- 14.03.04 A seniority list shall be prepared annually by the Manager of Human Resources and posted prior to October 31 in all workplaces. Teachers have until November 30 to report, in writing, possible errors to the Bargaining Unit President and the Manager of Human Resources. - iii) The Staff Allocation Committee shall publish and distribute its calculations to all In-School Staffing Committees as defined in Article 30.07 and shall meet with one or all of them, if necessary, to review each school's share of the system's secondary staff. The Committee shall review the distribution of staff to schools on a regular basis to be determined by the Committee.

14.04.02 Either party may call for a meeting of the Staff Allocation Committee at any time.

14.04.03 To determine if a surplus situation exists for the following year, the Board shall determine the total teaching staff required for the following year in accordance with projected enrollments and the requirements of this Collective Agreement and relevant legislation. If this figure is less than the number presently on staff, with adjustments for those returning or leaving, then a surplus situation exists.

14.04.04 On April 30, the Board shall declare the number of surplus teachers, if any, and shall notify the Bargaining Unit President of this number in writing.

14.04.05 If on April 30, there are no teachers to be declared surplus, the Board may hire sufficient teachers to fill the vacancies which will be available based on projected enrolment, teachers returning and going on leave and natural attrition. In no case shall the number of teachers hired to fill these vacancies result in a surplus situation. These vacancies shall be posted internally for a period of at least three (3) school days prior to external posting. The process to be followed for declaration and placement of AFT teachers shall then proceed in the manner outlined herein. Any teachers so hired will be placed after the AFT process outlined in this article has been completed.

14.04.06 All teachers declared surplus shall be notified in person, at the end of the school day, by the Principal or designate and in writing by May 15, with copies of this notification provided to the Bargaining Unit President and the principal(s) involved.

14.04.07 To determine if a secondary school is in an AFT situation for the following year, the Superintendent of Program and Schools or designate, shall determine (using Article 13 and relevant legislation) the number of teachers required at each secondary school. If the figure is less than the number presently on staff, with adjustments for those returning or leaving, and for those declared surplus on that staff, then an AFT situation exists for that school.

14.04.08 If it is apparent to the Superintendent of Program and Schools that certain school(s) are in an AFT situation for the next school year, then as outlined in Articles 14.06.01 and

14.06.02, it shall be determined which teachers are to be placed on the AFT list and the list shall be provided to the Principals, the Staff Allocation Committee and the Bargaining Unit. Each teacher to be placed on the Available for Transfer List shall be notified of this in writing, by the Superintendent of Program and Schools by May 15.

14.04.09 Teachers returning from leaves of absence shall be placed in schools in accordance with Article 18. The Principals that require additional staff for the following school year because of the loss of teachers through natural attrition, leaves of absence or of teachers who were placed on the Surplus List, shall provide the Staff Allocation Committee with a list of available positions within those schools. A list of such available positions shall be posted in all secondary schools by May 31, and a copy shall be forwarded to the Branch President in each school.

14.04.10 Available positions shall be posted in all secondary schools for a period of three (3) days after May 31 and again after June 15. 14.04.11 No external hiring for such vacant positions shall take place as long as any teachers remain on the Available for Transfer List, the Surplus List or the Recall List except as specified by Article 14.04.05.

#### 14.05 **Surplus**

14.05.01 (i) A Surplus teacher may be so designated because a surplus situation exists as outlined in Article 14.04.03. These Surplus teachers so designated by seniority as outlined in Article 14.03, shall be placed on the Surplus List.

(ii) Any teacher who has been granted a leave of absence for the following year and has been declared surplus in the year immediately preceding that leave, shall have that leave granted when he/she has been recalled.

(iii) After June 30, teachers are recalled to a secondary school on the basis of seniority, with teachers on the surplus list with the most seniority being recalled first. If possible, the teacher recalled will be assigned to the school in which the vacancy occurred. If this cannot be accomplished because the teacher lacks suitable qualifications or simple timetable changes cannot accommodate the recall at that school, the Superintendent of Program and Schools will make the necessary staff changes to facilitate the recall of that teacher.

(iv) No teacher shall be declared surplus for reasons of incompetence.

14.05.02 (i) As vacancies become available in the secondary schools due to resignations,

retirements, leaves etc., a corresponding number of teachers are to be taken off the surplus list and the appropriate adjustment to the AFT list shall be made. This adjustment of the surplus and/or AFT list shall be made on the 15<sup>th</sup> and 30<sup>th</sup> of each month from April 15 to June 30. Teachers with the most seniority are recalled first with any necessary adjustments made to the AFT list.

