- b) Helper I, temporarily employed as Assistant Operator, shall be allowed to accumulate all such time worked as a credit toward progressive pay increase in the Assistant Operator range, whether promoted permanently or temporarily.
- c) Helper II (s) shall not progress in the Assistant Operator range beyond the first step, until they have successfully completed an approved Water Treatment Plant Operator's Course.

Time accumulated by a Helper II as a credit toward progressive pay increase in the Assistant Operator range shall be credited to the employee, but no further pay increase shall be given retroactive to the actual date of course completion.

- d) Water Treatment

All held overtime hours will be recorded on where they are earned.

- e) An employee shall be eligible for promotion from Helper II to Helper I, on successful completion of an approved Water Treatment Operator's Course.
- f) Employees, other than those covered in subsection e) above, to be eligible for permanent promotion to Assistant Operator must have junior matriculation, and on promotion to Assistant Operator, shall remain in the first step of the Assistant Operator range until successful completion of an approved Water Treatment Plant Operator's Course.

New employees would begin their Apprenticeship at the first twelve (12) month's rate.

All employees starting Apprenticeship training for the above-noted trades must enter into an Apprenticeship Agreement as required under *The Province of Saskatchewan Apprenticeship and Tradesmen's Qualification Act*.

The City and the Union recognize the potential benefit of staff development programs and agrees to investigate and pursue opportunities for the appointment of Apprentices within Water Treatment and Wastewater Treatment.

Re: New or Reclassified Positions

The City will maintain a system of position classification and job evaluation for Union positions.

1. New Position

- a) The wage rate of new positions of a nature not already classified in this contract shall be negotiated by both parties.
- b) If agreement cannot be reached within sixty (60) days, either party may submit the matter to arbitration. In the interim, the position may be posted and filled at the salary level recommended by management, with the designation "new Position - Under Review" affixed to the posting. If the salary determined appropriate by the arbitrator differs from that instituted by management, an adjustment will be made retroactively to the date the successful applicant was appointed to the position.

2. Existing Position

- a) If there is a significant change in duties and responsibilities of a permanent filled position, either on an identifiable date, or gradually over a period of time, a review of the classification of the position may be requested by the Union or by Management, as represented by the Personnel Services Department.
- b) The party initiating the classification review request shall submit a Position Analysis Questionnaire (PAQ) completed in full to the Personnel Services Department. The PAQ will be accompanied by a memorandum indicating the reasons for the request for a change in classification. A copy shall be forwarded to the Secretary of C.U.P.E. Local No. 47.
- c) Subsequent to the receipt of the PAQ, and memorandum above, the Personnel Services Department will initiate a classification review of the position. Such review will be concluded within three (3) months of the receipt of the request. The Personnel Services Department shall conclude:
 - i) confirmation of the current classification level; or,
 - ii) upgrading of the current classification level; or,
 - iii) downgrading of the current classification level
 and initiate appropriate action to effect the decision and to inform the parties to this agreement in writing.
- d) Should the Union disagree with the decision, it may appeal such within fifteen (15) calendar days of receipt of written notification, referred to in 2 (b) above, to the Classification Appeals Committee.

- e) The Classification Appeals Committee shall consist of one (1) member appointed by the Union, one (1) member appointed by the City and a Chairperson mutually acceptable to both parties. The Committee shall hear evidence and shall consider only the duties and responsibilities of the position as of the date of the request for review.
- f) The Classification Appeals Committee shall be authorized to direct:
 - i) that the classification decision be confirmed and the appeal denied; or
 - ii) that the appealed position be reallocated to a designated existing class in the classification plan.
- g) Decisions of the Committee shall be binding upon the parties to this agreement and the appealed position.
 The Committee may recommend that a new classification be established to accommodate the appealed position.
- h) The City shall authorize leave of absence with pay to their own and the Union representative, providing both are in the employ of the City. The Chairperson, if in the employ of the City, shall be granted leave of absence with pay. If the Chairperson is not a City employee, the remuneration shall be as determined between the parties to this agreement and him/herself and shall be shared equally by the principals.
- i) Reclassification shall be effective retroactively to the start date of the next pay period following the date of the initial request for review as specified in 2 (b). Incumbents who requested the review shall be retroactively compensated, provided the position was reclassified upward and they still hold the position in question.
- j) If the position is reclassified to a higher level, the incumbent shall receive:
 - i) the minimum for the new position; or
 - ii) the salary at the time of reclassification, plus one (1) year's annual increment on the schedule for the new position, whichever shall be the greater.
 Adjustments to this practice shall be made for any intervening increments that may have come due during the appeal process.
- k) If the position is reclassified to a lower level, the incumbent shall not be affected and will proceed through the existing salary range and receive any general economic increase agreed to in collective bargaining. Upon vacating the position, the downgraded classification will be effected.

