Re: Casual Employees

The new definition of “casual Employee” set out in clause 2.01(e) of Article 2 – Interpretation and Definitions, took effect upon ratification, that being January 15, 2003.

The phrase “in a year” in clause 2.01(e) of Article 2 – Interpretation and Definitions, shall be the Employer’s fiscal year, that being April 1st to March 31st of the next year.

The phrase “actually worked” does not include hours paid but not worked, such as holiday pay, vacation pay, overtime pay, etc.

If a casual Employee actually works more than one thousand twelve hundred and fifty (1250) hours in a fiscal year, that Employee shall then become a regular Employee who will be covered by the Collective Agreement, and will have a seniority date effective upon the first (1st) day of the next pay period following which the Employee actually worked more than one thousand twelve hundred and fifty (1250) hours.

ARTICLE 18 – HOURS OF WORK AND OVERTIME

18.01 For the purpose of this Article:

“day” means a twenty-four (24) hour period commencing at 0000 hour;

“week” means a period of seven (7) consecutive days beginning at 0000 hour Monday morning and ending at 2400 hours the following Sunday night.

18.02 When hours of work are scheduled for employees on a regular basis, they shall be scheduled so that employees:

- (a) on a weekly basis – work thirty-seven and one-half (37 1/2) hours and five (5) days per week, or forty (40) hours per week for operational units, and
- (b) on a daily basis – work seven and one-half (7 1/2) hours per day, or eight (8) hours per day for operational units.

18.03 When, because of the operational requirements of the service, hours of work are scheduled for employees on a rotating or irregular basis, they shall be scheduled so that Employees work an average of thirty-seven and one-half (37 1/2) hours per week and either;

- (a) seven and one-half (7 1/2) hours per day, or eight (8) hours per day for operational units, and an average of five (5) days per week, or
- (b) upon the request of the majority of the employees affected, and with the concurrence of the employer, an average of seven and one-half (7 1/2) hours per

day or eight (8) hours per day for operational units, provided no shift in excess of twelve (12) hours is involved.

- 18.04 Notwithstanding clause 17.02, the commencement and/or end of each shift may be varied by fifteen (15) minutes to provide for the continuity and/or an appropriate length of the meal period.
- 18.05 When scheduling hours of work, the employer shall consider the wishes of the majority of employees concerned in the arrangement of shifts within a shift schedule.
- (a) Every reasonable effort shall be made by the Employer;
- (i) not to schedule the commencement of a shift within eight (8) hours of the completion of the Employee's previous shift, and
 - (ii) to avoid excessive fluctuation in hours of work, and
 - (iii) to schedule hours of work so that the work schedule shall provide an employee with one (1) weekend (Saturday and Sunday) off duty for each twenty-eight (28) day period and, where possible, the schedule may provide an employee with every second (2nd) weekend off duty, and
 - (iv) not to schedule more than eight (8) consecutive days of work, unless otherwise requested by the employees, and
 - (v) to schedule at least two (2) consecutive days of rest at a time; such two (2) consecutive days of rest may be separated by a designated paid holiday.
- 18.06 The employer shall schedule hours of work for all employees. Working schedules shall be posted at least fifteen (15) calendar days in advance of the starting date of the new schedule, and the Employer shall, where practical, arrange schedules which will remain in effect for a period of not less than twenty-eight (28) calendar days. Shifts shall be allocated on an equitable basis amongst employees governed by the same schedule.
- 18.07 An employee's scheduled hours of work shall not be construed as guaranteeing the employee minimum or maximum hours of work.
- 18.08 If an employee is given less than five (5) days advance notice of a change in his/her shift schedule, he/she will receive a premium rate of time and one-half (1 1/2) for work performed on the first shift changed. Subsequent shifts worked on the new schedule shall be paid for at the hourly rate of pay.
- 18.09 The employer agrees that before a schedule of working hours is changed, the change will be discussed with the appropriate Steward of the Alliance, if the change will affect a majority of the employees governed by the schedule.

