I.2 Purposes

I.2.1 Ideals and Goals

The parties agree that the ideals and goals of Trent University are the advancement of learning, the dissemination of knowledge, and the intellectual, social, moral, and, as appropriate, physical development of the members of the University community and of society. They agree that in conducting their affairs and in their relations with each other they shall ensure the primacy of the University's academic goals. They accept a joint responsibility to secure these ideals and goals by promoting freedom, responsibility and

mutual respect in the life of the University community.

I.2.2 Purpose of the Agreement

The purpose of this Agreement is to promote and maintain harmonious relations between the parties in accordance with the ideals and goals of Article I.2.1, and to provide means acceptable to both parties for the orderly settlement of such differences as may from time to time arise between them.

I.2.3 Academic Freedom

The common good of society depends upon the search for knowledge and its free exposition. Academic freedom in universities is essential to both these purposes in the teaching function of the university as well as in its scholarship and research. Academic staff shall not be hindered or impeded in any way by the University or the Association from exercising their legal rights as citizens, nor shall they suffer any penalties because of their exercise of such legal rights. The parties agree that they will not infringe or abridge the academic freedom of any member of the academic community. Members of the academic community are entitled, regardless of prescribed doctrine, to freedom in carrying out research and in publishing the results thereof, freedom of teaching and of discussion, freedom to select, acquire, disseminate, or use information, freedom to criticize the University and the Association, and freedom from institutional censorship. Academic freedom does not require neutrality on the part of the individual. Rather, academic freedom makes commitment possible. Academic freedom carries with it the duty to use that freedom in a manner consistent with the scholarly obligation to base research and teaching on an honest search for knowledge. The claim of academic freedom shall not excuse members from meeting the duties and responsibilities set forth in IV.1.1 (i) and IV.1.2 i) of this Agreement, provided that the allocation of such duties and responsibilities in accordance with [IV.3](#) through [IV.6](#) shall not conflict with principles of academic freedom.

I.2.4 Discrimination and Harassment

I.2.4.1 The parties agree that there shall be no discrimination, interference, restriction or coercion exercised or practised by either of them with respect to any member in regard to any matter including salaries, rank, appointment, promotion, tenure, permanency, re-appointment, dismissal, sabbatical leave, fringe benefits, or any other terms and conditions of employment by reason of age (except as required by statute or the retirement provisions of the Trent University Pension Plan), race, language (except where the lack of language competence would clearly prevent the carrying out of the required duties), creed, colour, ancestry, ethnic origin, place of origin (birth place), citizenship, political or religious affiliation or belief, sex, pregnancy, sexual orientation, marital status, family status, number of dependents, clerical or lay status, disability (except where the disability would clearly prevent the carrying out of the required duties), place of residence (except where place of residence at such distance from the University significantly restricts members from carrying out their duties and responsibilities), or membership or activity in the Association or other legal associations.

The parties are committed to providing equal treatment with respect to employment without discrimination as required by the *Ontario Human Rights Code*. The University is committed to meeting the requirements of the *Ontarians with Disabilities Act* to address a workplace free of barriers.

I.2.4.2 Measures implemented by the parties under the Collective Agreement, in relation to the University's Employment Equity program, are not intended by the parties to be

discriminatory within the meaning of I.2.4 or under the relevant provisions of the Ontario Human Rights Code. Where necessary and as appropriate, in relation to such measures, the parties will work together to achieve "Special Program" status under the Ontario Human Rights Code.

I.2.4.3 The parties agree that harassment, and discrimination falling under the jurisdiction of the "Discrimination and Harassment Policy", shall be subject to the provisions of Appendix D.

Nothing in this Article or in Appendix D is intended to inhibit consensual social relationships, freedom of expression or academic freedom of any member.

Nothing in this Article or in Appendix D is intended to limit the authority of those individuals charged with supervising others, counselling others, informally resolving complaints or conducting job performance appraisals.

Nothing in this Article or in Appendix D is intended to restrict or inhibit a member's right to file a complaint with the Ontario Human Rights Commission.

Nothing in this Article or in Appendix D is intended to restrict the role of the Association or its representatives in responding to the concerns of members.

Nothing in this Article or in Appendix D is intended to limit access to the grievance and arbitration process under the Collective Agreement in connection with discrimination, interference, restriction, or coercion under I.2.4.1.

Nothing in this Article or in Appendix D is intended to restrict the action(s) of the University in responding to substantiated instances of harassment or discrimination.

I.2.4.4 Where a member applying for assistance or making a complaint under Appendix D is in contact with the subject of the application or the respondent by virtue of teaching, employment or other institutional relationships, and where such a member has reasonable grounds to believe that there is a threat to his/her physical health, safety or security, the member may, upon notification to the Provost and Vice President Academic, discontinue such contact with the subject of the application or the respondent pending the disposition of the matter under Appendix D or the institution of other appropriate arrangements. In the event that such discontinuance of contact significantly reduces the workload either of the said member or of a member who is the subject of the application or the respondent, the Provost and Vice President Academic, in consultation with the Dean/University Librarian may assign other duties as deemed necessary.

I.2.4.5 When the Provost and Vice President Academic notifies a member that disciplinary sanctions are to be imposed on the member under section 9.10 of Appendix D, a copy of the written notification shall be sent at the same time to the Association.

I.2.4.6 A grievance arising out of the imposition of a disciplinary sanction under Appendix D must be filed by the Association in accordance with the timelines laid out in IX.3. Such a grievance may be referred directly to Step Three of the grievance process as outlined in IX.3. These time limits may be revised by mutual agreement of the parties.

In any such grievance the arbitrator(s) shall hear all evidence de novo.

I.2.4.7 Public or official statements by officers of the University concerning an application for assistance or complaint under Appendix D shall be consistent with the substance and/or stage

of said application or complaint. Such statements, including statements concerning disciplinary sanctions imposed under Appendix D, shall be made by the University only on a "need-to-know" basis. However, arbitration reports issued in consequence of actions under Appendix D constitute public documents.

- I.2.4.8 If the Provost and Vice President Academic decides under section 9.10 of Appendix D not to proceed against a member who is a respondent, or if an arbitration decides in favour of such a member, the University shall remove all documentation relating to the complaint from the member's personnel files and, except for arbitration reports which shall be retained, shall at the discretion of that member destroy the documentation or transfer it to that member.
- I.2.4.9 Records of disciplinary sanctions imposed on a member under Appendix D which are confined to a warning or reprimand shall be removed from the member's personnel files after a period of three (3) years during which no further records of similar or more serious disciplinary action against the member have been added to the member's files. Records of disciplinary sanctions under Appendix D, more serious than a warning or reprimand, shall be removed from the member's personnel files after a period of five (5) years during which no further records of similar or more serious disciplinary action against the member have been added to the member's files. Documents which are so removed shall be maintained in a separate file in the Office of the appropriate Dean/ University Librarian, with access on a "need-to-know" basis and only in the context of personnel/employment decisions involving disciplinary action. Notice of access shall be provided to the member and to the Association.
- I.2.4.10 The University shall make every reasonable effort to protect members from undue jeopardy attaching to performance of their duties. Undue jeopardy may arise from trivial, frivolous, vexatious or bad-faith allegations under Appendix D. The University and the Association shall assist a member in applying whatever legal remedies exist if harassment of the member continues after a complaint has been upheld and disciplinary action has been taken under Appendix D.
- I.2.4.11 The Human Rights Advisor shall compile an annual report about applications for assistance and complaints under Appendix D. This report shall be as full as requirements of confidentiality under Appendix D permit and shall be made available to the University community.

I.2.5 Conflict of Interest

The parties agree that no member or person acting as an officer of the University shall take part in formal discussions or votes with regard to the determination of any term or condition of employment of an individual in the member's immediate family. The parties acknowledge the need to avoid potential conflicts of interest. Members shall not, without the written authorization of the Vice President Administration, or designate, authorize the purchase by the University of equipment, supplies or services from a source in which they or their families have a financial, proprietary or other direct interest.

I.2.6 Faculty-Student Relationships

The integrity of the faculty-student relationship is the foundation of the University's educational mission. Whenever a faculty member is responsible for academic supervision of a student, a personal relationship between them of a romantic or sexual nature, even if consensual, is inappropriate. Such relationships jeopardize the integrity of the educational process. In this article, the term student refers to all individuals under the academic supervision of faculty, including advising, supervising, and teaching.

I.2.7 Employment Equity

I.2.7.1 Trent University is committed to employment equity, as evidenced by its participation in the Federal Contractor's Program and approval of a policy on Employment Equity.

The parties are committed to establishing equitable opportunities for employment. The parties also agree to work together through bilateral consultation and negotiations to remove any discriminatory barriers that may exist to the employment of women, aboriginal peoples, people with disabilities, and members of racial minorities in employment areas covered by the Agreement.

I.2.7.2 For all individual faculty and professional librarian competitions for advertised positions, the Personnel Committee shall prepare a statistical report to the Dean or University Librarian (as appropriate), specifying the total number of applicants, and where the information is voluntarily disclosed by the applicants the number and percentage of those who were women, aboriginal people, people with disabilities, and members of racial minorities. The Provost and Vice President Academic's Office shall then compile these statistical reports, with copies to the Association. Departments/programs may also choose to consolidate this reporting process, by submitting one (1) annual statistical report to the Provost and Vice President Academic's Office (copy to the Association). In such cases, the report shall be submitted by no later than June 30th of each year.

I.2.7.3 Where there are no female applicants for a faculty position, or where the Personnel Committee determines a short-list which does not contain at least forty (40) per cent (minimum of two (2)) female candidates, the Dean shall be immediately advised. In such cases, the Dean may require an extension of the competition deadline, additional advertising, and/or such other measures as are deemed appropriate. In addition and where possible, the Dean may require that at least one (1) female applicant be placed on the short-list.

I.2.7.4 Where male and female candidates apply for a faculty position and a male candidate is recommended for appointment, the Personnel Committee shall prepare a report to the Dean which shall set out the details of the selection process, including the number of applicants who are short-listed, and the number and percentage of those who are women. In addition, the report shall formally and specifically address the candidacy of each female applicant who has been short-listed, and shall be submitted to the Dean for review prior to any formal offer of appointment being made.

I.3 Policies and Practices

I.3.1 Existing Practice

Except where modified by this Agreement, existing practices relating to terms and conditions of employment which are reasonable, certain, and known, and which were in force at the date of commencement of this Agreement or during the preceding academic year, shall continue during the term of this Agreement. The onus of establishing an existing practice within the meaning of this Article shall rest on the party or person alleging the existence of such practice. Either party may seek interpretation of existing practice relating to terms and conditions of employment by referring any such matter to the Joint Committee as established in [II.6](#) of this Agreement. The Joint Committee shall be allowed one (1) month from the date of the request to resolve such issues. The Board may, following due notice to the Association stated in writing, amend, alter, or discontinue existing practices in a reasonable

way. Reasonable grounds for altering, amending, or discontinuing existing practices shall include the need of the Board to comply with any of the articles of this Agreement.

I.3.2 Management Rights

The Association recognizes the management function of the Board as defined in section 10 of the Trent University Act, 1962-63, and recognizes the rights, powers, and responsibilities of the Board to manage the University. The Board agrees that it shall exercise these powers in accordance with the provisions of this Agreement.

I.3.3 University Policies Affecting Terms and Conditions of Employment

- I.3.3.1 (a) All university policies affecting the terms and conditions of employment of members of the Association will be consistent with the terms of the Collective Agreement. In case of conflict between this Agreement and any university policy, the terms of this Agreement will take precedence.
- (b) Policies referenced in [I.3.3.1](#) will be subject to grievance and arbitration by either party as provided in Article [IX](#).
- (c) Any discipline arising from the policies and their implementation will follow the procedures and, if necessary, the disciplinary actions described in [VIII.1](#).
- I.3.3.2 Where the Employer is required by law or government agency to introduce or amend policies referenced in [I.3.3.1](#), the Employer may impose such changes only after consultation with the Joint Committee, and, subsequent to such consultation, by serving written notice to the President of the Association of changes it will impose. Should the Association challenge the imposed introductions or amendments such grievance shall begin at Step 3 of the Grievance Process as outlined in [IX.3](#), and shall be filed within fifteen days of receipt of the written notice.
- I.3.3.3 Any amendments to the policies found in this Agreement ([Appendices C](#) and [D](#)) not required for compliance as per [I.3.3.2](#) can be made only with the Association's approval.
- I.3.3.4 (a) University policies under consideration by the University Policy Committee but not provided for in [I.3.3.2](#) or [I.3.3.3](#) will be sent to the Association for input. If there is no written response from the Association within twenty (20) working days the University will proceed with the policy on the assumption that the Association does not regard the policy as affecting the terms and conditions of employment of members of the Association.
- (b) Where the Association has, within the prescribed timelines in [I.3.3.4\(a\)](#), identified that the policy under review affects the terms and conditions of employment of its members and further seeks to provide input, the Association will provide such input to the Policy Committee within 30 working days of receipt of the policy. Such input will be copied to Joint Committee.
- (c) If after review by the Policy Committee there remain matters in dispute, such matters will be referred to Joint Committee, or a designated subcommittee as per [II.6.2](#), for discussion. Either party may subsequently refer the matter to Step Three of the grievance process as outlined in [IX.3](#).
- I.3.3.5 Where policies not otherwise covered by this article have sanctions that include discipline, only those policies shared with the Association through either Senate or Joint Committee

may form the basis for disciplinary action against a TUFA member.

I.4 Recognition of the Association

The Board recognizes the Association as the sole and exclusive bargaining agent for the members of the bargaining unit as defined by Certificate Number 1594-79-R of the Ontario Labour Relations Board dated December 18, 1979, and as amended on June 6, 1980.

The Association shall have the right at any time to call upon the assistance of representatives of the Canadian Association of University Teachers (C.A.U.T.) and the Ontario Confederation of University Faculty Associations (O.C.U.F.A.), when dealing with or negotiating with the University. Such representatives and any other duly designated representatives shall have access to the University premises at all reasonable times to consult with members, Association officers, or University officials. When such representatives deal directly with the University officials, the extent of their authority shall be clearly defined and communicated to the University officials by the Association.

I.5 Waiver or Breach of Provisions

The waiver of any provision of this Agreement or the breach of any of its provisions by either of the parties shall not constitute a precedent for any further waiver or any further breach.

I.6 Amendments and University Expansion

I.6.1 Amendments to the Trent University Act

In the event of any proposals being presented to the Board for amendment or revision of the Trent University Act, the Board shall provide the Association with copies of such proposals and shall provide to the Association an opportunity to make representations to the Board, within sixty (60) days following receipt of such copies, prior to the Board taking any action on the proposals.

I.6.2 Expansion of the University

In the event of an expansion or extension of the University through the creation of faculties, colleges, schools, departments/programs or any other academic units or sub-units, either in Peterborough or elsewhere, the academic staff members of such units or sub-units who by virtue of the terms of their appointments would be eligible for membership in the bargaining unit shall immediately become members of the bargaining unit, and the provisions of this Agreement shall apply to them. If the expansion or extension of the University takes the form of an educational undertaking with another educational institution, the Joint Committee shall advise the Board and the Association on methods of protecting the bargaining unit and permitting the University to extend its educational services to the community.

I.7 Association Rights

I.7.1 Membership in the Association

No member of the bargaining unit shall be required to join the Association as a condition of employment. However, all present and all future members of the bargaining unit shall be considered members of the Association unless they withdraw from the Association in the manner specified in Article [I.7.3](#).

I.7.2 Dues Check-Off

I.7.2.1 The Board shall deduct once monthly from the salary of each member of the bargaining unit such monthly dues or other assessments for general Association purposes as are uniformly and regularly payable by a member of the Association authorized in accordance with the Constitution and By-Laws of the Association and as certified in writing to the Board by the Association.

I.7.2.2 The Board shall remit the amounts deducted under the terms of Article [I.7.2.1](#) to the Association no later than fifteen (15) days after the amounts have been deducted.

I.7.3 Withdrawal from the Association

I.7.3.1 Members of the bargaining unit who affirmatively assert conscientious objection to membership in the Association may so declare in writing to the Association with a copy to the Department of Human Resources. This declaration shall express clearly and explicitly the grounds for conscientious objection, and shall as such constitute notice of withdrawal from membership in the Association.

I.7.3.2 Newly-appointed members of the bargaining unit and others entering or re-entering the bargaining unit from excluded academic administrative positions who affirmatively assert conscientious objection to membership in the Association shall so declare in writing to the Association within thirty (30) days of their appointment or return to the bargaining unit, in the manner and with the restrictions provided in Article [I.7.3.1](#).

I.7.3.3 In the case of a member who has withdrawn from the Association under the terms of [I.7.3](#), the Board shall within fifteen (15) days remit such amounts to the Trent University Faculty Association Bursary Fund. If, in a declaration of conscientious objection, a member has stipulated that his/her deductions be remitted to another Trent University bursary or scholarship fund, the Association shall so notify the Department of Human Resources and the deductions shall be remitted to the bursary or scholarship fund named by the member.

I.7.4 Membership Information

I.7.4.1 The Association shall provide to the Board on June 1 of each year a list of all members of the bargaining unit who have withdrawn from membership in the Association in the manner provided in Article [I.7.3](#). The Association shall inform the Board of all new withdrawals from and returns to membership in the Association within thirty (30) days of such occurrences.

I.7.4.2 Through consultation, the Board and the Association shall establish by September 1 of each year a list of the members of the bargaining unit from whose salaries deductions will be made. The Board will thenceforth report on a monthly basis any deviation from this basic deduction list.

I.7.5 Income Tax Deductibility

The Board shall indicate the annual total of payroll deductions for the Association or the Trent University Faculty Association Bursary Fund or other Trent University bursary or scholarship funds on each member's T-4 slip.

I.7.6 Provision of Facilities

I.7.6.1 The Board shall provide to the Association without charge the use of one (1) office, telephone services equivalent to those allowed by past practice to members (provided that the Association pays all long-distance charges), and use of the internal postal service. All additional services and facilities shall be available to the Association on the same basis as to departments/programs and at the same rates.

I.7.6.2 The Board shall provide to the Association without charge suitable meeting rooms on the University campus for the conduct of Association business, subject only to normal scheduling arrangements.

I.7.6.3 The Board agrees that officers, agents and representatives of the Association shall be permitted to conduct Association business on the campus of the University.

I.7.7 Association Activities and Career Development

A member's service to the Association shall be regarded as a share of administrative responsibilities as provided for in [IV.1.1](#) (iii) or [IV.1.2](#) (ii) of this Agreement.

I.7.8 Release Time for Officers

In any academic year, the Association shall be entitled to the equivalent of four (4) course releases to reduce the duties of its officers under the terms of [IV.1.1](#) and/or [IV.1.2](#). The reductions shall be determined by no later than May 15th of the preceding academic year and duly communicated to the Dean and/or University Librarian. Up to two (2) course release(s) not allocated to an officer may be carried over by the Association. No more than three (3) course releases may be accumulated as carry over at any time. The Association may purchase additional release time with the agreement of the Provost and Vice President Academic. The Provost and Vice President Academic shall not unreasonably withhold such agreement. Such course releases, with the agreement of the Provost and Vice President Academic, and such purchased release time, may, at the option of the officer, be deferred, or may be used under the provisions of [III.16.3.1](#).

CHAPTER II
ADMINISTRATION OF THE AGREEMENT

II.1 Duration of the Agreement

The term of the Agreement shall be from the date of ratification to June 30, 2016.

Where provisions in the Agreement require action by the Association and the Board after the date of ratification and that action has been or may be delayed, it shall be taken as soon as is administratively feasible.

II.2 Strikes and Lockouts

There shall be no strikes or lockouts during the life of this Agreement.

II.2.1 Essential Access

In the event of a strike or lockout at the University, members whose research requires access to facilities on the University campus, in order to prevent such damage to that research as the loss of live or decomposable materials, shall be allowed such access following arrangements with the Vice President Research, or designate. Where possible, notification of access needs shall be given.

II.3 Copies of the Agreement

Within sixty (60) days of the signing of this Collective Agreement, the Board shall prepare and provide to each member a copy of the Agreement together with any additional material which the parties agree shall be distributed. The Board shall provide at cost to the Association for its own use fifty (50) copies of the Agreement within sixty (60) days of signing. The Board shall routinely provide a copy of the Agreement to members appointed during its life.

With respect to new appointments, a copy of the Collective Agreement shall accompany any offer of employment.

II.4 Correspondence

All correspondence between the parties arising out of or incidental to this Agreement shall pass between the Associate Vice President of Human Resources (or designate) and the President of the Association (or designate). Where the Agreement specifies notice in writing, the internal postal service of the University shall normally be deemed adequate means of communication.

II.5 Provision of Information

Each party shall provide to the other party documents that by policy or practice are routinely available to members of the University. Requests for further information from the other party shall be made through the Joint Committee, and such further information shall not be unreasonably refused. Where such information relates to named individuals in detail, such details shall be restricted to, and treated confidentially by, the parties, officers and designated

representatives.

Such information shall include, but not be limited to:

- a. The total amounts spent on salaries and benefits for members of the bargaining unit as available from existing payroll data.
- b. Aggregate data for health insurance benefits as currently provided by the carrier.

II.5.1.1 Within 60 days of having received a letter of appointment or reappointment signed by a member, the University will provide the Association with a copy of same.

Where an appointment involves special commitments in relation to capital start-up costs and/or special support for teaching, research or administration, these shall be detailed in the initial appointment letter. Upon request, such arrangements will be discussed at Joint Committee. Such commitments, where provided, shall be granted to the individual member directly, and the total of such commitments shall be reported annually to the Joint Committee for information. A list of all such allocations shall be provided to Joint Committee by November 1st for the preceding July 1st to June 30th period.

II.6 Joint Committee on the Administration of the Agreement

- II.6.1 Recognizing the mutual benefits to be derived from joint consultation, the parties agree, within thirty (30) days of the signing of this Agreement, to establish a Joint Committee on the Administration of the Agreement, comprised of three (3) representatives of the Association and three (3) representatives of the Board.
- II.6.2 The Joint Committee shall deal with problems arising from the administration of this Agreement, as far as possible, and perform the various functions assigned to it in the articles of this Agreement. The parties may agree to establish sub-committees of the Joint Committee to perform particular functions assigned by particular articles of the Agreement if they are of the opinion that this will better expedite the administration of the Agreement. Such sub-committees shall be composed of an equal number of representatives of the Association and of the Board, and shall forward all recommendations to the Association and the Board through Joint Committee.
- II.6.2.1 In addition to performing the various functions assigned in this Collective Agreement to the Joint Committee, the Joint Committee shall administer this Agreement in the spirit of cooperation and mutual respect and shall seek the timely correction of conditions which may give rise to misunderstandings. To that end the Joint Committee shall act in an advisory capacity to the University and the Association concerning the need to amend or modify the Agreement. The Joint Committee shall not have the authority to amend or modify this Agreement. Any amendments or modifications to the Agreement shall not take effect until approved by the University and the Association.
- II.6.3 The Joint Committee shall determine its own procedures, subject to the following provisions:
- (a) The Joint Committee shall be co-chaired by one (1) representative of the Association and one (1) representative of the Board;
 - (b) A quorum for the Joint Committee shall be four (4) of its members, with a minimum of two (2) members representing each of the Board and the Association;

The parties recognize particular value in having the Provost and Vice President Academic and Vice President, Finance and Administration, in attendance and agree that each party may bring up to four additional members to these meetings. The timing and purpose of these special meetings shall be as follows:
- (a) Quarterly, to discuss application and enrolment data, the draft budget assumptions and related projections prior to its presentation to the Finance and Property Committee, and the implications that these matters may have for staffing, the in-year budget, the bargaining agent, or bargaining unit members;
 - (b) In the event that the University receives information outside of the regular budget

- cycle that results in decisions being made or contemplated with implications for staffing, the bargaining agent or its members for the in-year or future budgets;
- (c) At any other times jointly agreed by the parties.

II.6.4.1

Prior to special meetings of Joint Committee described in [II.6.4](#), the University shall provide the Association with relevant information necessary to facilitate informed discussion.

CHAPTER III

No appointments of members shall be made without a positive recommendation from the department and/or program, Provost and Vice President Academic, and the President. In the case of librarian members, the place of the Dean shall be taken by the University Librarian, and the place of the department and/or program shall be taken by the Librarians' Committee.

III.3 Appointments

III.3.1 Definitions

III.3.1.1 A full-time appointment is one in which the member's regular duties and responsibilities require full-time employment on a year-round basis as these are defined by the varying practice and procedures used by the departments and programs or the library.

III.3.1.2 A part-time appointment is one in which the member's regular duties and responsibilities

require some specified proportion of full-time employment.

III.3.1.3 A reduced-time appointment is one held by a tenured/permanent member, in accordance with the terms of [III.3.3](#).

III.3.1.5 A visiting appointment is one held on a defined, limited-term basis by an individual who is on leave from another employer and who is committed to return to a position of regular employment outside Trent. Where the visiting appointment is for one (1) year or less, the appointment shall be regarded as being outside the scope of the bargaining unit, although formal faculty/librarian rank shall be assigned in accordance with the appointee's status with their primary employer, and salary shall be assigned in accordance with Schedule A, based on academic rank and years of experience under the usual practices in that regard. In addition, the Personnel Committee of the appropriate unit shall approve any such appointment.

Where the visiting appointment is for more than one (1) year, the appointment shall be regarded as being within the bargaining unit, and all articles of this Collective Agreement shall apply. Association dues shall be deducted in the normal fashion, and the Association and the individual appointee are responsible for making check-off/dues arrangements, as appropriate, with the primary employer.

TUFA shall receive copies of all offers of Visiting Appointments.

III.3.2 The Position of Part-time Members

III.3.2.1 Part-time members shall receive salary compensation on the same scale as full-time members, provided that the amounts of all salaries and increments shall be in a proportion of full-time employment specified in their letters of appointment.

III.3.2.2 Subject to Article [III.3.3.8](#), other benefits and compensation for part-time members (including entitlements for leave) shall be as follows:

- i) Pensionable service will accrue on a pro-rata basis with employee contributions based on salary (e.g. for a .5 member pensionable service would accrue on a .5 basis and contributions would be based on the half-time salary);
- ii) Life insurance and long term disability insurance will be based on the employee's actual salary;
- iii) Health and dental benefits, if the employee is enrolled, will be provided to the employee as if the employee had a full-time appointment (i.e. no pro-ration);
- iv) Flexible benefits, professional expenses fund, and tuition waiver will be provided to the employee as if the employee had a full-time appointment (i.e. no pro-ration);
- v) EYS's, as per Article [IV.13.2.2.7](#);
- vi) Any other leaves pro-rated;
- vii) Legislated benefits - pro-rated.

III.3.2.3 Part-time members shall have duties and responsibilities so far as possible equivalent to those of full-time members, provided that such duties and responsibilities shall require only that

proportion of full-time employment specified in the letters of appointment.

III.3.2.4 Criteria and procedures (except as provided in [III.3.2.5](#) below) for tenure/permanence and promotion shall be the same for part-time members as for full-time members.

III.3.2.5 The time limits on probationary appointments may be revised for part-time members by agreement of the parties on a case-by-case basis, until there is agreement on a general formula to be attached to this Agreement.

III.3.3 Revision from Full-time to Part-time

III.3.3.1 Members may apply in writing to the Dean, on a wholly voluntary basis, to revise their category of employment from full-time to reduced-time, or from part-time or reduced-time to a smaller proportion of full-time which shall not in any case be less than one-half (1/2). Such revision shall require the consent of the departmental committee, of the Dean or the University Librarian, and of the President. Application for such reduction must be made by January 1 of the preceding academic year.

III.3.3.2 Members holding reduced-time appointments shall have the right to resume their previous status provided that not more than thirty-six (36) months have elapsed since the change of status. Members intending to resume their previous status may do so only on July 1, and shall give notice of intention to do so not later than the preceding January 1. Those who do not exercise the right under this section to resume previous status shall be deemed to hold a part-time appointment.

III.3.3.3 Each application for reduced-time employment shall be in writing with a copy to the Association.

III.3.3.4 Reduced-time appointments remain subject to [IV.1.1](#) and [IV.1.2](#). While it is normally expected in the allocation of those responsibilities that duties will be spread uniformly over the academic year, a member may request an alternative allocation, in writing, to the Dean/University Librarian with a copy to the Association. Unless the Association objects, within twenty (20) working days of receipt of the copy of the written request, the Dean/University Librarian may approve the alternative workload allocation. Where the Association objects, the reasons shall be clearly set out, in writing, to the Dean/University Librarian, with a copy to the Provost and Vice President Academic. If the application ([III.3.3.1](#)) for a reduced-time position is approved, the letter from the President (or designate) authorizing the appointment shall state clearly the nominal salary of the appointee, the reduction in regular duties and responsibilities, the actual salary, the date of commencement of the appointment, the office and research facilities, and any special terms and conditions of the appointment which differ significantly from the general statement of regular duties contemplated in [III.1.2.\(g\)](#).

III.3.3.5 No reduced-time appointment shall take effect until and unless the appointee accepts it and all its terms and conditions in writing.

