The University recognizes the Association as the exclusive bargaining agent of the members of the bargaining unit (whether probationary, permanent, seasonal, term or casual) as defined by the Order of the Saskatchewan Labour Relations Board, dated at Saskatoon, Saskatchewan on the 31st day of October, A.D. 1978, or as may be amended from time to time by the Labour Relations Board or by mutual agreement of the parties to this Agreement.

5.4.3 Representatives on University Committees

The University recognizes that the Association and its members have a desire to be more aware of, and potentially involved in, University affairs to better educate the Association and its members of matters pertaining to their interests. The Association agrees to identify any official bodies or committees of the University on which it may wish to have representation. The University agrees to assist the Association, where possible and where appropriate, in gaining access to, and representation on, these bodies or committees.

5.5 Leave for Officers and Reimbursement for Meetings

5.5.1 Leave for Association Officer(s)

The University will grant leave with pay for up to one (1) FTE so that an officer who has been elected or appointed by the Association may conduct business on behalf of the Association. The leave granted may be allocated at the discretion of the Association to one or more officers of the Association in fractions no less than one-quarter (1/4) FTE. The Association will advise the University of who receives such paid leave no later than May 31 of each year.

Each employee on such leave with pay at his/her current salary will return to his or her position at the end of the leave.

5.5.2 Reimbursement for Officer Release Time

The University will provide a reimbursement pool of up to \$100,000 per year to cover release time for Association Officers who are not on leave under Article 5.5.1. 6.2 Schedule of Meetings

Meetings shall be held at a time and place fixed by mutual consent. Such meetings shall be held once a month, unless there is mutual agreement between the parties to cancel or postpone a meeting.

Special AECC meetings may be called by the Association or the University by mutual agreement to deal with special cases in the informal problem resolution process (Article 17.1).

6.3 Agenda for the Meetings

An agenda will be distributed before the meeting. Lack of notice of a matter to be discussed shall not preclude the matter from being discussed at the meeting.

ARTICLE 7 – RECRUITMENT AND RETENTION OF EMPLOYEES

7.1 Advertising of Positions

Human Resources will advertise all Association positions of a duration of more than **six (6)** months.

Unposted terms shall not be extended beyond six (6) months without posting the position.

Posted term positions that are extended or become permanent do not need to be re-posted. The Association will be notified when positions are made permanent.

7.1.1 Extension to Association Positions

The University may add “with possibility of extension” to Association term position postings. This will enable the University to extend Association term positions without a new positing.

7.1.2 Employment Equity

In keeping with requirements of the Federal Contractors Program, the Saskatchewan Human Rights Commission, and the Aboriginal Partnership Agreement, the University and the Association agree to the principle of employment equity for women, visible minorities, aboriginal peoples, and persons with disabilities at the University of Saskatchewan. This principle ensures opportunities in hiring and promotion for members of the above groups.

7.2 Advertising Procedure

All positions advertised will be posted by Human Resources for a minimum of one (1) week. All applications will be directed to Human Resources. Members will identify their membership in the Association when applying for a position within the scope of ASPA.

7.2.1 Job Placement Requirements for Advertising

Vacant positions will be advertised at the same range as when vacated except in the case of reorganization or reassignment of duties or functions. For such redefined positions, the phase and/or family may be altered and a new salary range established. New positions will normally be advertised with an assigned pay range.

7.3 Consideration of Member Applicants

Association members who apply for vacant advertised positions prior to the closing dates thereof will have their applications considered prior to those of any external applicants. The University may elect, at its discretion, to interview internal applicants prior to interviewing external applicants in such circumstances.

An Association internal applicant may request a rationale for the hiring Manager's decision. The rationale will be provided within fourteen (14) calendar days. The rationale is intended only to be developmental feedback. The rationale and the decision will not be subject to the grievance procedure.

7.4 Letter of Offer

The University must extend written letters of offer to individuals being offered positions within the scope of ASPA. Appointments are not official until the individuals have accepted the offer in writing.

ARTICLE 8 – PROBATIONARY PERIODS

All members will serve an initial probationary period of six (6) months from the date of commencing duties in a position. During and up to the end of the probationary period, a member may be discharged for unsuitability in accordance with the following Article.

Under special circumstances specified by Human Resources and agreed to by the Association, the probationary period required can be extended, reduced or waived.