18.10 Provided sufficient advance notice is given, and with the approval of the employer, employees may exchange shifts if there is no increase in cost to the employer.

18.11 Rest Periods

The employer shall schedule two (2) rest periods of fifteen (15) minutes each, during each full shift.

18.12 Days of Rest

Where an Employee's scheduled shift does not commence and end on the same day, such shift shall be deemed, for all purposes, to have been entirely worked;

- (a) on the day it commenced where half (1/2) or more of the hours worked fall on that day, or
- (b) on the day it terminates where more than half (1/2) of the hours worked fall on that day.

Accordingly, the first day of rest will be deemed to start immediately after midnight of the calendar day on which the Employee worked or is deemed to have worked his/her last scheduled shift; and the second day of rest will start immediately after midnight of the Employee's first day of rest, or immediately after midnight of an intervening designated paid holiday if days of rest are separated thereby.

18.13 Notwithstanding anything to the contrary contained in this Agreement, the implementation of any variation in hours (clause 18.03(b)), shall not result in any additional overtime work or additional payment by reason only of such variation, nor shall it be deemed to prohibit the right of the Employer to schedule any hours of work permitted by the terms of this Agreement.

Employees covered by clause 18.03(b), shall be subject to the variable hours of work provisions established in the master Agreement.

18.14 Assignment of Overtime Work

Subject to the operational requirements of the service, the Employer shall make every reasonable effort;

- (a) to allocate overtime work on an equitable basis among readily available qualified Employees, and
- (b) to give Employees, who are required to work overtime, adequate advance notice of this requirement.

18.15 The Alliance is entitled to consult the Chief Executive Officer or the appropriate Director whenever it is alleged that Employees are required to work unreasonable amounts of overtime.

Second or subsequent day of rest means the second or subsequent day in an unbroken series of consecutive and contiguous calendar days of rest, which may, however, be separated by a designated holiday;
 - (c) Overtime shall be compensated in cash, except where upon request of an Employee, overtime shall be compensated by leave with pay. The duration of such leave shall be equal to the overtime worked multiplied by the applicable overtime rate. Payment of such leave shall be at the Employee's straight time rate of pay, in effect on the date immediately prior to the day on which the leave is taken;
 - * (d) Compensatory leave shall be accumulated up to a maximum running balance of one hundred and twenty (150) hours. Employees having reached the one hundred and twenty (150) hours compensatory leave maximum, shall take all compensation earned in cash until the said balance is reduced to less than one hundred and twenty (150) hours;
 - (e) All hours left in the Compensatory Leave Bank at year end, shall be carried over into the following year.
- 18.17 (a) An Employee, who reports for overtime work as directed on a day of rest, shall be paid for the time actually worked, or a minimum of four (4) hours' pay at the applicable overtime rate, whichever is the greater. This clause shall only be applicable to Employees who are notified of the overtime work requirement prior to completing their last scheduled shift.
- (b) The minimum payment referred to in 18.17(a) above, does not apply to part-time Employees. Part-time Employees will receive a minimum payment, in accordance with Article 45 – Part-time Employees.

18.18 If an Employee reports back for overtime work, which is not contiguous to either,

- (a) the Employee's regularly scheduled shift on that day, or
- (b) any other period of work on that day,

the Employee shall be paid for the time actually worked, or a minimum of four (4) hours' pay at straight time, whichever is the greater. However, this clause shall be applicable only to Employees who are notified of such a non-continuous overtime requirement prior to the completion of either their regularly scheduled shift on that day, or any other period of work on that day, as applicable.

18.19 When an Employee reports to work overtime, under the conditions described in clause 18.18, and is required to use transportation services other than normal public transportation services, the Employee shall be reimbursed for reasonable expenses incurred as follows:

- (a) mileage allowance at the rate normally paid to an Employee, when authorized by the Employer, to use his/her automobile when the Employee travels by means of his/her automobile, or
- (b) out-of-pocket expenses for other means of commercial transportation.