(ii) The priorities for filling staff vacancies within the secondary schools shall be:

- a) Secondary administrative transfers arising from surplus or AFT situations who desire to return to a suitable position in the former secondary school.
- b) Secondary teachers just declared AFT.
- c) Secondary teachers declared surplus.
- d) External hiring.

(iii) Notwithstanding the above, for the staffing cycle for the 2003-2004 school year only bargaining unit members who have been declared surplus shall be recalled to staff complement vacancies based on seniority first.

In the event that the most senior teacher on the recall list does not have the qualifications necessary to fill a staff complement vacancy, the next most senior teacher on the list with appropriate qualifications may be recalled.

Any teacher(s) passed over in this manner will be given first consideration for the next and any subsequent staff complement vacancy postings.

In the event that none of the teachers on the surplus list have the qualifications necessary for the posting, the Board may advertise and hire externally.

Members on the recall list will be given first consideration for any Long Term Occasional positions.

Surplus members shall be entitled to continue to be enrolled in benefits plans in which the members were enrolled immediately prior to being declared surplus, with the teacher paying the full cost of premiums for up to a maximum of two (2) years after being declared surplus, subject to the approval of the insurance carrier.

14.05.03 Articles 14.10.01 and 14.10.02 shall apply to all teachers declared surplus.

14.05.04 If a teacher cannot be accommodated because there are insufficient available

positions by August 31 and that teacher has not accepted an alternate teaching position, then, the surplus teachers shall be accommodated by one of the alternatives listed below,

(i) Recall List

(ii) Severance Allowance

14.05.05 On August 31, an unaccommodated Surplus teacher may choose to:

1. accept a severance allowance based on seniority with the Board and on the teacher's salary at the time of accepting the allowance, as follows:

<u>Years of Service</u>	<u>Severance % of Salary</u>
less than one year	5% of actual money earned
1	5%
2	10%
3	15%
4	20%
5	25%
6	30%
7	35%
8	40%
9 and over	45% maximum

OR

2. To be placed on the recall list in order of seniority for a period of 2 years without prejudice to acceptance of severance pay at a later date. When a teacher is recalled, employment shall be under the same type of contract as the one held when declared surplus and retain all rights held when declared surplus.

14.05.06 Acceptance of the severance allowance means the Board has no further obligation to the teacher.

14.05.07 (i) If a teacher on the recall list has not been recalled by the end of 2 years, then, severance allowance shall be given in accordance with the provisions of Article 14.05.05.

(ii) All vacancies other than those in Article 14.08.01 and 14.08.02 must be posted in all secondary schools and a copy forwarded to the Branch Affiliate and to teachers on the recall list at their last known address at least 10 days prior to the closing

date for applications. If more than one teacher from the Recall List applies for a position, the Teacher having the greatest seniority shall be hired.

14.05.08 Any teacher declared surplus and released from employment, in accordance with Article 14 shall be given a letter from the Manager of Human Resources stating the reasons for the teacher's release and reaffirming that no question of competence was considered.

14.05.09 No teacher from the Board's elementary panel shall be considered for a position at the secondary level until all surplus teachers at the secondary level have been placed in a position.

14.06 **Available for Transfer (AFT)**

14.06.01 (i) An Available for Transfer (AFT) teacher may come into being in an individual secondary school because of a drop in total school enrollment in that secondary school without sufficient resignations, retirements or leaves to make up for this enrolment drop.

(ii) The number of teachers declared AFT at any one school shall be:

a) the number required to balance the staff requirements at that school for the following September because of the enrolment drop, which may necessitate the use of subsection B) stated below:

b) however, if no teacher presently on the staff of the school (other than those already on the AFT list) is currently qualified or will be qualified by September 1st for a position that would, if not filled, entail the curtailment or elimination of a program in that school, then the teacher is not declared AFT and instead, the next teacher with the lowest seniority on the list is so declared. It is possible that more than one teacher will have to be passed over in this manner to arrive at the final AFT list for that school.

(iii) Any AFT teacher who has applied for a leave of absence for the following year, may be granted that leave in the manner described in Article 18.02. The number of AFT teachers would be reduced by the number who are granted a leave of absence and the corresponding adjustment would be made to the surplus list as outlined in Article 14.05.02.

(iv) AFT teachers so designated shall be placed on the Available for Transfer List.

(v) The number of teachers on the Available for Transfer List would be the same as the number of vacancies available in the schools.