Members must be evaluated during their probationary period as outlined in Article 8.1

8.1 Assessment of Performance While on Probation

Throughout the probationary period, the department head or supervisor will provide timely and constructive feedback to the member that is relevant to meeting the requirements of the position. Performance must be discussed with the member and necessary improvements will be provided to the member in writing.

8.2 Final Probationary Assessment

Prior to the end of the probationary period, the department head shall advise the member in writing with a copy to Human Resources and the Association:

- a) that the member's appointment be continued;
- b) that the probationary period be extended for an additional period, giving reasons and subject to agreement by the Association;
- or
- c) that the appointment not be continued, giving reasons in writing at a meeting for such purpose with the Association present.

8.3 Termination of Probationary Appointment

A member with permanent or seasonal status who fails to successfully complete the probationary period in a new appointment will be advised in writing with an Association Representative present and shall be eligible for all applicable provisions as specified in Article 16.

A member without permanent or seasonal status who is terminated during the probationary period will be given one (1) month notice or pay in lieu.

8.4 Positions Brought into the Scope of the Association

Positions brought into the scope of the Association where the incumbent has been in the position for less than six (6) months shall complete the required probationary period as per Article 8.

ARTICLE 9 – ASSIGNMENT AND ASSESSMENT OF DUTIES

9.1 Placement and Review of Positions

9.1.1 New Positions

New Positions within the scope of ASPA will be placed in a family and phase by Human Resources based on the criteria matrix established for positions within the scope of

ASPA. Any member and/or manager who believes the position has been inappropriately placed may request a review in accordance with Article 9.1.2.

9.1.2 Review of Position Job Family and/or Phase

Any member and/or manager who believes the position in question has changed and the current placement no longer accurately reflects the position, may request a review of the position at any time. A review can occur once per 12 month period and will be conducted by **Human Resources**.

9.1.3 Salary Adjustments through Review

If the review results in a position placement to a lower or higher phase, the position and salary will be adjusted to the appropriate family and phase or the salary will be red-circled at its current level if the salary is above the maximum of the new salary range.

Adjustments as a result of a review will be effective to the first of the month closest to when the request for review was received by Human Resources.

9.1.4 Appeal of Position Placement Decision by Human Resources

If a member and/or manager is dissatisfied with the decision of **Human Resources**, either party may request an appeal within thirty (30) days of receipt of the written decision. A joint appeals committee, made up of two (2) members from ASPA and two (2) members from management, will review these requests and render a written decision. All decisions of the appeals committee are final and not subject to the grievance procedure. **The appeal committee is named the Joint Management and ASPA Appeal Committee (JMAAC).**

9.2 Job Profile

The job profile describes the primary purpose of the position, the nature of the work, the education/qualifications required, and the accountabilities of the job. Duties are assigned by the member's supervisor in accordance with the job profile.

The job profile must be reviewed on an annual basis by the supervisor and member. Changes or additions to the job profile must be approved by the supervisor. Where a member does not have a current profile, and the member has brought this to their supervisor's attention without correction, the employee may then grieve the matter.

9.3 Work Hours Plan

The Association and the University recognize the diversity of the work performed by Association members and the need for different work hours in different positions. In addition both parties recognize the benefits of developing work hours plans based on, the regular operating hours of the unit, the business needs of the unit and the need to balance work and personal life. The plan will be jointly developed between the member and their supervisor

and updated as necessary. If no work hours plan has been documented the plan will be as per Article 9.3.1.

9.3.1 Standard Work Hours Plan

Standard work hours plans will be based on an annual framework of 1950 hours per year and 37.5 hours per week. Consideration for hours worked should be given to the core hours of the position and the regular operating hours of the University and unit, as outlined in the member's letter of offer.

Given the flexible nature of the work, employees may flex their time to balance the evolving needs of the University and personal life responsibilities. In order to meet these needs, employees may accumulate up to a maximum of fifteen (15) hours of flex time without explicit approval from their supervisor. The accrued time and the time taken will be reported to the supervisor on a monthly basis. Any additional time accumulated above the fifteen (15) hours will not receive compensation in the form of time off with pay or additional pay unless approved by the supervisor. Normally this approval will occur in advance of the time being accumulated.

Unit policies for time away need to be considered and adhered to.