Other than when required by the Employer to use a vehicle of the Employer for transportation to a work location other than the Employee's normal place of work, time spent by the Employee reporting to work or returning to the Employee's residence shall not constitute time worked.

18.20 An Employee is entitled to overtime compensation for each completed fifteen (15) minute period of overtime worked by the Employee.

18.21 **Rest Periods**

The Employer shall schedule two (2) rest periods of fifteen (15) minutes each, during each full shift.

Reasonable time with pay, to be determined by management, shall be allowed the Employee in order that the Employee may take a meal break either at or adjacent to the Employee's place of work.
- (b) When an Employee works overtime continuously beyond the period provided in(a) above, the Employee shall be reimbursed for one (1) additional meal in the amount of ten dollars (\$10.00)for each four (4)-hour period of overtime worked thereafter, except where free meals are provided or when the Employee is being compensated on some other basis. Reasonable time with pay, to be determined by management, shall be allowed the Employee in order that the Employee may take a meal break at the Employee's place of work.

- (c) This clause shall not apply to an Employee who is in travel status, which entitles the Employee to claim expenses for lodging and/or meals.
- 18.23 (a) Notwithstanding the provisions of this Article, Employees with the approval of the Employer, may complete their weekly hours of employment in a period other than five (5) full days provided that over a period, to be determined by the Employer, Employees work an average of forty (40) hours or thirty-seven and one-half (37 1/2) hours per week. In every such period, Employees shall be granted days of rest on days not scheduled as normal workdays for them.
- (b) Notwithstanding anything to the contrary contained in this Agreement, the implementation of any variation in hours shall not result in any additional overtime work, or additional payment by reason only of such variation, nor shall it be deemed to prohibit the right of the Employer to schedule any hours of work permitted by the terms of this Agreement.
 - (c) Any special arrangement may be at the request of either party, and must be mutually agreed between the Employer and the majority of Employees affected, and shall apply to all Employees at the work unit.

1. THIS APPENDIX B

AND

2. THE SHARED PROVISIONS CONTAINED IN THIS AGREEMENT SIGNED BY THE HOSPITAL AND PSAC ON APRIL 15 2010.

ARTICLE 6 – RECOGNITION

6.01 The Employer recognizes the Alliance as the exclusive bargaining Agent for all Employees employed as security guards by the Employer at Weeneebayko General Hospital in Moose Factory, ON, excluding the Manager, casual and term Employees.

ARTICLE 18 – HOURS OF WORK AND OVERTIME

18.01 For the purpose of this Article:

“day” means a twenty-four (24) hour period commencing at 0000 hour;

“week” means a period of seven (7) consecutive days beginning at 0000 hour Monday morning and ending at 2400 hours the following Sunday night.

18.02 The hours of work shall be five (5) consecutive days per week on a regular and non-rotating basis, the Employer shall schedule the hours of work so that the Employees work forty (40) hours per week, eight (8) hours per day Monday through Friday inclusive, between the hours of 8:00 a.m. and 5:00 p.m. and with one (1) hour for lunch.

The hours of work shall be scheduled on a rotating basis from Sunday to Saturday, between the hours of 12:00 a.m. and 11.59 p.m., excluding the Supervisor, who will work on a non-rotating basis.

18.03 The Employer will review, with the local Alliance Representative(s), any change in hours of work, which the Employer proposes to institute, when such change will affect the majority of the Employees governed by the schedule. In all cases following such reviews, the Employer will, where practical, accommodate such Employee representations as may have been conveyed by the Alliance Representative(s) during the meeting.

By mutual agreement, in writing, the Employer and the local Alliance Representative(s) may waive the application of clause 18.07.

18.04 Schedules of hours of work shall be posted at least fifteen (15) calendar days in advance of the starting date of the new schedule, and the Employer shall, where practical, arrange schedules which will remain in effect for a period of not less than twenty-eight (28) calendar days. The Employer shall also endeavour, as a matter of policy, to give an Employee at least two (2) consecutive days of rest at a time. Such two (2) consecutive days of rest may be separated by a designated paid holiday, and the consecutive days of rest may be in separate calendar weeks.