3. New Classification Series

- a) In the event the City wishes to introduce a new classification series not currently in the contract, it shall advise the Union of the particulars in writing.
- b) The wage rates applied to any new classification series shall be the subject of negotiations between the City and the Union. If there is failure to agree, either party may, upon notice to the other, submit the matter to arbitration after two (2) months of the commencement of such negotiations. Such arbitration shall follow the arbitration procedure outlined in Article 14 of the Collective Agreement beginning at the final step.
- c) The City may implement the new classification series applying the wage rates it believes appropriate. Should the matter proceed to arbitration, any resultant changes to the applicable wage rates would be effective retroactively to the date upon which the new classification series was implemented.
- d) If wage rates established in the new classification series are less than those previously accorded the positions, incumbents will not be affected, nor will their progress through the previous salary range of their position be affected. Once the position is vacated, the new classification wage rates apply.

NOTE: If both parties agree to proceed to arbitration as outlined in (b) above, then the results are binding. If mutual agreement on arbitration cannot be reached, the result is non-binding and the recommendations of the Board are subject to ratification in the next collective bargaining process.

7. Basis of Payment of Salary or Wages

- a. Employees drawing benefits from the Sick Bank shall be paid at seventy-five percent (**75%**) of the basic rate of pay which they would otherwise have been drawing had they not been drawing benefits, less:
 - (i) any required normal payroll deductions, including contributions to the General Superannuation Plan;
 - (ii) the amount of any other benefit payable to the employee, including CPP disability payments, as escalated, EI (**1998**) if applicable, etc., but not including any private and personal coverage;
 - (iii) employees will be required to apply (and appeal if necessary) for CPP disability benefits.
- b. Permanent part-time and permanent full-time employees who have worked a combination of permanent part-time and permanent full-time in the twelve (**12**) months immediately preceding disability, shall be paid benefits at seventy-five percent (**75%**) of the average gross monthly salary from that twelve (**12**) month period.
- c. Employees drawing Worker's Compensation in respect of an illness or injury will not be eligible to draw benefits from the Sick Bank for such illness or injury. If applications for both Sick Bank and Worker's Compensation are filled at the same time, benefits will be paid from Sick Bank only, until the Workers' Compensation claim is adjudicated.

Any costs incurred shall be the responsibility of the sick bank.
- f. Notwithstanding anything contained or implied in the foregoing, the Committee, in its discretion, may terminate or reduce a claimant's benefits from the Sick Bank at any time.

9. Superannuation

- a. - b. The difference in employee contributions to the Superannuation Fund occasioned by the actual pay benefit referred to in clause 7 (a) above, and the deemed pay benefit referred to in clause 9 (a) above, shall come from the budgetary financial provision for the Sick Bank and the Sick Bank accumulation debited accordingly.

10. Other Income

An employee who engages in other gainful employment (either within or without the Civic service) while drawing benefits from the Sick Bank shall not be eligible to draw in total, from the other employment and the Sick Bank, a sum which exceeds that payable from the Sick Bank alone unless employee is participating in mandatory return to work to a maximum of one hundred percent (100%) of pre-disability salary. It is the employees' responsibility to apprise the City of the exact amount of other such earnings, and employee may be required to disclose Federal records of taxation for the previous calendar year.

11. Addictions

Providing an employee meets the required criteria for benefits from the Sick Bank, and becomes involved in a recognized addiction treatment program, as authorized by the Employee and Family Assistance Program Assessment/Treatment Resource, either as an inpatient or outpatient, the employee may be eligible for benefits from the Sick Bank. Progress reports shall be received on each claimant, and, should it be found that the claimant is not making the required effort for rehabilitation, then the Sick Bank Committee may, in its discretion, terminate the individual's benefits from the Sick Bank. Notwithstanding the foregoing, the ten (10) day waiting period will not be waived for reoccurrences.

12. a. Appeal Procedure

In the event of an adverse Committee decision on an individual's claim for benefits from the Sick Bank, the claimant may appeal the Committee's decision, either in person or, at the employee's option, have the appeal made to the Committee by a member of the Union concerned, on his behalf.

Any appeal must be made to the Committee within thirty (30) days after the Committee's adverse decision.

b. Impasse

In the event of impasse, the matter in question shall be referred to a mutually agreed to third party not having an interest in the outcome. A hearing shall be convened to discuss the matter with both sides of the dispute. The decision of the third party shall be final and not subject to further appeal or grievance. Any costs associated with this procedure shall be paid by the sick bank.

13. Proper Financial Reports

The City shall provide to the Sick Bank Committee monthly and annual reports detailing the sources of funding and application of funds to claims paid in each period. Such reports shall be provided as soon as possible following the completion of the month's activities.
