ARTICLE 1 - PURPOSE

1.01 The purpose of the agreement is to establish an orderly collective bargaining relationship between the Hospital and all employees represented by the Union which will not interfere with the successful operation of St. Michael's Hospital as a public service institution intended to provide the best possible hospital and clinical services to its clients.

ARTICLE 2 - SCOPE AND RECOGNITION

2.01 The Hospital recognizes the Service Employees International Union, Local 204, as the sole collective bargaining agent for all employees of St. Michael's Hospital, save and except professional medical staff, graduate nursing staff, undergraduate nurses, graduate pharmacists, graduate dietitians, student dietitians, technical and professional personnel, supervisors, persons above the rank of supervisor, office and clerical staff, and persons for whom any trade union held bargaining rights as of January 13, 1997.

The Hospital undertakes that it will not enter into any other agreement or contract with employees represented by the Union either individually or collectively, which will conflict with the provisions of this agreement.

2.02 Each of the parties hereto agrees that there will be no discrimination, interference, restraint or coercion exercised or practiced upon any employee because of membership or lack of membership in the Union which is hereby recognized as a voluntary act on the part of the individual concerned.

ARTICLE 3 - MANAGEMENT RIGHTS

3.01 The Union recognizes that management of the Hospital and the direction of the working force are fixed exclusively in the Hospital and shall remain solely with the Hospital except as specifically limited by an express provision of this agreement. Without restricting the generality of the foregoing, the Union acknowledges that it is the exclusive function of the Hospital to:

- (a) Maintain order, discipline and efficiency;
- (b) Hire, assign, retire, discharge, direct, promote, demote, classify, transfer, layoff, recall and suspend or otherwise discipline employees, provided that a claim by an employee who has acquired seniority standing, that he or she has been discharged or disciplined without just cause may become the subject of a grievance and may be dealt with as hereinafter provided;
- (c) Determine, in the interest of efficient operation and the highest standard of service, the number of personnel required, qualifications for positions, the assignment of working hours, the services to be performed and the methods, procedures, facilities, and equipment to be used in connection therewith;
- (d) Make from time to time, and enforce rules and regulations to be observed by employees, provided that such rules and regulations shall not be inconsistent with the provisions of this agreement.

3.02 The Hospital agrees that these rights will not be exercised in a manner inconsistent with the other provisions of this collective agreement.

ARTICLE 4 - DEFINITIONS

4.01 Temporary Employees

- (a) Employees may be hired for a specified term, not to exceed six (6) months, to replace an employee on leave or to perform a special non-recurring task. This term may be extended a further six (6) months on mutual agreement of the Union, employee and Hospital or by the Hospital on its own up to 12 months where the leave of the person being replaced extends that far. The period of employment of such persons will not exceed the absentee's leave. The release or discharge of such persons shall not be the subject of a grievance or arbitration.

This clause would not preclude such employees from using the job posting provision under the collective agreement and any successful applicant who has completed his/her probation will be credited with the appropriate seniority.

The Hospital will outline to employees selected to fill such temporary vacancies and the Union the circumstances giving rise to the vacancy, and the special conditions relating to such employment.

- (b) Where so designated, a temporary employee hired for the purpose of maternity, parental and/or adoption leave replacement may work the full cumulative period of such leave without the need for union agreement for extension after six (6) months.

4.02 Definitions

- (a) A full-time employee is an employee who is regularly scheduled to work the normal hours of work as set out in Article 16.
- (b) A regular part-time employee is an employee who regularly works less than the normal full-time hours and who offers to make a commitment in response to a posting to be available for work on a regular predetermined basis. This includes commitments made through a process of self-scheduling. Regular part-time employees may also make themselves available for relief shifts.

Other part-time employees who do not offer to make a commitment in response to a posting to be available for work on a regular predetermined basis are casual employees.

The Hospital shall not refuse to accept an offer from an employee to make a commitment to be available for work on a regular predetermined basis solely for the purpose of utilizing casual employees so as to restrict the number of regular part-time employees.

This definition describes the current scheduling practice and is not intended to change the status of any regular part-time employees to casual part-time.

- (c) Wherever the term "part-time" is used in this collective agreement, it means both regular part-time and casual employees, unless specifically stated otherwise.

4.03 "Days" in this collective agreement shall mean calendar days unless indicated otherwise.

ARTICLE 5 - UNION MEMBERSHIP

5.01 Union Dues

- (a) As a condition of employment, the Hospital agrees to deduct from the first pay of each month from each employee in the bargaining unit, commencing in the month following the month in which they were hired, an amount equal to the union dues as certified from time to time by the Service Employees International Union, Local 204. The Hospital shall remit the sum deducted to the Secretary-Treasurer of the Local Union by the end of each month if practicable.. The sum remitted shall be accompanied by a list of names of the employees from whom the dues were deducted.
- (b) The Union will indemnify and save the Hospital harmless from any and all claims made by employees for amounts deducted from the employee's pay pursuant to this Article.