III.3.3.6 A copy of each letter of appointment and each letter of acceptance of a reduced-time position shall be sent to the Association.

III.3.3.7 A member with a reduced-time appointment shall receive EYS credits and sabbatical salary in accordance with [IV.13.2.2.7](#).

III.3.3.8 A member opting for a reduced-time status shall be entitled to full benefits based upon the

proportion of nominal salary prior to commencing the reduced-time appointment for the first three (3) years of the reduced-time appointment. The Board shall in each of these three (3) years in addition pay, with respect to all benefits, the difference between the member's contributions, based upon actual salary, and the contribution required by the proportion of nominal salary prior to commencing the reduced-time appointment. Thereafter such members shall receive benefits in accordance with [III.3.2.2](#).

III.3.4 Externally-Funded, Non-Competitive Academic Appointments

Externally-funded, non-competitive academic appointments are subject to the following conditions

- (a) The appointee will be a member of the bargaining unit.
- (b) The appointment procedures under [III.5.3](#) and [III.5.4](#) are waived.
- (c) Because candidates for such positions are not subject to the usual competitive comparison procedures, COAP must be satisfied that the candidates are competitive. Such competitiveness shall be based on usual evidence of qualifications plus the selection procedure used to determine the candidate to be appointed.
- (d) The appointment may be with tenure, subject to the provisions of [III.7.3](#).
- (e) The appointee shall be placed at a salary step determined by the Provost and Vice President Academic in consultation with the Dean and consistent with the provisions of this Agreement.

- III.6.10.2 The Provost and Vice President Academic shall provide a copy to the candidate of the letter of recommendation which he/she intends to forward to the President. This letter shall set out the Provost and Vice President Academic's reasons for his/her recommendation.

III.7 Tenure

III.7.1 Definition of a Tenure Decision

- III.7.1.1 A decision to award tenure or deny tenure constitutes a tenure decision.
- III.7.1.2 A decision to award tenure shall be made by the Board only on the recommendation of the President, who shall first receive a recommendation from the Provost and Vice President Academic, following the Provost and Vice President Academic's receipt of a recommendation from COAP and from the relevant Departmental/ Program Tenure Committee. A decision to deny tenure shall be made by the President.
- III.7.1.3 Tenure shall not be granted without a positive recommendation from the Departmental/Program Tenure Committee, the Provost and Vice President Academic, and the President, provided that each carries out the duties assigned in the tenure process under this Agreement without determinative procedural or substantive error or bias.

III.7.2 Annual Meeting with the Dean for Members on Probationary Appointments

- III.7.2.1 The Dean's Office shall contact all members holding probationary appointments to arrange a meeting with the Dean to be held by April 30th of each year of the member's probationary appointment to discuss his/her progress towards tenure.

III.7.3 Eligibility to be Considered for Tenure

- III.7.3.1 Probationary appointments made at the Assistant Professor or Lecturer rank shall involve an

initial probationary term of four (4) years and a probationary reappointment for a further two (2) year term subject to a recommendation for reappointment carried out under the provisions of this Article. Consideration for tenure occurs in the fifth (5th) year of probationary service.

III.7.3.2 Probationary appointments made at the Associate Professor and Professor ranks shall involve a maximum probationary term of four (4) years.

Tenure decisions shall be made in the third (3rd) year of the appointment following the regular tenure process described in this Article.

III.7.3.3 In exceptional cases, a member who is granted a probationary appointment, may at the member's request, have the length of that appointment shortened by the appropriate Dean to account for prior experience. The association shall be copied on the letter of offer.

III.7.3.4.1 A member with previous combined limited term service within the bargaining unit of one (1) year or less, who is granted a probationary appointment, shall follow the eligibility conditions as set out in [III.7.3.1](#).

III.7.3.4.2 A member with previous combined limited term service within the bargaining unit of more than twelve (12) months, who is granted a probationary appointment may elect to count twelve (12), twenty four (24) or thirty six (36) months of that service as probationary service. The member shall advise the Dean of this election at the time of their appointment.

III.7.3.4.3 If a member elects not to count previous limited term service within the bargaining unit as probationary service, then the conditions for eligibility for tenure in [III.7.3.1](#) apply.

III.7.3.5 In exceptional cases, when an appointment is made of a person with a record of outstanding scholarship, tenure may be awarded immediately upon appointment, but only after the relevant Departmental/ Program Personnel Committee and COAP have been consulted.

III.7.3.6 The full details of the appointment including all relevant dates for eligibility to be considered for reappointment and tenure, and associated expectations, such as required academic credentials, shall be provided in the member's letter of appointment.

III.7.3.7 Extension of Probationary Period

III.7.3.7.1 Notwithstanding the various provisions above which define a maximum period of probationary service, a member who has had a pregnancy leave during her probationary period under [IV.13.6.2](#) and [IV.13.6.3](#) or a member who has taken a parental or adoption leave of more than four (4) months during his/her probationary period under [IV.13.6.2](#) and [IV.13.6.4](#) shall, upon written request to the Dean, with a copy to the Provost and Vice President Academic, no later than three (3) months following his/her return to duties after pregnancy, parental, or adoption leave, or by July 1st of the year in which he/she was scheduled to be considered for tenure, whichever is earlier, have his/her probationary period increased by one (1) year.

III.7.3.7.2 Similarly, a member who, during the probationary appointment has taken a sick leave under [IV.13.6.5](#) of more than four (4) months may elect to have the probationary appointment extended by up to one (1) year, upon written request by the member to the Dean, with a copy to the Provost and Vice President Academic, within six (6) months following return to duties. Where the absence is for one (1) year or more, the probationary period for the member shall be extended by up to two (2) years, upon written request by the member to the Dean, with a copy to the Provost and Vice President Academic, no later than six (6) months following

return to duties after the absence.

III.7.3.7.3 On compassionate grounds or in exceptional circumstances, a member may make a request to the Dean, with a copy to the Provost and Vice President Academic, that his/her probationary period be extended, normally for one (1) year.

III.7.3.7.4 Notwithstanding the above, the maximum combined extensions granted to a member during his/her probationary appointment and reappointment will normally not exceed a total of two (2) years.

III.7.4 Criteria for Tenure

III.7.4.1 In assessing a candidate for tenure, the Departmental/Program Tenure Committee, COAP, the Provost and Vice President Academic, the President, and the Board shall pay principal regard to the candidate's scholarship and scholarly promise. In order to qualify for tenure, the candidate must be judged to have demonstrated high quality in both teaching and research, including fulfilling the applicable duties and responsibilities referenced in [IV.1.1](#). i) and ii).

III.7.4.2 Individual departments/programs will formally adopt written standards specific to the academic unit for the application of these criteria in the tenure process. These standards shall be binding upon the Departmental/Program Tenure Committees following approval by the Provost and Vice President Academic, in consultation with the department/program and Dean. The written standards will be made available to Faculty Board and Joint Committee for information and discussion.

III.7.4.3 Departments/programs shall review their written standards at least every seven years. When a department/program revises its written standards for the application of the tenure criteria, the Chair of the department/program Committee shall submit the proposed revisions to the Dean, who shall forward them to the Provost and Vice President Academic. These revised standards shall be binding upon the Departmental/Program Tenure Committees following approval by the Provost and Vice President Academic, in consultation with the department/program and Dean. Approved revised written standards will be made available to Faculty Board and Joint Committee for information and discussion.

III.7.4.4 Where the standards have been revised during a candidate's probationary period, specific notice of the change(s) will be given by the Dean to the candidate, copied to his/her Chair. The Dean's notice shall draw the candidate's attention to the relevant sections of this agreement, including the deadlines specified in [III.7.5](#).

III.7.4.5 When a department/program adopts or revises its written standards for the application of the tenure criteria (in accordance with [III.7.4.2](#) and [III.7.4.3](#)) during a candidate's probationary appointment, the candidate for tenure in that department/program shall be asked to state in writing, to the Dean within three (3) months of notice from the Dean that the departmental /program written standards have been revised, whether the candidate wishes to be considered under the approved written standards under which he/she was hired or the revised written standards, failing which the approved standards which were in place at the time of his/her initial probationary appointment will apply.

III.7.5 Timing

III.7.5.1 The Dean shall inform the candidate, in writing, by April 1st that he/she will be considered for tenure in the coming academic year. The Dean's letter shall draw the candidate's attention to the relevant sections of this Agreement, including the September 30th deadline for the

candidate to submit his/her tenure file.

- III.7.5.2 The Chair of the Departmental/Program Tenure Committee shall inform the candidate by August 15th of the year in which he/she is being considered for tenure that his/her tenure hearing has been initiated, and he/she shall be afforded until September 30th to submit such evidence as required by this agreement and other such supporting evidence as he/she sees fit. On compassionate grounds or in exceptional circumstances, a member may make a request to the Dean that his/her application deadline be extended, normally for one (1) month.
- III.7.5.3 The Chair of the Departmental/Program Tenure Committee shall forward the Committee's recommendation for or against tenure to the Dean by November 30th. If circumstances prevent the Departmental/Program Tenure Committee from meeting this deadline, the Chair of the Departmental/Program Tenure Committee shall inform the Dean in writing, with a copy to the candidate. COAP, the Dean, the Provost and Vice President Academic, and the President will work within a timeline which will, under normal circumstances, permit the President to convey a decision regarding tenure to the candidate by June 30th of the penultimate year of the probationary appointment or reappointment.
- III.7.5.4 Once a decision to grant tenure has been made by the Board, it shall take effect on the following July 1st. If a decision to grant tenure is delayed because of reconsideration beyond June 30th of the academic year in which tenure consideration was initiated, tenure shall take effect retroactively to July 1st. If the candidate has submitted materials by September 30th of the year in which he/she is being considered for tenure and a decision to deny tenure is nonetheless delayed beyond June 30th of the penultimate year of the probationary service, the candidate shall be granted a further one (1) year limited term appointment, notwithstanding the various provisions of this Article.

III.7.6 Composition of the Departmental/Program Tenure Committee

- III.7.6.1 When a tenure decision is to be made, a Departmental/Program Tenure Committee shall be established, composed of five (5) persons.
- III.7.6.2 The Committee shall consist of the Chair of the department/program concerned, as Chair of the Departmental/Program Tenure Committee, three (3) tenured faculty members elected by and from the department/program Committee, and a faculty member from a cognate discipline appointed by the Dean in consultation with the Chair of the Departmental/Program Tenure Committee. Where there is no representation from a designated group as defined by Employment Equity legislation amongst the faculty members elected by the Departmental/Program Committee, the Dean's appointee from a cognate discipline shall normally be a member of a designated group as defined by Employment Equity legislation. All members of the Committee are voting members.
- III.7.6.3 When a candidate holds an appointment in a department/program with fewer than four (4) available tenured faculty members, the Dean, in consultation with the Chair of the Departmental/Program Tenure Committee and the candidate, shall appoint the necessary number of tenured faculty members from cognate disciplines to make up a Departmental/Program Tenure Committee of five (5) tenured faculty members, inclusive of the Chair of the Departmental/Program Tenure Committee. Here, as in [III.7.6.2](#), the Committee members from cognate disciplines are regular members of the Department/Program Tenure Committee, with no special responsibilities, and no special authority from or obligations to the Dean.
- III.7.6.4 When a candidate holds an appointment in more than one department/program, the

Departmental/Program Tenure Committee shall include a member from the non-home department/program, with full voting rights. This member shall serve in lieu of one of the three (3) tenured faculty members elected by and from the department/program Committee under [III.7.6.2](#), and this member shall be elected from the non-home department/program in the same manner as members elected from the home department/program.

- III.7.7.4 With the exception of assessments of teaching effectiveness by students, the tenure file shall not contain any unsigned material.
- III.7.7.5 After the tenure file has been submitted to the Departmental/Program Tenure Committee and before the tenure file has been forwarded to the Dean, the candidate can add new material to the file only if the new material that the candidate is adding is sufficiently significant that it might affect the recommendation or decision.
- III.7.7.6 No material can be removed from the tenure file without the agreement of the candidate, the Departmental/Program Tenure Committee, the Provost and Vice President Academic and the Association.

III.7.7.10 The Departmental/Program Tenure Committee shall follow a fair and reasonable plan to secure the views of students and faculty, and the Chair of the Departmental/Program Tenure Committee shall include a report on this plan when he/she submits the recommendation of the Departmental/Program Tenure Committee to the Dean. The Departmental/Program Tenure Committee may choose to secure the views of qualified assessors from outside the University. - III.10.3.4.4 The full details of the appointment including all relevant dates for eligibility to be considered for reappointment and permanency, and associated expectations, such as required academic credentials, shall be provided in the member's letter of appointment.
- III.10.3.5 Extension of Probationary Period
- III.10.3.5.1 Notwithstanding the various provisions above which define a maximum period of probationary service, a member who has had a pregnancy leave during her probationary period under [IV.13.6.2](#) and [IV.13.6.3](#) or a member who has taken a parental or adoption leave of more than four (4) months during his/her probationary period under [IV.13.6.2](#) and [IV.13.6.4](#) shall, upon written request to the University Librarian, no later than three (3) months following his/her return to duties after pregnancy, parental, or adoption leave, or by August 1st of the year in which he/she was scheduled to be considered for permanency, whichever is earlier, have his/her probationary period increased by one (1) year.
- III.10.3.5.2 Similarly, a member who, during the probationary appointment has taken a sick leave under [IV.13.6.5](#) of more than four (4) months may elect to have the probationary appointment extended by up to one (1) year, upon written request by the member to the University Librarian within six (6) months following return to duties. Where the absence is for one (1) year or more, the probationary period for the member shall be extended by up to two (2) years, upon written request by the member to the University Librarian no later than six (6) months following return to duties after the absence.
- III.10.3.5.3 On compassionate grounds or in exceptional circumstances, a member may make a request to the University Librarian that his/her probationary period be extended, normally for one (1) year.
- III.10.3.5.4 Notwithstanding the above, the maximum combined extensions granted to a member during his/her probationary appointment and reappointment will normally not exceed a total of two (2) years.

III.10.4 Criteria for Permanency

- III.10.4.1 In assessing a candidate for permanency, the Library Permanency Committee, COAP, the University Librarian, the President, and the Board shall pay principal regard to competence in the performance of duties and promise of continuing development as a librarian. In order to qualify for permanency, the candidate must be judged to have demonstrated high quality in the performance of duties in the Library, including fulfilling the applicable duties and responsibilities referenced in [IV.1.2](#).
- III.10.4.2 The Librarians' Committee will formally adopt written standards for the application of these criteria in the permanency process. These standards shall be binding upon the Library Permanency Committees following approval by the University Librarian, in consultation with the Librarians' Committee. The written standards will be made available to Faculty Board and Joint Committee for information and discussion.
- III.10.4.3 The Librarians' Committee shall review the written standards at least every seven years. When the Librarians' Committee revises the written standards for the application of the permanency criteria, the Chair of the Library Personnel Committee shall submit the proposed revisions to the University Librarian who shall forward them to the Provost and Vice President Academic. These revised standards shall be binding upon the Library Permanency Committee following approval by the University Librarian, in consultation with the Librarians' Committee. Approved revised written standards will be made available to Faculty Board and Joint Committee for information and discussion.
- III.10.4.4 Where the standards have been revised during a candidate's probationary period, specific notice of the change(s) will be given by the University Librarian to the candidate, copied to the Chair of the Library Personnel Committee. The University Librarian's notice shall draw the candidate's attention to the relevant sections of this agreement, including the deadlines specified in [III.10.5](#).
- III.10.4.5 When the Librarian's Committee adopts or revises its written standards for the application of the permanency criteria (in accordance with [III.10.4.2](#) and [III.10.4.3](#)) during a candidate's probationary appointment, the candidate for permanency shall be asked to state in writing, to the University Librarian within three (3) months of notice from the University Librarian that the written standards have been revised, whether the candidate wishes to be considered under the approved written standards under which he/she was hired or the revised written standards, failing which the approved standards which were in place at the time of his/her initial probationary appointment will apply.

III.10.5 Timing

- III.10.5.1 The University Librarian shall inform the candidate, in writing, no later than nine (9) months prior to the end of his/her probationary period, that he/she will be considered for permanency. The University Librarian's letter shall draw the candidate's attention to the relevant sections of this Agreement, including the deadline for the candidate to submit his/her permanency file.
- III.10.5.2 The Chair of the Library Personnel Committee shall inform the candidate no later than nine (9) months prior to the end his/her probationary period that his/her permanency hearing has been initiated, and that the candidate is to submit such evidence as required by this agreement and other such supporting evidence as he/she sees fit, no later than seven (7) months prior to the end of his/her probationary period. On compassionate grounds or in exceptional circumstances, a member may make a request to the University Librarian that his/her

application deadline be extended, normally for one (1) month.

- III.10.5.3 The Chair of the Library Personnel Committee shall forward the Committee's recommendation for or against permanency to the University Librarian no later than five (5) months prior to the end of the candidate's probationary period. If circumstances prevent the Library Personnel Committee from meeting this deadline, the Chair of the Library Personnel Committee shall inform the University Librarian in writing, with a copy to the candidate. COAP, the University Librarian, and the President will work within a timeline which will, under normal circumstances, permit the President to convey a decision regarding permanency to the candidate no later than three (3) months prior to the end of the probationary period.
- III.10.5.4 Once a decision to grant permanency has been made by the Board, it shall take effect immediately upon the end of the probationary period. If a decision to grant permanency is delayed because of reconsideration beyond the end of the probationary period, permanency shall take effect retroactively to the end of the probationary period. If the candidate has submitted materials by seven (7) months before the end of the initial probationary period, and a decision to deny permanency is nonetheless delayed beyond the end of the probationary period, the candidate shall be granted a further six (6) month limited term appointment, notwithstanding the various provisions of this Article.

III.10.6 Composition of the Library Permanency Committee

- III.10.6.1 When a permanency decision is to be made, a Library Permanency Committee shall be established, composed of five (5) persons.
- III.10.6.2 The Committee shall consist of the Chair of the Library Personnel Committee, as voting Chair, three (3) permanent librarian members elected by and amongst the members of the Librarians' Committee, and one (1) faculty member from within the University appointed by the University Librarian in consultation with the Chair of the Library Permanency Committee. Where there is no representation from a designated group as defined by Employment Equity legislation amongst the librarian members elected by the Librarians' Committee, the University Librarian's appointee shall normally be a member of a designated group as defined by Employment Equity legislation. All members of the Committee are voting members.
- III.10.6.3 When a candidate holds an appointment in more than one academic unit, the Library Permanency Committee shall also include a member from the non-home academic unit with full voting rights. This member will be appointed by the University Librarian, in consultation with the Chair of the Library Permanency Committee. This member shall serve in lieu of one of the three (3) permanent librarian members elected by and amongst the members of the Librarians' Committee under [III.10.6.2](#), and this member shall be elected from the non-home academic unit in the same manner as members elected from the Librarian's Committee.

III.10.7 Permanency Files

- III.10.7.1 Candidates are responsible for assembling their own permanency file and for delivering it to the Library Permanency Committee by the date specified in [III.10.5.2](#).
- III.10.7.2 The permanency file shall consist of all materials provided by the member pursuant to [III.10.7.8](#), and all other material, reports, assessments and candidate responses compiled under this Article.

- III.10.7.4 The permanency file shall not contain any unsigned material.
- III.10.7.5 After the permanency file has been submitted to the Library Permanency Committee and before the permanency file has been forwarded to the University Librarian, the candidate can add new material to the file only if the new material that the candidate is adding is sufficiently significant that it might affect the recommendation or decision.
- III.10.7.6 No material can be removed from the permanency file without the agreement of the candidate, the Library Permanency Committee, the Provost and Vice President Academic and the Association.
- III.10.7.7 After submitting his/her permanency file to the Library Permanency Committee, the candidate shall have access to the permanency file only under conditions specified in [III.10.8.5](#) and [III.10.9.4](#) (ii) below.
- III.10.7.8 By the date specified in [III.10.5.2](#), the Member shall provide the following materials to the Library Permanency Committee:

- III.10.7.10 The Library Permanency Committee shall follow a fair and reasonable plan to secure the views of librarians and faculty, and the Chair of the Library Permanency Committee shall include a report on this plan when he/she submits the recommendation of the Library Permanency Committee to the University Librarian. The Library Permanency Committee

may choose to secure the views of qualified assessors from outside the University. If the Library Permanency Committee chooses not to do so, the candidate may nevertheless require that the views of qualified assessors be sought. If the views of external assessors are sought, the procedures in [III.10.7.11](#) shall be followed.

III.10.7.10.1 The Chair of the Library Permanency Committee shall invite librarians to comment on the candidate's performance of professional duties, scholarly and research contributions, contributions to the profession at large, and service to the university and the community. With the candidate's permission, the Chair of the Library Permanency Committee may contact members of the University outside the Library to comment on the candidate's scholarly and research contributions, contributions to the profession at large, and service to the university and the community. The Chair of the Library Permanency Committee shall make available the non-confidential parts of the candidate's promotion file. Confidential materials include any letters by librarians, faculty, or externals written with the expectation of confidentiality. The Chair of the Library Permanency Committee shall provide the University Librarian with a summary of professional background or a brief c.v. as applicable and contact information for each of the assessors, as well as a rationale for the selection of assessors. Two assessors, one (1) named by Library Permanency Committee and one (1) named by the candidate, shall be requested by the University Librarian to furnish assessments of the candidate's scholarly and research contributions and contributions to the profession at large, in accordance with the permanency criteria as specified in [III.10.4](#) and the Librarians' Committee approved written standards for the application of the criteria. On receipt of the assessors' reports, the University Librarian shall place them in the candidate's permanency file.

III.10.8 Recommendation of the Library Permanency Committee to the Provost and Vice President Academic

III.10.8.1 The members of the Library Permanency Committee shall review the contents of the candidate's permanency file and shall meet to discuss the candidate's permanency application.

III.10.8.2 Quorum for Library Permanency Committee meetings, at which a permanency file is being discussed and/or voted on, shall be all members of the Library Permanency Committee, save any members who are in a conflict of interest. Members who are in a conflict of interest will recuse themselves from any Library Permanency Committee meetings at which the relevant permanency file is being discussed and/or voted on. Notwithstanding the above, in exceptional circumstances members may participate via the use of technology.

III.10.8.2.1 Committee decisions shall be made by formal vote. Votes shall be conducted by secret ballot. Committee members may not abstain from voting. A simple majority of votes carries. A record of the results of the vote as well as the minutes of all Library Permanency Committee meetings shall be forwarded to the Office of the University Librarian when the Chair of the

Library Permanency Committee forwards the Library Permanency Committee's recommendation to the University Librarian. Such records are confidential, and the Library Permanency Committee's minutes will not form part of the permanency file. They shall be kept for twelve (12) months after the permanency decision has been issued or until the end of any related grievance or arbitration.

- III.10.8.2.2 Members of the Library Permanency Committee shall maintain confidentiality regarding the Library Permanency Committee's deliberations and decisions, unless, as a result of a grievance process, legal or contractual proceedings require otherwise. Committee members who violate this requirement of confidentiality shall be removed from the Library Permanency Committee by the Chair of the Library Permanency Committee.
- III.10.8.2.3 Notwithstanding the confidential nature of the deliberations and decisions leading to recommendations of the Library Permanency Committee, any allegations of procedural irregularities may be brought to the attention of the University Librarian or any TUFA officer.
- III.10.8.3 Prior to rendering its decision, the Library Permanency Committee may, giving reasons, request the candidate to provide further evidence and/or supporting documentation, provided such information is specified in this Agreement as belonging in a permanency file and/or can be reasonably shown to be relevant to the evaluation of the candidate's file. Such further evidence and/or supporting documentation shall be added to the candidate's permanency file.
- III.10.8.4 If the Library Permanency Committee has serious reservations about the qualification of the candidate for permanency, the Chair of the Library Permanency Committee shall so inform the candidate, and set out in writing the reasons for its reservations. In preparing a written response, the candidate shall have access to the full contents of his/her permanency file, including the confidential letters from librarians, faculty, and external assessors, as appropriate, with identities masked.
- III.10.8.6 After considering all the submissions and discussing the case in the context of the criteria for the awarding of permanency as set out in [III.10.4](#) and the Librarians' Committee approved written standards for the application of the criteria, and, where applicable, having considered a candidate's request for reconsideration as per [III.10.8.5](#), the Library Permanency Committee shall, by formal vote, make one of the following recommendations to the Provost and Vice President Academic:
 - (i) grant permanency

- III.10.8.8 The Chair of the Library Permanency Committee shall provide a copy to the candidate of the Library Permanency Committee's recommendation which the Chair of the Library Permanency Committee intends to forward to the University Librarian. The Committee's recommendation shall include reasons for the recommendation and a numerical record of the vote.
- III.10.8.8.1 The candidate may provide a written response within two (2) weeks to the Library Permanency Committee's letter, to be included in the tenure file to be forwarded by the Chair of the Library Permanency Committee to the University Librarian with the recommendation of the Library Permanency Committee.
- III.10.8.9 The Library Permanency Committee may also recommend to the University Librarian that the candidate be promoted to Librarian III, conditional upon the receipt of permanency, provided the candidate is eligible for consideration for promotion to Librarian III and is thoroughly satisfactory in the performance of the duties and responsibilities as set out in [IV.1.2](#), bearing in mind the exemptions under [IV.5.2](#).
- III.10.8.10 The Chair of the Library Permanency Committee shall forward to the University Librarian, for consideration by COAP, the recommendation concerning permanency of the Library Permanency Committee, the candidate's response, if any, all supporting arguments and all correspondence and documentation considered by the Library Permanency Committee, and a report on the procedures followed.
- III.10.8.10.1 The recommendation shall address the candidate's competence in the performance of duties and promise of continuing development, and will be governed by the criteria for the granting of permanency as set out in [III.10.4](#), and the Librarians' Committee approved written standards for the application of the criteria.
- III.10.8.10.2 Where relevant, the Chair of the Library Permanency Committee shall forward to the University Librarian, for consideration by COAP, a recommendation of the Library Permanency Committee concerning promotion to Librarian III, and all supporting arguments and all correspondence and documentation considered by the Library Permanency Committee.
- III.10.8.11 The University Librarian will forward all materials in the permanency file to COAP, and following COAP's recommendation, the Chair of COAP will forward all materials in the permanency file to the Provost and Vice President Academic.
- III.10.9 Recommendation of COAP to the Provost and Vice President Academic
- III.10.9.1 All members of COAP shall review all the submissions and recommendations pertaining to permanency in the context of the criteria set out in [III.10.4](#) above and the Librarians' Committee approved written standards for the application of the criteria, and shall have access to all materials tabled in the Library Permanency Committee.
- III.10.9.2 The meetings of COAP for all deliberations regarding permanency for professional librarians shall be conducted according to the procedures set out below.
- III.10.9.2.1 COAP shall be chaired by the University Librarian. The University Librarian shall be non-voting.

Library.

- III.10.9.2.3 Decisions at COAP shall be made by formal vote. Votes on motions regarding Library Permanency Committee recommendations for or against permanency shall be conducted by secret ballot. Committee members may abstain from voting only if they have declared a conflict of interest or have been deemed to be in a conflict of interest. A simple majority of votes carries. A record of the results of each vote will be kept in the minutes. COAP minutes shall be kept for twelve (12) months after the permanency decision has been issued or until the end of any related grievance or arbitration.
- III.10.9.2.4 Members of COAP shall maintain confidentiality regarding COAP's deliberations and decisions, unless, as a result of a grievance process, legal or contractual proceedings require otherwise. Committee members who violate this requirement of confidentiality shall be removed from COAP by the Chair of COAP.
- III.10.9.2.5 Notwithstanding the confidential nature of the deliberations and decisions leading to recommendations of COAP, any allegations of procedural irregularities may be brought to the attention of the Provost and Vice President Academic or any TUFA officer.
- III.10.9.3 Prior to rendering its decision, COAP may, giving reasons, request the University Librarian to ask that the Library Permanency Committee and/or the candidate provide further evidence and/or supporting documentation, provided such information is specified in this Agreement as belonging in a permanency file and/or can be reasonably shown to be relevant to the evaluation of the candidate's file. Such further evidence and/or supporting documentation shall be added to the candidate's permanency file.
- III.10.9.4 COAP by formal vote may:
- (i) endorse a recommendation concerning permanency from the Library Permanency Committee, in which case COAP recommends to the University Librarian that the recommendation from Library Permanency Committee be upheld; or

As part of its request for reconsideration, COAP may request the University Librarian to ask that the Library Permanency Committee and/or the candidate provide further evidence and/or supporting documentation, including but not limited to assessments from external assessors, provided such information is specified in this Agreement as belonging in a permanency file and/or can be reasonably shown to be relevant to the evaluation of the candidate's file. Such further evidence and/or supporting documentation shall be added to the candidate's permanency file. In the event that such a request from COAP would result in more than two (2) external assessments in the permanency file, approval of Joint Committee is required. When a request that the Library Permanency Committee reconsider its recommendation is made, the candidate shall have access to the full contents of his/her permanency file, including any confidential letters from students, faculty, and external assessors, with identities masked, and the reasons provided by COAP to the University Librarian in its request that the Library Permanency Committee reconsider its recommendation; or
 - (iii) refuse to endorse a recommendation concerning permanency from the Library Permanency Committee, but shall not do so without good reason based on the criteria for the granting of permanency as provided for in [III.10.4](#) and the

Librarians' Committee approved written standards for the application of the criteria, or a finding of determinative procedural or substantive error or bias, in which case COAP recommends to the University Librarian that the recommendation from the Library Permanency Committee not be upheld.

