- (b) Grievances concerning 21.01(b) will be finally resolved by reference to the Chairman of the Financial Management Board;

- 21.03 Before invoking the grievance procedure, employees will make reasonable efforts to resolve the dispute with their immediate supervisors.

Employees may present their grievances personally or through an agent.

Notwithstanding the provisions of Article 2.01(12), a substitute teacher has access to the grievance procedure.

- 21.04 The Association may invoke the grievance procedure at Step 3 if the Association alleges that a grievance has arisen that is not one that may be the subject of a grievance by an employee.

Grievance Procedure

- 21.05 The grievance procedure will consist of the following steps:

Step 1

The grievor, with the assistance of the Association, will notify the relevant **Director** of Education of the nature of the complaint within 20 working days of becoming aware of the incident giving rise to the complaint.

The **Director** of Education will enter into discussions with the grievor and the Association in an effort to resolve the complaint. If the complaint is not resolved within ten working days of receipt of the complaint, the grievor and the Association may forward the grievance to Step 2.

Step 2

The grievor, with the assistance of the Association, will notify the relevant **Director** of Education of the nature of the complaint in writing within 40 working days of becoming aware of the incident giving rise to the complaint. A meeting between the grievor, the Association and the **Director** of Education may be held within 10 working days of receiving the written grievance, if additional information is required to resolve it. The parties will review the circumstance of the grievance in an attempt to resolve it.

The **Director** of Education will provide to the grievor and the Association a written decision, with reasons, concerning the grievance within ten working days of the meeting or 20 working days following receipt of the written grievance.

The grievance must include a statement of the following:

- (a) the name(s) of the aggrieved,**
- (b) the nature of the grievance and the circumstances out of which it arose,**
- (c) the remedy or correction the employer is requested to make, and**
- (d) the sections where the agreement is claimed to be violated.**

Step 3

A grievor who is not satisfied with the decision at step 2 may, within ten working days of receiving the decision, forward the grievance in writing to the Executive Director of the Association and the Director of Labour Relations.

The Executive Director of the Association and the Director of Labour Relations or their delegates will meet to review the grievance to attempt to find a solution which they may recommend to the grievor and the **Director** of Education to resolve the grievance.

If the grievance is not resolved within 20 working days, the Association will notify the grievor and together they will determine whether the grievance will be forwarded to arbitration.

Arbitration

- 21.11 An Arbitrator may determine that an employee has been dismissed, demoted or suspended contrary to Article 19.09, and may direct the Employer to reinstate the employee without any loss of salary and benefits.

Without limiting the generality of the foregoing, Arbitrators may make any order they consider fair and reasonable having regard to the circumstances and terms of this Agreement.

This is without limiting the generality of the powers granted to Arbitrators under Section 12 (1) (a) of the *Arbitration Act*.

- 21.12 As an alternative to the formal arbitration process set out in 21.06 to 21.11, by mutual agreement of the parties a grievance may be referred to someone who will hear the grievance and at the conclusion of the hearing, give a written order without reasons.

These decisions may not be used to alter, modify or amend any part of the Collective Agreement, and are made without precedent or prejudice to similar or like cases.

APPENDIX D

PRO-RATA

A teacher who does not have a university degree and who completes university courses leading to a complete year of university training as of the date of ratification of this Agreement will receive a pro-rata allowance for the portion of the years work which has been completed.

This amount is calculated by multiplying the fraction of the years work completed by the difference between the salary at the experience level for the last and following completed year of university education.

AND THE
NORTHWEST TERRITORIES TEACHERS' ASSOCIATION

The parties agree that ongoing consultation, at the highest level, is important and in the best interests of the Government of the Northwest Territories and the Association.

The President of the NWTTA and Assistant Deputy Minister, Schools Branch, agree to meet at regular monthly intervals, or more frequently, if necessary, in exceptional circumstances. If problems involving other departments arise, their senior officials may be invited to attend the meeting to resolve a particular issue.

These information sharing meetings will consider high level issues that directly affect teachers in the short or longer term. These issues include, but are not limited to: organizational changes, division, land claims, major policy developments, such as assault legislation, changes to the *Education Act*, Regulations, and issues involving services to teachers by other government departments.

This Government, its ministers, and employees are committed to ongoing consultation to facilitate the rapid change which will take place during the next few years. The consultative exchanges are designed, wherever possible, to pre-empt problems and to find creative solutions to matters of common interest and concern.

Since much of the information will be of a confidential nature, sensitivity in handling the issues will be of paramount importance.
