the employee shall be paid acting pay calculated from the date on which the employee commenced to act as if they had been appointed to that higher classification level for the period in which they act. When a

day designated as a paid holiday occurs during the qualifying period, the holiday shall be considered as a day worked for purposes of the qualifying period.

39.07 When an employee on continuous rotational basis is required by the Gallery to fill a higher classification level position also on a continuous rotational basis, the employee shall be paid acting pay for all hours worked as if they had been appointed to that higher classification level.

39.08 An employee appointed, at their request, to a classification level having a lower maximum rate of pay will be paid at the rate of pay for the new classification level which is not less than the rate of pay the employee was receiving immediately prior to the appointment or if no such rate exists, the employee shall be appointed to the maximum of the new scale.

39.09 Except in cases where a position is declared surplus to requirements, when an employee's duties are reclassified to a level with a lower maximum of pay, the employee shall be deemed to have retained for all purposes the former level. This will apply until the employee ceases to occupy the position.

39.10 When a surplus employee is appointed to a position with a lower maximum rate of pay than the employee's rate of pay for the position from which they were declared surplus, the employee will continue to receive the equivalent rate of pay for the position from which they were declared surplus, as adjusted from time to time by the applications of in-range and economic revisions, for a period of one year from the effective date of the appointment to the position with a lower maximum rate of pay.

39.11 The Salary rates for employees are outlined in Appendices "A", "B" and "C".

39.12 If an employee is reclassified to a higher level as a result of the work of the Parity Committee on Job Evaluation, the remuneration for that employee will be in accordance with the salary scale for that level.

39.13 If an employee is reclassified to a lower level as a result of the work of the Parity Committee on Job Evaluation, the provisions of Article 39.09 will apply.

Service Pay Increase

39.14 A service pay increase will be paid to an employee once every year on the employee's anniversary date of hiring or of promotion if the employee has not reached the maximum. If in any given year, the full percentage of the service pay increase cannot be applied because the employee's salary will reach the maximum, the difference will be given as a lump sum payment.

39.15 Up to the mid-point of the new salary scales in Appendix "A", such increases will be automatic each year. After mid-point, if an employee is advised that they are in receipt of an appraisal lower than satisfactory, they shall not receive a service pay increase for that year. Otherwise, the service pay increases shall be automatically paid.

39.16 On the effective date of the increase the employee will receive an increase on the base salary of:

(a) from July 1 st /2000 to June 30/2001	2%
(b) from July 1 st /2001 to June 30/2002	2.5%
(c) from July 1 st /2002 to June 30/2003	2%

**ARTICLE 40
LAY OFF/SEPARATION SITUATIONS**

40.01 When the services of an indeterminate employee are no longer required for reasons excluding termination for just cause, he/she will be provided with a written surplus notice of at least six months which will include the reason for the notice as well as the lay-off date.

40.02 During this period, the Gallery will make every effort to redeploy the employees to vacant positions for which they are qualified or for which they would be able to qualify with reasonable training.

40.03 If an employee is declared surplus while on sick leave, the leave will not be interrupted and the surplus period will start on the date the employee is medically declared able to return to work.

40.04 The Gallery will provide one (1) month's notice of the impending lay-off, if redeployment efforts have been unsuccessful.

40.05 A surplus employee may request to resign before the end of the surplus period in order to receive a lump sum payment equal to the surplus period up to a maximum of six months. Such a request shall not be unreasonably denied.

Severance Pay

40.06 Under the following circumstances, an employee shall receive severance benefits based on the employee's weekly rate of pay on the date of separation:

(a) Lay-off

On the first lay-off, two (2) weeks' pay for the first complete year of continuous employment and one (1) week's pay for each additional complete year of continuous employment.

On second or subsequent lay-off, two (2) weeks' pay for each completed year of continuous employment, less any period in respect of which the employee was already granted severance pay.

(b) Resignation

On resignation with ten (10) or more years of continuous employment, one-half (1/2) week's pay for each complete year of continuous employment up to a maximum of twenty-six (26) years with a maximum benefit of thirteen (13) weeks' pay.

(c) Retirement

When an employee is entitled to an immediate annuity or an immediate annual allowance under the Public Service Superannuation Act, the employee shall be entitled to a severance payment in respect of the employee's complete period of continuous employment, comprised of one (1) week's pay for each complete year of continuous employment and, in the case of a partial year of continuous employment, one (1) week's pay multiplied by the number of days of continuous employment divided by 365, to a maximum of thirty (30) weeks' pay.

