Special circumstances may warrant premium pay recognition, such as prolonged periods where the employee is performing substantially the duties of the higher level position.

The City supports employee development for the purpose of increasing employee effectiveness, productivity and enhancing the opportunity for career advancement. Encouragement and assistance is provided through various ways, including:

In the event that such proceedings result in any judgement or monetary award against an employee, the City will indemnify such employee in respect of such judgement or monetary award and such indemnification shall include the assumption of costs of any legal proceedings incurred by the employee in respect of civil or criminal charges against such employee, resulting from the performance of such employee's duties.

A vacant position need not be posted where the City has obtained the consent of the President of the Association to not posting the position. A copy of postings shall be sent to the Secretary of the Association. Commensurate with the desire of the City to enhance the opportunity for career advancement, exempt employees shall receive first consideration in competitions for vacant or new exempt positions, subject to: possessing required qualifications, performance record, suitability and merit. "First consideration" shall mean the completion of a thorough evaluation of applicant exempt employees prior to the evaluation of external candidates. An exempt employee who is unsuccessful in the competition for such position vacancies shall be promptly notified of the reasons for his/her non-selection.
- (b) On the creation of a new exempt position, the City shall notify the Secretary of the Association. The Association may make representation with respect to their views within five (5) working days of notification.

16. GRIEVANCE PROCEDURE

A grievance is an appeal in writing with respect to the application of this Agreement; a promotion, dismissal, demotion, suspension or other disciplinary action. An employee may be dismissed by the City, either by providing sufficient notice or for just cause and such dismissal shall be confirmed in writing.

If any employee grieves within fifteen (15) days of the alleged event, the following procedures shall apply:

- (a) The grievance shall be first filed with the General Manager who shall, within seven (7) days, conduct a hearing and provide a written response.

- (c) The Association agrees to advise the City within fifteen (15) days of receipt of the decision to proceed to arbitration. If the grievance is not so referred, it shall be considered withdrawn.
- (d) Failure by the City to respond in any of the above steps within the time limits will automatically move the grievance to the next step in the grievance procedure.

(e) Arbitration

- (1) If a grievance proceeds to arbitration, an arbitrator mutually agreed to, shall be selected by both parties. If an arbitrator cannot be agreed to, the Dean of Law, University of Saskatchewan, shall make an appointment.
- (2) Each party shall equally share the fees and expenses of the arbitration and shall be responsible for their own costs.
- (3) In cases of dismissal and disciplinary action, the arbitrator shall have the authority to dispose of the grievance in a fair and equitable manner by substitution of a lesser penalty or reinstatement of the employee.
- (4) Notwithstanding (e)(3) above, for a grievance which is based on sufficient notice, the arbitrator may only decide on fair and equitable compensation.
- (5) The arbitrator shall not have any authority to alter any of the terms of this Agreement.
- (6) The arbitrator's decision shall be binding.

**CITY OF SASKATOON
DEFERRED SALARY LEAVE PLAN**

The following is intended to provide a summary of the key features of the City of Saskatoon Deferred Salary Leave Plan (D.S.L.P.). The information has been taken from the official plan document which has been approved by the Board of Administration and an advance tax ruling obtained from Revenue Canada, Taxation.

1. What is the purpose of the plan?

To enable eligible employees to defer a portion of their gross salary in order to pre-fund a mutually agreed upon period of leave from the City.

2. Who is eligible to join the plan?

The D.S.L.P. is available to all permanent exempt and senior administration employees.

3. What are the enrolment procedures?

An employee is required to complete an application form specifying the enrolment date, leave period commencement date, return date, and semi-monthly pay period deduction for each plan year. Following review and approval at the Department Head or Division level, payroll deductions are started.

4. How much salary can be deferred?

An employee can defer anywhere from 10% to 30% of their annual gross salary in a given calendar year. The election to defer with the exception of the first year of the Plan's operation must be made prior to the beginning of each calendar year.

5. Are there any stipulations on the leave of absence period?

Yes, the tax regulations covering these plans, specify a minimum leave period of six months and the maximum leave period of twelve months. A further requirement is that the total deferral period and leave period combined cannot exceed six years from the employee's commencement date under the plan.