- III.10.9.5 The Recording Secretary of COAP shall provide to the University Librarian a detailed written account of COAP's reasons for its recommendation. This written account will be reviewed and approved by the members of COAP prior to its being provided to the University Librarian. This report shall be included in the candidate's permanency file.
- III.10.9.6 In the event that, after receiving the recommendation from COAP, the University Librarian upholds the recommendation of permanency made by the Library Permanency Committee, the University Librarian shall recommend to the President that the member be granted permanency.
- III.10.9.7 In the event that COAP refuses to endorse a positive recommendation of permanency from the Library Permanency Committee, the University Librarian shall so inform the candidate and the Library Permanency Committee, setting out in writing COAP's reasons. This statement of reasons shall reflect the actual grounds for COAP's recommendation, be substantive in nature, and be clearly related to the criteria for the granting of permanency as defined in this Agreement. The candidate and the Library Permanency Committee shall have the right to submit a written response within two (2) weeks to the University Librarian. The University Librarian shall consider any such written response before he/she makes a recommendation to the President.
- III.10.9.8 In the event that the Library Permanency Committee recommends against permanency, the University Librarian, after having received a recommendation from COAP, shall so inform the candidate. - III.10.10.2 The University Librarian shall provide a copy to the candidate of the letter of recommendation which he/she intends to forward to the President. This letter shall set out the

University Librarian's reasons for his/her recommendation.

- III.10.10.3 The candidate may provide a written response within two (2) weeks to the University Librarian's letter, to be included in the materials to be forwarded by the University Librarian to the President.
- III.10.10.4 The University Librarian will forward all materials in the permanency file to the President.
- III.10.10.5 The President, giving reasons, may ask that the Library Permanency Committee and/or the candidate provide further evidence and/or supporting documentation, including but not limited to assessments from external assessors, provided such information is specified in this Agreement as belonging in a permanency file and/or can be reasonably shown to be relevant to the evaluation of the candidate's file. Such further evidence and/or supporting documentation shall be added to the candidate's permanency file. In the event that such a request from the President would result in more than two (2) external assessments in the permanency file, approval of Joint Committee is required.
- III.10.10.5.1 Following receipt of the recommendation from the University Librarian and the candidate's permanency file, including all prior recommendations and responses, if any, the President shall make a recommendation to the Board to grant permanency or make a decision to deny permanency.
- III.10.10.6 If the President decides to deny permanency, the candidate shall be so informed and shall receive in writing a statement of reasons from the President. This statement of reasons shall reflect the actual grounds for the President's decision, be substantive in nature, and be clearly related to the criteria for the award of permanency as defined in this Agreement.
- III.10.10.7 A decision to grant permanency to a member shall be made subsequent to the Library Permanency Committee making a positive recommendation to the University Librarian, and the University Librarian making a positive recommendation to grant permanency to the President and the President making a positive recommendation to grant permanency to the Board. A decision to grant permanency will be made by the Board and communicated to the candidate, the Chair of the Library Permanency Committee, the University Librarian, the Chair of COAP, and the Provost and Vice President Academic by the President.
- III.10.10.8 The decision to promote to Librarian III simultaneous with the granting of permanency shall be made subsequent to the University Librarian making a positive recommendation to promote to Librarian III to the President and the President making a positive recommendation to promote to Librarian III to the Board. - Following the Employer's notification described in [III.10.10](#), any materials submitted electronically in the Permanency File shall be retained by the Employer for a period of seven years and then destroyed, with the exception of materials described in [IV.17.5.1](#).

III.11 Promotion of Professional Librarians

III.11.1 Definition of a Promotion Decision

III.11.1.1 A decision to promote or not promote constitutes a promotion decision.

III.11.1.2 A decision to promote shall be made by the Board only on the recommendation of the President, who shall first receive a recommendation from the University Librarian, following the University Librarian's receipt of a recommendation from COAP and from the relevant Library Personnel Committee. A decision to deny promotion shall be made by the University Librarian or the President.

III.11.1.3 Promotion shall not be granted without a positive recommendation from the University Librarian and the President, provided that each carries out the duties assigned in the promotion process under this Agreement without determinative procedural or substantive error or bias.

III.11.2 Eligibility to be Considered for Promotion

The University Librarian shall inform candidates of their eligibility to be considered for promotion by July 1st of the first year in which they are eligible for consideration. Requests to be considered for promotion, which must be in writing to the Chair of the Library Personnel Committee, copied to the University Librarian, may be made no later than October 15th of any year in which the candidate wishes to be considered for promotion.

III.11.2.2 When members are recommended by the University Librarian to the President for a merit award which would have the effect, when awarded, of placing them at a point at which they would be eligible to be considered for promotion, they may immediately request to be considered for promotion in writing to the Chair of the Library Personnel Committee, copied to the University Librarian. If not promoted at this point, members shall be considered for promotion in any subsequent year that they so request as per the provisions of [III.11.2.1](#).

III.11.2.3 When a candidate is eligible for consideration for both permanency and promotion to Librarian III in the same academic year, the granting of permanency entails promotion in the same year, unless there is an overriding failure to satisfy the [IV.1.2](#) (ii) obligations under [III.11.3.1.1](#). Recommendations for promotion to Librarian III that are coincident with recommendations for permanency may be made by the Library Permanency Committee to the University Librarian. See [III.10.8.9](#).

III.11.3.1 Criteria for Promotion to Librarian III

III.11.3.1.1 A candidate who is being recommended for permanency and who is simultaneously eligible to be considered for promotion to Librarian III shall be recommended for promotion to Librarian III by the Library Permanency Committee, provided that the candidate is competent in the performance of the duties; shows an interest in general library policy; and has demonstrated an interest and activity in at least one of the following: making contributions to the profession at large; scholarship, research, and university teaching; university service or professionally-related community service.

III.11.3.1.2 When a member who was not promoted to Librarian III at the time he/she was awarded permanency requests at a later date to be considered for promotion to Librarian III (see [III.11.2.1](#)), the Departmental/Program Personnel Committee shall make a recommendation to the University Librarian, based on whether the member has continued to fulfil the criteria for the granting of permanency, and is entirely satisfactory in the performance of the duties and responsibilities as set out in [IV.1.2](#).

III.11.3.2 Criteria for Promotion to Librarian IV

III.11.3.2.1 The criteria for promotion to Librarian IV shall be: satisfactory in the performance of professional duties in the Library, and an effective contributor to the shaping of library or archives policy; significant contributions to the profession at large and/or in scholarship, research and university teaching; and active participation in university service or professionally-related community service. The Librarians' Committee will formally adopt written specific standards for the application of these criteria. These standards shall be binding upon the Library Personnel Committee, provided that they have first been approved by the University Librarian, and made available for information and discussed at Faculty Board and Joint Committee.

Such a request may only be approved with the agreement of the Departmental/Program Committee, the departmental/program Chair, and the Dean.

A member who has agreed to teach a course under [III.16.1](#) may submit a written request to the Dean (copy to the Chair) to bank a course release in lieu of per course remuneration. Banking will be permitted to a maximum of three (3) course releases. Use of banked course releases, in order to facilitate identified research projects, shall be subject to the following conditions:

- (i) a member's proposal for specific course releases must be submitted in writing to the Dean (copy to the Chair) by October 15th of the academic year prior to the academic year for which the course releases are requested;
- (ii) the proposed course releases must be supported by the member's Departmental/Program Committee and the member's Chair and approved by the Dean;
- (iii) the departmental/program recommendation must consider proposals for course releases in relation to its sabbatical plan (see [IV.13.2.5.1](#)), and approved course releases shall be appropriately noted on the sabbatical plan;
- (iv) three (3) banked courses are required for a full research leave, one and one-half (1.5) courses are required for a half research leave;
- (v) the research project for research leave under [III.17](#) must be evaluated and approved by the appropriate internal Committee on Research (e.g. NSERC or SSHRC) based on the prospect of successful completion, and the report on the research must be submitted to the appropriate internal Committee on Research within three (3) months of return to teaching duties;
- (vi) support or approval for proposed course releases shall not be unreasonably withheld;
- (vii) during a research leave, members are still required to undertake their normal duties, with the exception of their teaching duties, including: academic advising, departmental/program committee work, and other university service with the exceptions noted in [IV.5.2](#);
- (viii) if the appropriate internal Committee on Research is not satisfied with such an application for research leave, it may deny a research leave application. In such cases, the following shall prevail:
 - (a) The Vice President of Research shall inform the member of the denial and the reasons;
 - (b) The Vice President of Research shall invite the member to respond within two (2) weeks. The response must be in writing and must contain whatever supporting evidence the member deems pertinent. The Vice President of Research shall convey the member's response to the appropriate internal Committee on Research;
 - (c) After considering the member's response, the appropriate internal Committee on Research shall advise the Vice President of Research, copied to the Dean, either that the denial should be upheld, or that the leave should not be denied;

(d) A member denied a research leave after the above procedure will receive a lump sum payment, less deductions required by law, equivalent to the value of the member's banked course release(s).

(ix) course releases which are banked in this fashion shall not be the basis for any claim to compensation upon termination of employment or otherwise.

III.17.1 Willingness or unwillingness to participate in teaching courses outside the regular academic session shall not be considered in any decisions concerning the member's career development.

III.17.2 Except for the cases provided in [III.16.3.1](#) and/or [III.17](#), teaching outside the regular academic session shall not count as time of service for any purpose other than compensation.

III.17.3 Teaching outside the regular academic session shall not relieve a member from those portions of duties and responsibilities which relate to scholarship or service to the University.

III.18 Evaluation of Teaching Performance

III.18.1.1 Any evaluation of teaching performance required as part of this collective agreement (e.g. as part of tenure or promotion considerations) shall be conducted according to this article.

III.18.1.2 The parties agree that Student Course Evaluations are valuable in contributing to the improvement of teaching within the University. Although these survey instruments provide important information about teaching performance, such opinions do not in themselves constitute an evaluation of teaching performance.

III.18.1.3 Reviews of teaching performance may not rely exclusively on Student Course Evaluations or student opinions. Full consideration shall be given all materials required and permitted as part of any evaluation of teaching performance described in this agreement.

III.18.2 Teaching Dossier

III.18.2.1 Each faculty member shall be encouraged to create a teaching dossier. Members being considered for tenure, are required to submit a teaching dossier as part of their file.

In addition, members may submit teaching dossiers for consideration in cases of merit and/or promotion; the decision not to submit teaching-related materials in the form of a teaching dossier shall not be held against a member, however, the onus remains on the member to provide sufficient evidence in support of their application.

III.18.2.2 The contents of the teaching dossier shall include Student Course Evaluations, course content as set out in course syllabi, and a statement summarizing the faculty member's teaching experience, including the number of new preparations assigned to the member. The following may also be included:

- (a) reports on classroom visitations by peers;
- (b) examples of graded written work, and grading patterns;
- (c) instruments devised for evaluating student performance such as exams and assignments;
- (d) information concerning supervision of honours and graduate students;
- (e) any other information the member deems pertinent

III.18.3 Student Course Evaluations

- III.18.3.1 Departments/programs shall develop and maintain survey instruments that are appropriate to their academic disciplines, with assistance from the Instructional Development Centre. These instruments (Student Course Evaluations) will be made available to students during the final two weeks of all classes, with the exception of those classes that are exempt by decanal approval (e.g reading courses, thesis courses).
- III.18.3.2 Members shall not be present when the students complete the course evaluations, and the surveys shall not be transmitted to the department/program by the member. Administrative assistants of departments/programs shall count, record, and number the surveys transmitted for each course. Members may elect to conduct the survey instrument online. Student Course Evaluations are for the confidential information of that member except as noted in [III.18.3.3](#), where otherwise required to be submitted by this agreement or, in other cases, at the member's discretion
- III.18.3.3 Once completed, and following the submission of final grades for the course, such surveys shall be made available in confidence to the member, the Department/Program Chair and the Dean.
- III.18.3.4 Each member's Student Course Evaluations shall be retained by the Department.

III.19 Procedures for Voluntary Transfer and Cross-appointment of Faculty

- III.19.1 An individual faculty member from one academic unit may request to be transferred, in whole or in part, to another academic unit, by written application to the Dean (or Provost and Vice President Academic, in the case of transfers involving more than one academic division) by January 15th of the previous academic year.
- III.19.2 The agreement of the Dean (or where applicable the Provost and Vice President Academic), the home unit (approved by the Department/ Program Committee) and the receiving unit (approved by the Department/Program Committee) shall be required for an individual faculty transfer. A member shall be able to grieve if either the Dean (or where applicable the Provost and Vice President Academic) or the home unit objects to the transfer. An objection to a transfer by the receiving unit shall not be the subject of a grievance.
- III.19.3 The home unit of cross-appointed faculty must be specified at the time of the cross-appointment. This will automatically be the unit allotted the larger share of the faculty member except in the case where the cross-appointment is on a .5/.5 basis. In this case, the faculty member has the right to select the home unit.
- III.19.4 The home unit of a cross-appointed faculty member has the primary responsibility for making personnel recommendations regarding merit awards, tenure and promotion. In making such recommendations, the home unit must request and duly consider the evaluation of the other unit concerning teaching, scholarship and university service, as appropriate.
- III.19.5 The leaves and sabbaticals requests of cross-appointed faculty are to be processed, at the departmental/program level, by the home unit, but with the provisos that:
- (a) individuals must inform the non-home unit at the time of their request to be included in the home unit's leaves and sabbaticals plan for a particular year. Individuals must also inform the non-home unit of any existing plans at the time

of cross-appointment;

- (b) the home unit must consult the non-home unit before making a final decision about a cross-appointed member's leave request; and,
- (c) there must be agreement between both units regarding changes or additions to the home unit's three-year plan that directly affect the staffing plans of the other unit.

- III.19.6 The allocation of a cross-appointed faculty member across the units involved must be specified at the time of cross-appointment. Normally, cross-appointments will be allocated on a .7/.3 basis; however, with the Dean's approval, any other allocation, including 1.0/0.0, may be specified.
- III.19.7 The teaching and other responsibilities allocated to a cross-appointed faculty member in each academic unit should be approximately proportional to the norms accepted by that unit. However, by agreement between the units and the individual, these proportions may be regarded flexibly. In the event of a dispute, the Dean (or where applicable the Provost and Vice President Academic) would be arbiter and have the final decision.
- III.19.8 The cross-appointed faculty member has the same rights of participation in each of the units as if located as a regular full-time member of those units. In cases which concern both units, the cross-appointed member shall only vote in her/his home unit.
- III.19.9 Cross-appointments and transfers shall be for a definite term (of between three (3) and five (5) years) or be permanent. The duration of the arrangement must be specified when it is requested and approved. Any individual request for a further change in status, once a transfer arrangement has been made, will be regarded as a new request, and will have to follow the procedures outlined above.

CHAPTER IV

 - (b) conscientious grading of student assignments;
 - (c) availability for student consultations, including the posting of reasonable office hours;
 - (d) meeting with scheduled tutorial, seminar, laboratory, and lecture groups as specified in course syllabuses, except for reasonable change upon due notice where possible;

IV.1.2 Each librarian member shall be entitled and expected:

- (i) to perform the library duties allocated by the University Librarian under the procedures outlined in [IV.6](#), provided that the assignment of "other duties as required" does not interfere with the degree of specialization required to meet the requirements for promotion and career development;
- (ii) to accept a fair and reasonable share of administrative responsibilities through participation as requested in Library and University Committees and take an interest in and contribute to the shaping of general library policy. (However, Librarians at Ranks I and II shall not be required to serve on non-Library Committees, with the exception of the Library Services Committee.);
- (iii) to act as academic advisors within the college framework of the University, advising and assisting student advisees; and,
- (iv) to take an interest in and make contribution to at least one of:
 - (a) the profession at large;

IV.2 Facilities

In order to facilitate members' performance of their duties and responsibilities, the University shall make every reasonable effort to provide the necessary facilities and services to facilitate the work of the members including, but not limited to, provisions for suitable office space, telephone, secretarial, library, duplicating, and computer facilities.

- IV.2.1 The University shall ensure that the computing needs of members are fairly and equitably treated in the allocation of computer services.
- IV.2.2 The University shall ensure that the different needs of departments and programs are fairly and equitably treated in the allocation of computer services.

IV.3 Allocation of Teaching and Departmental/Program Duties

- IV.3.1.1 Teaching, and general departmental/program duties, shall be allocated in a fair, equitable and reasonable manner taking into consideration the academic responsibilities and skills of individual members, the terms of members' appointments, the needs of the department's/program's academic programs and, when possible, the preference of individual members.
- IV.3.1.2 The assigned proportion of a faculty member's work will include teaching and preparation for teaching, and the necessary administrative tasks associated with the operation of a collegial environment, and shall take into account the need among all TUFA faculty members for research time.
- IV.3.1.3 Teaching duties and responsibilities will be recommended to the appropriate Dean by the department or program Chair following consultation with the member, the appropriate departmental/program committee and Director(s) of the graduate program(s) in which a member participates, and, in the case of members with cross-appointments to another department/program, with the Chair of the member's other department/program. Final allocation of teaching and departmental/program duties will be subject to Decanal approval according to the provisions of this Article.
- IV.3.1.4 In the case of single department Schools such as the School of Education and Professional Learning and the Trent/Fleming School of Nursing, recommendations regarding teaching duties and responsibilities will be made by the Dean of the School to the Provost.
- IV.3.1.5 Teaching loads shall be defined in a manner that encompasses all of the teaching responsibilities undertaken by members, including, but not limited to, classroom teaching, lab teaching and supervision, class and lab preparation, course planning and scheduling, graduate teaching and supervision, individual project supervision, and student consultation, as applicable for the Department/Program.
- IV.3.1.6 In preparing the departmental/program recommendation of teaching duties and departmental/program responsibilities, a departmental or program Chair is expected to take into account factors such as the following:
 - (i) where developed, departmental/program criteria for allocation of teaching duties that

have been developed in accordance with collegial governance, including the opportunity for members of the department/program to contribute reasonably to their development and review;

- (ii) the full scope of activities and expectations of a member of a department/ program, commensurate with the three (3) principle components of a faculty member's appointment (teaching, research, and service);
- (iii) the number of separate courses taught by each member of the department/program, and the number of scheduled contact hours per course;
- (iv) the number of hours of preparation, grading and administration per course, with appropriate additional emphasis where new course development and preparation is involved (a new course preparation will be defined as any course the faculty member has not taught in the previous four (4) years);
- (v) the number of students enrolled in each course, particularly where no Laboratory Demonstrator/Tutorial Leader/Graduate Teaching Assistant/Marker assistance is expected to be provided;
- (vi) the number of hours of student counselling per course;
- (vii) the supervision of graduate students, reading course students and honours theses students;
- (viii) the level (i.e., introductory, upper year, graduate, etc.) and type (i.e., lecture, seminar, distance education, etc.) of each course;
- (ix) assistance of others in the teaching of the course;
- (x) the individual faculty member's research and scholarship commitments;
- (xi) involvement in graduate teaching;
- (xii) particular consideration of the goal, endorsed by both parties, of fostering the academic development of members newly embarking upon their academic careers;
- (xiii) the departmental/program and university service of individual members; and
- (xiv) any other relevant factors.

IV.3.1.7 Whenever possible, a member shall be offered the opportunity to teach two (2) or more sections of the same course during the same academic year, as well as the opportunity to teach the same course during more than one (1) session of the same academic year.

IV.3.1.8 The Dean shall endeavour to ensure that departments and programs establish a maximum number of undergraduate and graduate theses to be supervised by each of their members at any one time; members shall not be required to supervise more than that number.

IV.3.1.9 Over the life of this Agreement, the average advising load for members shall not exceed seventeen (17) advisees; the number of advisees in any year may be raised to nineteen (19) with the member's consent.

IV.3.1.10 The Dean shall administer an Annual Teaching Support Fund as set out in [IV.4](#).

IV.3.2 Transparency and Reconsideration

IV.3.2.1 Where developed, departmental/program criteria for the allocation of teaching duties shall be made available to all members through Department/Program offices, shall be distributed to all new Department/Program members, and shall be posted to an internal university web-based site accessible to all TUFA members.

IV.3.2.2. To facilitate transparency, the Department/Chair shall make available a list of teaching and service duties of all members as they are being formulated for the following academic year, and a summary list of final allocations in the Fall for that year.

IV.3.2.3 Members shall have the right to request reconsideration of their teaching and departmental/program responsibilities by their departmental or program Chair during the two-week period immediately following its recommendation to the Dean. Failure to request reconsideration in this period negates any right the member has to have the assigned duties reconsidered.

IV.3.2.3.1 If the request is not resolved to the satisfaction of the member within ten (10) working days of the date of the member's complaint, the member can, within ten (10) working days thereafter, refer the complaint to the appropriate Dean. The Dean will review the member's assignment of duties and shall consult with the member, the Chair and such other individuals they consider relevant before making a decision as to the member's allocation of teaching and departmental/program service. The Dean will communicate her/his decision to the member, copied to the Department/Program Chair and to the Association, within ten (10) working days of receipt of the member's request for review.

IV.3.2.4 After receiving the Chair's recommendations for the allocation of teaching duties and departmental/ program responsibilities, and after careful consideration of the factors outlined in [IV.3.1.6](#), the Dean will inform the department/program of staffing resources available. The department/program will be given the opportunity to reallocate teaching and departmental/program duties accordingly and submit a revised staffing plan to the Dean for his/her approval. Normally the Dean shall accept the recommendation of the Department/Program. If the Dean has difficulty accepting any aspect of the Department/Program recommendation, he/she may ask the Department/Program to reconsider the matter and to provide whatever additional information it believes to be relevant. If the Dean departs from the departmental/program recommendation, he/she shall advise the Department/Program in writing of the reasons for doing so.

IV.4 Teaching Support Fund

There shall be an Annual Teaching Support Fund with a total allocation of \$6.50 per student-course based on the University's total estimated undergraduate enrolment in the current academic year. The Teaching Support Fund shall be used to provide Departments/Programs and TUFA members with marking assistance and teaching support. Support from the Fund is not available for courses taught on overload. There shall be two (2) competitions, one in October and one in January. Distribution between the two competitions will be according to the previous year's enrolment, plus any surplus from the first competition. Applications will be made by individual members to the Department/program Chair, who will submit a consolidated request to the Dean on behalf of the Department/program. The Chair shall be responsible for distributing amongst members of his/her Department/Program the amounts allocated by the Dean. Appeals of the Dean's or a Department/program Chair's allocation

decisions, including denials, shall be heard by the Provost and Vice President Academic.

IV.4.1 The Dean and Provost and Vice President Academic shall make every reasonable effort to redress workload imbalances within individual departments and programs and among departments and programs.

IV.4.1 When an academic department or program suffers the sudden, unexpected loss of a member, the Dean, in consultation with the Provost and Vice President Academic, may authorize full or partial replacement paying particular attention to the teaching requirements of the department or program.

IV.5 University Service

IV.5.1 Members shall not be expected to serve on more than one (1) Senate or University committee at any one time. In addition, over any seven (7)-year period, a member shall not be required to serve more than three (3) years on one (1) or more major University committee (e.g., Undergraduate Studies Committee, Committee on Academic Personnel, Undergraduate Program Review, Academic Planning and Budget Committee, Graduate Studies).

At the request of the member, the Nominating Committee of Faculty Board will consider membership on Senate as equivalent to service on a major Senate or University committee.

IV.5.2 For limited term appointments of two (2) years or less, and for the first four (4) years of probationary appointments at the Lecturer or Assistant Professor ranks, members will not be expected to serve on Senate or University committees. Trent University Research Fellows will not be expected to serve on major University committees (see [IV.5.1](#)) during the period of the fellowship.

IV.5.3 Lack of service on Senate or University committees during the period of exemption set out in [IV.5.2](#) will not be considered in renewal, re-appointment, promotion or merit decisions.

IV.5.4 The Nominating Committee of Faculty Board for faculty assignments to Senate committees will make known its nominations for the subsequent academic year's service no later than April of the current academic year.

IV.6 Librarianship

IV.6.1 Specific and general library duties shall be allocated in a fair, equitable and reasonable manner, taking into consideration the professional responsibilities and skills of individual members, the terms of members' appointments, the relation of librarians' duties to their research, scholarship, and professional activities, the needs of the library and, when possible, the preference of individual members.

IV.6.2 Library duties and responsibilities will be determined by the University Librarian following reasonable consultation with the Librarians' Committee.

Members shall have the right to request reconsideration of their workload by the University Librarian within ten (10) working days of its being assigned and the University Librarian shall be expected to respond in writing within ten (10) working days from receipt.

Account shall be taken of the workload guidelines formulated by the Librarians' Committee. None of the factors listed in the guidelines shall be taken to preclude other relevant factors.

The University Librarian shall give particular consideration to the goal, agreed to by both parties, of fostering the professional development of members newly entering upon their professional careers.

IV.6.3 Using the established workload guidelines, the University Librarian, in consultation with the Librarians' Committee, shall determine the normal workload for each librarian employee.

IV.6.4 The University Librarian shall ensure that members have sufficient time during normal working hours to fulfil the contributions outlined in [IV.1.2.iv](#).

IV.6.5 When the Library suffers the sudden, unexpected loss of a member, the Provost and Vice President Academic may authorize full or partial replacement paying particular attention to the provision of library service.

IV.6.6 Insofar as resources become available, every reasonable effort shall be made to increase the librarians' complement as this becomes necessary in order to respond to increasing demands on existing library services and resources.

IV.7 Voluntary Retraining

IV.7.1 The parties pledge themselves to cooperate in bringing about ways to facilitate the academic or professional retraining of members where the members voluntarily agree that such re-training is acceptable to them and where such retraining appears for good reason to be beneficial to the academic program or library services of the University.

IV.7.2 Plans for retraining shall be arranged amongst the member, the departmental or program Chair, the Chair of the department or program to which the member would be reassigned upon successful completion of the retraining, and the Dean, in consultation with the Provost and Vice President Academic. In the case of librarian members, plans for such retraining shall be arranged between the member and the University Librarian.

IV.7.3 Such retraining shall occur without loss of rank, salary, benefits, seniority or rights under this Agreement, except that any adjustments in departmental or program or library sabbatical plans occasioned by any prospective reassignment shall be made by the Joint Committee and made known before a retraining plan is finally accepted.

IV.7.4 All costs reasonably involved in such plans for academic retraining shall be assumed by the Board.

IV.7.5 There shall be no penalty for failure to accept such a plan or for failure to succeed in it, if such failure comes about despite every reasonable effort on the member's part.

IV.8 Technological Changes

IV.8.1 There shall be no reduction in employment for a librarian member as a result of automation or other technological change.

IV.8.2 When the Employer determines that new or greater skills are required than are already possessed by affected librarian members under the present methods of operation, such members shall, at the reasonable expense of the Board, be given a reasonable period of time to acquire skills necessitated by the new method of operation. The Board in its sole discretion shall determine what is reasonable in terms of expense and time. There shall be no reduction in pay and benefits during the training period of any such member. It is recognized

that the librarian member may initiate this procedure.

IV.9 Absence and Vacation - Faculty

It is understood that members will devote their working time to study, research, or other professional activities whenever they are not engaged in the teaching and administrative duties and responsibilities required under [IV.1.1](#) (i) and [IV.1.1](#) (iii) of this Agreement.

IV.9.1 When members are required to be absent from the University in the pursuit of study, research, or other professional activities during periods when they are required to perform specific teaching and administrative duties as required under [IV.1.1](#) (i) and [IV.1.1](#) (iii), such absence shall be arranged through advance consultation with the member's departmental or program Chair and written notice to the Dean (copy to the Chair) of the arrangements made. Where the absence is unexpected, as a result of illness or disability, and it is anticipated that the absence might extend beyond three (3) working days where teaching duties are scheduled, members shall inform the Dean of the anticipated duration of the absence.

IV.9.2 Members shall also provide information to their departmental or program Chair about their proposed summer schedules, and members shall indicate their anticipated vacation period which shall be in accordance with established practice, shall not be less than two (2) weeks, and shall fall between the day following Spring Convocation and the final week of August. At the same time, members shall indicate where they can be contacted during any prolonged absence from the Peterborough area during the summer months.

IV.9.3 The annual salary for faculty members includes statutory vacation pay.

IV.10 Absence and Vacation - Professional Librarians

When professional librarian members are required to be absent from assigned duties due to the pursuit of approved study, research or other professional activities, such absence shall be arranged through advance consultation with the University Librarian. Where the absence is unexpected, as a result of illness or disability, members have an obligation to inform the University Librarian, as soon as possible, of the anticipated duration of the absence.

IV.10.1 The annual salary for professional librarian members includes statutory vacation pay, and vacation entitlements and arrangements for scheduling vacations shall be as set out in paragraph [V.3](#).