- 14.06.02 Teachers having the least seniority will be placed on the Available for Transfer List except those teachers noted in Article 14.06.01 (ii) b) above. In the case of two or more teachers having identical seniority according to Article 14.03.01, then the method of breaking ties as outlined in Article 14.03.02 shall be used.
- 14.06.03 If teachers are accepted for any of the positions following the May 15 posting as described in Article 14.04.10, a corresponding number of teachers from the AFT list from the school(s) of the successful applicants shall be taken off this list and reassigned to their present staff. This shall be done by removing the teacher with the greatest seniority first.
- 14.06.04 (i) Available positions shall be posted in all secondary schools for a period of three (3) days after June 15. The posting shall state that the positions are available to teachers in the secondary panel who are not on Surplus Lists.
- (ii) Each teacher on the Available for Transfer List is guaranteed an interview for each position for which they apply.
- (iii) The Principal shall offer the position to one of the applicants who is suitably qualified.
- 14.06.05 By June 30, the Superintendent of Program and Schools shall place any unaccommodated AFT teacher in a school, using an administrative transfer if required. Teachers on the Available for Transfer List shall be placed in the same municipality, if possible. If a teacher on the Available for Transfer List accepts an offer or is placed in a position in another municipality, then Article 14.10.01 and 14.10.02 shall apply.
- 14.06.06 If an AFT or surplus teacher accepts a position in another secondary school in the system, and if:
- (i) a position becomes available in the former school before September 1 and subsequent to the transfer, then, the transferee may be returned to the former school.
- (ii) a position becomes available in the former school on September 1 or thereafter in the first school year following the initial transfer then the transferee has the right to request to be returned to their former school at the beginning of the semester subsequent to the date upon which the position becomes available.
- (iii) another position occurs within the secondary system, then, the transferred teacher shall be able to apply for and accept another position before September 1 of the year in which the transfer occurred.

14.07 **Teacher Requested Transfers and Exchanges**

- 14.07.01 A mutually agreeable transfer may be arranged for any reasons or at any date acceptable to the Board and the teacher concerned, provided that the principals involved are agreeable. The Board shall facilitate this process during the month of March by providing forms for this purpose.
- 14.07.02 The Board shall ask and teachers shall submit requests for year-end transfers before March 31. These transfer requests may be conditional (specifying the municipality and/or the school desired) or may be unconditional. Conditional transfers must meet with the stipulated conditions indicated by the teacher or the transfer can be declined.
- 14.07.03 The teachers shall be informed of the proposed transfer as soon as possible, and no later than May 15.
- 14.07.04 Any teacher declared surplus or AFT will not be considered for a transfer or exchange until that teacher has been recalled or removed from the AFT list.
- 14.08 **Administrative Transfers and Voluntary Relocation**
- 14.08.01 Administrative transfers may be carried out at any time during the school year. If it becomes necessary to transfer a teacher, the Board will endeavor to place the transferee in a position which is mutually satisfactory to both parties. The following steps shall apply:
- a) Teachers involved in these transfers shall be informed five (5) school days in advance of the transfer.
  - b) Should a vacancy occur in the school from which the teacher was transferred, the teacher may request to be returned to that school.
- 14.08.02 Articles 14.10.01 and 14.10.02 shall apply to any teacher who is administratively transferred.
- 14.08.03 The Board may offer to teachers a "Voluntary Relocation" to a position at another school. The Voluntary Relocation must be made by mutual consent of the teacher, the principal of the originating school, the principal of the receiving school, the Bargaining Unit and the appropriate supervisory officer(s) and may occur any time during a school year. The allowances referenced in Article 14.10 shall not apply.
- 14.09 **Retraining Leave**
- 14.09.01 The Staff Allocation Committee shall determine the suitability of retraining each unaccommodated teacher at the earliest possible date on the basis of the

projected needs of the Board, the courses requested by the teacher and the availability of funding for retraining purposes.

14.09.02 When summer courses are available to aid in the re-qualification of an unaccommodated teacher(s) for a position or a projected position, then the tuition for these courses may be paid by the Board if suitable funding is available.

14.09.03 i) Upon recommendation of the Staff Allocation Committee an unaccommodated teacher who still remains surplus after August 31 and chooses to be placed on the recall list shall be granted retraining leave for one year without pay to re-qualify for a possible position in the District. The Board's share of the teacher's Employee Benefits and the tuition for the courses and any portion of the teacher's salary shall be paid by the Board if suitable funding is available.

ii) If, during the year of retraining, a suitable teaching position with the Board becomes available, the teacher shall be allowed to assume the position subject to Article 14.05.07 (ii) and the repayment by the teacher of tuition fees paid for by the Board.

14.09.04 A teacher who receives a retraining leave for one year will be credited with a year's experience for seniority purposes.

