ARTICLE 1 – PURPOSE

- 1.01** The purpose of the Agreement is to establish and maintain an orderly collective bargaining relationship between the Company and its employees, to set forth all agreements concerning the parties hereto, and to provide an amicable method of settling any differences that may arise in the interpretation, application, administration, or alleged violation of the Agreement.

ARTICLE 2 – SCOPE AND RECOGNITION

- 2.01** The Company recognizes the Union (IAM & AW) as the sole Bargaining Agent for all employees of G4S Secure Solutions (Canada) Ltd. engaged in security screening, including the screening of passengers, baggage, airport employees, non-passengers, vehicles and cargo at Campbell River Airport, Campbell River, Comox Valley Airport, Comox, Cranbrook Airport, Cranbrook, Fort St. John Airport, Fort St. John, Kelowna International Airport, Kelowna, Nanaimo Airport, Cassidy, Penticton Regional Airport, Penticton, Prince George Airport, Prince George, Vancouver International Airport, Richmond, Victoria International Airport, Sidney and West Kootenay Regional Airport, Castlegar in British Columbia including Point Leaders, excluding Service Delivery Managers and those above the rank of Service Delivery Manager. (Note: Each Airport location is a distinctive bargaining unit and certification.)

Point Leaders can, when and where necessitated, provide screening services. Not expected as a normal recurring part of the position but in the event of “no shows” or excessive passenger volume, Point Leaders can screen.

For clarity, any work awarded to the Company by CATSA at an IAM & AW certified location within the geographic scope of this Agreement at a future date, which is consistent with the certification description issued by the CIRB on February 13, 2012, will fall under the scope of this Agreement, unless otherwise mutually agreed between the parties.

The terms and conditions set out in this Agreement apply to all employees described in Article 2.01. All work within the scope of this Agreement shall be performed only by members of the Union. No work which the employees perform, or are designated to perform, shall be sub-contracted out in any manner.

- 2.02** The Company agrees not to enter into any agreement or contract with the employees covered by this Agreement, individually or collectively, which in any way conflicts with the terms and provisions of this Agreement or any applicable Federal legislation, unless negotiated with an IAM & AW Bargaining Agent. Otherwise any such agreement will be null and void.
- 2.03** This Agreement shall be binding upon the parties hereto, their successors, administrators, executors, and assigns. In the event that any part or the entire operation is sold, leased, transferred or taken over by sale, transfer, lease, assignment, receivership or bankruptcy proceeding, such operation shall continue to be subject to the terms and conditions of this Agreement for the life thereof, subject to any applicable Federal legislation.

- 2.04** The word “employee” or “employees” wherever used in the Agreement shall mean respectively an employee or employees in the Bargaining Unit described in Article 2.01.
- 2.05** Unless otherwise stated, the word “day” or “days” wherever used herein, shall be deemed not to include Saturdays, Sundays and statutory holidays observed by the Company.
- 2.06** For the purpose of interpreting this Agreement, the masculine gender, wherever used herein, shall mean and include the feminine gender.
- 2.07** All references to Region, shall mean all locations certified by the IAM & AW with the Company in the Province of British Columbia.
- 2.08** All references to Site(s) means a specific airport within the Region.

Full-Time and Part-Time Employees

- 2.09** A full-time employee is an employee who holds a position on a continuous, scheduled basis and is scheduled for more than 30 hours per week.

A part-time employee is an employee who holds a position on a continuous scheduled basis and works between 4 and 30 hours per week.

For clarification “continuous, scheduled basis” means a published shift line that works a similar rotation each week.

ARTICLE 3 – UNION SECURITY

- 3.01** Membership in the Union shall be available to any employee eligible under the Constitution of the Union on payment of initiation or reinstatement fees uniformly required of all other such applicants by the Union Local. Membership shall not be denied for reasons of race, national origin, colour or religion.
- 3.02** All employees covered by this Agreement must become Members of and maintain Membership in good standing in the Union as a condition of employment. They shall maintain Membership as a continuing condition of employment. The potential employee must fill out a Union application form and pay any fees associated with it.
- 3.03** The Company shall deduct Union dues, including, where applicable, initiation fees and assessments, from the earnings of each employee bi-weekly, which shall be paid to the Union not later than the tenth (10th) day of the following month in which they are deducted. The deduction will be stated on one line as “Union dues”.