5.02 Interview Period

It is agreed that arrangements will be made for a Union representative to interview new employees in the month following her/his initial hire date, for the purpose of informing such employees of the existence of the Union in the Hospital and the benefits accruing from membership in the Union. The Hospital shall advise the Union monthly as to the names of the persons listed for interview, and time and place designated for each such interview, the duration of which shall not exceed fifteen (15) minutes. The Hospital may, if it so desires, have a representative at any such

interview. Where practical, such interview may be scheduled to coincide with the Hospital's monthly orientation program.

5.03 Addresses

The Hospital will provide the addresses of all current bargaining unit members to the Union within 30 days of issuance of the award. The Hospital will provide to the Union the address of each new employee when hired.

5.03 Seniority Lists

The Hospital agrees to provide the Union, as soon as practicable after the date of signing of this agreement, with a list showing the date on which each employee who has completed the probationary period last commenced employment with the Hospital. The Hospital further agrees to provide the Union with a copy of a seniority list as of the first day of May and November during the term of this agreement. Copies of such seniority lists will be posted on the bulletin boards as provided by the Hospital. For purposes of convenience, the Hospital shall post separate seniority lists for part-time employees expressed in hours worked. When it is necessary to apply seniority, the formula in Article 9.03 shall apply.

Employees who believe their seniority is not correct may grieve, providing such grievance is filed within thirty (30) days from the date the list was posted. After such time, the list shall be deemed correct for all purposes until a new list is posted. Subsequent challenges to the list can only relate to changes which have occurred since the last list was posted.

ARTICLE 6 - NO STRIKES OR LOCKOUTS

6.01 There shall be no strikes or lockouts so long as this Collective Agreement continues to operate. The word "strike" and

the word "lockout" shall have the meaning as set forth in the Labour Relations Act, as amended from time to time.

ARTICLE 7 - UNION REPRESENTATION

7.01 Union Stewards

- (a) The Hospital agrees to recognize four (4) union stewards and a chief steward, to be elected or appointed from amongst employees in the bargaining unit who have completed their probationary period, for the purpose of dealing with grievances as provided under this collective agreement.
- (b) The Union shall advise the Hospital in writing, of the names of the union stewards appointed or selected under this article as well as the effective dates of their respective appointments.
- (c) The Union acknowledges that its representatives are expected to perform their regular duties and that so far as is practicable, all union activity shall be conducted outside of regular working hours; further, no employee shall engage in any union activity during regular working hours except as provided by this agreement, and that:
 - (i) such persons shall not leave their regular duties without obtaining permission from their supervisor who will be given a reasonable explanation for the requested absence. Such permission shall not be unreasonably withheld.
 - (ii) when resuming their regular duties after engaging in duties on behalf of the union, they will report to their supervisor immediately upon their return;
 - (iii) any union representative who is privileged by this agreement to take up union business in a department other than his or her own, will also report to the supervisor of that department at that time;

(iv) a union steward shall suffer no loss of earnings for time spent in performing the above duties during his or her regular working hours.

7.02 Local Negotiating Committee

(a) The Hospital agrees to recognize a negotiating committee comprised of three (3) members to be elected or appointed from amongst employees in the bargaining unit who have completed their probationary period.

(b) The Hospital agrees that the members of the negotiating committee shall suffer no loss of earnings for time spent during their regular scheduled working hours in attending such negotiating meetings with the Hospital up to, but not including, arbitration.

(c) Nothing in this provision is intended to preclude the union negotiating committee from having the assistance of a representative of the union who is not an employee of the Hospital, when negotiating with the Hospital.

7.03 Union/Management Committee

The Hospital and the Union agree to convene and maintain a Union/Management Committee comprised of three (3) representatives of the Union, one (1) of whom shall be the chief steward or his or her appointee, and three (3) representatives of the Hospital, one (1) of whom shall be the Director of Human Resources or her/his appointee. This Committee shall meet quarterly or at other mutually agreed times. A formal agenda will be prepared for each meeting, with items for the agenda provided in writing at least three (3) days prior to the meeting. Minutes will be kept of all meetings with copies to be furnished to both parties. The function of the Committee will be to discuss matters of mutual concern to the parties, but it is understood and agreed that the Committee shall not discuss matters properly the subject of a grievance or negotiations for the amendment or renewal of

this agreement or matters which should properly be brought before the Hospital's Health and Safety Committee. The membership of such Committee may be expanded by mutual consent from time to time.

ARTICLE 8 - GRIEVANCE AND ARBITRATION

8.01 For the purpose of this agreement, a grievance or complaint is defined as a difference relating to the interpretation, application, administration or alleged violation of this agreement, arising between a member of the bargaining unit and the Hospital or between the parties hereto.

8.02 The grievance shall identify the nature of the grievance, the remedy sought, and should, where possible specify the provisions of the agreement which are alleged to have been violated .

8.03 (a) At the time formal discipline is imposed or at any stage of the grievance procedure an employee shall have the right, upon request, to the presence of his/her steward. In the case of suspension or discharge, the Hospital shall notify the employee of his/her right in advance.