14.09.05 Placement of the teacher upon return from retraining leave shall be governed by the provisions of Article 14.

These amounts are for either direction of travel, and a teacher traveling from to A to C via B shall receive the sum of the amounts from A to B plus B to C.

If the teacher lives in the same municipality as the new school to which he/she is administratively transferred, then no allowance is paid. If a decision to relocate occurs any time during the first year, 100% of the relocation allowance as described in Article 14.10.02 shall be paid. **ARTICLE #15**      **TEACHER PERFORMANCE APPRAISAL**

- 15.01      The Board recognizes that Teacher Performance Appraisal shall be conducted in accordance with the Education Act and relevant legislation and in accordance with the Board's Policies and Procedures. The Board shall consult with the Bargaining Unit prior to making changes to the Board's Policies and Procedures with respect to Teacher Performance Appraisal.

**ARTICLE #16**      **PERSONNEL FILES**

- 16.01      The personnel file respecting a teacher shall be maintained in the Human Resources Department of the Board and shall be available and open to the teacher and/or a person authorized in writing to act on the teacher's behalf for inspection in the presence of a Board Human Resources Staff member at any reasonable time during the regular working hours of the department.
- 16.02      The teacher may make a copy of such information and may be accompanied by one other person who shall have access to such information at the request of the teacher.
- 16.03.01      If the teacher disputes the accuracy or completeness of any such information other than an evaluation referred to in Article #15, the Board shall, within twenty school days from receipt of a written request by the teacher stating the alleged inaccuracy, either confirm, amend or remove the information.
- 16.03.02      Where the Board amends or removes information as outlined in Article 16.03.01, the Board shall notify the teacher within 7 days of such changes and, at the request of the teacher notify all persons who received a report based on the prior information.
- 16.04      A teacher may place comments on any materials kept on file pertaining to the teacher.
- 16.05      No later than four (4) years after the date of issue, or less at the discretion of the Director, any disciplinary documents or adverse job-related correspondence contained within a teacher's personnel records and files shall be removed and returned to the teacher unless further disciplinary action has occurred for the same or similar offense within that period. This does not apply to documents or correspondence which the Board is required to retain by law. These will be kept in a sealed envelope separate from the teacher's files and will only be opened when the Board is required by law to open them.

**ARTICLE #17**      **CUMULATIVE SICK LEAVE PLAN**

- 17.01.01      A sick leave credit system is hereby established for every teacher eligible under Article 17.02. The administration of the system shall be vested in the Superintendent of

Business of the Board.

- 17.01.02 The Superintendent of Business shall have the power to do and perform all things necessary for the conduct of the sick leave credit system, including the power to allow or disallow any sick leave credit or deduction there from.
- 17.01.03 The Superintendent of Business shall keep a record of the accumulated credits and the deductions there from.
- 17.02 All teachers shall be covered under this Cumulative Sick Leave Plan.
- 17.03.01 A teacher shall be allowed an allowance of 20 days sick leave when actively employed each school year, and shall be credited annually with 100% of the unused portion of the 20 days. A fraction of a day, other than one-half, shall be taken to the nearest day. It is understood that active employment includes Board approved secondment to other employers and Federation Leave.
- 17.03.02 Where a teacher commences employment after September 1st for the purpose of Article 17.03.01, the sick leave of 20 days shall be prorated.
- 17.03.03 Sick leave credits are based on a working year of 10 months.
- 17.04.01 At the commencement of employment, or at the beginning of each working year, the teacher's sick leave account shall be credited with the total current year's sick leave allowance at the stated rate per normal working month. Accumulated sick leave credits shall not exceed the following caps:
  - (i) Members of the former Nipissing Board who have accumulated more than 250 days as of September 1, 1998 shall have their sick days capped at that value. However, if through usage of sick days the number falls below 250, that member shall subsequently be capped at 250.
  - (ii) Members of the former East and West Parry Sound Boards shall be capped at 250 days.
  - (iii) Members of the former Nipissing Board who have fewer than 250 days as of Sept 1, 1998 shall be capped at 250 days.
  - (iv) When a teacher of another Board, which has established a sick leave credit plan, is hired by this Board, the teacher shall be entitled to have the accumulated sick leave credits remaining in the plan of the previous Board transferred to this Board, but such transfer shall not exceed 250 days.
  - (v) Each teacher shall be given 20 sick leave days every September 1 thereafter, but at the end of the school year, the accumulated number of sick leave days will not

exceed the total stipulated in parts (i), (ii), (iii) or (iv) above.