6. Can the amount of salary deferral or the date for the leave of absence be changed?

Only one deferred salary election may be made for each tax year. The election must be completed prior to the beginning of the tax year to which it applies and cannot be changed or discontinued unless you terminate employment. The date of the leave period may be changed with the consent of the General Manager provided that the "six year rule" (i.e. combined deferral and leave period) is not exceeded.

7. What is the tax status of deferred salary amounts?

The amount of salary which has been deferred will not be included in the employee's income in the year in which it is earned but will be included for the period of the leave during which time all deferred amounts must be paid to the employee.

8. Will interest be paid during the deferral period on amounts deferred?

After careful consideration of the tax and other implications of paying interest, it was determined that no interest would be paid. However, it was agreed that the Employer's share of **all** contributions towards maintaining group life, dental and pension coverage at pre-leave levels would be paid during the period of leave **of** absence. The employee's share of such contributions would be deducted in the normal fashion from deferred salary paid during the leave period. This arrangement is covered by the tax regulations and **does** not constitute a tax benefit whereas any interest paid is taxable in the year it **is** earned.

9. What happens if an employee cannot complete the deferral and leave period?

If an employee terminates employment prior to the completion of the D.S.L.P., the entire amount of his or her deferred salary must be refunded in the tax year termination occurs. An employee may **also** discontinue participation in the plan due to financial hardship or other exceptional circumstances in which case all amounts previously deferred must be refunded immediately. Under either circumstance, refunds are fully taxable in the year paid.

10. What happens in the event of death or prolonged disability?

If death occurs during the deferral period, a lump **sum** refund of amounts previously deferred is paid to the employee's estate or named beneficiary. Depending upon the severity and likelihood of recovery, a prolonged period of disability during the deferral period **will** result in either a suspension of deductions or a payout of amounts previously deferred.

11. Are there any restrictions during the leave period?

An employee may use the approved leave period for any purpose with the exception of any involvement with the City for remuneration. Following completion of the leave the employee must resume employment with the City for a minimum period of time equal to the leave in order to retain favourable tax status of deferred salary amounts.

12. What about employee benefits during the deferral and leave period?

The intent is to maintain all employee benefits pre-salary deferral levels during the deferral and leave period. The notable exceptions are Canada Pension Plan and Unemployment Insurance which stipulate that contributions and benefits must be based **on** the actual earnings received by the employee. Vacation accruals and service credits will be suspended during the leave period only and no coverage for Workers' Compensation would be available from the City. **As** previously stated, the City will continue to pay its share of benefit costs during the leave period.

APPENDIX D

DEATH AND DISABILITY BENEFITS

- a) In this part:
- 1) "Salary" shall mean the basic rates of pay as from time to time set forth in the monthly pay schedule of this Agreement, but shall not include service pay.
 - 2) "Dependent Child" of a member means the child of a member who is:
 - i) an unmarried person under the age of eighteen (18) years;
 - ii) an unmarried person over the age of eighteen (18) years but less than twenty-five (25) years of age and is in full-time attendance at a school; or,
 - iii) a person over the age of eighteen (18) years who, prior to the death of the member, was, by reason of mental or physical disability, unable to earn a livelihood.
- b) If a member of the Saskatoon Fire and Protective Services is killed or totally disabled as a direct result of the performance of his duties, when responding to or returning from, or on scene at an incident, the following shall apply:

