## ARTICLE 1 - PREAMBLE

### 1.01 - Preamble

The general purpose of this Agreement is to establish and maintain collective bargaining relations between the Hospital and the employees covered **by** this Agreement; to provide for ongoing means of communication between the Union and the Hospital and the prompt disposition of grievances and the final settlement of disputes and to establish and maintain mutually satisfactory wages, hours of work and other conditions of employment in accordance with the provisions of this Agreement.

It ~~is~~ recognised that the employees wish to work efficiently together with the Hospital to secure the best possible care and health protection for patients.

### 1.02 - Feminine/Masculine Pronouns

Wherever the feminine pronoun ~~is~~ used in this Agreement, it includes the masculine pronoun and vice versa where the context **so** requires.

### 1.03 - Recognition

In accordance with the certificate issued by the Ontario Labour Relations Board, dated April 6, 1999, the Employer recognises the Ontario Public Service Employees Union **as** the bargaining agent of all the employees of the Grey Bruce Health Services save and except supervisors, persons above the rank of supervisor, professional medical staff, graduate and registered nursing staff, under-graduate nurses, employees ~~in~~ the Paramedical Bargaining Unit and employees ~~in~~ the Service Bargaining Unit.

## ARTICLE 2 - DEFINITIONS

### 2.01 - Full-time Employees

A "full-time" employee is an employee who works in excess of 24 regular and continuing hours per week.

### 2.02 - Regular Part-Time Employees

A "regular" part-time employee ~~is~~ one who makes a written commitment to the Employer to be available on a predetermined basis as required and determined **by** the Employer and who works not more than 24 regular and continuing hours per week.

### 2.03 - Casual Employees

A "casual" employee is one who is employed on a relief or replacement basis and is available for call-ins as circumstances demand.

### 2.04 - Students

A "student" is an employee who is hired to work on a relief or replacement basis for call-ins as circumstances demand and who is attending an educational institution on a full-time basis during the regular school year.

### 2.05 - Temporary Employees

Employees may be hired for a specific term, not to exceed six (6) months, to replace an employee who will be on approved leave of absence, absence due to W.C.B. disability, sick leave, long term disability or to perform a special non-recurring task. This term may be extended a further six (6) months on mutual agreement of the Union, employee and Hospital or by the Hospital on its own up to twelve (12) months where the leave of the person being replaced extends that far. The period of employment of such persons will not exceed the absentee's leave. The release or discharge of such persons shall not be the subject of a grievance or arbitration.

This clause would not preclude such employees from using the job posting provision under the collective agreement and any successful applicant who has completed his probation period will be credited with the appropriate seniority.

For greater clarity the parties are agreed that temporary employees are not credited with any seniority until they obtain a "permanent" position with GBHS. Once a temporary employee is successful in bidding on a posted permanent position and subsequently passes the probationary period, she will be credited with seniority back to the commencement of her most recent continuous unbroken date of hire immediately preceding her attainment of permanent status. The Employer, at its discretion, may waive all or a portion of the probationary period for temporary employees who attain permanent status.

The Hospital will outline to employees selected to fill such temporary vacancies and the Union, the circumstances giving rise to the vacancy, and the special conditions relating to such employment.

## **ARTICLE 3 - RELATIONSHIP**

### **3.01 - No Discrimination**

The parties agree that there **shall** be **no** discrimination within the meaning **of** the **Ontario Human Rights Code** against any employee by the Union or the Hospital by reason of race, creed, colour, age, sex, marital status, nationality, ancestry or place of origin, family status, handicap, sexual orientation, political affiliation or activity, or place of residence. The Hospital and the Union further agree that there will be no intimidation, discrimination, interference, restraint or coercion exercised or practised by either of them or their representatives or members, because of an employee's membership or non-membership in a Union or because of his activity or lack of activity in the Union.

The Union shall be provided a copy of any written notice provided to an employee that he or she may be subject to termination, demotion, transfer or other adverse impact for innocent absenteeism.

### **3.02 - Access to Premises**

The Union agrees that neither it, nor its officers, agents, representatives, and members will engage in the solicitation of members, holding of **meetings**, or any other Union activities on Hospital premises or on Hospital time without the prior approval of the Hospital, except as specifically provided for in this agreement. Such approval will not be unreasonably denied.

### **3.03 - Union Dues**

The Employer agrees to deduct Union dues from the earnings of each employee defined in Article 2 of the Agreement effective the first pay period following date of hire. These dues shall be remitted to OPSEU Head Office in North York, attention the Director of Finance, not later than the fifteenth of the month following the month in which the deduction was made, accompanied by a list of names of those from whom the dues have been deducted.

The Union agrees to indemnify and save the Employer harmless from any liability arising out of the operation of this Article.

### 3.04 - Notification to Union

The Hospital will provide the union with a list, monthly of all hirings, lay-offs, recalls and terminations within the bargaining unit, where such information is available or becomes readily available through the Hospital's payroll system.

The Union shall be provided a copy of any written notice provided to an employee that he or she may be subject to termination, demotion, transfer or other adverse impact for innocent absenteeism.

### 3.05 - Notification of Newly Hired Employees

### 3.06 - Membership Information

The Hospital will provide the Union with a list of addresses for the membership every April 1<sup>st</sup> unless an employee notifies the Employer in writing that he/she does not wish that his/her address be made known to the Union. It is agreed that the Union will pay the initial set-up cost (estimated to be between-\$200 - \$400). In addition, the cost of producing said list each year will be paid by the Union.