(b) Where the Hospital deems it necessary to suspend or discharge an employee, the Hospital shall notify the Union of such suspension or discharge in writing, within three (3) days.

8.04 It is the mutual desire of the parties hereto that complaints shall be adjusted as quickly as possible and it is understood that an employee has no grievance until he/she has first given his/her immediate supervisor the opportunity of adjusting the complaint.

Such complaint shall be discussed with his/her immediate supervisor within five (5) days after the circumstances giving rise to it have occurred or ought reasonably to have come to the attention of the employee.

Failing a satisfactory resolution within the five (5) days, it shall then be taken up as a grievance within five (5) days

following his/her immediate supervisor's decision in the following manner and sequence:

Step 1:

The employee shall submit the grievance, in writing, and signed by him or her, to his/her immediate supervisor. The employee may be accompanied by a Union steward. The immediate supervisor will deliver his/her decision in writing within five (5) days following the day on which the grievance was presented to him or her. Failing settlement then:

Step 2:

Within seven (7) days following the decision under step 1 the employee may submit the written grievance to his/her department head, the employee may be accompanied by a Union steward. The department head will deliver his/her decision in writing within seven (7) days following the day in which the grievance was presented to him or her.

This step may be omitted where the immediate supervisor and department head are the same person. Failing settlement then:

Step 3:

Within seven (7) days following the decision in Step 2, the grievance may be submitted in writing to the Director of Human Resources or her/his designate.

A meeting will be held between the Director of Human Resources or her/his designate, and the designated Union representatives who may be accompanied by the general representative of the Union, within ten (10) days of the submission of the grievance at Step 3 unless extended by mutual agreement of the parties.

The decision at Step 3 will be delivered in writing within ten (10) days following the date of such meeting.

8.05 Policy Grievance

A complaint or grievance arising directly between the Hospital and the Union concerning the interpretation, application or alleged violation of the agreement shall be originated at Step 3 within ten (10) days following the circumstances giving rise to the grievance.

It is expressly understood, however, that the provisions of this Article may not be used with respect to a grievance directly affecting an employee which he/she could have instituted himself/herself and the regular grievance procedure shall not be thereby bypassed.

8.06 Group Grievance

Where a number of employees have identical grievances, and each one would be entitled to grieve separately, they may be presented as a group grievance, in writing, identifying each employee who is grieving to the department head, or his/her designate within ten (10) days after the circumstances giving rise to the grievance have occurred. The grievance shall then be treated as being initiated at Step 2 and the applicable provisions of this article shall then apply with respect to the handling of the grievance.

8.07 Discharge Grievance

If an employee who has completed his/her probationary period, claims that he/she has been unjustly discharged, such claim must be submitted by the employee at Step 3 of the grievance procedure within five (5) days following the date the discharge is effective. The decision of the Hospital shall be delivered in writing within ten (10) days following the date of the Step 3 meeting.

8.08 Failing settlement under the foregoing procedure, any grievance may be submitted to arbitration as hereinafter provided. If no written request for arbitration is received within ten (10) days after the decision under Step 3 is given, the grievance shall be deemed to have been abandoned.

8.09 Where no written answer has been received within the time limits specified, the grievance may be submitted to the next step of the foregoing procedure, including arbitration. The parties

acknowledge that the time limits set out in the grievance and arbitration procedures must be strictly complied with except by written agreement to extend them and failure to so comply shall result in the grievance being deemed to have been abandoned.

8.10 All agreements reached, under the grievance procedure, between the representatives of the Hospital and the representatives of the Union will be final and binding upon the Hospital, the Union and the employees.

8.11 When either party requests that any matter be submitted to arbitration as provided in this article, it will make such request in writing addressed to the other party to this agreement, and at the same time appoint a nominee. Within seven (7) days thereafter, the other party shall appoint its nominee, provided however, that if such party fails to appoint its nominee as herein required, the Minister of Labour for the Province of Ontario shall have the power to make such appointment upon application thereto by the party invoking the arbitration procedure.

The two nominees shall attempt to agree upon a chair of the arbitration board. If they are unsuccessful in agreeing upon such a chair within a period of fourteen (14) days of the appointment of the second nominee, they shall then request the Minister of Labour for the Province of Ontario to appoint a chair.

8.12 No person may be appointed to the arbitration board who has been involved in an attempt to negotiate or settle the grievance.

8.13 The arbitration board shall not be authorized to make any decision inconsistent with the provisions of this agreement, nor to alter, modify, add to or amend part of this agreement.

8.14 No matter may be submitted to arbitration which has not been properly carried through all requisite steps of the grievance procedure.

8.15 The proceedings of the arbitration board shall be expedited by the parties hereto and the decision of the majority, and where there is no majority, the decision of the Chair will be final and binding on the parties hereto and the employees concerned.

8.16 Each of the parties hereto will bear the expense of the nominee appointed by it and the parties will share equally the fees and expenses, if any, of the chair of the arbitration board.