9.3.2 Alternate Work Hours Plan

Recognizing the cyclical nature of the work and the requirement of non-standard work hours in some Association positions, the member and their supervisor will develop a mutually agreeable alternate work hours plan. This will include, but not be limited to; how the work will be completed over the course of the year and the ability of the member to accumulate and flex their work hours.

The work hours plan will be based on an annual framework of 1950 hours per year. Additional time accrued beyond 1950 hours per year shall not be carried forward from year to year. If the additional time is not scheduled by the end of the fiscal year, it shall be paid out.

Should the employment relationship end, any hours accumulated above 37.5 hours per week and approved as per the hours of work plan will be paid out at straight time at the member's current salary.

The Association will be provided with copies of work hours plans upon request.

9.4 Performance Review

The University and the Association recognize the benefit of ongoing performance feedback for employees. At least once per year, using the job profile as a basis, the supervisor shall meet and discuss the performance of duties with each member. The supervisor will then complete a performance feedback and development plan. A copy will be provided to the member. The member may attach a personal statement to the feedback, with a copy to the supervisor and

placed on the personnel file. Members who do not receive annual performance feedback or a development plan may grieve the matter.

9.5 Increment

Effective 1 May of each year, increments of 2% are provided up to the target point of the salary range to recognize growth in proficiency from experience and a satisfactory level of performance over a given time span, usually one (1) year. If a member's performance is considered unsatisfactory, the annual increment may be withheld. If the increment is to be withheld, the member will be given reasons in writing as soon as possible after the decision is made with a copy provided to the Association. Withholding an increment will be grievable subject to provisions of the grievance procedure (Article 17.2)

9.5.1 Increment Date

The increment date for all members is 1 May. Where the date of appointment is not 1 May, the increment adjustment is as follows:

- (a) Appointments effective between 1 May and 31 July inclusive will entitle the member to a full increment.
- (b) Appointments effective between 1 August and 30 April inclusive will entitle a member to an increment pro-rated on the basis of the number of days by which the effective date precedes 1 May.

Once an employee has reached the target point of his/her salary range, subsequent increases will be based on market and merit adjustments.

9.6 Merit

9.6.1 Merit Awards

Merit increase may be awarded when proficiency, growth and levels of performance are considerably better than what is viewed as "normal" and recognizes exceptional contributions.

Merit increases may be provided in one of two ways – base salary increases or lump sum bonuses. Base salary merit increases will be added to a member's base salary providing such an increase does not exceed the maximum of the salary range. If the salary increase would cause the member's salary to exceed the maximum of the salary range, a salary increase up to the maximum of the salary range will be added to the base-salary and the remainder will be paid as a lump sum bonus. Lump sum bonuses will not be added to a member's base salary.

Effective May 1, 1.33% of the total annual membership salary from the previous fiscal year is allocated for base salary merit increases. The percentage merit increase for each year is calculated based on the total base salary allocation divided by the total actual salaries of the members awarded base salary merit increases.

Effective May 1, 0.67% of the total annual membership salary from the previous fiscal year is allocated for lump sum bonuses. The lump sum percentage award for each year is calculated based on the total base salary allocation divided by the total actual salaries of the members awarded lump sum bonuses.

It is intended that up to 60% of eligible members will be awarded a merit award in any given year with approximately two thirds receiving base salary merit increases and the other one third receiving lump sum bonuses. All available funds will be dispersed to the meritorious recipients.

Merit decisions are not subject to the grievance procedure.

9.6.2 Merit Award Eligibility and Effective Date

In order to be recommended for merit, a member must be in the same position, in the same department as of 1 November of the current fiscal year.

The base salary award allocation will be effective 1 July.

9.6.3 Merit Process

The University will provide to the College Dean or Administrative Head the eligibility of ASPA members and the number of total merit allocations available for both salary increase and lump sum bonus awards that can be issued in the College or Unit.

The Dean or Administrative Head is accountable for developing the unit's merit process, in conjunction with the ASPA collective agreement, and determining the decision making process for merit awards for ASPA members within their College or Unit. A merit recommendation form must be completed with a full written rationale.

The Dean or Administrative Head is to forward all merit documentation to Human Resources by 15 June.

The Merit Audit Committee may request the Dean or Administrative Head to report on the College/Unit merit process in order to fulfill the audit process.