IV.11 Geographical Limitation for Librarian Members

No librarian member shall be required to provide more than occasional services outside Peterborough except as may be specified in the member's letter of appointment.

IV.12.1 Professional Expenses

In establishing policies for the provision of research activity, including the reimbursement of same, the use of per diems is permitted for established research accounts.

IV.12.2 Travel Between Work Locations

Where a member is required to travel between work locations as part of their assigned duties, their Dean shall sign an appropriately completed T2200 form indicating members are

required to travel for work purposes. Requests for a T2200 form submitted before March 1st shall be processed by the appropriate Dean's Office no later than March 31st.

IV.12.3 Professional Expenses Fund

In addition to the provisions for research and other scholarly activity established by other University policy, the Board shall establish for each member a Professional Expenses Fund which may be used in support of required duties under [IV.1.1\(ii\)](#) or [IV.1.2\(iv\)](#) (a) and/or (b) of this Agreement. Claims for reimbursement, together with original evidence of expenditures, shall be submitted to and processed by the Office of the Dean of Arts and Science. Receipts will be retained in the Office for audit purposes. Any materials remaining after use by the member for purposes of research shall be the property of the University. One thousand two hundred dollars (\$1200) shall be credited on the first day of July of each year to the Professional Expenses Fund of each member. On each June 30, unspent portions will be carried over to the next academic year, provided that the total on July 1 of any year will not exceed the sum of professional expenses and flexible benefits made available from the immediately-preceding three (3) years. Balances exceeding this amount on July 1 will have the excess permanently removed therefrom. Such removed balances shall be allocated to the Dean's contingency fund. Professional Expenses Fund entitlements shall be appropriately pro-rated in the case of limited term appointments which have terms of less than one year or duties and responsibilities that are less than full-time.

IV.12.3.1 Accounting and Claims

A full accounting of each member's Professional Expenses Fund shall be provided at least twice during the academic year. Each member may submit up to three (3) claims against his or her Professional Expenses Fund in each academic year.

IV.13 Leaves and Sabbaticals

IV.13.1 Definitions

- (a) A leave is a period of absence by a member from duties provided in [IV.1](#), authorized by the Board for a specified period of time and under conditions laid down by this Agreement.
- (b) A sabbatical leave is a paid leave for purposes of research and scholarly development, granted in accordance with the provisions concerning entitlement and authorization as defined in this Agreement.
- (c) A research leave is equivalent to, and carries the same conditions, benefits and obligations as a sabbatical leave, except as noted elsewhere in this Agreement and except that a research leave is based on banked course releases rather than EYS.
- (d) An academic unpaid leave is a leave for purposes of scholarly research or for teaching and research, other than as provided in [IV.7.1](#), during which benefits shall continue as provided in this Agreement.
- (e) A general unpaid leave is a leave granted for purposes other than scholarly research or teaching, during which benefits shall continue as provided in this Agreement.

IV.13.2 Sabbatical Leaves

IV.13.2.1 Duration

A sabbatical leave shall be for a unit of six (6) or twelve (12) months. For librarian members only, a six (6) month leave may be divided into two (2) units of three (3) months provided that no librarians are thereby displaced, without their consent, from their place on the three-year plan.

IV.13.2.2 Accumulation of EYS

- IV.13.2.2.1 A member shall be accredited with one-half (1/2) Earned Year of Service (EYS) for each six (6) months of service to the University, including any period of sabbatical leave.
- IV.13.2.2.2 A member shall be accredited with one-half (1/2) EYS upon return to duties following an approved Maternity Leave.
- IV.13.2.2.3 A member shall be accredited with one-half (1/2) EYS for each six (6) months of unpaid academic leave up to a maximum of two (2) EYS for any continuous period of such leaves.
- IV.13.2.2.4 A member shall be accredited with one-half (1/2) EYS for each year of full-time service or equivalent at another university (a) subsequent to the most recent sabbatical or paid leave from such an institution or (b) since initial appointment if no sabbatical or paid leave has been taken, prior to the member's service at Trent University, up to a maximum of three (3) EYS.
- IV.13.2.2.5 Notwithstanding the above, no member, at the commencement of a probationary or tenured appointment, shall be entitled to more than three (3) EYS in recognition of service at Trent or at another university.
- IV.13.2.2.6 Upon being granted a first sabbatical leave while holding an appointment at Trent University, a member initially accredited with two (2) or fewer EYS at the commencement of their probationary or tenured appointment, shall be accredited with one (1) additional EYS towards that first leave. A member initially accredited with 2.5 or with three (3) EYS shall be accredited with an additional one-half (1/2) EYS towards that first leave.
- IV.13.2.2.7 The service of members with part-time appointments shall earn EYS at the same rate as others (see [IV.13.2.2.1](#)), according to the length of service, not prorated. However, the percentage of salary to be paid during sabbatical leave (see [IV.13.2.7](#)) shall be a percentage of the full-time nominal salary prorated to the portion of full-time service corresponding to each period of EYS accreditation.
- IV.13.2.2.8 Upon being granted a sabbatical leave, a member may elect to use any number of previously-accredited EYS towards that leave, and the number of EYS to be used shall be indicated by the member prior to the commencement of the leave. Any accredited EYS not so used shall be banked and may be used for a subsequent sabbatical leave.
- IV.13.2.2.9 Notwithstanding any specific EYS entitlements which may be set out in this Agreement, no member may accumulate EYS in excess of fifteen (15).
- IV.13.2.2.10 Accumulated EYS credits shall not be the basis for any claim to compensation upon a member's retirement, death, resignation, or a member's leaving the University following denial of tenure or dismissal for cause.

IV.13.2.3 Eligibility

- (iii) The departmental/program/library sabbatical leave plan shall reflect as closely as possible the requests for leaves for members, provided that due regard is paid to the needs of the department/program/library. Unless there is a contrary advantage for the academic/professional development of members, conflicting requests shall be resolved by the department/program/library in favour of the member having the greater number of EYS and/or the greater period of time elapsed since the last sabbatical leave.
- (iv) The Dean shall review departmental/program three (3) year plans in COAP, and the Dean may require departments/programs to revise such plans on the grounds of departmental/program needs or, where members are cross-appointed to other departments or programs, on the grounds of the needs of those other departments or programs. The University Librarian shall review the library's three (3) year sabbatical plan and may require revisions to the plan on the grounds of library needs. The three (3) year plan shall then be forwarded to the Dean and COAP.

After consultation with COAP, the Dean shall forward recommendations to the President, provided that such recommended leaves are scheduled in departmental/program plans by March 15 in the same year.

If the Dean is not satisfied with such an application, or if it is determined that the member has failed adequately to report sabbatical activities and accomplishments, in accordance with [IV.13.2.8](#), the Dean may deny a sabbatical leave application. In such cases the following shall prevail:

- (i) The Dean shall submit the case for denial to COAP.

- (iv) After considering the member's response, COAP shall advise the Dean and the member either that the denial should be upheld, or that the leave should not be denied.
- (v) Where COAP and the Dean remain unwilling to recommend to the President that a sabbatical leave be authorized by the Board, the member shall continue to have the right to apply for sabbatical leave in subsequent years, subject to departmental/program leave plans.
- (vi) A member denied a sabbatical leave shall continue to be accredited with EYS in accordance with [IV.13.2.2](#).

IV.13.2.5.2 Special Authorization

The Dean may, after consulting the department/program/library and COAP, and upon timely application by a member, recommend to the President special authorization for a sabbatical leave when the member is unexpectedly offered an unusual opportunity to further personal academic/professional development at a time not scheduled in a departmental/program/library plan. The Dean shall ensure that departmental/program/library needs are not harmed by such special authorizations, and the possibility of such harm shall be grounds for rejecting such an application. If the Dean decides against a request for such special authorization, reasons shall be provided in writing to the member.

IV.13.2.6 Discretionary Replacements

The Provost and Vice President Academic, on the advice of the Dean, shall have discretionary power to authorize a limited number of full or partial replacements for teaching members on sabbatical leave. - IV.13.3.1.2 Applications for unpaid leave shall contain clear indication of the period for which leave is being sought, the type of unpaid leave sought, and the purpose of the proposed leave, including whether or not employment elsewhere is the purpose of the unpaid leave.
- IV.13.3.1.3 Applications shall be judged with due regard to the academic/professional development of the member applying for the leave, the needs of the department/program/library and equity considerations, with respect to other members. In the case of general unpaid leave, the personal preferences of members shall be given due weight, as shall consideration of public interest.
- IV.13.3.1.4 Applications for unpaid leave shall be reviewed by the member's departmental/program/library personnel committee and Departmental/Program/Librarians' Committee and shall be transmitted promptly to the Dean by the departmental or program Chair, or in the case of librarians, to the University Librarian, together with the recommendations of these bodies.

confirm his/her intent to return to employment at Trent. The Employer may further stipulate that failure to confirm intent to return to employment at Trent by that date constitutes an irrevocable notice of resignation, effective on the first working day following the term of the approved leave.

IV.13.3.1.6 The member shall be notified of the Dean's intended recommendation concerning the application for unpaid leave, with reasons in writing if the recommendation is to deny the application, and the member shall have ten (10) days to respond to the Dean's statement and to request reconsideration.

IV.13.3.1.7 The Dean shall make a recommendation for unpaid leave, including the specifications of the type of unpaid leave, to the President, and the Board shall not unreasonably prolong the communication of a decision on such a recommendation.

IV.13.3.2 Terms of Unpaid Leaves

IV.13.3.2.1 A member:

- (a) shall not be granted unpaid leave of more than two (2) consecutive years; and,

IV.13.3.2.2 Where warranted by very special, unexpected and unusual circumstances, the maxima specified in [IV.13.3.2.1](#)(a) and (b) above may be increased by no more than one (1) additional year. Requests for such an increase shall be subject to the procedures set out in [IV.13.3.1](#) and must have the support of the member's Department/Program Committee and the additional leave shall, in every case where granted, be regarded as a general unpaid leave.

IV.13.3.3 Replacements for Unpaid Leaves

Members granted unpaid leave shall be replaced or partially replaced. Such replacements shall be available to departments/programs or the library to meet the academic/library needs created by the unpaid leave.

IV.13.3.4 Benefits and Entitlements

For the second, and any future years of leave, the Board shall pay its contributions and the member shall pay their contributions, as though the member were receiving non-leave salary as defined under [IV.13.2.7.3](#). In the case of unpaid leaves which entail alternative employment, and such employment includes benefits, members shall assume the compensation and benefits of the alternate Employer.

IV.13.3.4.2 A member, upon returning from academic unpaid leave, shall be placed at the salary step equivalent to the step that would have been attained without the leave.

IV.13.3.4.3 A member on general unpaid leave shall not be accredited with career development increments or EYS for the period of such leave.

IV.13.3.4.4 Where a member has been approved for a second year of unpaid leave or where an increase in leave has been authorized in accordance with [IV.13.3.2.2](#), the Dean, at the member's request, may approve the awarding of full or partial benefit entitlements for the extended leave period.

IV.13.4 Leaves for Probationary Appointees

Under special circumstances, and upon the approval of the Departmental/Program/Librarians' Committee, the Departmental/Program/Library Personnel Committee, and the Departmental/Program Chair/University Librarian, members on probationary appointments may seek authorization for a maximum of one (1) year of sabbatical leave, unpaid leave or full research leave, but such period of leave must not be taken during a year in which they are to be considered for tenure/permanency.

It is expected that for the period of the leave of absence the member and the Department or Program Chair/University Librarian will agree to re-arrange the teaching, administrative or

other duties to their mutual satisfaction. In the case of faculty members, the Dean shall be advised of these arrangements.

IV.13.6.1.5 Election

In cases where a member is elected to the public offices referenced in [IV.13.6.1.4](#), above, a political leave of absence shall be granted as follows:

During this period of leave, the employee will continue to pay premiums on the portion of salary paid by Trent. The remainder of the cost of the contributions will be covered by the Board. In the event of frequent absences the Board shall be entitled to request proof, in a form satisfactory to the Board, indicating the member is unable to fulfill duties. In an absence of more than two (2) weeks, a medical certificate will be required by the Board, in order that coverage under the Long Term Disability Plan can be initiated. For cases outside Canada the Employer may, for either of the above situations, and at its expense, require a second opinion from a mutually acceptable practitioner retained by the Employer, and the member shall cooperate with the reasonable requests of such a practitioner.

Members shall notify their departmental or program Chair or University Librarian as soon as possible of their absence and its estimated duration.

Recognizing that such professional activities can bring benefits to and enhance the reputation of the University and the capacity of members, the Board agrees that members have the right to engage in part-time professional activities, paid or unpaid, including participation in learned societies and professional associations, provided that such outside professional activities do not interfere with the performance of the member's duties or the responsibilities of their academic appointment as set out in [IV.1](#) of

Any member(s) who uses the Employer's facilities while providing subcontracted services will provide reciprocal protection to the Employer.

VI.4 Previous Arrangements

Members with existing protection to intellectual property and copyrights arrangements with the Employer may opt for provisions in this Agreement if they so choose.

VI.5 Protection of Intellectual Property not Subject to Copyright

VI.5.1

- (a) The Employer waives, disclaims and abandons, any interest in or claim to, any invention, improvement, design or development made by a member without any use of the Employer's funds, services, facilities, support and/or technical personnel. Demonstration of use of the Employer's services or facilities by members lies with

the Employer. Members are required to give the Employer immediate notice of any application made by them to legally protect intellectual property prior to filing such an application.

- (b) Ownership of inventions, improvements, designs or developments shall vest in the member(s) who developed it. The Employer will share equally any revenue generated as a result of commercialization of any invention, improvement in design or development made by a member with the use, in whole or in part, of the Employer's funds, services, facilities, support and/or technical personnel. The use of normal academic facilities as defined in Article [IV.2](#) shall not be considered use of the Employer's services or facilities. Demonstration of use of the Employer's services or facilities by members lies with the Employer.
- (c) There will be a joint committee established to negotiate issues related to the disclosure of intellectual property, the responsibilities of the Employer and/or members regarding demonstration of the use of the Employer's services or facilities and the proportionality of shared revenues based on a schedule of resources used and accrued interest, within the life of the agreement.
- (d) Disputes as to what constitutes normal academic facilities shall be referred to the Intellectual Property and Copyright Committee for adjudication. No member shall make any application to protect intellectual property in respect of any such invention, improvement, design or development except in accordance with this Article.
- (e) For the purpose of this Article, the payment of salaries to members shall not be construed as use of the Employer's funds.

VI.5.2 Subject to Article [VI.3](#), Article [VI.5.1](#) shall not apply to any invention, improvement, design or development resulting from work financed by a grant or contract where the granting or contracting body, as a condition of the grant or contract, requires that any patent rights be assigned to it.

VI.5.3 The parties agree that members have no obligation to seek intellectual property protection for the results of their work, nor to modify research to enhance commercialization potential. The parties further agree that, except as herein provided, members have the unqualified right to publish their inventions, although such publication may be a bar to future application for protection of intellectual property.

VI.5.4 There shall be no obligation on the Employer to enter into any agreement with the member in the development of intellectual property. Members who seek to exploit an innovative idea have the option to use or not to use the services of the Employer for the development and exploitation of the idea. The Employer shall have the first option to carry out development of the intellectual property towards commercialization. In either case, the member shall sign an agreement with the Employer which governs the rights of the parties in accordance with this Article and sets out in detail the understanding between them as to the intellectual property and any subsequent costs and/or revenue. In the case of protection of intellectual property, the member shall, if the terms are satisfactory to the member, sign an agreement to take all steps or actions necessary for the purpose of formally involving any approved intellectual property development agency (IPA) with whom the Employer may have a contract.

VI.5.5 If the intellectual property development agency (or agencies) with whom the Employer has entered into agreement does (or do) not accept the invention for development, protection

and/or commercialization, the Employer may at its own discretion release the member from any obligation to the Employer, thus permitting the member to proceed or not with development on an independent basis.

- VI.5.6 The costs and expenses involved in obtaining, protecting, maintaining, licensing and commercializing any intellectual property referred to in [VI.5.1\(b\)](#) exploited through the services of an IPA will be borne by the Employer. Expenses incurred in respect of such intellectual property not exploited through the services of a IPA will be borne by the member.
- VI.5.7 All royalties received in respect of any intellectual property referred to in paragraph [VI.5.1\(b\)](#) will be deposited in an "IP Account". Where the University incurs expenses with respect to the efforts of an IPA, it may be immediately reimbursed from the appropriate IP Account. Where members incur expenses in respect of intellectual property not exploited by the IPA, they may also be immediately reimbursed from the appropriate IP Account. On April 30 of each year, reimbursement of any outstanding expenses incurred in the preceding year will be made from each IP Account. The amount remaining in each IP Account will be distributed in proportions agreed to by the member and the Employer. The Employer shall allocate its share to the academic and/or research budget. It may use its share at its discretion to provide such items as, but not exclusively restricted to, equipment and library resources to foster and maintain the academic and research environment generally in the University, and half of such resources shall be designated to acquisition of such resources in the department or program with which the inventor is affiliated. If the amount in any IP Account as of April 30 is not sufficient to reimburse the outstanding expenses of the Employer or member as the case may be, those expenses shall be reimbursed to the extent possible and the amount of the deficiency shall be deemed to be expenses incurred in the following year. These funds and accounts shall be maintained in such a way as to be open for inspection to the Association's President or designate.
- VI.5.8 The member shall grant to the Employer non-exclusive, royalty-free, irrevocable, indivisible and non-transferable right to use solely for the Employer's internal use any intellectual property, improvement, design or development referred to in [VI.5.1](#) above. Such right shall not include the right to transfer or exploit any product or process.
- VI.5.9 The name and trademark of Trent University shall not be used in connection with any intellectual property without agreement of the member and the Employer and shall be used upon request of the University in connection with any intellectual property referred to in [VI.5.1](#) above.
- VI.5.10 Members must verify protection of the Employer against liability in the use/application of their independently created works.
- VI.5.11 Contributions in the development of intellectual property shall at the request of the member be included in listings of publications and scholarly papers, in any curriculum vitae, in grant applications, and in reports prepared by the Employer.

- VI.6.4.2 If a department/program proposes to offer a distance education course that has not been offered during a period exceeding four (4) years, and the Employer intends to assign the course to another instructor under the provisions of [VI.6.4.3](#), the Employer may request that the member revise and update the course prior to it being offered again. If the member declines, the Employer reserves the right to have the distance education materials revised and updated by other qualified personnel. The Member shall be supplied with a copy of the revised materials at his or her request. Such revision or updating does not constitute a waiver of the Member's moral rights.

- VI.6.4.3 A member, as owner and copyright holder of the distance education course materials, retains the right to teach his/her distance education course each time it is offered. If a member declines the request of the employer to teach the course, or is unavailable (e.g. sabbatical or other leave), the employer may assign another qualified instructor to teach the course and its content that the employer has a licence to use under [VI.6.4.1](#).

- (e) The Employer shall not unreasonably restrain the exploitation of the computer program. If, within two (2) months of the receipt of a written request by a member, the Employer has not commenced negotiations with the member for the exploitation of the computer program, the Employer shall be deemed to have waived any and all rights in the exploitation of the copyright of the said computer program and shall forego all fees, royalties, and other income. CHAPTER VIII: DISCIPLINE

VIII.1 General

A member may be disciplined only for just, reasonable, and sufficient cause. Such disciplinary action shall be fair, reasonable, commensurate with the seriousness of the violations, and based on the principle of progressive discipline. Both parties recognize the objective of progressive discipline as being corrective in nature.

VIII.2 Non-disciplinary Situations

(a) A member may not be disciplined for violation of a rule, regulation or instruction unless that rule, regulation or instruction has been promulgated and communicated by the appropriate authority, and does not violate this Agreement.

(b) Medical disability shall not be cause for discipline. If a member is disciplined for an incident he/she claims is a result of medical disability or illness, he/she shall notify the university. In such cases, the university may require members to provide a medical certificate from a physician of his/her choice.

VIII.3 Discipline Separate from Academic Performance Assessment

(a) Disciplinary processes shall be distinct from academic assessments such as those used in the processes of re-appointment, tenure, promotion and merit.

(b) The fact that a disciplinary action has been imposed under Article [VIII.5](#) cannot, in itself, be the basis of the decision to deny a member reappointment, tenure, promotion and merit. The information, however, which resulted in discipline, may be considered only if specifically relevant to the criteria for the recommendation or decision being made. In each recommendation and decision, where information is communicated that was the grounds of disciplinary action, there will be an explicit accounting for the role that it played in that recommendation or decision. In the case of denial of annual Career Development Increment, the grounds for the denial but not the denial in itself may be a factor in such assessments.

(c) Where allegations triggering a disciplinary investigation directly involve the integrity of the scholarly record under review, the academic assessment process will be delayed until the completion of the investigation.

VIII.4 Types of Disciplinary Action

The only disciplinary measures that may be taken by the Employer against a member and documented in the member's Personnel file are as follows:

- (a) written warning;
- (b) written reprimand;
- (c) suspension with pay;
- (d) suspension without pay; or
- (e) dismissal for cause.

The measures (a) through (e) above are normally followed in sequence; however, depending on the seriousness of the infraction the disciplinary process may commence at any point.

- (f) Where the issue is academic performance and in cases of assessment of unsatisfactory performance with serious deficiency, denial of a Career Development Increment.

VIII.4.1 Written Warning

A written warning shall contain a clear statement of the reasons for taking action and shall be clearly identified as a disciplinary measure.

VIII. 4.2 Written Reprimand

A written reprimand shall state the nature of the offence and shall include a statement of any remedial action the member is required to take. It shall also remind the member that subsequent misconducts of the same order may be grounds for suspension or dismissal.

Where the member disagrees with the substance of the warning or reprimand, he or she may file a reply which will be contained in the member's personnel file.

In order to be deemed a letter of warning or reprimand according to the terms of this article, the letter shall be so identified.

VIII.4.3 Suspension (with or without pay)

Suspension is the act of the Employer in relieving, for cause, some or all of a member's duties and privileges without the member's consent.

VIII.5 Discipline Process

VIII.5.1

- (a) Disciplinary action shall normally be initiated after completion of a fair and thorough process, and shall not be based on anonymous information. The Employer bears the onus of proving that any disciplinary action taken was for just, reasonable and sufficient cause. In the case of denial of career development increment, [VIII.5.2](#), [VIII.5.3](#) and [VIII.5.4](#) shall be replaced with [VIII.6](#) Discipline Process for Denial of Career Development Increment.
- (b) Disciplinary action against a member can be taken only by the President or the Provost and Vice President Academic or designate.
- (c) A member may be disciplined only in accordance with the provisions of this article.
- (d) Disciplinary action cannot be taken by a member of the bargaining unit.
- (e) for members assigned duties beyond their regular duties, such as through an appointment as Chair of a department or program for a fixed term, failure to perform duties specifically assigned by this agreement will not normally be considered subject to

discipline, but may result in removal from the appointment prior to the end of the term.

- VIII.5.2 (a) If the President or Provost and Vice President Academic or designate believes, based upon a sufficient review of evidence, that there are grounds for disciplinary action it will notify in writing the member or members involved within thirty (30) days of the date they knew, or ought reasonably to have known, of the occurrence. The notification shall provide pertinent details of the evidence of the alleged cause for the discipline. A copy of the letter will be sent simultaneously to the Association.
- (b) If, in the course of the Employer's investigative review of the evidence, the Employer requests an interview with the member the Association shall be notified; if the member agrees to the Employer's request, the Association shall accompany the member to any meeting that is held. If the member elects not to attend the meeting, the Employer shall proceed with the evidence gathered to date.
- VIII.5.3 (a) The President or Provost and Vice President Academic or designate will provide the member an opportunity to meet to discuss the alleged cause for discipline within fifteen (15) days of the notice of discipline described in [VIII.5.2](#) (a). - (b) The member may also provide a written response to the notice described in [VIII.5.2\(a\)](#). Such written response must be received within twenty (20) days of receipt of the notice. A copy of the response will be sent simultaneously to the Association.
- VIII.5.4 If, after the steps in the disciplinary process as laid out in [VIII.5.2](#) and [VIII.5.3](#) have been completed, and the President or Provost and Vice President Academic or designate decides that disciplinary action is warranted, the Employer shall notify the member in writing of the disciplinary decision, including the specific details of the incidents, the nature of the offense and a statement of any remedial action the member is required to take including the suspension of duties where applicable, This notice shall be sent within ten (10) days of any meeting or response provided for in [VIII.5.3](#) or in the absence of such meeting or response, within 30 days of the notice of discipline described in [VIII.5.2\(a\)](#). A copy of this notice shall simultaneously be sent to the Association.
- VIII 5.5 The Employer shall not introduce into evidence at arbitration any notices of discipline of which the member was not aware. Any evidence introduced at an arbitration relating to discipline shall be confined to that which is relevant to the grounds of the notice of discipline referred to in [VIII.4](#).
- VIII.5.6 All records of any alleged misconduct including the investigative report and the member's responses will be destroyed immediately if the allegation is not substantiated.
- VIII.5.7 The record of disciplinary action, the investigative report and the member's response(s) will be kept in the member's Personnel File. The record will be removed from the member's file and destroyed after two (2) years provided that no subsequent allegation of similar misconduct has been confirmed or is under investigation.

VIII. 6 Denial of Career Development Increment (CDI)

The Provost and Vice President Academic and the member may each have an advisor present and the Association shall send a representative.

(e) After careful consideration, the Provost and Vice President Academic may inform the member with a copy to the Dean and the Association that he/she intends to recommend to the President that the annual career development increment of the member be denied. Following receipt of such notification, the member may request an alternative duties arrangement ([VIII.6.1](#)). If this request is approved, the consideration of CDI denial is suspended.

(f) If a request of alternative duties is not made or if such a request is not approved, the Provost and Vice President Academic shall forward his/her recommendation to the President, with a copy to the Dean, the member, and the Association that the annual career development increment of the member be denied.

(g) The Provost and Vice President Academic's recommendation to the President (sub-paragraph (e) above) shall include a recommended effective date for the CDI denial.

(h) Following receipt of the recommendation from the Provost and Vice President Academic to deny CDI, the President shall consider the recommendation and notify the member in writing of his/her decision. If the decision is to accept the Provost's recommendation to deny CDI, the President shall specify an effective date for the CDI denial, which shall be no sooner than the July 1 subsequent to the communication of his/her decision to the member.

(i) In the event that a member receives a satisfactory Annual Performance Review during the period after receipt of the President's letter but prior to the effective date of CDI denial, the CDI denial process shall be terminated.

(j) During the period after receipt of the President's letter but prior to the effective date of CDI denial, the member may ask the Provost and Vice President Academic, to re-consider the CDI denial, based upon any significant new information regarding performance of duties.

The grievance timelines, as provided in Article [IX.3.1.1](#), commence on the date the member receives the formal decision of the Board after having exhausted the applicable reviews and appeals.

IX.2.2 The time limits specified in this Chapter may be extended by mutual agreement by the parties.

- IX.3.2.5 The following rules and procedures shall be observed by Grievance Conciliation Panels:
- IX.3.2.5.1 It is not intended that Grievance Conciliation Panels shall possess the powers to summon and enforce the attendance of witnesses and to compel them to give oral or written evidence in the same manner as a court of record in civil cases.
- IX.3.2.5.2 Each Grievance Conciliation Panel shall determine its own rules of procedure for its inquiries, provided that it gives reasonable opportunity to the parties to make submissions to it, and permits the parties to be present during all presentations, and to be represented by persons of their choice, if they so choose. The rules and procedures established will be documented and included with the report of the Panel.
- IX.3.2.5.3 The Panel shall give the parties reasonable notice of the meetings for the presentation of submissions. The Panel shall not meet with either party in the absence of the other except with the agreement of the other party.
- IX.3.2.5.4 A quorum of a Panel in all its meetings shall be three (3) members of the Panel.
- IX.3.2.5.5 The parties shall have access to all documents which the parties deem relevant to the grievance, and they shall make these documents available to the Panel if they consider them to be pertinent to its inquiries.
- IX.3.2.5.6 The parties agree to give full cooperation to these Panels in their inquiries, and to use all their authority to secure such cooperation from their members and/or officers.
- IX.3.2.5.7 The Panels shall conduct their inquiries in a manner that shall be and shall be seen to be fair and equitable.
- IX.3.2.5.8 The Panel shall render its recommendation, including any minority recommendation or recommendations, in writing, and shall send copies to the aggrieved member, the Association, and the Board, and any other member involved or affected by the grievance. The membership of the Panel in process of hearing a particular grievance shall not change until its recommendation is rendered, except with the written consent of the Association and the Board.
- IX.3.2.6.1 The Panel shall confine itself to the grievance submitted to it, and shall have no authority to determine any other issue or issues not submitted to it.
- IX.3.2.6.2 The Panel shall not have jurisdiction to amend or add to any of the provisions of this Collective Agreement, nor to give any recommendation inconsistent with the terms of the Collective Agreement.
- IX.3.2.6.3 The Panel shall not be barred from dealing with the substance of a grievance because of a technical violation, irregularity or failure to follow procedures in this Collective Agreement.
- IX.3.2.6.4 By mutual agreement, the parties may elect to refer a particular grievance to a one-person Conciliation Panel. In such cases, the same procedures shall apply, mutatis mutandis.

