Ms. Jackie Simpson
President
Union of Northern Workers
SUITE 200 5112 nd STREET

Dear Ms. Simpson:

1989/99 Collective Bargaining

I am replying to your letter of January 5, 1999.

We would be pleased to provide you with five more complete copies of the Job Evaluation Manual. Copies are being made and will be delivered to your office as soon as the work is completed.

You already have a complete copy of the Job Evaluation Manual. Our records show that we provided you a complete copy in March of 1998. However, we did not keep a replica on our bargaining file and it was not until December 12, 1998 that we were informed that the benchmark job descriptions may not have been received. We have kept an exact replica of the complete Job Evaluation Manual that was provided to Mr. Chris Jones during collective bargaining at 2:00pm on December 13, 1998.

In your letter you made reference to accompanying rationales. It was not our intention to include rationales in the Job Evaluation Manual for benchmark positions. An interdepartmental Job Evaluation Committee selected the benchmark positions. The criteria for benchmark positions were that: (1) Positions be clearly described and well understood, (2) Positions be the same as or similar to other positions within the organization, and (3) There be a clear consensus on the evaluation result for each selected position. We have done some preliminary work in developing a possible executive summary or "rationale" for each benchmark position for use on HR Expert for quick reference and audit review purposes. However, it was not our intention to include these in the Manual. We want to ensure that the Departmental Job Evaluation Committees make their evaluation decisions based on a thorough understanding of the benchmark job description rather than rely on an executive summary.

-2-

In your letter you mentioned that you need to examine the evaluation results for benchmark positions before you can agree that the results are gender-neutral. You were given all the information that the GNWT advisors used in their analysis. You had access to job evaluation specialists with PSAC to do the analysis and you had access to your members to verify job content. You had access to this office to obtain additional information and to clarify any of the information that we had provided. We even offered a process for a joint review of the benchmark positions that you accepted but later decided not to attend. We were very surprised to find out during mediation that your Job Evaluation and legal advisors had not provided you with any analysis of this information. Indeed, it was evident during mediation that your Job Evaluation Advisor had not so much as examined the Job Evaluation Manual that you had forwarded to him in March of 1998.

In Mediation, rather than dwell on why you had not arranged for your own analysis of the Job Evaluation Manual and job evaluation results, we focused on trying to find contract language that would enable us to conclude a collective agreement that we could recommend to our principals for ratification. The contract language that we had proposed for Article 36 and the Job Evaluation Review Memorandum which was amended by the Mediator provides a process for resolving any disputes that may arise concerning any job evaluation result including the results for benchmark positions. The proposed contract language provides the ability for the parties to add new benchmark positions to the Job Evaluation Manual.

We would hope that it is the union's intention to do its own comprehensive analysis of the information provided to satisfy itself that the job evaluation results for benchmark positions are gender neutral. The proposed contract language provides a process for the union and employees to select any position including any benchmark position where there may be concerns warranting a joint and, if necessary, an independent and binding review. The proposed contract language provides flexibility for the parties to agree that all benchmark evaluations submitted for an independent review be decided by the same independent person or even by the same Board members.

.../3

The types of issues you raised appear to be administrative and can be dealt with during the term of the Collective Agreement either by the parties or by the joint review and independent review boards. I hereby give you our assurance that the GNWT will not oppose any request by the UNW for a joint and independent review of any benchmark position.

It is now up to the UNW to decide whether to also accept the Mediator's recommendation and submit the proposed Collective Agreement to employees for ratification.

Dear Mr. Hunt:

Re: 1998/99 Collective Bargaining

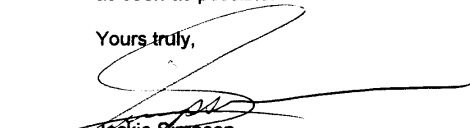

I have received your letter of January 4, 1999 addressed to myself and Doug Workman. We too have received the Mediator's Report dated December 31, 1998 and the UNW negotiating team is in the process of reviewing it in order to respond to your letter.

