However, in any instance in which an error occurs in the amount of any deduction pursuant to this Article from an Employee's wages, the Company shall adjust it directly with the Employee. In the event of any mistake by the Company in the amount of its remittance to the Union, the Company shall adjust the amount in a subsequent remittance. The Company's liability for any and all amounts deducted pursuant to the provision of this Article shall terminate at the time it remits the amounts payable to the Union.

- 22.09 In the event of any action at law against the parties hereto resulting from any deduction or deductions made from payrolls or to be made by the Company pursuant to the first paragraph of this Article, both parties shall cooperate fully in the defense of such action. Each party shall bear its own cost of such defense, except that, if at the request of the Union, counsel fees are incurred, these shall be borne by the Union. Save as aforesaid, the Union shall indemnify and save harmless the Company from any losses, damages, costs, liability or expenses suffered or sustained by the Company as a result of any such deduction or deductions from payrolls.

- 23.02 Where notice to bargain collectively has been given, the Union and the Company will, without delay, commence to meet diligently to bargain in good faith and make every reasonable effort to enter into a new Collective Agreement.
