The decision of the majority of the Board is the decision of the Arbitration Board. When there is no majority decision, the decision of the Chairperson shall be the decision of the Board.
- (iii) Each Party to the difference shall bear the expense of its respective appointee to the Arbitration Board, and the two (2) parties shall bear equally the expenses of the Chairperson.

12.08 The time limits specified throughout the steps of the grievance procedure may be extended by mutual consent in writing between the Union and the Employer.

12.09 Should the Employee or the Union fail to comply with any time limit in the grievance procedure, the grievance shall be considered conceded and shall be abandoned. Should the Employer fail to comply with any time limits in the grievance procedure, the grievance shall automatically move to the next step on the day following the expiry of the particular time limit, unless the parties have mutually agreed, in writing, to extend the time limits.

12.15 The Employer and the Union may mutually agree to the use of a single Arbitrator instead of an Arbitration Board as provided in Clause 12.02. If the parties are unable to agree upon the choice of a person to act as a single Arbitrator, application shall be made to the Director of Mediation Services to appoint a single Arbitrator.

**ARTICLE 13: PROBATION PERIOD**

13.01 An Employee shall serve a probationary period of five hundred and three point seven five (503.75) hours worked for each period of continuous employment not interrupted by termination or dismissal. **RE: CONTRACTING OUT AND SEVERANCE**

The parties agree as follows:

**1. Contracting Out**

- 1.1 The parties recognize the important contribution the General Support Staff make in the delivery of support service, and are committed to ensure job security where reasonably possible. To this end, it is understood by the parties that this Employer will consult with the Union as soon as reasonably possible and at a minimum, one (1) month prior to any workforce adjustment resulting from a decision to discontinue a program or undertaking in an effort to explore alternatives to minimize the impact of the decision.
- 1.2 In the event of an adjustment, as outlined in 1.1, the Employer agrees that Employees affected shall be given no less than ninety (90) calendar day's written notice prior to the implementation of a contracting out workforce adjustment. Such notice will be concurrent with any required layoff notice carried out in accordance with Article 36 (Layoff and Recall).
- 1.3 The parties agree to work towards the implementation and utilization of voluntary measures, including but not limited to voluntary Leaves of Absence, transfers and voluntary separation programs, including early retirement, job sharing or severance agreements in order to minimize the impact on Employees.
- 1.4 This Letter of Understanding will not prevent the transfer of services and the associated Employees between health care facilities operated by the Alberta Health Services within the Province of Alberta.

**2. Severance**

- 2.1 In the event the work performed by an Employee in the Bargaining Unit is contracted out and no alternate employment is found for an affected Employee, resulting in the permanent reduction in the number of CUPE Regular Employees, the Employee shall be eligible for severance calculated as follows:

- (a) The equivalent of two (2) weeks regular salary for each full year of continuous employment to a maximum payment of forty (40) weeks.
  - (b) Regular salary = (regularly scheduled hours of work as at the date of application for the program) x (Basic Rate of Pay). For calculation purposes, service in excess of six (6) months shall be considered a full year (e.g. five (5) years and seven (7) months would be considered as six (6) years of service).
  - (c) If the terms of contracting out require employment with the contractor and if the basic rate of pay is less than their current rate of pay, the Employer will provide severance as per the aforementioned schedule for the difference between the two rates.
  - (d) For purpose of severance, continuous employment will be calculated from the last date of hire recognized within the bargaining unit.
  - (e) The Employer shall have the right to accept or reject any application for severance based on operational requirements. Subject to operational requirements, if there are more Employees wishing to take severance than there are positions to be eliminated, severance shall be granted in order of seniority.
- 2.2 Employees who receives severance will not be eligible for rehire by any Employer who is a Party to a collective agreement containing this provision, or any Employer or agency funded directly or indirectly by the Employer, Alberta Health Services or Alberta Health and Wellness for the period of the severance (which for the purpose of clarity means the period of time equal to the number of weeks of severance paid to the Employee).
- 2.3 The Employee may be considered for hire by an Employer referred to in 2.2 provided they repay the Employer from whom severance was received, the difference, if any, between the time they were unemployed and the length of time for which the severance was paid.
- 2.4 Severance will not be approved if termination of the Employee does not directly result in the permanent elimination of the Regular Employee's full-time equivalency or a comparable full-time equivalency.
- 2.5 The Employer will only consider a severance application from an Employee on Sick Leave, WCB or LTD where the Employee has provided medical evidence satisfactory to the Employer that they are fit to return to work.
- 2.6 The Employer reserves the right to determine the date of termination and once approved, the decision to take severance and terminate employment is irrevocable.

The Letter of Understanding will expire on March 31, 2018.

**RE: EMPLOYMENT IN MULTIPLE POSITIONS**

The Parties agree that this Letter of Understanding applies to Employees who hold more than one (1) position within the bargaining unit as of the date of ratification of this Collective Agreement or to Employees who subsequently attain more than one (1) position within the bargaining unit.

1. An Employee is responsible for notifying her supervisor that she is employed in multiple positions with the Employer.
2.
  - (a) Employees shall not be employed within the bargaining unit in greater than full-time capacity.
  - (b) Notwithstanding the above, an Employee who holds a part-time position(s) may work additional shifts, however, it is intended that the total hours will not normally exceed full-time hours, and in any case shall not contravene this Collective Agreement.
3. Subject to the Employer's operational ability to do so, the Employer agrees to combine the regular hours of work of multiple positions held by an Employee for the purpose of benefit eligibility, vacation, sick leave, increments, placement on the Salary Schedule(s) and seniority, provided that the following conditions are met:
  - (a) the total hours of the positions do not exceed full-time employment as defined in this Collective Agreement; and
  - (b) the regular hours of work to be combined are associated with regular part-time positions; and
  - (c) the positions are in the same classification and certificate and their schedules can be made Collective Agreement compliant, or the Employer and Union mutually agree to waive the scheduling provision of Article 16: Hours of Work, in the Collective Agreement.
4. Where the regular hours of work of multiple positions cannot be combined in accordance with clause 3 above because they are in different classifications, they may be combined for the purposes of determining benefit eligibility only.
5. An Employee who holds multiple positions would have her salary adjusted to the highest increment level achieved in any of the positions currently held, providing that the positions

are the same classification. The time period for any further increment advancement would include any regular hours already worked and not credited towards the next increment level.

6. An Employee who holds multiple positions would have the earliest "seniority date" recognized for the purpose of Article 35: Seniority.
7. Probation and trial periods will apply to each component of the multiple positions. Probation is completed upon the successful completion of the first probationary period, with probation in second and subsequent positions reverting to a trial period within the provisions of the Collective Agreement, except that there shall be no obligation on the Employer's behalf to reinstate the Employee in her former position.
8. Layoff and recall provisions shall apply individually to each position.
9. An Employee who holds multiple positions, and who fails to report for work as scheduled due to a conflict in schedules, may be required to relinquish one (1) of the positions.
10. (a) An Employee who accepts multiple positions acknowledges the Employer's requirement to manage shift scheduling based on operational need. If a schedule changes as a result of operational requirements, then an Employee may be required to resign one (1) or more of their positions. Should an Employee be required to resign from a position(s) under these circumstances, she shall be given twenty-eight (28) calendar days notice of such requirement or such lesser time as may be agreed between the Employer and the Union.  
  
(b) The Employer reserves the right to deny or terminate multiple position situations based on operational requirements or health and safety factors, subject to all provisions of the Collective Agreement.