In the meantime, there is an issue which we should discuss as it relates to the proposed job evaluation system and the GNWT Job Evaluation Manual. As we discussed on December 20, 1998, we have not received a complete copy of the Job Evaluation Manual including all of the benchmarks and accompanying rationales. As Mr. Jolliffe has accepted in his Report, it is impossible for us to agree that the Manual and benchmarks are valid until we have had an opportunity to review them. As a result, would you please provide us with five copies of the complete Job Evaluation Manual as soon as possible.

In addition, in accord with the discussions between us, in order for the job evaluation appeal process under Article 36 of the collective agreement to ensure gender neutral job evaluations, we must agree on some process to resolve disputes respecting the benchmarks themselves. Any suggestions you have would be appreciated, although it seems to make sense that a single decision-maker rule on all benchmark disputes. Obviously, until we receive the complete Manual and all benchmarks, we cannot estimate the number of benchmark positions which will, in fact, be in dispute.

As we are all anxious to wrap up this round of bargaining, I would appreciate hearing from you as soon as possible.

Yours truly,

Jackie Simpson

Where this occurs, the employee's salary review date shall be changed to the effective date of the promotion.

- (5) Where an employee is not granted a pay increment on the day on which a pay increment would otherwise become due to him/her, a pay increment may become due to him/her six (6) months after the month he/she would have been due to have been granted a pay increment, or the Employer may defer the pay increment for a period of twelve (12) months after the month he/she would have been due to have been granted a pay increment, at which time the employee shall be entitled to the withheld pay increment in addition to the current pay increment should performance be deemed to meet the required standard.

Basic assistance, as outlined above, will be paid to employees who request Education Leave to further their post-secondary education with the objective of obtaining qualifications that are generally relevant to present or future requirements of the Territorial Public Service.

- (b) Education Leave with Partial Allowance in Lieu of Salary

A minimum allowance equivalent to 50% (fifty percent) of present salary will be paid to a candidate, when, in order to make the most economical use of existing manpower and to capitalize on accumulated experience, knowledge and capability, a Deputy Head selects the employee to meet an identified need rather than recruit outside the Territorial Public Service.

Recognizing that 50% (fifty percent) of salary may prove a financial burden to employees who will be continuing their studies beyond a one (1) year program, a 10% (ten percent) increase will be added to the allowance in lieu of salary in each consecutive year of study, up to a maximum of 80% (eighty percent).

(c) Education Leave With Full Allowance in Lieu of Salary

An allowance equivalent to 100% (one hundred percent) of present salary will be paid to employees on Education Leave, when:

- (i) An employee whose skills become technically obsolete requires retraining to satisfactorily carry out his/her work.
- (ii) An employee agrees to undertake a full course of studies at the request of his/her Deputy Head when qualified persons cannot be recruited to carry out essential work.

ADMINISTRATION PROCEDURES

- 47.05 (a) Applications for Education Leave will be accepted by the Employer between January 1st and February 15th of each calendar year. The Employer will also receive applications between September 15th and September 30th, for employees who wish to begin Education Leave during the winter session of the university year.
- (b) Each application will include details of courses sought and the full intended length of Education Leave. The application must be endorsed by the Deputy Head of the sponsoring Department and forwarded to the Employer to be screened and processed.
- (c) The Deputy Head of the sponsoring Department must guarantee a position within the Department, or have a guarantee from a Deputy Head of another Department for a position, at a level not lower than the one presently held, to which the employee will be assigned upon return from Education Leave.
- (d) Prospective applicants will be interviewed by a Review Board, comprised of the Deputy Secretary of Human Resource Management or his delegate and the Deputy Head of the sponsoring Department, to determine justification for the leave and the level of assistance sought.
- (e) Travel costs and arrangements for the initial interview will be the responsibility of the sponsoring Department.