The remittance shall be accompanied by a dues check-off, listing the employee’s name(s), employee number, SIN, hourly rate of pay, total gross earnings for the calendar month and the dues deduction amount remitted. If there is no remittance for an employee an explanation of their status will be provided.

3.04 Union dues for all employees shall be per Local Lodge 16 and Transportation District 140 Bylaws. The Company will be notified, in writing, of changes to the dues structure, if any.

3.05 The Union agrees to indemnify and hold the Company harmless against any claims, lawsuits, or charges brought against it by an employee as a result of the application of Article 3.

ARTICLE 4 – MANAGEMENT RIGHTS

4.01 The Union acknowledges that all management rights and prerogatives are vested exclusively with the Company except as specifically limited by the provisions of the Agreement and, without limiting the generality of the foregoing it is the exclusive function of the Company:

- (a) to maintain order, discipline, efficiency and in connection therewith to establish and enforce reasonable rules and regulations; and
- (b) to hire, transfer, layoff, recall, promote, demote, retire, classify, assign duties, dismiss, suspend or otherwise discipline employees, provided that a claim that an employee who has acquired seniority has been dismissed or otherwise disciplined without just cause may be the subject of a grievance under Article 6 of the Agreement; and
- (c) to determine, the method of operation; the amount of supervision; the schedules of work; the rotation of shifts; the hours and days of work and the number of employees required at any time; and
- (d) the Company and the Union agree to be reasonable and fair in the administration and operation of the Agreement.

4.02

- (a) The waiver of any of the provisions of this Agreement, or the breach of any of its provisions by any of the parties, shall not constitute a precedent for any further breach.
- (b) It is understood and agreed that all previous agreements, whether oral or written, by and between the Company and the Union are superseded by this Agreement.

4.03 Discipline may be issued only by Managers and those above with supporting documentation.

ARTICLE 5 – UNION REPRESENTATION

5.01 The Company agrees to recognize the following Committees of the Union to represent the employees for the purposes described herein:

- (a) A Negotiating Committee comprised of seven (7) members from within the Region and the Chief Shop Steward from Vancouver selected by the Union to act on behalf of the Union in negotiating a Collective Agreement, or renewal thereof, with the Company, will be compensated by the Company for direct negotiations. As employees increase, the committee should be comprised of one (1) representative for every one hundred and fifty (150) employees or major portion thereof.
- (b) In Vancouver, a Shop Committee comprised of the Chief Shop Steward and a Shop Committee Member and a Grievance Committee comprised of one (1) Steward for each fifteen (15) employees.
- (c) In all other locations a Chief Shop Steward and a Grievance Committee comprised of one (1) Steward for each fifteen (15) employees.
- (d) A Labour Relations Committee comprised of a minimum of five (5) Shop Stewards and a maximum of seven (7) Shop Stewards, as determined by the Union, will meet at a minimum of once a month (or more often as needed by mutual agreement) with Management representatives in order to address matters of concern regarding the Union Membership and day-to-day operations at the Site(s). The minutes of these meetings will be distributed and posted at each Site within the Region.
- (e) A Union representative shall be permitted to meet with potential Union Members for two (2) hours per training/orientation class or as needed.

5.02 The Members of the Negotiating, Grievance, Health and Safety and Labour Relations Committees shall be employees designated by the Union. Management representatives shall be appointed by the Company.

5.03 The Union shall notify the Company in writing of the names of the employees who are Members of the Negotiating, Grievance and Labour Relations Committee and the Company shall not be required to recognize them until so notified.