8.17 Wherever the arbitration board is referred to in the agreement, the parties hereto may mutually agree in writing, to substitute a single arbitrator for the arbitration board at the time of reference to arbitration and the other provisions referring to arbitration board shall appropriately apply.

ARTICLE 9 - SENIORITY

9.01 Probationary Period

A new employee will be considered to be on probation until he/she has completed ninety (90) days of work. In the case of part-time employees, the probation period will be 675 hours worked. Upon completion of the probationary period, the employee will be credited with seniority equal to ninety (90) working days or 675 hours for part-time employees.

The probationary period may be extended by the Hospital upon notification to the Union. Any extension request will be in writing and will specify the length of the extension.

The release or discharge of an employee during the probationary period will not be the subject of a grievance or arbitration and is the sole discretion of the Hospital.

9.02 Definition of Seniority

- (a) Employees shall accumulate seniority on the basis of their continuous service in the bargaining unit from the last date of hire, except as otherwise provided, herein. The parties agree there shall be separate seniority lists for full-time employees and other groups of employees.
- (b) Seniority rights shall apply only to the extent expressly provided in this agreement and will operate on a bargaining unit wide basis.

- (c) Part-time employees and casual employees shall accumulate seniority on the basis of one (1) year seniority for each 1,725 hours worked since the last date of hire, except as otherwise provided herein.

9.03 Transfer of Service and Seniority

- (a) Where employees transfer from full-time to part-time or from part-time to full-time credit for their service and seniority will be based on one (1) year equal to 1725 hours.
- (b) Credit for service and seniority for part-time employees or casual employees will be on the basis of (a) above for hours worked from January 1, 1996.
- (c) Part-time and casual employees employed prior to January 1, 1996, and for whom there are no records, will be credited with seniority and service for service prior to that date on the basis of the following formula:

Hours worked Jan. 1/96 to Dec. 31/96 X # calendar years
since hire date 1725

- (d) For employees who worked part-time prior to 1996 but transferred to full-time by January 1, 1996, and for whom there are no records, part-time years shall be credited for purposes of seniority and service on the basis of 1725 hours for every two years of part-time service unless seniority and service credit has already been given for those hours.
- (e) An employee may appeal the calculation in (c) and/or (d) above based on objective evidence on the ground that it does not fairly estimate the number of hours worked by the employee prior to 1996. The employee shall submit the evidence to the Human Resources Department and to the Union within 45 days of receipt of the notice of the calculation in (c) above. Where the Hospital is in possession of objective evidence of actual hours of work, the evidence must be produced to the employee or the Union

upon request by either the employee or the Union. This deadline may be extended by agreement of the parties. The issue of the appropriate calculation of the past seniority and service under this clause may be submitted for final determination through the normal grievance procedure, except that, should the matter proceed to arbitration, the arbitration will be on an expedited basis before a sole arbitrator.

Note: In no case shall any service calculation or adjustments to service made under 9.03 be applied in any manner that is contrary of the requirements of the Social Contract Act.

9.04 Loss of Seniority

An employee shall lose all seniority and shall be deemed terminated if:

- (a) the employee quits;
- (b) the employee is discharged and the discharge is not reversed through the grievance or arbitration procedure.
- (c) the employee is absent from scheduled work for a period of three (3) or more consecutive working days without notifying the Hospital of such absence and providing a reason satisfactory to the Hospital;
- (d) the employee fails to return to work upon the expiration of the leave of absence or utilizes a leave of absence for a purpose other than that for which it was granted;
- (e) the employee has been laid off for twenty-four (24) months;
- (f) the employee fails upon being notified of a recall to signify his/her intention to return within five (5) working days after he/she has received the notice of recall, and fails to report to work within ten (10) working days after he/she has received the notice of recall;

- (g) the employee is absent due to illness or disability for a period of thirty (30) months from the time the disability or illness commenced.

9.05 Effect of Absence - Full-time Only

- (a) It is understood that during an approved unpaid absence not exceeding 30 continuous days or any approved absence paid by the Hospital, both seniority and service will accrue.
- (b) During an unpaid absence exceeding 30 continuous calendar days, credit for service for the purposes of salary increment, vacation, sick leave, or any other benefits under any provisions of the collective agreement or elsewhere shall be suspended for the period of the absence in excess of thirty (30) continuous calendar days the benefits concerned appropriately reduced on a pro rata basis and the employee's anniversary date adjusted accordingly. In addition, the employee will become responsible for full payment of subsidized employee benefits in which he/she is participating for the period of the absence except that the Hospital will continue to pay its share of the premiums for up to eighteen (18) months while an employee is in receipt of W.S.I.B. benefits. Notwithstanding this provision, service shall accrue for the period of fifteen (15) weeks if an employee's absence is due to a disability resulting in W.S.I.B. benefits.
- (c) It is further understood that during such unpaid absence, credits for seniority for purposes of promotion, demotion, transfer or layoff shall be suspended and not accrue during the period of absence. Notwithstanding this provision seniority shall accrue for a period of eighteen (18) months if an employee's absence is due to a disability resulting in W.S.I.B. benefits or LTD benefits, or for a period of one (1) year if an employee's unpaid absence is due to an illness.