(d) Death

If an employee dies, there shall be paid to the employee's estate a severance payment in respect of the employee's complete period of continuous employment, comprised of one (1) week's pay for each complete year of continuous employment and, in the case of a partial year of continuous employment, one (1) week's pay multiplied by the number of days of continuous employment divided by 365, to a maximum of thirty (30) weeks' pay, regardless of any other benefit payable.

(e) Release for Incapacity

When an employee has completed more than one (1) year of continuous employment and ceases to be employed by reason of release for incapacity, one (1) week's pay for each complete year of continuous employment with a maximum benefit of twenty-eight (28) weeks.

(f) Release for Incompetence

When an employee has completed more than ten (10) years of continuous employment and ceases to be employed by reason of release for incompetence, one (1) week's pay for each complete year of continuous employment with a maximum benefit of twenty-eight (28) weeks.

40.07 Severance benefits payable to an employee under this Article shall be reduced by any period of continuous employment in respect of which the employee was already granted any type of termination benefit. Under no circumstances shall the maximum severance pay provided be pyramided.

40.08 The weekly rate of pay referred to in the above clauses shall be the weekly rate of pay to which the employee is entitled to on the date of termination.

40.09 On termination, an employee who is entitled to severance pay may, upon written request, ask the Gallery to send the severance payment to a third party designated by the employee.

ARTICLE 41
EMPLOYEE PERFORMANCE REVIEW AND EMPLOYEE FILES

41.01 Once a year every employee will participate in the evaluation of his/her work.

41.02 The purpose of the evaluation is to measure an employee's work performance against established objectives given in advance in writing to the employee prior to the evaluation period, to assess strengths and weaknesses and to develop a plan of action with scheduled review periods in cases where an employee is evaluated as not meeting the objectives. Without in any way restricting the Gallery's right to discipline employees, in no case will the evaluation document be used to discipline employees.

41.03 Prior to the performance review, the employee will be given the appraisal form which will be used and any documents which provide instructions to the person conducting the review. If during this review either the form or the instructions are changed, they shall be given to the employee.

41.04 An employee's signature on their assessment form will be considered to be an indication only that its contents have been read and shall not indicate the employee's concurrence with the statements contained therein.

41.05 The Gallery's representative(s) who assess an employee's performance must be aware of the employee's performance for at least one-half (1/2) of the period for which the employee's performance is being evaluated.

41.06 In the event that the employee disagrees with the supervisor's position with respect to the appraisal, the employee shall have the right to refer the matter to the Deputy-Director, Administration and Finance for final resolution. The Deputy-Director, Administration and Finance will review representation before rendering the final decision as to the employee's appraisal. Only the contents of the employee appraisal will not be arbitrable.

41.07 Upon request of an employee, the personnel file of that employee shall be made available, once per year, for their examination. The Gallery shall accept any reasonable request of an employee for copies of excerpts of their personnel file on that occasion.

ARTICLE 42
STAFFING

42.01 Prior to posting a newly created or existing vacant position, surplus and laid-off employees will be considered in priority for appointment if they are qualified or could qualify with reasonable training

under specific conditions. The employer will contact these employees to determine their interest in being considered.

42.02 If no surplus or laid-off employee is available, interested or qualified, employees whose position was reevaluated downwards will be considered for appointment.

42.03 After considering the employees listed in .01 and .02 above, the Gallery shall post the vacancies in the bargaining unit that need to be filled. Positions are not considered vacant for reasons of sick leave, vacation and any other authorized absences. An appointment of less than three (3) months duration will be excluded from the requirements of this Article.

42.04 The positions shall be posted for a minimum of six (6) calendar days both electronically and physically on one bulletin board on each floor at the National Gallery and on one bulletin board at the Canadian Museum of Contemporary Photography.

42.05 The posting notice shall indicate:

- (a) the summary of the functions
- (b) the position title and classification
- (c) the salary range
- (d) the education and experience required
- (e) the expiry date of the posting

42.06 The requirements indicated on the notice shall be pertinent to the position being filled.

42.07 The employees wishing to be considered for the posting must submit a written application no later than the expiry date of posting.