5.04 The Union acknowledges that each Member of the Grievance Committee has regular work to perform and that he/she shall only absent himself/herself from such work with the permission of the Management and, upon resuming his/her regular duties, he/she shall again report to the Manager. Such permission shall not be unreasonably withheld, subject to operational requirements. No Member of the Grievance Committee shall lose pay for time spent during his/her regular scheduled working hours performing the functions set out in Article 5.01(b) & (c).

A Union Grievance Committee represented by the Chief Shop Steward, a Member of the Shop Committee, or their designate and two (2) other Members as set out in Article 5.01(b) or (c) will meet with the Company to deal with grievances on a regular bi-weekly basis or as otherwise mutually agreed.

5.05 Every effort shall be made to schedule all meetings between Company representatives and representatives of the Union between the hours of 0800 - 1600, or as otherwise mutually agreed, without loss of time to representatives of the Union.

5.06 An employee will be entitled to have a Shop Steward present when being presented with any discipline that will be noted in his/her file or in any meeting that the employee may reasonably believe could lead to disciplinary action.

This entitlement does not apply to meeting(s) during the employee performance appraisal process; documents or information resulting from the appraisal process will not be referred to in any disciplinary procedures nor will they be utilized during the job selection process.

Prior to any disciplinary action being taken by the Company, the employee will have the opportunity to have his/her case presented at a meeting, as part of the Company's investigation. The employee and the Shop Steward will be advised in advance as to the nature of the matter giving rise to the meeting.

Nothing in this Article shall be construed to prevent the Company from removing an employee from the workplace with pay, pending an investigation and meeting. Notice of such removal shall be given to the affected employee, in the presence of a Shop Steward.

Every effort will be made to present discipline during the employee's regularly scheduled shift and within three (3) business days of the incidents giving rise to the discipline. All discipline shall be presented in private and out of public view. A Shop Steward who is present when any Member is presented with discipline will be provided reasonable time to counsel the Member, investigate and file a grievance as required, without loss of pay.

The Company will provide to the Union all documentation, evidence or particulars relied upon by the Company in their determination to discipline, either prior to the issuance or at the time discipline is issued, or schedule a time to view evidence which belongs to the Client or Airport Authority.

5.07 UNION REPRESENTATION

(a) Company Funded Chief Shop Steward

The Chief Shop Steward referenced in Article 5.01(b) will be the only full-time position funded directly by the Company for the purposes of remuneration and benefits. The Chief Shop Steward as defined in Article 5.01(b) shall be employed on day shift Monday to Friday, or as mutually agreed, in order that he/she will be able to discuss Union matters with both the Membership and Management.

In accordance with this Article, when the Chief Shop Steward returns to employment as a designated Screening Officer, following any term of office within the Union, there shall be no adverse effect resulting from any effect or loss of certification, including but not limited to seniority, scheduling, compensation, etc. The employee shall be required to recertify in accordance with CATSA National Training Certification Program.

(b) Other Union Stewards

In Vancouver, a Senior Steward as designated by the Union will be scheduled to work at each work location/point, for a total of six (6) positions. Their schedules and work locations will not be modified without agreement of the Union except in emergency staffing situations.

In the regional Sites, every effort must be made to schedule meetings with the Chief Shop Steward, as outlined in Article 5.05, or as otherwise mutually agreed, without loss of wages to the Chief Shop Steward. At a site level the parties may mutually agree to temporarily modify the schedule of the Chief Shop Steward for this purpose.

ARTICLE 6 – GRIEVANCE PROCEDURE

6.01 The Company and the Union agree that it is the purpose of the grievance procedure to amicably and justly settle any complaints and disagreements concerning the employees, the Union and the Company, without, so far as is possible, resorting to arbitration. The parties further agree that the settlement of any grievance shall be deemed not to conflict with the provisions of the Agreement.

6.02 It is the mutual desire of the parties that complaints of employees shall be dealt with as quickly as possible, out of the view of the public eye, with a Union Steward present. Furthermore, it is agreed that an employee has no grievance until he/she has first given the Manager the opportunity to deal informally with his/her complaint. The employee will be provided time during his/her regularly scheduled hours to meet with his/her Shop Steward and with the Manager to discuss the complaint, without wage loss.

