ARTICLE 29 – GRIEVANCE PROCEDURE

29.01 Definition of a Grievance: Any complaint, disagreement of differences of opinion between the parties respecting the interpretation, application, operation or alleged violation of this Collective Agreement, including any dispute with regard to discipline or discharge, shall be considered to be a grievance.

29.02 (a) Informal Step:

As an informal step, the employee is encouraged to make an earnest effort to resolve the grievance directly with the management person to whom **they** report. At **their** option, the employee may be accompanied by the Job Steward for the department in which the employee works.

(b) Step One:

At this step, notice in writing of the grievance must be filed with a person designated by the Employer, within **fourteen (14) calendar** days after the occurrence of the alleged grievance or of the date on which the employee first has knowledge of it.

The notice in writing shall briefly but clearly describe the nature of the incident or occurrence, which gave rise to the grievance, and it shall clearly state the provision of the agreement, which has been violated.

Any meeting between the parties at this step **may** involve the employee, **will involve the** Job Steward and a person from management other than the employee's immediate supervisor.

The Employer's representative must answer the grievance in writing within **fourteen (14)** days.

(c) Step Two:

In the event that a resolution of the grievance, satisfactory to the Union and the Employer, does not result at Step One, an attempt to resolve the grievance shall be made at a meeting **that may be** attended by the employee, **will be attended by** the Job Steward and/or a Union representative and the Employer's Senior Representative on the job site or RVP.

This step must be taken by notice in writing within **seven (7) calendar** days of the date on which the written answer was delivered in Step One.

(d) Step Three:

In the event that a resolution of the grievance, satisfactory to the Union and the Employer, does not result at Step Two, either the Union or the Employer may advance the grievance to the next step. The next step involves a selection from the following alternatives:

- 1) The optional grievance procedure provided for in Article 29.05.
- 2) Go to a Single Arbitrator as agreed in (e) below
- 3) Go directly to full arbitration at Step Four

(e) If both parties agree, the grievance may be heard by a Single Arbitrator. The parties shall have **seven (7) calendar** days to agree on an Arbitrator. Failing such agreement, either party may request the Minister of Labour to appoint such Arbitrator. Articles 29.03 and 29.04 shall apply to such Single Arbitrator.

(f) Step Four:

The final step of the grievance procedure shall be full

arbitration as provided herein, unless the parties have previously agreed to be bound by the recommendations of an officer appointed by the Labour Relations Board, or by the recommendations of the investigator under the optional grievance procedure or by a Single Arbitrator appointed in (e) above.

(g) Union and Employer Policy or General Grievance:

The Union or Employer may file policy, or general grievances. Such grievances shall be filed at Step Two of the grievance procedure.

29.03 Arbitration Hearing and Award:

(a) As soon as the Arbitrator has been appointed, the Arbitrator will be encouraged to commence the hearing **and render a decision promptly.**

(b) In order to expedite the arbitration process, the parties agree that they will meet to discuss their understanding of the issue or issues to be placed before the Arbitrator, and to prepare a statement of all facts, which are not in dispute. The identification of the issue or issues and the statement of agreed facts will be prepared in written form and placed before the Arbitrator by agreement of the parties.

(c) Each party to the arbitration will bear one half (1/2) of the expenses associated with the Arbitrator.

(d) The parties recognize that they are bound by a decision of the Arbitrator, in accordance with Section 124 of the Labour Relations Code of Alberta.

29.04 Authority of the Arbitration Board: The parties to the arbitration recognize that the authority of the arbitration

board is set out in Section 125 of the Labour Relations Code of Alberta.

29.05 Optional Grievance Investigation Procedure:

- (a) Purpose and Scope: Recognizing that there are times and circumstances in which it may be necessary to seek third-party assistance in the resolution of grievances, and in an attempt to find a way in which to bring about such resolutions without incurring the costs and delays associated with formal arbitration proceedings, the parties have agreed to provide for an optional grievance investigation procedure.

The process is intended to complement the grievance and arbitration procedures otherwise provided for in this Agreement. It is not intended to replace those other procedures.

- (b) Optional Grievance Investigation Procedure where a difference of opinion arises between the parties relating to the dismissal, discipline or suspension of an employee during the term of the Collective Agreement, the parties will **mutually agree to or by either party making application to the Provincial Government to appoint an investigator, to:**
- (i) investigate the difference;
 - (ii) define the issue in the difference; and
 - (iii) make written recommendations to resolve the difference within **sixty (60) calendar** days of the date of the receipt of the request; and, for those **sixty (60) calendar** days from that date, time does not run in respect of the grievance procedure.

(c) Cost Sharing: Each party shall share the cost equally in relation to the reasonable remuneration, traveling and out of pocket expenses of the Investigator or **their** substitute.