42.08 Employees who participate in a selection process for a position with the Gallery will be provided time with pay for the period during which his/her presence is required for purposes of the selection process including a post-board interview.

42.09 Filling the vacancy will be made in accordance with the merit principle and will be assessed as to education, knowledge, language, experience, skills, demonstrated abilities or any other requirements that are necessary having regard to the duties to be performed.

42.10 The posted and rated qualifications will accurately reflect the duties to be filled.

42.11 Where it is found that two or more candidates are equal, the candidate with greater continuous employment will be awarded the position.

42.12 All unsuccessful candidates will be advised in writing of the result of the selection process and of the name of the successful candidate. The reason why they were not successful will also be provided in

writing if requested by the employee.

42.13 If an employee requests, the Gallery will facilitate a meeting between the employee and their Union representative with the Selection Board or the Chief of Human Resources.

Trial Period

42.14 All promotions and transfers are subject to a trial period.

42.15 An employee may voluntarily revert to their position within 15 days of the appointment.

42.16 During a trial period of sixty (60) working days, if the employee proves to be unsatisfactory in the new position, the employee shall be returned to their former position.

Probationary Period

42.17 For new employees appointed for an indeterminate period, the probationary period is fixed at nine (9) months effectively worked.

42.18 For new employees appointed for a determinate period, the probationary period will be the term of the appointment or nine (9) months effectively worked, whichever comes first.

42.19 For a new employee whose position is classified in levels 1 to 5 of the classification system, the period mentioned in 42.17 and 42.18 above will be six (6) months.

42.20 Periods in 42.17, 42.18 and 42.19 above may be extended up to 12 months by mutual consent of the parties.

Change of status

42.21 Employees appointed for a determinate period who have completed three (3) years of continuous employment will see their status changed to indeterminate employees except for term employees replacing indeterminate employees on leave. These employees will have their status changed after five (5) years of continuous employment.

ARTICLE 43 CLASSIFICATION

43.01 Each position in the Gallery covered by the certificate mentioned in Article 7 will be classified in accordance with the Gallery Job Evaluation Plan in one of the classification levels listed in Appendix "A".

43.02 An employee may be asked to work temporarily out of their position in special circumstances and

will be paid in accordance with Article 39 – Pay Administration and other related Articles.

43.03 Upon written request, an employee shall be provided with a current description of the duties and responsibilities of their position, an organizational chart depicting the position's place in the organisation, the classification level, the point rating allotted by factor and the rationale.

43.04 On request, the employee will receive information on the classification system.

43.05 After the review process envisaged by Appendix H – Memorandum of Agreement Regarding the New Job Evaluation Plan – has been finally completed, when the Gallery introduces changes in the statement of duties or job description of an employee and the employee does not agree with the classification decision, the employee or their Union representative can file a grievance on the classification level and rate of pay, within 15 days of being informed of the decision.

43.06 Such grievance shall be referred for final resolution to the Deputy-Director, Administration and Finance who will review representations from both parties before rendering a decision as to the proper classification level. Grievances pertaining to job evaluation will be arbitrable, but the arbitrator's mandate shall be limited to determining if the Deputy-Director, Administration and Finance's decision is unreasonable and to recommending changes to the Deputy-Director, Administration and Finance for implementation.

ARTICLE 44 HEALTH AND SAFETY

44.01 The Gallery agrees to be bound by all the provisions of the Canada Labour Code.

44.02 The Gallery shall consider suggestions on this subject from the employees or the Alliance through its Joint Workplace Health and Safety Committee. Any report generated by the Committee will be distributed to all committee members, the President of the Alliance Local and the Deputy-Director, Administration and Finance of the Gallery.

44.03 As a condition of employment, all employees performing hazardous activities in an area defined by the Joint Workplace Health and Safety Committee are required to wear CSA approved protective footwear with steel toe and shank. Upon submission of a receipt for the purchase of the approved protective footwear, the employee will be reimbursed an amount not to exceed \$100.00, every two years, towards the purchase price of the protective footwear.

44.04 It is recognized that certain employees who work in potentially hazardous environments are required to undergo an annual/biannual medical evaluation. The Gallery will be responsible for scheduling these appointments with its industrial doctor and will assume any related costs. An employee may request that this health evaluation be done by another medical professional and in this case, the employee will have the assessment performed within one month of the request and the Gallery agrees to assume the cost of the evaluation up to the approved provincial standards.