9.6.4 Merit Audit Committee

The Merit Audit Committee (MAC), chaired by the Associate Vice-President, Human Resources, has the authority to perform a systematic assessment of the effectiveness of any College/Unit merit process. The MAC makes recommendations, which will be forwarded to both the ASPA Executive and Human Resources for consideration.

Membership shall consist of four (4) representatives appointed by the Association and four (4) representatives appointed by the University one of whom is the Associate Vice-President, Human Resources.

If a member or manager is dissatisfied with the outcome of the merit process, either party may request a systematic review be conducted by the Merit Audit Committee. Requests must be forwarded to Human Resources by 15 October.

9.6.5 Merit Utilization Statement

Annually, the University shall provide ASPA a report listing the allocation of merit awards that occurred in the previous fiscal year.

9.7 Other Assignments

9.7.1 Additional Assignments

Under certain circumstances, it may be appropriate for members to assume responsibilities in addition to their regular duties for which they may receive extra remuneration, e.g. teaching a class, marking papers, additional administrative duties, assuming more senior responsibilities in a temporary capacity, or any project where significant extra time is required.

Permission to assume such additional responsibilities must be obtained from the department head and Human Resources.

9.7.2 Acting Appointments

When a member is requested to take on additional responsibilities on an acting basis additional compensation will be provided. The extent and nature of additional compensation will be determined by the department head and the member, in consultation with Human Resources and, at the member's request, the President of the Association.

9.8 Entry and Re-entry of Members from Excluded Positions

9.8.1 Temporary Appointment to Out-of-Scope Position

A member who is appointed to a position excluded from the Association shall cease membership and stop paying dues for the duration of the appointment provided the appointment is for more than thirty-one (31) calendar days. At the completion of the appointment to an excluded position, the member will automatically become eligible for Association membership, will commence paying dues and will have all rights and privileges (which are possible at the time) as if membership had been held continuously throughout the period of appointment to the excluded position.

9.8.2 Reappointment to In-Scope Position

A member reappointed to a position in the Association, who has had previous continuous employment with the University, will become eligible for membership and will commence paying dues upon appointment. Except for the probationary requirement, the member will have all rights and privileges (which are possible at the

time) as if membership in the Association had been throughout the member's University employment.

9.9 Outside Employment

Members must comply with the Board of Governors Policy on Conflict of Interest and outside employment (<http://policies.usask.ca>).

9.10 Membership in Professional Associations

The University shall reimburse professional fees to members who are required as a condition of employment, to have a certification, license, or membership in a professional association in order to perform their duties. Human Resources will include in the job posting a reference to any employment requirement and the Department Head shall include the requirement in employment letters of offer.

9.11 Adjustment to Salary Ranges and Salary

All positions in the Association are placed in the Salary Ranges attached as Schedule "1".

9.11.1 Salary Ranges

Effective May 1, 2016:

Minimums and maximums of the salary ranges will be adjusted by 1.5%.

**Target point for Phase 1 adjusted by 5%
Target point for Phase 2 adjusted by 2.5%
Target point for Phase 3 adjusted by 5%
Target point for OA1 adjusted by 1.5%**

Effective May 1, 2017 and 2018, the minimums, maximums and target points of the salary ranges will be adjusted by 2%.

9.11.2 Salary

Effective May 1, 2016, 2017 and 2018, a base salary adjustment of 1.5% for all active members up to that maximum of the new salary ranges will be provided.

A one-time payment in the amount of \$2,200 (pro-rated based on FTE) will be provided to each member who is active on the date of signing of the tentative agreement (February 4, 2016), paid within sixty (60) days of ratification.

ARTICLE 10 – MARKET ADJUSTMENTS

The determination and payment of market adjustments is the sole responsibility of the University. In the event a new market adjustment is warranted or the University has reason to change an existing market adjustment the University will notify the Association one (1) month in advance of this change being implemented.

The Association through the AECC will discuss the appropriateness and fairness of all market adjustments.

ARTICLE 11 – PROMOTIONS AND TRANSFERS

11.1 Promotions and Transfers

11.1.1 Promotions

A promotion is the appointment of a member to another position, within the same department or elsewhere in the university, involving duties and responsibilities of a more complex or demanding nature and which are recognized by a higher salary.