Example: Teacher A, an employee of the former Nipissing Board, has accumulated 280 sick leave days as of June 30, 1998. On September 1, 1998 this teacher is granted 20 days for the school year 1998/1999.

- i) If this teacher uses 6 sick leave days during the 1998/1999 school year (or any number between 0 and 20), he/she will enter the 1999/2000 school year with 280 days and be granted 20 days on September 1, 1999
- ii) If this teacher uses 25 sick leave days during the 1998/1999 school year, he/she will enter the 1999/2000 school year with 275 days and be granted 20 days on September 1, 1999
- iii) If this teacher uses 60 sick leave days during the 1998/1999 school year, he/she will enter the 1999/2000 school year with 240 days and be granted 20 days on September 1, 1999. This teacher will also be capped at 250 days of accumulated sick leave in the same manner as a teacher in the former East or West Parry Sound Boards of Education.

- 17.04.02 Details of accumulated sick leave credits are available by logging into the Board's Human Resources Portal.
- 17.04.03 No transfer into the sick leave credit plan shall be made if the teacher receives from the previous Board a service gratuity or other allowance paid in respect of accumulated sick leave.
- 17.05.01 For absence for illness by a teacher for five (5) days or more in any given school year, the Board may require that a medical certificate be supplied. The Board may further require that this medical certificate be from a qualified medical or dental practitioner of the Board's choice. The cost of such a certificate, supplied by a medical, or dental, practitioner of the Board's choice, shall be paid by the Board.
- 17.05.02 Deductions shall be made from a teacher's sick leave credit for the number of days of absence because of illness. No salary payment or further accumulation of sick leave credits shall be made after the expiration of sick leave credits. Ninety days after the expiration of sick leave credits, no further contribution shall be made by the Board toward the cost of employee benefits.
- 17.05.03 Absence due to pregnancy/parental leave is excluded from this plan.
- 17.05.04 If a teacher submits a resignation effective earlier than the last day of the working

year, deduction shall be made from the teacher's sick leave credit for the remaining months of the year at the rate of two days per month, pro-rated.

17.06 Any leave of absence requested by a Teacher for any of the following reasons shall be granted by the Principal and shall be with pay, and without loss of sick leave:

17.06.01 where a teacher is writing examinations and:

- i) the examination is written in conjunction with improvement of qualifications or professional standing, and
- ii) the examination is written during the school day,
- or
- iii) the examination is written outside the instructional day, but travel time from the instructional day is necessary to reasonably arrive at the examination location.

17.06.02 where a teacher is attending his/her own graduation exercises or the graduation (grade 8, secondary or post-secondary) of his/her spouse, son, daughter or parent and;

- i) the exercises occur during the instructional day, or
- ii) the exercises occur outside the instructional day, but travel time from the instructional day is necessary to reasonably arrive at the graduation location.

17.06.03 for absence occasioned by the birth or adoption of a son/daughter, a leave of absence may be granted without loss of pay or sick leave credit for a period not exceeding one day;

17.06.04 where a Teacher is attending the funeral of a member of the family:

- (i) in the case of immediate family as defined below, a leave of absence without deduction of salary or sick leave credit up to a maximum of five (5) days.
- (ii) in the case of a member outside the immediate family as defined below or a friend, one (1) day.

Definition - IMMEDIATE FAMILY - Parents, parents-in-law, spouse, children, brothers, sisters, grandparents. However, there may be an exceptional situation for other relatives. In the case of such a relative, the employee may be granted leave, subject to approval of the Superintendent of Business. Spouse shall have the meaning as defined in the Education Act Section 1.0.1.

- 17.06.05 A teacher shall be allowed leave of absence from duty by reasons of a summons to serve as a juror, or a subpoena as a witness in any proceedings to which he/she is not a party or one of the persons charged, provided that the teacher pays to the Board any fee, exclusive of traveling allowances and living expenses that he/she receives as a juror or witness.
- 17.06.06 A leave will be granted without deduction of salary or sick leave credit, for illness or medical appointments for a member of the immediate family as a result of which the teacher is required to be away from school. Such leave shall be limited to a maximum of three (3) days in a school year. Every reasonable effort has been made to take care of the situation by other means.
- 17.07 Each teacher shall be allowed leave of absence without deduction of salary or sick leave when quarantined, or otherwise prevented from teaching by order of the Medical Authorities.
- 17.08 Any leave of absence without pay of 3 days or less requested by a teacher and not covered elsewhere in Article 17 may be granted by the Principal. Leaves of more than 3 days may be recommended by the Principal and may be granted by the Superintendent of Business and shall be without pay.
- 17.09 Under the Workers' Compensation Act, this Board provides protection for its teachers by way of insurance for partial loss of salary due to injury sustained in the course of duty. Under this cumulative leave sick plan, the Board will augment the compensation award so that full net salary will be paid up to the cash value of the number of days accumulated, after which the teacher shall receive only the compensation award.
- 17.10 **Retirement Gratuity**
- 17.10.01 **General:**

A retiring teacher who meets the requirements described below will qualify for a Retirement Gratuity based on the number of accumulated sick leave days and the number of years of service.

