonal conflict and bullying in the workplace create barriers to these objectives and result in both financial and relational costs.

Examples of financial costs include, but are not limited to increased sick leave usage, increased short term and long term disability leaves, workers' compensation claims, decreased levels of performance, and the costs associated with investigations, grievances, mediations, arbitrations, and human rights complaints as well as recruitment and retention costs

Examples of relational costs include, but are not limited to, the loss of personal dignity as well as the loss of both trust and respect for individuals and the institution.

2. Mandate

Further to Article 2 – Harassment, the parties agree that, in addition to the educational and training programs currently offered by the employer, they will:

- (a) jointly develop and offer mandatory educational and training programs at each institution, designed to:
 - (i) enhance understanding of interpersonal conflict and bullying, and the effects thereof in the work place;
 - (ii) ensure that all members of the institutional community are aware of their resources and responsibilities with respect to interpersonal conflict and bullying; and
 - (iii) actively promote the development and maintenance of a respectful workplace environment.

- (b) review local and common collective agreement language with the goal of standardizing the harassment language and harmonizing procedures across the post-secondary sector.

3. Committee Timetables

The Committee established under the Letter of Understanding #8 re: Training of Harassment Investigators will be used for this purpose. The dates for the Committee to begin meeting and to complete their duties under that Letter of Understanding will also apply, but may be extended by mutual agreement.