11.1.2 Transfers

A transfer is the appointment of a member to another position within the same department or elsewhere in the University, involving duties and responsibilities of a comparable nature and having a similar salary. In certain circumstances, the transfer may be at a lesser salary.

Appointments that are defined as promotions or transfers are probationary, as specified in Article 8. A member who accepts a promotion or transfer and who fails to qualify for permanent status in the new position shall be eligible for all applicable provisions as specified in Article 16.

11.2 Salary Adjustment Through Promotion and/or Review of Position

If a member's salary is changed upward by promotion or through a review of the position, the new salary shall be within the salary range of the phase for the new position. The new salary will be at least 3% of the target point in the new phase higher than the former salary, or the minimum of the new phase (whichever is higher). Details of the calculation will be provided to the member by Human Resources.

ARTICLE 12 – BENEFITS

12.1 Benefit Plans

All members shall enroll in employee benefit plans for which they are eligible according to the terms of those plans. Employees already contributing to the Non-Academic Pension Plan at the time of appointment to a position within the Association will be given the option of retaining membership in that plan. Detailed information concerning the following benefit plans will be provided by Human Resources and updated regularly:

- a) University Pension Plan
- b) Group Life Insurance Plan
- c) Salary Continuance Plan
- d) Family Dental Plan
- e) Family Extended Health Care Plan
- f) **Flexible Spending Program**
- g) **Business Travel Insurance**

12.1.1 Benefits for Members on Seasonal Layoff

12.2 Part-time Benefits

A member who declares in writing to Human Resources to be the biological mother of a newborn infant is entitled to seventeen (17) consecutive weeks of maternity leave without pay.

The member is required to apply for this leave at least four (4) weeks prior to the commencement of the leave.

The leave must commence on the date of the infant's birth or at any time during the twelve (12) weeks period prior to the infant's estimated date of birth and shall be of uninterrupted duration.

The member must provide a certificate from a qualified medical practitioner to Human Resources. The certificate must confirm the pregnancy and give the estimated date of birth.

20.7.2 Leave, Adoption

The member is required to apply for this leave at least four (4) weeks prior to the date the member begins to care for the child ("care date"). If the member cannot give four (4) weeks notice, the University will accept as much notice as is given to the adoptive parents by Saskatchewan Social Services.

The leave must commence on the care date, or at any time during the twelve (12) week period prior to the estimated care date, and shall be of uninterrupted duration.

The member must provide official confirmation of custody to Human Resources.

20.7.3 Leave, Parental for Maternity or Adoption

A member who qualified for maternity or adoption leave is also entitled to thirty-five (35) consecutive weeks of parental leave without pay.

The parental leave is in conjunction with the maternity or adoption leave and must be taken in one continuous period.

20.7.4 Leave, Parental for Parents other than those described in 20.7.1 and 20.7.2

A member who did not qualify for maternity or adoptive leave and who declares to be the parent of a newborn infant or of an adopted child is entitled to thirty seven (37) consecutive weeks of parental leave without pay.

The member is required to apply for this leave at least four (4) weeks prior to the commencement of the leave or as soon as possible in extenuating circumstances.

The leave may commence at any time during the twelve (12) week period prior to the estimated date of the infant's birth or the day the child comes into the member's care and must be completed within fifty-two (52) weeks from the estimated date of the infant's birth or the day the child comes into the member's care. This leave shall be of uninterrupted duration.

The member must provide official confirmation of the infant's birth or an official confirmation of custody of the adopted child to Human Resources.

20.7.5 Supplemental Benefits Plan

After twelve (12) months of continuous service at the university, a member who qualifies for a leave as defined under Article 20.7.1, 20.7.2, 20.7.3, or 20.7.4 and is in receipt of Employment Insurance (EI) benefits is eligible to receive supplemental benefits. The Employer will provide a supplemental benefit of 95% (inclusive of EI) of weekly earnings (based on his/her pre-leave earnings) for a period of up to twenty-one (21) weeks (including the 2 week waiting period).

In no case will the total amount of supplemental benefits, employment gross benefits, and any other employment earnings received by the member exceed 95% of the member's regular weekly earnings (based on his/her pre-leave earnings).

20.7.6 Benefit Coverage

During the paid portion of the leave, the member and the University shall pay his/her respective shares of the cost of continuing benefit coverage. During the unpaid portion of the leave, benefits will be handled as if the member is on leave without pay.