Death Benefits

- 1) In the event of the death of a member, the City shall guarantee to the spouse or dependent children an amount equal to the amount of the monthly salary such member **would** have received if living and continued in the employ of the City in the same or equivalent classification in which such member was employed at the time of death.
 - 2) In the event of the subsequent death of the spouse, the benefit shall continue to be payable, effective the first (1st) day of the month following the death of the spouse, at the rate of twenty percent (20%) of the gross applicable monthly salary for each dependent child with the maximum benefit payable under this provision not to exceed eighty percent (80%) of the gross of the applicable monthly salary.
- c) In calculating the amount to be paid by the City in any month, the following items shall be deducted from the salary from time to time in effect:
- 1) Any taxes and statutory reductions required by law.
 - 2) **The** amount of any pension, annuity or insurance settlement not personally contracted for by such deceased member, his widow or dependent children otherwise than by virtue of the employment of such member. Deductions specifically included in this Clause shall be any benefits paid by the Workers' Compensation Board, the Canada Pension Plan, the Criminal Injuries Compensation Board **or** a claim or suit in tort made against any person in respect of the death of such member. In the event of the foregoing benefits taking the form of a lump **sum** settlement rather than a monthly allowance, such amounts shall be spread over a ten (10) year period to determine the monthly amount deductible. It shall be **the** responsibility of the member's estate to apply for every benefit available before taking advantage of the provisions **of** the Clause.

d) The City's liability hereunder shall continue:

- 1) In the event of the death of a member leaving a spouse.
- 2) In the event of the death of a member leaving a spouse and dependent child or children.
- 3) In the event of the death of a member leaving no spouse **but a** dependent child or children until they cease to be considered dependents under the definition set forth in this Clause.
- 4) In no event shall payments be continued beyond the earliest date at which such deceased member would have been eligible for normal retirement superannuation benefits from the City had the member's death not occurred.
- 5) In the event a spouse abandons or deserts any dependent children, the City shall have the right to direct that any payment forthcoming, by virtue of these provisions, shall be paid to the benefit of such children following application by the Official Guardian to the Court pursuant to the provisions of *The Infants Act*, R.S.S., Chapter 342.

e) Disablement Benefits

- 1) In the event a member becomes disabled and is unable to perform assigned duties as a member of the Saskatoon Fire and Protective Services, the City shall guarantee to the member an amount **equal** to the amount of monthly salary such member would have received in the same or equivalent classification in which employed at the time the disability occurred.
- 2) Disability benefits payable herein shall be subject to the provisions of Workers' Compensation.
- 3) In calculating the amount to be paid by the City in any month, the provisions of Clause (c) respecting deductions shall apply with the necessary changes.
- 4) In no event shall payments be continued beyond the earliest date at which such disabled member would have been eligible for normal retirement from the Saskatoon Fire and Protective Services had disablement not occurred.

f) Reduction by City of Amount Payable

- 1) In the event that a member recovers from a disability to the extent of being capable of gainful employment, becomes **so** employed, and receives remuneration therefrom which is less than the entitlement under this Agreement, such amount shall be paid, assigned or delivered to the City by the member, or such other equivalent arrangements as shall be determined by the City.
- 2) In the event that **a** member recovers from the disability and becomes gainfully employed and receives remuneration therefrom which is in excess of what the member would have been entitled to have been paid under this Agreement, the responsibility of the City for further payments shall cease.
- 3) In the event that the City is satisfied that the member is unreasonably refusing **to** accept gainful employment which the member is capable of performing, the City may reduce or discontinue any payments subject to Clause (g) 1).

- g) 1) In the event of a dispute arising from medical grounds as to the validity of a claim for disability benefits, then, upon the application of either the City or the member concerned, the matter shall be referred to an independent medical practitioner, whose findings shall be final and binding upon both the City and the member.
- 2) The practitioner so referred to shall be appointed by the Dean of Medicine, University of Saskatchewan - or his designate - and shall be a specialist in the field of medicine relating to the disability suffered by the member. The expenses incurred shall be borne by the City.

"Without Prejudice"

LETTER OF UNDERSTANDING
between
THE CITY OF SASKATOON
and
THE EXEMPT STAFF ASSOCIATION

1. The Exempt Staff Association Board and the City of Saskatoon agree that it is important for the classification review to be undertaken in an unbiased, objective manner by professionals in the field. It is also agreed that this objective provides the rationale for using an external consultant to develop and implement a new classification system.

The Exempt Staff Association agrees that it is not within its mandate to be involved with determining the factors, ratings or salary ranges during the exempt classification review.

2. It is the desire of the Exempt Staff Association and the City of Saskatoon that the Association have representation on the Classification Review Steering Committee.