Effect of Absence - Part-time

Part-time employees shall accrue seniority for a period of eighteen (18) months and service for a period of fifteen (15) weeks if absent due to a disability resulting in W.S.I.B. benefits, on the basis of what the employee's normal regular hours of work would have been.

ARTICLE 10 - NOTICE OF LAYOFF/JOB SECURITY

10.01 UNION

There shall be at least three months' notice to the Union in the event of a proposed lay-off of a permanent or long-term nature which affects the bargaining unit.

10.02 EMPLOYEES

In the event of a lay-off of a permanent or long-term nature, the Hospital will provide notice to affected employees in accordance with the lay-off procedures outlined in Article 10.04.

10.03 CONSULTATION WITH UNION AND EMPLOYEES

- (a) The Hospital will provide the Union with an outline of its intentions and with an opportunity to comment and offer suggestions prior to finalizing plans for changes to its operational or organizational structure which may affect one or more members of the bargaining unit.
- (b) Such opportunity will be made at a regular or special meeting of the local Union/Management Committee. Notice of such a meeting will be provided at least two (2) weeks in advance of the meeting date.

Note: Where a layoff involves one member of the bargaining unit, the Hospital may directly contact the Union's business agent.

- (c) The Union will provide any comments or suggestions regarding the proposed plan to the Director of Employee

Relations within 30 days of the date of the meeting at which the plan was presented, however any implementation will not be delayed past that 30 day period, except by mutual agreement.

(d) The Hospital will provide the Union with relevant financial and staffing information along with the outline of its intentions.

(e) The parties agree that any dispute arising from this clause may be filed as a grievance at Step 3 of the grievance procedure.

10.04 LAY-OFF PROCEDURES

In the event one or more positions held by members of the bargaining unit are to be eliminated, and as a result one or more full-time or part-time employees are to be laid off, lay-offs within the affected area(s) will be in the order of least senior first, and the following steps will apply.

Step 1

The employee may be re-assigned to an available vacant position of the same description and classification elsewhere in the Hospital. Notice of such a re-assignment will be a minimum of six (6) weeks. Note: A vacant position is a position which is not staffed due to normal attrition or which may be newly created, but shall not include a position which the Hospital does not intend to staff.

Step

Where there is no vacant position of the same description and classification available, the Hospital will poll those employees working in positions of the same description and classification to determine if any such employee wishes to apply for a voluntary exit. Where there is an application for a voluntary exit, and where that application is accepted, then the laid off employee will be re-assigned to the position made vacant by the exit.

Step

If there is no vacant position of the same description and classification available, the employee will receive a minimum of three (3) months notice and must choose from the following options within seven (7) days:

- (a) accept the lay-off and remain eligible for recall to a position of the same description and classification for a period of twenty-four (24) months;
- (b) accept a severance package equal to two weeks pay for each year of service to a maximum of twenty-six (26) weeks pay;
- (c) displace the least senior member of the bargaining unit who is in a position of the same description and classification, and whose work the employee is qualified to perform.
- (d) In the event there are no employees of the same description and classification, then displace the least senior employee with lesser bargaining unit seniority who is in an identical or lower paying classification, and whose work the employee is qualified to perform.

Step 4

Where an employee is displaced as a result of the use of Step 3, Option (c) or (d), that employee will receive notice totaling three months less the period of time Step 3 has taken to complete, at which time he or she must choose from the following options within seven (7) days:

- (a) accept the lay-off and remain eligible for recall to a position of the same description and classification for a period of twenty-four (24) months;
- (b) accept a severance package equal to two (2) weeks pay for each year of service to a maximum of twenty-six (26) weeks pay;

- (b) displace the least senior member of the bargaining unit, whose work the employee is qualified to perform.

Step

Where an employee is displaced as a result of the use of Step 4, Option (c), that employee will receive notice totaling three months less the period of time Steps 3 and 4 have taken to complete, at which time he or she must choose from the following options within seven (7) days:

- (a) accept the lay-off and remain eligible for recall to a position of the same description and classification for a period of 24 months;
- (b) accept severance package equal to two (2) weeks pay for each year of service to a maximum of 26 weeks pay.

No full-time employee within the bargaining unit shall be laid off by reason of his/her duties being assigned to one or more part-time employees, unless the unit or service is being reduced to less than forty (40) hours per week.

10.05 RECALL PROCEDURES

- (a) An employee shall have opportunity of recall from a lay-off to an available opening, in order of seniority provided he/she has the ability to perform the work before such opening is filled on a regular basis under a job posting procedure. The posting procedure in the collective agreement shall not apply until the recall process has been completed.
- (b) In determining the ability of an employee to perform the work for the purposes of the paragraphs above, the Hospital will apply the provisions of Article 11.02. In applying those provisions, the Hospital agrees it shall not act in an arbitrary or unfair manner.
- (c) An employee recalled to work in a different classification from which he/she was laid off shall have the privilege of

returning to the position he/she held prior to the lay-off should it become vacant within six (6) months of being recalled.