### 3.07 - New Employee Information

On commencing employment, a new employee shall be given a copy of the Collective Agreement by the Hospital. A new employee will have the opportunity to meet with a representative of the Union in the employ of the Hospital for a period of up to 15 minutes during the employee's orientation period without loss of regular earnings. The purpose of the meeting will be to acquaint the employee with such representation of the Union and the Collective Agreement.

Such meetings may be arranged collectively or individually for employees by the Hospital as part of the orientation program.

### 3.08 - T4 Slips

The Hospital further agrees to indicate the total amount of dues paid by each employee on the income tax (T-4) slip.

### 3.09 - No Other Agreements

No employee shall be required or permitted to make any written or verbal agreement with the hospital or its representative(s), which conflicts with the terms of this agreement.

### ARTICLE 5 - RESERVATION OF MANAGEMENT RIGHTS

5.01 The Union acknowledges that it is the exclusive function of the Employer, subject to the terms of this Agreement:

- a) to manage and direct its operations and affairs in all respects and without limiting or restricting that function except that the exercise by the Employer of its rights and functions shall not be contrary to the express provisions of any other Article of this Agreement;
- b) to maintain order, discipline, and efficiency;
- c) to determine the number and location of the Hospital establishments, the services to be rendered, the methods, the work procedures, the kinds and locations of machines, tools, instruments and equipment to be used, to select, control and direct the use of all materials required in the operation of the Hospital, to schedule the work and services to be provided and performed, and to make, alter and enforce regulations governing the use of materials, equipment, and services as may be deemed necessary in the interests of the safety and well being of the Hospital's patients, and the public;
- d) to make, alter and enforce reasonable rules and regulations to be observed by the employees and not otherwise contrary to this Agreement; however, such rules shall not be discriminatory and shall be made available to the employee or the Union Representative upon request made to the Supervisor. The Hospital will provide the Union with a copy of any written Personnel policy changes pertaining to employees covered under this agreement;
- e) to hire, retire, classify, direct, promote, demote, transfer, discipline, suspend, and discharge employees, to increase or decrease the working forces and hours, providing that a claim of improper classification or claim of discriminatory promotion, demotion, transfer, discipline, or suspension and /or a claim by an employee who has completed his probationary period that

he has been discharged without reasonable cause, may become subject of a grievance and be dealt with as hereinafter provided.

5.02 The Employer agrees that the above rights shall not be exercised in a manner that is inconsistent with the terms of this Collective Agreement.

## ARTICLE 6 - UNION REPRESENTATION AND COMMITTEES

### 6.01 - Labour-Management Committee

Where the parties mutually agree that there are matters of mutual concern and interest that would be beneficial if discussed at a Labour-Management committee Meeting during the term of this Agreement, the following shall apply.

An equal number of representatives of each party as mutually agreed shall meet at a time and place mutually satisfactory. A request for a meeting hereunder **will** be made in writing prior to the date proposed and accompanied by an agenda of matters proposed to be discussed, which shall not include matters that are properly the subject of grievance or negotiations for the amendment or renewal of this agreement.

Any representative(s) attending such meetings during their regularly scheduled hours of work shall not lose regular earnings as a result of such attendance.

The Local Union will be represented at the Labour Management Committee by the Local 260 President (or designate), the five (5) Site Vice-presidents (or their designates), and one (1) additional Local Union representative (or designate) from any bargaining unit not represented by those elected to the office of President or Site Vice-president.

It is agreed that the topic of a rehabilitation program for drug and alcohol abuse is an appropriate topic for the Labour-Management Committee.

It is understood that joint meetings with other Labour-Management Committees in the Hospital may be scheduled concerning issues of mutual interest if satisfactory to all concerned.

It is also agreed that the topic of the utilisation of full-time and part-time staff is an appropriate topic for Labour-Management Committee. The committee shall have access to work schedules and **job** postings upon request.

## 6.02 - Negotiating Committee

The Hospital agrees to recognise a Negotiating Committee comprised of hospital employee representatives of the Union for the purpose of negotiating a renewal agreement. The Negotiating Committee will consist of not more than six (6) employees. There shall not be more than one (1) employee on the Union Negotiating Committee from any one department at each work site. The Hospital agrees to pay members of the negotiating committee for straight time wages lost from their regularly scheduled working hours spent in direct negotiations for a renewal agreement, up to but not including arbitration. Nothing in this provision is intended to preclude the Union Negotiating Committee from having the assistance of any representatives of the Ontario Public Service Employees Union (OPSEU) when negotiating with the Hospital.

When direct negotiations begin or end within ten (10) hours of a negotiating team member's scheduled shift, the Hospital will endeavour to provide a one day's leave of absence without pay, to provide a sufficient rest break if the employee so requests. Such request shall not be unreasonably denied. Such leave shall be considered leave of absence for union business, but shall not be deducted from the Union entitlement under Article 12.02.

## 6.03 - Union Stewards

The Hospital agrees to recognise Union stewards to be elected or appointed from amongst employees in the bargaining unit who have completed their probationary period for the purpose of dealing with Union business as provided under this Collective Agreement.

A Chief Steward or designate may, in the absence of any steward, assist in the presentation of any grievance, or with any steward function.

The Union shall keep the Hospital notified in writing of the names of Union stewards appointed or selected under this Article as well as the effective date of their respective appointments. The Hospital agrees to recognise up to twenty (20) shop stewards within the Office and Clerical Bargaining unit across all GBHS ~~work~~ sites.