18.05 The Employer will make every reasonable effort;

- (a) not to schedule the commencement of a shift within sixteen (16) hours of the completion of the Employee's previous shift, and
- (b) to avoid excessive fluctuation in hours of work.

18.06 When an Employee's scheduled shift does not commence and end on the same day, such shift shall be deemed, for all purposes, to have been entirely worked;

- (a) on the day it commenced where half (1/2) or more of the hours worked fall on that day, or
- (b) on the day it terminates where more than half (1/2) of the hours worked fall on that day.

Accordingly, the first day of rest will be deemed to start immediately after midnight of the calendar day on which the Employee worked, or is deemed to have worked his/her last scheduled shift; and the second day of rest will start immediately after midnight of the Employee's first day of rest, or immediately after midnight of an intervening designated paid Holiday if days of rest are separated thereby.

18.07 An Employee whose scheduled hours of work are changed without forty-eight (48) hours' prior notice:

- (a) Shall be compensated at the rate of time and one-half (1 1/2) for the first full shift worked on a new schedule; subsequent shifts worked on the new schedule shall be paid for at straight time
- (b) Shall retain his/her previously scheduled days of rest next following the change, or, if worked, such days of rest shall be compensated in accordance with clause 18.13.

18.08 (a) At any location, the schedules of hours of work and attendant overtime provisions, may be varied by the Employer, following meaningful consultation with local Alliance Representatives, to allow for summer and winter hours and/or flexible hours.

(b) Within five (5) days of notification of consultation served by either party, the Alliance shall notify the Employer, in writing, of the Representative authorized to act on behalf of the Alliance for consultation purposes.

18.09 Provided sufficient advance notice is given, and with the approval of the Employer, Employees may exchange shifts if there is no increase in cost to the Employer.

18.10 The daily overtime provisions of the Agreement shall not apply to an Employee attending a training course on the instructions of the Employer, except that an Employee who performs his/her normal duties during the Employee's regular working hours, shall be paid at overtime rates for time spent after eight (8) hours' performing work while the Employee is in attendance at training sessions.

18.11 Assignment of Overtime Work

Subject to the operational requirements of the service, the Employer shall make every reasonable effort,

- (a) to allocate overtime work on an equitable basis among readily available qualified Employees, and
- (b) to give Employees who are required to work overtime adequate advance notice of this requirement.

18.12 The Alliance is entitled to consult the Chief Executive Officer or the Director of Facilities Management whenever it is alleged that Employees are required to work unreasonable amounts of overtime.

18.13 Overtime Compensation

Subject to clause 18.17, overtime shall be compensated for at the following rates:

- (a) Time and one-half (1 1/2), except as provided for in clause 17.13(b);
- (b) Double time (x2) for each hour of overtime worked after sixteen (16) hours' work in any twenty-four (24) hour period or after eight (8) hours' work on the Employee's first day of rest, and for all hours worked on the second or subsequent day of rest. Second or subsequent day of rest means the second or subsequent day in an unbroken series of consecutive and contiguous calendar days of rest, which may, however, be separated by a designated holiday;
- (c) Overtime shall be compensated in cash, except where upon request of an Employee, overtime shall be compensated by leave with pay. The duration of such leave shall be equal to the overtime worked multiplied by the applicable overtime rate. Payment of such leave shall be at the Employee's straight time rate of pay, in effect on the date immediately prior to the day on which the leave is taken;
- (d) The Employer shall grant compensatory leave at times convenient to both the Employee and the Employer;

18.18 Rest Periods

The Employer shall schedule two (2) rest periods of fifteen (15) minutes each, during each full shift.