6.03 Should any difference arise between the Company and any of the employees as to the interpretation, application, administration or alleged violation of the provisions of the Agreement that cannot be satisfactorily dealt with pursuant to Article 6.02, an earnest effort shall be made to settle such difference in the following manner:

STEP ONE

6.04 Within ten (10) business days after the alleged grievance has arisen, the employee, who may request the assistance of his/her Steward, shall present his/her grievance in writing, on a form agreed upon by the Company and the Union, to the Management and if, within ten (10) days from the time when such grievance was presented, a decision not satisfactory to the employee is given, then:

STEP TWO

6.05 Within five (5) days after the decision of Step One has been, or should have been given, an authorized Member of the Grievance Committee shall present the written grievance to the Operations Manager, or a person or persons designated by him/her to handle such matters at Step Two. The Operations Manager, or his/her designate, shall schedule a meeting to be held within ten (10) days from the time when such grievance was presented to him/her, or his/her designate. At the Step Two meeting, the Operations Manager, or his/her designate, may be accompanied by the Human Resources Manager and such other

assistants, as he/she so desires. While the Business Representative of the Union may be present at the meeting, the Company has the right to require the Business Representative's presence at the meeting. The Operations Manager, or his/her designate, shall give a decision in writing on behalf of the Company within ten (10) days immediately following the date of such meeting.

GENERAL PROVISIONS

- 6.06** In the event that two (2) or more employees have grievances relating to the interpretation, application, administration or alleged violation of the provisions of the Agreement which are sufficiently common in nature that they may be conveniently dealt with together, such grievances shall constitute a Group grievance and it shall be presented at Step Two.
- 6.07** Any grievance which arises directly between the Company and the Union concerning the interpretation, application, administration or alleged violation of the provisions of the Agreement, may be submitted by either of the parties to the other. Notice of the grievance shall be given in writing within ten (10) days of the occurrence of the matter giving rise to the grievance. The Operations Manager, or his/her designate, shall schedule a meeting between the Grievance Committee plus the Business Representative and the Company representatives designated for that purpose, to be held within twenty (20) days after notice has been given by either of the parties to the other. The decision of the party being grieved against shall be given in writing within fifteen (15) days following the date of such meeting. If no settlement is reached, the grievance will be referred to arbitration in accordance with the provisions of Article 7 of the Agreement or referred with mutual agreement to non-binding mediation.
- 6.08** The Company will notify the Union in writing of the names of the Company representatives and designated alternates appointed for purposes of the grievance procedure April 1st of each year, or more if needed.
- 6.09** Each step to be taken under the grievance procedure and any reference to arbitration shall be taken within the time limits set forth in Article 6 or Article 7 or the matter shall be deemed to have been abandoned, unless time limits have been extended by mutual agreement. A Step is deemed to have been taken when notice is given by the party who filed the grievance.
- 6.10** Any and all the time limits set forth in Article 6 or Article 7 for the taking of action by either party or by an employee may be extended at any time by mutual agreement of the parties in writing.

DISCIPLINE, DISMISSAL AND SUSPENSION

- 6.11** If the Company determines that an employee is to be dismissed or suspended, it shall notify in writing both the employee concerned and a Member of the appropriate Grievance Committee.
- 6.12** The Company agrees that after a grievance has been initiated by the Union, the Company's representative will not enter into any discussions, or negotiations, with

respect to the grievance, either directly or indirectly with the aggrieved employee without consent of the Union representative.

- 6.13** If an employee, who has acquired seniority, believes that he/she has been dismissed or suspended without cause, the grievance shall be represented at Step Two within five (5) days after notice has been given to the employee and the Chief Steward. If a suspension is grieved, the Company may elect not to put the suspension into effect until the grievance is settled, abandoned or determined by reference to arbitration.
- 6.14** If an employee is dismissed, such dismissal will take effect immediately upon the employee receiving notice thereof.