It is agreed that Union stewards have their regular duties and responsibilities to perform for the Hospital and shall not leave their regular duties without first obtaining permission from their immediate supervisor. If, in the performance of his duties, a Union steward is required to enter an area within the Hospital in which he is not originally employed, he shall report his presence to the supervisor in the area immediately upon entering it. Such permission **shall** not be unreasonably withheld. When resuming his regular duties and responsibilities, such steward shall again report to his immediate supervisor. A Union steward

shall suffer **no loss of** earnings for time spent in performing the above duties during his regular scheduled working hours.

Nothing in this Article shall preclude full-time stewards from representing part-time employees and **vice-versa**.

It is understood that the number of stewards to be absent from their workstations shall not exceed one (1) steward per department at each **work** site at any one time. The "departments" within in **GBHS** for purposes of this Article shall be as set out in Article 12.

#### 6.04 - Grievance Committee

The Employer acknowledges the right of the Union to appoint or **otherwise** select an **Office** and Clerical Bargaining Unit Grievance Committee, which shall be comprised of not more than **two** members from within the **Office** and Clerical unit. This **Office** and Clerical Bargaining Unit Committee shall deal with grievances which affect one (1) or more members of the **Office** and Clerical Unit only.

The Employer also acknowledges the right of the Union to appoint or otherwise select a Cross-Bargaining Unit Grievance Committee, which shall be comprised of not more than four (4) **GBHS** employees. It is understood that the Local **260** President will be a member of this Committee joined by one (1) steward from each of the three (3) bargaining units. This Cross-Bargaining Unit Committee shall deal with grievances which affect members from two (2) or more bargaining units.

A staff representative of the Union may be present at any meeting of the Committees.

The Union shall keep the Hospital notified in writing of the names of the members of the Grievance Committees appointed or selected under this Article as well as the effective date of their respective appointments.

A Committee member shall suffer no **loss** of earnings for time spent during their regular scheduled working hours in attending grievance meetings with the Hospital up to, but not including arbitration.

#### 6:05 - Assistance of the Union

The Union shall have the right to have the assistance of a representative of OPSEU who may have access to the Hospital premises upon obtaining approval of the Director of Human Resources (or designate) in the case of the Owen Sound work site or the Site Director in the case of all other work sites.

## ARTICLE 7 - GRIEVANCE AND ARBITRATION PROCEDURE

### 7.01 - Definition

For purposes of this Agreement, a grievance is defined as a difference arising between the parties relating to the interpretation, application, administration or alleged violation of the Agreement including any question as to whether a matter is arbitrable.

### 7.02 - Right to Representation

At the time formal discipline is imposed or at any stage of the grievance procedure an employee shall have the right upon request to the presence of his/her steward. In the case of suspension or discharge the Hospital shall **notify** the employee of this right in advance.

### 7.03 - Grievance Process

It is the mutual desire of the parties hereto that complaints of employees shall be adjusted as quickly as possible, and it is understood that an employee has no grievance until he has first given his immediate non-bargaining unit supervisor the opportunity of adjusting his complaint. Such complaint shall be discussed with his immediate supervisor within nine (9) calendar days after the circumstances giving rise to it have occurred or ought reasonably to have come to the attention of the employee and failing settlement within nine (9) calendar days, it shall then **be** taken up as a grievance within nine (9) calendar days following advice of his immediate non-bargaining unit supervisor's decision in the following manner and sequence:

#### Step No. 1

The employee may submit a written grievance signed **by** the employee to his Departmental Manager in the case of the Owen Sound work site or the Site Director in the case of the other work sites. The grievance shall identify the nature of the grievance and the remedy sought and should identify the provisions of the Agreement which are alleged to be violated. The Departmental Manager or Site Director will deliver his decision in writing within nine (9) calendar days following the day on which the grievance was presented to him. Failing settlement, then:

#### Step No. 2

Within nine (9) calendar days following the decision under Step No. 1, the employee may submit the written grievance to the Director of Human Resources, who will have a meeting arranged with the Union Grievance

**Committee** to discuss the grievance within nine **(9)** calendar days unless extended by agreement of the parties. The Director of Human Resources will provide a written response within nine **(9)** calendar days following the meeting

#### 7.04 - Policy Grievance

A complaint or grievance arising directly between the **Hospital** and the Union concerning the interpretation, application or alleged violation of the Agreement shall be originated at Step No. 2 within fourteen **(14)** calendar days following the circumstances giving rise to the complaint or grievance. It is expressly understood, however, that the provisions of this Article may not be used with respect to a grievance directly affecting an employee, which such employee could himself institute and the regular grievance procedure shall not be thereby bypassed.

#### 7.05 - Group Grievance

Where a number of employees have identical grievances and each employee would be entitled to grieve separately they may present a group grievance in writing identifying each employee who is grieving to the Director of Human Resources or her designee within fourteen **(14)** calendar days after the circumstances giving rise to the grievance have occurred or ought reasonably to have come to the attention of the employee(s). The grievance shall then be treated as being initiated at Step No. 2 and the applicable provisions of this Article shall then apply with respect to the processing of such grievance.

#### 7.06 - Discharge/Suspension Grievances

The release or discharge of an employee during the probationary period shall not be the subject of a grievance or arbitration. A claim by an employee, who has completed his probationary period, that he has been unjustly discharged or suspended shall be treated as a grievance if a written statement of such grievance is lodged by the employee with the Hospital at Step No. 2 within nine (9) calendar days after the date the discharge or suspension is effected. Such special grievance may be settled under the Grievance or Arbitration Procedure by:

- a) confirming the Hospital's action in dismissing the employee; or
- b) reinstating the employee with or without full compensation for the time lost; or
- c) by any other arrangement which may be deemed just and equitable.