*18.19 Overtime Meal Allowance

- (a) An Employee who works three (3) or more hours of overtime;
 - (i) immediately before the Employee's scheduled hours of work, and who has been notified of the requirement prior to the end of the Employee's last scheduled work period, or
 - (ii) immediately following the Employee's scheduled hours of work,shall be reimbursed for one (1) meal in the amount of ten dollars (\$10.00), except where free meals are provided, or when the Employee is being compensated on some other basis. Reasonable time with pay, to be determined by management, shall be allowed the Employee in order that the Employee may take a meal break either at or adjacent to the Employee's place of work.
- *(b) When an Employee works overtime continuously beyond the period provided in (a) above, the Employee shall be reimbursed for one (1) additional meal in the amount of ten dollars (\$10.00) for each four (4) hour period of overtime worked thereafter, except where free meals are provided or when the Employee is being compensated on some other basis. Reasonable time with pay, to be determined by management, shall be allowed the Employee in order that the Employee may take a meal break at the Employee's place of work.
- (c) This clause shall not apply to an Employee who is in travel status, which entitles the Employee to claim expenses for lodging and/or meals.

- 18.20
- (a) Notwithstanding the provisions of this Article, Employees with the approval of the Employer, may complete their weekly hours of employment in a period other than five (5) full days provided that over a period, to be determined by the Employer, Employees work an average of forty (40) hours or thirty-seven and one-half (37 1/2) hours per week. In every such period, Employees shall be granted days of rest on days not scheduled as normal workdays for them.
 - (b) Notwithstanding anything to the contrary contained in this Agreement, the implementation of any variation in hours shall not result in any additional overtime work or additional payment by reason only of such variation, nor shall it be deemed to prohibit the right of the Employer to schedule any hours of work permitted by the terms of this Agreement.
 - (c) Any special arrangement may be at the request of either party, and must be mutually agreed between the Employer and the majority of Employees affected, and shall apply to all Employees at the work unit.

ARTICLE 6 – RECOGNITION

6.01 The Employer recognizes the Alliance as the exclusive bargaining Agent for all Employees employed in maintenance by the Employer at Weeneebayko General Hospital in Moose Factory, ON, and at other locations in the Moose Factory Zone, namely Fort Albany, Kashechewan, Attawapiskat, and Peawanuck, excluding Superintendent of Maintenance, managers, casual and term Employees.

ARTICLE 18 – HOURS OF WORK AND OVERTIME

18.01 For the purpose of this Article:

“day” means a twenty-four (24) hour period commencing at 0000 hour;

“week” means a period of seven (7) consecutive days beginning at 0000 hour Monday morning and ending at 2400 hours the following Sunday night.

18.02 The hours of work shall be five (5) consecutive days per week on a regular and non-rotating basis, the Employer shall schedule the hours of work so that these Employees work forty (40) hours per week, eight (8) hours per day, Monday through Friday inclusive, between the hours of 8:00 a.m. and 5:00 p.m., and with one (1) hour for lunch.

18.03 The Employer will review with the local Alliance Representative(s) any change in hours of work, which the Employer proposes to institute, when such change will affect the majority of the Employees governed by the schedule. In all cases following such reviews, the Employer will, where practical, accommodate such Employee representations as may have been conveyed by the Alliance Representative(s) during the meeting.

By mutual agreement, in writing, the Employer and the local Alliance Representative(s) may waive the application of clause 18.07.

18.04 Schedules of hours of work shall be posted at least fifteen (15) calendar days in advance of the starting date of the new schedule, and the Employer shall, where practical, arrange schedules which will remain in effect for a period of not less

than twenty-eight (28) calendar days. The Employer shall also endeavour, as a matter of policy, to give an Employee at least two (2) consecutive days of rest at a time. Such two (2) consecutive days of rest may be separated by a designated paid holiday, and the consecutive days of rest may be in separate calendar weeks.

18.05 The Employer will make every reasonable effort;

(a) not to schedule the commencement of a shift within sixteen (16) hours of the completion of the Employee's previous shift, and

(b) to avoid excessive fluctuation in hours of work.