- IX.3.2.7.1 Five (5) days after receiving the recommendation of a Panel, the parties shall meet to ascertain whether they can reach a formal agreement on the basis of the Panel's recommendation.
- IX.3.2.7.2 There may be as many such meetings as the parties desire, provided that a decision by either party to carry the grievance to arbitration cannot be made later than fifteen (15) days after transmission of the Panel's recommendation to the parties.
- IX.3.2.7.3 If a grievance is resolved by the parties prior to arbitration, either on the basis of the Panel's recommendation or otherwise, the Secretary of the Grievance Conciliation Committee will be advised, in writing, of the outcome. If the grievance is referred to arbitration, the Secretary will be provided with a copy of the correspondence referring the matter to arbitration. The Secretary will also be provided with a copy of the arbitration award, within five (5) days of receipt by the parties.
- IX.3.2.8 No resolution of a grievance under Step 2, as outlined in Article [IX.3.2](#), shall constitute a precedent in any subsequent arbitration unless there has been a formal agreement signed by both parties.
- IX 3.2.9 The parties agree that they cannot introduce into evidence, directly or indirectly, or otherwise use or rely on any aspect of the Step 2 process in the event the matter is referred to arbitration, including (but not limited to) the report, the testimony of witnesses called before the Panel, and arguments made by the parties before the Panel.

IX.3.3 Step 3: Arbitration

- IX.3.3.1 Any grievance processed in accordance with the grievance procedures may be submitted to arbitration by either party within fifteen (15) days of receipt of the recommendation of the Grievance Conciliation Panel ([IX.3.2.4](#)) or in the case of grievances proceeding directly to Step 3, within fifteen (15) days of receiving the Employer's response under [IX.3.1.2](#).
- IX.3.3.2 The parties agree that they will confer no later than thirty (30) days before the scheduled arbitration hearing and use their best efforts to resolve the grievance.
- IX.3.3.3 Arbitration shall be by a single arbitrator, unless the Parties agree to refer the matter to a three (3) person Board of Arbitration. In the event that the Parties elect for a three (3) person Board, the parties have ten (10) days to name their nominee to the panel.
- IX.3.3.4.1 Where a single Arbitrator determines the grievance, the following shall apply:
- (a) the parties agree that the following persons serve as single Arbitrators on a rotating basis so long as this Collective Agreement continues to operate:

Kevin Burkett
Jane Devlin
Brian Etherington
Pamela Picher
Brian Sheehan

- (b) the persons specified in (a) above shall serve as single Arbitrators in rotation according to the order in which they are listed. If an arbitrator is not available or agreeable to commence hearings within thirty (30) days of being notified of her/his

requested appointment, the next person on the list shall be selected, and so on, until one of those on the list is available. For the next arbitration thereafter, the person who appears on the list immediately after the arbitrator last selected shall be next in the sequence of selection. However, by mutual consent in writing, the parties may select a listed arbitrator out of turn or select an arbitrator not on the list;

- (c) if none of the persons on the list specified in (a) above can or will act within the required time, and if the parties do not agree on another arbitrator in accordance with (b) above, the parties, within fifteen (15) days shall ask the Ontario Minister of Labour to appoint such single Arbitrator;
- (d) where either party chooses to have a three-member Arbitration Board, it shall consist of a nominee from each of the parties and a Chair to be chosen on a rotation basis from the panel of arbitrators in [IX.3.3.4.1](#)(a) and in the manner provided in [IX.3.3.4.1](#) (b) and [IX.3.3.4.1](#) (c).

IX.3.3.4.2 The single Arbitrator or the Board of Arbitration shall determine its own procedures but shall give full opportunity to all parties to present evidence and make representations.

IX.3.3.4.3 The single Arbitrator or Board of Arbitration shall confine itself to the grievance submitted and shall have the power to amend technical deficiencies of the grievance and modify penalties including disciplinary penalties but shall not by its decision add to, delete from, modify or otherwise amend the provisions of this Agreement, nor shall it decide any other issue than that submitted to it.

IX.3.3.5 No person shall be appointed as an arbitrator who has been involved with or has attempted to negotiate or settle the grievance or who has any other conflict of interest.

IX.3.3.6 Each of the parties shall bear the expense of its appointee, if any, to the Arbitration Board, and one-half (1/2) of the expense of the Chair or single Arbitrator. The parties shall pay their own expense of appearing at the hearing.

IX.3.3.7 Where the grievance concerns a charge of discrimination pursuant to Articles [I.2.4.1](#) or [I.2.4.2](#) and the grievor demonstrates the existence of a pattern consistent with discrimination, the arbitrator(s) shall require the party against whom the grievance is filed to show that there was no discrimination in fact.

IX.3.3.8 Without limiting the operations of other appropriate provisions of this Chapter, the Arbitrator(s) shall have the power to award compensation, but only to the extent of recovery of monetary losses actually suffered by an individual member or party arising from the proven breach.

IX.3.3.9 The decision of the single arbitrator or Board of Arbitration, including any remedy or remedies, shall be final and binding on both parties.

IX.4 Dismissal for Cause

IX.4.1 Dismissal shall be only for just and reasonable cause.

IX.4.2.1 Dismissal means the termination of any appointment by the Board without the consent of the member, as follows:

- (i) for tenured members, before the point of retirement established pursuant to this Agreement;
- (ii) for non-tenured members, before the end of the appointment period, as specified in their letters of appointment or re-appointment, and/or as provided under the terms of this Agreement.

- IX.4.2.2 As the sole exception to the definitions stated above, neither layoff nor termination of appointment for reasons of financial exigency, pursuant to [Chapter XI](#) of this Agreement, shall constitute dismissal.
- IX.4.3 Members afflicted by physical or emotional inability to carry out their reasonable duties, upon submission of adequate proof, shall be granted compassionate leave without pay, except as provided in the long-term disability insurance scheme for members or as may be voluntarily granted by the University. Such leave shall not exceed four (4) years unless covered by the long-term disability insurance scheme, except by agreement of the University, the Association and the member.
- IX.4.4 Dismissal proceedings shall be initiated when the President, upon being satisfied that there appears to be adequate cause to justify a recommendation for dismissal, notifies a member in writing to meet informally and privately to discuss the prima facie grounds for dismissal, no earlier than seven (7) days and no later than fourteen (14) days after receipt of such notification. The President shall advise the Association of the commencement of dismissal proceedings as soon as possible after the notification to the member and prior to any meeting between the President and the member. If agreed by the President and the member, there may be additional informal meetings.
- IX.4.5 A resignation in writing by a member under threat of dismissal, or in consequence of an action or actions by a representative of the Board in violation of this Agreement, shall not be accepted as a valid termination of the member's appointment if it is formally rescinded by the member within two (2) weeks of its submission.
- IX.4.6 Up to two (2) other persons may be present whom the President considers useful to such discussion, and the member shall be accompanied by a personal advisor and/or a representative of the Association.
- IX.4.7 At the informal meeting(s), the prima facie grounds for dismissal shall be informally reviewed, to ascertain whether there is an agreed alternative to carrying forward dismissal proceedings.
- IX.4.8 If the President remains satisfied after the meeting(s) that there is adequate cause to justify recommending dismissal, or if the member, having a reasonable opportunity to meet with the President within the time limits of [IX.4.4](#) fails to appear for an initial meeting within the time limits set above and the President remains satisfied that there remains adequate cause to justify recommending dismissal, the President shall notify the member and the Association in writing of the grounds for dismissal alleged against the member no later than twenty-one (21) days after the last of the meetings that may have been agreed to by the member and the President under [IX.4.4](#), or, if there were no meetings, after the time limits for such meetings provided in [IX.4.4](#).
- IX.4.9.1 The grounds for dismissal in such a notification shall be stated in sufficient detail to allow the member to prepare a defence, and the provisions of this Agreement thought to apply shall be

expressly quoted.

- IX.4.9.2 No later than twenty (20) days prior to the commencement of the arbitration hearings, the member may request additional particulars of the grounds for dismissal as specified in such notice, and the President shall supply the same no later than ten (10) days after such request.
- IX.4.9.3 No later than twenty (20) days prior to the commencement of the arbitration hearings, the President may clarify in writing the initial statement of grounds for dismissal.
- IX.4.9.4 The statement of grounds as provided for under [IX.4.8](#) and restated as provided under [IX.4.9.2](#) and [IX.4.9.3](#) shall constitute the final notification of grounds for dismissal.
- IX.4.10 Failure of the President to provide the required notification within the designated time shall terminate the dismissal proceedings, unless the delay of notification shall have been occasioned by circumstances beyond the President's control.
- IX.4.11 If the proceedings are terminated at this or subsequent stages, the President shall not reinstitute dismissal proceedings based on the evidence constituting prima facie grounds for dismissal which led to the initial meeting or, where proceedings end after final notification, on the specific charges there detailed, provided that the Arbitration Board has the power to amend technical deficiencies of the dismissal proceedings.
- IX.4.12 The member may terminate the proceedings at any time by resignation. If the resignation is submitted after formal convening of the Arbitration Board, it shall take effect immediately, notwithstanding the provisions of [IX.4.5](#).
- IX.4.13 Where the termination of proceedings comes about as a result of a formal agreement by a member to certain conditions which are themselves consistent with this Agreement, failure to adhere to such terms may be included among grounds for dismissal in subsequent proceedings. Such special agreement of conditions shall be in writing and shall be signed by the member only after approval by the Association that the conditions appear to be consistent with the Agreement.
- IX.4.14 Following commencement of dismissal proceedings, a member shall be relieved of all duties under the provisions of [IV.1](#) of this Agreement, until dismissal proceedings are terminated.
- IX.4.15 Within thirty (30) days after notification of grounds for dismissal, there shall be established an Arbitration Board to determine whether there is just and reasonable cause for dismissal.
- IX.4.16.1 The onus lies on the President to establish just and reasonable cause, and the evidence to be presented shall be limited to the grounds stated in the final notification of grounds.
- IX.4.16.2 The President and the member shall advise each other in writing of the documentary evidence upon which each relies and produce copies of such documentary evidence to the other five (5) days prior to the commencement of the arbitration hearing.
- IX.4.16.3 Student evaluations completed and prepared in accordance with written University procedures in effect at the time of such evaluations shall be accepted as prima facie evidence without requirement of oral substantiation from students. Peer evaluation of the member by committees under University procedures in effect at the time of such evaluation shall be accepted as prima facie evidence without requirement of oral substantiation from members of those committees.

- IX.4.17 The Board shall make its nominee for the Arbitration Board at the same time as its notification of grounds as provided in [IX.4.8](#), as in a notice taking a grievance to arbitration, pursuant to Article [IX.3.3](#), and the Board shall notify the Association when it notifies the member
- IX.4.18 If the Association agrees to take the part of the member in the establishment of an Arbitration Board, the Association shall so notify the President and the member within ten (10) days of the receipt of notification of grounds for dismissal, as provided for in [IX.4.8](#). If the Association has not acted to nominate a member of the Arbitration Board within ten (10) days of their statement of willingness to do so, the President shall notify the member.
- IX.4.19 If the member notifies the Association within five (5) days of receiving notification of grounds for dismissal, as provided for in [IX.4.8](#), that representation by the Association is not requested, or if the Association does not agree to take the part of the member in the establishment of an Arbitration Board, the member may act independently in establishing and pursuing the arbitration. In such event, the member shall possess all the rights and obligations assigned in these provisions to the parties.
- IX.4.20 If neither the Association nor the member subject to dismissal proceedings has acted to nominate a member of the Arbitration Board within thirty (30) days of the receipt of notification by the member of grounds for dismissal, as provided for in [IX.4.8](#), the President may proceed to recommend dismissal of the member, upon five (5) days' additional notice to both member and Association. The President shall not unreasonably refuse a request from either Association or member subject to dismissal proceedings for a further delay of up to ten (10) days before final action is taken. Failure by the Board to nominate an arbitrator terminates the dismissal proceedings.
- IX.4.21.1 The Arbitration Board in dismissal proceedings shall be governed by all the principles which apply to an Arbitration Board established to determine a grievance pursuant to [IX.3.3](#).
- IX.4.21.2 If the Arbitration Board finds just and reasonable cause for dismissal, it may in its discretion award a sum not to exceed six (6) months' salary to a member upon dismissal, and the President may proceed to recommend the member's dismissal to the Board. No further action can be taken by the member.
- IX.4.22 Under [IX.4](#), notification to the member shall be deemed to have been given if such notice is conveyed by personal service or sent by registered mail to the individual's last known address shown on University records. Notification under [IX.4](#) will be deemed to have been received on the date of personal service or on the seventh (7th) day (exclusive of Saturdays, Sundays and recognized holidays) following the date of mailing if sent by registered mail.

CHAPTER X:
CLOSURE AND RESTRUCTURING OF A DEPARTMENT/PROGRAM

X.1 Definitions

X.1.1 Closure is the termination of a Department/Program.

X.1.2 Restructuring is the redefinition of assigned workload as a result of the reorganization, amalgamation or merger of one or more Departments/Programs.

X.1.3 Redeployment is the reassignment of a Member from one Department/Program to a different Department/Program, which shall only occur as a consequence of closure or restructuring.

X.2. Procedures for Closure or Redeployment

X.2.1 Closure or Restructuring of a Department/Program may be undertaken only with the approval of the Senate and concurrence of the Board. Restructuring requires an academic plan approved by Senate and formal consultation with the Departments/Programs directly affected.

X. 2.2 The motion to restructure or close a Department/Program brought to Senate must be in the form of a report brought to Senate after it is shared with all affected members and the Association.

X.3 Status of Members

X.3.1 No member shall be laid off or have their contracts terminated for reasons of program closure or restructuring.

X.3.2 Any Member who is redeployed shall maintain tenure/permanency, rank, seniority, salary, benefits and all other privileges under the Agreement.

X.3.3 As an alternative to redeployment, a member may elect voluntary separation under the terms provided in [XI.12.1\(b\)](#) and [XI.12.2](#). The Employer will provide to the Association the details of each voluntary separation.

CHAPTER XI:
FINANCIAL EXIGENCY

- XI.1.1 If the Board believes that a financial exigency, within the meaning of [XI.2](#), exists, it shall give notice to the Association and the Senate of such belief. As of the date of such notice, the procedures specified in this chapter shall apply, and the Board shall not create any new academic or administrative positions prior to completion of the review and renegotiation process as provided under [XI.3](#) through [XI.4](#). Within two (2) days of giving notice of the belief that a financial exigency exists, the Board shall supply the Association with the information that convinced the Board of the existence of the exigency.
- XI.1.2 In its notification, the Board shall specify the reduction in expenses that it believes to be necessary to alleviate the financial exigency and the proportion of this reduction that it believes shall be applied to members' salaries and benefits.
- XI.2 Financial exigency is a situation in which the University has experienced sustained and substantial deficits which are reasonably projected to increase and the persistence of which would threaten the survival of the University.
- XI.3.1 Within five (5) days of the notice specified in [XI.1.1](#), the parties shall each nominate a person to an Exigency Review Committee. The persons so named shall not have been employed by the University during the three (3) years immediately preceding such notification. They shall meet at the call of the President, but in any case within five (5) days of their being named, and shall choose a third (3rd) person to serve as Chair. If either party fails to name an appointee within the specified time, or if the two (2) appointees fail to agree upon a Chair within five (5) days of their first meeting, the appointment(s) may be made by the Chairman of the Canadian Human Rights Commission.
- XI.3.2 The Committee shall meet within ten (10) days of the selection of the Chair as specified in Article [XI.3.1](#). It shall set its own rules of procedure, shall complete its hearings within thirty (30) days of its first meeting, and shall report its findings to the parties within sixty (60) days of its first meeting. The Committee shall have access to all information it deems pertinent to its task. Each party shall make a submission to it and shall have an opportunity to comment on the other's submission.
- XI.3.3 The Committee's terms of reference shall be to verify whether a financial exigency as defined in [XI.2](#) exists. To do so, it shall (a) verify whether the University has experienced sustained and substantial deficits; (b) verify whether the deficits are reasonably projected to increase; (c) verify whether the persistence of such deficits would threaten the survival of the University; (d) verify whether reasonable reductions have been made in all areas of the University's expenditures and whether in view of the University's needs and its established academic goals layoffs of members constitute a necessary type of cost saving; and (e) verify whether the Board has made reasonable efforts to increase revenues to overcome the projected deficits.
- XI.3.4 The Committee shall also verify whether the reduction in expenses as specified by the Board under [XI.1.2](#) is reasonable in the light of these deficits experienced and projected and whether the Board's statement of the proportion of this reduction that shall be applied to members' salaries and benefits is reasonable in the light of the University's needs and established academic goals. The Committee may recommend variations in these levels and proportions and it may recommend to the Board additional steps the Board might take to remedy the exigency.

- XI.3.5 If the Committee does not agree on a report, the report of the majority shall be deemed to be its report; if there is no majority, the Chair's decision shall be the decision of the Committee.
- XI.3.6 If the Committee finds that an exigency does not exist in the sense of [XI.3.3](#), then the Board shall be precluded from invoking the provisions of this chapter for eighteen (18) months from the date of the report.
- XI.3.7 Costs of the Committee shall be borne by the Board.
- XI.3.8 Unless a state of financial exigency has been established in accordance with the provisions of [XI.3.3](#), [XI.3.4](#), and [XI.3.5](#), no members shall be laid off or dismissed without cause.
- XI.3.9 When the report of an Exigency Review Committee verifying that a financial exigency exists is made known to the Association, the Association shall invite members to make available to it agreements to make use of voluntary designs bringing about savings in expenditures for members' salaries and benefits which are provided in accordance with Articles [III.3.3.1](#), [III.3.3.2](#), [IV.7](#), and [IV.13.3](#) of this Agreement. All savings produced by such agreements shall be applied directly to the reductions verified by the Committee. The Association shall also invite departments and programs to make recommendations concerning any terms and conditions of employment which might be renegotiated in order to bring about savings in the expenditures allocated to members' salaries and benefits.
- XI.4 If the Committee verifies that a financial exigency exists, reductions in the budgetary allocation for salaries and benefits of members shall not exceed the amount required to reduce the total budget for such salaries and benefits to the level specified by the Board (under Article [XI.1.2](#)) and confirmed by the Committee (under Article [XI.3.4](#)). Further, a thirty-day period shall elapse before any procedures for layoffs are invoked. During that period, the parties shall meet and confer with respect to the implications of the financial exigency. It shall be open to them, notwithstanding any provisions to the contrary elsewhere in this Agreement, to renegotiate provisions of this Agreement bearing directly on salaries and benefits, or to reach other mutually acceptable emergency methods of reducing expenditures that could avert layoffs or decrease their number. All savings produced by such changes shall be applied directly to the reductions verified by the Committee.
- XI.5.1 If a requirement for layoffs cannot be eliminated in accordance with proceedings under Article VII.4, the parties shall establish an Academic Advisory Commission, which shall determine the ways in which layoffs are distributed among departments and programs.
- XI.5.2 The Academic Advisory Commission shall be composed as follows:
- (a) within five (5) days of the end of the thirty-day period specified in Article [XI.4](#), the parties shall each name two (2) persons from outside the University as their appointees to the Commission;
 - (b) the four (4) persons so named shall meet at the call of the President, but in any case within five (5) days of their being named, and shall choose a fifth (5th) person to act as Chair; if they fail to agree within five (5) days of their first meeting, the Chair shall be appointed by the Chairman of the Ontario Arts Council. The Chair so named shall assume his duties within fifteen (15) days of being named.
- XI.5.3 Costs of the Commission shall be shared equally by the parties.

- XI.5.4 The Commission shall hold its first meeting within fifteen (15) days of the naming of its Chair, and shall be required to report within thirty (30) days of its first meeting. It shall follow its own rules of procedure and shall have access to all information it deems pertinent to its task.
- XI.6.1 The Commission shall distribute the reductions required by the Board in members' salaries and benefits so as to minimize the damage to the academic needs of the University, provided that no department or program shall have its salary and benefits budget reduced by a percentage that is more than 1.5 times the percentage reduction in the budget for members' salaries and benefits, as verified under [XI.3.4](#) and adjusted under [XI.4](#).
- XI.6.2 If the Commission does not report within the time limit specified in [XI.5.4](#), cuts in budgets for members' salaries and benefits shall be made pro rata among all departments and programs according to the following formula:
- | | | |
|--|---|--|
| department's/program's salary
<u>and benefits budget for members</u>
total salary and benefits
budget for members | X | total budget
reduction required in
members' salaries and
benefits |
|--|---|--|
- XI.6.3 The number of members to be laid off in a department or program shall be determined by dividing the reduction required in the department's or program's salaries and benefits budget (as determined under [XI.6.1](#) or [XI.6.2](#)) by the average salary (including benefits) for all members in the University. The resulting figure shall be rounded to the nearest whole person.
- XI.7.1 If, following the thirty-day period specified in [XI.4](#), a need for layoffs remains, departments and programs shall be notified of that fact by the Provost and Vice President Academic. Within five (5) days of such notice, a Special Committee shall be established in each department and program, constituted as follows:
- (a) as Chair, a member of the department or program elected by a two-thirds (2/3) vote of members within the department or program; or, if the members cannot secure agreement upon a Chair within the five (5) days specified, a Chair designated by the Dean, such Chair to be a distinguished person from the same discipline but from outside the University;
 - (b) the Dean, or designate; and,
 - (c) a third (3rd) person chosen jointly by the other two (2), who shall be a member from a cognate discipline.
- XI.7.2 The Special Committee may designate not more than twenty per cent (20%) of members in the department or program (rounded to the nearest whole person) as being exempted from layoff on grounds of academic contribution and promise. The Special Committee shall set its own procedures, shall have access to all information it deems relevant, and shall report its decisions, if any, in writing to the Provost and Vice President Academic and the parties within fifteen (15) days of its formation according to [XI.7.1](#). If the Special Committee for a department or program finds that it is unable to designate some or all of the twenty per cent (20%) of members it is empowered to designate under terms of this article, the procedures under [XI.9](#) shall be implemented notwithstanding.
- XI.8 The following shall be exempt from layoff under the provisions of Chapter [XI](#): professional

librarian members; University professors who were appointed to their positions at least six (6) months prior to the notification of financial exigency under [XI.1.1](#); Chairs of Special Committees under [XI.7.1\(a\)](#); and members who are listed as being exempted from layoff by a Special Committee under [XI.7.2](#).

- XI.9 Following the decisions of the Academic Advisory Commission under [XI.6.1](#) or the determination of reductions under [XI.6.2](#), which shall be communicated to the parties, the departments or programs required to lay off members and the members thus affected shall be notified in writing of the fact and, subject to the provisions of [XI.6](#), [XI.7](#), and [XI.8](#), of the names of those specific members who are to be laid off, according to length of service at the University so that those with least seniority within each affected department or program are laid off first. Length of service shall be reckoned from the date of tenure at the University, and, failing a distinction there, from the day of first regular appointment in the University, then first appointment in a regular academic position, then first appointment in any full-time academic position. Thereafter, still failing distinction, the distinction shall be achieved by lot. The Provost and Vice President Academic shall forward to the President the names of those recommended for layoff.
- XI.10 After the selection of members who are to be laid off, but prior to the implementation of such layoffs, such members shall be considered for retraining for or appointment to vacant positions in the University. If the retraining or appointment is to a vacant academic position, members shall retain their former academic status, including credits for sabbatical leaves, salaries and benefits. If the retraining is approved by the Board, the Board shall pay all reasonable costs relating to the plan of retraining.
- XI.11 The President shall recommend to the Board the layoff of those members whose names have been forwarded by the Provost and Vice President Academic and for whom alternatives to layoff have not been found under the provisions of Article [XI.10](#). The President shall at the same time notify such members of their impending layoffs, stating in writing that the layoff is for reasons of financial exigency alone.
- XI.12.1 The Board shall provide each member who is selected for layoff with:
- (a) not less than twelve (12) months' written notice of the proposed date of layoff or salary in lieu thereof; and
 - (b) one (1) month's salary for each year of service in the University in an academic rank, as well as a further six (6) months' salary for tenured academic staff provided that, in no case, shall the payment to the tenured members be less than twelve (12) months' salary or more than twenty-four (24) months' salary.
- XI.12.2 All payments under [XI.12](#) shall be based on the individual's total salary including the Employer's contributions to pension and other benefit plans for the member's final full academic year of service at the University. In no case shall the number of months' salary paid under this paragraph exceed the time remaining until the normal retirement age of the member.
- XI.13 A member who is laid off shall enjoy access to library and computer services facilities (provided that costs of the latter are paid for by the member), and, if facilities are available, to office and laboratory space, until alternative employment is secured or recall rights expire, whichever occurs first.
- XI.14 A member who has been laid off shall have preference for appointment over any other

candidate if, within a period of four (4) years, a full-time appointment suitable to the laid-off member's professional qualifications becomes available within the University. A member shall be given one (1) month to decide whether to accept recall and, if so, the member shall be given a reasonable period of time, not to exceed an additional six (6) months, to complete existing employment obligations.

XI.15 Laid-off members who are recalled shall repay any portion of the allowances specified in paragraph [XI.12](#) which exceed their entitlement had they continued to hold their former appointments.

XI.16 Layoffs under the provisions of Articles [XI.1](#) through [XI.15](#) shall be recorded and reported as being solely for reasons of financial exigency; such layoffs do not constitute dismissal for cause.

CHAPTER XII:
SALARIES AND BENEFITS

XII.1 Salary Scales

The salary scales shall be as set out in Schedules A and AA.

XII.2 Compensation for Chairs and Directors of Departments and Programs

XII.2.1 Chairs and Directors of departments/programs/schools shall have the choice of receiving during their term as Chair/Director either an annual stipend of 10% of B1 or an additional 1/2 EYS per year of service as Chair/Director beyond those EYS to which they would have been otherwise entitled. Where the full duties of a Chair/Director are carried out by a less than full-time member (e.g. part-time, reduced-time, partially-retired), the additional 1/2 EYS shall be adjusted upwards by dividing .5 EYS by the member's specified proportion of full-time employment.

XII.2.2 Chairs and Directors of departments/programs shall also receive no less than 0.5, and no greater than 1.0 course reduction during each academic year. The course reduction a particular chair or director receives will be determined by their Dean and will be based on the anticipated administrative workload and should take into consideration (but not be limited to) the following factors:

- i. the number and nature of course offerings administered by department/program;
- ii. the number and nature of students for which the department/program has total or shared responsibility;

SCHEDULE AA: Salary Parity

1. SALARY ADJUSTMENTS

1.1 Introduction

The parties hereby agree that salaries of members of the bargaining unit will be adjusted as set out below and Schedule A – Salary Scales will be revised accordingly.

1.2 Disparity Correction

Commencing with the July 1, 2006 to June 30, 2007 contract year, and each contract year thereafter, an across-the-board scale adjustment equal to the disparity between average salaries at Trent and average salaries in the Ontario system (see 2.1 below), based on Statistics Canada data for faculty salaries for the immediately preceding contract year, shall be calculated in each contract year (see 1.4.2 below) and paid effective July 1 of the contract year. For example, in the 2006-2007 contract year, disparity will be calculated on the basis of Statistics Canada data for 2005-2006 and paid effective July 1, 2006.

1.3 Parity Maintenance

In addition, commencing with the July 1, 2006 to June 30, 2007 contract year, and in each contract year thereafter, an across-the-board scale adjustment for parity maintenance equal to the system average base-salary adjustment for that contract year shall be calculated in each contract year (see 1.4.2 below) and paid effective July 1 of the contract year. For example, in the 2006-2007 contract year, parity maintenance will be calculated on the basis of the system average base-salary adjustment for 2006-2007 and paid effective July 1, 2006.

1.4 Total Salary Adjustment

1.4.1 The total salary adjustment arising from 1.2 and 1.3 shall be determined by the formula

$\Delta S = \text{Max} [0.0, \text{SAA} + \text{DISC}]$ if $\text{SAA} \geq 0$, (i.e. = greater of zero or the sum of the parity maintenance adjustment and the disparity correction) if the parity maintenance adjustment is greater than or equal to zero

or

$\Delta S = \text{Max} [\text{SAA}, \text{SAA} + \text{DISC}]$ if $\text{SAA} < 0$, (i.e. = greater of the parity maintenance adjustment or the sum of the parity maintenance adjustment and the disparity correction) if the parity maintenance adjustment is less than zero,

where SAA is the parity maintenance percentage (see 1.3 and 2.2), DISC is the disparity correction percentage (see 1.2 and 2.5).

- 1.4.2 Commencing with the July 1, 2006 to June 30, 2007 contract year, and in each contract year thereafter, an across-the-board scale increase equal to the estimated total salary adjustment (ΔS_{est} - see below) will be paid effective July 1 of each contract year. For example, for the 2006-2007 contract year, the ΔS_{est} base salary increase will commence in July 2006. Starting in June 2007 and in June of each contract year thereafter, the total salary adjustment (ΔS) as determined by Section 1.4.1 of Schedule AA will be calculated and any increase above ΔS_{est} will be paid with retroactive effect from July 1 of the contract year with pensionable earnings reflecting the adjusted salary paid in June. For example, in June 2007, if the calculated ΔS is greater than ΔS_{est} then the increase of $(\Delta S - \Delta S_{est})$ shall be effective July 1, 2006 and paid from June 2007 forward, in addition to the payment of the required catch-up component in June 2007 without interest, retroactive to July 1, 2006.