44.05 The Gallery shall provide the employee with immunization against communicable diseases where there is a risk of incurring such diseases in the performance of their duties.

44.06 From time to time the Joint Workplace Health and Safety Committee will issue adequate requirements for the safe operation of motor vehicles owned or leased by the Gallery to ensure the safety and health of employees and the public and to avoid property or equipment damage.

ARTICLE 45 DISCIPLINE

45.01 When an employee is required to attend a meeting, the purpose of which is to conduct an investigation or to render a decision concerning him or her, the employee is entitled to have, at their request, a representative of the Alliance attend the meeting. Where practicable, the employee shall receive two day's written notice of and the reasons for such a meeting.

45.02 The Gallery agrees not to introduce as evidence in a hearing relating to disciplinary action any document from the file of an employee the content of which the employee was not aware of at the time of filing or within a reasonable period thereafter.

45.03 Both parties recognize the value of progressive discipline with the aim of being corrective in application. Discharge for just cause will be preceded in a progressive manner, dependent on the employee's work record, by some or all of the following:

- (a) counselling
- (b) oral and written warnings
- (c) suspensions
- (d) demotions

all of which shall be documented.

45.04 Any document or written statement related to disciplinary action, which may have been placed on the personnel file of an employee shall be destroyed after two (2) years have elapsed since the disciplinary action was taken, provided that no further disciplinary action has been recorded during this period.

45.05 When an employee is suspended from duty, the Gallery undertakes to notify the employee in writing of the reason for such suspension. The Gallery shall endeavour to give such notification at the time of suspension. The Gallery shall notify the local representative of the Alliance that such suspension has occurred.

ARTICLE 46
CONFLICT RESOLUTION PROCESS
(grievance and arbitration)

46.01 The Parties to this Agreement share the desire to settle all grievances as expeditiously and equitably as they arise and are committed to the following conflict resolution process.

46.02 All grievances shall be heard at a time mutually agreeable to all parties within the time limits specified in this Article.

46.03 The Alliance shall have the right to consult with the Gallery with respect to a grievance at each or any level of the grievance procedure.

46.04 Time spent during scheduled hours of work in handling complaints or grievances shall be considered time worked.

46.05 An employee who believes that they have a grievance may discuss and attempt to settle it with the immediate supervisor, with or without an Alliance Representative, as the employee may elect.

46.06 No person shall seek by intimidation or threats to cause an employee to abandon a grievance or refrain from presenting one.

46.07 An employee who feels that they have been treated unjustly or considers himself aggrieved is entitled to present a grievance in the manner prescribed, except that where the grievance relates to the interpretation or application of this Collective Agreement or an arbitral award, the employee is not entitled to present the grievance unless they have the approval of, and are represented by, the Alliance.

Step One: First Level

46.08 Subject to 46.05, an employee has the right to present a grievance in writing to the first level of the grievance procedure at any time within fifteen (15) working days from the date they were informed (or otherwise became aware) of the decision, situation or circumstance that is the subject of the grievance. The employee will be represented by a member of the Alliance Local Executive or a Steward.

46.09 An employee will present their grievance to the manager (first level of management).

46.10 Grievances not resolved at Step One within a period of ten (10) working days may be referred to Step Two.

46.11 The decision of the Gallery at Step One will be given in writing.

Step Two: Second Level

46.12 An employee is granted the right to present a grievance at the second step of the grievance procedure provided that it is presented within a maximum period of ten (10) working days from the date they received a decision at the previous step, or if no decision was received, within fifteen (15) working days from the day they presented a grievance at Step One. This step in the grievance procedure will be handled by the Director/Deputy-Director, Administration and Finance or delegate. The grievance will normally be heard at Step Two within fifteen (15) working days after its receipt at Step Two. A written decision shall be rendered within fifteen (15) working days after the date of the hearing.

General

46.13 A grievance presented at any step in the grievance procedure should be set out in writing on the prescribed form in accordance with the instructions contained on the form. The representative of the Gallery who receives the grievance must sign the form as indicated in the instructions.

46.14 A grievance by an employee shall not be deemed to be invalid by reason only of the fact that it is not in accordance with the form supplied by the Gallery.

46.15 The Gallery will notify the Alliance Local Executive of any immediate discharge of an employee.

46.16 When the Gallery discharges or suspends an employee for more than two weeks, the grievance procedure will apply except that the grievance shall be presented at Step Two.