18.06 Where an Employee's scheduled shift does not commence and end on the same day, such shift shall be deemed, for all purposes, to have been entirely worked;

(a) on the day it commenced where half (1/2) or more of the hours worked fall on that day, or

(b) on the day it terminates where more than half (1/2) of the hours worked fall that day.

Accordingly, the first day of rest will be deemed to start immediately after midnight of the calendar day on which the Employee worked or is deemed to have worked his/her last scheduled shift; and the second day of rest will start immediately after midnight of the Employee's first day of rest, or immediately after midnight of an intervening designated paid holiday, if days of rest are separated thereby.

18.07 An Employee whose scheduled hours of work are changed without forty-eight (48) hours' prior notice:

(a) Shall be compensated at the rate of time and one-half (1 1/2) for the first full shift worked on a new schedule; subsequent shifts worked on the new schedule shall be paid for at straight time.

(b) Shall retain his/her previously scheduled days of rest next following the change, or, if worked, such days of rest shall be compensated in accordance with clause 17.13.

18.08 (a) At any location, the schedules of hours of work, and attendant overtime provisions may be varied by the Employer, following meaningful consultation with local Alliance Representatives, to allow for summer and winter hours and/or flexible hours.

(b) Within five (5) days of notification of consultation served by either party, the Alliance shall notify the Employer, in writing, of the Representative authorized to act on behalf of the Alliance for consultation purposes.

- 18.09 Provided sufficient advance notice is given, and with the approval of the Employer, Employees may exchange shifts if there is no increase in cost to the Employer.
- 18.10 The daily overtime provisions of the Agreement shall not apply to an Employee attending a training course on the instructions of the Employer, except that an Employee who performs his/her normal duties during the Employee's regular working hours shall be paid at overtime rates for time spent after eight (8) hours' performing work, while the Employee is in attendance at training sessions.

18.11 Assignment of Overtime Work

Subject to the operational requirements of the service, the Employer shall make every reasonable effort;

- (a) to allocate overtime work on an equitable basis among readily available qualified Employees, and
 - (b) to give Employees, who are required to work overtime, adequate advance notice of this requirement.
- 18.12 The Alliance is entitled to consult the Chief Executive Officer or the Director of Facilities Management whenever it is alleged that Employees are required to work unreasonable amounts of overtime.

18.13 Overtime Compensation

Subject to clause 18.17, overtime shall be compensated for at the following rates:

- (a) Time and one-half (1 1/2), except as provided for in clause 18.13(b);
- (b) Double time (x2) for each hour of overtime worked after sixteen (16) hours' work in any twenty-four (24) hour period or after eight (8) hours' work on the Employee's first day of rest, and for all hours worked on the second or subsequent day of rest. Second or subsequent day of rest means the second or subsequent day in an unbroken series of consecutive and contiguous calendar days of rest, which may, however, be separated by a designated holiday;
- (c) Overtime shall be compensated in cash, except where upon request of an Employee overtime shall be compensated by leave with pay. The duration of such leave shall be equal to the overtime worked multiplied by the applicable overtime rate. Payment of such leave shall be at the Employee's straight time rate of pay, in effect on the date immediately prior to the day on which the leave is taken;
- (d) The Employer shall grant compensatory leave at times convenient to both the Employee and the Employer;
- (e) *Compensatory leave shall be accumulated up to a maximum running balance of one hundred and fifty (150) hours. Employees having reached

the one hundred and fifty (150) hours compensatory leave maximum, shall take all compensation earned in cash until the said balance is reduced to less than one hundred and fifty (150) hours;

- 18.14 (a) An Employee, who reports for overtime work as directed on a day of rest, shall be paid for the time actually worked, or a minimum of three (3) hours' pay at the applicable overtime rate, whichever is the greater. This clause shall only be applicable to Employees who are notified of the overtime work requirement prior to completing their last scheduled shift.
- (b) The minimum payment referred to in 18.14(a) above, does not apply to part-time Employees. Part-time Employees will receive a minimum payment, in accordance with Article 44 – Part-time Employees.