- (f) The Minister of Education, Culture and Employment will forward the recommendation of the Review Board to the Executive Council for approval of:
 - (i) the granting of the leave;
 - (ii) the level of assistance to be paid.
- (g) Education Leave will be granted on a one year basis. A program of studies that requires a longer term will be resubmitted annually between January 1st and February 15th. This provision will provide the opportunity for counselling, and to assess whether satisfactory progress is being made in the studies undertaken. It will also provide the Deputy Head with the opportunity to re-evaluate departmental needs in line with reorganization or other considerations.
- (h) Successful applicants will be required to sign and abide by the terms and conditions of the Leave of Absence Agreement with the Employer.
- (i) Proof of acceptance at a recognized university or community college must be submitted, along with a course outline, before proceeding on Education Leave.
- (j) Documentation and removal arrangements will be coordinated by the Employer.
- (k) Employees recommended for a consecutive year of Education Leave will normally return to regular work assignments between academic years. Travel costs and housing accommodation for temporary work assignments will be provided by the Employer and allowed at single status only.
- (l) Employees on Education Leave cease to earn leave credits, except for any period of temporary employment.
- (m) Deductions based on earnings will drop correspondingly with reduced earnings. However, superannuation deductions will be based on the full salary for the position held by the employee while on Education Leave, and will be recovered in equal instalments over a period equal to the absence.

47.06 Where a request for leave under this Article has been submitted by an employee, the Employer shall, within a reasonable period from the date of the employee's submission, advise the employee whether his/her request has been approved or denied.

- 48.02 Such leave shall be based on an appraisal of the present and future job requirements and the qualifications of the employee applying therefor and shall be granted only to meet the identified needs.
- (a) Full or partial financial assistance in respect of salary, tuition, travelling and other expenses may be granted during such leave:
- (i) where the employee has become technically obsolete and requires retraining to satisfactorily carry out the work; or
- (ii) where the courses are required to keep the employee abreast of new knowledge and techniques in his field of work **or to maintain certification**; or
- (iii) where qualified persons cannot be recruited to carry out essential work and it is necessary to train present employees.

- 48.05 An employee who attends a recognized educational institution in order to remain certified in a professional occupation, when such certification is required by law and used in the normal course of employment, shall be granted leave with pay. The Employer will reimburse the employee any registration or tuition fees incurred by the employee and all travel expenses in accordance with Article 45 of the Agreement.

ARTICLE 49

DEFERRED SALARY LEAVE PLAN

- 49.01 The deferred salary leave plan enables employees to take six months or one year of leave from the Public Service and to finance this leave through a deferral of salary in previous years.
- 49.02 Under this plan, participating employees agree to defer a portion of their salary for four or four and one half consecutive years and the Employer agrees to grant the employee leave in the fifth year or the last six months of the fifth year, and to use the amounts deferred in the previous four or four and one-half years to pay the employee's salary during the period of the leave. Participation in the plan is subject to operational requirements.
- 49.03 During the period of leave, employees may engage in whatever activities they wish.
- 49.04 The individual plan for each participating employee is a six year period consisting of the following:
- (1)
 - (a) The first four consecutive years during which the employee draws 80% of salary earned in each of the four years and defers the remaining twenty percent 20%;
 - (b) The fifth consecutive year in which the employee takes the leave, and is paid from the amounts deferred above plus any interest earned on the deferred funds; and
 - (c) The sixth consecutive year in which the employee returns to employment with the Public Service of the Northwest Territories for a minimum of one year;
- or,
- (2)
 - (a) The first four consecutive years and six consecutive months during which the employee draws 90% of salary earned in each of the four years and six months and defers the remaining 10%;