The gratuity will be paid March 1 for teachers who retire during or at the end of the first semester if the Board is notified of such retirement prior to May 1 of the preceding school year. Where a teacher retires during or at the end of the first semester and has not given notice prior to May 1, the retirement gratuity shall be paid by the following October 1.

The gratuity will be paid October 1 for any teacher retiring during the second semester or no later than August 31 if the Board is notified of such retirement

prior to May 1.

Where a teacher retires during the second semester or no later than August 31 and has not given notice by May 1 the gratuity will be paid by September 1 of the following calendar year.

**17.10.02 Eligibility and Method of Calculation:**

- i) To qualify for a gratuity, a teacher must have a minimum of twelve (12) years of service with the Board and be eligible for a pension and be at least fifty (50) years of age. This does not apply to teachers under the age of fifty (50) who may be eligible for a disability pension in accordance with the provisions of the Teachers' Pension Act.
- ii) The number of years of service, as used in the formula below, shall be those with the Near North District School Board and its predecessor Boards. Years of service are the years of continuous service from the date of last appointment.
- iii) The number of days of accumulated sick leave, as used in the formula below, shall be restricted to those actually earned while in the employ of the Near North District School Board and its predecessor Boards since the date of last appointment. At the time of calculation of the gratuity this information will be determined from the records.
- iv) The formula to calculate the amount of the gratuity is as follows:

$$G = \frac{Y}{20} \times \frac{N}{200} \times \frac{S}{2}$$

where G = value of the gratuity

Y = number of years of continuous service with this Board (maximum of 20)

N = number of days of cumulative sick leave (maximum 200)

S = annual salary

- v) Maximum gratuity shall be one-half of the annual salary rate at the time of retirement.

**17.10.03 Working Status Change and Gratuity Calculation**

Teachers who change their working status from part-time to full-time, or full-time to part-time (this does not apply to teachers on a second semester leave as described in Article 18.04) or are on an unpaid leave of absence, within their last five years of employment with the Near North District School Board, shall have their

gratuity prorated.

*Example:* A teacher working full-time in 1999-2000, 2000-2001 and 2001-2002 then assumes a two-thirds part-time teaching load in each of 2002-2003 and goes on an unpaid leave in 2003/2004. The time equivalent for this teacher is calculated as:

$$[(3 \times 1) + (1 \times \frac{2}{3}) + (1 \times 0)]/5 = .734$$

The gratuity for that teacher is thus 73.4% of the gratuity determined from the formula in Article 17.10.02 (iv) of the Collective Agreement.

## **ARTICLE #18**      **LEAVES**

### **18.01**      **Deferred Salary Leave Plan (DSLPL)**

18.01.01 The DSLPL shall afford teachers the opportunity to take a one-year leave of absence, financed through the deferral of salary.

18.01.02 Any teacher who has at least two (2) years of service is eligible to participate in the DSLPL.

18.01.03 A teacher shall make written application to the Board on or before March 1 of the school year prior to that in which the deferral leave plan is to commence, requesting approval for participation in the DSLPL, and specifying the desired salary deferral.

18.01.04 Written acceptance, denial, or suggested modifications of the request, with explanation, shall be forwarded to the teacher on or before May 15 of the school year in which the request is made.

18.01.05 The DSLPL shall be from four (4) to seven (7) years length including the year of the leave. The leave shall be taken in the last year of the plan.

### **18.01.06**      **Payment Formula and Retention of Deferred Salary**

a) In each year of the DSLPL preceding the year of leave, a teacher shall be paid a reduced percentage of salary.

b) The remaining percentage of annual salary (maximum 33 1/3 % of salary) shall be placed in an individual trust account in an investment plan mutually agreeable to the teacher and the Board.

c) The interest earned annually shall be kept separate from the deferred salary and reported in the year earned in accordance with the requirements of Revenue Canada. The teacher shall receive twice-yearly statements showing the total

deferred salary plus accumulated interest.

- d) The deferred salary shall be paid to the teacher in the year of leave, in the same manner as his/her salary would be or in a manner mutually agreeable to the teacher and the Board. Interest accrued prior to the leave shall be paid in a lump sum.
- e) Interest accrued during the year of leave shall be paid to the teacher in the year it is earned.