18.15 If an Employee reports back for overtime work, which is not contiguous to either,

- (a) the Employee's regularly scheduled shift on that day, or
- (b) any other period of work on that day,

the Employee shall be paid for the time actually worked, or a minimum of four (4) hours' pay at straight time, whichever is the greater. However, this clause shall be applicable only to Employees who are notified of such a non-continuous overtime requirement, prior to the completion of either their regularly scheduled shift on that day, or any other period of work on that day, as applicable.

18.16 When an Employee reports to work overtime, under the conditions described in clause 18.15 above, and is required to use transportation services other than normal public transportation services, the Employee shall be reimbursed for reasonable expenses incurred as follows;

- (a) mileage allowance at the rate normally paid to an Employee, when authorized by the Employer, to use his/her automobile when the Employee travels by means of his/her automobile, or
- (b) out-of-pocket expenses for other means of commercial transportation.

Other than when required by the Employer to use a vehicle of the Employer for transportation to a work location other than the Employee's normal place of work, time spent by the Employee reporting to work or returning to the Employee's residence shall not constitute as time worked.

18.17 An Employee is entitled to overtime compensation for each completed fifteen (15) minute period of overtime worked by the Employee.

18.18 Rest Periods

The Employer shall schedule two (2) rest periods of fifteen (15) minutes each, during each full shift.

***18.19 Overtime Meal Allowance**

- (a) An Employee who works three (3) or more hours of overtime;
 - (i) immediately before the Employee's scheduled hours of work, and who has been notified of the requirement prior to the end of the Employee's last scheduled work period,
 - (ii) immediately following the Employee's scheduled hours of work, shall be reimbursed for one (1) meal in the amount of ten dollars (\$10.00), except where free meals are provided or when the Employee is being compensated on some other basis. Reasonable time with pay, to be determined by management, shall be allowed the Employee in order that the Employee may take a meal break either at or adjacent to the Employee's place of work.
 - (b) When an Employee works overtime continuously beyond the period provided in (a) above, the Employee shall be reimbursed for one (1) additional meal in the amount of ten dollars (\$10.00) for each four (4)-hour period of overtime worked thereafter, except where free meals are provided or when the Employee is being compensated on some other basis. Reasonable time with pay, to be determined by management, shall be allowed the Employee in order that the Employee may take a meal break at the Employee's place of work.
 - (c) This clause shall not apply to an Employee who is in travel status, which entitles the Employee to claim expenses for lodging and/or meals.
- 18.20
- (a) Notwithstanding the provisions of this Article, Employees with the approval of the Employer, may complete their weekly hours of employment in a period other than five (5) full days, provided that over a period, to be determined by the Employer, Employees work an average of forty (40) hours or thirty-seven and one-half (37 1/2) hours per week. In every such period, Employees shall be granted days of rest on days not scheduled as normal workdays for them.
 - (b) Notwithstanding anything to the contrary contained in this Agreement, the implementation of any variation in hours shall not result in any additional overtime work or additional payment by reason only of such variation, nor shall it be deemed to prohibit the right of the Employer to schedule any hours of work permitted by the terms of this Agreement.
 - (c) Any special arrangement may be at the request of either party, and must be mutually agreed between the Employer and the majority of Employees affected, and shall apply to all Employees at the work unit.

ARTICLE 29 – TRAVEL BETWEEN WORK SITES

29.01 When an Employee is required to perform work at other than his normal workplace, and the Employee's status is such that the Employee is not entitled to claim expenses for lodging and meals, the Employer shall provide transportation or mileage allowance, in lieu for travel between the Employee's normal workplace and any other workplace(s).

All of the foregoing duties must have the prior approval of the Employer before work is commenced.

All newly hired Employees will be considered on probation for a period of up to one (1) working year. Employment, during probation, will be credited to the Employee for the calculation of continuous employment and seniority.

A probationary period will only apply upon initial appointment to the Weeneebayko Health Ahtuskaywin.