- (b) The last six consecutive months of the fifth consecutive year in which the employee takes the leave, and is paid from the amounts deferred above plus any interest earned on the deferred funds; and
 - (c) The first six consecutive months of the sixth consecutive year in which the employee returns to employment with the Public Service of the Northwest Territories for a minimum of six months.
- 49.05 Participation can begin at any time during the year.
- 49.06 There is no maximum number of employees allowed to enter the plan.
- 49.07 Deputy Heads ensure that approved leaves do not impair the future operation of their Department.
- 49.08 Employees make written application to their Deputy Head. Applications should state the proposed start of the salary deferral and the proposed period of leave.
- 49.09 The Deputy Head reviews the application and the requirements of the Department and notifies the employee and the Financial Management Board Secretariat at least six weeks prior to the start of salary deferral.
- 49.10 Each participant will sign an agreement covering the details of the plan.
- 49.11 In each year of the plan preceding the period of the leave, the employee will be paid 80% or 90% of the applicable salary. The remaining 20% or 10% of salary will be deferred and this amount will be retained in trust by the Employer to finance payments during the period of leave.
- 49.12 The deferred salary will be placed in a trust fund by the Government and any returns on the investment of the trust will be used to pay the participant during the period of leave.
 - (a) The money held in trust will be pooled with other Government funds and the employee will be credited with the average rate of return on those funds.
 - (b) Investments will be restricted to those eligible under Section 57(1) of the Financial Administration Act.
 - (c) A statement of the individual's account will be provided at each anniversary of the plan. Each year T-5's will be produced, showing the taxable income from the funds.
- 49.13 During the period of leave, the participant shall receive, if on a one year leave, one twenty sixth or, if on a six month leave, one thirteenth of the amount

deferred plus any trust fund returns in each pay period, less applicable deductions. No additional payments to the participant can be made such as loans, subsidies, allowances or salary.

- 49.14 Income tax will be deducted in accordance with the provisions of the Income Tax Act and its Regulations.
- 49.15 During the first four or four and one-half years of the plan, the Employer shall provide employee benefits at a level equivalent to 100% of salary. Benefits and premium recoveries for the period of leave will be governed by the rules for Leave Without Pay. All benefits cease except Public Service Health Care Plan, superannuation, supplementary death benefit, disability insurance, and dental coverage. Premiums for these plans are payable by the employee. Arrangements can be made to have deductions from pay for some of these benefits.
- 49.16 Upon return from leave, the Department will, wherever possible, place the employee in the position held at the commencement of the leave. Where this is not possible, the employee will be placed in an agreed upon equivalent position. If the employee's position is deleted from the establishment while the employee is on leave, the employee will be entitled to the same rights and benefits had the employee been in the position when it was deleted.
- 49.17 Returning employees will have their salary review date moved in accordance with 24.10(3).
- 49.18 The Employer shall cancel participation in the plan and shall refund, within 60 days, the total of the deferred salary plus earnings from the plan, if the employee dies or employment is otherwise terminated.
- 49.19 Where operational requirements would not be met if the employee proceeded on leave in the fifth year, or where exceptional changes in personal circumstances make the leave unfeasible, the Employer will give the employee the choice of the following:
- (a) withdrawing from the plan and taking a refund of the total in the deferred salary account; or
 - (b) deferring the period of leave to either the sixth or seventh consecutive year or to some other mutually agreeable time.

 - (b) The Government shall pay any damages or costs awarded against any such employee in any such action or proceedings and all legal fees;
 - (c) The Government shall pay any sum required to be paid by such employee in connection with the settlement of any claim made against such employee if such settlement is approved by the Government through the Deputy Head before the same is finalized; provided the conduct of the employee which gave rise to the action did not constitute a gross disregard or neglect of his/her duty as an employee;
 - (d) Upon the employee notifying the Government in accordance with paragraph (a) above, the Government and the employee shall forthwith meet and appoint counsel that is mutually agreeable to both parties. Should the parties be unable to agree on counsel that is satisfactory to both, then the Government shall unilaterally appoint counsel. Because of this, Wildlife Officers are allowed flexibility in scheduling their work week on an irregular basis to meet operational requirements.
- A1.02
- (1) As a means of compensating Wildlife Officers for any extra days worked as a result of their irregular work schedule, the Employer agrees that where a Wildlife Officer works in excess of the normal work days in a month, he/she shall be entitled to a compensatory day off with pay for each extra day worked.
 - (2) These compensatory days must be taken at a time mutually agreeable to both the employee and the Employer, and they must be used in the same fiscal year in which they are earned.
 - (3) At the end of the fiscal year, those accumulated days which the employee has been unable to use will be liquidated in cash, at the normal daily rate of pay, up to a maximum of fifteen (15) days. If the employee has accumulated more than fifteen (15) days, those days in excess of fifteen (15) lapse. Under no circumstances will an employee be paid out for more than fifteen (15) days at the end of the fiscal year and there shall be no carry over of those days from one fiscal year to the next.