18.01.07 Subject to article 18.01.08, the teacher shall be entitled to the same benefits, allowances, vacation, teaching experience credit and seniority as when not enrolled in the plan.

18.01.08 During the period of leave, seniority will continue to accrue. Long-term disability coverage shall be based on the salary the teacher would have received had there not been a leave. Allowances shall not be paid and sick leave shall not be credited to the teacher's account during the year of leave.

18.01.09 **Withdrawal**

- a) A teacher may withdraw from the DSLP anytime up to March 1 of the school year prior to that in which the leave is to be taken subject to the approval of the Superintendent of Program and Schools-Secondary and in consultation with the local President of OSSTF. Approval for withdrawal is applicable to teachers enrolling in the DSLP subsequent to the January 2009 ratification of this Collective Agreement.
- b) Upon withdrawal from the DSLP, the teacher shall be paid the total amount of salary deferred plus interest accrued at the date of withdrawal in a lump sum within 30 days of withdrawal or in a manner mutually satisfactory to the teacher and the Board.

18.01.10 On return from the leave, the teacher shall return to the same, or a comparable position, held prior to the leave.

18.01.11 Should a member die while participating in the DSLP, the total salary deferred plus interest accrued at the time of death shall be paid to a designated beneficiary or the estate.

18.01.12 The Deferred Salary Leave Plan shall be subject to the Regulations under the *Income Tax Act*.

18.02 **Leave of Absence Without Pay**

- 18.02.01 A leave of absence without pay for an extended period of time may be granted by the Board.
- 18.02.02 If a teacher decides not to return to the Board following a leave of absence without pay, the Board shall be notified as soon as possible of this decision.
- 18.02.03 While a teacher is on a leave of absence, no sick leave time shall accumulate, but when the teacher returns to the Board from the leave, the teacher shall be credited with the same number of accumulated sick leave days as were previously banked before going on the leave.
- 18.02.04 Upon return from the leave of absence, the Teacher shall be assigned to the position previously held by the teacher. If the position does not exist the teacher will be placed in a comparable position in the system.
- 18.02.05 Subject to the restrictions of the plan, a teacher on a leave of absence from the Board shall be allowed to prepay the full cost of any employee benefits participated in at the commencement of the leave, provided that the prepayment will cover the whole anticipated period of the leave.
- 18.03 **Extended, Unpaid Leaves of Absence for Teachers**
- 18.03.01 Teachers who apply for an unpaid leave of absence from the Board, in accordance with Article 18.02, and who wish to extend that leave beyond a period of one year, shall be subject to the following provisions:
- 18.03.02 If the teacher informs the Superintendent of Program and Schools that he/she intends to extend that unpaid leave for an additional year, in writing by March 15 of the first year of unpaid leave, then an additional unpaid leave for a second year shall be granted.
- 18.03.03 After March 15, the teacher may apply for an additional unpaid leave for a second year to the Superintendent of Program and Schools, and the extension shall be at the sole discretion of the Superintendent. If the extension is not granted, the teacher is expected to return to teaching duties according to the provisions of Article 18.02.04.
- 18.03.04 This provision does not apply to teachers on federation leave as outlined in Article 10.
- 18.03.05 On the return from the leave, the teacher shall return to the same, or a comparable position, held prior to the leave.
- 18.04 **Second Semester Leaves of Absence for Teachers with Benefits Paid**

- 18.04.01 Teachers may apply for a special leave of absence for the second semester of the school year and receive payment of employee benefits, including the pension, in the following manner.
- 18.04.02 The teacher must apply for this special leave, on an appropriate form provided by the Board, to the Superintendent of Program and Schools by March 15 of the year immediately before the year in which the leave would be taken.
- 18.04.03 The granting of the leave is at the sole discretion of the Superintendent of Program and Schools. The superintendent shall respond to the application of the teacher within 15 days, and shall provide a written copy of the letter of acceptance or denial of the leave to the teacher, the appropriate principal and the President of the Teachers' Bargaining Unit.
- 18.04.04 If a special leave of this type has been granted, the teacher who has been granted that leave shall have the right to withdraw his/her application for that leave provided that the job posting to fill the position for the second semester has not taken place.
- 18.04.05 Once the job posting for the vacancy created in the second semester by this leave has taken place, the teacher may withdraw from that leave only after having received written approval of the Superintendent of Program and Schools.
- 18.04.06 On return from that leave, the teacher shall be placed back in his/her former school for the next school year. The teacher may resign from the board or may be transferred to another school, only in accordance with the provisions of article 14 of the Collective Agreement. The teacher shall receive sick days only for that portion of the school year in the first semester, as provided for in Article 17. For the first semester of teaching and the leave in the second semester, the teacher shall be granted one full year for purposes of seniority and the other provisions of the Collective Agreement, exclusive of salary and grid placement as outlined in articles 7 and 8.
- 18.04.07 The benefits paid on behalf of the teacher by the Board for the second semester shall be limited to the following provisions:
- 18.04.08 The Board's contribution for the employee benefit plans as outlined in Article 11 shall be paid by the Board on the teacher's behalf, prorated for the second semester only. The teacher will be required to pay any further contributions for the employee benefit plans that would otherwise be required as the teachers' contributions to the plans.
- 18.04.09 The Board shall remit to the teacher, an amount of money equal to that of the teacher's contribution to the Teachers' Pension Plan for the period of the second semester. The teacher shall then be responsible for making the necessary