The estimated total salary adjustment (ΔS_{est}) will be calculated as of July 1 of each contract year for that contract year and will be determined by Section 1.4.1, with the SAA portion replaced by SAA_{est} and the DISC portion replaced by $DISC_{est}$, where SAA_{est} and $DISC_{est}$ are computed early but in the same manner and on the same basis as SAA and DISC, respectively, except that $DISC_{est}$ is computed on SAS and TAS data (see 2.3 and 2.4) provided by the University.

2. METHODS FOR CALCULATING COMPONENTS OF SALARY ADJUSTMENTS

2.1 Comparison Group

As of July 1, 2006, "System" means the following universities:

Brock	Carleton	Guelph
Lakehead	Laurentian	Nipissing
Ryerson	UOIT**	Waterloo
Wilfrid Laurier	Windsor	York

** Subject to inclusion in Statistics Canada data

2.2 Calculation of Parity Maintenance through the System Average Base-salary Adjustment (SAA)

- 2.2.1 The base-salary adjustment at each university in the system shall be the aggregate cost, expressed in percentage terms, of the following adjustments: scale or across-the-board adjustments; adjustments designated as catch-up or cost-of-living adjustments; anomaly adjustments; special adjustments other than one-per-year

career-development increments (CDI), progress-through-the-ranks increases (PTR), and merit awards.

- 2.2.2 The base-salary adjustment shall exclude the cost of: one CDI, PTR and merit increase per year, discretionary or otherwise; adjustments in administrative stipends; adjustments in overload stipends; benefit or fringe-benefit adjustments including adjustments in research allowances, professional-expense funds and equipment-purchase allowances; one-time-only payments or reductions such as bonuses and unpaid days.
- 2.2.3 Base salary adjustments shall be counted toward the calculation of the SAA for the contract year during which they become effective.
- 2.2.4 The system average base-salary adjustment SAA shall be the simple average of the base-salary adjustments at each university in the system.
- 2.2.5 The data used for the calculation of SAA shall be based on the facts of each university's settlement. When those facts are not available for any university for any reason at the time when the calculation is to be done, the parties shall endeavour to agree on a reasonable estimate of the base-salary adjustment for the missing university. Failing such agreement, that university shall be omitted from the calculation.

2.3 Calculation of the System Average Salary (SAS)

- 2.3.1 Commencing with the 2006-2007 contract year, and in each contract year thereafter in which a calculation of disparity is done under 1.2, the system average salary (SAS) shall be calculated using Statistics Canada data for the preceding contract year in the non-medical-dental appointment category for Faculty With and Without Administrative Duties and for all subjects taught. SAS shall be the sum of the average salaries published by Statistics Canada, classified according to faculty members= ranks-and-ages, for the twelve (12) universities in the system other than Trent, with each rank-age category average weighted by the proportion of Trent faculty who occupy the category.

- 2.3.2 The weighting factor for Trent faculty shall be calculated as

$$W_i = \frac{N_i}{\sum_i(N_i)}$$

= (number in cell) divided by (sum of all cells)

where N_i is the number of Trent faculty reported by Statistics Canada in rank-age category i and " $\sum_i(\dots)$ " means "Sum the quantity within the parentheses over all categories i ". (When there are no Trent faculty in category i , N_i is equal to zero.)

- 2.3.3 The system average salary shall be calculated as

$$SAS = \sum_i(W_i \times SCA_i)$$

= sum of [(weighting factor) times (system category average)]

where the System Category Average S_{CAi} is the average of salaries reported by Statistics Canada in rank-age category i for all the universities listed in 2.1 above.

2.3.4 The effect of the calculation in 2.3.3 is to adjust the system salary for the difference of rank-age profile between the system and Trent.

2.4 Calculation of the Trent Average Salary (TAS)

In each contract year in which a calculation of disparity is done under 1.2, the Trent average salary (TAS) shall be calculated using Statistics Canada data for the preceding contract year in the non-medical-dental appointment category for Faculty With and Without Administrative Duties and for all subjects taught. TAS shall be the sum of the rank-age category average salaries published by Statistics Canada for Trent, with each category average weighted by the proportion of Trent faculty who occupy the category.

2.5 Calculation of the Disparity between Trent Average Salary and System Average Salary

The disparity, if any, between the Trent average salary and the system average salary in any given year, t , shall be calculated as

$$\begin{aligned} DIS_t &= 100.0 \times (SAS_t - TAS_t) / TAS_t \\ &= 100 \text{ times [(system average salary in year } t) \text{ minus} \\ &\quad \text{(Trent average salary in year } t)] \text{ divided by (Trent} \\ &\quad \text{average salary in year } t) \end{aligned}$$

where the System Average Salary in year t , SAS_t , is calculated as in 2.3.3 and the Trent Average Salary in year t , TAS_t , is calculated as in 2.4 (DIS_t is positive when Trent Average Salaries are less than System Average Salaries in year t , zero when Trent Average Salaries and System Average Salaries are equal in year t , and negative when Trent Average Salaries are greater than System Average Salaries in year t)

2.5.1 Calculation of the Disparity Correction

For the July 2010 Total Salary Adjustment described in 1.4.1, the DISC component shall be calculated as:

$$DISC = DIS_{2010},$$

where DIS_{2010} is calculated as per 2.5 above.

In order to improve the predictability of DISC values going forward, the DISC component of 1.4.1 for the July 2011 and July 2012 parity adjustments will be calculated as follows:

For July 2011, $DISC = (DIS_{2010} + DIS_{2011}) / 2$

and

for July 2012, $DISC = (DIS_{2010} + DIS_{2011} + DIS_{2012}) / 3$,

where all DIS_t values are calculated as per 2.5 above.

3 IMPLEMENTATION AND DISPUTE RESOLUTION

3.1 Meetings

Beginning in June 2000, the parties shall meet annually in June to determine the salary adjustments to be effective 23:59 Hours on the upcoming June 30 described above. They shall make every reasonable effort to reach agreement on the salary provisions.

3.2 Failsafe

3.2.1 If complete Statistics Canada data for the calculation of the System Average Salary (2.3.1) and/or the Trent Average Salary (2.4) are not available for any university for any reason in June of any year, the most recent available data (e.g. the data for the year before the year for which the data is missing for that university) shall be used in calculating the Disparity Correction.

3.2.2 If the parties fail to agree on a parity maintenance number through the SAA for any contract year by May 31 of that contract year, the President of OCUFA and the Chair of the CSAO together shall within three weeks determine an SAA number for the purposes of these salary provisions, failing which the parties will settle outstanding disputes with regard to the SAA, university by university, by the toss of a coin.

3.3 Grievances Relating to this Schedule

Any disputed calculation relating to components of salary adjustments and any dispute about implementation of this Schedule shall be subject to the grievance and arbitration provisions of the Collective Agreement.

4 JOINT COMMITTEE ON PARITY

4.1 The parties will establish a joint committee on parity. The committee will meet on a regular basis to discuss issues and exchange information with respect to parity and matters related thereto.

APPENDIX A: THE CLASSIFICATION, PROMOTION REQUIREMENTS AND SALARY SCALES OF LIBRARIANS

1. The rank classification for librarians has four (4) levels:
Librarian I, II, III and IV.
2. While Librarians at the beginning of their professional careers will normally be appointed at the floor of Librarian I, a higher initial rank/ classification may be assigned with due regard to both professional and non-professional prior experience. Other factors influencing initial rank/classification assignment may include market factors and equity among hirings over the immediately-preceding three-year period. The Library Personnel Committee shall be consulted in relation to all initial rank/classification assignments for new Librarian appointments.
3. Each rank has a number of salary levels or steps above the rank floor, as follows:

Librarian I	-	4 steps
Librarian II	-	8 steps
Librarian III	-	12 steps
Librarian IV	-	17 steps

In addition, there are two (2) additional steps at the top of each rank above Librarian I, which may be achieved in each rank only by way of a merit award (see [III.12.2](#)).

4. Normal progression within each rank is based on successful performance of duties and continuing development as a librarian, archivist, or other specialist.
5. Criteria for promotion to the next rank are as follows:
 - (i) I to II Competence in the performance of duties in the library.
 - (ii) II to III As provided in III.11.3.1.
 - (iii) III to IV As provided in III.11.3.2
6. The holding of any given rank is not tied to the holding of any given administrative position.
7. Salary adjustments for librarians are included in the general salary negotiations conducted between the Trent University Faculty Association and the University.
8. In addition to the steps and other possible salary adjustments, librarians are also eligible

for merit awards. Normally, a merit award is recommended only for a librarian who, in the judgment of the Personnel Committee, has made an exceptional contribution since the time of their last merit award. Merit awards are not to be used for the correction of anomalies unconnected with merit.

9. Of the merit awards that are available in each academic year (see paragraph [III.12.1](#)), it is understood that one and one-half (1-1/2) per year, on average, shall be available for librarian members. In this regard, it is agreed that "on average" and "shall be available" are to be applied as follows:
 - (a) merit awards shall normally be available on an alternating system of (i) one (1) in one year, and (ii) two (2) the following year;
 - (b) at no time will the librarian members be awarded more than two (2) in one year;
 - (c) the University Librarian shall advise the Provost and Vice President Academic, by no later than November 1 of any academic year, of the number of merit awards (either 1 or 2, as above) which will be required in that academic year.

APPENDIX B: SCHOLARSHIP PLAN FOR DEPENDENTS OF MEMBERS

Spouses and eligible dependents of members may apply for a limited number of Faculty Dependents' Scholarships tenable at Trent University. A maximum sum based on the equivalent of fifteen (15) full-time students shall be allocated by the University for each academic year (i.e., 15 x current basic undergraduate tuition fees for a full-time student). Both full-time and part-time students/dependents will be eligible to apply to the Finance Office for a Scholarship in accordance with the criteria set out below. Those who are successful in this closed competition are not eligible for a Tuition Fee Waiver ([see XII.5](#)) during any academic year in which they hold a Scholarship, although they are eligible for other scholarships and bursaries.

Criteria

In order for a spouse or dependent of a member to be eligible for consideration under this Plan, the following initial criteria must be met:

- i) For students who have completed fewer than five (5) full-course equivalents in a University program and who have been granted the Ontario Secondary School Honours Graduation Diploma (OSSHGD) or the Ontario Secondary School Diploma (OSSD): a minimum average of 75% in six (6) Grade 13 subjects or six (6) Ontario Academic Courses or six (6) Grade 12 U or U/C courses, or equivalent qualifications from other provincial or national jurisdictions;
- ii) For students who have completed fewer than five (5) full-course equivalents in a University program, but who have not been granted an OSSHGD or OSSD: a minimum average of 75% in all University courses taken;
- iii) For students currently enrolled in a University program either on a full-time or part-time basis who have completed a minimum of five (5) full-course equivalents: either a minimum average of 75% in their last sequence of five (5) full courses or a minimum average of 75% in all University courses taken.

Administration of the Faculty Dependents' Scholarship Plan

The awarding of Scholarships under this Plan will be based entirely upon scholastic achievement, and the determination of eligible applicants will be made by the Admissions, Enrolment Planning, and Student Awards Subcommittee. Where the number of eligible applicants who meet the specified criteria exceeds the number of Scholarships available, the Subcommittee shall rank the applicants based upon superior academic performance to a maximum of the equivalent of fifteen (15) full-time students. Successful applicants will be notified by letter.

For the purposes of administering this Plan, an academic year is defined as May 1 to April 30, and scholarships will be available for courses taken over the entire Summer period.

Students who wish to be considered under this Plan must submit a completed Tuition Fee Waiver application form to the Finance Office at least three (3) weeks prior to the commencement of the academic session. These applications will be processed in the usual way to allow students to complete course registration. After registration, the Finance Office will provide a list of the registered spouses/dependents with their tuition fees to the Admissions, Enrolment Planning and Student Awards Subcommittee for its determination of those eligible to receive Faculty Dependents' Scholarships. The Subcommittee will rank successful applicants and advise the Finance Office in writing so that the students may be removed from the Fee Waiver list. The list of successful candidates will also be copied to the Department of Human Resources, which shall advise successful applicants by letter that they have been awarded a Faculty Dependents' Scholarship. Applicants who were not awarded a Scholarship will remain on the Fee Waiver list and will be treated in the normal manner.

In order to distribute available funds to cover all sessions, the Subcommittee will initially allocate an amount equivalent to eleven (11) x current basic undergraduate tuition fees for the regular academic session and four (4) x current basic undergraduate tuition fees for Summer and Off-campus. Unused Summer and Off-campus allocations will be carried forward to the regular academic session.

APPENDIX C: POLICY ON SCHOLARLY MISCONDUCT POLICY ON RESEARCH AND SCHOLARLY MISCONDUCT

I. Preamble

All members of Trent University share in a commitment to integrity in their research, and scholarship. This policy forms a part of Trent University's commitment to upholding integrity in research and scholarship and to meeting the University's obligations under the *Tri-Agency Framework: Responsible Conduct of Research* (hereafter the Framework)¹. Integrity in research, and scholarship, includes the principles listed below.

Commitment to these principles is consistent with the acknowledgement that research can involve honest error, conflicting data or valid differences in experimental design or in interpretation or judgment of information. The principles of research and scholarly integrity overlap with other areas, such as financial integrity in the use of research funds, and the ethical issues involving the use of human or animal subjects in research, for which there are established Tri-Agency guidelines and requirements, as well as through Trent University's internal policies and procedures. This policy covers all University based research, whether funded or non-funded. It covers research and scholarship, of faculty and students, post-doctoral fellows, emeritus professors, casual and contract employees, visiting scholars and students, and research grant and contract employees. It covers research of a scholarly, commercial, and consultative nature.

II. Principles of Integrity in Research, and Scholarship

¹ Canada's research granting agencies—Canadian Institutes of Health Research (CIHR), Natural Sciences and Engineering Research Council of Canada (NSERC), and Social Sciences and Humanities Research Council of Canada (SSHRC) hereafter referred to as "Agencies"—are committed to fostering and maintaining an environment that supports and promotes the responsible conduct of research. On December 5, 2011, the Agencies officially launched the new Tri-Agency Framework: Responsible Conduct of Research. This new Framework sets out the responsibilities and corresponding policies for researchers, institutions, and the Agencies that together help support and promote a positive research environment.

It also replaces the previous integrity policy and related documents, including the *Tri-Agency Policy Statement: Integrity in Research and Scholarship* (TCPS-I, 1994), the *Framework for Tri-Council Review of Institutional Policies Dealing with Integrity in Research* (1996) and the *Tri-Agency Process for Addressing Allegations of Non-compliance with Tri-Agency Policies* (2010).

Those involved in research supported by these Agencies must comply with the Tri-Agency Framework: Responsible Conduct of Research, and other Tri-Agency policies as amended from time to time. One aspect of the policy is that any institution which receives grants from any of the Agencies is required to promote integrity in research and scholarship, and to have in place, procedures for investigating allegations of misconduct in research and scholarship.

Academic freedom carries with it the duty to use that freedom in a manner consistent with the scholarly obligation to base research, and scholarship, on an honest search for knowledge. Researchers shall strive to follow the best research practices honestly, accountably, openly and fairly in the search for and in the dissemination of knowledge. In addition, researchers shall follow the requirements of all applicable institutional policies and professional or disciplinary standards, and shall comply with applicable laws and regulations. The University therefore holds its researchers and scholars responsible for upholding the following principles:

1. Recognizing the substantive contributions of all collaborators, students, funders and sponsors; using unpublished work of other researchers and scholars only with permission and with due acknowledgement; and using archival material in accordance with the rules of the archival source;
2. Obtaining the permission of the author before using new information, concepts or data originally obtained through access to confidential manuscripts or applications for funds for research or training that may have been seen as a result of processes such as peer review.
3. Using a high level of rigour in proposing and performing research; in recording, analyzing, and interpreting data; and in reporting and publishing data and findings.
4. Ensuring that authorship of published work includes, with their consent, all those and only those who have materially or conceptually contributed to, and share responsibility for, the contents of the publication; in a manner consistent with their respective contributions and authorship policies of relevant publications.
5. Keeping complete and accurate records of data, methodologies and findings, including graphs and images, in accordance with the applicable funding agreement, institutional policies, and/or laws, regulations, and professional or disciplinary standards in a manner that will allow verification or replication of the work by others. Retaining original data records for a given study (by the researcher who generated the data) for at least five years after the research is published or otherwise publicly presented (if the form of the data permits this, and if assurances have not been given that data would be destroyed to assure anonymity);
6. Retaining the personal information of research subjects in accordance with the data retention requirements of the Freedom of Information and Protection of Privacy Act;
7. Fostering a shared understanding about the ownership of, and access to, primary data, software, and other products of research amongst all collaborators, especially between supervisors and graduate students, before research is undertaken;
8. Appropriately managing any real, potential or perceived conflict of interest in accordance with Trent University's Conflict of Interest Policy;

9. Presenting accurately and completely one's scholarly and professional credentials and accomplishments when submitting grant applications, and when engaged in other professional duties and responsibilities where the invitation to do so is based at least in part on one's scholarly and professional credentials and accomplishments (e.g. sitting on a selection committee, NSERC committee);
10. Complying with federal or provincial statutes or regulations, and with University regulations for the protection of researchers, human subjects or the public or for the welfare of laboratory animals;
11. Complying with other reasonable legal and contractual requirements that relate to the conduct of research.

III. Non-Compliance

In addition to violations of this policy, non-compliance shall include any departure from relevant research policies as outlined in the *Tri-Council Statement: Ethical Conduct for Research Involving Humans* and the *Tri-Agency Framework: Responsible Conduct of Research*, the *Tri-Agency Financial Administration Guide*, the *Trent University Senate Policy for Research Involving Human Participants*, the *Trent University Conflict of Interest Policy*, the standards set by the *Canadian Council on Animal Care*, and the *Public Health Agency of Canada Laboratory Biosafety Guidelines*, whether deliberate or inadvertent and, in particular, those that relate to the following issues:

1. Breach of research ethics and/or protocol
2. Financial mismanagement of public funds

IV. Breaches of Research Integrity

Breaches include the following:

- a. *Fabrication*: Making up data, source material, methodologies or findings, including graphs and images.
- b. *Falsification*: Manipulating, changing, or omitting data, source material, methodologies or findings, including graphs and images, without acknowledgement and which results in inaccurate findings or conclusions.
- c. *Destruction of research records*: The destruction of one's own or another's research data or records to specifically avoid the detection of wrongdoing or in contravention of the applicable funding agreement, institutional policy and/or laws, regulations and professional or disciplinary standards.
- d. *Plagiarism*: Presenting and using another's published or unpublished work, including theories, concepts, data, source material, methodologies or findings, including graphs and images, as one's own, without appropriate referencing and, if required, without permission.

- e. *Redundant publications*: The re-publication of one's own previously published work or part thereof, or data, in the same or another language, without adequate acknowledgment of the source, or justification.
- f. *Invalid authorship*: Inaccurate attribution of authorship, including attribution of authorship to persons other than those who have contributed sufficiently to take responsibility for the intellectual content, or agreeing to be listed as author to a publication for which one made little or no material contribution.
- g. *Inadequate acknowledgement*: Failure to appropriately recognize contributions of others in a manner consistent with their respective contributions and authorship policies of relevant publications.
- h. *Mismanagement of Conflict of Interest*: Failure to appropriately manage any real, potential or perceived conflict of interest, in accordance with Trent University's policy on conflict of interest in research, preventing one or more of the objectives of the Framework (Section 1.3) from being met.
- i. *Misrepresentation in an Agency Application or Related Document* which includes:
 - Providing incomplete, inaccurate or false information in a grant or award application or related document, such as a letter of support or a progress report.
 - Applying for and/or holding an Agency award when deemed ineligible by NSERC, SSHRC, CIHR or any other research or research funding organization world-wide for reasons of breach of responsible conduct of research policies such as ethics, integrity or financial management policies.
 - Listing of co-applicants, collaborators or partners without their agreement.
- j. *Mismanagement of Grants or Award Funds* such as using grant or award funds for purposes inconsistent with the policies of the Agencies; misappropriating grants and award funds; contravening Agency financial policies, namely the Tri-Agency Financial Administration Guide, Agency grants and awards guides; or providing incomplete, inaccurate or false information on documentation for expenditures from grant or award accounts.
- k. *Failing to meet Agency policy requirements* or, to comply with relevant policies, laws or regulations, for the conduct of research activities, including for example failing to obtain the appropriate approvals, permits or certifications before conducting research.

V. Procedures

The following procedures are intended to address non-compliance on the part of anyone involved in research within the University. They apply to all faculty, professional librarians, visiting scholars, postdoctoral fellows, research chairs, emeritus, adjuncts and staff. This policy also applies to undergraduate and graduate students insofar as they are involved in research. They do not limit the rights of persons whose terms and conditions of employment are governed by a collective agreement.

1. Members of the University community are encouraged to resolve misunderstandings or disputes among themselves or with informal assistance of

Vice President Research or designate.

2. A formal allegation of non-compliance must be written, dated and signed, and directed to the Vice President Research within one month of the evidence on which it is based becoming known. An exact copy of the written allegation must be sent to the Secretariat for the Responsible Conduct of Research. The written allegation must include pertinent details and supporting evidence. When the Provost or Vice President Research is named in an allegation, the President shall replace the Provost or Vice President Research wherever they have a role in these procedures. When the President is named in an allegation, a designate from the Board of Governors shall replace the President wherever they have a role in these procedures.
3. Upon receiving or making a formal allegation, the Vice President Research or delegate shall notify the person named in the allegation. The Vice President of Research shall endeavour to clear up misunderstandings and to mediate disputes where possible, maintaining the highest degree of confidentiality so as to protect the reputations and careers of all involved. The Vice President Research shall form a judgment as to whether the allegation should proceed to a formal investigation.
4. If the Vice President Research judges that the allegation should not proceed to a formal investigation, the person named in the allegation, as well as the person making it, shall be advised that the matter is at an end. The file is destroyed.
5. If the Vice President Research judges that the allegation should proceed to a formal investigation, the person named shall be so informed, promptly and in writing.
6. The formal investigation of the allegation begins upon receipt of written notice by the person named. The written notice shall include a copy of the signed allegation and shall invite the person named to respond to the allegation. Where the person named is a member of a bargaining unit, a copy of the signed allegation shall be sent at the same time to the appropriate bargaining agent, and the person named shall be informed that he or she may elect to be accompanied by the bargaining agent or any other willing person of their choosing in any of these procedures.
7. Within 30 days of the receipt of the formal complaint the Vice President of Research shall appoint a committee responsible for investigating the complaint. The committee will consist of three (3) persons from the University community that have appropriate knowledge and experience. The Vice President of Research will appoint a Chair from among the committee members. The committee will carry out a detailed examination of the facts relevant to the allegation. The committee will have access to all relevant documentation and will conduct interviews with (at a minimum) the complainant and the respondent. The Committee shall ensure that the person named in the allegation is allowed to know

any evidence presented and has ample opportunity to respond to that evidence. The Committee will complete its investigation as quickly as possible, normally within 90 days of being appointed. The proceedings will be confidential. The report will contain a conclusion reached by the committee about whether the allegation had been substantiated.

8. The parties may extend the timelines with mutual consent. A copy of the report shall be sent at the same time to the person named in the allegation and to the appropriate bargaining agent if the person is a member of a bargaining unit.
9. If, after reviewing all appropriate evidence including the report, the Provost holds that clear and convincing evidence of scholarly misconduct (as provided by section II) is not found, the Provost shall so inform, in writing, the person named in the allegation, and the University shall take reasonable steps to protect and/or restore the reputation(s) and credibility of the person named and of any other person(s) wrongfully implicated during the procedures.
10. If after reviewing all appropriate evidence including the report the Provost holds that there is clear and convincing evidence of scholarly misconduct (as provided by section II), the Provost shall initiate the discipline process according to the applicable collective agreement or in the case of individuals not represented by a bargaining agent, the VP, Research shall determine appropriate sanctions.
11. If the University decides after formal investigation not to proceed against the person named in the allegation, or if an arbitration decides in favour of the person, the University shall remove all documentation relating to the allegation from the person's personnel files or other equivalent files and, except for arbitration reports which shall be retained, shall at the discretion of that person destroy the documentation or transfer it to that person. The removal of documentation from a person's personnel file or other equivalent file does not prevent the University from meeting its reporting obligations as described in Section VI. Reporting Requirements.
12. No person who honestly and in good faith makes an allegation or gives evidence in accordance with this policy will be subject to reprisal. An individual making allegations or giving evidence recklessly, maliciously or in bad faith shall be subject to disciplinary action under the relevant collective agreement, where applicable, or to sanctions determined by the VP, Research.
13. This policy, insofar as it affects members of the Trent University Faculty Association bargaining unit, is extended by Article [IV.19](#) of the Collective Agreement between the Board of Governors on behalf of Trent University and the Trent University Faculty Association.

VI. Reporting Requirements

- a. Subject to any applicable laws, including privacy laws, the University shall advise the relevant Agency or the Secretariat on Responsible Conduct of Research (SRCR) immediately of any allegations related to activities funded by the Agency that may involve significant financial, health and safety, or other risks.
- b. The University shall advise SRCR confirming whether or not the Institution is proceeding with an investigation where the SRCR was copied on the allegation or advised as per Section 4.4.a. If a breach is confirmed at the inquiry stage, reporting requirements outlined in Section 4.4.c apply.
- c. The University shall prepare a report for the SRCR on each investigation it conducts in response to an allegation of policy breaches related to a funding application submitted to an Agency or to an activity funded by an Agency. Subject to any applicable laws, including privacy laws, each report shall include the following information:
 - o the specific allegation(s), a summary of the finding(s) and reasons for the finding(s);
 - o the process and time lines followed for the inquiry and/or investigation;
 - o the researcher's response to the allegation, investigation and findings, and any measures the researcher has taken to rectify the breach; and
 - o the investigation committee's decisions and recommendations and actions taken by the University.

The report should not include:

- o information that is not related specifically to Agency funding and policies; or
 - o personal information about the researcher, or any other person, that is not material to the Institution's findings and its report to the SRCR.
- d. Inquiry letters and investigation reports should be submitted to the SRCR within two and seven months, respectively, of receipt of the allegation by the University. These timelines may be extended in consultation with the SRCR if circumstances warrant, and with monthly updates provided to the Agency until the investigation is complete.
 - e. The University and the researcher may not enter into confidentiality agreements or other agreements related to an inquiry or investigation that prevent the Institution from reporting to the Agencies through the SRCR.
 - f. In cases where the source of funding is unclear, the SRCR reserves the right to request information and reports from the Institution.
- VII. At all times, the University shall take reasonable steps to protect the funds of any external granting/contracting agencies involved.
- VIII. Where it is the Agency that initiates an investigation, the University will provide the Council with a comprehensive report of the process and findings.

12. ROLES AND RESPONSIBILITIES
13. REVIEW OF POLICY

1. THE *ONTARIO HUMAN RIGHTS CODE* (“THE CODE”)

Under the *Code*, every person has the right to freedom from discrimination and harassment based on specified protected grounds. Trent University prohibits any form of discrimination and harassment that constitutes a violation of a person’s rights under the terms of this Policy on Discrimination and Harassment (“the Policy”) and the *Code*. This Policy affirms Trent University’s commitment to compliance with the Code.

2. TRENT’S COMMITMENT

Trent University is firmly committed to ensuring awareness of rights and responsibilities under this Policy and to the goal of eliminating discriminatory barriers. Indispensable to an institution that values, supports and upholds the central role of equality, access and respect for its faculty, students and staff, is an environment that is free of discrimination and harassment. Trent University is fundamentally committed to the promotion of free inquiry and expression, and strives to provide a working, learning and an on-campus residential environment that is supportive of study, scholarship, teaching and research.

3. PROTECTED GROUNDS

Consistent with the *Code*, this Policy prohibits discrimination and harassment on the basis of the following grounds as defined by the *Code* and precedents established through jurisprudence:

- Age
- Ancestry
- Citizenship
- Place of Origin
- Race
- Colour
- Creed (religion)
- Disability
- Ethnic origin
- Family status
- Gender Identity/Expression
- Marital Status (married, single, widowed, divorced, separated or living in a conjugal relationship outside of marriage, whether in a same sex or opposite sex relationship)
- Receipt of public assistance (in housing only)
- Record of offences (in employment only)
- Sex (including sexual harassment, pregnancy and breastfeeding)
- Sexual orientation

Discrimination is often multi-dimensional with cumulative impacts. A complaint of discrimination or harassment may be based on multiple grounds (e.g., age and disability), and/or overlapping grounds (e.g., race and ethnic origin). Members of the Trent University community are also protected against discrimination and harassment due to association or relationship with a person identified by one of the protected grounds, as well as due to the perception that a protected ground applies (for example, perception that a person has a mental disability).