Wherever the Hospital deems it necessary to suspend or discharge an employee! the Hospital shall notify the Union of such suspension or discharge in

writing. The Hospital agrees that it will not suspend, discharge or otherwise discipline an employee who has completed his probationary period, without just cause.

#### 7.07 - Mediation

At the request of **either** party a discussion concerning the **possibility** of using mediation to resolve grievances **left** unresolved at Step **No. 2** may take place. The parties may agree to extend time limits for referral to arbitration in order to facilitate this discussion.

#### 7.08 - Arbitration

Failing settlement under the foregoing procedure of any grievance between the parties arising from the interpretation, application, administration or alleged violation of this Agreement, including any question as to whether a matter is arbitrable, such grievance may be submitted to arbitration **as** hereinafter provided. If no written request for arbitration is received within eighteen (**18**) calendar days after the decision under Step No. **2** is given, the grievance shall be deemed to have been abandoned. Where such a written request is postmarked within sixteen (16) calendar days after the decision under Step No. **2**, it will be deemed to have been received within the time limits.

#### 7.09 - Designation of Arbitrator

Except as otherwise agreed between the parties, no person may be appointed as an arbitrator who has been involved in an attempt to negotiate or settle the grievance.

#### 7.10 - Binding Nature of Agreements

All agreements reached under the Grievance Procedure between the representatives of the Hospital and the representatives of the Union **will** be final and binding upon the Hospital and the Union and the employees.

#### 7.11 - Process to Arbitrate

When either party requests that any matter be submitted to arbitration as provided in the foregoing Article. it shall make such request in writing addressed to the other party to this Agreement. and at the same time name a nominee. Within seven (**7**) calendar days thereafter the other party shall name a nominee, provided, however, that if such party fails to name a nominee as herein required, the Minister of Labour for the Province of Ontario shall have power to effect such appointment upon application thereto by the party invoking Arbitration Procedure. The two nominees shall attempt to select by agreement a chairman of the Arbitration Board. If they are unable to agree upon such a chairman within a

period of fourteen **(14)** calendar days, they **shall** then request the Minister of Labour for the Province of Ontario to appoint a chairman.

#### 7.12 - Eligibility for Arbitration

No matter may be submitted **to** arbitration, which has not been properly carried through all requisite steps of the Grievance Procedure.

#### 7.13 - Limitations of Arbitration Board

The Arbitration Board shall not be authorised to make any decision inconsistent with the provisions of this Agreement, nor to alter, modify, add to or amend any part of this Agreement.

#### 7.14 - Binding Nature of Arbitration Decision

The proceedings of the Arbitration Board will **be** expedited **by** the parties hereto and the decision of the majority and, where there **is** no **majority** the decision **of** the chairman will be final and binding upon the parties hereto and the employee or employees concerned.

#### 7.15 - Distribution of Expenses

Each of the parties hereto will bear the *expense of* the nominee appointed by *it* and the parties will share equally the fees and expenses, if any, of the chairman of the Arbitration Board.

#### 7.16 - Grievance Abandonment

The time limits set out in the Grievance and Arbitration Procedures herein are mandatory and failure to comply strictly with such time limits except by the written agreement of the parties, **shall** result in the grievance being deemed to have been abandoned subject only to the provisions of Section **44 (6)** of **The Labour Relations Act**.

#### 7.17 - Arbitration Board vs. Single Arbitrator

Wherever Arbitration Board **is** referred to in the Agreement, the parties may mutually agree in writing to substitute a single arbitrator for the Arbitration Board at the time of reference to arbitration and the other provisions referring to Arbitration Board shall appropriately apply.

## 7.18 - OPSEU Representative Assistance

The Union shall have the right to have the assistance of a representative of the Ontario Public Service Employees Union (OPSEU) who may have access to Hospital premises.

## ARTICLE 8 - ACCESS TO FILES

### 8.01 - Access to Personnel File

Each employee shall have reasonable access to his/her personnel file for the purpose of reviewing anything contained therein, in the presence of a member of the Human Resources Department, in the case of the Owen Sound **work** site, or the Site Director or designate, in the case of the other work sites. An employee has the right to request copies of anything in this file.

### 8.02 - Clearing of the Record

Any letter of reprimand, suspension or other sanction will be removed from the record of an employee eighteen (**18**) months following the receipt of such letter, suspension or other sanction provided that such employee's record has **been** discipline free for one "working year". Any leaves of absences exceeding 30 calendar days within the above one "working year" would extend the one year by a period of time equal to the length of that leave.

## ARTICLE 9 - SENIORITY AND SERVICE

### 9.01 - Probationary Period

A new employee **will** be considered on probation until he has completed forty-five (**45**) days of work (or 337.5 hours of work for employees whose regular hours of work are other than the standard work day), within any twelve (12) calendar months. Upon completion of the probationary period he shall be credited with seniority equal to forty-five (**45**) working days. With the written consent of the Hospital, the probationary employee and the President of the Local Union or designate, such probationary period may be extended. Any extensions agreed to will be in writing **and** will specify the length of the extension. The **release** or discharge of an employee during the probationary period shall not be the subject of a grievance or arbitration.

### 9.02 - Definition of Seniority and Service

#### a) Seniority

Seniority is based upon the length of unbroken continuous service with the Employer and is used to determine "relative rights" between employees on

such matters as **job** openings, and **layoff/recall** rights. **Seniority** accumulation may be interrupted during periods of unpaid leaves-of-absence **as** set out in the "Affect of **Absence**" clause 9.04 below and summarised in Chart 1 (attached as Appendix **A**).

