CHRISTIAN LABOUR ASSOCIATION OF CANADA
(hereinafter referred to as the “Association”)

January 1, 2014 – December 31, 2016

ARTICLE 1 - PURPOSE

- 1.01 The general purpose of this Agreement is to establish and maintain collective bargaining relations between the Employer, the Association and the volunteer firefighters, to provide for settlement of grievances and to maintain satisfactory working conditions for all volunteer firefighters subject to this Agreement.
- 1.02 The parties recognize that the provisions contained herein shall be interpreted in accordance with the *Ontario Labour Relations Act*, the *Ontario Human Rights Code*, the *Employment Standards Act* and the *Workplace Safety and Insurance Act*.

ARTICLE 2 - RECOGNITION

- 2.01 The Employer recognizes the Association as the sole bargaining agent for all volunteer firefighters as defined by subsection 1(1) of the *Fire Protection and Prevention Act*, 1997 (FPPA), employed by the City of Greater Sudbury, save and except for volunteer District Chiefs, those above the rank of volunteer District Chief, office and clerical staff and persons covered by an existing Collective Agreement.
- 2.02 The Association acknowledges that the customary or normal work of the volunteers shall include the level of service set for each district and each station by the City of Greater Sudbury Council and as is established in by-law 2012-146, as amended from time to time. Before City Council entertains recommendations to amend the level of service, or the by-law referenced herein, the Employer shall ensure that the Association is aware of the recommendations. The Association may request that the recommendations be referred to a labour management meeting for input by the Association, and the Fire Chief at City of Greater Sudbury shall attend at that meeting.

- 2.03 The parties recognize that the customary work of volunteers may, from time to time, be performed by non-bargaining unit personnel or fire fighters responding as a part of a mutual/automatic aid agreement.
- For clarity, and subject to the level of service established by Council, personnel and apparatus will be deployed by the Employer to optimize the provision of fire protection or other emergency services.
- 2.04 There shall be no revision, amendment or alteration of the bargaining unit as defined herein, or of any of the terms and provisions of this Agreement, except by mutual agreement in writing of the parties. Without limiting the generality of the foregoing, no classification of work or jobs may be removed from the bargaining unit except by mutual agreement in writing of the parties.
- 2.05 The Employer and the Association agree that the duly appointed representatives of the Christian Labour Association of Canada are authorized to act on behalf of the Association.
- 2.06 The Association acknowledges that it is the exclusive right of the Employer to manage the operation of its Fire Services and this right includes, but is not limited to, the right to move, remove or add resources, including but not limited to vehicles, equipment and staffing levels, and the right to hire, lay off, fire, promote, demote and suspend volunteer firefighters provided that a claim by any volunteer firefighter that he has been disciplined or discharged without just cause may be the subject of a grievance.
- 2.07 The Association agrees that there shall be no interference with the Employer's business.
- 2.08 The Association recognizes and accepts the provisions of this Agreement as binding upon itself, each of its duly authorized representatives, and the volunteer firefighters represented by the Association and pledges that it, each of its duly authorized representatives, and all volunteer firefighters falling within the terms of this Agreement will observe the provisions of this Agreement.