4. COVERAGE

This Policy applies to all members of the Trent University community including:

- Employees (full-time, part-time, sessional, contract, temporary, casual and otherwise);
- Students (full-time and part-time);
- Members of the Board of Governors, and its advisory and *ad hoc* committees;
- Volunteers, coaches, interns and contractors who provide products, services or research, while on campus;
- Individuals who are located on campus while employed by another organization (e.g., employees of faculty/employee/student unions).

This Policy and its complaint procedures will apply to members of the Trent community in situations with a substantial connection to the University including those occurring:

- on University property;
- with the use of Trent's computer and telecommunications network, and in Trent or private vehicles being used for University business or for travelling between work and study locations;
- at a University sponsored event including but not limited to off-site delivery and field trips.

Incidents occurring off campus or through electronic means outside the University network which have no or little likelihood of impact on the University work, study or on-campus residential environment generally are outside the jurisdiction of this Policy and normally would be pursued through the Human Rights Tribunal of Ontario, police services, private legal action or other processes.

Students on placement are covered by this Policy and the *Code*. Employees of institutions that provide placements for Trent students (e.g. schools, hospitals) are not covered by this Policy. If an incident occurs on placement (including those outside Ontario and Canada), University representatives will engage in discussions with the student(s) and placement agency to take reasonable steps to address complaints of discrimination and harassment.

All contractual relationships entered into by the University will be governed by a standard clause stating the contractors must comply with the *Code* and relevant University policies.

5. ACADEMIC FREEDOM

Academic freedom is a fundamental tenet of University life and is a condition of employment expressly extended to academic employee groups pursuant to the terms of their respective collective agreements. Academic freedom includes the right to question and challenge traditional norms, and the freedom to define research questions, to pursue answers to those questions by way of unrestricted but proper investigative techniques and to disseminate the knowledge gained to students, academic colleagues and society as a whole. Academic freedom does not require neutrality on the part of the individual. Rather, academic freedom makes commitment possible. Academic freedom carries with it the duty to use that freedom in a manner consistent with the scholarly obligation to base research and teaching on an honest search for knowledge. The exercise of academic freedom may challenge and/or offend the ideas, sensibilities and beliefs of others. However, academic freedom does not confer immunity from the terms of this Policy.

6. NO LIMITATION ON COLLECTIVE AGREEMENT

Nothing in this Policy shall limit or amend the provisions of collective agreements between Trent University and collective bargaining units including provisions related to academic freedom.

7. DEFINITIONS

7.1 Discrimination (General)

Any form of unequal treatment based on one or more prohibited grounds, whether imposing extra burdens or denying benefits. It may be intentional or unintentional. Discrimination may take obvious forms or it may occur in very subtle ways. Where there are many factors affecting a decision or action, if discrimination is one factor, it is a violation of the *Code* and, therefore, this Policy. It is not discrimination or a contravention of this Policy to plan, advertise, adopt or implement a program that has as its objective the amelioration of conditions of disadvantaged individuals or groups identified by the protected grounds.

7.2 Constructive Discrimination

Where a requirement, qualification or factor exists that is not discrimination on a prohibited ground but that results in the exclusion, restriction or preference of a group of persons who are identified by a prohibited ground of discrimination except where the requirement, qualification or factor is reasonable and *bona fide* in the circumstances.

7.3 Systemic Discrimination

Where patterns of behaviour, policies or practices which are part of an organization's structure unintentionally create or perpetuate disadvantage for a group of persons who are identified by a prohibited ground of discrimination.

7.4 Harassment (General)

A course of vexatious comment or conduct that is based on a protected ground and that is known, or ought to be known, to be unwelcome. A single egregious incident may constitute harassment.

7.5 Sexual Harassment

A form of harassment involving comment or conduct of a sexual nature that is known, or ought to be known, to be unwelcome where:

- submission to such comment / conduct is made either explicitly or implicitly a term or condition of an individual's employment, academic status, or academic accreditation; or
- submission to or rejection of such conduct by an individual is used as the basis for employment, or for academic performance, status or accreditation decisions affecting such individual; or
- such conduct interferes with an individual's work or academic performance; or
- such conduct creates an intimidating, hostile or offensive working or academic environment.

Sexual harassment can include but is not limited to: sexual assault or threats of a sexual nature; unwelcome sexual advances, invitations or requests; demands for sexual favours; innuendos, taunting or degrading words about a person's body, appearance or gender/sexual orientation; leering; sexually derogatory or offensive remarks about an individual; inquiries or comments about a person's sex life; and displays of degrading or offensive sexual material including sexual jokes.

8. REPRISAL

Every individual has the right to raise an issue or complaint of discrimination or harassment, and to participate or cooperate in any role under the Policy and/or procedures, without fear of retaliation or reprisal. Retaliation or reprisals will be treated as harassment and/or discrimination.

9. FRIVOLOUS OR VEXATIOUS COMPLAINTS

The University retains the right not to proceed where there is sufficient evidence that a complaint is frivolous or vexatious, and, in such cases, may impose sanctions and remedies that it deems appropriate.

10. PREVENTION, EDUCATION AND AWARENESS

Trent University is committed to an education and training strategy to promote widespread understanding about what constitutes harassment and discrimination and why in their many forms they can be harmful to individuals and the Trent community. This Policy provides the conceptual framework for related educational initiatives in areas such as:

- employment equity;
- disability accommodation;
- community engagement;
- diversity management; and
- other areas that could assist in building a culture of respect.

Trent University will promote awareness of this Policy by:

- making the policy available to existing and new members of the University;
- offering training to persons with management, supervision, leadership and collegial decision-making responsibilities; and
- conducting on-going awareness campaigns.

11. RESOLUTION PROCEDURES

Trent University shall provide both informal and formal mechanisms to address issues that fall within the jurisdiction of this Policy. These mechanisms are outlined in the *Resolution Procedures* (“Procedures”) to this Policy.

12. ROLES AND RESPONSIBILITIES

All members of the Trent University community are expected to refrain from any form of harassment and discrimination, and co-operate in any resolution procedure if necessary. Persons in positions of authority have the additional responsibility to respond to allegations of discrimination or harassment in an appropriate and timely manner, consistent with this Policy.

13. REVIEW OF POLICY

This Policy may be reviewed periodically. Any changes to the Policy must be consistent with prevailing collective agreements and with the *Code* (which prevails over all university policies and collective agreements).

1. COMPLAINTS AND RESOLUTIONS PROCESS

1.1 General Procedures

It is the University's intention that complaints related to protected grounds will be resolved in a respectful and timely manner. However, where a situation cannot be resolved by speaking with the relevant party(ies), the objective of resolution procedures is to provide a

mechanism to allow human rights issues to be brought to the attention of the University and addressed. The following resolution processes are available to members of the University community who initiate human rights complaint(s):

- informal resolution;
- formal investigation;
- grievance procedures (unionized employees);
- Human Rights Tribunal of Ontario (“HRTO”).

1.2 Relevant Parties to a Complaint

The relevant parties to a complaint under this policy are the complainant(s) and the respondent(s). The complainant(s) is the party(ies) initiating the complaint and who is seeking redress for a perceived injury or wrong. The respondent(s) is the party(ies) named by the complainant(s) as having committed the perceived injury or wrong and who is required to answer to the complaint.

1.3 Early Communication Encouraged

Any person who feels that they have been harassed or discriminated against is encouraged to initiate discussion(s) with the person(s) whose action gave rise to the issue. This allows an opportunity for the complainant(s) to inform the respondent(s) of the nature of the distress experienced and the remedy being sought, and an opportunity for response and resolution of the issue(s) in question. Individuals are strongly encouraged to explain to the offending party(ies) what they believe to be the negative impact of a decision, policy, behaviour, or unwelcome conduct but are not obliged to do so. Each situation should be assessed and considered based on its unique facts and circumstances.

1.4 Exceptions

If an individual believes that addressing the offending party(ies) could lead to escalation of discrimination and/or harassment, or create safety risks, or where a power differential limits an individual’s ability to express concerns, the individual may choose to not interact directly.

1.5 Resolution Options

In the event that a complaint situation cannot be resolved by communication between parties directly, a request may be made to the Human Rights Advisor for information about making a complaint under these Procedures.

Where alternative mechanisms are available and their application is mandated by legislation or another University policy (e.g.: complaint process under Trent’s Annual Access Plan for persons with disabilities; Ontario Teachers’ Federation guidelines regarding harassment complaints that arise during practicum placements for students in programs in the School of Education), individuals should pursue resolution through those measures, prior to accessing these Procedures. Nothing in these Procedures or the Policy on Discrimination and Harassment prohibits an employee represented by a bargaining agent from pursuing his or her rights under the applicable collective agreement or otherwise in accordance with the law.

2. OFFICE OF HUMAN RIGHTS

2.1 Role in the Complaints Process

The Human Rights Advisor is available to any member of the Trent University community to assist and provide individuals and groups with information about the Policy, Procedures and other human rights matters. The Human Rights Advisor's role is not to act as an advocate for either the complainant(s) or the respondent(s) nor to provide legal advice. The Human Rights Advisor is charged with:

- Helping the parties understand and access the Policy and Procedures.
- Reviewing complaints or potential complaints under the Policy to determine if they properly fall within the scope of the Policy.
- Working with the party(ies), if so requested, to explore early resolution options through voluntary informal resolution either directly and/or in securing an independent mediator (internal or external).
- Acting as a investigator in a complaint under the Procedures.

2.2 Confidentiality

Any and all oral and/or written communications with the Office of Human Rights are confidential and cannot be shared with any other party(ies) without written consent from both the complainant(s) and respondent(s). The University and all parties to a complaint will treat all information as confidential, subject to the following exceptions: where disclosure is required to investigate and/or resolve a complaint consistent with the Policy and Procedure; or where disclosure is to the complainant's or respondent's union; or where otherwise required by law or under Trent's *Campus Violence & Harassment Policy*.

3. TIMING FOR FILING A COMPLAINT

3.1 Deadline to file a complaint

Complainants are expected to file their complaint as soon as possible after the incident(s) giving rise to the complaint has occurred. Subject to 3.2, a complaint that is filed more than five (5) months after the last incident giving rise to the complaint will not be processed.

3.2 Exception

A complaint may be initiated beyond five (5) months in circumstances where the delay was incurred in good faith and no substantial prejudice exists such that proceeding with the complaint would deprive the respondent(s) of a fair opportunity to respond to the complaint.

4. REPRESENTATION

4.1 Supportive Persons

Complainants and respondents may bring a "supportive person" (e.g., colleague, student representative, parent/guardian, University counselor) to any meetings through the proceedings. Supportive persons are required to uphold confidentiality and are not permitted to intervene and/or disrupt the process.

4.2 Bargaining Agent Notification and Representation

A complainant or respondent who is a member of a collective bargaining unit is encouraged to consult with his/her bargaining agent about a complaint. If an investigation has not yet

been initiated, the bargaining agent shall accompany the member in any meetings or related proceedings under this policy unless the member requests otherwise. If an investigation has been initiated, the bargaining agent shall accompany the member in any meetings or related proceedings under this policy.

Where a respondent is a member of a bargaining unit, the union shall be notified that a complaint has been filed against the member. The notice shall not contain any details other than the date of the complaint, and the respondent's identity. The respondent will be advised of their right to have all information related to the complaint shared with their union and to seek assistance and counsel respecting their rights under their respective collective agreement(s).

Where a respondent is a member of a bargaining unit, the Human Rights Advisor shall provide the bargaining agent with notice when a complaint is filed, and shall provide the bargaining agent with a copy of the investigation report when it is distributed.

4.3 Use of Independent Legal Counsel

A complainant or respondent may choose to seek independent counsel or advice at their own expense. Legal counsel (for non-unionized employees) may attend meetings as supportive persons but cannot act as legal representatives.

5. OTHER ISSUES IN THE COMPLAINTS PROCESS

5.1 Multiple Complaints

Two or more complaints alleging a violation of the Policy by the same respondent, or having facts in common, may be dealt with in the same proceeding, at the discretion of the decision-maker.

5.2 Interim Measures

In instances where, in the opinion of the decision-maker, there is clear and convincing evidence of a threat to personal health and safety, or to the ability to carry out duties and responsibilities, the University will separate the complainant(s) and respondent(s) in order to stabilize the situation before a resolution procedure is initiated and/or concluded. Where such measures are taken, a timeframe for review of the interim measures will be established and communicated to the complainant(s) and respondent(s) and, in such cases, where either the respondent(s) or the complainant(s) is a member of a bargaining unit, their respective bargaining agent shall be advised of the action taken. Any interim measure taken shall be in accordance with the applicable collective agreements.

5.3 Reprisal (General)

Every individual has the right to file a complaint of discrimination or harassment, and to participate in any role under the Policy and Procedures, without fear of retaliation or reprisal. Retaliation or reprisals will be treated as a form of harassment and/or discrimination.

5.4 Frivolous or Vexatious Complaints

The University retains the right not to proceed where there is sufficient evidence that a complaint is frivolous or vexatious. Such a finding is made by the relevant Vice-President

further to a concern being raised by a respondent or the Human Rights Advisor or by a person serving as a mediator or investigator. Where a finding is made that a complaint is frivolous or vexatious, the University may impose sanctions and remedies that it deems appropriate provided that where the complainant is represented by a bargaining agent, such discipline shall be imposed in a manner which is in accordance with the provisions of the applicable collective agreement.

5.5 Alternative Proceedings

The University encourages the internal resolution of complaints, and therefore encourages complainants to make use of the Policy and Procedures whenever it is possible to do so. However, the Policy and Procedures in no way preclude any complainant(s) or respondent(s) from utilizing alternative options (e.g., Human Rights Tribunal of Ontario, civil lawsuit, grievance), subject to 10.2. For further clarity, nothing in this Policy or Procedures shall limit the rights of any party under any collective agreement.

5.6 Withdrawal

The complainant(s) retains the right to withdraw a complaint at any time during the process up to and including the conclusion of the formal appeal process. Upon written notification of withdrawal or alternative proceedings, a resolution procedure under the Policy and Procedures shall cease, subject to the University's responsibility for due diligence and any investigation of frivolous or vexatious complaints.

5.7 Due Diligence

On receiving a complaint of discrimination or harassment, a person in a position of authority is required to take appropriate and timely action in order to address the situation consistent with the Policy and Procedures. Information disclosed to University counselors, doctors or any position covered by the *Personal Health Information Protection Act* ("the *PHIPA*") is privileged and will not be disclosed except as required or permitted by the *PHIPA*.

5.8 Constructive/Systemic Discrimination/Issues of Public Interest

In the event that a University policy, procedure or practice is the subject of a complaint of constructive or systemic discrimination, the complaint will be brought to the attention, in writing, of the University administrator who is responsible for that policy, procedure or practice. The University administrator will engage in discussion, research, an informal process or formal investigation, as appropriate, following the principles of and considering the timelines in the Procedures. It is recognized that any policy and procedural changes will require extended time for consultation and approval.

6. INITIATING A COMPLAINT

6.1 Responsibilities of the Parties

Each party to a complaint is advised to keep written notes about the events at issue, as well as maintain any relevant documentation. Parties are responsible for knowing and understanding the Policy and Procedures.

6.2 Complaint to be Made in Writing

A complaint shall be made in writing and must include all of the following details:

- What happened – a description of the events or situation
- When it happened – dates and times of the events or incidents
- Where it happened
- Names of witnesses, if any
- Remedy(ies) sought

In addition to making a written complaint, the complainant will be expected to attend meetings with the Human Rights Advisor and/or external consultant or University representative(s) who are responsible for informal resolution, or fact-finding/investigative processes, and to provide any required additional information.

7. COMPLAINT PROCESS

7.1 Assessment by the Office of Human Rights

Upon receipt of a written complaint, the Human Rights Advisor shall determine whether the complaint appears, on the face of it, to be within the scope of the Policy.

7.2 Notification to Respondent

Having determined that a complaint appears to be within the scope of the Policy, the Human Rights Advisor will provide a copy of the written complaint to the respondent and where applicable, to their union.

8. INFORMAL RESOLUTION

8.1 Request for Informal Resolution

Any member of the University community may request assistance from the Human Rights Advisor to reach an informal resolution of a complaint. Informal Resolution is a voluntary option that is intended to help parties settle disputes on mutually agreeable terms. In some cases, complainants may be advised that their concerns can, should or need to be brought to the attention of some other official of the University for proper and full resolution.

8.2 Willingness to Participate

Where the Human Rights Advisor believes there is a possibility of reaching an informal resolution, of a complaint or where at least one of the parties requests that such efforts be made, the Human Rights Advisor shall contact the other party(ies) to determine their willingness to participate in a voluntary process to help the parties settle the dispute on mutually agreeable terms.

8.3 Facilitating Agreement

Where an informal resolution process has been initiated, the Human Rights Advisor shall make a good faith effort, through the use of any viable technique (e.g., discussion, consultation, conciliation, mediation) directly and/or in securing an independent mediator, to facilitate a mutually acceptable agreement.

8.4 Appointment of an Independent Mediator

In some cases, including where a party so requests, informal resolution may involve the retention of another person trained in mediation internal or external to the University. The

Human Rights Advisor may recommend the appointment of an independent mediator in instances where the Advisor has identified a possible conflict of interest.

8.5 Withdrawal from Informal Resolution

Because the informal resolution process is voluntary, any party may withdraw at any time from the process by providing written notice to the Human Rights Advisor.

8.6 Three Weeks to Conclude Informal Resolution

Resolving the complaint through informal resolution shall normally be completed within three (3) weeks of all parties' agreement to participate.

8.7 Extension of Time

In exceptional and compelling circumstances the timeframe may be extended at the discretion of the Human Rights Advisor where to do so is likely to result in an agreement. If the Human Rights Advisor determines there is no reasonable prospect to reach agreement, the Advisor will notify the parties in writing to conclude the process.

8.8 Confidentiality of Informal Resolution Process

In order to support the chances of successful resolution, except where disclosure is required by law, any and all information that is created and maintained by the Human Rights Advisor / Independent Mediator during the informal resolution process is to remain confidential to the mediation process and may not be introduced in the formal process. Sanctions may not be implemented other than through the formal resolution process unless the sanctions form part of a mutually agreeable, voluntary settlement.

8.9 Informal Process and Investigation

No person having conducted the informal mediation process shall be appointed as the investigator of the complaint in question.

9. FORMAL INVESTIGATION

9.1 Referral by Office of Human Rights

Where informal resolution is not successful or suitable, or where a party does not wish to participate in an informal resolution process, the Human Rights Advisor will refer the complaint to:

- the Vice-President of the respondent's division if the respondent is an employee;
- the Vice-President Academic if the respondent is a student.

A complaint against a Vice-President will be filed with the President. A complaint against the President or a Governor will be filed with the Chair of the Board of Governors. A complaint against the Chair of the Board of Governors will be filed with the Vice-Chair. In such cases, subsequent references to "Vice-President" will be substituted accordingly.

9.2 Situations Involving Multiple Respondents

In situations involving multiple respondents, the Vice-Presidents will determine who will oversee the investigation process based on the substance of the complaint. This responsibility may be delegated, in which case references to "Vice-President" in this section

will refer to the delegate.

9.3 Investigation Procedure

An investigation will proceed as follows:

1. The relevant Vice-President and Human Rights Advisor will meet with the respondent(s), bargaining agent representative(s), as applicable, and supportive person chosen by the respondent(s) to review the process and provide a copy of the written complaint if it has not already been provided.
2. The respondent will have ten (10) working days to provide a written response, a copy of which will be provided to the complainant.
3. The Human Rights Advisor may be responsible for the conduct of the investigation. Where the Human Rights Advisor is not available, or where the Advisor has conducted an informal mediation process, or where the Advisor has identified a conflict of interest, the relevant Vice-President, in consultation with the University Secretary, will appoint an investigator, who may be external to the Trent community, who possesses expertise in the following areas:
 - human rights issues and principles;
 - the requirements of the *Ontario Human Rights Code*;
 - methods for conducting effective human rights investigations.

9.4 Submissions to the Investigator

The investigator will be provided with a copy of the complaint, written response, and the Policy and Procedures.

9.5 Office of Human Rights Availability

The Human Rights Advisor will be available to any external investigator, the relevant Vice-President, complainant(s) and respondent(s) to advise on the Policy and Procedures as necessary.

9.6 Extent of Investigator's Scope

The investigation will be limited to the jurisdiction of the Policy and normally to the complaint that has been filed. The investigator will meet with the complainant(s) and respondent(s) separately to obtain information relevant to the investigation. The respondent(s) will be given a full and fair opportunity to respond to the complaint. The investigator will determine whether and which witnesses will be interviewed, and may request the production of documents that may be relevant to the investigation. Both the complainant(s) and the respondent(s) have the responsibility to provide information as accurately and promptly as possible. The investigator may refer the complaint back to informal resolution with the agreement of the parties if it appears that informal resolution is possible.

9.7 Time for Completion of Investigation

The investigator will make every effort to complete the investigation within thirty (30)

working days of being in receipt of the complaint and written response but failure to do so shall not invalidate the process.

9.8 Investigator's Report

At the conclusion of the investigation, the investigator will write a report outlining the findings which may also include an overview of human rights principles. The investigator will provide a copy of the report, on a confidential basis, to the complainant(s) and the respondent(s), and the respondent(s)'s bargaining agent (if applicable), the relevant Vice-President and the Human Rights Advisor (if applicable).

9.9 Investigator's Notes Maintained in Office of Human Rights

The investigator's notes and transcripts (if applicable) will be maintained in the Office of Human Rights in a secure and confidential file in accordance with the requirements of these Procedures.

9.10 Vice-President's Review and Decision

The relevant Vice-President will review the report and decide on the complaint. If the complaint is found to be substantiated, or was found to be frivolous or vexatious, the Vice-President will determine appropriate remedies/sanctions, if applicable. For unionized employees, any disciplinary action will be undertaken in accordance with the applicable collective agreement provisions and will be imposed in accordance with the procedural requirements of the collective agreement, and all rights thereunder shall be preserved.

The Vice-President's decision will be communicated in separate letters to the complainant(s) and respondent(s) and, where the respondent is a union member, to the party's union.

9.11 Extension of Timelines

Timelines may be extended in good faith by the relevant Vice-President, and such extension will be communicated in writing to the complainant(s), respondent(s), bargaining agent(s) as applicable, investigator, and the Human Rights Advisor.

10. LIMITED APPEAL OF OUTCOME OF INVESTIGATION

10.1 Appeal on Grounds of Procedural Error or New Evidence

Either the complainant(s) or respondent(s) may appeal the outcome of an investigation on the grounds of procedural error or that significant new evidence has become known after the final report but before the expiry of the appeal period. Appeals must be submitted in writing, within ten (10) working days of receiving the decision, to the Human Rights Advisor. The Human Rights Advisor will refer the appeal to another Vice-President (i.e. not the decision-maker) on the basis of availability. Where the respondent was a Vice-President or President, the appeal will be referred to the Chair or Vice-Chair of the Board of Governors which is substituted accordingly.

10.2 Review of Appeal

The Vice-President receiving the referral will review the appeal submission, the investigation report and the decision, and will issue a decision on the appeal within fifteen

(15) working days of receipt.

10.3 Extension of Timelines

Timelines under this appeal procedure may be extended in good faith by the Vice-President receiving the referral, and such extension will be communicated in writing to the appellant(s), all other parties to the complaint, and the Office of Human Rights.

11. HUMAN RIGHTS CODE/GRIEVANCES

11.1 No Bar to Exercise of Rights Outside the Policy

The University encourages the internal resolution of complaints, and therefore encourages complainants to make use of the complaint procedure whenever it is possible to do so. However, the provisions of this Policy and Procedures in no way affect the right of any person to exercise rights under the *Code*, or grievance procedures for unionized employees within the time limits specified by each.

11.2 Cessation of Policy Resolution Process

Upon written notification of a grievance or HRTO proceedings, a resolution procedure under this Policy will stop subject to the University's responsibility for due diligence, having regard for its responsibility to respond appropriately to allegations of discrimination and harassment, police involvement (if any) and any other considerations applicable to the circumstances, unless the relevant bargaining agent has filed a formal request to hold the grievance in abeyance consistent with the relevant collective agreement.

12. REMEDIES AND SANCTIONS

12.1 Remedies

Remedies are intended to restore individuals to the position they would have experienced had the discrimination or harassment not occurred. Examples include but are not limited to an apology, reinstatement, compensation for actual losses, provision of services, and adjustment of fees. The intention of the Policy is restorative and educative.

12.2 Sanctions

Where necessary, sanctions are intended to ensure it is understood that violations of the Policy and the *Ontario Human Rights Code* are taken seriously. Examples include but are not limited to verbal or written warning, loss of privileges, suspension, demotion, and expulsion (students) or dismissal (employees).

For unionized employees, any disciplinary action will be consistent with collective agreement provisions and will be imposed in accordance with procedural requirements of the collective agreement and all rights thereunder shall be preserved.

12.3 Criteria Considered

The following criteria will be considered to determine the appropriate level of remedy or sanction:

- seriousness/severity of the incident(s);
- reliability of the evidence;

- remedies sought by the complainant;
- any documented history of substantiated and related history on the part of the respondent(s), or on the part of the complainant(s) in the case of frivolous or vexatious complaints, provided such documentation has been maintained in accordance with relevant collective agreements.

13. RECORDS

13.1 Time for Retaining Records

All records shall remain secure and confidential files are to be maintained in the Office of Human Rights for:

- two (2) years beyond April 30 for confidential advice that concludes between May 1 and April 30 each year, after which time the contents will be destroyed;
- seven (7) years beyond April 30 for formal investigation proceedings that conclude between May 1 and April 30 each year, after which time the contents will be destroyed.

Where a complaint has not been substantiated no reference will be placed in any personnel or student file.

Where a formal investigation results in sanctions for an employee or student beyond a verbal warning/reprimand, documentation will be placed in the personnel or student file.

In the case of unionized employees, all records shall be kept in a manner and for a time period which is in accordance with the provisions of the collective agreement.

13.2 Use of Non-identifiable Statistical Information

Non-identifiable statistical information on the number, nature and type of complaints will be reported annually by the Office of Human Rights to the Presidential Advisory Committee on Human Rights, Equity & Accessibility (PACHREA), the Board of Governors and the University community at large.

APPENDIX E: MEMORANDUM OF UNDERSTANDING RE: PROGRESS
THROUGH THE RANKS

The Memorandum of Understanding dated March 15, 1979 and signed by T.E.W. Nind and J. Fekete shall continue to have whatever status it had on June 30, 1996.

Dated at Toronto this 2nd day of December, 1996.

APPENDIX F: LETTER OF UNDERSTANDING RE: OFF-CAMPUS AND
SUMMER SESSION TEACHING

The Collective Agreement currently provides that bargaining unit members cannot be required to teach Off-Campus or Summer Session courses, but may do so on a voluntary basis. The purpose of this letter is to clarify certain limited circumstances where Off-Campus and/or Summer Session teaching may be required. This is an acceptable requirement where a limited term appointment has resulted from a consolidation of stipendiary positions which had clearly been posted as related to either Off-Campus or Summer Session courses. Similarly, a limited term appointee may be required to undertake such courses where the limited term advertisement clearly specified the Off-Campus and/or Summer requirements. In the latter case, where the limited term appointment is for two (2) years or more (either at the outset, or on a cumulative basis for an individual who has had previous limited term appointments), the Association's prior consent is required. TUFA shall respond to any such request for consent within five (5) days of receipt, and such consent may not be unreasonably withheld. Failure to respond shall be regarded as consent.

Dated at Peterborough this 13th day of August, 1991.

As Amended 1993.

APPENDIX G: SECOND FRAMEWORK AGREEMENT RE:
RETIREMENT BENEFIT ISSUES

AGREEMENT ON RETIREMENT BENEFIT ISSUES
COMPRISING AN AMENDMENT OF THE COLLECTIVE AGREEMENT

(Appendix A and Appendix B not included)

BETWEEN:

THE BOARD OF GOVERNORS ON BEHALF OF TRENT UNIVERSITY (“TRENT”)

- AND -

THE TRENT UNIVERSITY FACULTY ASSOCIATION (“TUFA”)

1. Trent and TUFA (the parties) are parties to a collective agreement, the terms of which incorporate by reference the Contributory Pension Plan for TUFA Employees of Trent University (the “RPP”) and the Supplemental Retirement Arrangement for Members of The Contributory Pension Plan for TUFA Employees of Trent University (the “SRA”);

Representatives of the parties have engaged in discussions with respect to a variety of issues related to the RPP and the SRA as they affect TUFA members and have reached this agreement for inclusion in a renewal collective agreement between the parties with the effective date July 1, 2005, and with the commitment that this agreement shall serve as the basis for amendments and changes in respect of TUFA pension and retirement benefit issues.

Capitalized terms are defined in the RPP or SRA documents or herein. “Pension” and “retirement benefit” are interchangeable terms with the same meaning.