During this meal period the officers may be away from their place of duty, but not off the premises, providing at least two (2) officers, one being the Control Officer, remain on duty at all times. This latter requirement will not apply to the midnight to morning shift.

- **Cognitive Know-How:** The depth and breadth of specialized/technical knowledge and skills required in application of practical procedures, specialized techniques or scientific/professional discipline.
- **Managerial Know-How:** Knowledge and skill required for integrating and harmonizing activities, resources and functions involving some combination of planning, organizing, integrating, coordinating, evaluating, staffing, directing and/or controlling.
- **Human Relations Know-How:** Active, person to person skills needed in the area of human relationships.

GUIDE CHART FOR EVALUATING PROBLEM SOLVING

DEFINITION: Problem Solving measures the extent to which assistance or guidance in terms of instruction, procedures and guidelines is available and the activities required to resolve various situations. Problem Solving has two dimensions:

- Thinking Latitude - The extent to which assistance or guidance is available from others or from past practice and precedents.
- Situational Challenges - The nature of the problem encountered and the process used to resolve the problem.

N.B. The evaluation of Problem Solving should be made without reference to the job's freedom to make decisions or take action; this is measured on the Accountability Chart.

MEASURING PROBLEM SOLVING: All thinking requires the presence of knowledge in the form of facts, principles, procedures, standards, concepts, etc. This is the raw material to which the thinking processes are applied.

Problem Solving measures the degree to which thinking processes must be applied to the required knowledge in order to obtain the results expected of the job.

To the extent that thinking is limited or reduced by job demands or structure, covered by precedent, simplified by definition, or assisted by others, Problem Solving is diminished and results are obtained by the automatic application of skills rather than by the application of the thinking processes to knowledge.

		●● SITUATIONAL CHALLENGES								
		1. REPETITIVE	2. PATTERNED	3. INTERPOLATIVE	4. ADAPTIVE	5. UNCHARTED				
		Identical situations requiring resolution by simple choice of known things.	Similar situations requiring resolution by discriminating choice of known things.	Differing situations requiring search for solutions within area of known things.	Variable situations requiring analytical, interpretative, evaluative, and/or constructive solutions.	Novel or non-recurring path-finding situations requiring the development of new concepts and imaginative approaches.

Definition: Accountability is the answerability for action and for the consequences thereof. It is the measured effect of the job on end results. It has three dimensions in the following order of importance:

- **Freedom to Act** — The degree to which answerability for action and associated consequences is governed by supervisory or procedural control. The higher the level of this control, the lower the freedom to act.
- **Job Impact on End Result** — The degree of control the position has over the magnitude for which the job is accountable.
- **Magnitude** — The quantitative component for which the job is held accountable usually gauges the degree to which the organization is affected by the achievement of the job results.

IMPACT: The degree of control exercised by the position over the magnitude for which the job is accountable.

A — Ancillary: The degree of control over magnitude is indirect and minimal. Position tends to involve the processing or collection of information or provides service for use by others in achieving results.

C — Contributory: The degree of control over the magnitude is indirect. Work involves interpretive, facilitative, advisory or other supporting services for use by others in achieving results.

S — Shared: The degree of control over the magnitude is direct and shared equally and jointly with other peer level positions.

P — Primary: The position has a controlling impact on end results of a given magnitude. Is the sole position answerable for these results.