ARTICLE 7 – ARBITRATION

7.01 In the event that any grievance concerning the interpretation, application, administration or alleged violation of the Agreement shall not have been satisfactorily settled under the provisions of Article 6, the matter may then be referred to arbitration by Notice in Writing by one party to the other within ten (10) days from the decision of the Company under Article 6.05, or Article 6.07 or of the Union under Article 6.07. The Notice shall contain a copy of the grievance, the remedy sought and the name, address and phone number of the Arbitrator provided below:

- John Hall
- Ron Keras
- Wayne Moore
- Vince Ready
- Chris Sullivan
- Colin Taylor

7.02 The recipient of the written notice, referred to in Article 7.01, shall confirm receipt of such notice in writing to the other party within ten (10) days after notice has been given. Where the next person named on the list is unable to hear the matter within thirty (30) calendar days, or such other times as the parties may agree, the next person will be selected and so on.

7.03 Subject to Article 6.06, each grievance submitted to arbitration shall be heard separately, unless otherwise mutually agreed.

7.04 The issue(s) raised in the written grievance shall be presented to the Arbitrator and his/her award shall be confined to such issue(s). The findings of the Arbitrator as to the facts and as to the interpretation, application, administration or alleged violation of the provisions of the Agreement shall be conclusive and binding on all parties concerned, but in no case shall the Arbitrator be authorized to alter, modify or amend any part of the Agreement.

7.05 If it is decided by the Arbitrator that an employee has been discharged or suspended without just cause, the Company will reinstate the employee without loss of seniority and pay, limited to the regular scheduled hours the employee would have worked less any

amounts earned from new employment during that period, or will put into effect any lesser settlement agreed to by the parties or determined by the Arbitrator.

- 7.06** Any grievance involving the interpretation, application, administration or alleged violation of the Agreement, which has been disposed of under the provisions of Article 7, shall not be made the subject of another grievance.
- 7.07** The Company and the Union shall share equally the expenses of the Arbitrator. The costs and allowances to be paid to witnesses shall be paid by the party calling such witness. No costs of arbitration shall be awarded to or against either party.

ARTICLE 8 – NO STRIKE – NO LOCKOUT

- 8.01** In view of the orderly procedure herein set forth for settling differences and grievances, the Union and the employees agree that there shall be no strike, stoppage, slowdown or restriction of work or service, or threat thereof, during the term of the Agreement and that no employee shall take part in, instigate or threaten any such strike, stoppage, slowdown or restriction of work or service. However, it is understood that District Lodge 140 has a policy that reads: “*Work normally performed by a Member of District Lodge 140 deemed to be struck work as a result of an authorized strike under the Machinists’ Union Constitution will not be done by another Member of District Lodge 140.*”
- 8.02** In view of the orderly procedure herein set forth for settling differences and grievances, the Company agrees that there shall be no lockout during the term of the Agreement.

ARTICLE 9 – SENIORITY

- 9.01** The seniority of an employee means the length of his/her continuous service with the Company, as at the date of transition (November 1, 2011), since the date of his/her last hiring by the Company, i.e. day and time of first hour of paid work.

Same Day Hiring

The seniority of employees hired on the same day (relative to the other employees hired on the same day) will be determined by a numbers draw. There will be double the numbers from which to draw as there are employees drawing. The highest number will be the most senior, etc. This draw will be done right after hiring during training with all involved employees present. The Union will be responsible for administering the draw and providing the Company with a copy of the results. If the Union cannot be present, the Union will appoint a designate to conduct the draw. Union Membership applications will be given out as part of the hiring package. Article 5.01 (d) will apply.

- 9.02** There will be a Company Service List composed of all employees for each Site, within the Region, based on date of hire, pursuant to Article 9.01.

The Company Service List will be used to determine entitlements to vacation and pay grade.