Full-time employees **will** accumulate seniority on the basis **of** their continuous unbroken calendar time in the bargaining unit from the last date of hire, except as otherwise provided in this Agreement.

Part-time employees, including casual employees, will accumulate seniority on the basis of hours worked in the bargaining unit as of the last date of hire, except as otherwise provided in this Agreement. The maximum number of **seniority** hours **a** part-time employee can accumulate is **1725** hours per calendar year.

Unless **otherwise** provided for in this Agreement seniority will operate on a bargaining unit wide basis.

b) Service

Service is based upon the length of unbroken continuous service with the Employer and is used to determine individual compensation-related matters such **as** movement through wage and vacation grids. Service accumulation may be interrupted during periods of unpaid leaves-of-absence as set out in the "Affect of Absence" clause 9.04 below, and summarised in Chart 1 (attached **as** Appendix **A**).

Since "Seniority" and "**Service**" accumulation rules are different under clause 9.04, the amount of *seniority* an employee has at any given time may be different than the amount of *service* that same employee has accumulated **up** to the same point in time.

Full-time employees will accumulate service on the basis **of** their continuous unbroken calendar time in the bargaining unit from the last date **of** hire, except as **otherwise** provided in this Agreement.

Part-time employees, including casual employees, will accumulate service on the basis of hours worked in the bargaining unit as of the last date of hire, except **as** otherwise provided in this Agreement. There is no cap on service accrual for part-time employee during a calendar year.

c) Seniority List

i) Status

It *is* agreed that employees will have full-time status on the full and part-time **seniority** list if they work more than **24** regular and continuing hours per week in a single position.

It is agreed that employees will have **part-time status** on the full and part-time seniority list if they work **24** regular and continuing hours of work per week or less in a single position. If an employee works more than **24** regular and continuing hours per week in more than one part-time position, that employee shall be treated as a part-time employee for seniority purposes and therefore accumulate seniority **as** a part-time employee in each position.

ii) Posting of the Seniority List

A hospital-wide seniority list covering both full and part-time employees within the Clerical unit shall be prepared by the Hospital prior to the end of January and July of each year, and posted in locations where they will be accessible to all members of the Union. Copies of this seniority list shall be mailed to the Union's Regional Office as soon as they are posted as well as being provided directly to the Site Vice-president and the Chief Steward.

If an employee does not challenge her/his position on the **seniority** list within the first thirty (30) calendar days from the date the list was posted or within five (**5**) calendar days from the date of return to work, having been off when the list was posted, then the employee shall be deemed to have proper seniority standing. It is agreed that following the appeal period for the first post-representation vote seniority list, disputes regarding seniority shall be limited to the proper amount of seniority accruing since the last seniority list was posted.

iii) Updating of List Prior To Next Posting

Notwithstanding the above, should the Hospital find it necessary to provide notice of layoff under clause 9.08 to any member of the bargaining unit, the Hospital agrees that prior to taking any such action it will update the seniority of all employees receiving such notice, as well as all employees below them on both seniority lists, to end of pay period closest to the end of the month prior to the month in which the notice is to be served. Such updated list shall be made available to all affected employees and copies provided to the Site Vice-President and the Chief Steward.

With respect to **job** postings, the Hospital agrees to update the **seniority** of all qualified employees applying for a posted vacancy whose seniority was within 500 hours of any other qualified applicant on the last posted seniority list. The

updated **seniority** calculation shall **be** as of the end of the pay period closest to the posting date of the vacant position and **a list** of the updated seniority calculations shall be provided to any of the job applicants, the Site Vice-President and the Chief Steward, upon request.

### **9.03 - Loss of Seniority**

An employee shall lose all **seniority** and service and shall be deemed to have terminated if he:

- a) resigns;
- b) is discharged and not reinstated through the **grievance/arbitration** procedure;
- c) is retired;
- d) is absent from scheduled work for a period of three **(3)** or more consecutive working days without notifying the Hospital of such absence and providing to the Hospital **a** satisfactory reason;
- e) has been laid off for twenty-four **(24)** months:
- f) if the employee has been laid *off* and fails to return to work within seven **(7)** calendar days after that employee has been notified by the Hospital through registered mail addressed to the last address on the records of the Hospital, subject to any special provisions regarding temporary vacancies noted under the heading of Layoff and Recall;
- g) hasn't accepted the offer of at least one **(1)** shift in the previous twelve **(12)** consecutive calendar months.

### **9.04 - Effect of Absence**

(See also Chart 1 (attached as Appendix A) summarising the effect of various kinds of leaves-of absence on the accumulation of seniority and service)

**((a), (b) and (c) of the following clause are applicable to full-time employees only)**

Unless otherwise provided in the Collective Agreement:

- a) It is understood that during an approved unpaid absence not exceeding thirty **(30)** continuous days or any approved absence paid by the Hospital, both seniority and service will accrue.

- b) During an unpaid absence exceeding thirty (30) continuous calendar days, credit for service for purposes of salary increment, vacation, sick leave, or any other benefits under any provisions of the Collective Agreement or elsewhere, shall be suspended for the period of the absence in excess of thirty (30) continuous calendar days, the benefits concerned appropriately reduced on a pro rata basis and the employee's anniversary date adjusted accordingly. In addition, the employee will become responsible for full payment of any subsidised employee benefits in which he/she is participating for the period of absence, except that the Hospital will continue to pay its share of the premiums up to eighteen (18) months while an employee is in receipt of WSIB benefits. Notwithstanding this provision, service shall accrue for a period of fifteen (15) weeks if an employee's absence is due to a disability resulting in WSIB benefits.
- c) It is further understood that during such unpaid absence, credit for seniority for purposes of promotion, demotion, transfer or lay-off shall be suspended and not accrue during the period of absence. Notwithstanding this provision seniority shall continue to accrue if an employee's absence is due to a disability resulting in WSIB or LTD benefits, or if an employee's unpaid absence is due to an illness.
- d) Part-time employees shall accrue seniority if absent due to a disability resulting in WSIB benefits, on the basis of what the employee's normal regular hours of work would have been.
- e) Part-time employees shall accrue service for fifteen (15) weeks if absent due to a disability resulting in WSIB benefits, on the basis of what the employee's normal regular hours of work would have been.