GENERAL:

Working Conditions as a compensable factor is a measure of the type of conditions, in terms of frequency and duration of occurrence, under which the job must be performed. Working Conditions has four sub factors.

GUIDE CHART FOR EVALUATING WORKING CONDITIONS

- **Physical Demands:** This factor measures frequency and duration, or any *combination*, of the physical effort required by the job.

Examples of these activities include: lifting, carrying or moving material, people or objects, stretching, pulling, pushing, climbing, walking, sitting, standing, and/or working in awkward positions, or other unusual circumstances.

- **Environmental Conditions:** This factor measures the frequency and duration of exposure to adverse environmental conditions that cannot be controlled by the employee or the GNWT.

Examples of these include: toxic or unpleasant fumes, extremes of temperature, loud noise, vibration, dirt, dust, and unavoidable exposure to hazardous substances, equipment, and/or situations, infections, diseases, inclement weather, disruptions caused by work schedules and travel requirements.

- **Sensory Demands:** This factor measures the frequency and duration of sensory demands required by the job.

Examples include: the requirement for coordination, agility and dexterity of the senses, spatial acuity, judgments through senses of touch, smell, sight, sound, speed and accuracy.

- **Mental Demands:** This factor measures the frequency and duration of the mental demand required by the job.

Examples of such factors include: periods of concentration, attention to detail, dealing with unknown factors, monotonous aspects of work, interruptions, distractions or confusing influences, uncontrolled workflow and overlapping demand, exposure to emotionally disturbing experiences.

This benefit will apply to injury sustained by an employee anywhere in the world while on the business of the Employer and during the course of any bona fide trip made by the employee including incidental personal travel connected therewith. Such trip shall be deemed to have commenced when the employee leaves his/her residence or place of regular employment for the purpose of going on such trip, whichever last occurs, and shall continue until such time as he/she returns to his/her residence or place of regular employment, whichever first occurs.

The term "while on the business of the Employer" as used herein means while on assignment by or at the direction of the Employer for the purpose of furthering the business of the Employer. The employee must submit a request to the Deputy Head. If approved, the employee must then submit an application (Pilot's Report) to the Insurer through the Insurance Analyst, Department of Finance. If the Insurer accepts the application, the employee's name will be added to the policy for coverage and the employee will be covered for all future flights.

However, it will still be necessary on future flights to obtain the Deputy Head's approval before using a privately owned aircraft for duty travel.

The above stated indemnities do not apply to any loss, fatal or non-fatal, caused or contributed to by:

- (a) suicide or self-destruction, or any attempt thereat, while sane or insane;
- (b) declared or undeclared war or any act thereof;

The indemnities set forth in this policy are in addition to any other benefits which may be payable by the Government of the Northwest Territories or by any insurance plan or scheme in which the Government participates with the employees.

ADMINISTRATION

When a loss occurs, claim forms may be obtained from the Labour Relations and Compensation Services Division of the Financial Management Board Secretariat. Completed claim forms will be submitted to the Insurer who will assess the claim.

In paying any claim, the Insurer will issue a cheque directly to the employee or to the employee's estate.

It is understood that the following is to provide for the interpretation and administration of Article 19.09 as it applies to Corrections Officers and Child Care Workers.

Except as provided herein the provisions of the Collective Agreement shall apply.

The parties to the Collective Agreement recognize that by allowing an employee to use four (4) special leave days at a time specified by the affected employee, Article 19.09 will provide for a degree of relief from stress caused by shiftwork and standby. The parties agree that the Hay Job Evaluation guide charts when used in conjunction with benchmark positions either set out in the Job Evaluation Manual or to be included therein, must be such as to provide for gender neutral job evaluations. The parties also agree that the job evaluation appeal process under Article 36 of the Collective Agreement has been devised to provide a joint and independent process for ensuring that each individual job evaluation result is gender-neutral.

Therefore, the parties agree to the following process:

If the results are not accepted, the original appeal or a new appeal as applicable will be decided under Article 36.04.