- (d) No new employees shall be hired until all those laid off have been given an opportunity to return to work and have failed to do so, in accordance with the loss of seniority provision, or have been found unable to perform the work available.
- (e) It is the sole responsibility of the employee who has been laid off to notify the Hospital of his/her intention to return to work within five (5) working days (exclusive of Saturdays Sundays and paid holidays) after being notified to do so by registered mail, addressed to last address on record with the Hospital (which notification shall be deemed to have been received on the second day following the date of mailing) and to return to work within ten (10) working days after being notified. The notification shall state the job to which the employee is eligible to be recalled and the date and time at which the employee shall report for work. The employee is solely responsible for his/her proper address being on record with the Hospital.
- (f) Employees on lay-off or notice of lay-off shall be given preference for temporary vacancies which are expected to exceed thirty (30) working days. An employee who has been recalled to such temporary vacancy shall not be required to accept such recall and may instead remain on lay-off.
- (g) A laid off employee shall retain the rights of recall for a period of twenty-four (24) months from the date of lay-off.

10.06 VOLUNTARY EXIT PROCEDURES

- (a) The opportunity to apply for a voluntary exit will be made available when the Hospital determines one or more positions within the bargaining unit will be eliminated. An application for a voluntary exit will be accepted on the following basis:

- (i) where there are more qualified employees in the same position and classification than there are or will be positions available, and the lay-off of an employee may otherwise result;
 - (ii) priority will be given to an employee who is or will be eligible to take an early retirement over an employee who will voluntarily resign;
 - (iii) acceptance of the most senior applicant first to the maximum number of exits needed, subject to section (ii) above.
- (c) An employee whose voluntary exit application is accepted will receive payment on the following basis:
- (i) 2 weeks salary for each year of service to a maximum of 26 weeks, or to age 65, whichever is less;
 - (ii) where an employee's service totals 5 years or less, he/she will receive an additional payment of \$1,500;
 - (iii) where an employee's service totals more than 5 years, he/she will receive an additional payment of \$3,000; and
 - (iv) Continuation of benefits for a maximum of three (3) months from the date of the employee's exit.
- (d) Where an employee's application for voluntary exit is accepted, and the employee receives a voluntary exit payment, that employee will not be eligible for re-employment by the hospital for a minimum of one (1) year.
- (d) Sections 10.05(a), (b), and (c) will be applicable to regular part-time employees on a pro-rata basis based on their normal weekly earnings calculated over the twelve (12) month period immediately preceding their last day of work.

ARTICLE 11 - JOB POSTING

11.01 Where a permanent vacancy occurs in a classification within the bargaining unit or a new position within the bargaining unit is established by the Hospital, such vacancy shall be posted by the Hospital for a period of seven (7) days. The posting shall stipulate the qualifications, classification, rate of pay, current shift and unit. All applications shall be made in writing within the posting period.

11.02 Employees shall be selected for positions on the basis of their ability, experience, qualifications and skills. Where these factors are relatively equal among the employees considered, seniority shall govern, providing the successful applicant, if any, is qualified to perform the available work.

11.03 Vacancies which are not expected to exceed six (6) months will not be posted and may be filled at the discretion of the Hospital. Where so designated, a temporary vacancy which exceeds six (6) months as a result of a maternity, parental and/or adoption leave may be filled on the same basis. Members of the bargaining unit will be considered for full-time vacancies prior to considering persons not employed by the Hospital.

11.04 The Hospital shall have the right to fill any vacancy on an interim basis until the posting procedure provided herein and the selection process has been completed, and arrangements have been made to assign the successful candidate(s) to fill the vacancy. No grievance may be filed concerning such temporary arrangements.

11.05 The successful applicant will be placed in the vacancy for a trial period not exceeding ninety (90) working days and if the employee proves satisfactory, then he/she shall be considered permanently assigned to the vacancy. If the employee proves unsatisfactory during that time or if the employee feels he/she is unable to perform the duties of the vacant position to which he/she has posted, the employee will be returned to his/her former position at his/her former salary or rate of pay, as will any other employee in the bargaining unit who was promoted or transferred by reason of such placement. Newly hired employees shall be terminated and such termination shall not be the subject to the grievance and arbitration procedure.

11.06 Successful applicants and newly hired employees will not be permitted to apply for job postings or any subsequent vacancies for a period of six (6) months, unless otherwise mutually agreed.

ARTICLE 12 - NO CONTRACTING OUT

12.01 The Hospital shall not contract out any work usually performed by members of the bargaining unit if, as a result of such contracting out, a layoff of any employees other than casual part-time employees results from such contracting out.

12.02 Notwithstanding the foregoing, the Hospital may contract out work usually performed by members of the bargaining unit without such contracting out constituting a breach of this provision if the Hospital provides in its commercial arrangement contracting out the work that the contractor to whom the work is being contracted, and any subsequent contractor, agrees to employ the employees thus displaced from the Hospital; and in doing so to stand, with respect to that work, in place of the Hospital for the purposes of the Hospital's collective agreement with the Union, and to execute an agreement with the Union to that effect.