(d) Investigators - Alternates Agreed to, and Selection: The parties **will mutually agree or will make application to the Provincial Government to appoint the** "Investigators" for the purposes of this investigation procedure, subject to receiving their respective consents to their appointment.

Selection of a particular named individual to serve in each instance shall be by agreement of the parties. Should the parties fail to agree on the selection, then the person next on the list after the last appointment shall be chosen.

(e) Option Choice and Timing: Either party may choose to implement the investigation procedure provided that all steps of the grievance procedure, prior to reference to arbitration, have been exhausted without a resolution to the difference.

The party wishing to use the investigation procedure shall notify the other party of the decision. Such notification must be in writing.

The party receiving notification may refuse to accept the investigator procedure, in which case the arbitration provisions of this agreement are then available and the time limit contained in that Article begins to run from the date of the refusal decision being delivered in writing. No reasons for the refusal need be given, and such refusal must be submitted within **seven (7) calendar** days.

- (f) Binding Recommendations: While the grievance investigation process is intended to yield only non-binding recommendations, the parties may agree that the recommendations will represent a binding award, in the manner of an arbitration award. Such agreement must be made in advance of the appointment of the Investigator.
- 29.06 Time Limits: A grievance or dispute shall commence within the time limit provided, otherwise it shall be deemed to be abandoned. Extensions may be requested by either party and shall not be unreasonably denied.
- 29.07 Persons Authorized to Deal with Grievances:
- (a) The Union agrees to provide the Employer with a written list of the names of any persons other than Job Stewards, who are authorized to deal with the adjustment or resolution of grievances on behalf of the Union, and to provide further written advice of changes made in the list from time to time.
 - (b) The Employer agrees to provide the Union with a written list of the names of any persons who are authorized to deal with the adjustment or resolution of grievances on behalf of the Employer, and to provide further written advice of changes made in the list from time to time.
- 29.08 Fast Track Mediation/Arbitration Process: Recognizing that there are times when an expedited arbitration may be desirable, the parties agree that the following process may be used as a substitute for the formal grievance procedure outlined in Article 29 of this Collective Agreement:
- (a) The process can only be used by mutual agreement

between the parties who are signatories to this Collective Agreement;

- (b) The outcome will be binding on the parties;
- (c) The cost will be borne Employer – one-half (1/2) , Union – one-half (1/2);
- (d) The procedure may be used after Step One or Step Two of the grievance procedure;
- (e) No legal counsel will be used by either party;
- (f) The number of cases to be heard at any given time will not exceed three (3).
- (g) The parties or their representative will try to get an agreed statement of facts for presentation to the arbitrator;
- (h) Wherever possible the arbitrator will attempt to mediate a settlement between the parties;
- (i) In such cases that the arbitrator must write decision, such decision shall be brief and to the point;
- (j) An agreed schedule for the process will be arranged in advance, based on a mutual assessment of the length of time needed to present each case;
- (k) General rules of evidence will be waived except for the rule of "onus";
- (l) Location to be agreed between the parties;
- (m) Procedures Guidelines:
 - (i) The Opening Statement-. this should basically set out the case from each party's perspective. The arbitrator shall aggressively seek at this

point to define the issue and to determine what evidence is agreed to and what is not.

- (ii) The Hearing: sufficient witnesses should be called to ensure the "story" is properly told. Where it is an issue of creditability or conflicting evidence, the key individuals must testify.
- (iii) The Argument as agreed, the parties will not cite legal precedents but may refer to Brown and Beatty, Palmer etc. However, it is imperative that the relevant provisions of the Collective Agreement be canvassed by counsel to ensure that all relevant clauses are put before the arbitrator.
- (iv) Mediation: **The parties** must accept some responsibility at this stage to assist the arbitrator in assessing the evidence before **them**. Specifically, if **the parties** can assist in assessing creditability and/or contradictory evidence, they should do so.
- (v) The Decision: If mediation fails or is not appropriate, and if the decision can be rendered after a short deliberation, the arbitrator will do so. By meeting first to explain the framework of **their** decision, the parties are provided with an opportunity to influence the exact terms of the resolution. Within the framework of settlement as outlined by the arbitrator, the parties can work out exact terms which best suit the specifics of the case. Such an opportunity should not be wasted by continuing to argue the merits of the case.

- (n) With respect to grievances involving customer complaints, the following will apply:
 - (i) The person to whom the complaint was given be called to testify;
 - (ii) Bargaining unit or staff employees who can direct evidence be called to testify;
 - (iii) Wherever possible, the complaint be committed in writing, in the customer's own handwriting;
 - (iv) Prior to the hearing, the parties discuss the evidence so there are no surprises.