46.17 Where it appears that the nature of the grievance is such that a decision cannot be given below a particular level of authority, Step One may be eliminated by agreement of the Gallery and the Alliance.

46.18 An employee may, by written notice to the Chief of Human Resources withdraw a grievance provided that, where the grievance is one arising out of the application or interpretation of the collective agreement, its withdrawal has the endorsement in writing of the Alliance.

46.19 Where the grievance relates to the interpretation or application of this Agreement or an arbitral award, the Alliance may, on behalf of any or all of the employees in the bargaining unit, present a grievance at any step in the grievance procedure.

46.20 The time limits stipulated in this procedure (grievance and arbitration) may be extended in writing by mutual agreement between the Gallery and the employee, and where appropriate the Alliance representative.

Step Three: Arbitration

46.21 Failing satisfactory settlement at Step Two, the parties may jointly apply, prior to the matter being

referred to arbitration, to the Minister of Labour for the appointment of a grievance mediator.

46.22 Either of the parties may, after exhausting the grievance procedure in this Article, notify the other party in writing within fifteen (15) working days of the receipt of the reply at Step Two, of its desire to submit the grievance to arbitration. The matter will normally be reviewed by a sole arbitrator, chosen by the parties or where the parties are unable to reach agreement, the appointment shall be made by the Minister of Labour. The process of identifying an arbitrator will be initiated within ten (10) working days.

46.23 Where either party wishes to refer the matter to an arbitration board, that party shall notify the other party within fifteen (15) working days. The notice shall contain the name of the first party's appointee to an arbitration board. The recipient of the notice shall, within ten (10) working days, inform the other party of the name of its appointee to the arbitration board. The two appointees so selected shall, within fifteen (15) working days of the appointment of the second of them, appoint a third person who shall be the chairperson. If the recipient of the notice fails to appoint an arbitrator, or if the two appointees fail to agree upon a chairperson within the time limit, the appointment shall be made by the Minister of Labour upon the request of either party.

46.24 The arbitration board shall hear and determine the difference or allegation and shall issue a decision and the decision is final and binding upon the parties and upon any employee affected by it. The decision of a majority is the decision of the arbitration board, but if there is no majority the decision of the chairperson governs.

46.25 Where the parties have agreed to a sole arbitrator, the sole arbitrator shall be considered to be an arbitration board for the purposes of this Article.

46.26 The Board shall not have the authority to alter or amend any of the provisions of this Agreement, or to substitute any new provisions in lieu thereof, or to render any decision contrary to the terms and provisions of this Agreement, or to increase or decrease wages, provided however that the Board may nevertheless determine whether an employee has been dismissed or suspended for other than proper cause. In which case, the Board may direct the Gallery to reinstate the employee and pay to the employee a sum equal to his wages and benefits lost by reason of the dismissal or suspension.

46.27 The Gallery and the Alliance shall each pay one-half (½) of the remuneration and expenses of the Chairperson of the Board and each party shall bear its own expenses of every such arbitration.

46.28 When a party has failed to comply with any of the terms of the decision of the Board of Arbitration, either party or employee affected by the decision may, after the expiration of twenty (20) working days from the date of the release of the decision or the date provided in the decision for compliance, whichever is later, file in the office of the Registrar of the Federal Court of Canada a copy of the decision, exclusive of the reasons therefor, in the prescribed form, whereupon the decision may be entered in the same way as a judgment or order of that court and may be enforceable as such.

46.29 The parties are committed to meet every 6 months to review their experience with the conflict resolution process to identify and agree upon measures which will be undertaken to improve this

process.

46.30 The parties may mutually agree in writing to fast track arbitration or an expedited Mediation/Arbitration process. In such a case, the parties will conform to guidelines and procedures mutually agreed to in advance.

ARTICLE 47 JOINT CONSULTATION

47.01 The parties acknowledge the mutual benefits to be derived from constructive and meaningful joint consultation and are prepared to consult on matters of common interest related to labour relations which could include discussions on a clothing policy.

47.02 There shall be a Joint Union Management Consultation Committee (JUMCC) comprised of representatives from both management and employees.

47.03 The JUMCC will have the power to create sub-committees to address specific issues of common interest related to labour relations including equal employment opportunity issues.