In order to ensure compliance with this provision, the Hospital agrees that it will withdraw the work from any contractor who has failed to meet the aforesaid terms of the contracting out arrangement.

12.03 On request by the Union, the Hospital will undertake to review contracted services which fall within the work of the bargaining unit. The purpose of the review will be to determine the practicality of increasing the degree to which bargaining unit employees may be utilized to deliver such services in the future.

ARTICLE 13 - EMPLOYMENT AGENCIES and WORK OF THE BARGAINING UNIT

13.01 Prior to enlisting the services of an employment agency, the Hospital will attempt to contact casual staff who may normally perform the duties in question. Part-time employees who may normally perform the duties in question may also make known their willingness and availability to accept additional shifts, but the

scheduling or working of such additional shifts will not alter their employment status, nor will the contact or use of part-time or casual employees be required if overtime payments will result.

13.02 Employees not covered by the terms of this agreement will not perform duties normally assigned to those employees who are covered by this agreement, except for the purposes of instruction, experimentation, rehabilitation from illness or injury, or in emergencies when regular employees are not readily available.

Note: The purpose of this clause is the protection of the work of the bargaining unit employees and not the broadening of that work to other areas.

13.03 The Hospital and the Union agree that volunteers are an essential component of the Hospital community and its day to day operations. The Hospital agrees that volunteers will not displace bargaining unit employees. The use of volunteers to perform bargaining unit work will not be expanded beyond the extent of existing practice.

ARTICLE 14 - TECHNOLOGICAL CHANGE

14.01 Technological change means the automation of equipment, or the mechanization of equipment, or the mechanization or automation of operations, or the replacement of existing equipment or machinery with new equipment or machinery, which results in the displacement of an employee from his/her regular job.

14.02 Where the hospital has decided to introduce a technological change which will significantly alter the status of an employee within the bargaining unit, the hospital will undertake to meet with the union to consider the minimization of adverse effects (if any) upon the employees concerned.

14.03 Employees with one or more years of continuous service who are subject to layoff under conditions referred to above, will be given notice of the impending change in employment status at the earliest reasonable time in keeping with the notification to the Union as set out above and the requirements of the applicable legislation.

ARTICLE 15 - LEAVES OF ABSENCE

When a death occurs in an employee's immediate family which necessitates the employee missing regularly scheduled work for the purpose of attending the funeral or to make funeral arrangements, permanent full-time employees will be allowed up to three (3) consecutive calendar days off without loss of their regular pay. Permanent part-time employees will be allowed up to (3) consecutive calendar days off and will be paid for those days on which they were scheduled to work.

To be eligible for bereavement leave payment, an employee must notify his/her supervisor so that any necessary scheduling arrangements can be made for the period of absence. Proof of death and/or relationship may be required before bereavement leave is paid. Time paid for bereavement leave will not count as hours worked for the purposes of computing overtime.

In the event an employee is unable to attend the funeral, a period of mourning of up to three (3) consecutive working days may be granted at the discretion of the supervisor.

15.02 Education Leave

- (a) If required by the Employer, an employee shall be entitled to leave of absence with pay and without loss of seniority and benefits to write examinations to upgrade his or her employment qualifications.
- (b) A leave of absence, without pay, to take further education related to the employee's work with the Hospital may be granted upon written application by the employee to the administration of the Hospital. It is further understood and agreed that the Employer will, wherever its operational requirements permit, endeavour to arrange the

shifts of employees attending courses or seminars to permit such attendance.

- (c) Where employees are required by the Hospital to take courses to upgrade or acquire new employment qualifications, the Employer shall pay the full costs associated with the courses.

15.03 Jury and Witness Duty

- (a) An employee who is required to serve as a juror in any court of law, or who is required to attend as a witness in any court proceeding in which the Crown is a party, or who is required by subpoena to attend a court of law or coroner's inquest in connection with a case arising out of their duties at the Hospital will not lose their regular pay for scheduled hours because of such attendance. The time served on jury or witness duty will not be counted as hours worked for the purposes of computing overtime.
- (b) An employee will not be required to work on the day that he/she is required to serve on jury or witness duty. This provision applies to an employee scheduled to work an evening or night shift on that day.
- (c) Upon receipt of a summons or subpoena, an employee must advise their immediate supervisor by providing a copy of the document. The employee must remain in contact with the supervisor, and/or provide an **estimate of** their expected date of return where possible.
- (d) Upon completion of jury or witness duty, the employee must provide evidence of having served for the time claimed. As well, upon completion of jury and witness duty the employee is responsible for repaying the Hospital for those days on which they have been paid by both the Court and the Hospital. The employee will repay the Hospital the payment received from the court, excluding any **mileage, travelling and meal allowances. Proof of** payment from the court is to be submitted to the Hospital.