#### 9.05 - Job Postings

##### a) Permanent Positions

Where a permanent vacancy occurs in a classification within the bargaining unit or a new position within the bargaining unit is established by the Hospital, such vacancy shall be posted for a period of seven (7) consecutive working days. Applications for such vacancy shall be made in writing within this seven (7) working day period.

The postings shall stipulate the qualifications, classifications, rate of pay, department and shift and a copy shall be provided to the Chief Steward.

Vacancies created by the filling of an initial permanent vacancy will be posted for a period of three (3) consecutive working days, excluding Saturdays, Sundays and Holidays. Applications for such vacancies shall be made in writing within the three (3) working day period referred to herein.

In matters of promotion and staff transfer appointment shall be made of the senior applicant able to meet the normal requirements of the job.

If an employee is required to attend an interview during regularly scheduled working hours, the employee shall suffer no loss of earnings from the regularly scheduled hours as a result of attending the interview.

The name of the successful applicant will be posted on the bulletin board for a period of seven (7) calendar days.

Where there are no successful applicants from within this bargaining unit for vacant positions referred to in this Article, employees in other OPSEU bargaining units at the Hospital will be selected in accordance with the criteria for selection above, prior to considering persons who are not members of OPSEU bargaining units at the Hospital. The employees eligible for consideration shall be limited to those employees who have applied for the position in accordance with this Article, and selection shall be made in accordance with this Article.

The successful applicant shall be allowed a trial period of up to thirty (30) days, during which the Hospital will determine if the employee can satisfactorily perform the job. Within this period the employee may voluntarily return, or be returned by the Hospital, to the position formerly occupied, without loss of seniority. The vacancy resulting from the posting may be filled on a temporary basis until the trial period is completed. A voluntary return will only be permitted once in a two-year period with respect to the same position.

It is agreed that successful applicants to the job bidding procedure will not be permitted to apply for any other posted job vacancy for a period of six months, except in the case of promotion to a higher classification. This includes such employees who have been granted a trial period and prove unsatisfactory, or are dissatisfied with the new position and return to their former classification.

A list of vacancies filled in the preceding month under this Article and the names of the successful applicants will be posted, with a copy provided to the union.

#### b) Temporary Positions/Assignments

The Hospital may fill, at its own discretion, vacancies caused by:

- a) illness;
- b) accident;
- c) pregnancy and parental leaves;
- d) leaves -of-absence;
- e) vacation;
- f) specific tasks of a non-recurring kind

When the Hospital decides to **fill** a temporary part-time or full-time vacancy, which is not expected to exceed *three (3)* months, it may **do so** by allocating the hours to one or more employees, but, in doing **so**, it shall first offer such hours to part-time employees from within the department or unit at the work site before offering the hours to other employees. Every reasonable effort shall be made to distribute such hours in a fair and equitable manner using a rotational roster.

When the Hospital decides to **fill** a temporary part-time or full-time vacancy, which is expected to exceed *three (3)* months, such **opportunity** will be communicated in writing within the work unit at the site. Employees from within the work unit may express their interest in such opportunities in writing to the manager. In the event that two (**2**) or more employees who have expressed an interest are relatively equal to perform the required work, in terms of **skill**, qualification, and ability, seniority shall be the deciding factor.

#### 9.06 - Transfer and Seniority Outside the Bargaining Unit

- a) It is understood that an employee shall not be transferred by the Hospital to a position outside the bargaining unit without his consent except in the case of temporary assignments not exceeding six (6) months. Such employees on temporary assignments shall remain members of the bargaining unit.
- b) An employee who is transferred to a position outside the bargaining unit shall not, subject to (c) below, accumulate seniority. In the event the employee is returned by the Hospital to a position in the bargaining unit within twenty-four (**24**) months of the transfer he or she shall be credited with the seniority held at the time of transfer and resume accumulation from the date of his or her return to the bargaining unit. **An** employee not returned to the bargaining unit within 24 months shall forfeit bargaining unit seniority.
- c) In the event an employee transferred out of the bargaining unit under (b) above is returned to the bargaining unit within a period of six (6) calendar months, he shall accumulate seniority during the period of time outside the bargaining unit."

#### 9.07 - Transfer of Seniority and Service

Effective date of ratification (June 17, 2002). for application of seniority for purposes of promotion, demotion, transfer, layoff and recall and service (including meeting any waiting period or other entitlement requirements) for purposes of vacation entitlement, HOODIP or equivalent, health and welfare benefit plans and wage progression:

- (i) an employee whose status **is** changed from full-time to part-time shall receive full credit for his seniority and service based on **one (1)** year equalling **1725** hours;
- (ii) an employee whose status is changed from part-time to full-time shall receive credit for his seniority and service on the basis of one **(1)** year for each **1725** hours worked.