47.04 The JUMCC will not have the power to alter any provision of this Collective Agreement.

ARTICLE 48 CONTRACT INTERPRETATION AND APPLICATION

48.01 Any Memorandum of Understanding on this subject will be deemed to be part of the Collective Agreement.

48.02 The National Joint Council Travel Directive and the Bilingual Bonus Directive attached in the Addendum shall continue to be applied in the same manner as it each was applied between the parties before the signing of this Collective Agreement. These policies may be amended by mutual agreement between the parties.

48.03 Notwithstanding the redress procedure identified in the NJC by-laws, issues that may arise concerning the interpretation or application of the Travel Directive or the Bilingual Bonus Directive will be processed by way of the conflict resolution process defined in this agreement.

ARTICLE 49 BENEFIT PLANS

49.01 All medical and other health insurance benefits currently available to eligible employees shall continue in full force and effect, unless altered by legislation over which the Gallery has no control.

49.02 However, the parties agree to maintain, for the duration of this agreement, the existing proportions of employee to Gallery cost sharing arrangements for the Public Service Dental Care Plan (PSAC), the Public Service Health Care Plan and the Public Service Disability Plan.

49.03 The Gallery agrees to consult the Alliance before leaving the Public Services Health Insurance Benefits Plans mentioned above.

49.04 In accordance with the Museums Act, eligible employees of the Gallery will be covered by the Public Service Superannuation Act, the terms of which are not subject to collective bargaining. Any changes to the Act shall apply to employees of the Gallery.

49.05 The Gallery will make reasonable efforts to facilitate benefits coverage under the existing cost sharing arrangement to eligible employees on authorized leave without pay. There shall be no additional cost to the Gallery.

49.06 The eligibility to the above benefits will be determined by the Administrators of said plans and subject to appeal at the appropriate NJC/TB committees if such an appeal process exists.

ARTICLE 50 PARKING

50.01 The Gallery agrees to continue the current practice of permitting employees on continuous rotational basis to use Gallery parking spaces at no cost to the employees.

ARTICLE 51 TECHNOLOGICAL CHANGE

51.01 The parties have agreed , in cases where, as a result of a technological change, the working conditions or the job security of the employees have been affected during the life of this agreement, to meet at least thirty (30) days before the expected date of the introduction or implementation of the change to negotiate solutions to the problems caused by the change.

51.02 In the case where the parties have been unable to agree on the measures to be taken, the problem may be referred by either party to an impartial third party mutually acceptable so that it may be disposed of definitively by mediation/arbitration. If the parties cannot agree to naming a third party, the matter will be referred to the Minister of Labour asking him to appoint such a third party.

ARTICLE 52 MEMBERSHIP FEES

52.01 The Gallery shall reimburse an employee for the employee's payment of membership or registration fees to a professional organization or governing body when the payment of such fees is a requirement for the continuation of the performance of the duties of the employee's position.

ARTICLE 53
PUBLICATIONS, AUTHORSHIP AND INVENTIONS

53.01 The Gallery agrees to ensure that employees have ready access to all publications considered necessary to their work.

53.02 The Gallery agrees that original publications prepared by the employee within the scope of their employment, commissioned or sponsored by the Gallery will be retained on appropriate files for the normal life of such files.

53.03 When an employee acts as a sole or joint author or editor of an original publication, the employee's name shall normally be shown in the publication.

53.04 The Gallery may suggest revisions to material and may withhold approval to publish an employee's publication that it has commissioned or sponsored. When approval for publications is withheld, the author(s) shall be informed in writing of the reasons, if requested.

53.05 Where the Gallery wishes to make changes in material submitted for publication which it has commissioned or sponsored with which the author does not agree, the author may request that they not be credited publicly.

53.06 Subject to the employees obligations on ethics, nothing in this Article shall be construed as preventing an employee from publishing and owning the registered Articles, books and other materials and inventions provided that the work is done during the employee's non-work hours and the work or material has not been commissioned or sponsored by the Gallery.

ARTICLE 54
AGREEMENT REOPENER

54.01 This Agreement may be amended by mutual consent.

**ARTICLE 55
DURATION**

55.01 The provisions of the agreement will expire on June 30, 2003.

55.02 The present collective agreement once it is signed, will become effective as of the date of the signing and will have no retroactive effect except where expressly agreed to.