15.04 Pregnancy Leave

- (a) Pregnancy leave will be granted in accordance with the provisions of the Employment Standards Act, except where amended in this provision. The service requirement for eligibility for pregnancy leave shall be thirteen (13) weeks of continuous service.

That benefit will be equivalent to the difference between ninety-three (93%) percent of her regular weekly earnings and the sum of her weekly Unemployment Insurance benefits and any other earnings. Such payment shall commence following completion of the two-week Employment Insurance waiting period, and receipt by the Hospital of the employee's Employment Insurance cheque stub as proof that she is in receipt of Employment Insurance pregnancy benefits, and shall continue while the employee is in receipt of such benefits for a maximum period of fifteen (15) weeks. The employee's regular weekly earnings shall be determined by multiplying her regular hourly rate on her last day worked prior to the commencement of the leave times her normal weekly hours.

- (e) Unless otherwise informed, the Hospital will calculate the Supplemental Maternity Benefit based on the EI cheque stub. - (c) An employee who is an adoptive parent shall advise the Hospital as far in advance as possible of having qualified to adopt a child, and shall request the leave of absence in writing, upon receipt of confirmation of the pending adoption. If, because of late receipt of confirmation of the pending adoption, the employee finds it impossible to request the leave of absence in writing, the request may be made verbally and subsequently verified in writing.

An employee who is an adoptive parent may extend the parental leave for such greater time as may be required by the adoption agency concerned up to a maximum aggregate of six (6) months. Written notice by the employee for such extension will be given at least four (4) weeks prior to the termination of the initially approved leave.

It is understood that not more than one (1) employee in the bargaining unit may be on such leave at the same time. Such leave, if granted, shall be for a period of one (1) calendar year from the date of appointment unless extended for a further specific period by agreement of the parties. Seniority and service shall accumulate during such leave to the maximum provided, if any, under the provisions of the Collective Agreement. It will become the responsibility of the employee for full payment of any applicable benefits in which the employee is participating during such leave of absence.

- (a) The regular work week for full time employees shall average thirty-seven and one-half (37 ½) hours (exclusive of meal times) for each employee during each six (6) week period which corresponds to the appropriate unit or operational schedule.

- (b) The normal daily shift shall be seven and one half (7 ½) consecutive hours in any twenty-four (24) hour period exclusive of an unpaid one-half (½) hour meal period. Employees shall be entitled to relief periods during the shift of a total of forty-five (45) minutes, however the scheduling of such relief periods shall not interfere with patient care or operational requirements.

Extended tours are a regular and established part of the Hospital's clinical & supportive services and programs. The Hospital reserves the right to use extended tour schedules as necessary. Where a weekend off is not granted within a three (3) week period, time worked on such third weekend but not subsequent weekends shall be paid at the rate of time and one-half (1 ½) unless the Hospital, notwithstanding its best efforts, was unable to meet this standard. This standard shall not apply where:

16.05 The parties agree to maintain existing scheduling practices. The parties agree to meet to discuss and resolve scheduling issues including any issues related to definitions of full-time and part-time employees during the term of this collective agreement. 21.01(a) An employee's vacation entitlement is based upon the length of continuous service with the employer. The accrual of vacation entitlement commences on the date of employment.

Employees working 11.25 hour workdays will be provided with a proportionately reduced number of days of coverage, totaling the same number of hours. The percentage of salary or wages provided is dependent on an employee's length of service, as follows:

<u>Length of Service</u>	<u>Percentage of Salary</u>	<u>Continuance</u>
Less than 3 months	n/a	
3 months but less than 1 year	66 2/3%	
1 year but less than 2 years	70%

Such Doctor's certificate must provide a diagnosis or nature of illness, expected date of return, and any restrictions or accommodations necessary due to illness or disability prior to resuming work.

24.04 Sick leave benefits are paid on the basis of each separate disability. Where an employee has been absent from work due to illness and has returned for less than three consecutive weeks of full-time work before becoming disabled again from the same or a related cause, the two absences will be treated as one continuous period of disability.

24.05 W.S.I.B. Benefits and Sick Leave

An employee who is absent from work as a result of an illness or injury sustained at work and who has been awaiting approval of a claim for **WSIB** benefits for a period longer than one complete pay period may apply to the Hospital for payment equivalent to the lesser of the benefit he/she would receive from **WSIB** if his/her claim was approved, or the benefit to which he/she would be entitled under the short term sick portion of the disability income plan. Payment will be provided only if the employee provides evidence of disability satisfactory to the Hospital and a written undertaking satisfactory to the Hospital that any payments will be refunded to the Hospital following final determination of the claim by the **WSIB**. If the claim for **WSIB** is approved, the monies paid as an advance will be applied towards the benefits to which the employee would be entitled under the short term portion of the disability income plan. Any payment under this provision will continue for a maximum of fifteen (15) weeks.

27.03 After appropriate wage grid placement has been achieved pursuant to 27.01 and 27.02, employees will progress on the wage grid in accordance with Article 25.

27.04 Retroactivity for all adjustments will be paid within 90 days of the issuance of the arbitration award.
