Such two (2) consecutive days of rest may be separated by a designated paid holiday, and the consecutive days of rest may be in separate calendar weeks.

15.07 The Employer will make every reasonable effort:

- (c) Any special arrangement may be at the request of either party and must be mutually agreed between the Employer and the majority of employees affected and shall apply to all employees at the work unit.

15.15 The daily overtime provisions of the Agreement shall not apply to an employee attending a training course on the instructions of the Employer, except that an employee who performs his or her normal duties during the employee's regular working hours shall be paid at overtime rates for time spent after eight (8) hours performing work, while the employee is in attendance at training sessions.

Second or subsequent day of rest means the second or subsequent day in an unbroken series of consecutive and contiguous calendar days of rest, which may, however, be separated by a designated paid holiday;
- (c) overtime shall be compensated in cash, except where upon request of an employee and with the approval of the Employer, overtime shall be compensated by leave with pay. The duration of such leave shall be equal to the overtime worked multiplied by the applicable overtime rate. Payment of such leave shall be at the employee's straight-time rate of pay in effect on the date immediately prior to the day on which the leave is taken;
- (d) the Employer shall grant compensatory leave at times convenient to both the employee and the Employer;
- (e) if any above leave with pay earned cannot be liquidated by the end of a twelve (12) month period, to be determined by the Employer, then payment in cash will be made at the employee's then current rate of pay.

15.19

- (a) An employee who reports for overtime work as directed on a day of

rest shall be paid for the time actually worked, or a minimum of three (3) hours' pay at the applicable overtime rate, whichever is the greater. This clause shall only be applicable to employees who are notified of the overtime work requirement prior to completing their last scheduled shift.

(a) the employee's regularly scheduled shift on that day, or

(b) any other period of work on that day, the employee shall be paid for the time actually worked; or a minimum of four (4) hours' pay at straight time, whichever is the greater. However, this clause shall be applicable only to employees who are notified of such a non-contiguous overtime requirement prior to the completion of either their regularly scheduled shift on that day, or any other period of work on that day, as applicable.

15.21 When an employee reports to work overtime under the conditions described in clause 15.19, and is required to use transportation services other than normal public transportation services, the employee shall be reimbursed for reasonable expenses incurred as follows:

(a) mileage allowance at the rate normally paid to an employee when authorized by the Employer to use her or his automobile when the employee travels by means of her or his own automobile, or

(b) out-of-pocket expenses for other means of commercial transportation.

Other than when required by the Employer to use a vehicle of the Employer for transportation to a work location other than the employee's normal place of work, time spent by the employee reporting to work or returning to the employee's residence shall not constitute time worked.

$$\begin{array}{r} \text{(allowance} \\ \text{received)} \end{array} \quad \times \quad \begin{array}{r} \text{(remaining period to be} \\ \text{worked} \\ \text{following her return to work)} \\ \hline \text{[total period to be worked as} \\ \text{specified in (B)]} \end{array}$$

however, an employee whose specified period of employment expired and who is rehired by the Employer within a period of ninety (90) days or less is not indebted for the amount if her new period of employment is sufficient to meet the obligations specified in section (B).

- (b) For the purpose of sections (a)(iii)(B), and (C), periods of leave with pay shall count as time worked. Periods of leave without pay during the employee's return to work will not be counted as time worked but shall interrupt the period referred to in section (a)(iii)(B), without activating the recovery provisions described in section (a)(iii)(C).
- (c) Maternity allowance payments made in accordance with the SUB Plan will consist of the following:

- (d) At the employee's request, the payment referred to in subparagraph 40.02(c)(i) will be estimated and advanced to the employee. Adjustments will be made once the employee provides proof of receipt of Employment Insurance pregnancy benefits.
- (e) The maternity allowance to which an employee is entitled is limited to that provided in paragraph (c) and an employee will not be reimbursed for any amount that she may be required to repay pursuant to the *Employment Insurance Act*.
- (f) The weekly rate of pay referred to in paragraph (c) shall be:

- (i) for a full-time employee, the employee's weekly rate of pay on the day immediately preceding the commencement of maternity leave without pay,
- (ii) for an employee who has been employed on a part-time or on a combined full-time and part-time basis during the six (6) month period preceding the commencement of maternity leave, the rate obtained by multiplying the weekly rate of pay in subparagraph (i) by the fraction obtained by dividing the employee's straight time earnings by the straight time earnings the employee would have earned working full-time during such period.
- (g) The weekly rate of pay referred to in paragraph (f) shall be the rate to which the employee is entitled for her substantive level to which she is appointed.
- (h) Notwithstanding paragraph (g), and subject to subparagraph (f)(ii), if on the day immediately preceding the commencement of maternity leave without pay an employee has been on an acting assignment for at least four (4) months, the weekly rate shall be the rate she was being paid on that day.
- (i) Where an employee becomes eligible for a pay increment or pay revision while in receipt of the maternity allowance, the allowance shall be adjusted accordingly.
- (j) Maternity allowance payments made under the SUB Plan will neither reduce nor increase an employee's deferred remuneration or severance pay.