During the probation period, the Employee will be provided with orientation, training and guidance. This is to ensure that he/she understands his/her job duties and the Employer's performance requirements. Not later than the mid-point of his/her probationary period, the Employee will have his/her job performance evaluated in accordance with Article 35 – Performance Review and Employee Files, of the Collective Agreement.

The Employee will be given written notification of the successful completion of his/her probationary period.

A newly hired Employee may have his/her employment terminated for just cause if he/she is found to be unsuitable for continuing employment. In determining the suitability of employment of a probationary Employee, only factors that can reasonably be expected to affect work will be evaluated.

In the case of a subsequent appointment to another position, a three (3) month trial period will be in effect, during which time the Employee who has moved to the new position and who does not wish to remain in that position or does not satisfy the job requirements of that position, will be returned to the former position. Any other Employees, whose positions were changed as a result of the selection process, shall also be returned to their former positions.

Every Employee, terminated by reason of rejection on probation, shall be given a two (2)-week paid notice period.

47.02 Definition of Seniority

Full-time Employees shall accumulate seniority on the basis of their continuous service in the bargaining unit from the last date of hire, except as otherwise provided herein.

Seniority will operate on a bargaining unit wide basis. Part-time Employees, including casual Employees, will accumulate seniority on the basis of one (1) year's seniority for each one thousand nine hundred and fifty (1950) hours worked (2080 for operations persons) in the bargaining unit as of the last day of hire, except as otherwise provided herein.

47.03 **Loss of Seniority**

An Employee shall lose all seniority and service, and shall be deemed to have been terminated if he/she:

- (b) is discharged and not reinstated through the grievance/arbitration procedure;
- (c) is retired;
- (d) has been laid off for more than twelve (12) months;
- (e) is absent due to illness or disability for a period of five (5) or more consecutive working days, without notifying the Employer of such absence and proving to the Employer a satisfactory reason;
- (f) is absent due to illness or disability for a period of thirty (30) calendar months from the time the disability or illness commenced.

47.04 **Effect of Absence**

- (a) It is understood that during an approved unpaid absence, not exceeding thirty (30) continuous calendar days, or any approved absence paid by the Employer, both seniority and service will accrue.
- (b) During an unpaid absence exceeding thirty (30) continuous calendar days, credit for service for purposes of salary increment, vacation, sick leave, or any other benefits under any provisions of the Collective Agreement or elsewhere, shall be suspended for the period of the absence in excess of thirty (30) continuous calendar days, the benefits concerned appropriately reduced on a pro rata basis and the Employee's anniversary date adjusted accordingly. In addition, the Employee will become responsible for full payment of subsidized Employee benefits in which he/she is participating for the period of absence, except that the Hospital will continue to pay its share of the premiums up to eighteen (18) months while an Employee is in receipt of W.S.I.B. benefits. The Employer will continue to pay its share of the premiums from the commencement of the leave while an Employee is on maternity, adoption, and/or parental leave. Service shall accrue from the commencement of the leave if an Employee is on maternity, adoption, and/or parental leave. Notwithstanding this provision, service shall accrue for a period of fifteen (15) weeks if an Employee's absence is due to a disability resulting in W.S.I.B. benefits.
- (c) It is further understood that during an unpaid absence, credit for seniority for purposes of promotion, demotion, transfer, or lay off shall be suspended and not accrue during the period of absence. Notwithstanding this provision, seniority shall accrue during maternity, adoption, and/or

parental leave, or for a period of eighteen (18) months if an Employee's absence is due to a disability resulting in W.S.I.B. benefits or LTD benefits, or for a period of one (1) year if an Employee's unpaid absence is due to an illness.

47.05 Transfer and Seniority Outside the Bargaining unit

Effective for Employees transferred out of the bargaining unit:

Such Employees on temporary assignments shall remain members of the bargaining unit.
- (b) An Employee, who is transferred to a position outside the bargaining unit, shall not, subject to (c) below, accumulate seniority.