The above-noted employee shall be allowed a trial period of up to thirty (30) days, during which the Hospital will determine if the employee can satisfactorily perform the job. **Within** this period the employee may voluntarily return, or be returned without loss of **seniority** to his former duties on the same shift in the same department and at the appropriate rate of pay, subject to any changes which would have occurred had he not transferred. **A** voluntary return **will** only be permitted once in a **two** year period with respect to the same position.

#### 9.08 - Notice and Redeployment Committee

##### a) Notice

in the event of a proposed layoff at the Hospital of a permanent or long-term nature or the elimination of a position within the bargaining unit, the Hospital shall:

- (i) provide the Union with no less than five **(5)** months' written notice of the proposed layoff or elimination of position; and
- (ii) provide to the affected employee(s), including those who may be consequentially affected by the initial layoffs, no less than five **(5)** months' written notice of layoff, or pay in lieu thereof.

Note: Where a proposed layoff results in the subsequent displacement of any member(s) of the bargaining unit, the original notice to the Union provided in (i) above shall be considered notice to the Union of any subsequent layoff.

##### b) A layoff shall not include a reassignment of an employee from her or his classification or area of assignment who would otherwise be entitled to notice of layoff provided:

- (i) the reassignment of the employee is to an appropriate permanent **job** with the employer having regard to the employees **skills**, abilities, qualifications and training or training requirements;
- (ii) the reassignment of the employee does not result in a reduction of the employees wage rate or hours of work;

- (iii) the **job** to which the employee is reassigned is located at the employee's original work site or, with the employee's consent, at a nearby site in terms of relative accessibility for the employee;
- (iv) the job to which the employee is reassigned is on the same or substantially similar shift or shift rotation; and
- (v) where more than one employee is to be reassigned in accordance with this provision, the reassigned employees shall be entitled to select from the available appropriate vacancies to which they are being reassigned in order of seniority provided no such selection causes or would cause a layoff or bumping.

The Hospital bears the onus of demonstrating that the foregoing conditions have been met in the event of a dispute. The Hospital shall also reasonably accommodate any reassigned employee who may experience a personal hardship arising from being reassigned in accordance with this provision.

- c) Any vacancy to which an employee is reassigned pursuant to paragraph (b) need not be posted.
- d) Redeployment Committee

At each Hospital a Redeployment Committee will be established not later than two (2) weeks after the notice referred to in 9.08 and will meet thereafter as frequently as is necessary.

- (i) Committee Mandate

The mandate of the Redeployment Committee is to:

(1) Identify and propose possible alternatives to the proposed layoff(s) or elimination of position(s), including, but not limited to, identifying work which would otherwise be bargaining unit work and is currently work contracted-out by the Hospital which could be performed by bargaining-unit employees who are or would otherwise be laid off;

(5) Any dispute relating to the foregoing procedures may be filed as a grievance commencing at Step 2.

(ii) Committee Composition

The Redeployment Committee shall be comprised of the same representatives of the parties who sit on the **Labour/Management** Committee.

Meetings of the Redeployment Committee shall be held during **normal** working hours. Time spent attending such meetings shall be deemed to be work time for which the **representative(s)** shall be paid by the Hospital at his or her regular or premium rate as may be **applicable**.

Each party shall appoint a co-chair for the Redeployment Committee. Co-chairs **shall** chair alternative meetings of the Committee and will be jointly responsible for establishing the agenda of the Committee meetings, preparing minutes and writing such correspondence as the Committee may direct.

(iii) Disclosure

The Hospital shall provide to the Redeployment Committee all pertinent staffing and financial information.

(iv) Alternatives

The Redeployment Committee, or where there is no consensus, the committee members shall propose alternatives to cutbacks in staffing to the Hospital's Chief Executive Officer and to the Board of Directors.

- d) displace another employee who has lesser bargaining unit seniority in the same or a lower or an identical-paying classification in the bargaining unit if the employee originally subject to layoff has the ability to meet the normal requirements of the job. An employee so displaced shall be deemed to have been laid off and shall be entitled to notice in accordance with Article 9.08.

An employee who chooses to exercise the right to displace another employee with lesser seniority shall advise the Hospital of his or her intention to do so and the position claimed within seven (7) days after receiving the notice of layoff.

- e) Employees who are consequentially affected by the displacement decision of another employee will receive a secondary notification in writing stating that if and when they are displaced by another employee they would, at that time, be entitled to select an option as identified in 9.09 (a) through (d) above. The five (5) month notice period triggered by the receipt of notice in Article 9.08 continues to apply.

As soon as an employee who has received a secondary notice can no longer be displaced by another employee on notice, the Employer shall provide that employee with a written confirmation that the original notice served by the Employer has been rescinded. This written confirmation shall also confirm that any future layoff activity affecting that employee would be the result of a new five (5) month notice being subsequently issued.

Notes:

1. An employee must have first exhausted her right to displace another employee in the same **job** classification in the same status at the same work site before exercising any other displacement rights under (d) above.
2. For purposes of the operation of clause (d), an identical-paying **classification** shall include any classification where the straight-time hourly wage rate at the level of service corresponding to that of the laid off employee is within 1% of the laid off employee's straight time hourly wage rate.
3. In the event that there are no employees with lesser seniority in the same or a lower or identical-paying classification, as defined in this article, a laid-off employee shall have the right to displace another employee with lesser seniority who is the least senior employee in the classification and where the straight-time hourly rate at the level of service corresponding to that of the employee is within 7% of the laid-off employee's straight-time hourly rate.

f) Layoff of Other Than Permanent or Long-term Nature

An employee who is subject to layoff other than a layoff of a permanent or long-term nature including a full time employee whose hours of work are, subject to Article 14.01, reduced, shall have the right to accept the layoff or displace another employee in accordance with (a) and (d) above. It is agreed that an employee who has had a shift canceled, shall not be entitled to displace another employee.

g) Recall Rights

An employee shall have opportunity of recall from a layoff to an available opening in his/her former status, in order of seniority, provided he or she has the ability to perform the work after such opening is filled on a regular basis under a job posting procedure.