arrangements for the pension premium contributions required by the Teachers' Pension Plan.

- 18.04.10 The amounts of the Board contributions for employee benefits and to the Teachers' Pension Plan, as outlined above, shall be reduced in the manner described herein for teachers who are approved for this special leave, and who have fewer than ten (10) years teaching experience. The Board's contributions for each of these benefits shall be multiplied by a factor of  $Y/10$ , where Y represents the number of years teaching experience for salary grid placement as defined in Articles 7 and 8 of the Collective Agreement.

*Example:* A teacher with a salary grid placement level at step 7 in September, 1999, applies for this special leave for the second semester of 1999-2000. The teacher receives  $7/10$  or 70% of the Board's contribution to employee benefits and 70% of that teacher's portion of the required Pension Plan contributions.

- 18.04.11 A teacher who applies for and receives approval for taking this special leave with benefits paid, shall *not* be considered to be a half-time teacher for gratuity purposes, if the teacher is in his/her last five years before retirement, as outlined in Article 17.10.03. Such special leave shall not be unreasonably denied.
- 18.04.12 On the return from the leave, the teacher shall return to the same, or a comparable position, held prior to the leave.

#### **ARTICLE #19**      **PREGNANCY AND PARENTAL LEAVE**

- 19.01 This article shall be in accordance with the *Employment Standards Act* - Part XI. Nothing in this Article shall remove from the employee any entitlement under the Act or the Collective Agreement.
- 19.02.01 "**Pregnancy Leave**" means a leave of absence under subsection 35 (1) of the *Employment Standards Act*.
- 19.02.02 A pregnant teacher who started employment with the Board at least 13 weeks before the expected birth date is entitled to Pregnancy Leave.
- 19.02.03 The teacher may begin pregnancy leave no earlier than 17 weeks before the expected birth date.
- 19.02.04 The teacher must give the Board:
- i) at least 2 weeks written notice of the date the leave is to begin;

- ii) a certificate from a legally qualified medical practitioner stating the expected birth date.

19.02.05 Article 19.02.04 does not apply when a teacher stops working due to complications caused by pregnancy, or because of a birth, still-birth or miscarriage that happens earlier than the employee was expected to give birth. In such a case the teacher shall, within 2 weeks of stopping work, give the Board:

- i) written notice of the date the pregnancy leave began or is to begin;

and

- ii) a certificate from a legally qualified medical practitioner that,

[a] states, in the case of a teacher who stops working because of complications caused by her pregnancy, the teacher is unable to perform her duties because of complications caused by her pregnancy and states the expected birth date, or

[b] states, in any other case, the date of the birth, still-birth or miscarriage and the date the employee was expected to give birth.

19.02.06 The pregnancy leave ends:

- i) for a teacher who is entitled to take parental leave, seventeen (17) weeks after the leave began

or

- ii) for a teacher who is not entitled to take parental leave, the later of the day that is seventeen (17) weeks after the leave began or the day that is six (6) weeks after the birth, still-birth or miscarriage.

or

- iii) at an earlier day than provided for in (i) or (ii) if the teacher gives the Board at least four weeks (4) written notice of that day.

### 19.03 **Short-term Parental Leave**

19.03.01 "Short-term Parental Leave" means leave taken for the purposes of caring for or adopting a child. This leave shall be equivalent to "Parental Leave" as defined in Subsection 36(1) of the Employment Standards Act, Part XI.

19.03.02 A teacher who had been employed by the Board for at least thirteen (13) weeks and

who is the parent of a child is entitled to Short-term Parental Leave following:

(i) the birth of a child

or

(ii) the coming of the child into the custody, care and control of a parent for the first time.