20.7.7 Vacation

Annual vacation may be taken as an extension of any Article 20.7 leave.

The member's vacation accumulation date will not be adjusted for the length of any Article 20.7 leave. A member eligible for the Supplemental Benefits Plan (Article 20.7.5) is also eligible to accrue annual paid vacation, as per Article 19.2, at his/her full appointment rate (FTE) for the period during which he/she collect the Supplemental Benefits Plan.

Unpaid annual vacation will accumulate at the rate defined in Article 19.2 for the portion of any Article 20.7 leave that is not covered by the Supplemental Benefits Plan, or for the entire leave for members who do not qualify for the Supplemental Benefits Plan.

20.7.8 Increments

The member's increment eligibility will be adjusted for the length of any leaves in Article 20.7 that exceed his/her defined duration.

20.7.9 Reinstatement and Return to Work

The member is guaranteed job reinstatement to the same position or, if that position no longer exists, to a substantially similar position and under similar terms and conditions, with no reduction in salary or benefits.

A member, who has been granted a leave, should notify his/her department or unit in writing at least fourteen (14) days prior to the day on which he/she intend to return to work, unless otherwise mutually agreed.

20.8 Leave, Bereavement and Compassionate

A member will be granted reasonable leave of absence for urgent personal reasons such as bereavement, serious family illness, etc. Permission should be obtained from the department head prior to taking such leave so that arrangements can be made to carry on the member's duties during the absence. Upon receipt of written application for the leave, the department head, taking the particular circumstances of the situation into consideration, will authorize the leave with or without pay and benefits. Leaves will not be unreasonably denied.

20.9 Leave, Personal / Family

APPENDIX 1 – MEMORANDA OF AGREEMENT

MEMORANDUM OF AGREEMENT

Job Sharing

1. The position to be shared is a full time permanent position being shared by two employees. Usually this will be equal splitting of a position and any other arrangements must be specifically approved by both ASPA and the University.
2. At the request of the incumbent(s), the University will consider job sharing and if the decision is favorable, the possibility will be discussed with ASPA and the employee(s).
3. If agreement is reached between the parties that job sharing will take place, only the vacant portion of the position to be shared will be posted.
4. All employee benefit plans will be available to the incumbents of job sharing positions as specified in the Collective Agreement. Statutory Holiday benefits will be determined at the outset of any job sharing arrangement and must be planned in advance for ongoing job sharing. Participants in job sharing arrangements will not be eligible for alternate hours of work arrangements unless agreed to by the parties.
5. If a long-term absence occurs due to illness, maternity leave, or other approved leave of absence; the other employee may cover the period of absence. If this is not acceptable to the other employee, then the vacancy may be filled on a term basis.
6. If either employee wishes to return to full time employment at a time when the other portion of his/her job sharing position is not vacant, the individual must apply for and be the successful applicant for a posted position.
7. If either one of the employees sharing this position resigns or transfers, the position will be reviewed to determine how the vacancy will be filled.
8. The department may terminate the job sharing arrangement at any time with sixty days notice. In the event this happens and the position reverts to its former complement of duties, the incumbent whose job was being shared, shall have first priority to it. Employees who are not placed will be subject to the conditions of Article 16 as appropriate. In this situation, the employer is not obligated to special considerations such as an employee's interest in part time work.

1 January 2001

**MEMORANDUM OF AGREEMENT
Criteria Matrix**

The parties agree:

1. The Criteria Matrix may be updated by a committee (the Joint Process Committee) comprised of the Joint Management/ASPA Appeal Committee (JMAAC) and one (1) ASPA Executive member.
2. The parties agree that while the Criteria Matrix does not form part of the collective agreement, this Agreement shall be attached to the current and subsequent collective agreements as one of the Memoranda of Agreement listed in Appendix 1, unless and until mutually agreed to otherwise by the parties.
3. The Joint Process Committee shall review the Criteria Matrix at least annually to assess if updates are required.
4. The Joint Process Committee will have the authority to alter the Criteria Matrix at any time without requiring ratification by ASPA or Human Resources.
5. The Criteria Matrix will not change without agreement between the members of the Joint Process Committee. If the Joint Process Committee is not able to agree to the proposed changes, the Criteria Matrix will not be amended.