PROCESS AND RELATED MATTERS

2. The parties will conclude such further legal agreements as are necessary to implement this agreement as expeditiously as is practicable, and in any event not later than March 31, 2006, through further pragmatic discussion in the context of and consistent with this agreement, such further legal agreements to consist of the final language of amendments to the RPP, the SRA, and the collective agreement, as necessary, along with such other documents as are necessary. For a list of RPP and SRA provisions anticipated to be in need of amendment, see Appendix A of this agreement, for informational purposes.
3. This agreement is grievable and arbitrable under the collective agreement and can be the subject of a complaint under the *Ontario Labour Relations Act*.
4. In the event that issues remain to be resolved respecting the legal agreements referenced in item 2. above, either party can bring any such issues directly to

arbitrator Kevin Burkett or William Kaplan (whoever is first available) on the giving of one week's written notice to the other party. This provision is a special facilitating fast-track, with the following two conditions: (a) the arbitrator will meet with and endeavour to assist the parties as necessary in resolving any outstanding issues in the context of and consistent with this agreement; however, in the event that the parties are unable to resolve an outstanding issue, the arbitrator shall have the authority to resolve it in a manner consistent with this agreement, and such resolution shall be binding on both parties; (b) the costs of the arbitrator shall be paid jointly and equally by the parties.

5. Unless the parties agree otherwise, no departure shall occur from the normal manner for satisfying the current service costs of both the RPP and the SRA in each Plan Year as detailed in item 10.(a) below, nor shall any transfer of assets to the RPP from the SRA Fund (as constituted under the Advanced Income Tax Act Ruling) occur, unless and until the legal agreements implementing this agreement are successfully concluded, and then only to the extent and in the manner provided in the legal agreements.

CHANGES OR AMENDMENTS TO THE RPP AND THE SRA

6. An "Aggregate Plan"
 - (a) The parties agree to establish a framework for the continuing operation of the RPP and the SRA within a properly funded defined benefit Aggregate Plan (Aggregate Plan = RPP+SRA) that will deliver to Aggregate Plan members a retirement benefit of 2% of final average earnings for each year of pensionable service. Under the Aggregate Plan, the RPP and the SRA are differentiated only in regulatory and creditor treatment, but otherwise operate in a uniform manner, combined into one Aggregate Plan, both from the perspective of all the obligations associated with a defined benefit plan and from a financial management perspective.
 - (b) The Aggregate Plan shall be funded at the level of the Aggregate Current Service Cost (ACSC) + 1%, where the ACSC is defined as the sum of the total current service cost of the RPP and the SRA, and 1% is the Initial Aggregate Amortization Component (IAAC), defined as the agreed-upon contribution rate required for the amortization of the going concern unfunded liability identified at July 1, 2005--except that the University has a further obligation to amortize any new or additional going concern unfunded liabilities or solvency deficiencies under the terms of this agreement.
7. SRA No Longer Surplus-Dependent and No Longer Probationary
 - (a) Under the provisions of this agreement, effective July 1, 2005, the suspension and termination provisions of the SRA (Section 9 of the SRA) shall be removed. Moreover, the SRA Fund will be funded from Aggregate Plan contributions, in the same manner as the RPP.
 - (b) The parties shall review and revise the remaining portion of Section 9 of the SRA (Discontinuation for Legal Reasons) within the legal agreements to be

prepared under item 2. of this agreement. No revision under this item 7.(b) shall disadvantage members in comparison with the current provisions for discontinuation for legal reasons under Section 9 of the SRA.

8. Members' Required Contributions

- (a) Effective with the collective agreement starting July 1, 2005, Members' Required Contributions under the Aggregate Plan for each Plan Year shall be
 - (i) deposited to the RPP in each Plan Year;
 - (ii) set at 6.50% of the Nominal Earnings of members (or the Normal Earnings of part-time members), which contribution rate includes the members' Current Service Cost components for the RPP and for the SRA (a total of 6.1%), and the agreed member amortization component (0.4%) for the amortization of the going concern unfunded liability identified at July 1, 2005 (approximately 3.5 million dollars);
 - (iii) readjusted, with respect to the Current Service Cost component of the Members' Required Contributions, effective the first Plan Year of each collective agreement, to a rate that is equivalent to 40% of the total Aggregate Current Service Cost ("ACSC"). In addition, the 0.4% agreed member amortization component will remain part of the Members' Required Contributions. For clarity, the 0.4% agreed member amortization component will remain part of the Members' Required Contributions even after the identified amortization payments are completed, unless the parties agree otherwise.
- (b) Notwithstanding the provisions under 8.(a).ii above, during the Plan Year starting July 1, 2005, Members' Required Contributions shall be 5.25% during July 1, 2005 to December 31, 2005, and 5.75% during January 1, 2006 to June 30, 2006. For clarity, thereafter, starting July 1, 2006, Members' Required Contributions shall be 6.50% in each Plan Year unless and until the provision of 8.(a)(iii) takes effect.

9. University's Required Contributions

- (a) Effective with the collective agreement starting July 1, 2005, the University's Required Contributions under the Aggregate Plan for each Plan Year shall be (A) + (B) where the components (A) and (B) are defined below in 9.(b) and 9.(c).
- (b) (A) shall be
 - (i) set at 9.75% of the Nominal Earnings of members (or the Normal Earnings of part-time members), which contribution rate includes the University's Current Service Cost components for the RPP and for the SRA (a total of 9.15%), and the agreed University amortization component (0.6%) for the amortization of the going concern unfunded liability identified at July 1, 2005 (approximately 3.5 million dollars);

- (ii) readjusted, with respect to the Current Service Cost component of the University's Required Contributions, effective the first Plan Year of each collective agreement, to a rate that is equivalent to 60% of the total Aggregate Current Service Cost ("ACSC"). In addition, the 0.6% agreed University amortization component will remain part of the University's Required Contributions. For clarity, the 0.6% agreed University amortization component will remain part of the University's Required Contributions even after the identified amortization payments are completed, unless the parties agree otherwise. For a definition of the ACSC, see item 6.(b) above;
 - (iii) set, during the Plan Year starting July 1, 2005, notwithstanding the provisions under 9.(b)(i) above, at 5.25% during July 1, 2005 to December 31, 2005; 12.00% during January 1, 2006 to April 30, 2006; and 9.75% during May 1 to June 30, 2006. For clarity, thereafter, starting July 1, 2006, the University's Required Contributions under (A) in this item shall be 9.75% in each Plan Year unless and until the provision of 9.(b)(ii) takes effect;
 - (iv) not less in any event, notwithstanding any provision above, than the balance of the cost of benefits being earned in the Plan Year under the RPP after allowing for the Current Service Cost component of the Members' Required Contributions (which for this purpose shall include the University's contributions on behalf of Members under Section 4.01(b) of the RPP).
- (c) (B) shall be the amount necessary for the proper amortization of all solvency deficiencies (if any) under the RPP, and all unfunded liabilities (if any) under the Aggregate Plan on a going concern basis if such unfunded liabilities are not already covered under the aggregate 1% amortization component (IAAC) provided by the member amortization component under 8.(a) and the University amortization component under 9.(b), subject to 9.(d) below.

For the purposes of determining "the amount necessary" under this provision, the legislation applicable to the RPP is deemed to apply also to the SRA with respect to the proper amortization of going concern unfunded liabilities, subject to the agreed-upon method of amortization. See Appendix B for the "agreed-upon method."

For clarity, at any point in time, the present value of the amortization payment to the Aggregate Plan in respect of the IAAC (that is, 1%) will be calculated on the remaining period to June 30, 2025, i.e., a period of 20 years from July 1, 2005. For each Plan Year of the 20-year period up to June 30, 2025, the going concern unfunded liability of the Aggregate Plan will be reduced at each annual valuation by the present value of the Initial Aggregate Amortization Component for the period remaining.

The provisions of item 10.(b) (Allocation) and item 12 (Solvency) of this agreement address the solvency deficiency payments under this component (B) of the University's obligation.

- (d)
 - (i) In any Plan Year, to the extent that additional special payments by the University are required for the liquidation of a going concern unfunded liability under the Aggregate Plan, such special payments shall be deemed to be a credit against University contributions in any of the following three Plan Years, provided that the use of any such credit shall not increase the going concern unfunded liability of the Aggregate Plan beyond an amount equal to the present value of the IAAC for the remaining period up to June 30, 2025.
 - (ii) In any Plan Year, the University may take a credit against University contributions up to the full amount of any solvency special payments made directly by the University to the RPP in any of the previous ten Plan Years, provided that such credit does not create a solvency deficiency. For clarity, funds withdrawn, withheld, or transferred from the SRA Fund under item 12 to cover solvency deficiency under the RPP are not eligible for such credits.
- (e) For clarity, the University cannot take account of actuarial gains or cumulative aggregate surplus in calculating its total required contribution obligations under component (A) of item 9, nor use actuarial gains or aggregate surplus to reduce its total contribution obligations under the Aggregate Plan except as set out in item 9(d) above and in item 13 below.

10. Allocation of the University's Required Contributions

- (a) In each Plan Year starting July 1, 2005, the University's required contributions will be allocated in the following order, to be considered the normal funding sequence:
 - (i) By deposit to the RPP, to satisfy the University's current service cost under the RPP which is defined as the balance of the cost of benefits being earned in the Plan Year] after allowing for the Members' Required Contributions (which for this purpose shall include the University's contributions on behalf of Members under Section 4.01(b) of the RPP);
 - (ii) By deposit to the SRA Fund, to satisfy the current service cost under the SRA, which is defined as the cost of the benefits being earned in the Plan Year under the SRA;
 - (iii) By deposit to the RPP or the SRA Fund, as deemed necessary on the Actuary's advice, to meet the obligations of the Aggregate Plan.

- (b) Notwithstanding the provisions under item 10.(a) above, in any Plan Year when a filed actuarial valuation has identified a solvency deficiency under the RPP, University contributions, up to the full required amount of such contributions as may be necessary, can be directed entirely to the RPP, provided that such departures from the norms that are defined in item 10.(a) shall be subject to the provisions of item 12. and item 13.(b) of this agreement.

11. Indexation

- (a) The same rate of indexation will apply to pensions payable under the SRA as to pensions payable under the RPP, under all the provisions of this item on indexation.
- (b) The current indexation provisions of the RPP and SRA will continue to apply to retirements and terminations prior to July 1, 2006, i.e. will be applied to the full retirement benefit under the Aggregate Plan. The sections on indexation below, which are more restrictive than the provisions currently in place, apply only to the cohort of retirements and terminations on and after July 1, 2006, except that the indexation rate applicable to the earnings of members who are disabled on or after July 1, 2006 will be the better of the two rates.

The new provisions under 11.(c) below are not expected to produce indexation of pensions until and unless the RPP's cumulative returns calculated under a smoothing method exceed 6.5% over a period of time, i.e. unless the RPP performs better than currently expected, and the new provisions under 11.(d) below are not expected to produce indexation of pensions until and unless the Aggregate Plan has no unfunded or unamortized liabilities and aggregate surplus grows to exceed the amount of aggregate surplus designated under 11.(d)(ii) below for use as a contingency reserve.

- (c) For retirements and terminations on and after July 1, 2006, excess-earnings-based indexation under the Aggregate Plan on each July 1st, starting with July 1, 2007, shall be determined as follows:
 - (i) Excess earnings shall be defined as a percentage value that is the cumulative excess/deficiency of the rate of return on the RPP, after the deduction of expenses, above/below 6.5% for the period ending on the immediately preceding March 31, with the starting measurement date for the rate of return and the cumulative excess/deficiency being April 1, 2006. For the four 12-month periods from April 1, 2006 to March 31, 2010, the rate of return shall be the 1-year, 2-year, 3-year and 4-year averages respectively and thereafter a 4-year average rate of return shall be used.
 - (ii) If there is a cumulative deficiency as of March 31, there will be no indexation on the subsequent July 1; however, there will be no reduction in pension benefits.
 - (iii) If there is a cumulative excess as of March 31, the indexation as of the

subsequent July 1 will be the lesser of the cumulative excess and 50% of the annual rate of increase in the Consumer Price Index as of the immediately preceding March 31. The percentage expended on indexation will be deducted from the cumulative excess.

- (iv) If there is any remaining cumulative excess, 50% of that excess will be used for catch-up in respect of any one or more of the prior five years when the indexing was less than 50% of the increase in CPI. The application of the catch-up to previously unindexed or partially indexed years will proceed in reverse chronological order, from the most recent Plan Year backward.
- (d) For retirements on and after July 1, 2006 (for clarity: not for terminations), aggregate-surplus-based indexation under the Aggregate Plan on each March 1, starting with March 1, 2008, is in addition to the excess-earnings-based indexation described in 11.(c) above for retirements and terminations, and shall be determined as follows:
- (i) Aggregate-surplus-based indexation will be applied to pensions in payment to supplement excess-earnings-based indexation for any Plan Year in which indexing was less than the increase in CPI, proceeding to provide catch-up year by year in reverse chronological order, from the most recent Plan Year backward, first to bring each unindexed or partially indexed year to 50% of the increase in CPI, and then, secondly, after that target has been achieved for all years, to bring each year, Plan Year by Plan Year, in reverse chronological order, to 100% but never more than 100% of the increase in CPI for that year, including excess-earnings-based indexation, subject to item 13.(a)(iii). For clarity, the 5-year limit of item 11.(c)(iv) does not apply to the aggregate-surplus-based indexation.
 - (ii) The threshold for initiating aggregate-surplus-based indexation will be an aggregate contingency reserve of aggregate surplus funds on a going concern basis equal to the Aggregate Current Service Cost. Only aggregate surplus in excess of that contingency reserve is available for indexation under this provision.
 - (iii) The funds available for aggregate-surplus-based indexation will be determined in each actuarial valuation not later than December of each Plan Year, and will be applied effective March 1 of the same Plan Year for the immediately preceding Plan Year. The application of funds for catch-up in respect of prior Plan Years shall be based for each prior Plan Year on CPI for the immediately preceding year and calculated as of March 31 of that preceding year.
- (e) It is the intent of the parties that, funds permitting, ultimately the application of indexation provisions should achieve equity between the pre-2006 and the post-2006 cohorts of retirements. In the event that indexation of post-2006 retirements under these excess-earnings and aggregate-surplus-based

provisions comes to match the indexation provided under the current provisions to retirements prior to July 1, 2006, further aggregate-surplus-based indexation for post-2006 retirees shall not be unreasonably provided at the expense of aggregate-surplus-based indexation for pre-2006 retirees under the current Article 7.04 of the RPP respecting “insufficient excess investment earnings.

12. Solvency

- (a) If, in any Plan Year, on the basis of a filed valuation, the University is required to make special payments to amortize a solvency deficiency under the RPP, up to the full amount of the University's Required Contributions, as may be necessary, shall be directed to the RPP. The portion of the contribution in excess of the University current service cost for the RPP, up to an amount equivalent to the IAAC (1%), shall be used to satisfy any going concern special payments, with the balance of the excess contribution, if any, used in respect of the solvency special payments. The remainder of the solvency special payments for the Plan Year can then be satisfied by transferring a corresponding amount from the SRA Fund to the RPP, provided that sufficient funds are available in the SRA Fund and subject to maintaining assets in the SRA Fund at least equal to five years of pension payments under the SRA.

For clarity, in each Plan Year, the five years of pension payments will be calculated on a rolling basis as 60 times the monthly pension payments as of the effective date of the filed valuation and as of each subsequent annual valuation.

- (b) The parties agree, in preparing the legal agreements under item 2. of this agreement, to provide mechanisms to ensure that any amounts withdrawn from the SRA Fund, or transferred from the SRA Fund to the RPP, or withheld from normal current service allocations to the SRA Fund, in respect of solvency special payments, shall be (i) noted, for purposes of reporting the financial position of the SRA, as having been withdrawn, withheld from, or transferred out of the SRA Fund; and (ii) credited with the investment income, net of expenses, earned while the withdrawn, transferred, or withheld funds remain in the RPP. An amount equal to the sum of the amounts under 12.(b)(i) and 12.(b)(ii) shall be reallocated by the University to the SRA Fund as soon as is reasonably practicable, with the objective of achieving and sustaining a balanced SRA within a balanced Aggregate Plan. The parties are agreed that any such mechanisms for withholding, withdrawing, or transferring funds from the SRA Fund shall comply with applicable legislation.
- (c) The parties further agree:
 - (i) to ensure that any going concern special payments or solvency special payments to the RPP are limited to the minimum required by applicable legislation;

- (ii) to ensure that solvency transfers or departures from the normal funding that is defined in item 10.(a) do not result in changing or masking any going concern unfunded liability in the Aggregate Plan. For clarity, with respect to *going concern* unfunded liabilities under the Aggregate Plan, the University cannot take account of the provisions of item 12 (Solvency) in calculating its contribution obligations under component (B) in item 9 nor reduce its required contribution deposits under component (B) in item 9;
- (iii) to ensure that assets transferred, withdrawn, or withheld from the SRA Fund are counted only once when assessing the financial position of the Aggregate Plan;
- (iv) to ensure that transfers and departures from the normal funding that is defined in item 10.(a) are properly tracked, reported, assessed for their impact, reviewed by the parties during the annual valuations, and audited;

For clarity, any withdrawal or withholding of funding from the SRA Fund or any transfer of assets from the SRA Fund to the RPP which would have the effect of creating or increasing an unfunded liability in the SRA shall be permitted only in the case of solvency deficiency in the RPP. Such transactions shall not impact on the financial standing of the Aggregate Plan on a going concern basis.

13. Surplus

- (a) Unless and until the parties otherwise agree, aggregate actuarial gains since the previous valuation and cumulative aggregate surplus, on a going concern basis, must be used in the manner and in the order of priority specified below, and can be used as a source of funds only for the purposes and according to the sequence detailed below. Except as specified below in item 13.(a)(v), the University cannot use aggregate actuarial gains or cumulative aggregate surplus to reduce its contribution obligations to the Aggregate Plan under component A of item 9.(a) and 9.(b) of this agreement. Use of aggregate actuarial gains and cumulative aggregate surplus will be decided annually following an actuarial determination of assets, liabilities, and total current service costs in the Aggregate Plan, that is both the RPP and the SRA.

The order of “calls” on aggregate actuarial gains and cumulative aggregate surplus will be as follows:

- (i) The first call will be to liquidate any going concern unfunded liability or experience deficiency in the Aggregate Plan to the extent required by law or by law mirrored voluntarily. Such liquidation shall occur on an amortized basis in both the RPP and the SRA, and the annual special payments shall be kept to the minimum required by the applicable legislation with respect to the RPP and the agreed-upon

amortization method with respect to the Aggregate Plan. For the “agreed-upon method,” see Appendix B.

- (ii) The next call will be to build up and sustain an aggregate contingency reserve in the amount of the Aggregate Current Service Cost for one Plan Year.
 - (iii) The next call will be for aggregate-surplus-based indexation, as detailed above in section 11. of this agreement. Unless otherwise agreed by the parties, indexation to the greater of 50% of CPI levels for all Plan Years or the level of indexation provided to pre-2006 retirees is the precondition for the eligibility of calls (iv) and (v) below.
 - (iv) The next call will be for such improved benefits for members as the parties may agree from time to time, including any further indexation.
 - (v) Thereafter, any “calls” on or utilization of aggregate surplus will be as the parties may agree from time to time, including any contribution holidays by the parties, provided that such contribution holidays do not unreasonably put the sustainability of the Aggregate Plan in jeopardy and do not render the previous “call” under item (iv) above without effect.
- (b) Excess surplus under the Income Tax Act (ITA) definition, and any prohibited contributions to the RPP under the ITA’s excess surplus requirements, shall be directed to the SRA Fund.

14. Administration

- (a) The parties will be provided annually with a complete detailed report of all the expenses associated with the Aggregate Plan.
- (b) Proposed changes in actuarial assumptions and methods will be presented to the Pension Subcommittee for discussion and review of options, along with a rationale for the changes, and an analysis of the impact of each change on the assets and liabilities of the Aggregate Plan. Notification to TUFA of any proposed change shall provide reasonable opportunity for consultation with TUFA’s actuary and for timely input to the decision process, within which due consideration of such input shall not be unreasonably denied.
- (c) Language will be drafted to require that the annual valuation report shall provide valuation details in a form and manner pertinent to the Aggregate Plan, as well as to the RPP and SRA, including the assets, liabilities, experiences, transfers, departures from normal funding under item 10.(a), and other transactions under the Aggregate Plan, sufficient to support the proper monitoring of the Aggregate Plan.

- (d) TUFA shall be provided with the financial statements of the RPP, the SRA, and the Aggregate Plan annually in a timely way, sufficient to allow reasonable opportunity to review them, consult as necessary with TUFA's actuary, and make a timely input to the Board's approval or review process.

EFFECTIVE DATE

15. The effective date of this agreement is July 1, 2005. The parties will endeavour to conclude final language negotiations such that amendments to the RPP and the SRA and other documents will be effective as of July 1, 2005.

SIGNING

16. This agreement may be executed in any number of counterparts with the same effect as if all parties had signed the same document. All counterparts, including facsimile signatures, shall be construed together, and shall constitute one and the same agreement.

4. In the event that during the three year period from July 1, 2010 to June 30, 2013, any University solvency special payments cannot be met by a transfer of funds from the SRA pursuant to the provisions of the Aggregate Retirement Arrangement, the Parties agree to amend the Registered Pension Plan to apply the plan's early retirement reduction factors to the Income Tax Act maximum pension.
5. In connection with the application of any solvency relief provisions available through Ontario Regulation 239/09 made under the Pension Benefits Act, TUFA agrees to consent on behalf of its members to the extension of the solvency amortization period from five (5) years to ten (10) years.

Dated this 23rd day of October 2009

APPENDIX M: MEMORANDUM OF AGREEMENT RE:
REGULARIZATION OF “MASTHEAD” AND “0.0” APPOINTMENTS TO
CROSS APPOINTMENTS

WHEREAS the Association and the University ("the parties") have negotiated a change to Article [III.19](#) *Procedures for Voluntary Transfer and Cross-appointment of Faculty* of the TUFA Collective Agreement that may impact TUFA members holding existing “Masthead” or Cross-Appointments allocated on a 1.0/0.0 basis;

THE PARTIES AGREE THAT:

Within 90 days of the signing of the renewal agreement, the Office of the Dean of Arts and Science shall invite all TUFA members holding such a 1.0/0.0 appointment to indicate their wish to retain that appointment; and

Where a wish to retain the appointment is indicated, the Office of the Dean of Arts and Science shall invite the receiving unit to confirm their agreement to the ongoing cross-appointment, as well as their understanding that 1.0/0.0 appointments are made under the full provisions of [III.19](#).

THE PARTIES FURTHER AGREE THAT:

Where a wish to retain the appointment is not indicated, or where such a wish is indicated but the 1.0/0.0 appointment is not confirmed by the receiving unit according to the terms of this Memorandum of Agreement, the Member shall be notified by the Office of the Dean or Arts and Science that the 0.0 portion of their appointment is no longer in effect.

In the interim, the parties agree that the Annual Faculty Curriculum Vitae Update in use as of the signing of this Letter of Understanding, with the addition of space for an introductory paragraph summarizing the member's most significant accomplishments over the year, and renamed "Faculty Annual Report," shall serve as the Annual Report form described in [IV.15.2.2.1](#).

Dated on this 13th day of April 2013

APPENDIX O: LETTER OF UNDERSTANDING RE: FORMATIVE
PURPOSE OF THE ANNUAL PERFORMANCE REVIEW

The Parties have reached tentative agreement to:

- replace the annual submission of a Curriculum Vitae Update with the submission of an Annual Report;
- implement an annual review process;
- clarify the process by which students provide feedback on teaching effectiveness.

The parties affirm that:

- in the aggregate, Trent's academic staff are performing to a high standard;
- it is not the intent for these new processes to alter the performance standards against which a faculty or librarian member's work is assessed, but rather to provide an opportunity for a formative dialogue.
- past CV Updates suggest that at least ninety percent of those being assessed in any given year would achieve a "satisfactory" annual performance review and that, of those who do not, most will likely fall into the category of "generally satisfactory with some areas that require development."

This Letter of Agreement expires at the end of current Collective Agreement.

Dated this 13th day of April, 2013.

APPENDIX P: LETTER OF UNDERSTANDING RE: COMPUTER
RENEWAL

The University commits to develop a plan, the implementation of which shall begin no later than July 1, 2015, to provide computers to Tenure Stream members and Librarians holding probationary or permanent appointments, over a 4-year cycle. Members shall be provided a new standard Trent imaged desktop computer including a standard suite of office productivity and presentation software. Should a member wish to upgrade the standard issue desktop to an upgraded desktop, laptop, or Macintosh computer, the member will be able to do so by allocating any additional costs to their Professional Expenses Fund, or to a research account at the University provided the account does not restrict the University from maintaining ownership of the computer. This computer shall be maintained and provided network and printer access without charge to the member or the member's department/program.

The logistics of this deployment, ownership, and network access implications will be developed by the Department of Information Technology and will be brought to Joint Committee for information.

Dated this 12th day of June, 2014.

APPENDIX Q LETTER OF UNDERSTANDING
PRIVACY AS IT RELATES TO CUSTODY AND CONTROL

The parties agree to establish a committee with two employer and two association representatives within 30 days of the ratification of this agreement to develop recommendations on privacy as it relates to custody and control of material. The parties agree that from the date of signing and for the duration of this Collective Agreement, merit awards as indicated in Article III.12 shall be suspended.

A sub-committee consisting of 3 representatives of the Association, and 3 representatives of the Board, will be formed within 60 days of the ratification of this agreement to review the existing merit system and determine whether it can be modified to improve alignment with the Academic Plan. The sub-committee shall report to the Provost prior to the expiry of the current agreement.

Dated this 12th day of June, 2014.

APPENDIX S: LETTER OF UNDERSTANDING
GRADUATE DIRECTORS

The Provost or designate, will engage in a consultative review of the structure of graduate programs. Following the completion of this review, and no later than June 30, 2015, the parties will meet to discuss implementation of the findings at Joint Committee. These discussions shall include consideration of compensation for those overseeing graduate programming.

As per current practice, graduate directors of programs shall receive no less than 0.5, and no greater than 1.0 course reduction during each academic year. The course reduction a particular director receives will be determined by the Provost or designate in consultation with the appropriate Dean and will be based on the anticipated administrative workload. Dated this 12th day of June, 2014.

APPENDIX T: FOURTH PENSION FRAMEWORK FOR TUFA
COLLECTIVE AGREEMENT, 2013-2015

Whereas, by virtue of the MoS of May 22, 2013, the provisions of the Third Framework Agreement (Appendix L of the 2009-12 agreement and Appendix J of the 2012-13 agreement) were extended to June 30, 2014, with the effect of maintaining the temporary contribution rate of 9% for TUFA members, thereafter,

1. Effective July 1, 2014, Members' Required Contributions to the Registered Pension Plan shall be 9.0% of the member's Nominal Earnings (or the Normal Earnings for a member employed on less than a full- time basis);
2. Effective July 2, 2014, the number of consecutive years used in determining Final Average Earnings shall be increased from 3 to 5 years. In no event shall the Final Average Earnings of any retiring member be less than the Final Average Earnings as of June 30, 2014;
3. For the period from July 1, 2014 to June 30, 2015, the minimum funding requirements specified for the SRA including maintenance of SRA assets will be suspended. For clarity, member entitlements under the SRA are not affected in any way;
4. The University and TUFA will continue to explore a merger of the TUFA Pension Plan with the CAAT Plan, and in the event that the Board of Governors and the TUFA membership support such a merger, the parties will amend the existing TUFA collective agreement for the purpose of concluding negotiations of a plan merger, recognizing that such a merger would be subject to ratification by the Board of Governors and the TUFA membership; and
5. In the event that the University and TUFA do not reach agreement on a merger with the CAAT Plan by April 15, 2015 and absent mutual agreement to extend this date, the parties will meet to negotiate amendments to the Plan, specifically the parties will negotiate the following Employer proposals:
 - (a) Suspend funding under the Aggregate Retirement Arrangement beyond statutory funding of the Registered Pension Plan along with suspension of the requirement to maintain assets in the SRA fund equal to 5 years of SRA pension payments. For clarity, proposal 5.a. does not contemplate altering member entitlements under the SRA;
 - (b) For Pensionable Service earned on or after July 1, 2015, a decrease in the benefit accrual rate under Section 6.01 of the RPP and Section 5.01 of the SRA from 2.0% to 1.8% of Final Average Earnings;

- (c) An amendment to the Registered Pension Plan effective July 1, 2016 to apply the plan's early retirement reduction factors to the Income Tax Act maximum pension, unless solvency special payments are eliminated or deferred through additional solvency funding relief beyond the Stage 2 relief for which the Registered Pension Plan has qualified; and
- (d) The application, effective July 1, 2015 of a cap of \$4000.00 per year of service on the indexation of the Income Tax Act maximum pension under the RPP and on the Aggregate Benefits under the RPP and SRA.

Any negotiated changes shall be subject to the normal ratification process of the parties.

- 6. If the parties fail to reach agreement within 30 days of April 15, 2015 or such other date as mutually agreed, for the period from July 1, 2015 to June 30, 2016, the minimum funding requirements specified for the SRA including maintenance of SRA assets will be suspended. For clarity, member entitlements under the SRA are not affected in any way.