40.03 Special Maternity Allowance for Totally Disabled Employees

- (a) An employee who:
 - (i) fails to satisfy the eligibility requirement specified in subparagraph 40.02(a)(ii) solely because a concurrent entitlement to benefits under the Disability Insurance (DI) Plan, the Longterm Disability (LTD) Insurance or the Nova Scotia Workers, Compensation Act prevents her from receiving Employment Insurance pregnancy benefits,

and
 - (ii) has satisfied all of the other eligibility criteria specified in paragraph 42.02(a), other than those specified in sections (A) and (B) of subparagraph 42.02(a)(iii), shall be paid, in respect of each week of maternity allowance not received for the reason described in subparagraph (i), the difference between ninety-three per cent (93%) of her weekly rate of pay and the gross amount of her weekly disability benefit

under the DI Plan, the LTD Plan or via the Nova Scotia Workers, Compensation Act.

- (b) An employee shall be paid an allowance under this clause and under clause 42.02 for a combined period of no more than the number of weeks during which she would have been eligible for pregnancy benefits pursuant to Section 22 of the *Employment Insurance Act* had she not been disqualified from Employment Insurance pregnancy benefits for the reasons described in subparagraph (a)(i).

- (a) modifies her job functions or reassigns her, or
 - (b) informs her in writing that it is not reasonably practicable to modify her job functions or reassign her.
- 41.04** Where reasonably practicable, the Employer shall modify the employee's job functions or reassign her.

inform the employee in writing and shall grant leave of absence without pay to the employee for the duration of the risk as indicated in the medical certificate. However, such leave shall end no later than twenty-four (24) weeks after the birth.

- 41.06** An employee whose job functions have been modified, who has been reassigned or who is on leave of absence shall give at least two (2) weeks notice in writing to the Employer of any change in duration of the risk or the inability as indicated in the medical certificate, unless there is a valid reason why that notice cannot be given. MEMORANDUM OF UNDERSTANDING

GENERAL

This Memorandum of Understanding shall remain in effect until amended or cancelled by mutual consent of the parties.

Where the provisions of this collective agreement differ from those set out in the Memorandum of Understanding, the conditions set out in the Memorandum of Understanding shall prevail.

This Memorandum of Understanding will form part of this collective agreement.

PART I

1. Prior to a position being reclassified to a group and/or level having a lower attainable maximum rate of pay, the incumbent shall be notified in writing.
2. Downward reclassification notwithstanding, an encumbered position shall be deemed to have retained for all purposes the former group and level. In respect to the pay of the incumbent, this may be cited as Salary Protection Status and subject to Section 3(b) below shall apply until the position is vacated or the attainable maximum of the reclassified level, as revised from time to time, becomes greater than that applicable, as revised from time to time, to the former classification level. Determination of the attainable maximum rates of pay shall be in accordance with the Retroactive Remuneration Regulations.
3. (a) The Employer will make a reasonable effort to transfer the incumbent to a position having a level equivalent to that of the former group and/or level of the position.

(b) In the event that an incumbent declines an offer of transfer to a position as in (a) above in the same geographic area, without good and sufficient reason, that incumbent shall be immediately paid at the rate of pay for the reclassified

position.

4. Employees subject to section 3 will be considered to have transferred (as defined in Public Service Terms and Conditions of Employment Regulations) for the purpose of determining increment dates and rate of pay.

PART I

Part I of this Memorandum of Understanding shall apply to the incumbents of positions which will be reclassified to a group and/or level having a lower attainable maximum rate of pay after the date this Memorandum of Understanding becomes effective.

NOTE: The term "attainable maximum rate of pay" means the rate attainable for fully satisfactory performance in the case of levels covered by a performance pay plan or the maximum salary rate in the case of all other groups and levels.

Prior to a position being reclassified to a group and/or level having a lower attainable maximum rate of pay, the incumbent shall be notified in writing.

2. Downward reclassification notwithstanding, an encumbered position shall be deemed to have retained for all purposes the former group and level.