An employee recalled to work in a different classification from which he or she was laid off shall have the privilege of returning to the position held prior to the layoff should it become vacant within six (6) months of being recalled.

An employee, who is qualified to receive severance pay, may elect to defer receipt of severance payment while his or her recall rights are still in effect. Once an employee does opt to receive the severance payment, he or she shall be deemed to have resigned, and his or her recall rights shall be extinguished.

No new employees shall be hired until **all** those laid off have been given an Opportunity to return to work and have failed to do **so**, in accordance with the **loss** of seniority provision, or have been found unable to perform the work **available**.

The Hospital **shall** notify the employee of recall opportunity by registered mail, addressed to the last address on record with the Hospital (which notification shall be deemed to be received on the second day following the date of mailing). The notification shall state the job to which the employee is eligible to be recalled and the date and time at which the employee shall report for work. The employee is solely responsible for his or her proper address being **on** record with the Hospital.

Employees on layoff shall be given preference for temporary vacancies in their former status which are expected to exceed sixty (60) working days. **An** employee who has been recalled to such temporary vacancy shall not be required to accept such recall and may instead remain on layoff, without prejudice to recall rights during the remainder of the recall period.

h) Ability to Perform the Work and Displacement/Recall Rights

In determining the ability of an employee to perform the work for the purposes of the paragraphs d) to g) above, the Hospital shall not act in an arbitrary or unfair manner.

Opportunities to fill vacancies outside of OPSEU bargaining units may be offered by the Hospital ~~in~~ its discretion.
- (ii) The Hospital and the Union will cooperate so that employees who have received notice of permanent layoff and been approved for retraining in order to prevent a layoff will have their work schedules adjusted ~~in~~ order to enable them to participate in the retraining, and scheduling and seniority requirements may by mutual agreement be waived. The Hospital agrees to discuss with the Union the effect of such technological changes on the employment status of employees and to consider practical ways and means of minimizing the adverse affect, if any, upon employees concerned.

Where new or greater skills are required than are already possessed by affected employees under the present methods of operation, such employees shall be given a period of training. with due consideration being given to the employee's age and previous educational background, during which they may perfect or acquire the skills necessitated by the new method of operation. ### 10.01 - Contracting Out

The **Hospital** shall not contract out any **work** usually performed by members of the bargaining unit **if**, as a result of such contracting out, a layoff of any employees other than casual part-time employees results from such contracting out.

### 10.02 - Contracting Out

Notwithstanding the foregoing, the hospital may contract out work usually performed by members of the bargaining unit without such contracting-out constituting a breach of this provision **if** the hospital provides in its commercial arrangement contracting **out** the work that the contractor to whom the work is being contracted, and any subsequent such contractor, agrees:

- (1) to employ the employees thus displaced from the hospital; and
- (2) in doing so to stand, with respect to that work, in the place of the hospital for the purposes of the hospital's collective agreement with the Union, and to execute into an agreement with the Union to that effect.

In order to ensure compliance with this provision, the hospital agrees that it will withdraw the work from any contractor who has failed to meet the aforesaid terms of the contracting-out arrangement.

### 10.03 - Contracting In

Further to Article 9.08(d)(i)(1) the parties agree that the Redeployment Committee will immediately undertake a review of any existing sub-contract **work** which would otherwise be bargaining unit work with a view to assessing the practicality and cost-effectiveness of having such work performed within the Hospital by members of the bargaining unit.

**Re: Early Retirement Offers In Layoff Situations**

Pursuant to Articles 18:03 (b) and 9:08, the parties agree that offers of early retirement will be made in accordance with the following:

- i) The Hospital will first make offers, in order of seniority within the department, within the classification, within the status, and **at the work** site, where the layoffs would otherwise occur, provided that the employees remaining have the qualifications and ability to perform the available work.
- ii) The Hospital will make offers to employees eligible for early retirement under the Hospital Pension Plan (including regular part-time, if applicable, whether or not they participate in the Hospital Pension Plan).
- iii) The number of early retirement offers is limited to the number of positions which would otherwise be eliminated.
- iv) If sufficient vacancies, equal to the number of positions to be otherwise eliminated, are not created through the above offers, further offers of early retirement, up to the total provided under (iii) above, will **be** issued at other work sites, provided employees, who would otherwise be laid off, indicate agreement to **be** transferred to those sites in the event that early retirement offers at those sites are accepted.

**Re: Weekend Scheduling Rules – Markdale Work site Clerical Bargaining Unit**

The above-captioned Parties are agreed that; pursuant to a Union-conducted secret ballot vote among the affected members, the current practice with respect to weekend scheduling pursuant to Article 14.01 (g) of the Clerical Agreement shall be altered from the previously existing practice in the Switchboard, Admitting, Reception and Outpatient work units at the Markdale Work site, effective as soon as possible following the signing of this Letter.

The new weekend scheduling practice for full and regular part-time employees within the identified work units will provide for the affected employees to be scheduled off work every second weekend. However, the affected part-time employees may be assigned additional shifts by their supervisor during peak periods and thereby to be scheduled to work on successive weekends.

Except for this alteration, the previously existing weekend scheduling practices at the Markdale Work site shall continue.

This Letter is to be attached to and form part of the Clerical Collective Agreement.