- (a) In Vancouver there will be two classification seniority lists as follows:

- (i) Point Leader Seniority List composed of employees in the classification of Permanent Point Leader;
- (ii) Screening Officer Seniority List composed of employees in the classification of Screening Officer.

The Point Leader Seniority List and the Screening Officer Seniority List will be used to determine the rights of employees in connection with other seniority based rights under the Agreement, including but not limited to layoff, recall, shift preference, vacation selection and overtime.

Persons on one seniority list do not accrue seniority on another list when they are working in an acting or temporary capacity.

In the event of layoff, seniority on the Point Leader Seniority List cannot be used to displace employees in other classifications who are hired prior to the date of the CIRB (Canadian Industrial Relations Board) order which is November 27, 2008.

- (b) In all other Sites within the Region there shall be one classification seniority list for each Site, composed of all screening personnel, including Screening Officers and Point Leaders.

The Site Seniority Lists will be used to determine the rights of employees in connection with other seniority based rights under the Agreement, including but not limited to layoff, recall, shift preference, vacation selection and overtime.

9.03 The seniority of an employee shall be completely lost and his/her employment shall automatically be terminated if he/she:

- (a) quits; or
- (b) is discharged and not reinstated in accordance with the provisions of the Agreement; or,
- (c) is absent from work for three (3) or more consecutive days without notifying the Supervisor unless he/she gives a reason satisfactorily to the Supervisor for his/her failure to so notify the Company; or,
- (d) is laid off for a period in excess of twelve (12) months; or,
- (e) fails to notify the Management of his/her intention to return to work within seven (7) days of being given Notice of Recall under Article 11.02 or fails to return to work on the date of recall as set out in the Notice of Recall; or,
- (f) works for another employer while absent from his/her employment with the Company except while on layoff, except when employees are on vacation or days off; or,

- (g) uses an authorized Leave of Absence for a purpose other than that for which the Leave was granted; or,
- (h) fails to return to work upon the expiration of an authorized Leave of Absence or vacation unless a reason satisfactory to Management is given; or,
- (i) fails to qualify for the appropriate Canadian Air Transport Security Authority certification and/or Transport Canada designation. (i.e. all routes will be expired before termination of seniority.)

9.04 Within ninety (90) days after the signing of this Agreement, the Company shall post the Site Seniority Lists showing the seniority of each employee.

9.05 The Company will provide the Union with the current seniority lists showing each employee's seniority date, current address, email, phone number(s), classification and rate of pay, on June 30th of each year. An employee shall have thirty (30) days to challenge the applicable seniority list with respect to his/her seniority. Thereafter, the seniority date of each employee shall be deemed to be conclusive.

9.06 The seniority of an employee who accepts a position with the Company outside of the scope of the Agreement shall be forfeited.

ARTICLE 10 – PROBATIONARY EMPLOYEES

10.01 Notwithstanding anything in the Agreement, a person shall be considered to be a probationary employee and he/she shall have no seniority until he/she has been employed for ninety (90) consecutive calendar days after his/her first (1st) hour worked, at which time he/she shall become entitled to seniority dated from his/her most recent date of hire with the Company. The Company shall have the right to dismiss a probationary employee.

ARTICLE 11 – REDUCTION IN FORCE

11.01 Should cause such as a fire, flood, explosion, Act of God, or any unforeseeable work stoppage by employees of an airline served by the Company, or circumstances beyond the control of the Company make it necessary to reduce the working force, the employees affected thereby shall be laid-off according to seniority with twenty-four (24) hours notice from the commencement of the work stoppage providing that seniority shall apply during such lay-off. In the event of a partial resumption of operations, the employees affected shall be recalled by seniority.

Lay-off and Recalls

11.02 The Company has the right to lay-off employees to the extent it determines to be necessary. In the event of a lay-off, the Company shall lay-off in reverse order of seniority. The onus shall be on the Company to establish that the senior employee has insufficient ability to perform the work required, and if proven, the Company will train the most senior person to perform the work required.

The Company agrees to meet the Union in the event of a lay-off to discuss displacement rights.

Recalls from such lay-offs shall be in order of seniority.

In the event of major operation changes, the parties agree to meet and review the status of full-time and part-time positions prior to any lay-off.

An employee who has been laid-off shall be listed according to seniority after the date of lay-off and remain on the seniority list for recall for a maximum of twelve (12) months. If not recalled to work during that time, his/her name shall be removed from the seniority list.

11.03 The Company shall notify the Union as soon as possible prior to any lay-off. All employees shall receive at least fourteen (14) days notice of any lay-off, except in the case of lay-off as defined in Article 11.01.

11.04 Recall shall be by Registered Mail to the address last filed by the employee with the Company, or by personal interview. The Union shall receive a copy of each Letter of Recall and notification of each recall made by personal interview. A previous employee with seniority must keep the Company informed of any change of address by Registered Mail. All correspondence related to recall or change of address shall be deemed received three (3) business days following the date of registration.

11.05 If within seven (7) calendar days after the date of receipt of Notice of Recall an employee shall have failed to notify the Company that he/she intends to return to work or to have satisfied the Company that he/she is unable to return because of accident or illness or other sufficient cause, he/she shall lose all seniority and his/her name shall be removed from the seniority list.

ARTICLE 12 – TRANSFERS

12.01 If Management requests a (PL) qualified Screening Officer to work as an Acting Point Leader the employee shall receive premium pay, as outlined in Appendix A. The Acting Point Leader must be a scheduled (PL) qualified Screening Officer from the same point as the vacant Point Leader, subject to an Acting Point Leader being available from the same point. Seniority must be taken into account.

12.02 The seniority of an employee who transfers to a Screening Officer or Point Leader position at another IAM-certified Site shall be retained but not accrued in their original Bargaining Unit Site for a period of six (6) months, after that the original Bargaining Unit Site seniority will be lost.

e.g. A Screening Officer in Vancouver transfers to a Screening Officer vacancy in Victoria, the Screening Officers' seniority in Vancouver would be retained but not accrued for six (6) months. In the event the employee returns to a vacancy in Vancouver within the six (6) month period, his/her seniority would be adjusted for the period of

absence and begin accruing again. If he/she does not return to a vacancy in Vancouver within six (6) months, his/her seniority in Vancouver will be forfeited.

Region-wide Transfers

- 12.03** Employees may submit a Letter of Preference, which will be kept on file with the Company for a period of one (1) year, which states the Site to which the employee would like to transfer.

Whenever a position becomes vacant at any IAM Certified Site and it is necessary to hire new staff, the Company will first consult the file containing Letters of Preference. Employees who have submitted a Letter of Preference for the applicable Site will be offered the vacancy based on Company Service, subject to qualification requirements. If two or more employees are considered equally qualified for this position, then the employee with the greater Company Service shall prevail.

If an employee is offered a position outside his/her home Site, the Company will not be responsible for any costs associated with the relocation. The employee will transfer his/her Company Service for vacation entitlement and placement upon the established pay grid for the applicable classification/position. The employee will establish a new seniority date at the new Site, based on the transfer acceptance date and move to the bottom of the seniority list, which applies to employees in connection with other seniority based rights under the Agreement, including but not limited to layoff, recall, shift preference, vacation selection and overtime, as provided for in Article 9.02. Employees shall be provided with written confirmation of their transfer acceptance date by the Company.

Canada-wide Transfers

- 12.04** In the event the Company becomes the Service Provider in an additional region, employees may submit a Letter of Preference, which will be kept on file with the Company for a period of one (1) year, which states the site to which the employee would like to transfer, provided the collective bargaining agreement at that site permits.
- 12.05** For the above Articles, the Company will endeavour to notify the Union at least two (2) weeks prior to any advertisement to filling open and new positions.

ARTICLE 13 – LEAVE OF ABSENCE

- 13.01** The Company may grant a Personal Leave of Absence, including for educational purposes, without pay for a period not exceeding sixty (60) days to an employee provided that:
